

Northside Independent School District

District highlights from NCTQ's Roll call: The importance of teacher attendance

The following analysis reflects the 2012–2013 teacher attendance data sent by 40 large urban districts, including Northside Independent School District, to the National Council on Teacher Quality. Long-term absences lasting more than 10 consecutive days were not included in order to exclude leave taken for serious illness and maternity/paternity leave.

San Antonio summary

School poverty level	Number of teachers	Average days absent	Attendance rate	Excellent attendance (3 or fewer days absent)	Moderate attendance (4 –10 days absent)	Frequently absent (11 –17 days absent)	Chronically absent (more than 18 days absent)
Overall	234,031	11	94%	16%	40%	28%	16%
San Antonio	5,977	13	93%	4%	33%	42%	22%
0 – 20%	322	12	93%	5%	37%	42%	16%
21 – 40%	1,285	13	93%	4%	37%	41%	19%
41 – 60%	1,913	12	93%	5%	37%	42%	16%
61 – 80%	1,540	15	92%	2%	26%	43%	29%
81 – 100%	917	14	92%	4%	29%	40%	28%

Poverty level of schools was based on students' eligibility for free- and reduced-price lunch.
