

San Jose Unified School District

District highlights from NCTQ's Roll call: The importance of teacher attendance

The following analysis reflects the 2012–2013 teacher attendance data sent by 40 large urban districts, including San Jose Unified School District, to the National Council on Teacher Quality. Long-term absences lasting more than 10 consecutive days were not included in order to exclude leave taken for serious illness and maternity/paternity leave.

San Jose summary

School poverty level	Number of teachers	Average days absent	Attendance rate	Excellent attendance (3 or fewer days absent)	Moderate attendance (4 –10 days absent)	Frequently absent (11 –17 days absent)	Chronically absent (more than 18 days absent)
Overall	234,031	11	94%	16%	40%	28%	16%
San Jose	1,290	11	94%	13%	42%	30%	15%
0 – 20%	246	11	94%	12%	47%	24%	17%
21 – 40%	340	10	94%	14%	42%	34%	11%
41 – 60%	287	11	94%	11%	40%	34%	15%
61 – 80%	329	12	94%	16%	38%	27%	20%
81 – 100%	88	10	95%	13%	47%	33%	8%

Poverty level of schools was based on students' eligibility for free- and reduced-price lunch.
