4. A leave of absence shall be granted without pay for such period as the Superintendent may determine, but not to exceed the school year in which the need for the leave exists and may be subject to renewal in the case of military duty or personal illness provided the need continues. An employee on leave for military service may receive credit, not to exceed three years, for time spent in military service toward advancement in salary or wages on the regular salary schedule. In time of peace the person must have been drafted to receive such credit.
7. A position for an employee shall no longer be held if the employee on leave of absence remains away from duty beyond the expiration date of approved leave or renewal of leave.

IV. NEGOTIATED SECTION

The *Policies and Regulations of the School District of Omaha* handbook will include a copy of the Master Agreement between the Omaha Education Association and Douglas County School District No. 0001. The Board of Education recognizes exclusively the Omaha Education Association for the purpose of representing the district's certificated staff, except those exempted by state statutes, for the purposes of negotiating and discussing those items which comply with the Nebraska Commission of Industrial Relations Act.

B. Length of Year of Experience

Effective with the 2003-04 school year, covered employees will accrue creditable service in half-year increments. For all purposes, including the adjustment of salaries and the computing of fringe benefits, at least 70 teaching days on duty during the regular school year semester shall be counted as a creditable half-year for all teaching and nursing personnel in the Omaha school system. No surplus of the number of days in one school semester shall apply to another semester, nor shall days of duty in summer school be counted. For the purposes of employee retirement, units will be recorded at the completion of each contract year.

Teaching staff on a 190-day contract, for the 2007-09 school years, will be assigned 186 regular duty days (188 regular duty days for new staff). Teacher Leaders will be assigned 195 regular duty days. Helping and Lead Teachers will be assigned 200 regular duty days.

C. Credit for Experience

Teachers and nurses may, at the time of their employment in the public schools, receive credit on their respective salary schedule for one, two, three, four, five, six, seven, eight,

nine or ten years of successful experience in schools whose standards are the same as those of the Omaha Schools. (At the discretion of the Superintendent of Schools in individual cases involving special qualifications, the credit for experience may be granted for as many as ten years.) Those employees employed previous to the 1999-00 school year were awarded a maximum of seven years experience.

D. Elementary Preparation/Conference/Planning Time

1. Preparation/conference/planning time shall be used for the purpose of preparation, grading papers, contacting parents, planning, or other aspects connected with the instructional duties of the classroom teacher/art, library science, physical education, special education, instrumental and vocal music specialist.
2. Elementary classroom teachers/art, library science, physical education, special education, instrumental and vocal music specialists shall have a minimum of 400 minutes, during student contact time, of preparation/conference/planning time during a two-week instructional period for the school year.

Effective with the 2006-07 school year, at least 1,080 minutes during the school year shall be set aside for the use of team planning activities that would be cooperatively decided by the administrative and teaching staff, and would include, but not be limited to, team reflection on teaching strategies and student achievement. Time designated for team planning activities shall include two entire duty days, the Thursday mornings during the fall and spring weeks designated for elementary Parent Teacher Conferences (no students in session on that day), and 135 minutes of one afternoon ending prior to the usual dismissal time for the elementary students in each building. This time will be in addition to the planning and preparation time provided by Section IV D 5. These teacher duty days will meet the requirements of Section IV E, Paragraph 1. Time designated for team planning activities will not be rescheduled to another day when missed due to holiday, inclement weather days or other conflicts on the master calendar.

Time designated for team planning activities shall be used for team planning activities and shall not include any activities that require student contact. Time designated for team planning activities will not result in any reduction of the minimum of 400 minutes, during student contact time, of preparation/conference/planning time during a two week instructional period for the school year. Duty time before or after student contact time during all other duty days shall be used to prepare for instruction and to perform supervisory duties assigned by the principal. Those duties are to be equitably distributed among the staff members.

The Elementary T.E.A.M (*Together Everyone Achieves More*) plan will be reviewed and evaluated annually for possible modification to best serve the needs of children, staff and families. Information regarding this change in schedule should be done through a variety of means including, but not limited to, teacher/parent communications, newsletters or other school events; in addition, parent/staff surveys and an exploration of Kids Club will be completed.

Upon written notification by the Board of Education of Douglas County School District No. 0001, the Omaha Education Association and the Omaha Public Schools Board of Education will re-open the Master Agreement to consider an alternative plan or modifications to the Elementary T.E.A.M (*Together Everyone Achieves More*) plan at any time prior to April 1, annually. Modifications and/or alternatives must be reviewed and agreed upon by both parties before the language is inserted into the contract. Unless there is an agreed upon modification of the above, Elementary T.E.A.M (*Together Everyone Achieves More*), that plan will continue.

4. New teachers with the Omaha Public Schools have the responsibility of working with specialists to become knowledgeable of the sequence of skills and proper teaching techniques within the areas of art, library science, music and physical education during their first year. At the discretion of the principal, the teachers may be released from this obligation prior to the end of the school year.
5. Elementary teachers shall have 17.5 hours prior to the first student contact day, 3.5 hours on the October Curriculum day, and 14 hours after the last student contact day for the purpose of planning and preparation time unless inclement weather requires the district to extend the student day calendar in order to meet state requirements.
6. Elementary Library Media Specialists—Each Elementary Building will receive a minimum of 200 minutes for records and resource management, during student contact time, during each ten-day instructional period of the school year.
7. Special Education Teachers—Full-time special education teachers will be provided ½ day per quarter for student record maintenance purposes (in addition to their plan time).

These sessions may include hours within the duty day, but can exceed seven total hours per semester. A building staff may collaboratively decide to request to engage in parent teacher conferences beyond the seven hours per semester and receive additional compensation time for this duty. All certificated staff in the building will sign a document that states that a collaborative discussion occurred and a majority of the staff has agreed to the schedule for parent teacher conferences.

School nurses shall be provided with a duty-free 30 minute lunch period. During scheduled assignment the school nurse will be available for any health emergencies.

F. Acceptable Dress and Appearance

The cooperation and good judgment of all employees in the matter of dress helps to insure a proper image for students and a businesslike appearance for visitors to the school. No printed guideline on acceptable dress can anticipate every possibility. The principals and/or supervisory personnel who are in the best position to make judgment concerning the appropriateness of the attire should provide necessary counseling and correction as the need occurs.

G. Direct Deposit of Checks

Electronic direct deposit of a certificated employee's payroll check will be made upon written notification by the employee to the Secretary of the Board of Education on a form provided by the School District. A statement of earnings will be distributed on the normal payday which will include the same information which is included on the check stubs of those employees who do not elect to participate in the electronic direct deposit program. H. Payment for Services from Activity Funds

Employees or other persons may not be paid salaries out of school activity funds for teaching, tutoring, coaching athletics, clerical service, custodial service, or any other service connected with the regular school program.

I. Communications, Complaints and Grievances

1. Grievances, complaints and communications from employees associated with the Omaha Education Association shall be initiated in the following manner:

- a. If the employee has a grievance, the employee should, within 20 working days of the incident, first discuss the matter with an immediate superior (at the building level the immediate superior is the principal) in an effort to resolve the problems informally. A representative of the Association's staff may be invited to attend by either party. If the subject of the grievance extends beyond the authority and jurisdiction of the building principal, the employee may discuss the matter with the Assistant Superintendent for Human Resources.

If the employee is not satisfied, the employee shall have the right to have an Association representative's assistance in further efforts to resolve the problem.

- b. If the problem is not resolved through the aforesaid procedure, then within 20 working days of the incident, the aggrieved person must submit a grievance in writing to the principal or to the person to whom the aggrieved is directly responsible. The person to whom the grievance has been submitted shall have a reasonable period, not to exceed 10 working days, to render a decision and the reasons therefore in writing to both the aggrieved person and to the Association.
- c. If the aggrieved person is not satisfied with the disposition of the grievance, an appeal to the Superintendent of Schools should follow within 10 working days. Within 10 working days after receipt of the written appeal, the Superintendent or designated representative(s) shall meet with the aggrieved person. The Association's staff may be invited to attend, by either party, and participate in any meeting of the Superintendent or designated representative(s) with the aggrieved person.

The Superintendent shall within 10 working days of the hearing render a decision and the reasons thereof in writing to the aggrieved person with copies to the Association and to members of the Board of Education.

- d. Should the aggrieved person so desire, the decision of the Superintendent may be appealed to the Board of Education. Such a request should be sent to the Director of the Office of the Board of Education within 10 working days of the receipt of the Superintendent's decision in the matter. Such an appeal shall be in the form of a written request for a hearing before the Board of Education.

At the first meeting after receiving a grievance, the Board of Education shall set a hearing date which shall be within 10 working days. The aggrieved person shall, at this hearing, have the right to be assisted by a member of the staff of the Association and/or an attorney of his/her choice.

The Board of Education shall within 10 working days of the hearing render a decision in the matter and direct its Director to provide written notification of its decision to the aggrieved person and the Association.

A similar procedure shall be followed by employees other than those who are members of the Omaha Education Association.

- e. If the employee has a complaint other than a grievance, the employee may use steps a through c outlined in the grievance procedure above. Employees or groups of employees desiring to address the Board of Education on any matter shall direct their communications to the Director, not to individual members, except that copies of any communication may be sent to all members.

An advisory committee of selected personnel shall be appointed by the Superintendent of Schools upon the advice of the Assistant Superintendent for Human Resources, to maintain a continuous liaison with all employees relative to maintaining high morale and professional growth among all employees.

2. All complaints shall be in writing, and no anonymous correspondence may be considered officially by the Board of Education.
3. It shall be understood by all parties involved in the grievance procedure that no reprisals of any kind, implied or intended, shall be brought against the person or persons involved in the resolving of the grievance.

J. Citizenship Rights

1. It shall be the policy of the Board of Education to guarantee all employees of the Omaha Public Schools full political equality with other citizens in the exercise of their political rights and responsibilities with the statutes of the State of Nebraska.
2. An employee may take a leave of absence when elected to an elective public office. Requests shall be submitted in writing to the Superintendent of Schools who shall, in turn, make a recommendation to the Board of Education for final action.

The leave of absence is limited to the initial elective term sought and won by the employee. The subsequent election to the same office or a different elective position may result in an extension of the leave of absence. Appointment to an unexpired term calling for service in office greater than one-half of the regular term of that office shall qualify for, and be treated as a leave of absence for one term of office.

Leaves of absence granted under this section shall be treated in exactly the same manner as other official leaves in regard to right to re-employment, fringe benefits, etc.

The individual shall be required, six months prior to their returning to the School District, to give notice of his or her intentions regarding continued employment by the School District. Certificated staff members shall be required to give notice of their intention one semester prior to their return to the District.

If the individual should resign the elective office during the tenure of the leave of absence, such action shall automatically terminate the leave of absence granted by this section. Acceptance of any other full-time position while on a leave of this nature shall also effectively and automatically terminate said leave of absence.

K. Employee Personal Property Insurance

The Board of Education shall provide reimbursement for personal property of any full-time employee of the School District of Omaha if such property is stolen, damaged, or destroyed by assault, theft, vandalism, riot or fire on the school premises or at any official function of the school. Official leaves of absence shall not constitute a break in service for these purposes.

An employee who retires after completing all contractual obligations and who elects to begin his/her voluntary retirement before August 31 of the year of his/her retirement will continue to be covered by the health insurance program until August 31 of the year of retirement, and the premiums will be paid in the same manner that they were paid prior to taking voluntary retirement.

Present plans call for the school district to participate in the Educator's Health Alliance Blue Cross/Blue Shield Blue Preferred (\$300 deductible PPO) Health and Dental Care (80% Coverage A and B and 50% C) Program. Hospital pre-admission certification is a component of the plan. However, in the interest of obtaining comparable or improved employee coverage at a lower cost, the Board of Education will study and analyze health and accident insurance programs from other qualified carriers. The Board of Education will inform the Association of progress on the study. Association leadership will be extended the opportunity to discuss available program alternatives prior to any decision to change insurers.

The Board of Education will not change the carrier unless current employee coverage can be maintained or improved for similar or less cost than that charged by the present insurer for the time period this agreement is in force.

If the Board of Education changes the insurer, the objective and intent will be to maintain or improve employee coverage for similar or less cost than that charged by the present insurer for the time period this agreement is in force.

2. Group Term Life Insurance

The School District of Omaha shall provide group term life insurance for full-time employees in the amount of \$25,000. Premiums will be paid through payroll deductions. The employee may choose an additional \$12,500, \$25,000, \$50,000, \$75,000, \$100,000, \$150,000 or \$200,000 of coverage.

Following completion of one month's continuous full-time employment, a new employee shall be eligible to enroll for additional term life insurance with the employee paying the entire cost. No evidence of insurability will be required if enrollment is completed during this initial month of employment, or within 31 days of the date of eligibility. Insurance coverage will be effective the first of the month following date of enrollment.

For subsequent purchase of additional coverage, the employee will be required to complete a health statement. The insurance company will review the health information and reserves the right to accept or reject the applicant. If the application is accepted by the insurance company, coverage will be effective on the first of the month following approval of the application for coverage.

The cost of the life insurance will be based upon the attained age of the applicant on the date of application. Coverage will be continued on a year-to-year basis unless the individual elects to terminate coverage on any monthly premium due date. The cost in future years will be based upon the attained age of the individual on each September 1.

In the event of termination of employment of the employee, the employee may convert the voluntary term life insurance on the same basis as the basic group life insurance plan.

An employee who retires after completing all contractual obligations and who elects to begin his/her voluntary retirement before August 31 of the year of his/her retirement will continue to be covered by the group term life insurance program until August 31 of the year of retirement, and the premiums will be paid in the same manner that they were paid prior to taking voluntary retirement.

3. Long-Term Disability Program

The School District of Omaha shall provide long-term disability benefits for full-time employees incurring long illness. This plan provides a monthly benefit of 60% of the employee's monthly gross salary, to a maximum of \$5,000. This monthly benefit will be coordinated with other benefits the employee may be eligible to receive. The benefit begins on the 91st calendar day following the date of disability. The program includes all full-time employees with 30 calendar days of employment.

For those employees who become disabled after September 1, 1978, the amount of Social Security benefits to be coordinated with the Monthly Indemnity Benefit provided under the Long-Term Disability Plan shall be based upon the Social Security Benefit in effect on the date of the initial disability award.

Any subsequent changes in the Social Security Law which result in an increase in Social Security benefits shall not be used to reduce the amount of Monthly Indemnity Benefit under the Long-Term Disability Plan.

Any change in dependent status after the date of the initial disability award will be considered in the computation of Social Security benefits payable, and the Monthly Indemnity Benefit payable under the Long-Term Disability Plan will be adjusted accordingly.

Employees who are disabled are allowed to continue participation in the Board of Education group hospitalization, surgical and major medical program for three months following the expiration of sick leave at Board of Education expense.

4. An employee who elects to receive health and/or life insurance coverage which requires premiums to be paid by the employee shall pay any required premiums pursuant to a salary reduction agreement under the **School District's Flexible Benefit Plan** in order for such premiums to be excluded from the employee's income and social security tax base and, accordingly, paid by the employee on a pre-tax basis. Employees subject to the foregoing requirement shall execute any documents or agreements required by the School District as Administrator of the Flexible Benefit Plan to effectuate the employee's election and agreement to pay his or her required premiums for group health and/or life insurance on a pre-tax basis under the Flexible Benefit Plan. Any employee who fails to file the required salary reduction agreement shall be deemed to have elected under the Flexible Benefit Plan to pay the required premiums for the health and/or life insurance coverage for the employee and his or her dependents through a reduction in salary, and the School District shall be authorized to reduce and withhold the required premiums from the employee's salary as a pre-tax contribution to the Flexible Benefit Plan.

CC. Early Leaving Incentive Program

Full-time certificated employees, upon written application and approval of the Superintendent of Schools and the Board of Education may participate in the Early Leaving Incentive Program. The program will be analyzed and evaluated annually for possible modification or termination. Modifications or termination shall not affect employees previously participating in the program.

1. Purpose

The major purpose of this program is to provide eligible certificated employees a voluntary early retirement incentive plan that is in coordination with the Omaha School Employees' Retirement System and that provides supplemental retirement income as a bridge between early retirement from the Omaha Public Schools and the

age when the retiring employee is eligible to receive benefits under Title II of the Social Security Act (age 62). The objectives of the program include, but are not limited to, the following:

- a. To offer financial incentives which will assist long-term employees considering early retirement or early-leaving decisions.
- b. To reduce costs by replacing maximum salary employees with lesser salary employees.
- c. To reduce or eliminate the possibility of teacher layoffs.
- d. To provide a better balance of employee experience.

2. Program Eligibility Requirements and Provisions

- a. Applications must be made in writing on the appropriate form provided by the School District by March 1 of the school year prior to the school year in which the certificated employee wishes to discontinue full-time employment.
- b. The certificated employee must have at least eighteen (18) creditable years of service (Sec. 5.03a) as a full-time employee in the School District and attained at least age fifty-five (55) as of the separation date (July 31). Certificated twelve-month employees hired prior to August 1, 2006, and who have an August birth date may be eligible as of the separation date (July 31) directly before attaining age fifty-five (55).
- c. Certificated employees participating in the program relinquish all tenure, contract or other employment rights with the School District.
- d. Certificated employees receiving long-term disability benefits are not eligible to participate in this program.

- f. A certificated employee's entrance into the program must coincide with the beginning of the next school year.
- g. A certificated employee electing to participate in the program may have the option to continue participation in the hospitalization, surgical, and major medical and life insurance programs of the School District, however, the premiums shall be paid by the employee.
- h. Payment of benefits shall be monthly.

3. Benefits

The monthly supplemental retirement benefit to be received by a certificated employee who participates in the program shall be equal to the lesser of: (i) the monthly Social Security retirement benefit that will be payable to the certificated employee at age 62 (as determined by the School District as of the employee's August 31 separation date), or (ii) 25 percent of the certificated employee's scheduled monthly salary* in the certificated employee's last full year of employment. Payment of the monthly retirement benefit shall begin in September of the fiscal year following the employee's separation date and continue until the month that the certificated employee attains age 62 or the month of the employee's death, if earlier. The payment of the monthly benefit is conditioned upon the certificated employee providing such information and documentation as the School District may require for the administration of this program, including all information needed to determine the certificated employee's monthly Social Security retirement benefits beginning at age 62.

***Excludes long service increments and payments for co-curricular/ activity supervision.**

4. Upon written notification by the Board of Education of Douglas County School District No. 0001, the Omaha Education Association and the Omaha Public Schools Board of Education will re-open the Master Agreement and enter into negotiations to discuss any conflicts with the terms and conditions of this agreement caused by any decision of a court that has jurisdiction over Omaha Public Schools and its employees.

DD. Leaves of Absence

1. Absence for Professional Purposes

Covered employees (classroom teachers, nurses, teacher leaders, helping and lead teachers, and psychologists) may be excused for professional purposes without loss of pay upon written application to the Superintendent of Schools or the Superintendent's designee. All absence for professional reasons, that is those reasons which will benefit and promote the work of the Omaha schools, must be approved one week in advance before such absence may be granted. The central office must also grant permission for such absence in writing, and notation of this fact must be made on the payroll by the certifying person.

Substitute teachers may be provided at Board expense for such approved absences. Upon recommendation of the Superintendent of Schools, professional staff may be reimbursed for approved attendance at such professional meetings out of Board of Education funds. For budgetary purposes, as much planning as possible should be made one year in advance.

2. Adoptive Leave

Upon application to the Superintendent, use of sick leave shall be granted to one parent, not to exceed thirty working days, beginning on the day a child is released to the parent. The parent has the option to take a leave without pay for the balance of the school year in which the adoption is finalized. The adoptive parents must choose between the use of sick leave or the unpaid extended leave for the remainder of the school year. This decision must be made at the time the application is filed.

3. Bereavement Leave

- a. Absence from work will be allowed so that the employee may have four consecutive workdays following the death of an immediate relative without loss of pay. Bereavement leave must begin no later than five days following the death of the immediate relative. Employees who are required to travel a minimum of two hundred miles (200) one way to attend the funeral of an immediate relative will be granted an additional day of leave. This rule applies only to an immediate relative, interpreted to be as follows: an employee's spouse, parent, child, brother, sister, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, grandparent, grandparent-in-law, grandchild, aunt, uncle, niece, nephew, or any other individual who is a permanent resident in the employee's home.

4. Child Rearing Leave

Upon application to the Superintendent, a leave without pay shall be granted to one parent for reasons of adoption, biological childbirth, and/or the need to provide parental care for a child or children for an extended period of time subject to the following provisions:

- a. Leave will be granted for the total school year if the request is made prior to the opening of the school year. Requests must be made at least 30 days prior to the time teachers report for duty.
- b. Leave will be granted for the remainder of the school year if the request is made during the school year.
- c. Leave renewal will be considered under individual extenuating circumstances which relate to the health or physical condition of the child. A supporting statement from a physician may be required.

5. Personal Leave

- a. Personal leave may be granted to a maximum of two days per year, one day per semester for first year employees.

Whenever possible, business transactions shall be scheduled after 3:00 p.m. At their discretion, principals are authorized to release teachers for such transactions which are similar to early release to attend meetings or university classes.

Personal leave may be granted in excess of two days, but when this is the case, loss of full pay will be required commencing with the third day of such leave.

- b. PLEASE NOTE: Personal leave cannot be requested during the first five student contact days or the last ten contracted days or on days immediately preceding or following a district observed federal or school holiday and/or recess period except for the following reasons (Personal leave requested for these days for one or more of the reasons listed below must be done in writing on the appropriate form.):

- (1) Childhood diseases not requiring medical attention of a physician.
- (2) A leave will be granted for an employee's wedding or a wedding of the parents, children, grandchildren, or brothers/sisters of an employee. Wedding leave must begin no later than two working days following the actual wedding day.

- (7) For family emergencies, such as surgery or serious illness requiring medical treatment in a hospital, medical clinic, or medical doctor's office. This rule applies only to immediate relatives where the presence of the employee is necessary (or the illness is of a very serious nature). Immediate relative shall be interpreted to include the employee's spouse, parent, child, mother-in-law, father-in-law, brother, sister, son-in-law, daughter-in-law, grandparent, grandparent-in-law, grandchild, aunt, uncle, niece, nephew, or any other individual who is a permanent resident in the employee's home for whom the employee has specific responsibility.

- (8) For serious illness of immediate family members. Immediate family will include employee's spouse, child, parent, grandparent, or an immediate relative who is a permanent resident in the employee's home.
- (9) When the illness/injury of the employee's child is of such severity as to require the medical attention of a physician and the parent's presence is necessary. (On the leave request, please state child's age and illness.)
- (10) To be present at the time an employee's child is born and/or for the care of the employee's spouse upon release from the hospital.
- (11) Absence of an employee resulting from mandatory preinduction physical examination requested by the Selective Service System.
- (12) For legal proceedings requiring the attendance of a parent/legal guardian.
- (13) To attend the graduation, ordination, or similar ceremony of an immediate relative. Immediate relative shall be interpreted to include the employee's spouse, parent, child, mother-in-law, father-in-law, brother, sister, son-in-law, daughter-in-law, grandparent, grandparent-in-law, grandchild, aunt, uncle, niece, nephew, or any other individual who is a permanent resident in the employee's home or for whom the employee has specific responsibility. Travel consecutive with the event will be allowed within the two-day personal leave provision.
- (14) To close on a house which will be the primary residence of the employee, only if the closing cannot be scheduled outside normal duty hours.

6. Leave of Absence for Any Reason

After ten (10) creditable years of service and upon application to the Superintendent, a year's leave of absence without pay may be granted to an employee for any reason. This leave may be extended for one year.

7. Sabbatical Leave

After seven (7) years of service in the Omaha Public Schools, a professional employee upon written application and the approval of the Superintendent of Schools may be granted a year's leave of absence. Such a sabbatical must involve professional growth of the individual and to be in the interest of improved education in the School District of Omaha. Half pay will be granted upon guarantee that the employee will return to the school system for at least two years of service at the end of such leave of absence. If a sufficient number of qualified applicants are available, it is recommended consideration be given to granting four of the six annual sabbatical leaves to classroom teachers.

8. Status Upon Return from Leave

An employee on a leave of absence shall not receive credit toward advancement on the salary schedule nor shall such time count as years of service for the purpose of acquiring continuing contract status, or sabbatical leave. At the employee's request, an employee on a leave of absence shall receive credit toward retirement as provided for in Section 79-990 of Nebraska State Statutes. The employee will retain the number of accumulated sick days held prior to the effective date of the leave.

9. Sick Leave

- a. Beginning September 1, 1973, all full-time professional employees of the School District of Omaha shall be entitled to an annual sick leave allocation equal to one sick leave day per month of employment, with the total annual allocation being made available for use at the beginning of each fiscal year. Sick leave may be accumulated, based on the individual's annual allocation, to a maximum based on the following formula: number of contract days minus the number of paid vacation days multiplied by the ratio 90/190. Eight (8) days per year of the employee's accumulated sick leave may be used for the illness of an immediate family member. Immediate family member will include the employee's spouse, children, parents in a care facility, or an individual who is a permanent resident in the employee's home or for whom the employee has specific legal responsibility.
- b. Any employee with accrued sick leave of at least 90 days on September 1, 1976, and each September 1 thereafter, shall be entitled, following the use of sick leave subsequent to that use, to accumulate one day per month of employment, for those months remaining during the fiscal year to a maximum number of days as defined in Section IV, DD, 9a. All employees with sick leave accumulation of less than 90 days on September 1, 1976, and each September 1 thereafter, shall have such leave credited to them in accordance with policy 4.17a of the *Policies and Regulations of the School District of Omaha*.

Any employee with maximum accrued sick leave will maintain the accrued days during the last year of employment prior to retiring or taking early leaving incentive unless more than 10 days of sick leave are used.

Beginning September 1, 1997, after an employee has accumulated the maximum days of sick leave, appropriate to the length of the employee's contract, the employee shall be awarded two additional days toward the employee's maximum accumulation, thereby increasing their maximum an additional two days, for each year of perfect attendance occurring after accumulation of the maximum days of sick leave. For purposes of this provision, the maximum accumulation allowed shall be a ratio of 0.6316 of the length of the employee's contract minus the number of vacation days. Absences counting against perfect attendance are as defined in Section IV, DD, 10.

Each school year that an employee has unused personal leave days, the employee shall be awarded one additional day of accumulated sick leave for each day of unused personal leave, subject to limitations on maximum accumulation.

- c. Whenever a first-year employee resigns within the first six months of employment, the employee is obligated to repay the amount of any sick leave benefit paid in excess of one day per month of actual employment.
- d. Any employee with accrued sick leave in excess of 90 days on September 1, 1973, shall retain all rights and privileges accorded to such accumulation; provided however, that a maximum as defined in Section IV, DD, 9a shall be used in the calculation of pay for unused sick leave at retirement.
- e. Sick leave benefits accrued during the regular school year may be used by teachers employed during the summer session on the following basis:
 - (1) A maximum of one sick leave day for five teaching days will be allowed.
 - (2) One day of sick leave constitutes either a full day or one-half day's reduction of accrued leave, based on a summer school assignment.

10. Perfect Attendance Stipend

Certificated employees shall be awarded a \$40.00 stipend for each of four periods of perfect attendance, payable in February and/or July. The first period shall include August 1 ending October 31; the second period shall be November 1 through January 31; the third period shall be from February 1 through March 31; and the fourth period shall include April 1 through the end of the employee's contract year, or June 30, whichever comes first. In addition to the above, a \$20 bonus shall be awarded to covered employees who have perfect attendance for the first and second period. In addition to the above, a \$20 bonus shall be awarded to covered employees who have perfect attendance for the third and fourth period. The following absences will be counted against perfect attendance: sick leave, loss of pay, personal leave, and military leave. A newly hired covered employee will receive the perfect attendance stipend if the start date for the new hire is within the first 5 days of the semester and the employee meets the qualifications as identified in this section.

11. Association President

The president of the Association representing a majority of the certificated staff will have a certificated teacher partner during his or her term of office. The Board of Education shall pay the Association president during his or her term in office. The Association shall reimburse the Board of Education, the cost of salary (up to and including seven years of experience) and fringe benefits of the certificated teacher partner.

12. Association Leave of Absence

An employee may take a leave of absence when elected as an officer or to the executive committee of a state or national professional association.

Leaves of absence granted under this section shall be treated in exactly the same manner as other official leaves in regard to right of re-employment, fringe benefits, etc. A leave of absence granted pursuant to this section shall not exceed six years in length.

13. Vacation

The vacation of an employee shall be taken at a time or at times approved by the Superintendent of Schools. Upon approval of the Superintendent, covered employees may be authorized to carry over up to five days of earned vacation from one fiscal year until December 1 of the next fiscal year. Utilization of vacation days carried over from one fiscal year to the next shall remain subject to approval by the Superintendent of Schools.

EE. Staff Safety

The parties agree to collaboratively, through the safety committee process, develop improved security procedures, expand training opportunities for all staff, and engage in cooperative problem solving to improve school safety. The Association shall have two representatives on the district-wide safety committee.

With staff participation, each school principal shall be responsible for developing a building crisis management plan. The plan shall be shared with all staff and revised annually.

FF. Teacher Work Day

At the elementary and secondary levels, two days will be provided for planning/in-service and teacher work time during the 2003-05 school years. One-half of the time must be used for individual teacher work time and one-half the time is for building planning or inservices as determined by all building staff.

GG. District Assessment Inservices

The district shall provide mandatory district-delivered in-servicing that will include, but not be limited to: the ethics of assessment, delivery of assessments, delineation and presentation of non-allowable testing practices, and acceptable teaching/reteaching practices.

HH. Staff Entry to District Sport Events

Staff members with current OPS identification will be allowed entry for the staff member only into any Omaha Public Schools District spectator sport event.

II. Contract Variance

Both the Board of Education and the Association take pride in the creativity and dedication of this district's professional educators and realize this contract may not be able to anticipate all innovative approaches to programs and services provided for students. In an effort to foster innovation and maintain the highest possible quality educational opportunities for students, contract provisions as discussed below may be waived.

Schools are encouraged to implement innovative approaches brought about as a result of the school improvement planning process and approved by the Principal and the Superintendent of Schools. If such innovations are deemed to be at variance with the contract, a waiver may be requested, before implementation, by representatives of the Omaha Education Association and/or representatives of the Board of Education. The specific variance request will be reviewed by representatives of the Association and the Board; a contract waiver will be allowed if agreed upon, in writing, by both parties. Waivers approved through this process will remain in effect through the duration of this Master Agreement.

In witness whereof the parties hereto have caused this Agreement to be signed by their respective presidents and attested by their respective chief negotiators, all on the 4th day of June, 2007.
