1. The Board shall make available to the Union any and all public information, statistics, and records concerning the school district, which the Union may deem to be relevant to negotiations or necessary for the proper enforcement of this Agreement. The word "public", as used in this section, shall refer to any documents, reports, statistics, studies, and other such information in the form in which they are regularly kept. Materials prepared in multiple form for distribution to the public and/or media shall be provided to the Union at no cost. If additional information is requested by the Union and said material does not exist in multiple form, the Union shall pay for the actual cost of duplication of such material, not to exceed fifteen (15) cents per sheet.
2. Teachers serving on committees, councils, or other advisory groups shall be selected by the Superintendent from a list of recommended representatives elected by a majority vote of the teachers in each school, department, and/or grade level, whichever is applicable. No subject which is properly a matter of negotiations shall be considered by any teacher committee not authorized by this Agreement.
3. The principal of the school shall meet at mutually agreed times during the school year with the representatives of the Union, at the request of the Union, to discuss questions and problems as well as matters relating to the implementation of this Agreement. Such meeting shall not be construed to replace the grievance procedure for any matter normally the subject of a grievance.
4. The Union shall appear on the Board agenda at all Board meetings as a regular agenda item. Further, the Union representative shall be recognized upon request to speak on issues before the Board in the same manner as any other individual. A copy of the agenda and all supporting data will be provided to the Union by the Secretary of the Board. Said materials shall be sent to the Union office at the same time they are sent to the Board members.
5. Duly authorized representatives of the Union may visit schools to investigate employee complaints and/or communicate with teachers. Upon arrival at the school, Union representatives shall make their presence known to the school principal or his/her designee. If the principal does not approve the representatives' visit at that particular time, he/she will explain the reason to the representatives. Such visits shall not be carried out during pupil contact time of the involved teacher(s).
6. Whenever teachers are scheduled by the Board or its agents to participate during working hours in conferences, meetings, or in negotiations respecting the Collective Bargaining Agreement, they shall be granted the necessary time and shall suffer no loss in pay.
7. Each year upon reaching a tentative Agreement in negotiations and prior to ratification, a district meeting shall be conducted by USEP for Union representatives during the school day for the purpose of explanation of the tentative Agreement and contract ratification procedures. Each school shall be allowed to send up to two (2) representatives selected by the USEP president. The representatives attending the district meeting shall be granted one-half (1/2) day leave and shall suffer no loss in pay. The cost of substitutes shall be paid for by the Board.
8. A roster of all teachers assigned to a school or schools shall be provided to the Union representative of said school by September 10, and revised rosters shall be provided when issued. Each teacher in the bargaining unit will receive a directory of all instructional personnel by November 15 of each school year. This directory shall be listed alphabetically for all affected personnel as well as school-by-school. Copies of this directory shall not be distributed to any outside parties for commercial or solicitation purposes, except as required by law.
9. Following ratification and printing, copies of all Agreements and addenda thereto between the parties shall be distributed to the worksites by the Union and the Board. The Union will distribute a copy to each employee covered by this Agreement at each worksite. The Union will make every effort to distribute this Agreement to teachers hired after each year's initial distribution within twenty (20) working days of the date the newly-hired teacher is approved by the Board. The Board and Union will mutually arrange for the printing of the Agreement. The Board shall contribute one-half (1/2) the cost of printing the Agreement. The parties shall agree to the specified number, size, format, and cost of copies.

Further, the Board agrees that additional days may be granted if the Union reimburses the district for the full costs of the required substitute(s). However, if said days used by the Union representatives are planning or staff development days, the Union will not be charged for substitute(s) for such days.
12. Professional leave shall be granted for teachers to attend statewide conferences, conventions, and/or related activities held on the statewide conference day in October and to attend Board-approved, USEP-sponsored staff development on district-wide staff development days with prior approval of the principal. Teachers will not be released on district-wide staff development days to attend USEP-sponsored staff development when it conflicts with a required staff development activity scheduled by the principal. Up to twenty-three (23) teachers shall be granted Union leave to attend the Florida Education Association (FEA) Convention or the FEA Leadership Conference. The Board shall pay the cost of the required substitutes for such teachers. Such Union leave shall be in addition to the leave days authorized under paragraph 11 of this section.

SECTION B - Payroll Deduction

1. Upon authorization by any teacher, the Board agrees to deduct at no cost to the teacher the amount of dues certified by the Union as the amount required of all members and remit the amount so deducted to the Union. The Board will be authorized to make said deduction upon receiving the signed authorization form attached as Appendix A of this Agreement.
 - a) All funds collected by the Board as a result of dues deductions shall be remitted by the Board to the Union within ten (10) days of the deduction.
 - b) Dues deductions shall be continuous from year to year so long as the employee organization remains the certified bargaining agent for the unit.
 - c) Authorizations are revocable by the employees with thirty (30) days notice to both the Board and the Union.
2. The Board shall supply to the Union a list of those teachers from whom said payroll deductions have been made after each pay period.
3. The Union shall indemnify and save the Board harmless from any and all claims, demands, suits, and causes of action of any kind whatsoever arising from Board actions to comply with the provisions of this section.

SECTION C - Use of Facilities

1. The Union may use school building facilities for meetings upon prior approval of the school principal. Approval will be withheld only for good and sufficient reason, which shall be stated to the person making the request. In each school, for a maximum of five (5) times per year, a meeting called by the Union for that school's teachers may be scheduled during fifteen (15) minutes of the teacher workday provided that such a schedule does not interfere with student contact time. Further, two (2) additional meetings not to exceed two (2) hours each may be held during the school day for the purpose of contract explanation and/or ratification.
2. The Union shall have the right to conduct regularly scheduled Building Representative Council meetings in school building facilities.
3. The Union may use school building facilities for countywide or area meetings, upon prior approval of the school principal. Approval will be withheld only for good and sufficient reason, which shall be stated to the person making the request. The meetings are to be conducted after the teacher's working day is completed.
4. The Union may be charged the customary fee for custodial services made necessary by use described in paragraphs 2 and 3 above.

5. The Union shall have the right to use the school mailboxes and electronic network for the purpose of communicating with teachers. The electronic network shall not be used for internal or external political activities.
6. The Union shall have the right to post notices of activities and matters of Union concern on bulletin boards specifically assigned exclusively for use by the Union. Said bulletin boards shall not be less than 12 square feet in size, at least one (1) of which shall be provided in each school. Further, said bulletin boards shall be in a readily visible area.
7. The Union shall receive written notice on or before August 1 of any district orientation meeting for incoming teachers. Further, the Union shall be given a place on the agenda of any district orientation program for incoming teachers. Should a school have an orientation meeting for new teachers, the school Union representative upon request shall be given a place on the agenda of one (1) meeting selected by the principal.

The Board will provide the Union with a list of newly hired teachers within seven (7) days of the teachers' appointments by the Board.

END OF ARTICLE III

ARTICLE IV - FAIR PRACTICES

SECTION A

1. The Board hereby agrees that every teacher shall have the right freely to organize, join, and support the Union including, but not limited to, the displaying of union materials, buttons, pins, apparel, etc. Any such items will be consistent with school and/or district attire and rules. The Board and the Union agree that they will not directly or indirectly discourage, deprive, or coerce any teacher in the enjoyment of any rights conferred by this Agreement.
2. Further, the Board and the Union, including their agents, mutually agree not to discriminate against any teacher in regard to any of the rights, guarantees, or privileges afforded teachers under the terms of this Agreement.

SECTION B

Nothing contained herein shall be construed to deny or restrict rights to any teacher he/she may have under the Florida School Laws or other applicable laws and regulations.

END OF ARTICLE IV

ARTICLE V - SENIORITY

SECTION A

1. Seniority shall be the length of continuous service of a teacher in the school system. Continuous service shall be determined in reference to unbroken service in the district with each year in which a teacher has been under contract for at least one (1) day more than one-half (1/2) the normal contract length for the position counted as one (1) year of service with the following exception: If a teacher takes ten (10) or more successive days of unpaid leave, these days shall be deducted from the contract length, and if this deduction reduces the contract length to less than one (1) day more than one-half (1/2) the normal contract length for the position, the year shall not be counted.
2. If it becomes necessary to establish precedence among teachers with the same seniority, the beginning date of employment shall be used. Leave duly authorized and granted in accordance with provisions of this Agreement shall not constitute a break in service.

SECTION B

The Board shall provide to the Union an alphabetical list of the names of all teachers employed in the district. Said list shall also contain total number of years of continuous service in the district as determined by the District School Board of Pasco County. This list shall be made available by October 1 of each school year. Further, the Board agrees to provide the Union monthly with a list of all teachers employed after the original list was submitted to the Union. Teacher seniority lists will be posted in each school when notification is given that an involuntary transfer from that school is planned. The cost of this service to the Union shall be \$60 per year.

END OF ARTICLE V

5. The Union shall have the right to be present at all meetings after Step One regarding a grievance regardless of the party filing the grievance.
6. Failure to communicate the decision of a grievance at any step of this procedure within the specified time limit shall permit the Union to submit an appeal at the next step of this procedure. However, time limits, as specified, may be extended at any time by mutual agreement in writing.
7. In the event that a grievance is filed at such time that it cannot be processed through all of the steps in the grievance procedure by the end of the school year, the time limits set forth herein shall be reduced to the extent possible so that Steps One to Three of the procedure may be completed prior to the end of the school year.
8. No reprisal of any kind shall be taken by or against any participant in the grievance procedure by reason of such participation. No entry of any kind concerning a teacher's participation in a grievance shall be entered into his/her personnel file.
9. All parties agree that these proceedings shall be kept as confidential as may be appropriate at each level of the procedure.
10. Whenever meetings for resolving grievances are scheduled during the school day, the Union representative and/or grievant will be allotted released time without loss of pay, and a substitute shall be provided by the Board.
11. No member of the bargaining unit shall be represented by another employee organization.

SECTION C - Procedure

Step One: Any teacher who feels that he/she may have a grievance may first discuss the grievance with the principal, either directly or accompanied by the Union representative, with the object of solving the matter informally.

Step Two: In the event that the matter is not resolved informally, the formal grievance stated in writing may be submitted to the immediate supervisor at the level of filing, the Union, and the Superintendent, with one copy for the grievant. A formal grievance shall be filed as soon as possible after the action giving rise to the grievance but no later than twenty (20) days after the grievant knew or could reasonably have been expected to know of the occurrence giving rise to the grievance.

- a. Within five (5) days after the receipt of the formal grievance, the principal shall hold a formal hearing on the grievance.
- b. The grievant and the Union representative shall be given at least one (1) day's written notice of the hearing.
- c. Within five (5) days after the hearing, the principal shall communicate his/her decision in writing together with supporting reasons.

- a) Within ten (10) days after the receipt of the appeal, the Superintendent shall hold a hearing on the grievance.
- b) The grievant, the Union representative, and the principal shall be given at least two (2) days written notice of the hearing. Said notice shall contain the time and place of such hearing.
- c) The grievant shall be present at the hearing unless there is mutual agreement that no facts are in dispute and that the sole question before the Superintendent is one of interpretation of a provision of the Agreement between the parties thereof or of what is established policy or practice.
- d) Within five (5) days after the hearing on the appeal, the Superintendent shall communicate his/her decision in writing together with supporting reasons. The Superintendent shall furnish one (1) copy to each grievant, one (1) copy to the Union representative and one (1) copy to the Union president.

Step Four: If the grievance is not resolved satisfactorily, the Union may appeal the grievance within five (5) days to the Board. If this step is waived, the grievance may be appealed directly to Step Five upon mutual agreement of the Board and the Union if no satisfactory resolution has been reached at Step Three.

- a) Within fifteen (15) days after receipt of the appeal, the Board shall hold a hearing.
- b) The grievant, the Union representative or representatives, the principal, the Superintendent, and the president of the Union shall be given written notice at least two (2) days prior to the hearing.

- b) The decision and award of the arbitrator shall be in writing and shall set forth opinions and conclusions on the issues submitted to him/her at the time of the hearing.

The Board will provide to the Union a copy of the confirmation of notification signed by teachers filling non-continuous positions.

If during a meeting as described above, the teacher believes that the discussion could lead to disciplinary action, the teacher may ask that the meeting be delayed or rescheduled until Union representation can be provided. This section shall not be interpreted to apply to conferences relating to observation or evaluation of instruction.
6. The district supports the concept of "progressive discipline" and encourages its application when appropriate.
7. A teacher will be advised immediately if the Board has initiated or is cooperating with the Education Practices Commission in an investigation of said teacher.

SECTION D - Promotional Vacancies

The principal must pre-approve the activity and the request for compensation. The manner for which time will be made available to the teacher will be mutually agreed to by the principal and teacher(s) involved.
22. When possible, teachers will be provided a minimum of three (3) days notice to submit student assessment reports.
23. Teacher participation on teams and departments is a necessary and important function, and committee participation gives teachers opportunities to provide input and participate in school-based decisions relative to school activities. SECTION T - Parent-Teacher Conferences

1. Except in the event of unusual circumstances, parent-teacher conferences shall be arranged by the principal or his/her designee in accordance with the following guidelines:
 - a) Consultation with the teacher(s) involved and the establishment of time and date of said conference with all parties involved. Normally, such consultation will take place at least two (2) days prior to the conference.

SECTION U - Student Discipline

1. A Discipline Committee shall exist at each school site. The committee will be the vehicle for all staff to offer constructive recommendations to enhance school-wide behavior. Teachers will be encouraged to participate

as members of the committee. The membership of the committee should be representative of the school-wide community. At a faculty meeting, the principal shall ask for teacher volunteers for the committee. The chairperson of the committee shall be elected by the members of the committee. A survey of the faculty will be conducted by the Discipline Committee of each school during the school year for the purpose of identifying issues and actions that will enhance school-wide behavior. Furthermore, the committee shall develop a school-wide plan to enhance student behavior, which shall be in compliance with the Code of Student Conduct.

The plan shall be presented to the principal for approval and to the faculty for a vote. Prior to the vote, a teacher, upon his/her request, will be provided a copy of the plan. The committee shall meet periodically during the school year to review the plan and to consider adjustments for improving the plan. The committee is encouraged to facilitate the sharing among faculty members of effective interventions/preventions and to develop a program to manage students more effectively.

2. While on duty, a teacher has a general responsibility for student control and a major responsibility for controlling those students under his/her direct supervision. The Board recognizes its responsibility to give full support and assistance to teachers in maintaining the appropriate discipline necessary to insure that effective teaching and learning takes place in an orderly and disciplined classroom without the distraction caused by disobedient, disrespectful, violent, abusive, uncontrollable, and disruptive students. Teachers and administrators need to work together mutually supporting each other in a manner to maintain proper student behavior and to promote a safe educational environment.
3. Teachers have the responsibility and authority to establish and maintain classroom order within the frameworks of Board and school policies. Should it become necessary for a teacher to use reasonable force to maintain classroom/school order, the teacher shall follow the guidelines as provided in the Code of Student Conduct.
4. If, in the opinion of the teacher, and within the guidelines of the school's plan and the Code of Student Conduct, a student is disrupting regular classroom activities, the teacher may report the action to the principal. The teacher may also submit a recommended course of action consistent with the Code of Student Conduct for the principal's consideration. The teacher's recommendation shall be in writing and be within the guidelines of the school's plan and the Code of Student Conduct. The principal shall employ the teacher's recommended consequence or a more serious disciplinary action; or the principal may determine that a lesser disciplinary action is appropriate. If the principal determines that a lesser disciplinary action is appropriate, the principal should consult with the teacher prior to taking disciplinary action.

Any teacher shall have the right to send a student to the office whenever the student is involved in a serious disturbance in the classroom. The teacher will notify the office immediately when this action is taken. Such notification shall include a personal verbal and/or written explanation of the disturbance. Students removed from class for a Level 3 offense as described by the Code of Student Conduct shall not be returned for the remainder of that class period or a minimum of thirty (30) minutes for schools which do not have set time periods for classes. Should this not be possible, the principal shall consult with the teacher prior to returning the student to class.

5. Student disciplinary infractions shall be reported on the appropriate referral form approved for the school. The school administration shall make such forms readily available. At the discretion of the teacher, he/she may retain a copy of the form. Upon referral by the teacher, serious disturbance behavioral problems are the principal's responsibility for appropriate disciplinary action. Final action shall be taken within five (5) days unless there are extenuating circumstances. A copy of the discipline form with principal's action noted shall be returned to the teacher as soon as possible, but not more than five (5) days from the date of the referral.
6. A teacher may request that a disobedient, disrespectful, violent, abusive, uncontrollable, or disruptive student be removed from his/her class for the remainder of the school year under any of the following circumstances:
 - a) who has been documented by the teacher to repeatedly interfere with the teacher's ability to communicate effectively with the students in the class or with the ability of the student's classmates to learn;
 - b) whose behavior the teacher determines is so disobedient, disrespectful, violent, abusive, uncontrollable, or disruptive that it seriously interferes with the teacher's ability to communicate effectively with the students in the class or with the ability of the student's classmates to learn; or
 - c) who has threatened personal harm or property damage against the teacher or the teacher's family.

Upon such request the principal may not return the student to that teacher's class without the teacher's consent unless the committee established herein determines that such placement is the best or only alternative. The teacher and the Placement Review Committee must render decisions within five (5) days of the removal of the student from the classroom. Placement options, however, are limited by program eligibility requirements, School Board policies, and state and federal laws. If the Placement Review Committee's decision is contrary to the decision of the teacher to withhold consent to the return of the removed student to the teacher's class, the teacher may appeal the committee's decision to the Superintendent. The request to appeal to the Superintendent must be in writing and filed within three (3) work days of notification to the teacher of the committee's decision.

7. At the beginning of the school year, each principal shall notify each teacher in the school about the availability, the procedures, and the criteria for the Placement Review Committee. At the beginning of the school year, each school shall establish a Placement Review Committee to determine placement of a student when a teacher withholds consent to the return of a student to the teacher's class. Before selecting members to the committee, the principal and faculty will determine the size of the committee. The ratio of the number of members selected by the teachers and the number selected by the principal shall be approximately 2:1, if the number of volunteers and/or nominees exceeds the approximate two-thirds (2/3) number designated to be selected by teachers, an election will be held to determine which teachers fill the positions. The chairperson of the Placement Review Committee shall be elected by the members of the committee. The chairperson shall serve as a member of the school's discipline committee. A convened Placement Review Committee must include at least two (2) teachers, one (1) selected by the faculty and one (1) selected by the teacher who has removed the student, and one (1) member of the school's staff who is selected by the principal. The teacher selected by the teacher who has removed the student may or may not be a current member of the school's committee.

The dates and topics of such training shall be provided to the Union and posted at each school on the bulletin board and/or faculty calendar.
9. Should Florida Statute 1003.32(2) modify any requirements set forth in 6, 7, and/or 8 above, then such contract language shall be modified according to the statutes.
10. Students who are referred to the administration by a teacher because of possible learning disabilities or emotional, behavioral, or other related problems shall be dealt with as quickly as possible.
11. Within the first two (2) weeks of school each year, the school administration will provide each teacher with a copy and explanation of the Code of Student Conduct. The administration will provide access to Florida Statutes 1006.09, 1003.32, and 1006.11. Teachers will have all rights and responsibilities regarding student discipline as specified in the Code of Student Conduct and including that which is required under Florida Statutes. The Board, Superintendent, and principal shall fully support teachers in their efforts to follow and enforce the Student Code of Conduct.
12. The Board recognizes that teacher safety is a priority. Reasonable efforts shall be taken by the Board to ensure this safety. Any case of battery upon or an assault against a teacher in the performance of his/her duties shall be reported promptly to the principal or immediate supervisor. In such case, the legal assistance specified in Article IX, Section C(1), shall be provided if necessary, and the teacher maintains the right to report such action to legal authorities. Violence against school personnel by students will be enforced as specified in the Code of Student Conduct. Teachers who are involved in such cases shall not lose regular salary for any time lost from their duties when their presence is required before a judicial body. In case of disability, the Board agrees to continue the teacher's contractual salary until said employee is eligible for Workers' Compensation benefits. The Board agrees to follow the provisions of Florida Statute 1012.63 in regard to illness-in-line-of-duty leave.
13. The Union president or his/her designee will serve as a member of the District Student Code of Conduct Committee and will be responsible for recommending to the Chairperson the instructional bargaining unit members to serve on the committee.
14. The Union president or his/her designee will serve as a member of the Superintendent's Task Force on Discipline.

- c) Teachers on sabbatical leave will be paid 55 percent of the salary which would have been drawn during the time of the leave. Seniority shall be taken into consideration when granting sabbatical leave; however, a teacher making application for his/her first sabbatical leave shall be given preference over one who has previously been granted sabbatical leave. In the event that more than one applicant meets the criteria explained above, the Union and the Superintendent shall mutually select the teacher to receive the sabbatical.
- d) Sabbatical leave may be allowed if satisfactory arrangements can be made for smooth operation of the school system.
- e) Any teacher granted a sabbatical leave with remuneration shall file with the Superintendent a schedule of courses to be taken and shall complete all such courses and receive passing grades therein or shall reimburse the Board for the full amount of the remuneration paid to him/her for the period of the leave plus eight percent (8%) interest. Changes in said schedule of courses may be made upon mutual consent of the Superintendent and the teacher.
- f) Any teacher granted sabbatical leave with remuneration is required to serve at least three (3) years in the county after termination of the leave. In the event such teacher should accept other employment instead of servicing Pasco for the full three (3) years as specified above, he/she would have to reimburse the Board as follows:
 - 1) Zero (0) years of return service - the full amount of the sabbatical.
 - 2) One (1) year of return service - two-thirds (2/3) of the amount of the sabbatical.
 - 3) Two (2) years of return service - one-third (1/3) of the amount of the sabbatical.

All monies owed would be due within two (2) years of the date of the termination. Eight percent (8%) interest would be charged on the unpaid balance on the yearly anniversary of the termination date.
- g) Application for the sabbatical leave shall be filed with the Director of Employee Relations by April 1.

7. Sick Leave Bank

Beginning with the 1979-80 school year, a Sick Leave Bank shall be established for the purpose of providing sick leave with pay during periods of personal illness, or injury not otherwise compensated by the Board or Worker's Compensation. Applications for membership and/or use of the Bank may be obtained from the bargaining unit member's primary worksite.
- b) Participating members shall contribute one (1) additional day each time the Bank is depleted but not more than once per year. The Bank shall be considered depleted when there are fewer than 200 sick days.
 - 1) If a member elects to withdraw from membership, he/she shall be removed from membership and may reapply during the next official enrollment period. Upon reapplying, initial membership requirements must again be met.
 - 2) If a member does not have one Sick Leave day to contribute, his/her membership shall be suspended until he/she has earned one Sick Leave day to contribute.
- c) The Bank shall be directed by an administrative committee and chaired by the Assistant Superintendent for Administration or his/her designee. This committee shall:

- 1) Process all applications and approve/disapprove withdrawal of days based upon illness, or injury, subject to the criteria established by this committee.
- 2) Define “catastrophic” and may develop other definitions, guidelines and rules for the purpose of administering the Bank.
- 3) Investigate any alleged abuse of the Sick Leave Bank, and upon a finding of wrongdoing, report such to the Superintendent. If such wrongdoing is substantiated, the employee shall reimburse the district all wages and benefits paid to the employee.
- 4) Be governed by rules established by the committee.

The composition of this committee shall be as follows:

- 1) The Assistant Superintendent for Administration or his/her designee.
 - 2) The Supervisor of Student Services responsible for school nurses.

- d) Participating members will be eligible to withdraw up to 100 days per twelve (12) month period from the Bank, in amounts approved by the committee. The twelve (12) month period will start on the first date that a member receives a day from the Sick Leave Bank. The awarding of days is subject to the following conditions:
- 1) The need must arise from the member’s own personal illness or injury. If the personal illness or injury is catastrophic, a member may receive up to 100 days. If the personal illness or injury is less than catastrophic, a member may receive up to 50 days. In no event may a member receive more than 100 days within a twelve (12) month period from the Bank.
 - 2) The member has exhausted all accumulated sick leave.
 - 3) The member has been absent in either a paid or nonpaid leave status for at least ten (10) consecutive days or for ten (10) non-consecutive days occurring within a ninety (90) day period that are related to the same illness or injury as substantiated by proper medical documentation. No member shall receive reimbursement from the Sick Leave Bank for any unpaid days that fall within the ten (10) day eligibility period.
 - 4) The member has submitted an application and the statement completed by a licensed physician and/or a licensed mental health professional describing the illness or injury to the Chairperson of the Sick Leave Bank Committee, who will process the request and report his/her findings to the Sick Leave Bank Committee.
 - 5) In the event a member has a preexisting condition on the date of enrollment, there shall be a ninety (90) day waiting period before eligibility based upon disability due to that particular illness.
 - 6) Any days granted from the Sick Leave Bank will be counted toward the teacher’s annual twelve-week entitlement under the provisions of Article VIII, Section C-7,a), Family and Medical Leave.
- e) The Union shall be provided with a monthly report consisting of:
- 1) The number of participating members.
 - 2) The names of applicants requesting Sick Leave Bank days.
 - 3) The number of days expended and remaining in the Bank.

In an effort to advance the teaching profession and improve student learning, the United School Employees of Pasco and the District School Board of Pasco County agree to support and encourage Pasco teachers seeking high and rigorous standards through participation in the National Board of Professional Teaching Standards (NBPTS) certification program.

SECTION C - Unpaid Leaves

1. Child Rearing Leave

- a) A leave of absence without pay for a period of up to one (1) year shall be granted for child rearing. Said leave shall be granted in connection with childbirth, adoption, or death of the other parent.
- b) Requests for such leave shall be made in writing to the office of the Superintendent, when possible, at least thirty (30) days prior to the commencement of the leave.

2. Military Leave

All teachers drafted for military service or called to active duty with reserve components shall be granted a leave of absence without pay except as provided in Section 115.07, Florida Statutes. A copy of the military orders shall be attached to the leave form. Effective July 1, 1987, the "annual period" referred to in Section 115.07, Florida Statutes, shall be from July 1 through June 30.

3. Advanced Study and Education Service Leave

Upon request, the Board may grant a teacher leave of absence without pay for advanced study or educational experience for a period not to exceed one (1) year when such study or experience is directly related to the teacher's subject field. Such leave may include requests for acquiring experience in and knowledge of a teacher's field of study as an employee in industrial or private employment if the employer certifies to the district that the experience is in the teacher's instructional field. Normally this leave will be granted only after two (2) or more continuous years of service in the district.

4. Civic Participation Leave

- a) Upon request, a teacher shall be granted civic participation leave without pay.
- b) Such leave includes, but is not limited to, the following: election or appointment to a constitutional office in a federal, state, county, or municipal government or subdivision thereof.
- c) The teacher shall notify the Board in writing of his/her intention of accepting such office or assignment and shall keep the Board informed of his/her status at annual intervals thereafter. Such leave shall be renewed yearly, upon application, for a period equal to the term of office to which said teacher has been elected or appointed.

5. Health Leave

Upon request, a teacher shall be granted a leave of absence without pay for up to one (1) year for reasons of poor health as certified by a licensed medical physician. With the exception of FMLA leave, such leave shall not be granted more than once in any five (5) year period; however, subsequent leave may be approved by the Superintendent or his/her designee upon the employee documenting extenuating circumstances.

6. Extended Personal Leave

- a) Upon request, a teacher with two (2) or more continuous years of service in the district shall be granted a leave of absence for up to one (1) year without pay for other reasons than those stated in C-1, C-2, C-3, C-4, or C-5, provided that the primary purpose shall not be to engage in gainful employment.
- b) The reason for such request shall be stated in the application for leave.

7. Family and Medical Leave Act (FMLA)

- a. The Board will grant an eligible employee (as defined in Part c of this section) up to a total of twelve weeks of leave in a twelve-month period for one or more of the following reasons:
 - 1) the birth of a child of the employee and care following the child's birth,

- 2) the adoption of a child by the employee including the events and process leading to the adoption, and care following the adoption,
- 3) the placement and/or care of the child in the foster care of the employee,
- 4) the care of a child, spouse, or parent of the employee who has a serious health condition (as defined in Part A(5): When an employee takes FMLA leave for the care of a child, spouse, or parent of the employee which results in the death of such child, spouse, or parent of the employee, the Board will provide unpaid leave and benefits for a maximum of five calendar days from the date of the death of such child, spouse, or parent of the employee. For the purposes of this paragraph: (a) the term "spouse" means a husband or wife as defined or recognized under State law for purposes of marriage; (b) the term "parent" means a biological parent or an individual who stands or stood in loco parentis to an employee when the employee was a child -- this term does not include parents "in law"; (c) the terms "son" or "daughter" mean a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis, who is either under age 18, or age 18 or older and incapable of self-care because of a mental or physical disability.
- 5) the treatment of a serious health condition which prevents the employee from performing his/her job. A "serious health condition" means an illness, injury, impairment or physical or mental condition that involves:
 - a. any period of incapacity or treatment in connection with or consequent to in-patient care (i.e., an overnight stay in a hospital, hospice or residential medical care facility);
 - b. any period of incapacity requiring absence from work, school, or other regular daily activities, of more than three calendar days, that also involves continuing treatment by (or under the supervision of) a healthcare provider; or
 - c. continuing treatment by (or under the supervision of) a healthcare provider for a chronic or long-term health condition that is incurable or so serious that, if not treated, would likely result in a period of incapacity of more than three calendar days; or for prenatal care.

Voluntary or cosmetic treatments which are not medically necessary are not "serious health conditions" unless inpatient hospital care is required.
- b) The twelve-month period for entitlement under this section will be measured from July 1 through June 30.
- c) In order to be eligible, the employee must have been employed by the Board for at least one year, and the employee must actually have received pay for 1,250 or more hours from the Board during the twelve-month period immediately preceding the unpaid leave. Holidays, earned sick leave, and vacation time for which the employee has been paid but has not worked shall be included in the calculation above. Sick Leave Bank, Workers' Compensation, suspension with pay, and sabbatical leave time will not be counted.
- d) Leave, except for certain exceptions described in Part (e) for instructional employees, commences upon the absence of the employee from work and ends on the day and time the employee reports back to work.
- e) Instructional employees are subject to additional rules and procedures with regard to leave periods associated with Family and Medical Leave. For the purposes of Family and Medical Leave, "instructional employees" are defined as those employees who are included in the instructional bargaining unit and whose principal function is to teach and instruct students in a class, a small group, or an individual setting.

If an eligible instructional employee requests intermittent or reduced leave which is based upon planned medical treatment and this leave would be for more than 20% of the total number of working days over the period the leave would extend, the Board may require the employee to choose either to:

- 1) take leave for periods of a particular duration, not greater than the duration of the planned treatment; or
- 2) transfer temporarily to an available alternative position for which the employee is qualified, which has equivalent pay and benefits and which better accommodates recurring periods of leave than the employee's regular position.

Intermittent or reduced leave under this provision will begin no sooner than the first day where leave is granted and end no later than the last day where leave is granted and will include all dates granted between the beginning and ending dates.

If an instructional employee takes leave near the end of a semester, the Board may require the employee to stay out on leave until the end of the semester according to the following guidelines:

- 1) **Leave beginning more than five weeks before the end of the semester.** The Board may require the instructional employee to continue taking leave until the end of the semester if:
 - a) the leave will last at least three weeks, and
 - b) the employee would return to work during the three week period before the end of the semester.
- 2) **Leave beginning less than five weeks before the end of the semester.** If an employee begins leave for a purpose other than the employee's own serious health condition during the five week period before the end of the semester, the Board may require the instructional employee to continue taking leave until the end of the semester if:
 - a. the leave will last more than two weeks, and
 - b. the employee will return to work during the two-week period before the end of the semester.
- 3) **Leave beginning with less than three weeks before the end of the semester.** If an employee begins leave for a purpose other than the employee's own serious health condition during the three week period before the end of the semester, and the leave will last more than five working days, the Board may require the employee to continue taking leave until the end of the semester.

All leave taken under Part (e) will count against the employee's twelve-week entitlement. If the instructional employee's twelve weeks of leave entitlement under the FMLA run out before the leave period is completed, the Board will continue health benefits, restore the employee to his/her previous position unless the employee's position has been affected by reduction in force and/or layoff, and provide other FMLA entitlement throughout the whole period of the leave.

- f) Leave for the birth, adoption or placement of a child with an employee as described in Subparagraphs a-1, a-2, and a-3, must conclude within one year from the date of the birth, adoption or placement of the child.
- g) The leave mentioned in this section is subject to the following restrictions and privileges:
 - 1) An employee must first use all available unused earned paid sick leave before unpaid FMLA leave will be granted.
 - 2) The employee will be restored to his/her former position unless the employee's position has been affected by reduction in force and/or layoff.
 - 3) The Board shall require materials documenting the reason for the leave before granting a leave of absence under this section.
 - 4) It is the responsibility of the employee to obtain the necessary documentation and to furnish the documentation to the Board.
 - 5) The Board may request verification of a medical condition for which leave has been granted under this section at any reasonable interval, but not more often than once every thirty days, unless:
 - a. the employee requests an extension of leave;
 - b. circumstances described by the original documentation have changed significantly (i.e., the duration of the illness, the nature of the illness, complications); or
 - c. the employer receives information that casts doubt upon the continuing validity of the documentation.
 - 6) If the Board pays the employee contributions missed by the employee while on leave, the employee will be required to reimburse the Board for delinquent payments (on a payroll deduction schedule) upon return from leave. The employee will be required to sign a written statement at the beginning of the leave period authorizing the payroll deduction for delinquent payments. If an employee fails to return to work for the Board after FMLA leave, the Board shall take necessary steps to recover its share of the health benefit premium payments made on the employee's behalf during a period of unpaid FMLA leave unless the employee's position has been affected by reduction in force and/or layoff.

- 7) An employee may continue coverage by continuing to pay the employee's portion of the premiums, including dependent coverage, while on leave.
 - 8) The employee must notify the Board as soon as practicable once the employee knows that a leave will be needed. For a foreseeable leave, such as for birth, adoption or planned medical treatment, the employee must provide at least 30 days notice to the Board. In all cases, the employee must furnish a request to the Board on a form provided by the Board.
 - 9) Prior to the employee's return to work from an employee disability, the employee shall submit medical certification of the employee's fitness to return to work.
 - 10) The Board retains the right to implement reasonable rules and regulations with regard to the use of leaves of absence within the requirements of the FMLA. This includes but is not limited to requiring a second opinion, at the Board's discretion, from a Board-paid doctor with regard to a medical disability, and the use of forms for requests for leave, physician documentation and fitness to return to work.
 - 11) In the event that the Board exercises its right to a second medical opinion and the opinion conflicts with the first doctor's opinion in the medical certification, then a third opinion may be required by a Board-paid physician mutually agreed upon by the Board and employee. This third opinion will be final and binding upon the Board and the employee.
- h) Intermittent Leave or Reduced Leave -- An eligible employee who is entitled to a twelve-week leave under the provisions of this section may take that leave on an intermittent or reduced leave schedule in certain cases. An intermittent leave schedule is one in which the employee may take the allowable leave intermittently, or in blocks of days at a time, as needed. A reduced leave schedule is one in which the employee's daily or weekly hours are reduced, as needed. Leave will be granted intermittently or on a reduced leave basis in the case of the serious health condition of the employee or of the child, spouse or parent of the employee, provided that it is medically necessary and that a certification from a physician is obtained. The amount of Family and Medical Leave used where an employee takes leave intermittently or on a reduced leave schedule will be determined in accordance with the applicable regulations of the Family and Medical Leave Act of 1993, currently §825.205 of the Interim Regulations.
- i) Effect of Leave on Board-Paid Benefits -- During the period of leave governed by this section, the Board will pay the portion of the insurance premium which it normally paid prior to the leave, such as major medical, surgical, dental, vision, life, and flexible benefits.

In addition, any threat of personal injury or property damage made by a student toward a teacher shall be assessed through the district's Violence Intervention Procedures for Elementary or Secondary Schools to determine the credibility of such threat. The student shall be removed from the teacher's class until the threat assessment is concluded and the teacher is notified of the assessment results.  - d) have retired under the Florida Retirement System (FRS) Defined Benefit Plan (Pension Plan) or who retires with any vested benefit in the Defined Benefit Plan (Pension Plan).
 - e) Effective July 1, 2001, those instructional bargaining unit members who meet the above criteria will be eligible to receive the early retirement benefit in accordance with the following:
 - f) A member who is at least fifty (50) years of age but less than fifty-five (55) years of age at the time of early retirement will receive an amount equal to thirty-five percent (35%) of the unreduced FRS retirement benefit. The unreduced FRS retirement benefit is calculated using the premise of the member being sixty-two (62) years of age at the time of retirement.
 - g) A member who is at least fifty-five (55) years of age but less than sixty-two (62) years of age at the time of early retirement will receive an amount equal to one-hundred percent (100%) of the difference between the unreduced FRS benefit and the reduced FRS early retirement benefit.
 - h) At the time of early retirement, if the early retirement monthly benefit has a single sum value (present value) of less than five thousand dollars (\$5,000) as of the date the early retirement monthly benefit is first effective, then the Board will provide a one-time lump sum payment equal to the single sum value (present value) of the early retirement monthly benefit.
 - i) In lieu of the above, for any employee meeting the above eligibility criteria and who has out-of-state service, or any other qualifying service, and is eligible to purchase such service according to FRS rules and regulations, the district may purchase such service if the purchase of such service would total 30 years and entitle the employee to full retirement under FRS. It is clearly understood that the Board shall provide the monthly benefit or out-of-state service or any other qualifying service whichever is more economical for the Board.
2. This provision shall not prohibit the Board from paying additional retirement bonuses provided for in this Agreement or future bonuses agreed to by the Board and the Union.
 3. No employee shall be required by the Board to take advantage of the provisions of this article.
 4. If an employee chooses one of these aforementioned early retirement options, the Board will have no further obligation toward his/her retirement benefits.

5. A teacher who selects one of these aforementioned early retirement options is required to retire from the Florida Retirement System (FRS) and terminate his/her employment with the district. Therefore, such teacher is not eligible to participate in the Deferred Retirement Option Program (DROP) as the DROP requires a teacher to retire from the FRS yet continue to work within the district.

SECTION E - Deferred Retirement Option Program (DROP)

1. Effective July 1, 1998, employees who qualify for the Deferred Retirement Option Program (DROP) may elect to participate in that program as provided by the procedures set forth by the district and by Florida Statute 121.091. An employee's salary, benefits, terms, and conditions of employment, as specified in this Agreement will remain in full force during the employee's participation in the DROP. An employee can void his/her DROP participation at the DROP termination date, re-enroll in FRS and continue in his/her current position in the district, by making such request in writing to the Board at least thirty (30) calendar days prior to his/her original DROP termination date. An employee may resign his/her employment with the Board and terminate his/her participation in DROP prior to the original DROP termination date by submitting an amended resignation to the Board.
2. Employees who elect to enter DROP and elect to receive a lump-sum payment of accrued vacation (annual) leave earned in accordance with Board policy upon beginning participation in DROP, shall have said lump-sum payment paid into a Board-approved 401(a) Qualified Retirement Plan and/or an Employer Paid 403(b) Plan subject to annual contribution limits. Employees who receive a lump-sum payment of accrued (annual) leave upon termination of DROP and termination of employment shall have said lump-sum payment paid into a Board-approved 401(a) Qualified Retirement Plan and/or an Employer Paid 403(b) Plan subject to annual contribution limits.
3. Effective July 1, 1999, employees who enter the Deferred Retirement Option Program (DROP) and are eligible for one hundred percent (100%) of their accumulated terminal sick leave in accordance with the Meritorious Attendance Incentive Pay, Article X, Section G of the Instructional Master Contract, shall have their accumulated terminal sick leave paid into a Board-approved 401(a) Qualified Retirement Plan and/or an Employer Paid 403(b) Plan subject to annual contribution limits and according to the following.
4. The initial payment will be made on June 30th following the employee's DROP effective date. Subsequent payments shall be made each June 30th following the employee's DROP effective date anniversary.

Payment	Payment Date	Maximum Percentage of Accumulated Terminal Sick Leave Days
1	June 30	23.3%
2	June 30	25.6%
3	June 30	36.0%
4	June 30	50.8%
5 or more	June 30	86.1%
Final	Upon Separation	100.0%

5. The rate of pay used to calculate the amount to be placed in the 401(a) Qualified Retirement Plan and/or an Employer Paid 403(b) Plan shall be the employee's rate of pay upon entering DROP or the employee's rate of pay on each payment date. The employee must elect the rate of pay option upon entering DROP. The rate of pay used for the Employer Paid 403(b) Plan is the same rate of pay used in the 401 (a) Qualified Retirement Plan.
6. The 401(a) Qualified Retirement Plan and the Employer Paid 403(b) Plan allows participating employees to defer federal income tax and permanently avoid the payment of Social Security tax and Medicare tax on eligible plan contributions.
7. Employees/DROP participants do not have access to these funds until after they terminate their employment.

8. Employees of the Board who enter the Deferred Retirement Option Program (DROP) remain eligible for Sick Leave Bank participation. However, terminal sick leave days that have been paid to the Board approved 401(a) Qualified Retirement Plan and/or an Employer Paid 403(b) Plan shall be treated as if those days still remain in the employee's accumulated terminal sick leave balance when determining commencement of sick leave bank benefits, so long as the employee has met the requirements of the Sick Leave Bank appropriate to his/her bargaining unit contract.

Fund Withdrawal: Employees under fifty-five (55) years of age.

9. All participating employees who are under fifty-five (55) years of age at the time of termination and choose at the time of termination to take a cash distribution in the amount of one hundred percent (100%) of their respective balance from the Board approved 401(a) Qualified Retirement Plan and/or an Employer Paid 403(b) Plan and are assessed a ten percent (10%) withdrawal penalty, shall be reimbursed 2.35% of the withdrawal by the Board. This reimbursement is an amount equal to the difference between the ten percent (10%) withdrawal penalty and the current Social Security and Medicare combined tax contribution rate of 7.65%. If the withdrawal penalty and/or Social Security and Medicare tax rates change, the Board and Union agree to renegotiate the reimbursement rate. If a fee is charged to process the IRS 1099 form, the Board will reimburse these same employees the one-time administrative fee.
10. Upon separation of service or a June 30th payment of accumulated sick leave and maximizing the 401(a) Qualified Retirement Plan contribution, any remaining terminal pay for accrued sick leave or vacation leave, subject to Board and State limitations, will be deposited in an Employer Paid 403(b) Plan. The Employer Paid 403(b) Plan is similar to the 401(a) Qualified Retirement Plan except for contribution limits.

SECTION F - Retiree Healthcare Premium

1. Teachers who retire after January 1, 1997, the Board agrees to contribute the same amount toward the retiree's health premium each year as it does towards the regular employee's premium. This contribution will begin upon retirement and continue until the retiree is eligible to receive Medicare Benefits. This contribution is contingent upon the retiree meeting all of the following conditions:
 - a) 30 years of service under the FRS or at least 25 years of service under FRS and is at least age 50 at retirement;
 - b) at least 20 years of service in the district;
 - c) contributes his/her health insurance subsidy received from the State of Florida toward the cost of this medical premium; and,
 - d) continues to participate in a Board-sponsored health plan after his/her retirement.
2. Effective July 1, 2000, if a teacher retires as a result of full disability, funds from the insurance funds retained earnings will be used to contribute the same amount toward the retiree's health premium (medical, dental, and vision) each year as the Board does toward the premium of a regular employee. The contribution will begin upon retirement and continue until the retiree receives Medicare benefits or until twenty-four (24) months have elapsed from the date of retirement, whichever comes first.

This condition is contingent upon the retiree meeting all of the following conditions:

- a) the teacher must have completed at least ten (10) years of creditable service under the Florida Retirement System (FRS);
- b) the teacher must have completed at least ten (10) years of service in the district;
- c) the teacher must be approved for full disability retirement under FRS and have provided the district with proof of application for full disability retirement under the Social Security Administration;
- d) the teacher must contribute his/her health insurance subsidy received from the State of Florida toward the cost of the health premium; and
- e) continues to participate in a Board-sponsored health plan after his/her retirement.

- g) Payment of meritorious incentive pay shall be made no later than thirty (30) days after completion of all the following steps:
 - 1) Written statement regarding disposition of accrued sick leave.
 - 2) Last day of employment.
 - 3) Board action on termination.
- h) The Board will provide a 401(a) Qualified Retirement Plan and/or an Employer Paid 403(b) Plan that defers federal income tax and permanently avoids the payment of Social Security and Medicare tax on meritorious attendance incentive pay for those employees retiring under the Florida Retirement System (FRS) with full or reduced benefits and who meet the following:

Years of Service	Minimum Accumulated Sick Leave Balance
Ten (10) years creditable FRS service	240 hrs.

During and after the 20th year of service in the Pasco County School District	120 hrs.

Subject to annual plan contribution limits and the requirements specified above, payment to a Board-approved 401(a) Qualified Retirement Plan and/or an Employer Paid 403(b) Plan shall be credited in the name of the employee upon retirement.

Fund Withdrawal: Employees under fifty-five (55) years of age.

All participating employees who are under fifty-five (55) years of age at the time of termination and choose at the time of termination to take a cash distribution in the amount of one hundred percent (100%) of their respective balance from the Board-approved 401(a) Qualified Retirement Plan and/or an Employer Paid 403(b) Plan and are assessed a ten percent (10%) withdrawal penalty, shall be reimbursed 2.35% of the withdrawal by the Board. This reimbursement is an amount equal to the difference between the ten percent (10%) withdrawal penalty and the current Social Security and Medicare combined tax contribution rate of 7.65%. If the withdrawal penalty and/or Social Security and Medicare tax rates change, the Board and Union agree to renegotiate the reimbursement rate. If a fee is charged to process the IRS 1099 form, the Board will reimburse these same employees the one-time administrative fee.

- i) Teachers who retire under the Florida Retirement System (FRS) with full or reduced benefits as provided by law and who receive a lump-sum payment of accrued vacation leave earned in accordance with Board policy and who meet the participation requirements provided in Article X, Section G-1h) of this Agreement, shall have said lump-sum payment of accrued vacation leave paid into a Board-approved 401(a) Qualified Retirement Plan and/or an Employer Paid 403(b) Plan subject to annual contribution limit and subject to the same fund withdrawal penalty reimbursement as provided in Article X, Section G-1h) of this Agreement.

2. Plan Contributions

Upon separation of service and maximizing the 401(a) Qualified Retirement Plan contribution, any remaining terminal pay for accrued sick leave or vacation leave, subject to Board and State limitations, will be deposited in an Employer Paid 403(b) Plan. The Employer Paid 403(b) Plan is similar to the 401(a) Qualified Retirement Plan except for contribution limits.

3. Separation Incentives

If employment is terminated for any reason other than retirement or death, members of the bargaining unit shall receive one-half (1/2) the percentage of all accumulated sick leave as stipulated in the schedule in Article X, Section G, paragraphs 1a, 1b, 1c, 1d, 1e, and 1f. This language shall not apply to employees who choose to transfer their accumulated sick leave to another Florida school district.

SECTION H - Group Medical Benefits Recovery Incentive Program (Indemnity - PPO and HMO Programs)

The District School Board of Pasco County agrees to establish a Group Medical Benefits Recovery Incentive Program. This program is designed to provide a cash incentive to employees who discover and arrange for the recovery by the group medical benefits carrier/administrator of overcharges made on their own or insured dependents' medical bills which in turn result in benefit dollars saved by the employees' Group Medical Benefits Plan. This program will be in effect only when the medical benefits carrier/administrator agrees to its provisions.

1. The cash incentive paid to an insured employee who discovers an overcharge on a medical bill for that employee or his/her dependent and paid as an allowable charge by the School Board group medical benefits carrier/administrator shall be fifty percent (50%) of the amount of the over-charge that is recovered by the group medical benefits carrier/administrator as a result of direct negotiations between the employee and the provider and shall be limited to a maximum of 1,000 dollars for each overcharge. No refund shall be made to the insured employee until the group medical benefits carrier/administrator receives the actual refund from the provider of service.
2. For purposes of the cash incentive, only hospital expenses, clinical laboratory charges, physician fees, and other eligible medical expenses covered by the Group Medical Benefits Plan shall be considered in determining the amount payable to insured employees under this program.
3. The employee shall contact the Union to obtain a Request for Reimbursement form and procedures. After the overcharge has been recovered, the group medical benefits carrier/administrator shall disburse a check to the employee in the amount of the cash incentive. Cash incentives are considered income to employees for tax purposes and subject to being reported on their federal income tax return.
4. The Board shall not get involved in resolving any differences between the employee and the medical providers of service with respect to disputed charges. Insured employees shall be solely responsible for handling such disputes.

SECTION I – Employee Assistance Program (EAP)

An Employee Assistance Program (EAP) will be provided for the purpose of offering employees, upon their request, short-term counseling and/or assistance with referrals for appropriate services. The program will also promote programs for wellness, nutrition, exercise, and stress reduction.

Participation or nonparticipation in the EAP shall be voluntary and shall not be a factor in any adverse employment action by the Board. All personally identifiable information relating to an employee as a result of an employee's participation in the EAP shall be held in strictest confidence by the director and staff of the EAP and such shall not be made a part of or otherwise noted in the employee's personnel file.

An EAP Committee will be established for the purpose of evaluating the services provided which shall include, but not be limited to, the services provided, the cost and funding source, availability, accessibility, utilization, and its effectiveness toward meeting the needs of the employees. The committee shall meet periodically during the school year and by May 1 of each year shall make recommendations to the Board and USEP for the purpose of further negotiating the improvement and/or revision of the program. The EAP Committee will function as a sub-committee of the current Insurance Committee. The Board and USEP will mutually agree to appoint members to the EAP sub-committee who are not current members of the Insurance Committee. The EAP Committee shall consist of an equal number of members selected by the Board and USEP.

The USEP President maintains the right to review and approve any EAP materials and attend any meetings intended for the promotion of the EAP to bargaining unit members.

2. Performance Pay Program

Effective July 1, 1998, a Performance Pay Program will be implemented. An instructional employee demonstrating such outstanding performance in accordance with the DSBPC Pay for Performance Procedures Manual shall receive an additional five percent (5%) of his/her regular salary excluding all supplements/stipends other than those supplements that are required of the position. Newly employed teachers shall be placed on the salary schedule as follows:

- a) Effective July 1, 2001, all newly hired teachers shall be given year for year experience for each year of full-time teaching service for which a teacher held a valid teaching certificate and received a satisfactory evaluation. Other related creditable work experience for which the district counts toward placement on the salary schedule shall not exceed seven (7) years of service. When a combination of teaching experience and related-creditable work experience is to be considered, related-creditable work experience cannot be used to increase the total years beyond seven (7) years of experience.

Effective July 1, 2006, all newly hired Speech Language Pathologists holding either teacher certification or professional licensure shall be given year for year experience for each year of full-time therapy experience with school age children. Speech Language Pathologists will continue to be eligible for other related creditable work experience as provided in the above paragraph.

For all teachers employed prior to July 1, 1977, each year of teaching or creditable work experience shall be considered as experience within the district on a year-for-year basis to a maximum of ten (10) years.

Instructional personnel who earn an advanced degree will receive the appropriate increase in salary in accordance with the applicable salary schedule retroactive to the first pay period following the conferral date of the advanced degree, and an adjustment will be made in subsequent paychecks.

In order for instructional personnel to be paid an Education Specialist rate of pay, the Education Specialist degree must have been conferred and/or the employee been unconditionally admitted to candidacy for the Doctorate degree. The increase shall be effective retroactively to the first pay period following the term when the employee successfully completes his/her Education Specialist degree or the date of the employee's unconditional admission to candidacy for the Doctorate degree.

Instructional personnel who successfully complete eighteen (18) hours of credit after the conferral date of their bachelor's or master's degree will receive an increase in salary in accordance with the applicable salary schedule. This increase shall be retroactive to the first pay period following the term during which the last course which establishes eligibility is completed.

Credit hours under this agreement refer to semester hours. Quarter hours will be equated to semester hours by making a quarter hour equal to two-thirds (2/3) of a semester hour.

It is understood that it is the responsibility of the employee to initiate the above action. A representative from the Department of Human Resources will acknowledge receipt of the form and transcripts to the applying employee.

Retroactive action applies during the school year in which the form is submitted. For this purpose, a form accompanied with transcripts must be submitted to the Department of Human Resources no later than June 30. In case of extenuating circumstances, the June 30 deadline may be extended at the discretion of the Superintendent or his/her designee.

5. Full Year of Experience

Teachers who have unpaid leave reported to the leave department after May 16, 2007 will receive five (5) pay checks at the end of the school year and the sixth (6th) check will be issued on June 14, 2007. Adult education teachers on extended contracts (230 days) will receive their first paycheck on July 21, 2006, and all subsequent paychecks at two (2) week intervals thereafter. Teachers assigned to the alternative school will receive their first paycheck on August 18, 2006, and all subsequent paychecks at two (2) week intervals thereafter.

7. Termination Pay Dates

A teacher who terminates his/her employment during the school year shall receive all pay owed him/her within twenty (20) days of the termination date except that as stipulated in Article X, Section G 1g) of this Agreement

8. Daily Rate Calculation

A teacher's daily rate of pay shall be determined by the following formula: (total salary for days contracted as determined by placement on the salary schedule/total days contracted) + (required supplement/days contracted).

A required supplement is that which is attached to a regular full-time teaching position requiring an eight (8) hour workday. All other supplements are excluded from the above formula. Any other supplement which a teacher receives is excluded from the above calculation.

9. Hourly Rate Calculation

When it is necessary that a teacher be paid his/her hourly rate, such rate will be calculated using the following formula (total salary as determined by placement on Salary Schedule #55 divided by 196), divided by 7.5.10.

Marchman 1.2 Salary Rate

Instructors employed at Marchman Technical Education Center prior to July 1, 1997, will continue to receive compensation at the rate of 1.2 as long as their current teaching assignment remains the same. After July 1, 1997, teachers employed at Marchman will be compensated at the rate of 1.0.

11. Moore Mickens 1.2 Salary Rate

The instructors currently serving either the Child Care Program or the Culinary Arts Program shall be paid at the salary rate of 1.2 retroactive to August 19, 1996 and will continue at this rate as long as they remain in these specific programs. Any instructor employed after July 1, 1997 in any Secondary Job Preparatory Program at Moore Mickens Education Center will be compensated at the rate of 1.0.

ADDENDUM B

SUPPLEMENT SCHEDULE

1. Any teacher assigned to a supplemented position shall receive full supplemented pay for each supplemented position to which he/she is assigned. To provide teachers an opportunity to apply for vacant supplemented positions shown in this addendum as Department/Grade Level Chairperson/Team Coordinator, principals will post such positions at the respective school when they become available and interested teachers may submit their names. These positions normally include department heads, grade chairpersons, team coordinators, learning community leaders, team leaders, etc.
2. Supplementary pay shall be prorated over the period of time during which the activity or responsibility is scheduled to be performed unless otherwise stipulated.
3. Class and/or club sponsors will not be held responsible for clerical tasks related to sponsorship(s) with the exception of voluntary activities such as car washes and bake sales.
4. When assigning supplemented coaching positions, teachers within the bargaining unit or those newly hired teachers who will be in the bargaining unit who have the training or experience necessary to coach a specific sport shall be given priority over all other applicants for that specific sport.
5. Whenever a vacancy in a supplemented coaching position occurs, the Board shall publicize the vacancy to the Union and provide for appropriate posting in the schools. Each coaching vacancy advertisement shall specify the time of day that the applicant must be available in order to coach the sport.
6. Teacher Mentor Program

The Teacher Mentor Program will provide support services to all new teachers to the district. The program shall have "Basic Teacher Mentors" who serve all instructional staff other than ESE teachers and "ESE Teacher Mentors" who serve all ESE teachers. In addition to serving new ESE teachers to the district, the ESE Teacher Mentors shall serve the following:

- a) Teachers who are teaching ESE for the first time and who have previously taught in another program in the district;
- b) ESE teachers who are out-of-field for the first two (2) years; and,
- c) Long-Term Substitute Teachers who are assigned ESE positions.

ESE teachers, who are not new ESE teachers to the district, will be served only if the district receives sufficient grant funding to support the service. For the purpose of contract clarity, "Basic Teacher Mentor" and "ESE Teacher Mentor" will be referred to as Teacher Mentor. No Basic Teacher Mentor shall be assigned more than two (2) beginning teachers and no ESE Teacher Mentor shall be assigned more than four (4) eligible ESE teachers. The second, third, and fourth mentor teacher assignments must be by mutual agreement between the Teacher Mentor, the teacher served, and the administration.

The responsibility of the Teacher Mentor will be construed to begin on the first date of employment for the teacher being served.

Payment

Each school year the Teacher Mentor will receive the amount specified in the Academic Supplement Schedule for each teacher assigned. The Teacher Mentor Program supplement will be prorated over the time period during which the responsibility is scheduled, not to exceed more than 196 days in any one school year. In a case where a teacher being served resigns before completing the program, the Teacher Mentor supplement will be terminated effective the last day of employment for the teacher being served.

7. Vocational Student Organizations (VSOs) – High School

Job Preparatory Vocational Training will receive an annual supplement for sponsoring co-curricular organizations providing:

- a) An active VSO is established that is identified in the curriculum frameworks for the content areas (active is defined as meeting at least monthly after school hours).
- b) The VSO meets minimum requirements for membership numbers as established by the state organization.
- c) Documentation is provided for student participation in applicable district, regional, state, and/or national competitions.
- d) Documentation is provided for participation in student leadership development workshops/activities.
- e) Sponsors are expected to attend all competitions.

Middle School VSOs are encouraged but not required and teachers are not eligible for supplements.

Agriculture teacher supplements already specify VSO participation so they will not receive an additional supplement.

If minimum numbers of students do not join the VSOs, it is understood that the VSO requirement in the curriculum frameworks cannot be met.

ADDENDUM D

FEDERAL DRUG AND ALCOHOL TESTING PROGRAM FOR HOLDERS OF FLORIDA CLASS A OR B COMMERCIAL DRIVERS LICENSES

The Board and Union recognize that employees who are required to hold a Class A or Class B Commercial Driver License (CDL) as a condition of employment (hereinafter referred to as covered employees) must comply with the Omnibus Transportation Employee Testing Act of 1991 (OTETA), regulations of the Federal Highway Administration contained in 49 CFR Parts 40 and 382, et. al. and Section 1012.45, Florida Statutes.

Notification

The Board shall provide all covered employees with educational materials that explain the requirements of the Program and the Board's policies with respect to meeting these requirements. Each employee who has received a copy of these materials shall be required to sign a statement certifying that he/she has received a copy of these materials.

Testing

Testing of covered employees shall be done in accordance with applicable Federal and State law. The employee shall be paid his/her regular hourly rate for the time involved for such testing beyond the employee's normal working hours unless such testing results in an employee working beyond forty (40) hours that week. In such cases, the employee shall be compensated at 1-1/2 times his/her hourly rate. Refusal to report for testing when notified to do so shall be considered a positive test.

Positive Test Results for Alcohol or Prohibited Substances

If a covered employee tests .02 or .039 for breath alcohol, he/she shall be removed from performing the duties of his/her safety-sensitive position for twenty-four (24) hours. If the employee has accrued sick or vacation leave, he/she shall be entitled to use such leave during this period. A conference may be held with the employee in an attempt to determine why he/she tested .02 to .039 so as to prevent a recurrence.

If an employee tests .04 or higher for breath alcohol or tests positive for any prohibited substance, he/she shall be removed from performing the duties of his/her safety-sensitive position, and he/she shall be referred to a substance abuse professional. In addition, there will be other employment consequences which may include termination. In the event that the primary specimen confirms the presence of prohibited substances, and the employee believes there has been an error in the analysis, he/she may request that the split specimen be tested. The cost of this second analysis shall be the responsibility of the employee. However, should this analysis produce a negative result, the Board shall reimburse the employee for the cost.

Reasonable Suspicion

When a supervisor believes that a covered employee is in violation of OTETA regulations, he/she shall confer with the district OTETA administrator or designee who shall decide whether to proceed further. If the OTETA administrator or designee meets with the employee for the purpose of notifying him/her that reasonable suspicion testing will be required, he/she shall do so in conjunction with a trained supervisor. A Union representative shall be permitted to attend the meeting with the right to ask questions for the purpose of clarification. Because time is important when giving an alcohol test, the meeting will not be delayed if the Union representative is unable to be present at the specified time for the meeting to begin. During the meeting, the OTETA administrator will cite the indicators which led to the reasonable suspicion, and the employee shall be given an opportunity to give an explanation if he/she desires.

Confidentiality

Confidentiality required by OTETA regulations will be observed, and no voluntary report of a test required by these regulations shall be made to the Florida Department of Highway Safety and Motor Vehicles.

 5. The Waiver Request must be submitted to the Director of the Department of Employee Relations and the President of USEP before May 1.
 6. If specified in the Waiver Request, an evaluation of the program shall be conducted to continue the waiver for its duration.
 7. For vacancies that will be in effect during the Contract Waiver period, notification and explanation of a Contract Waiver that is in effect must be included in all job postings and interviews.
 8. No programs shall exist which are not in compliance with contract language or which have not been approved by this process.

2007 - 2008 School Year Calendar

As part of the A++ provision of House Bill (HB) 7087 passed during the 2006 Legislative session and effective with the 2007-2008 school year, school districts are required to adopt calendars with an opening date for schools no earlier than fourteen (14) days before Labor Day.

Therefore, beginning with the 2003-2004 school year, teachers assigned to such programs will have the following additional rights and benefits:

1. The right of first refusal of any and all additional days at the center to which the teacher is assigned. Any teacher choosing not to accept additional days shall not be penalized.

MEMORANDUM OF UNDERSTANDING
Florida's K-12 Comprehensive Research-Based Reading Plan and
Professional Development Protocol Standards

For the 2005-2006 school year, all districts were required to submit a plan as part of the proviso language which met the Florida Department of Education criteria in order to be eligible for reading and staff development categorical funding. The District School Board of Pasco County's designated amount was approximately \$2 million.

In response to the state requirements of the K-12 Comprehensive Research-Based Reading Plan and Florida's Professional Development Protocol Standards, the Board and the Union have agreed to the following in order to meet state mandates.

Part of the state criteria requires all teachers to meet weekly in teams comprised of teachers from core subject areas, reading teachers, and various other support personnel. These problem-solving teams will work on the following, but are not limited to:

- examining and utilizing data to identify student needs,
- developing materials, lessons, and strategies to improve student reading performance,
- planning for classroom activities that support reading improvement,
- conducting reading-related research,
- implementing delivery models,
- obtaining/providing peer coaching,
- reviewing implementation strategies and evaluating impact on student achievement, and
- conducting follow-up activities.

Weekly meetings will be designed for all teachers to meet the needs of their students. Weekly meetings may vary in length but should not be required to exceed forty (40) minutes. Teams will have the flexibility to schedule their meetings during planning time within the student day or scheduled work time before or after the student day, contingent upon principal approval. With the consent of the principal, teams may alter the length of meetings or restructure their work schedules to accommodate meeting times or to provide additional staff development opportunities. Teachers will continue to receive two uninterrupted fifty-minute blocks to plan for their specific classroom activities in accordance with Article VII, Section S-15 of the *Instructional Master Contract*. At the elementary school level, these fifty-minute blocks will be implemented before or after the student day. Additionally, the planning day at the end of each quarter will be protected from required staff development.

The Board and Union understand that incorporating staff development and required weekly meetings into the teachers' regular work week impacts the amount of time teachers have to conduct other activities related to their teaching assignments; therefore, principals shall seek to further minimize non-teaching assignments, including but not limited to committees, faculty meetings, and duties. Further, a school-based work group consisting of teachers and an administrator, will be established to identify, evaluate, and recommend for a faculty vote those committees to be retained or eliminated for that school year. This work group will meet during the first three weeks of school and

MEMORANDUM OF UNDERSTANDING
Florida's K-12 Comprehensive Research-Based Reading Plan and
Professional Development Protocol Standards (Continued)

make its recommendation(s) as soon as possible, but no later than the deadline for the first progress report. This work group will meet during the school year, as needed, to evaluate the decisions made and will reconvene at the end of the school year to determine the following year's committees.

In order to meet the K-12 Reading Plan mandate, teachers will be required to submit one goal for their Professional Development Plans (PDP) that addresses improving student reading. Teachers will be provided the opportunity to earn approved staff development points as part of the weekly meetings and the implementation of the K-12 Reading Plan. In accordance with Florida's Professional Development Protocol Standards, teachers must successfully complete all staff development requirements, including reasonable follow-up activities and documentation to be awarded staff development points.

In order to recognize the time commitment required of teachers within their regular work schedule to participate in weekly meetings and conduct follow-up requirements of the K-12 Reading Plan and Florida's Professional Development Protocol Standards, the Board and Union agree to eliminate the requirement to attend the two scheduled staff development days. Teachers will work a 196-day contract with no corresponding diminishment in pay, and teachers at the alternative schools will work a 204-day contract with no corresponding diminishment in pay. Negotiated salary increases for the 2005-2006 school year will build upon the salaries reflected in the 2004-2005 teacher salary schedules.

For the 2006-2007 school year, stipends may be provided to teachers who voluntarily attend staff development on the two scheduled staff development days if funds are available. Some previously scheduled staff development may still be offered on a voluntary basis with no stipend attached. The Board remains committed to providing teachers with opportunities to participate in relevant high-quality staff development, will continue to offer staff development throughout the calendar year, and will explore the feasibility of scheduling at least two non-work days for teachers within the student calendar for teachers to attend voluntary staff development.

The Board and Union recognize that the most effective solutions are reached with all affected parties involved; therefore, during the 2005-2006 contract negotiations, the Board and Union utilized an interest-based process to openly identify and discuss issues surrounding staff development and agreed that during the 2005-2006 school year, the Professional Staff Development Sub-Committee of the District HRTD Committee implemented an interest-based process to continue in the 2006-2007 school year, to develop implementation standards for this Memorandum of Understanding, explore potential solutions to staff-development related issues raised during negotiations, review the district's professional development programs, and identify potential impacts of various State and Federal protocols/regulations and required programs. As part of this committee, a work group will be established to identify, evaluate, and recommend programs to address staff development needs of special area and support teachers. Recommendations for any applicable modifications shall be submitted to the Superintendent and Union prior to May 1, 2007. The membership of the Sub-Committee will be mutually determined by the Director of Staff Development and the President of the Union.

The membership of this committee will be determined by the President of USEP and the Superintendent.

Members of the Teacher Assistance Team

The United School Employees of Pasco and the Board recognize the importance of assisting teachers in their professional development. To reinforce our commitment to achieve this goal, the Teacher Assistance Team Program has been developed. The primary purpose of this program is to offer assistance to teachers who have been identified as needing to improve their professional performance.

Teacher Assistance Teams will be composed of the following members: a teacher mutually selected by the President of USEP and the Director or Supervisor of Employee Relations, a representative of USEP, the principal, a representative of the Employee Relations Department, and other persons and/or resources needed to assist the teacher in need of professional performance improvement.

Teachers that serve in this program should have a mentoring background, appropriate content area expertise, participated in related training such as Clinical Educator Training, Creating a Collaborative Culture through Coaching, Coaching to Improve Teaching and Learning, Differentiated Instruction, TEACH, CRISS, COMP, etc., and be willing to participate in any additional training required to serving on a team. Serving and/or participating in this program is entirely voluntary.

When a teacher serving on a Teacher Assistance Team is given a specific assignment, that teacher will receive a supplement payment up to the amount specified in the Academic Supplement Schedule each school year for the assignment. The exact amount will be determined jointly by a representative of USEP and a representative of the Employee Relations Department based upon the length and complexity of the assignment. Such supplement will be paid in a lump sum for the time worked at the end of each quarter of each school year.

MEMORANDUM OF UNDERSTANDING

No Child Left Behind Impact on Instructional Staff

In an attempt to minimize the impact of the No Child Left Behind (NCLB) Act on instructional staff, the Board and Union agree to the following provisions.

1. It is the Board's intent to keep teachers who are currently "highly qualified" in positions for which they hold a temporary or professional certificate with appropriate coverage.
2. The Board shall make every effort to minimize the number of core academic subject areas for which a teacher must obtain a temporary or professional certificate with appropriate coverage.
3. The Board shall provide at no cost to the teacher, staff development opportunities for those teachers seeking to add the reading endorsement to their certificate and shall give priority to those teachers identified as needing the reading endorsement.
4. The Board shall provide reimbursement for subject area examination fees at the regular administration rate to teachers attempting to become "highly qualified." The Board shall also provide individual teachers reimbursement for a second attempt at passing a specific subject area examination if the teacher is unsuccessful on the first attempt.
5. No new teachers will be hired to fill an advertised position vacancy until all current teachers who do not meet the NCLB "highly qualified" definition are provided the opportunity to apply for and be interviewed for the position; provided they hold either a temporary or professional certificate with appropriate coverage.

MEMORANDUM OF UNDERSTANDING

No Child Left Behind Impact on Instructional Staff (Continued)

Teachers wishing to transfer under this provision will make their interest known to the principal within the advertised period and will identify that they are seeking assignment priority in accordance with this Memorandum of Understanding. The Board shall give priority to such current teachers over outside applicants when filling vacant positions. Such priority will not supersede priority for involuntary or voluntary transfers resulting from staff reduction.

MEMORANDUM OF UNDERSTANDING

All teacher fingerprints submitted on or after July 1, 2004, have been entered into this system. Teacher fingerprints submitted prior to July 1, 2004, cannot be entered into the system. Therefore, all current teachers fingerprinted prior to July 1, 2004, must be refingerprinted. The refingerprinting must be completed prior to July 1, 2009. Thereafter, the retention fee must be paid each year and the fee for the national records check paid every five (5) years.

In order to comply with the law and provide a benefit to teachers, the Board and the Union agree to the following:

1. Beginning in the 2005-2006 school year, the Board will begin a four (4) year process of refingerprinting effected teachers with the intent of refingerprinting approximately 25% of the group in each of the four (4) years.

A participant in the Retiree Health Opt-Out Program may reenroll in the district-paid group health insurance plan only if he/she is no longer covered by another major medical health insurance plan. Within thirty (30) calendar days following the date of cancellation/termination of the other major medical health insurance plan, the retiree wishing to reenroll in the district-paid group health insurance plan must submit to the district's department of Employee Benefits, Assistance, and Risk Management (EBARM) a written request to reenroll, completed application forms, and a letter from the previous major medical carrier or employer stating date of cancellation/termination of coverage. The district does not guarantee continuous health coverage.

A retiree who fails to reenroll in the district-paid group health insurance plan in accordance with the timelines set forth in the above paragraph will remain in the Retiree Health Opt-Out Program until Medicare eligible or January 1 following the next regularly scheduled district open enrollment period, whichever comes first.

2. The decision of the Director of Student Services and the Superintendent will be final.

Voluntary PRE-K (VPK) Program

Summer 2006

The District School Board of Pasco County and the United School Employees of Pasco mutually agree to the following provisions in order to implement the state-mandated Voluntary PreK (VPK) program for the summer 2006. This program is newly created, being implemented for the first time, and as such, will require considerable flexibility in order to be successful in this first year. Therefore, the parties agree to the following:

- a. Assignment to this program is voluntary.
- b. Each school principal will notify the staff of the program dates by May 1, 2006.
- c. Each employee having an interest in working in the program will submit his/her name to the school principal by May 5, 2006.
- d. Tentative job openings will be announced by the last student day.
- e. When it is judged that professional qualifications and ability are substantially equal among applicants for the program to be offered, district seniority shall prevail.
- f. In accordance with Florida Statute 1002.61(4) and DOE directive, the District shall give priority to teachers who have experience or coursework in early childhood education.

- a. When enrollment falls below eight (8) students in a class, reduction of staff may occur. Reductions in staff will be conducted by site and led by the site administrator in coordination with the Pre-K Services Department.
