Ed.S.: The Board of Public Education shall provide holders of the Educational Specialist Degrees with the additional remuneration which the State salary schedule provides beyond the MA+30 lane.

The above figures do include payment for Martin Luther King Holiday. (See Section O below.)

Within the salary were the following:

1. A mutual commitment and full cooperation of all certificated employees in the development of school and department improvement plans. When necessary, at the discretion of the principal, teachers will devote time beyond the normal school day to accomplish these objectives.
2. A commitment of all certificated employees to staff development activities. (1995)

The Board of Education agrees to increase the Teacher Salary Schedule, the Administrative and Supervisory Salary Scale and the summer school rate of pay by 3%, inclusive of any state raise but exclusive of any state one-time bonus, pending available funding and sufficient resources. (2005)
