

2015-16 Employee Handbook

Welcome to another exciting year in Fort Bend ISD! I am very blessed to be part of such a dedicated team, and I look forward to working with you as we begin our 2015-16 school year journey.

Each of you will have opportunities to make a difference this year, whether it is in the classroom, in the lunch line, on a bus route or in your office. We all have a common mission to inspire and equip our students to pursue futures beyond what they can imagine, and each of us has an important role to play to help our students be successful. To that end, we must work collaboratively and proactively as we continuously improve our organization to fulfill our mission.

With more than 9,500 committed employees who provide services to more than 72,500 students, our District is the largest employer in the county. We have 75 schools and 14 support sites spanning 170 square miles. Our newest school – Madden Elementary – will open its doors this year to an eager group of students. Both our student and workforce population is extremely diverse, and we are definitely a stronger organization because of it. I encourage each of you to embrace the diverse backgrounds of your colleagues and your students as I know we can all benefit from learning and growing together.

If you are new to our FBISD family, I want to welcome you on behalf of the entire District. We are fortunate that you joined our exceptional team, and we look forward to your contributions as we continue to inspire and equip our students to pursue futures beyond their imaginations.

Enjoy your school year!

Board of Trustees

Policies BA, BB series, BD series and BE series

Texas law grants the Board of Trustees the power to govern and oversee the management of the District's schools. The Board is the policy-making body within the District and has overall responsibility for the curriculum, school taxes, and annual budget, employment of the superintendent and other professional staff and facilities.

Fort Bend ISD Board Meetings generally take place the second Monday of the month to discuss all items that will be considered as part of the agenda at a regular business meeting on the third Monday of the month. The meetings are held in the Board Room of the FBISD Administration Building, 16431 Lexington Blvd., in Sugar Land. Meetings generally begin at 6 p.m. with Board Recognitions and other

Special Meetings that are open to the public. Called Meetings are scheduled on an as-needed basis, although Texas law does allow the Board to call an emergency meeting in a crisis situation.

In accordance with the Texas Open Meetings Act, the Board has the privilege to meet privately in closed session to discuss matters related to personnel, student discipline, security, land acquisition and/or to consult with legal counsel. No action, however, may be taken during a closed session.

To address the Fort Bend ISD Board of Trustees, an “Address the Board at an Agenda Review Workshop Form” or “Address the Board at a Regular Meeting Form” must be completed and turned in 15 minutes before the posted start time. The forms are available online at <http://www.fortbendisd.com/Page/581>.

The seven-member Fort Bend ISD Board of Trustees is comprised of seven local citizens, who provide an important public service to the Fort Bend community without compensation. In accordance with the Texas Elections Code, Fort Bend ISD calls Board elections for the second Saturday in May of each year. Vacancies occurring after the election are filled by appointment until the next election is conducted. Trustees are elected to three-year terms on a rotating basis. Two are elected each year, one from each side of the District (Position 1, 2 and 3 on the West, and Positions 5, 6 and 7 on the East). Also, every third year, the “at large” Position 4, is elected.

Mission

FBISD exists to inspire and equip all students to pursue futures beyond what they can imagine.

Vision

Employment

Equal Employment Opportunity

Policies DAA, DIA

The Fort Bend Independent School District, an equal opportunity educational provider and employer, does not discriminate on the basis of race, color, religion, gender, sex, national origin, disability and/or age, military status, genetic information, or any other basis prohibited by law in educational programs or activities that it operates or in employment decisions. Additionally, the District does not discriminate against an employee or applicant who acts to oppose such discrimination or participates in the investigation of a complaint related to a discriminatory employment practice. Employment decisions will be made on the basis of each applicant's job qualifications, experience, and abilities.

Employees with questions or concerns about discrimination based on sex, including sexual harassment, should contact the following: Title IX Coordinator: Philip O'Neal, Director of Athletics, at (281) 634-1901, or Kermit Spears, Chief Human Resources Officer, at (281) 634-1056.

Employees with questions or concerns about discrimination on the basis of disability should contact: ADA/Section 504 Coordinators: Michael Ewing, Director of At-Risk, at (281) 634-1130, or Kermit Spears, Chief Human Resources Officer, at (281) 634-1056.

All other concerns relating to discrimination for any of the reasons listed above should contact the Superintendent (281) 634-1007.

General questions about the District should be directed to the Community Relations Department at (281) 634-1100.

Job Vacancy Announcements

PolicyDC (LOCAL)

Announcements of job vacancies are posted on a regular basis to the Fort Bend ISD website. When vacancies occur, position notices are also electronically sent to departments and campuses so that current staff members may be informed of advancement opportunities. Applicants must apply during the posting dates and submit all required documents as listed on the job posting. For information regarding current job opportunities, employees may access the Fort Bend ISD home page at www.fortbendisd.com.

Employment after Retirement

PolicyDC (LEGAL)

Individuals receiving retirement benefits from the Teacher Retirement System (TRS) may be employed in limited circumstances on a full or part-time basis without affecting their benefits, according to TRS rules and state law. Detailed information about employment after retirement is available in the TRS publication *Employment After Retirement*. Retirees must pay any and all surcharges due to TRS as a result of returning to work in a TRS covered position. Employees can contact TRS for additional information by calling (800) 223-8778 or (512) 542-6400. Information is also available on the TRS website at www.trs.state.tx.us.

Contract and Non-Contract Employment

PolicyDC series

State law requires the District to employ nurses and full-time professional employees, in positions requiring a certificate from the State Board for Educator Certification (SBEC), under probationary, term, or continuing contracts. Employees in all other positions are employed at-will or by a contract that is not subject to the procedures for non-renewal or termination under Chapter 21 of the Texas Education Code (TEC). The following paragraphs provide a general description of the employment arrangements used by the District.

Probationary Contracts. Nurses and full-time professional employees, new to the district and employed in positions requiring SBEC certification, must receive a probationary contract during their first year of employment. Former employees, who are hired after a two-year lapse in District employment or employees who move to a position requiring a new class of certification, may also be employed by a probationary contract. Probationary contracts are one-year contracts. The probationary period for those who have been employed as a teacher in public education for at least five of the eight years preceding employment with the District may not exceed one school year. For those with less experience, the probationary period will be three years (i.e., three one-year contracts), with an optional fourth year if the board determines it is doubtful whether a term contract should be given.

Term Contracts. Nurses and full-time professionals employed in positions requiring certification will be employed by term contracts after they have successfully completed the probationary period. The terms and conditions of employment are detailed in the contract and employment policies. All employees will receive a copy of their contract. Employment policies can be accessed at: <http://pol.tasb.org/Home/Index/483>. Copies will also be provided upon request.

Non-certified Professional and Administrative Employees, Directors, and Above. Employees in professional and administrative positions that do not require SBEC certification (such as non-instructional administrators) are employed by a one-year contract that is not subject to the provisions for non-renewal or termination under the TEC.

Paraprofessional and Auxiliary Employees. All paraprofessional and auxiliary employees, regardless of certification, are employed at-will and not by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the District, in compliance with policy DCD (Local).

Certification and Licenses

Policy DBA, DF

Professional employees whose positions require SBEC certification or professional license are responsible for taking actions to ensure their credentials do not lapse. Employees must submit documentation that they have passed the required certification exam and/or obtained or renewed their credentials to the Certification Officer in the Human Resources department in a timely manner.

A certified employee's contract may be voided without due process and employment terminated if the individual does not hold a valid certificate or fails to fulfill the requirements necessary to extend a temporary certificate, emergency certificate, probationary certificate, or permit. A contract may also be voided if SBEC suspends or revokes certification because of an individual's failure to comply with criminal history background checks. Contact Human Resources- Talent Operations if you have any questions regarding certification or licensure requirements.

Searches and Alcohol/Drug Testing

Policy CQ, DHE

Non-Investigatory searches in the workplace, including accessing an employee's desk, file cabinets, District-owned computer or work area to obtain information needed for usual business purposes may occur when an employee is unavailable. Therefore, employees are hereby notified that there is no legitimate expectation of privacy in those places. In addition, the District reserves the right to conduct searches when there is reasonable suspicion to believe a search will uncover evidence of work-related misconduct. Such an investigatory search may include drug and alcohol testing if the suspected violation relates to drug or alcohol use. The District may search the employee, the employee's personal items, work areas, lockers, and private vehicles parked on District premises or work-sites or used for District business. Searches that reveal a violation of the District's standards of conduct may result in disciplinary action.

Employees Required to Have a Commercial Driver's License. The purpose of alcohol and drug testing is to ensure safety and prevent accidents and injuries resulting from the misuse of alcohol and drugs by drivers of commercial motor vehicles. Any employee whose duties require a commercial driver's license (CDL) and who operates a commercial motor vehicle is subject to drug and alcohol testing. This includes all drivers who operate a motor vehicle designed to transport 16 or more people counting the driver, drivers of large vehicles, or drivers of vehicles used in the transportation of hazardous materials. Teachers, coaches, or other employees who primarily perform duties other than driving are subject to testing requirements if their job duties include driving a commercial motor vehicle.

Drug testing will be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted when reasonable suspicion exists, at random, when an employee returns to duty after engaging in prohibited conduct and as a follow-up measure. Testing may be conducted following accidents. Return-to-duty and follow-up testing will be conducted if an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol or drugs is allowed to return to duty. All employees required to have a CDL or who otherwise are subject to alcohol and drug testing will receive a copy of the District's policy, the testing requirements and detailed information on alcohol and drug abuse. Employees with questions or concerns relating to alcohol and drug policies and related educational material should contact the Director of At-Risk Student Support Services at 281-634-1130.

Employee's Use of District Vehicles

PolicyCNB

No Non-school Use. The District prohibits the use of District vehicles for non-school purposes.

No Personal Use. Personal use of District vehicles other than for normal commuting purposes is not permitted. Commuting shall be defined as traveling from the employee's home to the employee's work location or business meeting location and returning home at the end of the business day, if applicable. An employee transporting his or her children or family members to and from school, daycare, or a spouse's place of employment is not considered a part of normal commuting and is therefore prohibited. Violations of this policy shall be subject to disciplinary measures that may include termination in accordance with appropriate policies.

Motor Vehicle Record. Prior authorization is required for employees to operate a District-owned road vehicle (white-fleet or bus) based on a review of their driving record (MVR.) Employees who are required to drive District-owned road vehicles on a consistent basis will be subject to review of their driving record at least annually. Individuals found to have a poor driving record as defined by two (2) moving violations and/or accidents in the past twelve (12) months or one (1) DWI/DUID in the past twenty-four (24) months shall be subject to disciplinary measures that may include recommendation for termination in accordance with appropriate policies.

Insurance Considerations. If you are driving your own vehicle on District business, **your own insurance is primary.** If your vehicle, or someone else's vehicle or property is damaged, or if someone is injured, coverage must be provided by your insurance. *Injuries to employees* incurred in the course and scope of employment, or in this case, a work-related auto accident, will be covered by workers' compensation. Maintaining a current auto insurance policy is a matter of law and the District expects that any individual who may be required to drive his/her personal vehicle for District purposes abides by this law.

First Aid, CPR, and AED Certification

Policies DBA, DMA

Employees who are involved in physical activities for students must maintain and submit to the District proof of current certification, or training in first aid, cardiopulmonary resuscitation (CPR), the use of automated external defibrillator (AED), and extracurricular athletic activity safety. Certification or documentation of training must be issued by the American Red Cross, the American Heart Association, University Interscholastic League, or another organization that provides equivalent training and certification. Employees subject to this requirement Must submit their certification or documentation to Human Resources – Talent Operations

Reassignments, Transfers, and Reduction in Force

Policies DFF, DK

All personnel are subject to assignment and reassignment by the Superintendent or designee when the Superintendent determines that the assignment or reassignment is in the best interest of the District. Reassignment is a transfer to another position, department or facility that does not necessitate a change in the employment contract. Campus reassignments must be approved by the principal at the receiving campus except when reassignments are due to enrollment shifts or program changes. In exercising their authority to approve appointments and reassignments, principals shall work cooperatively with the Human Resources Department and the School Leadership Department to ensure the efficient operation of the District as a whole. When reassignments are due to enrollment shifts or program changes, the Superintendent or designee has final placement authority. Extracurricular or supplemental duty assignments may be reassigned at any time. Employees who object to a reassignment may follow the District process for employee complaints outlined in Policy DGBA (LOCAL).

Employees with the required qualifications for a position, in compliance with the requirements of the District transfer policy and with at least two consecutive years of service at one location, may request a transfer to another campus. A District Voluntary Transfer Request form must be completed online and submitted to Human Resources within the designated posted timeline for voluntary transfers. When applicable, the voluntary transfer process and the transfer form may be found on the District's pipeline, under Human Resources. Submission of a request for a transfer does not guarantee a transfer will occur. Requests for transfer during the school year outside of the posted timeline will not be considered. Additionally, the Superintendent may suspend voluntary transfers during a period of reduction in force or other identified exigencies.

A reduction in force may take place when the Board determines that a financial exigency or program change requires the discharge or non-renewal of one or more employees in accordance with Policy DFF (LEGAL). Such determination constitutes sufficient cause for discharge or non-renewal.

Workload and Work Schedules

Policies DEA, DEAB DK, DL

Professional Employees. Professional employees and academic administrators are exempt from overtime pay and are employed on a 10, 11, or 12-month basis, according to the work schedules set by the District. A school calendar is adopted each year designating the work schedule for teachers and all school holidays. Notice of work schedules including start and end dates and scheduled holidays will be distributed each school year.

Classroom teachers are provided planning periods for instructional preparation including conferences. The schedule for planning periods is set at the campus level but must provide at least 450 minutes within each two-week period in blocks not less than 45 minutes within the instructional day. Teachers and full-time librarians are entitled to a duty-free lunch period of at least 30 minutes. The District may require teachers to supervise students during lunch one day a week when no other personnel are available.

Paraprofessional and Auxiliary Employees. Support employees are employed at-will and will receive notification of the required duty days, holidays, and hours of work for their position on an annual basis. Paraprofessional and auxiliary employees must be compensated for overtime and are not authorized to work in excess of their assigned schedule without prior approval from their supervisor.

Breaks for Expression of Breast Milk

Policies DEA, DEAB, DG

The District supports the practice of expressing breast milk and makes responsible accommodations for the

needs of employees who express breast milk. A place, other than a multiple user bathroom, that is shielded from view and free from intrusion from other employees and the public where the employee can express breast milk will be provided.

A reasonable amount of break time will be provided when the employee has a need to express milk. For nonexempt employees, these breaks are unpaid and are not counted as hours worked. Employees should meet with their supervisor to discuss their needs and arrange break times.

Notification to Parents Regarding Teacher Qualifications

Policies DBA, DK

In schools receiving Title I funds, the District is required by the No Child Left Behind Act (NCLB) to notify parents/guardians at the beginning of each school year that they may request information regarding the professional qualifications of their child's teachers. NCLB also requires that parents/guardians be notified if their child has been assigned or taught for four or more consecutive weeks by a teacher who is not "highly qualified."

Texas law requires that parents/guardians be notified if their child is assigned for more than 30 consecutive instructional days to a teacher who does not hold an appropriate teaching certificate. This notice is not required if parental notification under NCLB is sent.

Inappropriately certified or uncertified teachers include individuals serving on an emergency permit, (such as those individuals waiting to take a certification exam) and individuals who do not hold any certificate or permit. Information relating to teacher certification will be made available to the public upon request.

Employees who have questions about their certification status should call the Human Resources Certification Officer at (281) 634-1284.

Outside Employment and Tutoring

Policy DBD

Employees are required to disclose in writing to their immediate supervisor any outside employment that may create a potential conflict of interest with their assigned duties and responsibilities or the best interest of the District. Supervisors will consider outside employment on a case-by-case basis and determine whether it should be prohibited because of a conflict of interest.

Teachers shall not tutor their own students for pay, except during the summer months. An employee shall disclose in writing to his or her immediate supervisor any private tutoring of District students for pay.

Performance Evaluation

Policies DN series

Evaluation of an employee's job performance is a continual process that focuses on improvement. Performance evaluation is based on an employee's assigned job duties and other job-related criteria. Employees shall be informed of the criteria on which they will be evaluated. All employees will participate in the evaluation process with their assigned supervisor annually, except for teachers who meet the criteria for less than annual evaluations outlined below. Written evaluations will be completed on forms approved by the District. Reports, correspondence and memoranda also can be used as information to document job performance. All employees will receive a copy of their written evaluation, participate in a performance conference with their supervisor, and have the opportunity to respond to the evaluation.

Evaluation and appraisal ratings shall be based on the evaluation instrument and cumulative performance data gathered by supervisors throughout the year.

When relevant to the decision, written evaluations of a professional employee's performance, as documented to date, and any other information the administration determines to be appropriate, shall be considered in decisions affecting contract status.

The annual appraisal of District teachers shall be in accordance with the Professional Development and Appraisal System (PDAS). The District shall establish an appraisal calendar each year. All formal classroom observations of teachers shall be scheduled by date and time. Informal classroom observations may occur at any time. The list of qualified appraisers who may appraise a teacher in place of the teacher's supervisor shall be approved by the Board. Upon a teacher's request for a second appraiser, the Superintendent or designee shall select the second appraiser from a pre-established roster of trained appraisers. The Board shall ensure that the Superintendent or designees establishes procedures regarding how domain scores from first and second appraisers will be used. District teachers who meet the criteria listed below shall be eligible for a less-than-annual appraisal as permitted by law.

Less-Than-Annual Appraisal of Teachers

To be eligible for less-than-annual appraisal, a teacher shall:

1. Be on an educator contract;
2. Be SBEC-certified, teaching in his or her area of certification;
3. Have received an "exceeds expectations" rating in five of eight domains on PDAS and at least "proficient" in the other three domains;
4. Not be new to the campus; and
5. Have completed three years of service in the District.

During this less-than-annual appraisal period, the teacher will complete and submit the PDAS teacher self-reports Parts I-III, as well as receive a summative appraisal consisting of at least domains V-VIII.

A teacher who qualifies for a less-than-annual appraisal and who is in his or her fourth through tenth year of service shall be scheduled for a complete PDAS appraisal every other year. A teacher in his or her eleventh year of service or more who qualifies for a less-than-annual appraisal shall be scheduled for a complete PDAS appraisal every third year.

In a school year in which a teacher is not scheduled for an appraisal, either the teacher or the appraiser may request that an appraisal be conducted by providing written notice to the other party.

During the 2015-2016 school year, the District will participate in a state evaluation pilot of the annual appraisal of teachers in accordance with the Texas Teacher Evaluation and Support System (T-TESS) at selected schools. Participating schools shall be designated by the District.

Employee Involvement

Policies BQA, BQB

At both the campus and District levels, Fort Bend ISD offers opportunities for involvement in matters that affect employees and influence the instructional effectiveness of the District. As part of the District's planning and decision-making process, employees may be asked or elected to serve on District or campus-level advisory committees. Plans and detailed information about the shared decision-making process are available in each campus office or the Department of Curriculum and Instruction.

Staff Development

PolicyDMA

Staff development activities are organized to meet the needs of employees and the District. Staff development is predominantly campus-based, related to achieving campus performance objectives and developed and approved by District and campus level advisory committees. Staff development for non-instructional personnel is designed to meet specific licensing requirements (i.e. bus drivers) and continued employee skill development. Administrators participate in professional growth activities in scheduled workshops. Individuals holding renewable SBEC certificates are responsible for obtaining the required training hours and maintaining appropriate documentation.

Paraprofessional and auxiliary employees enhance their knowledge and skills through workshops based upon assessed needs.

Compensation and Benefits

Salaries, Wages and Stipends

Policies DEA, DEAA, DEAB

Employees are paid in accordance with administrative guidelines and an established pay structure. The District's pay plans are reviewed by the administration each year and adjusted as needed. The Superintendent or designee, within guidelines set out in federal regulations, shall determine the classification of positions of employees as "exempt" or "nonexempt" for purposes of compliance with the Fair Labor Standards Act. Professional and administrative employees are generally classified as exempt and are paid semi-monthly salaries. Paraprofessionals are generally classified as nonexempt and are paid semi-monthly salaries. Hourly employees (bus drivers, cafeteria workers, Extended Day staff, custodians, maintenance workers, and crossing guards, etc.) are generally classified as nonexempt and are paid only for the hours they work.

Supervisors of nonexempt employees shall ensure an agreement or understanding with the employees regarding the form of compensation for overtime prior to the performance of the work. These agreements or understandings need not be in writing, but the supervisor shall maintain some record of them, such as a calendar notation, a memo to the file, or some similar indication that the employee was notified of the type of compensation to expect.

The Board of Trustees establishes salaries of all employees. All employees will receive written notification of their salary after the Board has adopted the budget for the fiscal year. Classroom teachers, full-time librarians, full-time nurses, and full-time counselors will be paid no less than the minimum state salary schedule. The teacher salary schedules are in a step system. Experience and education determine the step and pay category for each teacher. Pay increases, or advancement to a higher step, are determined by the District based on creditable years of service. Contract employees who perform extracurricular or supplementary duties may be paid a stipend in addition to their salary, according to the Board adopted stipend schedule. The Superintendent, or designee, will determine placement and advancement of employees on the professional administrative salary schedules.

A teacher may receive credit for years of substitute teaching for salary increment purposes provided that the teacher held a valid teacher certificate at the time the service was rendered, the teacher was employed in an entity recognized for creditable years of service, and the minimum requirements were met. The adjustment will occur the year that the service is verified and subsequent years.

A certified teacher aide who receives certification as a teacher or was placed on a permit during or after the 2004-2005 contractual year may receive credit for up to two years of teacher aide experience.

Annualized Compensation

Policy DEA

The District pays all salaried employees over 12 months. Salaried employees will be paid in equal semi-monthly payments. An employee, who separates from service before the last day of instruction; resigns or retires under TRS, will receive a final lump sum payment for wages actually earned from the beginning of the school year to the date of separation. Hourly employees (bus drivers, cafeteria workers, Extended Day staff, custodians, crossing guards, etc.) are paid only for the hours they work.

Paychecks

Ten-month employees, including teachers, are paid over 12 months of employment equal to 24 pay periods. Additionally, first year teachers with the District will receive 25 pay periods, beginning with the August 31 pay date. Employees on 24 pay periods will receive checks twice each month from mid-September through the end of August. Paychecks will not be released to any person other than the District employee named on the check without the employee's written authorization.

Paychecks are mailed to the address on file the day before payday. Employees who receive an actual check for payment of wages must wait seven days from the date the paycheck is mailed before requesting a replacement check. The schedule of pay dates for the 2015-2016 school year is as follows:

August 31	September 15	September 30	October 15
October 30	November 13	November 30	December 15
December 31	January 15	January 29	February 15
February 29	March 15	March 31	April 14
April 29	May 13	May 31	June 15
June 30	July 15	July 29	August 15
August 31			

Automatic Payroll Deposit. Employees hired as of July 1, 2010, are required to participate in mandatory direct deposit. In order to complete the employment process, employees must submit a completed direct deposit authorization form. The District offers all employees automatic payroll deposit. Employees may have paychecks electronically deposited ("direct deposit") into an account at any financial institution that accepts electronic transfer of funding. With automatic deposit, an employee's pay is immediately available on the pay date. An authorization of direct deposit form must be on file in the Payroll Department. Direct deposit forms are available in the Payroll Office located in the Administration Building, Room 217. When activating or changing a direct deposit, a pre-notification period is required to insure all bank information has been submitted and processed correctly. Direct deposits are posted on the regularly scheduled paycheck dates. Because the District cannot control the time of day each bank or credit union posts a deposit to an employee's bank account, employees should not schedule drafts on the same day as a pay date. Final paychecks for employees who separate from service before the last day of instruction will not be automatically deposited. Contact the Payroll Department at (281) 634-1221 for more information about direct deposit.

Payroll Deductions

PolicyCFEA

Automatic payroll deductions for the Texas TRS and federal income tax are required for all full-time employees. Medicare tax deductions also are required for all employees hired after March 31, 1986.

Temporary and part-time employees who are not eligible for TRS membership must participate in the Deferred Compensation FICA Alternative Plan. Other payroll deductions employees may elect include, but are not limited to:

- Deductions for the employee's share of premiums for health, dental, life, and vision insurance;
- Annuities;
- Texas Prepaid Higher Education;
- Savings and loan payments through Brazos Valley Schools Credit Union;
- Membership dues to professional organizations;
- Contributions to charitable organizations (e.g., the United Way); and
- Additional insurance coverage.

Salary deductions are automatically made for unauthorized or unpaid leave.

Overtime Compensation

PolicyDEA, DEAB

The District compensates overtime for nonexempt employees in accordance with federal wage and hour laws. Professional and administrative employees are ineligible for overtime compensation. Only nonexempt employees (hourly employees and all paraprofessional employees) are entitled to overtime compensation. Nonexempt employees are not authorized to work beyond their normal work schedule without advance approval from their supervisor.

Overtime is legally defined as all hours worked in excess of 40 hours weekly and is not measured by the day or by the employee's regular work schedule. Nonexempt employees who must work beyond their normal schedule but less than 40 hours per week will earn compensatory time. Nonexempt employees must work more than 40 total hours in a week to earn overtime compensation.

For the purpose of calculating overtime, a workweek begins at 12:00 a.m. Monday and ends at 11:59 p.m. Sunday. Employees may be compensated for overtime with compensatory time off or direct pay at time-and-a-half rates. The following applies to all nonexempt employees:

- Employees must use accrued compensatory time within the next pay period. Any request to delay the use of compensatory time beyond the next pay period must be submitted to the Superintendent or designee for approval.
- Compensatory time may be taken at the employee's request with supervisor approval as workload permits, or at the supervisor's direction.
- An employee may be required to use compensatory time before using available paid leave (e.g., sick, personal, and non-duty).
- Weekly time sheets will be maintained on all nonexempt employees for the purpose of wage and salary administration.
- Nonexempt employees may not volunteer at their worksite.

Pay for salary errors in prior years. The District provides employees with individual salary notices that summarize each employee's pay grade, pay step (experience) and stipend, if any. Therefore, it is the employee's responsibility to review the salary notice annually and to immediately point out questions or concerns in writing to the Human Resources Compensation Department. It is the practice of the District for any correction to be limited to the current fiscal year, which is from July 1st through June 30th.

Travel Expense Reimbursement

PolicyDEE

Before an employee incurs any travel expenses, the employee's supervisor must give approval. For approved travel, employees will be reimbursed for mileage and other travel expenditures according to the current rate schedule authorized by the Board of Trustees and the Internal Revenue Service. Employees must submit receipts to be reimbursed for expenses other than mileage. Authorized meals will be reimbursed on a per diem basis.

Group Health Insurance Benefits

PolicyCRD

Group health insurance benefits (medical, dental and vision) coverage is available to all active full-time regular employees. Excludes substitutes and part-time employees.

The Board of Trustees determines the District's contribution to employee insurance premiums annually. The Benefits Guide with detailed descriptions of insurance coverage, prices and eligibility requirements is available to all employees on the District's Website: <http://www.fortbendis.com/Page/697>.

The Group Health Plan year is from January 1 through December 31. New employees must complete enrollment forms within the first 30 days of their start date. Benefits are effective the first day of the month following the employee's hire date. Current employees can make changes in their insurance coverage during annual open enrollment or if they have an IRS qualifying event. Employees should contact the Benefits Department, (281) 634-1418, for more information.

Employees may also enroll in additional insurance programs that may include, but are not limited to, legal, disability, retirement savings plan and supplemental life insurance. Premiums for these programs are paid by payroll deduction. Employees should contact the Benefits Department, (281) 634-1418, for more information.

Cafeteria Plan Benefits (Section 125)

Section 125 of the Internal Revenue Code enables eligible employees to pay certain insurance premiums on a pretax basis (i.e., medical, health care and dependent care reimbursement, dental and vision). Premiums are deducted from an employee's salary before federal income tax is calculated. This could result in higher take-home pay. A third-party administrator handles employee claims made on these accounts.

COBRA

Employees and dependents who lose the group health insurance because they are no longer eligible for coverage may continue the group health insurance by paying the full monthly premium plus two percent. Once an employee is ineligible for the group health insurance the employer paid contributions no longer apply.

VERY IMPORTANT NOTICE

Under federal law, employees and their dependents have the right to temporarily extend coverage under the District Group Health Plan in certain circumstances when the coverage would otherwise have been terminated as the result of a "Qualifying Event." Employees and their dependents that are covered by the District Group Health Plan on the day before a Qualifying Event have the right to elect to continue the level of health coverage in effect under the District Group Health Plan if such health coverage would otherwise terminate by reason of a Qualifying Event. Employees and their dependents do not have to show that they are insurable to choose this continuation coverage. This notice is intended to inform you, in a summary fashion, of your rights and obligation under the continuation coverage provisions of the law. (Both you and your dependents should take the time to read this notice carefully.)

If an employee of the District is covered by the District ISD Group Health Plan, an employee has the right to choose this continuation coverage if group health coverage is lost due to the following:

- **Retirement or other termination of employment (except for gross misconduct), or reduction in work hours.**

A covered spouse of an employee has the right to choose continuation coverage for themselves if the employee lost group health coverage under the District Group Health Plan for any of the following four reasons:

- The death of a spouse;
- A termination of spouse's employment (for reasons other than gross misconduct) or a reduction in spouse's work hours.

- Divorce or legal separation from spouse; or
- Spouse becomes eligible for Medicare.

In the case of a covered dependent child of an employee, he or she has the right to continuation coverage if group health coverage under the District Group Health Plan is lost for any of the following reasons:

- The death of employee;
- A termination of employee's employment (for reasons other than gross misconduct) or reduction in a parent's/guardian's hours of employment with the District;
- An employee's divorce or legal separation;
- An employee becomes eligible for Medicare; or
- The dependent child ceases to be a "dependent child" under the District Group Health Plan.

NOTIFICATION RESPONSIBILITIES

Under the law, the employee or a family member has the responsibility to inform the District Plan Administrator of a divorce, legal separation, or a child losing dependent status under Fort Bend ISD within 60 days of the date of the event. If dependents do not notify the District within this time period, rights to continuation coverage will be lost. The District has the responsibility to notify the Plan Administrator of the Medicare entitlement. Similar rights may apply to certain retirees, spouses, and dependent children if the District commences a bankruptcy proceeding and these individuals lose coverage.

ELECTION PERIOD

When the Plan Administrator is notified that one of these events has happened, the Plan Administrator will in turn notify the person that they have the right to choose continuation coverage. Under the law, person and their dependents have a maximum of 60 days from the date of a qualifying event; or from the postmark date of the COBRA notice, whichever comes first, that continuing coverage is desired. To elect continuation coverage, the person must notify the Plan Administrator. If continuation coverage is not elected, coverage under District Group Health Plan will cease. The cost for the continued health insurance coverage is the full monthly premium plus two percent. Payment will be retroactive to the date regular coverage ceased.

MAXIMUM PERIOD OF CONTINUATION

In order to receive continuation coverage, individuals and/or their dependents must pay the required premium. The required premium may be paid in monthly installments. The first premium payment for the initial period of continuation coverage is payable **after 45 days after the day on which the election of continuation coverage is first made**. If the individual elects continuation coverage, the individual will be informed when the subsequent premium payments are due. Once the individual and/or the dependents have elected continuation coverage, a 30-day grace period in which to pay subsequent premiums. Depending on the qualifying event, health benefits may be continued for the following maximum periods:

18 MONTHS

- Retirement;
- Termination of employment; or
- Reduced hours

36 MONTHS

- Death of employee
- Divorce or legal separation
- Medicare eligibility
- Ineligible dependent

The 18 months may be extended to 29 months if an individual is determined to be disabled at the time of termination (for Social Security purposes) and the Plan Administrator is notified of the determination **within** 60 days of the determination and before the end of the original 18 month period. The affected individual must also notify the Plan Administrator **within** 30 days of any final determination that the individual is no longer disabled. The District is permitted to charge 150% of the applicable premium for the **additional 11 months** of coverage provided to disabled beneficiaries.

SECOND QUALIFYING EVENT

If a second qualifying event occurs within the first 18 months of continuation coverage (or within the first 29 months of continuation coverage for disabled persons as described above), coverage will be continued for 36 months from the date of the second qualifying event.

QUALIFIED MEDICAL CHILD SUPPORT ORDERS (QMCSOS)

These are court orders issued under state domestic relations law intended to ensure children will have coverage under parents'/guardians' group health plan.

TERMINATION OF CONTINUATION COVERAGE

The law also provides that continuation coverage may be terminated for any of the following five reasons:

- **Fort Bend ISD no longer provides group health coverage to any of its employees;**
- **The premium for continuation coverage is not paid on time;**
- **Employee becomes covered by another group plan, unless the plan contains any exclusions or limitations with respect to any pre-existing condition the employee or covered dependents may have;**
- **Employee becomes entitled to Medicare; or**
- **Extend coverage for up to 29 months due to disability and there has been a final determination that there is no longer a disability.**

It is the employee's responsibility to notify the Benefits Department at (281) 634-1418 immediately of any change of eligibility. If insured, a COBRA notice and application will be mailed to your home address by the Plan Administrator.

Workers' Compensation Insurance

PolicyCRE

In accordance with state law, the District provides workers' compensation benefits to employees who suffer a work-related illness or are injured on the job. Workers' Compensation benefits help pay for medical treatment and make up for part of the income lost while recovering. Specific benefits are prescribed by law, depending on the circumstances of each case. All work-related illnesses or injuries must be reported immediately to the supervisors. Employees who are unable to work due to a work-related injury will be notified of their rights and responsibilities under the Texas Labor Code.

Employees are required to choose a treating doctor from the Alliance provider list. This is required for the employee to receive coverage of healthcare costs for the work-related injury. A provider listing is available through the Alliance website at www.pswca.org. A link to the site is available on the Fund's website at www.tasbrmf.org listing the providers who are taking new patients. A copy of the Alliance Acknowledgement form is included in the Appendix.

An employee unable to work due to a work-related illness or injury may elect to use sick leave or any other available leave benefits while recovering. If an employee elects to use paid leave benefits, workers' compensation wage benefits will begin when the requested leave is exhausted. Employees with questions about workers' compensation should contact the Risk Management Department at (281) 634-1209 or the Texas Workers' Compensation Commission at 1-800-452-9595.

Unemployment Compensation Insurance

PolicyCRF

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service. Employees with questions about unemployment benefits should contact the Texas Work Force Commission 1-800-832-2829.

Teacher Retirement

Employees who are employed serve on a regular basis for at least four and one-half months are members of the Teacher Retirement System of Texas (TRS). Substitute's not receiving TRS service retirement benefits who work at least 90 days a year are eligible to purchase a year of creditable service in TRS. TRS provides members with an annual statement of their account showing all deposits and the total account balance for the year ending August 31, as well as an estimate of their retirement benefits.

Employees who plan to retire under TRS should provide their immediate supervisor and Human Resources a 30-day notice. Additional inquiries should be addressed to: Teacher Retirement System of Texas; 1000 Red River Street; Austin, TX 78701-2698 or call 1-800-223-8778 or 1-512-542-6400, or through the Internet at www.trs.state.tx.us.

For information regarding social security benefits, please contact the Social Security Office at 1-800-772-1213.

Leaves of Absences

Policies DEC, DECA, DECB

The District offers employees various leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leaves of absence. Employees requiring an extended leave of absence should contact the Human Resources Leaves Office (281) 634-1270 for information about applicable leave options.

Employees must follow District and department or campus procedures to report and/or request a leave of absence. Any employee who is absent more than three consecutive work days because of a personal or family illness must submit a **doctor's note** confirming the specific dates of the illness. Full time employees absent or anticipating being absent more than five work days, are required to submit an application for District leave. Employees must provide medical certification within fifteen calendar days of the last day worked or as soon as practical.

Use of Leave. Earned compensatory time must be exhausted prior to requesting any available paid state and local leave, if applicable. Salaried employees must take leave in a minimum of half-day increments. However, if an employee is taking intermittent family and medical leave, leave shall be recorded in one-hour increments. Hourly employees must take leave in a minimum of one-hour increments. An employee may not choose to be docked in lieu of use of available paid leave. Unless an employee requests a different order, available local and state leave will be used in the following order:

- Local sick leave
- Local personal leave
- State sick leave accumulated before the 1995-96 school year
- State personal leave

At the beginning of the school year or employment period, an employee shall be credited with the full amount of leave allowance possible for the year. Employees shall be entitled to five days of personal and local leave if they remain employed with the District for the entire school year. If an employee separates from employment with the District before his or her last duty day of the year, or begins employment after the first duty day, state personal leave and local leave shall be prorated based on the actual time employed. An employee shall not earn any local leave when he or she is in unpaid status. If an employee uses more local leave than he or she earned and remains employed with the District through his or her last duty day, the District shall deduct the cost of the excess leave days from the employee's pay. There is no limit on the accumulation of local sick leave and state personal leave.

Genetic Information. The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits covered employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we ask that employees and health care providers do not provide any genetic information in any medical certification. "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

Neutral Absence Control Policy. An employee who is absent from duty for three consecutive days without notifying the immediate supervisor of his or her status and the anticipated date of return shall be dismissed from employment. See Board Policy DCD and DF series. The District shall provide the employee written notice at the last known home address, as reflected in the system, regarding the expiration of his or her leave. At that time, the employee must provide appropriate medical release that he or she is able to return to duty and perform the essential functions of the job, if applicable. The employee's eligibility for reasonable accommodations, as required by the ADA [see DAA (LEGAL)], shall be considered if requested and if the employee provides the appropriate medical documentation.

If an employee fails to provide the appropriate medical release and/or documentation within the allotted time lines as stated in the notification and therefore does not return to work after exhausting all available paid and unpaid leave, the District shall automatically pursue termination, regardless of the reason for the absence. [See DF series] If terminated, the employee may apply for reemployment with the District.

Personal Leave. All full-time regular employees who are employed twenty hours or more per week receive five state personal leave days. A day of personal leave is equivalent to the number of hours per day in an employee's usual assignment, whether full-time or part-time. Unused earned personal state days are transferable to other Texas school districts, and generally transfers to education service centers.

Personal leave may be used for two general purposes: nondiscretionary and discretionary.

Discretionary Leave. Requests for use of personal leave must be submitted to the principal or department director/supervisor as soon as practical, but no later than five days prior to the anticipated absence. Requests for personal leave days must be submitted on the Request for Absence form (DEC-E-1). Salaried employees are required to enter their absences in Aesop. Hourly employees' absences are entered into Kronos by the supervisor or entered on a timesheet. State (STPB) and local (LPL) leave may not be taken for more than three consecutive days except in extenuating circumstances and with the approval of the Superintendent or designee. No more than a total of ten leave days, including any combination of state personal (STPB) or local personal (LPL) days may be used in each school year (July 1 through June 30). All requests for changes on verified absences must be made within 45 days of the absence date(s). The request must be made, in writing, with supervisor approval to the employee's campus/department absence verifier.

Personal leave shall not be allowed in the following circumstances without Executive Leadership Team approval: First day of school or the day before a school holiday, the last day of school or the day after a school holiday, days scheduled for end-of-semester or end-of-year exams, days scheduled for state-required assessments, professional or staff development days, and the last teacher workday of the school year. If the principal/supervisor determines the employee's presence is critical to the instructional program or the operation of the school/department, discretionary leave may be denied.

No more than ten percent of the total staff of a school or department that exceeds ten people may be on personal leave at the same time. The effect of the employee's absence on the educational program or department operations, as well as the availability of a substitute will be considered by the principal or supervisor.

Non-Discretionary Leave. Leave may be used for the following reasons only:

- Employee illness
- Illness in the employee's immediate family
- Family emergency (i.e., natural disasters or life-threatening situations)
- Death in the immediate family
- Childcare or adoption of a child
- Active military service

This type of leave allows very little or no advance planning and will be granted to employees in the same manner as sick leave. Salaried employees are required to report their absences to Aesop. Hourly employees' absences are entered into Kronos by the supervisor or entered on a timesheet.

Leave Proration. If an employee separates from employment with the district before his or her last duty day of the year, or begins employment after the first duty day, state personal leave will be prorated based on the actual time employed. When an employee separates from employment before the last duty day of the school year, the employee's final paycheck will be reduced by the amount of state personal leave the employee used beyond his or her pro rate entitlement for the school year.

Non-Duty Days. Twelve-month employees will have a varying number of non-duty days each year. Employees are not paid for these days. Employees who leave the District before the end of their work calendar or take an extended leave will not earn non-duty days. Employees hired after the beginning of their work calendar may not be entitled to non-duty days. Employees may contact the Compensation Department at (281) 634-1454 with questions regarding non-duty days. Extension of holidays through use of non-duty days must be approved by the supervisor. Non-duty days should be used by the end of the contract year in which they are earned but may be carried through to October 31 of the following school year. Employees may request to use non-duty days at their discretion. Employees must obtain prior approval from their immediate supervisor before using a non-duty day. Any conflict with departmental workload or scheduling will be considered sufficient cause for denying a request for non-duty days. Requests for non-duty days must be submitted on the Request for Absence form (DEC-E-1) and are to be reported in Aesop.

State Sick Leave. State sick leave earned before 1995 is available for use and may be transferred to other school districts in Texas.

Accumulated state sick leave may be used for the following reasons only:

- Employee illness
- Illness in the employee's immediate family
- Family emergency (i.e., natural disasters or life-threatening situations)
- Death in the immediate family
- Active military service

Local Sick Leave. All full-time regular employees who are employed 20 hours or more per week earn local sick leave at the rate of one-half work day for each 18 workdays of employment up to a maximum of five workdays annually.

Local sick leave may be used for the following reasons only:

- Employee illness
- Illness in the employee's immediate family
- Family emergency (i.e., natural disasters or life-threatening situations)
- Death in the immediate family
- Childcare or adoption of a child
- Active military service

Salaried employees are required to report their absences to Aesop. Hourly employees' absences are entered into Kronos by the supervisor or entered on a timesheet.

Family and Medical Leave (FML) Eligibility. Employees who have been employed by the District for at least 12 months, and have worked at least 1,250 hours during that time are eligible for FML. Eligible employees can take up to 12 weeks of leave, 26 weeks if applicable, in the 12-month period measured forward from the date FML begins. FML may be taken under the following circumstances:

- The birth, adoption, or foster placement of a child
- To care for a spouse, parent, or child with a serious health condition
- An employee's serious health condition
- A qualifying exigency resulting from active military service of a spouse, child, or parent
- Short notice deployment
- Military events and related actions
- Post deployment activities

Spouses who are employed by the District are limited to a combined total of 12 weeks of FML to care for a parent with a serious health condition, or for the birth, adoption, or foster placement of a child. Military caregiver leave for spouses is limited to a combined total of 26 weeks. Salaried employees are required to report their absences to Aesop. Hourly employees' absences are entered into Kronos by the supervisor or entered on a timesheet.

Requests for FML. When an absent employee is eligible for FML leave, the District shall designate the absence as FML leave. Full-time employees absent or who anticipate being absent more than five workdays shall be required to submit an application for District leave. The District shall require employees to use FML leave concurrently with paid leave and with temporary disability leave, as applicable. When the need for FML is foreseeable, employees must provide 30-day advance notice to the District. When the need for leave is not foreseeable, employees must notify their supervisor as soon as possible. Employees shall be required to provide one or more of the following:

- Within 15 calendar days of the last day worked or as soon as practical a medical certification from a qualified health care provider supporting the need for leave due to a serious health condition affecting the employee or an immediate family member. Second or third medical opinions and periodic re-certification of the need for leave at 30-day intervals.
- Periodic reports during the leave regarding the employee's status and intent to return to work
- Medical certification from a qualified health care provider at the conclusion of leave of an employee's ability to return to work
- Certification of the need for family military leave

Employees requiring FML should contact the Human Resource Leaves Office for details on eligibility, requirements, and limitations.

Military Family Leave Entitlements. An eligible employee whose spouse, son, daughter or parent is on covered active duty or called to covered active duty status may use his or her 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

The FML also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered service member during a single 12-month period. A covered servicemember is (1) a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise an outpatient status, or is otherwise on the temporary disability retired list. For a serious injury or illness*; or (2) a veteran who was discharged or released under conditions other than dishonorable at anytime during the five year period prior to the first date the eligible employee takes FML leave to carry for the covered veteran, and who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness.*

The FMLA definitions of “serious injury or illness” for current service members and veterans are distinct from the FMLA definition of “serious health condition”.

Continuation of Benefits and Job Restoration. While on FML, the District will continue to pay its share of the health insurance premiums on employees participating in the District’s health insurance program. Employees are still responsible for paying their share of the premiums and for verifying the continuation of all insurance and benefit coverage. FBISD will bill employees for the benefits chosen in the event that there is an interruption in their pay. Failure to maintain premiums current will result in termination of benefits. Employees able to return to work who choose not to return, may be liable for repayment of the portion of the insurance premiums paid by the District during the leave. Contact the Benefits Department at (281) 634-1418 for more information regarding the continuation of your benefits.

Eligible employees are entitled to return to their previous job or a comparable job at the end of their FML leave. Under some circumstances, teachers who are able to return to work at or near the conclusion of a semester may be required to continue their leave until the end of the semester.

Use of Paid Leave. FML runs concurrently with sick compensatory time, accrued sick, personal leave and absences due to work-related illness or injury. The District will designate the leave as FML, if applicable, and notify the employee that accumulated leave will run concurrently.

Intermittent Leave. An eligible employee, other than an instructional employee, may take FML in separate blocks of time or by reducing their normal weekly or daily work schedule. Intermittent leave may be taken under the following circumstances:

- An employee is needed to care for a seriously ill spouse, child, or parent
- An employee requires medical treatment for a serious illness
- An employee is seriously ill and unable to work

An eligible instructional employee who requests leave to care for a spouse, parent, or child or because of his or her own serious health condition that is foreseeable based on planned medical treatment and who would be on leave for greater than 20 percent of the total number of working days in the period during which the leave would extend, may be required to choose either to:

- Take leave for periods of a particular duration, not to exceed the duration of the planned medical treatment; or
- Transfer temporarily to an available alternative position offered by the District for which the teacher is qualified and that has equivalent pay and benefits and better accommodates recurring periods of leave than the teacher’s regular employment position.

“Instructional employees” are those whose principal function is to teach and instruct students in a class, a small group, or an individual setting. This term includes not only teachers, but also athletic coaches, and special education assistants, such as signers for the hearing impaired. It does not include teacher assistants or aides who do not have as their principal job actual teaching or instruction, nor does it include personnel such as counselors, psychologists, or curriculum specialists. It also does not include cafeteria workers, maintenance workers, or bus drivers.

Definition of Serious Health Condition. A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee’s job, or prevents the qualified family member from participating in school or other daily activities.

Catastrophic Illness or Injury. A catastrophic illness or injury is an acute or prolonged illness or injury that is considered life-threatening with the threat of serious residual disability which results in the individual’s inability to work. Complications resulting from pregnancy shall be treated the same as any other condition.

Catastrophic Leave Benefit. Full-time employees diagnosed with a catastrophic illness who are on approved FML and who have exhausted all other forms of paid leave may apply for 30 days of paid catastrophic leave annually up to a lifetime maximum of 60 days per employee.

Unpaid Personal Leave. A full-time regular employee who is not eligible for temporary disability leave may apply for an unpaid personal leave of absence for up to 90 calendar days. Unpaid personal leave may be taken under the same circumstances as FML. The leave request must be accompanied by a medical certification from a qualified health care provider supporting the need for leave. Salaried employees are required to report their absences to Aesop. Hourly employees' absences are entered into Kronos by the supervisor or entered on a timesheet.

Upon return from leave, attempts will be made to place the employee in a comparable position. There is no assurance that an assignment will be available for the employee upon return from unpaid personal leave. Should a position not be available, the employee shall be released from employment in accordance with the Americans with Disabilities Act.

Employees participating in the District's health insurance program, who have exhausted all accumulated leave days, will be responsible for paying the entire employee and employer premiums for health insurance while on unpaid personal leave. As a courtesy, FBISD will bill employees for the benefits chosen. Employees are responsible for verifying the continuation of all insurance and benefit coverage. Failure to keep premiums current will result in termination of benefits. Contact the Benefits Department at (281) 634-1418 for more information.

An employee who is absent from work without prior approval for unpaid personal leave may be subject to disciplinary action up to and including termination of employment.

Student Teaching Unpaid Personal Leave. A full-time regular employee may apply for student teaching unpaid personal leave for up to 90 calendar days to complete necessary student teaching hours. The leave request must be accompanied by a letter of acceptance from the attending university or program clearly stating the student teaching requirement. Upon completing the student teaching hours, the employee must submit a letter from the university or program indicating that the employee has completed the necessary student teaching hours.

Upon return from leave, attempts will be made to place the employee in a comparable position. There is no assurance that an assignment will be available for the employee upon return from unpaid personal leave. Should a position not be available, the employee shall be released from employment. Employees participating in the District's health insurance program will be responsible for paying the entire employee and employer premiums for health insurance while on unpaid personal leave. As a courtesy, FBISD will bill employees for the benefits chosen. Employees are responsible for verifying the continuation of all insurance and benefit coverage. Failure to keep premiums current will result in termination of benefits. Contact the Benefits Department at (281) 634-1418 for more information.

An employee who is absent from work without prior approval for unpaid personal leave may be subject to disciplinary action up to and including termination of employment.

Temporary Disability Leave. Any full-time employee whose position requires certification from the State Board for Educator Certification (SBEC) is eligible for temporary disability leave. The purpose of temporary disability leave is to provide job protection to full-time educators who cannot work for an extended period of time because of a mental or physical disability of a temporary nature. Temporary disability leave must be taken as a continuous block of time. It may not be taken intermittently or on a reduced schedule. Pregnancy and conditions related to pregnancy are treated the same as any other temporary disability.

Employees must request approval for temporary disability leave. The leave request must be accompanied by a physician's statement confirming the employee's inability to work and indicating a probable date of return. Medical certification must be submitted to the Human Resources Department if the employee will be out more than five days. If temporary disability leave is approved, the length of leave is no longer than 180 calendar

days. Employees are required to report their absences in Aesop. If an employee is placed on temporary disability leave involuntarily, he or she has the right to request a hearing before the Board of Trustees. The employee may protest the action and present additional evidence of fitness to work.

When an employee is ready to return to work, the Human Resources Department must be notified at least 30 days in advance. The return-to-work notice must be accompanied by a physician's statement indicating the physical fitness of the employee regarding the resumption of regular duties. Certified employees returning from leave will be reinstated where they were previously assigned, if a position is available. If not, the employee may be placed in a comparable position. If a position is not available before the end of the school year, the employee will be reinstated at the beginning of the following school year in a comparable position in the District.

Employees participating in the District's health insurance program that have exhausted all accumulated personal and sick leave days, will be responsible for paying the entire employee and employer premiums for health insurance while on temporary disability leave. As a courtesy, FBISD will bill employees for the benefits chosen. Employees are responsible for verifying the continuation of all insurance and benefits coverage. Failure to keep premiums current will result in termination of benefits. Contact the Benefits Department at (281) 634-1418 for more information.

Workers' Compensation Benefits. An employee absent from duty because of a job-related illness or injury may be eligible for workers' compensation weekly income benefits if the absence exceeds seven calendar days.

An employee absent because of a job-related injury or illness shall be assigned to family medical leave, temporary disability leave, or unpaid personal leave as applicable. An employee eligible for workers' compensation wage benefits, and not on assault leave, shall indicate whether he or she chooses to:

1. Receive workers' compensation wage benefits; or
2. Use available paid leave.

Workers' compensation wage benefits shall begin when requested paid leave is exhausted.

Assault Leave. Assault leave provides extended job income and benefits protection to an employee who is injured as the result of a physical assault on the job. An injury is treated as an assault if the person causing the injury could be prosecuted for assault or could not be prosecuted only because that person's age or mental capacity renders the person non-responsible for purposes of criminal liability.

An employee who is physically assaulted at work may take leave time medically necessary (up to two years) to recover from the physical injuries he or she sustained. At the request of the employee, the District will immediately assign the employee to assault leave. Days of leave granted as assault leave will not be deducted from accrued personal leave and shall be coordinated with workers' compensation benefits. Following an investigation of the claim, the District may change the assault leave status and charge the leave against the employee's accrued personal leave. The employee's pay will be reduced if accrued paid leave is not available. Principal/Supervisor or designee is required to contact the Compensation Department at 281-634-1281 to report assaulted employee's absences.

Restricted Duty. If a physician recommends restricted duty, the District may approve the employee's return to duty subject to the availability of a position allowing designated restrictions. An employee assigned to restricted duty that is not on FML and who refuses to accept the assignment may be subject to termination of his or her employment. Notwithstanding anything to the contrary, if the employee has a disability as that term is defined under the Americans with Disabilities Act (ADA) or the Texas Commission on Human Rights Act (TCHRA), the District's policies under the ADA and/or the TCHRA as applicable, shall apply.

Bereavement. Use of state and/or local leave for death in the immediate family shall not exceed five workdays per occurrence, subject to approval of the Superintendent or designee. Salaried employees are required to report their absences in Aesop. Hourly employees absences are entered into Kronos by the supervisor or entered based on a timesheet.

Jury Duty. Employees will receive leave with pay and without loss of accumulated leave for jury duty. Employees must present documentation of the service to their immediate supervisor. The employee will be allowed to retain any compensation they receive. Salaried employees are required to report their absences in Aesop. Hourly employees absences are entered into Kronos by the supervisor or entered based on a timesheet.

Other Court Appearances. Employees will be paid while on leave (if available) to comply with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding other than personal legal matters and will not be required to use personal leave. Absences for court appearances related to an employee's personal business must be taken from available accrued leave, or unpaid leave in the event that leave is not available. Employees may be required to submit documentation of their need for leave for court appearances. Salaried employees are required to report their absences in Aesop. Hourly employees absences are entered into Kronos by the supervisor or entered based on a timesheet.

Paid Leave for Military Service. Any employee who is a member of the Texas National Guard, Texas State Guard, a reserve component of the United States Armed Forces, or a member of a state or federally authorized Urban Search and Rescue team, is entitled to paid leave for authorized training or duty orders. Paid military leave is limited to 15 days each fiscal year. In addition, an employee is entitled to use available state and local personal or sick leave during a time of active military service.

Reemployment after Military Leave. Employees who leave the district to enter into the United States uniformed services or who are ordered to active duty as a member of the military force of any state (e.g., National or State Guard) may return to employment if they are honorably discharged. These employees shall be entitled to certain reemployment rights under the Uniformed Services Employment and Reemployment Rights Act of 1991 (USERRA) if:

- The employee has given advance written notice (unless notice is precluded by military necessity or is otherwise unreasonable or impossible);
- The cumulative length of the absence and of all previous absences from a position of employment with the District does not exceed five years; and
- To be eligible for reemployment, employees must provide notice of their obligation or intent to perform military service, provide evidence of honorable discharge or release, and submit an application for reemployment to the Superintendent within 90 days of discharge or separation.

Reemployment is not required if:

- The District's circumstances have so changed as to make reemployment impossible or unreasonable;
- Reemployment would impose an undue hardship on the District; or
- The employee was in a position for a brief, non-recurrent period and there is no reasonable expectation that such employment will continue indefinitely or for a significant period.

Employees who perform service in the uniformed services may elect to continue their health plan coverage at their own cost for a period not to exceed 24 months. Employees should contact the Benefits Department at (281) 634-1418 for details on eligibility, requirements and limitations.

Developmental Leave. A professional employee who has served the District at least five consecutive years may apply for a full or half year's academic unpaid leave of absence for approved study as a full-time student in a college or university. The request shall be filed with the Chief Human Resources Officer. Official transcripts reflecting enrollment as a full-time student shall be presented prior to return to active employment.

Reimbursement for Unused Local Leave. Employees who retire in accordance with TRS guidelines after ten or more continuous years in the District shall be paid for up to 150 days of unused local leave as follows:

- Professional employees - \$75 per day
- Paraprofessional and auxiliary employees – \$50 per day.

Beneficiaries of employees who die prior to retirement shall be paid up to 150 days of accrued unused local leave at the rates listed above.

Complaints and Grievances

Policy DGBA

In an effort to hear and resolve employee complaints in a timely manner and at the lowest administrative level possible, the Board has adopted an orderly grievance process. Employees are encouraged to discuss their concerns or complaints with their supervisors or an appropriate administrator.

Employees are not prohibited from communicating with a member of the Board regarding District operations except when communication between an employee and Board member would be inappropriate because of a pending hearing or appeal related to the employee.

If an informal conference regarding a complaint fails to reach the outcome requested by the employee, he or she may initiate the formal grievance process by timely filing a written complaint form. A copy of the grievance form is included at the end of this handbook.

The formal grievance process provides all employees with an opportunity to be heard up to the highest level of management if they are dissatisfied with an administrative response. Once all administrative grievance procedures are exhausted, employees may bring grievances to the Board of Trustees. The District's policy concerning the process of bringing complaints and grievances is found in Board policy DGBA (LOCAL).

Neither the Board nor any District employee shall unlawfully retaliate against any employee for bringing a concern or complaint under this policy.

Progressive Disciplinary Procedures

The progressive discipline procedures apply to all non-professional at-will employees of the District. Employees, who complete timesheets, use Kronos and receive pay for working overtime. The progressive disciplinary process strives to address disciplinary issues where standards of conduct or performance are violated.

The District may change any progressive disciplinary step, or group in the discipline procedures as deemed necessary.

Sexual Harassment

Policies DH, DF, DIA, FFG, FFH

Employee-to-Employee. Sexual harassment of a coworker is a form of discrimination and is prohibited by law. Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct under the following conditions:

- Submission to such conduct is explicitly or implicitly a term or condition of employment.
- Submission to or rejection of such conduct is used as the basis for employment decisions.
- The conduct is so severe, persistent or pervasive that it has the purpose or effect of unreasonably interfering with an individual's work performance or creates an intimidating, hostile, or otherwise offensive work environment.

Employees who believe they have been subject to sexual harassment are encouraged to come forward with complaints and should inform their principal, supervisor, or the Title IX Coordinator, who is the Chief Human Resources Officer. The District will promptly investigate all allegations of sexual harassment and take appropriate disciplinary action.

Employee-to-Student. Sexual harassment of students by employees is a form of discrimination and is prohibited by law. Sexual harassment of students includes any welcome or unwelcome sexual advances; requests for sexual favors, and other oral, written, physical, or visual conduct of a sexual nature. Romantic or inappropriate social relationships between District employees and students are strictly prohibited. Solicitation of a romantic relationship means deliberate or repeated acts that can be reasonably interpreted as soliciting an inappropriate relationship characterized by an ardent emotional attachment or pattern of exclusivity. Other prohibited conduct includes the following:

- Engaging in sexually oriented conversations for the purpose of personal sexual gratification.
- Telephoning/texting students at home or elsewhere (unless directly related to a school activity) and engaging in inappropriate social relationships.
- Engaging in physical contact that would reasonably be construed as sexual in nature.
- Enticing or threatening students to get them to engage in sexual behavior in exchange for grades or other school-related benefits.

Sexual abuse of a student by an employee is strictly prohibited. Sexual abuse may include, but is not limited to: fondling, sexual assault, or sexual intercourse.

Employees who suspect a student is being sexually harassed or abused by another employee are obligated to report their concerns to the campus administration. Failure to report will result in disciplinary action. All allegations of sexual harassment or sexual abuse of a student by an employee or an adult will be reported to the student's parent/guardian and promptly investigated. Conduct that may be characterized as child abuse must be reported to the appropriate authorities, as required by law. Employees with questions or concerns relating to the alleged sexual harassment of a student should contact the Chief Human Resources Officer. For additional information, see Board Policies DF (LEGAL) and FFH (LOCAL).

Bullying

Policy FFH, FFI

NO PLACE FOR HATE

In Fort Bend ISD we believe there is No Place for Hate. All students have the right to receive a quality education in a bully-free environment. If you or your child feels bullied in any way, please contact a teacher, counselor, or school administrator. For more information about No Place for Hate Schools: <http://regions.adl.org/southwest/news/southwest-region-ends-school.htm>

DATING VIOLENCE, HARASSMENT, “SEXTING”, RETALIATION, BULLYING AND DISCRIMINATION

Fort Bend ISD believes that all students learn best in an environment free from dating violence, discrimination, harassment and retaliation and that their welfare is best served when they are free from this prohibited conduct while attending school. Students are expected to treat other students and district employees with courtesy and respect and to avoid behaviors known to be offensive. District employees are expected to treat students with courtesy and respect. The Board of Trustees has established policies and procedures to prohibit and promptly respond to inappropriate and offensive behaviors that are based on a person’s race, color, religion, gender, national origin, disability, or any other basis prohibited by law.

Dating Violence

Dating violence occurs when a person in a current or past dating relationship uses physical, sexual, verbal, or emotional abuse to harm, threaten, intimidate, or control the other person in the relationship. This type of conduct is considered harassment if the conduct is so severe, persistent, or pervasive that it affects the student’s ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; or substantially interferes with the student’s academic performance. Twenty-three examples of dating violence against a student may include, but are not limited to, physical or sexual assaults, name-calling, put-downs, threats to hurt the student or the student’s family members or members of the student’s household, destroying property belonging to the student, threats to commit suicide or homicide if the student ends the relationship, attempts to isolate the student from friends and family, stalking, or encouraging others to engage in these behaviors.

Harassment

Harassment, in general terms, is conduct so severe, persistent, or pervasive that it affects the student’s ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; or substantially interferes with the student’s academic performance. This prohibition extends to dating violence, as defined in Board Policy **FFH** and may also meet the definition of bullying in some cases, as defined in Board Policy **FFI**. A copy of the District’s policy is available in the principal’s office and in the superintendent’s office.

Examples of harassment may include, but are not limited to, offensive or derogatory language directed at a person’s religious beliefs or practices, accent, skin color, sexual orientation or need for accommodation; threatening or intimidating conduct; offensive jokes, name-calling, slurs, or rumors; physical aggression or assault; graffiti or printed material promoting racial, ethnic, or other negative stereotypes; or other kinds of aggressive conduct such as theft or damage to property.

Sexting

The Texas Legislature has directed the Texas School Safety Center, in consultation with the office of the attorney general, to develop programs that inform students, parents/guardians and staff about the possible legal and other consequences of sharing visual material depicting a minor engaged in sexual conduct (also known as “sexting”). The programs must include the connections between bullying, cyber bullying, harassment and sexting. The Texas School Safety Center has developed such a program, called **Before You Text**. It can be found at: <http://beforeyoutext.com>. We encourage all middle and high school students and their parents/guardians to view the program.

Discrimination

Discrimination is defined as any conduct directed at a student on the basis of race, color, religion, gender, sex, national origin, disability, age, or any other basis prohibited by law, that adversely affects the student.

Child Sexual Abuse

The District has established a plan for addressing child sexual abuse which may be accessed on the District website. Go to Board & Governance, select "Board Policy" and search for **FFH** (Local). It is important to be aware of warning signs that could indicate a child may have been or is being sexually abused. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility, under state law, for reporting the suspected abuse or neglect to law enforcement or to Child Protective Services (CPS). Possible physical warning signs of sexual abuse could be difficulty sitting or walking, pain in the genital areas and claims of stomach aches and headaches. Behavioral indicators may include verbal references or pretend games of sexual activity between adults and children, fear of being alone with adults of a particular gender, or sexually suggestive behavior. Emotional warning signs to be aware of include withdrawal, depression, sleeping and eating disorders, and problems in school. A child who has experienced sexual abuse should be encouraged to seek out a trusted adult. Be aware as a parent/guardian or other trusted adult that disclosures of sexual abuse may be more indirect than disclosures of physical abuse, and it is important to be calm and comforting. Reassure the child that he or she did the right thing by disclosing the information. As a parent/guardian, of a child who is a victim of sexual abuse, the campus counselor or principal will provide information regarding counseling options in the immediate area. The Texas Department of Family and Protective Services (TDFPS) also provide early intervention counseling programs.

Reporting Suspected Child Abuse

Policies DF, DG, DH, FFG, GRA

All employees are required by law to report any suspected child abuse or neglect to a law enforcement agency or Child Protective Services within 48 hours of the event that led to the suspicion. Abuse is defined by SBEC and includes the following acts or omissions:

- Mental or emotional injury to a student or minor that results in an observable and material impairment in the student's or minor's development, learning, or psychological functioning;
- Causing or permitting a student or minor to be in a situation in which the student or minor sustains a mental or emotional injury that results in an observable and material impairment in the student's or minor's development, learning, or psychological functioning;
- Physical injury that results in substantial harm to a student or minor, or the genuine threat of substantial harm from physical injury to the student or minor, including an injury that is at variance with the history or explanation given and excluding an accident or reasonable discipline; or
- Sexual conduct harmful to a student's or minor's mental, emotional, or physical welfare.

Employees are also required to make a report if they have cause to believe that an adult was a victim of abuse or neglect as a child and they determine in good faith that the disclosure of the information is necessary to protect the health and safety of another child or disabled person.

Reports to Child Protective Services can be made to a local office or to the Texas Abuse Hotline (800-252-5400). State law specifies that an employee may not delegate to or rely on another person or administrator to make the report.

Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In addition, the District is prohibited from retaliating against an employee who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

An employee's failure to make the required report may result in prosecution as a Class A misdemeanor. In addition, a certified employee's failure to report may result in disciplinary procedures by SBEC for a violation of the Texas Educators' Code of Ethics.

Employees who suspect that a student has been or may be abused or neglected should also report their concerns to the campus principal. This includes students with disabilities who are no longer minors. Employees are not required to report their concerns to the principal before making a report to the appropriate agency. In addition, employees must cooperate with child abuse and neglect investigators.

Reporting the concern to the principal does not relieve the employee of the requirement duty to report to the appropriate state agency. In addition, employees must cooperate with investigators of child abuse and neglect. Interference with a child abuse investigation by denying an interviewer's request to interview a student at school or requiring the presence of a parent/guardian or school administrator against the desires of the duly authorized investigator is prohibited. Under state law, an employee is prohibited from using or threatening to use a parent's/guardian's refusal to consent to administration of a psychotropic drug or to any other psychiatric or psychological treating or treatment of a child as the sole basis for making a report of neglect, unless the employee has cause to believe that the refusal:

- Presents a substantial risk of death, disfigurement, or bodily injury to the child; or
- Has resulted in an observable and material impairment to the growth, development, or functioning of the child

Sexual Abuse and Maltreatment of Children. The District has established a plan for addressing child sexual abuse and other maltreatment of children, which are addressed as part of the Annual Staff Training series:

- Non-instructional Employees* complete 7 courses: Access [Pipeline](#). (* Forms on the Pipeline apply to non-instructionalemployees only.)
- Instructional Employees complete 12 courses**: Log onto [eLearning](#), and register for course ADMN1007. (** Forms are provided by principals.)
- Central Office Employees complete 6 courses***: Log onto [eLearning](#), and register for course ADMN1007. (***) Forms are provided by central office supervisors.)

As an employee, it is important to be aware of warning signs that could indicate a child may have been or is being sexually abused or otherwise maltreated. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Maltreatment is defined as abuse or neglect. Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect to law enforcement or to Child Protective Services (CPS).

Employees are required to follow the procedures described above in *Reporting Suspected Child Abuse*.

Sexual Harassment

PolicyFFH (LOCAL)

Sexual harassment of a student by an employee or others is strictly prohibited. Sexual harassment of a student

by a District employee or others includes both welcome and unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when a District employee or others cause the student to believe that the student must submit to the conduct in order to participate in a school program or activity, or that the employee will make an educational decision based on whether or not the student submits to the conduct; or the conduct is so severe, persistent, or pervasive that it affects the student's ability to participate in or benefit from an educational program or activity, or otherwise adversely affects the student's educational opportunities; or creates an intimidating, threatening, hostile, or abusive educational environment. Romantic or inappropriate social relationships between students and District employees are strictly prohibited. Any sexual relationship between a student and a District employee is strictly prohibited, even if consensual. Examples of sexual harassment of a student may include sexual advances, touching intimate body parts or coercing physical contact that is sexual in nature; jokes or conversations of a sexual nature; and other sexually motivated conduct, communication or contact. **Note:** Necessary or permissible physical contact such as assisting a child by taking the child's hand, comforting a child with a hug, or other physical contact not reasonably construed as sexual in nature is not sexual harassment.

Bullying

Bullying means engaging in written or verbal expression, expression through electronic means, or physical conduct that occurs on school property, at a school-sponsored or school-related activity, or in a vehicle operated by the District and that:

1. Has the effect or will have the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm to the student's person or of damage to the student's property; or
2. Is sufficiently severe, persistent, and pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student.

This conduct is considered bullying if it:

1. Exploits an imbalance of power between the student perpetrator and the student victim through written or verbal expression or physical conduct; and
2. Interferes with a student's education or substantially disrupts the operation of a school. The District prohibits retaliation by a student or District employee against any person who in good faith makes a report of bullying, serves as a witness, or participates in an investigation. A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a District investigation regarding bullying shall be subject to appropriate disciplinary action.

Procedures For Reporting Allegations of Bullying

The District prohibits bullying on school property, at school-sponsored or school-related activities, or in any vehicle operated by the District. Bullying may be verbal or written expression or expression through electronic means, or physical conduct. Bullying is not tolerated by the District and any student or parent/guardian of a student who believes that the student or another student has experienced bullying or that a student has engaged in bullying is encouraged to immediately report the incident. Retaliation against anyone involved in the complaint process is a violation of District policy and is prohibited.

Students or parents/guardians may report an alleged incident of bullying, orally or in writing, to a teacher, counselor, principal or other District employee. Students or parents/guardians may contact the District to obtain an incident report form that may be used to submit the complaint. Please note that after submission of the complaint to the District employee, the District may assign the complaint to a campus administrator to follow up on the submitted complaint and any other important matters pertaining to the complaint. We encourage you to communicate with your designated campus administrator during this time. Information about the District's bullying policy can be found at: <http://pol.tasb.org/Policy/Code/483?filter=FFI> or the campus administration office. Reports of bullying shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to immediately report may impair the District's ability to investigate and address the prohibited conduct. To obtain assistance and intervention, any student who believes that he or she has experienced

bullying or believes that another student has experienced bullying should immediately report the alleged acts to a teacher, counselor, principal, or other District employee. Any District employee who suspects or receives notice that a student or group of students has or may have experienced bullying shall immediately notify the principal or designee. A report may be made orally or in writing. The principal or designee shall reduce any oral reports to written form. A student shall not be required to report prohibited conduct to the person alleged to have committed the conduct. Reports concerning prohibited conduct, including reports against the Title IX Coordinator or ADA/Section 504 Coordinator, may be directed to the Superintendent. A report against the Superintendent may be made directly to the Board. If a report is made directly to the Board, the Board shall appoint an appropriate person to conduct an investigation. If an incident of bullying is confirmed, the principal or designee shall promptly notify the parents/guardians of the victim and of the student who engaged in bullying. If the results of an investigation indicate that bullying occurred, the District shall promptly respond by taking appropriate disciplinary action in accordance with the District's Student Code of Conduct and may take corrective action reasonably calculated to address the conduct. A student who is a victim of bullying and who used reasonable self-defense in response to the bullying shall not be subject to disciplinary action. The principal or designee shall notify the victim, the student who engaged in bullying, and any students who witnessed the bullying of available counseling options.

On the request of a parent/guardian or other person with authority to act on behalf of a student who is a victim of bullying, the Board or its designee shall transfer the victim to:

- Another classroom at the campus to which the victim was assigned at the time the bullying occurred; or
- A campus in the district other than the campus to which the victim was assigned at the time the bullying occurred.

The Board may transfer the student who engaged in bullying to:

- Another classroom at the campus to which the victim was assigned at the time the bullying occurred; or
- A campus in the district other than the campus to which the victim was assigned at the time the bullying occurred, in consultation with a parent/guardian or other person with authority to act on behalf of the student who engaged in bullying. The transfer of a student with a disability who receives special education services and who engaged in bullying may be made only by a duly constituted ARD committee under Education Code 37.004. The discipline of a student with a disability is subject to applicable state and federal law in addition to the Student Code of Conduct.

The Board or designee shall verify that a student has been a victim of bullying before transferring the student to another campus. The Board may consider past student behavior when identifying a bully. The determination by the Board or designee is final and may not be appealed. The procedures set forth at Education Code 25.34 [see PETITIONS AND OBJECTIONS, PROCEDURE, above] do not apply to a transfer under this provision. The District is not required to provide transportation to a student who transfers to another campus under this provision. *Education Code 25.0342* For more information about these policies, please access the District's Policy Online at: <http://pol.tasb.org/Home/Index/483>.

Any student who believes that he or she has experienced dating violence, discrimination, harassment, or retaliation should immediately report the problem to a teacher, counselor, principal, or other District employee. The report may be made by the student's parent/guardian.

Retaliation

Retaliation against a person, who makes a good faith report of bullying, discrimination, or harassment, including dating violence, is prohibited. Retaliation against a person who is participating in an investigation of alleged bullying, discrimination, or harassment is also prohibited. A person who makes a false claim, offers false statements, or refuses to cooperate with a District investigation; however, may be subject to appropriate discipline. Retaliation against a student might occur when a student receives threats from another student or an employee or when an employee imposes an unjustified punishment or unwarranted grade reduction. Retaliation does not include petty slights and annoyances from other students or negative comments from a teacher that are justified by a student's poor academic performance in the classroom.

Investigation of Report

While completing an investigation, the District will, to the extent possible, respect the privacy of the student. However, limited disclosures may be necessary to conduct a thorough investigation and comply with law. Allegations of prohibited conduct, which includes dating violence, discrimination, harassment, and retaliation, will be promptly investigated. The District will notify the parents/guardians of any student alleged to have experienced prohibited conduct involving an adult associated with the District. In the event prohibited conduct involves another student, the District will notify the parents/guardians of the student alleged to have experienced the prohibited conduct when the allegations, if proven, would constitute a violation as defined by policy. If the District's investigation indicates that prohibited conduct occurred, appropriate disciplinary or corrective action will be taken to address the conduct. A student or parent/guardian who is dissatisfied with the outcome of the investigation may appeal in accordance with Board Policy **FNG** (LOCAL). Absent extenuating circumstances, the investigation should be completed within ten District business days from the date of the report; however, the investigator shall take additional time if necessary to complete a thorough investigation. The investigator shall prepare a written report of the investigation. The report shall include a determination of whether prohibited conduct or bullying occurred. The report shall be filed with the District official overseeing the investigation.

Reporting Crime

Policy DG

The Texas Whistleblower Act protects district employees who make good faith reports of violations of law by the District to an appropriate law enforcement authority. The District is prohibited from suspending, terminating the employment of, or taking other adverse personnel action against, an employee who makes a report under the Act. State law also provides employees with the right to report a crime witnessed at the school to any peace officer with authority to investigate the crime.

Alcohol and Drug Abuse Prevention

Policies DH, DHE, DI

Fort Bend ISD is committed to maintaining an alcohol and drug-free environment and will not tolerate the use of alcohol or illegal drugs in the workplace. Employees who use or are under the influence of alcohol or illegal drugs as defined by the Texas Controlled Substances Act during working hours may be terminated. The District's policy on drug abuse and drug-free schools states:

Employees shall not manufacture, distribute, dispense, possess, use, or be under the influence of any of the following substances during working hours while at school or at school-related activities during or outside of usual working hours: any controlled substance or dangerous drug as defined by law, alcohol or any alcoholic beverage, any abusable glue, paint or chemical for inhalation, any other intoxicant, or mood-changing, mind-altering, or behavior-altering drugs.

If a supervisor has reason to believe an employee is involved in work-related misconduct related to drugs or alcohol, the employee will be immediately removed from duty and required to submit to a drug and/or alcohol test. An employee need not be legally intoxicated to be considered "under the influence" of one of these items.

Employees who violate this prohibition shall be subject to disciplinary sanctions. Such sanctions may include termination from employment with the District, and referral to appropriate law enforcement officials.

Tobacco Products Use

Policies DH, FNCD, GKA

State law prohibits smoking or using tobacco products (including smokeless products, electronic cigarettes, and any other electronic vaporizing device) on all District-owned property and at all school related or school-sanctioned activities on or off campus. This includes all buildings, playground areas, parking facilities and facilities used for athletics and other activities. - A personal financial interest;
- A business interest;
- Any other obligation or relationship; or
- Non-school employment.

Employees should contact their supervisor for additional information

Gifts and Favors

PolicyDBD

Employees must not accept gifts or favors that could influence, or be construed to influence, the employee's discharge of assigned duties. The acceptance of a gift, favor, or service by an administrator or teacher that might reasonably tend to influence the selection of textbooks, electronic textbooks, instructional materials or technological equipment may result in prosecution of a Class B misdemeanor offense. This does not include staff development, teacher training, or instructional materials, such as maps or worksheets, that convey information to students or contribute to the learning process.

Nepotism

PolicyDBE

Persons in a supervisory position shall avoid all appearances of impropriety and not directly or indirectly supervise a relative or person who resides in their household.

An applicant, whether internal or external, shall not be hired by the District in any full-time, part-time, or temporary position when the applicant would directly or indirectly be supervised, or be supervisory to, a current

District employee who is related to the applicant within the third degree of consanguinity or second degree of affinity, as defined by the state nepotism statutes.

For the purpose of this policy, direct or indirect supervision exists when the applicant or the current employee would, under an existing policy or procedure, be required to approve an employment action or would have authority over terms or conditions of employment of the other.

When a person in a supervisory position who would directly or indirectly be supervised by, or be supervisory to, a current employee through marriage or who is related to the supervised employee within the third degree of consanguinity or second degree of affinity, as defined below, one of the parties shall be transferred to another position within the District for which he or she is qualified as soon as such a position is available.

The consequences for an individual who fails to report to the appropriate supervisor a relationship of the first, second, or third degree of consanguinity shall result in discipline up to and including termination.

No employee shall initiate or participate in, directly or indirectly, decisions involving a direct benefit to members of his or her immediate family or household. Household shall include individuals regularly sharing the employee's residence.

An individual's relatives within the third degree by consanguinity are the individual's:

1. Parent/guardian or child (first degree);
2. Brother, sister, grandparent, or grandchild (second degree); and
3. Great-grandparent, great-grandchild, aunt or uncle (who is a sibling of a parent of the person), nephew or niece (who is a child of a brother or sister of the person) (third degree).

Associations and Political Activities

PolicyDGA

The District will not directly or indirectly discourage employees from participating in political affairs or require any employee to join any group, club, committee, organization, or association. Employees may join or refuse to join any professional association or organization.

An individual's employment will not be affected by membership or a decision not to be a member of any employee organization that exists for the purpose of dealing with employers concerning grievances, labor disputes, wages, rates of pay, hours of employment, or conditions of work.

The use of District resources including work time for political activities is prohibited.

Charitable Contributions

PolicyDG

The Board or any employee may not directly or indirectly require or coerce an employee to make a contribution to a charitable organization or in response to a fund-raiser. Employees cannot be required to attend a meeting called for the purpose of soliciting charitable contributions. In addition, the Board or any employee may not directly or indirectly require or coerce an employee to refrain from making a contribution to a charitable organization or in response to a fund-raiser or attending a meeting called for the purpose of soliciting charitable contributions.

Safety

PolicyCK Series

The District has developed and promotes a comprehensive program to ensure the safety of its employees, students, and visitors. Employees with questions or concerns relating to safety programs and issues can contact their immediate supervisor.

Criminal History Background Checks

Employees, including substitutes and student teachers, will be subject to a review of their criminal history record information at any time during employment. National criminal history checks based on an individual's fingerprints, photo and other identification will be conducted on certain employees and entered into the Texas Department of Public Safety (DPS) Clearinghouse. This database provides the District and SBEC with access to an employee's current national criminal history and updates to the employee's subsequent criminal history.

Possession of Firearms and Weapons

Policies FNCG, GKA

Employees, visitors, and students are prohibited from bringing firearms, knives, clubs, or other weapons onto school premises or any grounds or building where a school-sponsored activity takes place. To ensure the safety of all persons, employees who observe or suspect a violation of the District's weapons policy should report it to their supervisors or call the FBISD Police Department (281) 634-5500 immediately.

PolicyGKC

All visitors are expected to enter any District facility through the main entrance and sign in or report to the building's main office. Authorized visitors will receive directions or be escorted to their destination. Employees who observe an unauthorized individual on the District premises should immediately direct him or her to the main office or contact the administrator in charge.

All visitors to the schools, including parents/guardians, employees and Board members, are welcome to visit the campus; however, prominent notices shall be posted at each campus that all visitors must first report to the principal's office. Visits to individual classrooms during instructional time shall be permitted only with the principal's approval, and such visits shall not be permitted if their duration or frequency interferes with the delivery of instruction or disrupts the normal school environment. Employees should not encourage unauthorized visitors to the work place.

Copyrighted Materials

PolicyCY

Employees are expected to comply with copyright laws relating to the unauthorized use, reproduction, distribution, performance, or display of copyrighted materials (i.e., printed material, videos, computer data and programs, etc.). All network and computer equipment is the property of Fort Bend ISD. The district's technology resources, including its networks, computer systems, e-mail accounts, devices connected to its networks, and all district-owned devices used on or off school property, are primarily for administrative and instructional purposes. As such, all copyright laws and federal and state laws regarding electronic data transfer or communication will be strictly adhered to and enforced. This includes, but is not limited to, making copies of copyrighted software, logging onto bulletin boards, invading networks or computer systems or files to alter information therein (viruses or unauthorized data manipulation) and bringing unauthorized software into the labs, classrooms or offices.

Duplication of any software, except for backup and archival purposes, from any facility/campus in Fort Bend ISD's computer labs, classrooms, or offices is strictly prohibited.

Electronic mail transmissions and other use of technology resources are not confidential and can be monitored at any time to ensure appropriate use.

Employees are required to abide by the provisions of the district's acceptable use agreement and administrative procedures.

Any employee found violating these laws or rules may be subject to civil and criminal penalties and/or imprisonment and will be referred for disciplinary action. Suspected misuse of software should be reported to an administrator or Campus Instructional Technology Specialist.

Employee Use of Electronic Media

Policies CQ, DH

Electronic media includes all forms of social media, such as text messaging, instant messaging, electronic mail (email), Web logs (blogs), wikis, electronic forums (chat rooms), video-sharing Web sites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, , Twitter, LinkedIn, Instagram). Electronic media also includes all forms of telecommunication such as landlines, cell phones, and Web-based applications.

Acceptable Use. The purpose of the FBISD network is to support research and education in and among academic institutions in the U.S. by providing access to unique resources and the opportunity for collaborative work. Access to the District's technology resources, including the Internet, shall be made available to employees exclusively for instructional and administrative purposes and in accordance with administrative regulations.

Employees who are authorized to use the system are required to abide by the provisions of the acceptable use policy and administrative procedures. Failure to do so can result in suspension of access or termination of privileges and may lead to disciplinary action.

All District employees authorized to access sensitive or confidential student or employee information are expected to maintain the security of the storage, access, transmission and transportation of such information. Any breach of the security of such information may lead to disciplinary action.

As role models for the District's students, employees are responsible for their public conduct even when they are not acting as District employees. Employees will be held to the same professional standards in their public use of electronic media as they are for any other public conduct. If an employee's use of electronic media interferes with the employee's ability to effectively perform his/her job duties, the employee is subject to disciplinary action, up to and including termination of employment. If an employee wishes to use a social network site or similar media for personal purposes, the employee is responsible for the content on the employee's page, including content added by the employee, the employee's friends, or members of the public who can access the employee's page, and for Web links on the employee's page. The employee is also responsible for maintaining privacy settings appropriate to the content.

An employee who uses electronic media for personal purposes shall observe the following:

- The employee may not set up or update the employee's personal social network page(s) using the District's computers, network, or equipment.
- The employee shall limit use of personal electronic communication devices to send or receive calls, text messages, pictures, and videos to breaks, meal times, and before and after scheduled work hours; unless there is an emergency or the use is authorized by a supervisor to conduct District business.
- The employee shall not use the District's logo or other copyrighted material of the District without express written consent.
- An employee may not share or post, in any format, information, videos, or pictures obtained while on duty or on District business unless the employee first obtains written approval from the employee's immediate supervisor. Employees should be cognizant that they have access to information and images that, if transmitted to the public, could violate privacy concerns.

The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educators' Code of Ethics, even when communicating regarding personal and private matters, regardless of whether the employee is using private or public equipment, on or off campus. These restrictions include:

- Confidentiality of student records. [See Policy FL].
- Confidentiality of health or personal information concerning colleagues, unless disclosure serves lawful professional purposes or is required by law. [See Policy DH (EXHIBIT)].
- Confidentiality of District records, including educator evaluations and private e-mail addresses. [See Policy GBA].

- Copyright law [See Policy CY].
- Prohibition against harming others by knowingly making false statements about a colleague or the school system. [See Policy DH (EXHIBIT)]

Use of Electronic Media with Students

Policy DH

A certified or licensed employee, or any other employee designated in writing by the Superintendent/Designee or campus Principal may communicate through electronic media with students who are currently enrolled in the District. The employee must comply with the provisions outlined below. All other employees are prohibited from communicating with students who are enrolled in the District through electronic media.

An employee is not subject to these provisions to the extent the employee has a social or family relationship with a student. For example, an employee may have a relationship with a niece or nephew, a student who is the child of an adult friend, a student who is a friend of the employee's child, or a member or participant in the same civic, social, recreational, or religious organization. An employee who claims an exception based on a social relationship shall provide written consent from the student's parent/guardian.

The written consent shall include an acknowledgement by the parent/guardian that:

- The employee has provided the parent with a copy of this protocol
- The employee and the student have a social relationship outside of school
- The parent/guardian understands that the employee's communications with the student are excepted from District regulation; and
- The parent/guardian is solely responsible for monitoring electronic communications between the employee and the student

The following definitions apply for the use of electronic media with students:

- Electronic media includes all forms of social media, such as text messaging, instant messaging, electronic mail (email), web logs (blogs), wikis, electronic forums (chat rooms), video-sharing websites (e.g., YouTube), editorial comments posted on the Internet and social network sites (e.g., Facebook, Twitter, LinkedIn, Instagram). Electronic media also includes all forms of telecommunication such as landlines, cell phones, and web-based applications.
- Communicate means to convey information and includes a one-way communication as well as a dialogue between two or more people. A public communication by an employee that is not targeted at students (e.g., a posting on the employee's personal social network page or a blog) is not a communication: however, the employee may be subject to District regulations on personal electronic communication. See Employee Use of Electronic Media, above. Unsolicited contact from a student through electronic means is not a communication
- Certified or licensed employee means a person employed in a position requiring SBEC certification or a professional license, and whose job duties may require the employee to communicate electronically with students. The term includes classroom teachers, counselors, principals, librarians, paraprofessionals, nurses, educational diagnosticians, licensed therapists, and athletic trainers.

An employee who uses electronic media to communicate with students shall observe the following:

- The employee may use any form of electronic media except text messaging. Only a teacher, trainer, or other employee who has an extracurricular duty may use text messaging, and then only to communicate with students who participate in the extracurricular activity over which the employee has responsibility. An employee who communicates with a student using text messaging shall comply with the following protocol:
 - The employee shall include a least one of the student's parents/guardians as a recipient on each text message to the student so that the student and parent/guardian receive the same message.
 - The employee shall include his or her immediate supervisor as a recipient on each text message to the student so that the student and supervisor receive the same message
 - For each text message addressed to one or more students, the employee shall send a copy of the text message to the employee's district e-mail address.

responsibilities (e.g., for classroom teachers, matters relating to class work, homework, and tests; for an employee with an extracurricular duty, matters relating to the extracurricular activity).

Digital Citizenship. Users are expected to abide by the generally accepted rules of digital citizenship. These include, but are not limited to, the following:

Use of the FBISD technology resources, including electronic mail transmissions, shall not be considered confidential and may be monitored at any time. Any user identified as a security risk or having a history of problems with other computer systems may be denied access.

Vandalism. Any malicious attempt to harm or destroy District equipment or materials, data of another user of the District’s system, or any of the agencies or other networks that are connected to the Internet is prohibited. Deliberate attempts to degrade or disrupt system performance may be viewed as violations of District policy and administrative procedures and possibly, as criminal activity under applicable state and federal laws. This includes, but is not limited to, uploading or creating computer viruses. Vandalism, as defined above, will result in the cancellation of system use privileges and will require restitution for costs associated with system restoration, hardware, or software costs.

World Wide Web. All “home pages” created for the Fort Bend ISD website must be submitted to the Community Relations Department for approval prior to posting. For additional information regarding the District’s Electronic Communication and Data Management policy and procedures, refer to Sections CQ (LOCAL) and CQ-R of the Fort Bend ISD Board Policy.

Asbestos Management Plan

PolicyCKA

The District is committed to providing a safe environment for employees. An accredited management planner has developed an asbestos management plan for each piece of District property. A copy of the District’s management plan is kept in the Facilities Department and is available for inspection during normal business hours. A copy of this management plan is also available at each school’s administrative office for inspection during normal business hours. The content of this management plan meets the requirements of the Asbestos

Hazard Emergency Response Act (AHERA), which is enforced by the Texas Department of Health.

Pest Control Treatment

Policies CLB, DI

Employees are prohibited from applying any pesticide or herbicide without appropriate training and prior approval of the integrated pest management (IPM) coordinator. Any application of pesticide or herbicide must be done in a manner prescribed by law and the District's integrated pest management program.

Notices of planned pest control treatment will be posted in a District building 48 hours before the treatment begins. Notices are generally located in the treatment area or main entrance.

Health Requirements and Services: Communicable Diseases

Policies FFAD, FFAF

Chronic Reportable Diseases. Unless otherwise provided below, a student with a chronic reportable disease (i.e. Hansen's disease, viral hepatitis type B, AIDS or HIV infection) shall be allowed to attend school in his or her usual instructional setting with the approval of his or her doctor. The school nurse shall function as the liaison with the student's doctor and be the coordinator of services provided by other staff. (See FFA)

Confidentiality. Only those persons with a direct need to know, such as the principal or school nurse, will be informed of the condition of the student who has a chronic reportable disease. However, the parents/guardians of a minor student or an adult student may give written authorization specifying other persons or positions to which such information may be released. District personnel who have such knowledge shall be provided with information concerning any precautions that may be necessary and shall be advised of confidentiality requirements.

Risk of Transmission. The local health authority, in consultation with the school nurse and the student's doctor, shall determine whether a significant risk of transmitting a chronic reportable disease exists. If it is determined that a significant risk of transmission exists, the student may be temporarily removed from the classroom until one of the following events occurs:

1. An appropriate school program adjustment is made.
2. An appropriate alternative or special education program is established.
3. The local health authority determines that the significant risk has abated and the student can return to class.

Each removal of a student from school attendance under this circumstance shall be reviewed by the school nurse, the student's doctor, and the Fort Bend County Health Department at least once a month to determine whether the condition precipitating the removal has changed.

Risk to Affected Student. A decision to remove a student from the classroom for his or her own protection when cases of communicable diseases are occurring in the school population shall be made in accordance with Texas Department of Health guidelines; however, the placement of a special education student can be changed only by an ARD committee.

Referral to Special Programs. A student removed from the classroom under this policy may be referred to the ARD committee for assessment and a determination of eligibility for special education. A student determined to be ineligible for special education services may nevertheless be eligible for other special services as a student who has a disability under Section 504 of the Rehabilitation Act. Any decisions regarding restriction on school attendance, participation in school activities, and hygiene procedures shall be made by the ARD committee (in the case of a special education student) or a group of professionals who are knowledgeable about the student (in the case of a student who has a disability under Section 504). These committees shall consult the local health authority and the student's physician in making such decisions. They shall also consider the significant health risk posed to and by the student in determining an appropriate individualized education program or other services to be provided.

Diabetic Students. Texas law provides for students who have diabetes. It requires students, their parents/guardians and physicians to develop a diabetes management plan and provide it to the school principal, school nurse and all of the student's teachers. The school nurse may develop an individualized health plan for the student if the student will need care for diabetes while at school. At least one unlicensed diabetes care assistant must be trained on each campus where a student with diabetes is enrolled. School employees who transport/supervise the student during off-campus activity shall be provided a one-page information sheet for emergency care situations.

General Procedures

Severe Weather Closing

The District may close schools because of severe weather or emergency conditions. When such conditions exist, the Superintendent will make the official decision concerning the closing of the District's facilities. When it becomes necessary to open late, to release students early, or to cancel school, District officials will post a notice on the District's website and notify the following radio and television stations: KTRH-Radio 740 AM, KPRC-Channel 2, KHOU-Channel 11, KTRK-Channel 13, KRIV (Fox) – Channel 26, KHWB-Channel 39 and KXLN-Channel 45.

If weather permits, school closings will be posted as soon as possible on the Internet at: www.fortbendisd.com or www.fortbendisdnews.com. However, a loss of power in the Houston area could prevent internet communication. Information is also available through the District's main switchboard number at (281) 634-1000 INFO (281.634.4636) to hear a recorded message.

The Chief Communications Officer or designee will make all contacts and statements to media representatives. When school is closed due to severe weather or other conditions, employees are asked to listen to their radio or television for information about who is or who is not to report to work. Assistant Superintendents and appropriate Chiefs relay the directive to the appropriate administrators under their supervision, and in turn, each administrator notifies their respective staffs.

Emergencies

Policies CKC, CKD

Each school shall have effective emergency procedures that can be implemented on short notice and will ensure optimal safety for students and school personnel.

All employees should be familiar with the safety procedures for responding to a medical emergency and evacuation diagrams posted in their work areas. Emergency drills will be conducted to familiarize employees and students with safety and evacuation procedures. Each campus is equipped with an automatic external defibrillator. Fire extinguishers are located throughout all District buildings. Employees should know the location of these devices and procedures for their use.

Purchasing Procedures

Policy CH

All requests for purchases must be submitted to the Purchasing Department on an official District purchase order (PO) form with the appropriate approval signatures. No purchases, charges, or commitments to buy goods or services for the District can be made without a PO number. The District will not reimburse employees or assume responsibility for purchases made without authorization. Employees are not permitted to purchase supplies or equipment for personal use through the District's business office. Employees should contact his/her supervisor for additional information on purchasing procedures.

Personnel Records

Policy DBA, GBA

Most District records, including personnel records, are public information and must be released upon request. Employees may choose to have the following personal information withheld:

- Address
- Phone number, including personal cell phone number
- Emergency contact information
- Information that reveals whether the person has family members
- Personal e-mail address

The choice to not allow public access to this information may be made at any time on "My Self Serve," www.fortbend.k12.tx.us/eservices.cfm. New or terminated employees have 14 days after hire or termination to submit a request. Otherwise, personal information listed above will be released to the public.

Records Retention: Fort Bend ISD Records Management Program adheres to the Texas State Library Commission's records retention schedules. All records generated and maintained by the District are retained for the minimum period of time legally required. Those records, for which permanent retention is required, will be maintained on microfilm. Once a record's retention period has expired, those records will then be destroyed in accordance with rules promulgated and designated in the Commission's various retention schedules.

The District is under no legal obligation to retain records beyond that records' retention period.

Name and Address Changes: It is important that employment records be kept up to date. Employees must notify the Human Resources Department if there are any changes or corrections to their name. Name changes will not be completed without the presentation of a new social security card and a valid photo ID (ex. a valid driver's license). The home address, home telephone number and emergency contact, must be changed in "My Self Serve," located on the Fort Bend ISD Website, www.fortbend.k12.tx.us/eservices.cfm.

Use of School Facilities

Policies DGA, GKD

Nonprofit organizations may use areas of a campus or facility listed in the District's facilities use schedule for non-school sponsored purposes if one of the following criteria is met:

- The activity is for the exclusive benefit of District students;
- The activity relates to a regional or sectional meeting of a recognized group with a local organization within the District; or
- At least 60 percent of the organization's membership resides within the District, and the organization is in the process of obtaining a permanent facility within the District's boundaries.

No activity shall be scheduled if it interferes with individual school operations or District scheduled activities, including facilities maintenance and/or repair projects.

For-profit organizations, alone or in collaboration with nonprofit organizations, may not use District buildings and equipment, except where such use is directly related to the provision of services benefiting students or staff as determined by the administration on a case-by-case basis with approval of the Board. Any such use shall be governed by separate agreement, upon such terms and conditions as may be approved by the Board. Contact Facilities/Operations to obtain information on the fees charged and insurance requirements. A contract for Use of School Facilities Form can be obtained on the internet at: www.fortbendisd.com/docs/facilities/contract-for-use-of-school-facilities-form.pdf

A written notice of resignation should be submitted to Human Resources with a copy to the supervisor. A voluntary resignation form is available on the Pipeline. Contract employees may resign at any other time only with the approval of the Superintendent or the Board. Resignation without consent may result in disciplinary action by the State Board for Educator Certification (SBEC). The Superintendent will notify SBEC when an employee resigns and reasonable evidence exists to indicate that the employee has engaged in any of the acts listed in *Reports to the State Board of Educator Certification*.

All resignations shall be submitted in writing to the Superintendent. Once submitted and accepted, a resignation may not be withdrawn without consent of the Board or its designee.

Non-Contract Employees

PolicyDFE (LOCAL)

Non-contract employees may resign their positions at any time. A written notice of resignation should be submitted to the Human Resources Department with a copy to the supervisor at least thirty (30) days prior to the effective date. Employees are encouraged to include the reasons for leaving in the letter of resignation but are not required to do so.

Dismissal or Non-Renewal of Contract Employees

Policies DFAA, DFAB, DFBA, DFBB, DFD, DFF, DFFA, DFFB, DFFC

Employees on probationary contracts or term contracts may be suspended with pay or placed on administrative leave by the Superintendent or designee during an investigation of alleged misconduct by the employee or at any time the Superintendent or designee determines that the District's best interest will be served by the suspension or administrative leave. Employees on probationary or term contracts can be dismissed during the school year according to the procedures outlined in District policies. Employees on probationary or term contracts can be non-renewed at the end of the contract term. Contract employees who are dismissed during the school year, suspended without pay, or subject to a reduction in force are entitled to receive notice of the recommended action, an explanation of the charges against them, and an opportunity for a hearing. The timelines and procedures to be followed when a suspension, termination, or non-renewal occurs will be provided when a written notice is given to an employee. Advance notification requirements do not apply when a contract employee is dismissed for failing to obtain or maintain appropriate certification or whose certification is revoked for misconduct.

Dismissal of Non-Contract Employees

PolicyDCD

Non-contract employees are employed at-will and may be dismissed at any time, for any reason not prohibited by law, or for no reason as determined by the needs of the District. It is unlawful for the District to dismiss any employee for reasons of race, color, religion, gender, national origin, age, disability, military status, genetic information, any other basis protected by law, or in retaliation for the exercise of certain protected legal rights. Non-contract employees who are dismissed have the right to grieve the termination. The dismissed employee must follow the District process outlined in District Policy DGBA (LOCAL), which can be accessed at www.tasb.org/policy/pol/private/079907.

Exit Interviews and Procedures

Policies DC and CY

An exit interview shall be conducted, if possible, and a termination report prepared, if possible, for every employee who leaves employment with the District. Exiting employees are asked to provide the District with a forwarding address and phone number and to complete an online exit interview that provides the District with feedback on his or her employment experience. The form is located on the District website. All District keys, books, property, including intellectual property and equipment must be returned upon separation from employment.

EMPLOYEE ACKNOWLEDGMENT OF THE ALLIANCE DIRECT CONTRACTING PROGRAM

I have received information that tells me how to get health care under my employer's workers' compensation coverage. If I am hurt on the job and live in a service area described in this information, I understand that:

1. I must choose a treating doctor from the Alliance list of doctors designated as treating doctors.
2. I must go to my treating doctor for all health care for my injury. If I need a specialist, my treating doctor will refer me. If I need emergency care, I may go to any licensed medical professional within the United States.
3. Even though my treating doctor should refer me to a specialist of providers contracted with the Alliance, I understand that I need to verify that the referral doctor is a member of the Alliance provider panel.
4. The Texas Association of School Boards Risk Management Fund will pay the treating doctor and other Alliance providers for all health care related to my compensable injury.
5. I understand that my medical and/or income benefits may be disputed if I receive health care from a provider other than an Alliance provider without prior approval from the Fund.
6. Making a false or fraudulent workers' compensation claim is a crime that may result in fines and or imprisonment.
7. If I want to change doctors after my first choice, I can do so within the first 60 days of starting treatment, and I can only choose from the Alliance list of providers. A third choice requires approval from my adjuster.

Fort Bend Independent School District
DISTRICT STAFF ACCEPTABLE USE POLICY FOR ACCESSING
COMPUTERS AND ELECTRONIC COMMUNICATIONS SYSTEMS

Revised 7-26-04

Internet access is a privilege available to employees and other designated individuals of Fort Bend Independent School District (FBISD). The goal in providing this service is to promote educational excellence at FBISD by facilitating communications for resource sharing, collaborative work, and innovation. Access to Internet resources also brings the possibility of encountering material that may not be considered to be of educational value in the context of the school setting. The District has taken precautions to restrict access to controversial materials; however, on a global network it is impossible to control all materials. Although an industrious user may discover controversial information, the valuable information and interaction available on this worldwide network far outweighs the possibility that users may procure material that is not consistent with District educational goals.

The successful operation of the network relies upon the proper conduct of the users who must adhere to strict guidelines (see CQ-R). The following rules of acceptable use are provided so that users are aware of the ethical and legal responsibilities associated with the use of network resources.

Rules of Acceptable Use:

A. General Use:

- Access to the District's electronic communications system is a privilege, not a right. Noncompliance with applicable regulations may result in suspension or termination of privileges and other disciplinary action consistent with District policies.
- System users shall keep their passwords confidential. System users may not use another person's system account or E-mail account without written permission.
- Attempts to log in to any computer network beyond the user's authorized level of access may result in immediate cancellation of user privileges or other disciplinary action.
- Staff may not allow students to access the network through a staff account.
- Any infraction or suspicion of an infraction of the Student Acceptable Use Policy, by a student, shall be reported to the building principal or the campus level coordinator.
- The District, in its sole discretion, has the right to determine who is, or is not given access to the FBISD electronic communications systems.

B. Internet/Electronic Communications Use:

- Access to the District's electronic communications system, including the Internet, shall be made available to employees exclusively for instructional and administrative purposes and in accordance with administrative regulations.
- Use of the FBISD electronic communications systems shall not be considered confidential and is monitored 24 hours a day. There is no expectation of privacy. All Internet activity is recorded.
- Use for commercial activities or political lobbying is prohibited.
- Users are expected to abide by the generally accepted rules of network etiquette (netiquette). These include (but are not limited to) the following:
 1. Be polite; messages typed in capital letters are the computer equivalent of shouting and are considered rude.
 2. Use appropriate language; swearing, vulgarity, ethnic or racial slurs, and any other inflammatory language is prohibited.
- Revealing personal addresses or phone numbers of others is prohibited.
- Using the network in such a way that would disrupt the use of the network by other users (such as, but not limited to, chain letters, animated emails, or accessing real audio for extended periods of time) is prohibited.

C. Computer Ethics:

- Access, copying, or transmission of any material in violation of any U.S. or state regulation is prohibited. This includes, but is not limited to: copyrighted material, threatening or obscene material, pornography, or material protected by trade secret.
- Vandalism – Any malicious attempt to harm, modify, or destroy District equipment or materials, data of another user of the District's system, or any of the agencies or other networks that are connected to the Internet is prohibited. Deliberate attempts to degrade or disrupt system performance may be viewed as violations of District Policy and administrative procedures and, possibly as criminal activity under applicable state and federal laws. This includes, but is not limited to, the uploading or creating of computer viruses. Vandalism as defined above will

result in the cancellation of system use privileges and will require restitution for costs associated with system restoration, hardware, or software costs.

D. Restrictions:

- Campus faculty members may not move computer equipment or peripheral devices such as printers, or make modifications to computer hardware or configurations. Request for moving equipment or making modifications should be submitted in a service request to District's Help Desk.
- Installation of software, both new and revised should be submitted in a service request to District's Help Desk.
- All Web pages created for the FBISD Web site must comply with the Fort Bend ISD Internet and Web Standards, and must be approved and posted by the designated campus Web Master.

Consequences: Violation of any of the policies described above may result in employee disciplinary action which could include:

- loss of network privileges
- reprimand, verbal and written
- termination
- financial responsibility for all costs associated with system restoration including labor, hardware or software repair/replacement, and restoring the integrity of data.
- criminal charges

Disclaimer of Liability:

The District shall not be liable for users' inappropriate use of electronic communication resources or violations of copyright restrictions, users' mistakes or negligence, or costs incurred by the user. The District shall not be responsible for ensuring the accuracy or usability of any information found on the Internet. The District does not warrant that the functions or services performed by, or that the information or software contained on, the system will meet the system users' requirements or that the system will be uninterrupted or error-free.

For additional information regarding the District's Electronic Communication and Data Management policy [CQ (local)] and procedures [CQ-R] refer to the Fort Bend ISD Board Policy Manual.
