PREAMBLE

The District and the Federation share the belief that providing a high-quality education for the children of Albuquerque is the paramount objective of the District.

Both parties affirm that all educational programs must be sensitive to the needs and aspirations of students. We believe that all students can learn and we have a responsibility to educate all of them well. Student success must not be predictable by a student's circumstances, background, race or socioeconomic status.

We believe that a collaborative partnership between the District and the Federation embodies the notion that an educational system based on the involvement of teachers in the decision-making process will lead to the highest quality of education, enhance the practice of teaching and foster human dignity for all at the school site. Furthermore, the parties believe that by working together, an atmosphere which promotes professional growth will be established.

To meet the objective above and formally establish a collaborative partnership that redefines and improves upon its collective bargaining relationship, the Federation and the District agree to the Living Contract, a concept and a process that will allow the parties to collaborate in addressing the following issues:

- Policy matters that affect teaching and learning
- District-wide matters that affect teachers, students and the community
- Instructional and curriculum issues
- Teaching and learning issues
- Long-term planning

The living contract agreement is essential to furthering the desired partnership between the District and the Federation. Working in partnership makes it possible to address challenges that individual entities could not effectively address through separate efforts. Quality partnerships can be recognized by the following characteristics:

- Partners make a formal, sustained commitment to accomplish a shared mission.
- Partners recognize and respect each partner's responsibilities and constraints.
- Partners work to know and acknowledge each other's strengths and interests.
- Partners recognize and respect each other as separate entities, with differing cultures, values and communication styles.
- Partners enhance trust by sharing knowledge, disclosing self-interest and attempting to satisfy the needs of each partner.
- Partners affirm the shared vision of the partnership by keeping others informed of related activities that affect the partners.
- Partners identify specific goals so all partners can work effectively.
- Partners make decisions collaboratively and support those decisions within the partner organizations.
- Partners specify what each entity is expected to contribute to the partnership.
- Partners commit the resources – human, financial, and physical – necessary to accomplish the shared mission.
- Partners alter organizational policies and procedures to the best of their ability to help effectuate recommendations made by the partnership.
- Partners make the collaborative effort visible, when appropriate, publicizing and promoting results.
- Partners periodically reassess the mission and progress toward accomplishing it.

Attaining the educational goals of the Albuquerque Public Schools requires mutual understanding and cooperation between the District and the Federation. To this end, good-faith negotiations between the District and the Federation with a free and open exchange of views are desirable.

Change requires intensive, carefully planned, and skillfully executed implementation. We acknowledge that strong, consistent leadership, trusting collaboration, system-wide communication, quality teaching and high teacher morale promote positive learning environments for students.

As part of its collective bargaining relationship and partnership, the Albuquerque Teachers Federation and Albuquerque Public Schools agree to the following:

- A. The purpose of the Living Contract is to enable the parties to respond more quickly to issues that demand immediate attention while working within the framework of collective bargaining. The Living Contract is not a document, but rather a process that may result in written agreements.
- B. Pursuant to this Preamble, the parties agree to establish a joint committee(s) to provide for regular, on-going discussions and decision-making on matters germane to improved union-management relations and more effective overall system operations.
- C. The District and the Federation are committed to supporting the Living Contract and have established the following joint goals:
 - Maintain open lines of communication between the District and the Federation;
 - Conduct on-going negotiations as timely problem solving;
 - View collective bargaining as collaboration;
 - Provide flexibility in dealing with issues as they arise.
 - Discuss future district initiatives that have a potential impact on teachers' work and workload.
- D. Nothing herein shall be deemed to impair the authority of the Superintendent, or preclude the Superintendent from consulting informally with members of the bargaining unit.

The parties agree to establish three (3) joint committees. The overall charge of each committee is summarized as follows:

- **Living Contract Committee**
Policy/District-wide issues, instructional issues, long-term planning
- **Supporting Quality Teachers (SQT) Team**
Teaching and learning issues
- **Contract Administration Committee/Negotiations**
Dispute resolution, contract implementation, working conditions, interim negotiations

In addition, the joint committee(s) may:

- 1) Set up temporary sub-committees, task forces or design teams to address particular issues;
- 2) Recommend revisions to the Negotiated Agreement to clarify language and meaning, correct contradictions or inconsistencies, remove outdated language and organize and streamline it;
- 3) Train District and Federation staff regarding the Agreement and best practices with respect thereto;
and
- 4) Recommend joint communications to clarify particular issues.

7. 2. The amount of the deduction to be made from each teacher's wages will be certified in writing to the District by the Treasurer, President or Executive Vice-President of the Federation. In the event the Federation dues are changed, the District agrees to effect such changes in deductions within thirty (30) days following the receipt of a written notice from the Treasurer of the Federation.
3. Dues deduction shall continue from year to year without further authorization and at current monthly dues amounts unless the authorization to deduct is revoked by the teacher as provided herein. Article 7, INSTRUCTIONAL COUNCILS (ICs)

- A. The District and the Federation agree to support the work of each school's Instructional Council (IC). ICs are established as part of a collaborative effort to improve and support the teaching and learning process in the Albuquerque Public Schools. It is the intent of the District and the Federation to allow the individuals on each council to use their collective expertise and experience concerning their site and community to address school issues that fall within the scope of instructional improvement. The following requirements and recommendations set limited parameters.
1. The IC includes the principal, a federation representative elected by federation members at the school, teachers elected by teachers, and parent representative(s) of the school parent body recognized by the school and may include representatives of other bargaining units as defined in their respective negotiated agreements, and any other personnel and/or students deemed appropriate by the IC and elected by their constituent group.
 2. Teachers shall comprise at least fifty percent (50%) of the IC.
 3. Meetings shall be open to any member of the school staff or school community.
 4. The IC shall comply with Negotiated Agreements, Board policies, District procedures/directives, New Mexico laws/regulations and Federal laws/regulations when addressing issues. Issues shall be addressed in a collaborative manner.
 5. Specific structure and protocol for the IC shall be developed by the IC and published for the school community.
 6. If a decision concerning an issue cannot be reached, and a decision must be made because the issue at hand is time-sensitive, then the IC will defer to the principal.
 7. IC members have certain obligations, rights and responsibilities of membership, including attending and actively participating on the IC; reaching out to the diversity of the represented group to hear their opinions and ideas; communicating those opinions to the IC; supporting goals and strategies to implement the school's Educational Plan for Student Success (EPSS); checking with supportive documents such as Board Policy and the Negotiated Agreement; and collectively supporting the school improvement process.
 8. The IC will act as the leadership team that manages the process for the implementation of the Common Core State Standards at each site. This includes:
 - Creating structures at the school that explicitly connect the work of the Instructional Council and the Instructional Coach so that the Collaboration work is connected to the implementation work.

- Moving the staff from awareness of the CCSS to implementation.
- Ensuring information is not just dispensed, but also understood.
- Ensuring that teachers are able to share their perspectives and pedagogical strategies with each other as they learn about and implement the CCSS.
- Collaborating with the Instructional Coach and teacher leaders on professional development about the CCSS.
- Gathering both qualitative data and quantitative data about the progress of implementation, questions that arise, and the supports needed by the teachers.
- Basing the implementation of the CCSS on the unique needs of the staff and student population of the school.

- This is a collaborative effort between the IC members and their constituents. Work on the CCSS implementation should not come “top-down” from the IC to the staff.
- The Instructional Council will ensure that the implementation of the CCSS at their site is informed by, and connected to, the District’s plans.

Note: The term “Instructional Council” is a generic term for all leadership/management teams at a school. Individual sites may choose different titles for their Instructional Council.

B. Leadership Councils: At large Constituent Groups

1. Employees may create district-wide at-large Leadership Councils when employees with common areas of interest and expertise are assigned at different schools throughout the district. Constituent Leadership Councils will include administrators and employees and shall be recognized by the District and the Federation.
2. APS and ATF recognize the following Leadership Councils:
 - a. Nurses
 - b. Social Workers
 - c. Speech and Language Therapists
 - d. Transition Specialists
 - e. Diagnosticians
 - f. Special Education Department Head Teachers
 - g. School Psychologists

C. Instructional Councils: Process and Content

1. The Instructional Council is concerned with both process and content. The process will be similar at all sites. It is collaboration among stakeholders working together to develop common visions for their sites. The content or issues addressed by each IC will vary in nature. What may be an instructional priority for one school community may not be for another.
2. There are two strategies usually associated with this process: site based management and shared decision-making. These strategies are dependent upon collaboration and consensus building. For shared decision making to work, the issues to be decided must be meaningful and not merely symbolic. Important decisions must be reached in a collaborative manner. Participants can readily discern the difference between involvement and influence. Without experiencing influence, participants may soon choose not to be involved.
3. IC’s are empowered to address school issues that fall within the scope of instructional improvement.

D. Instructional Councils: Decision-Making Processes

1. Consensus Decision-Making: The primary decision-making model is a consensus process, especially when the issue affects the entire staff.
 - a. Definition of Consensus Decision-Making: Consensus decision-making is a process in which participants make decisions by agreement rather than by majority vote. A consensus process is where representatives of the affected parties with a stake in an issue work together to find a mutually acceptable solution. Decisions are reached through a consensus process that includes the following:
 - 1.) There has been communication with and input from constituents.
 - 2.) Participants have reached a meeting of the minds sufficient to make a decision and carry it out.
 - 3.) There is agreement that no one who could block or obstruct the decision or its implementation will exercise that power.
 - 4.) There is agreement that everyone needed to support the decision and put it into effect will do so.
 - b. This definition does not mean unanimity of thought. The resulting agreement may be a package of various levels of enthusiasm and support, but the agreement is one that each party can accept and live with.
2. Alternative Decision-Making Models
 - a. There may be alternative decision-making processes that are appropriate at times. IC’s must determine which decision-making model is best suited for the issue at hand (i.e.: consensus, majority vote of the IC, vote of the entire staff, adoption of committee recommendations, etc.).

- b. Determination of the model to be used needs to be made through consensus. The model used may change from issue to issue.
 - 3. Decisions reached by the IC must be collaborative in nature among the role groups participating in the IC process. Collaborative problem solving provides more resources, more diversity of ideas and more social support for the decision.
 - E. Instructional Councils: Considerations for a Successful Collaborative Structure
 - 1. IC representatives are elected.
 - 2. The representatives are elected to serve a specific constituency.
 - 3. The selected representatives constantly communicate with their constituents.
 - 4. Communication with constituents is focused on giving information and getting their constituents' perspectives in order to represent all points of view at the meeting.
 - 5. The IC has taken the time necessary to be clear about:
 - a. What decisions it makes and;

This also applies if a school has a half time (.5) vacancy but nothing smaller than a .5 will be considered when buying a teacher's prep time with a .2 contract extension.

F. Special Education Continuum of Service Delivery Options

1. As the Albuquerque Public Schools (APS) and the Albuquerque Teachers Federation (ATF) seek to continue providing quality services many innovative models of service delivery have emerged. Any model for service delivery needs to accommodate all services as indicated on an individual student's IEP.
 - a. The Individuals with Disabilities Education Act (IDEA) requires that a school provide a continuum of service delivery options in order to meet the varied individual needs of students who are eligible to receive special education services. Such a continuum could include the following:
 - 1) Full participation in the general education class - the student pursues the same objectives within the same activities
 - 2) Multi-level instruction - students attend the general classroom but pursue different objectives at multiple levels based on individual need
 - 3) Curriculum overlapping - a group of students is involved in the same lesson in the general education classroom but pursuing goals and objectives from different curricular areas
 - 4) Alternative participation - students pursue alternative activities if the general education class does not address student needs through strategies described above
 - 5) Participation in general education classes and alternative special settings
 - 6) Self-contained special education services
 - b. Some models of service delivery within this continuum are part of an overarching strategy called "co-teaching" and include:
 - 1) Supportive Teaching - one teacher presents content, another provides enrichment
 - 2) Parallel Teaching - teachers sometimes work in separate groups in the classroom
 - 3) Complementary Teaching - certain learning strategies within the context of a content lesson
 - 4) Team Teaching - both teachers share the whole class instruction; lessons can be divided and there may be simultaneous instruction
 - 5) The intent of the IDEA is to serve all children within the general education setting (whenever appropriate) with the use of supplemental aids and services. Removal from general education should occur only after the IEP Team can justify that the student's needs cannot be satisfactorily met in the general education setting, even with supplemental aids and services. The District and the Federation support all schools in their endeavors to achieve the least restrictive environment for each student.

G. Definitions

1. Often, the differing interpretations of terms are so varied that meaningful dialogue becomes hampered. The following definitions are offered in order to develop a common vocabulary. The following terms have a basis in state and federal regulations.
 - a. Special Education: The Individuals with Disabilities Act (IDEA) guarantees that students with disabilities will have "a free appropriate public education (FAPE) that emphasizes special education and related services designed to meet their unique needs.
 - b. Least Restrictive Environment: A term referred to in IDEA that requires:
 - 1) To the maximum extent appropriate, children with disabilities, including children in public or private institutions or other care facilities, are educated with children who are not disabled and that placement in special classes, separate schooling or other removal of children with disabilities from the regular educational environment occur only when the nature or severity of the child's disability is such that education in general education classes, with the use of supplementary aids and services cannot be achieved satisfactorily.
 - c. Inclusion: Not a term used in regulation but is a philosophy (not a program or strategy) that believes all students in a school should have equal access to all program and services in an integrated setting. It is a belief that each individual is valued and belongs to the school and the surrounding community.

H. Special Considerations and Suggestions

1. The following considerations and suggestions are provided to assist schools in structuring services to meet special education students' individual needs:

- a. Special education is an integral part of the total educational enterprise, not a separate entity nor a place. It is a means of enhancing the capacity of the educational system to serve the needs of all students.
- b. Decisions about the appropriate education for students with disabilities must be made on an individual student basis. Each decision must be a cooperative venture involving educators, parents and, when appropriate, the student.
- c. The aim of any service must be to facilitate the provision of an appropriate education for the student. A clearly stated educational rationale is necessary to remove a student from his or her current educational setting to a more or less restrictive environment within the continuum of services.
- d. The commitment to educate a student with disabilities in the general education classroom setting should continue to the degree that is it consistent with meeting the specific needs of that student.

I. Summary

- 1. The planning, selection, and availability of service options must be based solely on individually identified student needs. In all cases, the general education setting must be considered first, especially given the strategies available to general and special education personnel. If, after special consideration, it is determined that the student will not benefit from full participation in the general education setting, a variety of other settings may be considered with the least restrictive educational setting identified as a guiding principle.
- 2. There have been proposals by some schools to eliminate all self-contained or segregated special education service options. This would obviously result in a continuum of services not being made available to students in those schools, The District and the Federation support individual children being served in a general education classroom 100% of the time with appropriate support as just one option within the continuum of services. The District and the Federation cannot support full inclusion as a policy/practice in which all students with disabilities receive their total education within the general classroom, without regard for their individual needs. All schools are expected to meet the individual needs of their students unless the district has created a specially designed classroom to meet the needs of a low incidence population of students.

Article 12, PROFESSIONAL DEVELOPMENT

- A. The Board and Federation recognize that they have a basic responsibility to provide opportunities for the development of those entering the teaching profession and the continual improvement of teachers in the District.
- B. If the District allocates SIS (Substitute In-Service) to the schools, the principal in collaboration with the faculty will determine the utilization of the SIS days. The utilization of the SIS days shall be equitable and in conformity with guidelines as promulgated by the Superintendent or designee.
- C. Schools may be granted upon request the use of a regular school day for the purpose of in-service programs/training without students in attendance. Such requests may be made when a new program is being implemented, a new school is being opened, or major changes are being planned.
- D. In-service days so identified by the District that have the effect of extending the calendar beyond one hundred eighty-four (184) days shall be paid at the rate of \$18 per hour. Participation for such days shall be voluntary.

Article 13, EVALUATION PROCEDURES

- A. Teacher evaluation serves multiple purposes. This includes improving the overall quality of the teacher workforce by identifying and building on individual strengths, identifying quality instructional practices that improve student learning, providing support and feedback to teachers and ensuring valid employment decisions. Both principals and teachers have roles and responsibilities within the evaluation process.

 4. Written feedback will be provided within ten (10) calendar days.
 5. A teacher may request a post-observation conference at any time.

 7. Prior to the last day of the school year, the principal and the teacher shall review, complete and sign the appropriate documentation to complete the observation cycle. The teacher shall have the opportunity to provide written comments. The completed report including the Professional Development Plan and any attachments shall be submitted to the Department of Human Resources for inclusion in the teacher's personnel file. The teacher's signature shall constitute acknowledgement that the teacher has read and understood the observation report.
- D. If a teacher who has signed three (3) consecutive full year contracts with the District exhibits unsatisfactory performance, the following due process procedures shall apply:
1. The principal will informally discuss with the teacher the unsatisfactory performance and the changes necessary to improve.
 2. If the unsatisfactory performance continues, the principal will meet with the teacher to discuss the unsatisfactory performance, recommendations for assistance to the teacher and time lines for the necessary changes in performance.
 3. If the unsatisfactory performance continues, the principal will make a written recommendation to the Superintendent to initiate the Intensive Evaluation process outlined below.
 4. If the Superintendent approves the recommendation, the principal will send a letter notifying the teacher of the decision and will meet with the teacher to discuss the following:
 - a. the unsatisfactory performance;
 - b. recommendations for change in performance;
 - c. time lines for necessary change in performance;
 - d. suggestions for assistance to employee which may facilitate change in performance;
 - e. scheduled observation with pre and post-conferences;

- h. inform the employee of the mandatory right and requirement to go through the PAR process if there is an available Consulting Teacher to work with the employee exhibiting unsatisfactory performance.

See Article 9.C.5. on page 40.

- 5. All reports and documents relative to the Intensive Evaluation process will be reviewed, signed and dated by the principal and teacher and attached to the completed Intensive Evaluation Report Form. These documents will be sent to the Department of Human Resources at the end of the process to be placed in the teacher's personnel file. The teacher will receive copies.
- 6. If the situation is resolved within the established time lines, a letter to that effect will be sent to the teacher from the principal with a copy to the personnel file.

APPENDIX D TIME CHART

The Negotiated Agreement and District practices allow for additional time and flexible scheduling to be used for professional development and other school-specific functions. The chart below clarifies how the time can be used and who determines how it is used.

Article of agreement and/or description	What	Who decides
5, C.4. Lengthening of the duty day (see page 12)	The duty day can be extended up to two (2) hours every twenty workdays. The time must be used for school business and must be attached to the duty day. In other words, teachers cannot be required to return to work in the evenings.	<i>Principal/Supervisor can use these hours at his/her discretion</i>
5,C.5. Professional Development time (see pages 12 and 32)	Schools may utilize up to an additional thirteen (13) hours annually for professional development activities collaboratively planned through the Instructional Council. Any district-mandated training will be included in these hours in accordance with the procedures outlined in Appendix D.	<i>It is the Instructional Council's responsibility to:</i> <ul style="list-style-type: none"> • <i>Decide in collaboration with the whole staff whether or not to use up to 13 hours annually for professional development;</i> • <i>Come to consensus with the staff on the content of the professional development;</i> • <i>Come to consensus with the staff on the scheduling of up to 13 hours annually for professional development.</i>
5, C.6. Federal, state or judicial training requirements (see page 12)	Up to fourteen (14) hours per school year can be used if required by a federal, state or judicial mandate.	<i>The district notifies teachers of the training and the entity requiring the training.</i>
“Banking” of instructional time	Schools sometimes extend the student instructional day in order to get blocks of time for school-specific activities. By extending the instructional day, schools meet state requirements concerning instructional time. This provides time when students are excused from school so that staff can have time for professional development, in-service, training etc.	<i>It is the Instructional Council's responsibility to:</i> <ul style="list-style-type: none"> • <i>Decide in collaboration with the whole staff whether or not to bank time;</i> • <i>Work collaboratively with the whole staff to decide the content of the professional development and the date or dates it will be held.</i>
<i>Open House/Curriculum Night</i>	It is a professional responsibility of teachers to attend one (1) open house or curriculum night.	<i>ATF and APS mutually agreed that it is the responsibility of the teacher to attend one of these functions. It is the principal who decides when the function will occur.</i>

**APPENDIX G
DEPARTMENT CHAIR ELECTION GUIDELINES**

GENERAL CONSIDERATIONS

Below are questions to be answered by the department, before the first nomination is made and certainly before the first ballot is cast. Each school may have a different view on each question, but there should be agreement on these issues before the process continues.

1. Determine the method of election/selection outlined in the Negotiated Agreement under Article 6.E.

Will an election be conducted, or will the names of two or more persons be submitted to the principal for his/her selection?

2. Determine the universe of voters. Who is eligible to participate in the election?

- All certified staff who work in the department?
- Does this include part-time employees? Contract employees? All ancillary personnel?
Itinerant ancillary persons, such as OTs, PTs, who may visit the school only once or twice a week?
- What about employees who teach in two or more departments, e.g. language arts and social studies? Do they vote in the department even if they only teach one class in that particular department?
- If a teacher will be transferring or retiring before the start of the following school year, should that person be eligible to vote?

3. Determine the definition of vote.

- One person, one vote? This is the usual practice.
- Does the "vote" of someone who is part-time (e.g. a .2 FTE) count the same as someone who is full-time?
- Should there be a "weighted" vote? Should a "vote" be based on the number of periods a person is in the department? For example, someone who teaches six periods per day in a department would have six votes. One who teaches two periods per day would have two votes. How would this apply to itinerant people like Adaptive PE teachers and OTs?

4. Specify how a winner is determined.

- Should the winner be elected by a simple majority of the votes cast, that is 50% + one?
- If there are multiple candidates, should a runoff election be held, or should the winner be the candidate that receives a plurality of the votes?

5. Determine, publish and distribute the timeline and procedures for the election.

PROCEDURAL RECOMMENDATIONS

- **Decide on a calendar for the election.** In highly contested elections, it is recommended that the following take place:
 1. Have a nomination period of several days.
 2. Post the nominations in the lounge during and after the nomination period.
 3. Conduct a department meeting in which each candidate can make a statement of their reasons for seeking the position and to answer questions by dept. members.
 4. Election Day(s) – Announce when the voting day(s) will be well in advance.
- **Post or distribute the election calendar, voting procedures AND the list of eligible voters, as decided by the department.**

- **It is recommended to conduct voting for at least two days and to develop a procedure for absentee voting, in case someone is sick or will be off-campus during the election period.**
- **Print official ballots and secure a ballot box.** If you are able to do so, obtain the use of a ballot box that can be locked. Place the ballot box in a public location for the voting period.
- **Make sure to clarify the times for voting and for counting the votes.** At the close of balloting, count the votes in the same public location. Invite everyone to the vote count.
- **The election procedures should specify what will happen in the event of a tie.** Will a tie be broken by a coin toss, or drawing high card or other chance drawing? The tie-breaker method should be agreed upon by both candidates, and understood by everyone, before the first vote is cast.

These guidelines have been developed from past experiences where voter eligibility and procedures have been at issue. It is strongly recommended that you plan for every contingency to ensure the integrity of the election.

APPENDIX H

ATF/APS CONFLICT RESOLUTION PROCEDURE

Refer to Article 25 of the Negotiated Agreement

The following process is an available option that may be used when a conflict exists between a supervisor and employee which the two parties have not been able to resolve on their own and the issue:

1. does not rise to the level of a grievable matter, but does warrant resolution; or
2. is grievable, but the employee does not wish to begin resolution efforts through the formal grievance procedure. If the grievance procedure would normally be available, any applicable timelines involved in the formal grievance procedure would be frozen or held in abeyance until such time as one or both parties voluntarily withdraw from the conflict resolution procedure.

It is understood that the conflict resolution procedure is voluntary and that both parties would have to agree to enter into the process in order to seek a remedy in the manner outlined below.

Stage 1. Face to face meeting between the parties occurs at a location off-site if requested by one or both parties. At this meeting, each party is given the opportunity to state the problem as they see it and respond to the other individual's issue and or perspective. At this point, the parties involved in the conflict may each ask for the assistance of a representative to assist in attempting to resolve the matter.

Either party or both parties may ask to have a third party ombudsman (trained in conflict resolution strategies) accompany them at this time—not as an advocate—but as a facilitator, with the purpose being to find a resolution to the conflict. The ombudsman would be selected from a cadre of trained facilitators.

Process: Allow for adequate time to resolve the matter. This could be limited to a set number of days or end with a notice from one party to another that they want to move on to mediation.

If resolution occurs – matter closed.

If problem is not resolved, then both parties agree to move to the second stage.

Stage 2. Mediation between the parties occurs with one or more trained mediators from EAP with the goal of reaching a resolution to the conflict.

Process: To activate the mediation process, indicate in writing on a form, developed for this purpose, that there is a dispute needing resolution through mediation. Submit copy of form to Employee Assistance Program to request the mediation process formally begin.

Protocol: Mediate in good faith

- This includes a requirement of confidentiality
- Open sharing of information
- Promptness / observation of timelines
- No steps are taken toward grievance or arbitration until the whole mediation process is completed.

If resolution is reached through mediation, a written agreement is signed by both parties with both parties agreeing to abide by the resolution. If no resolution is reached, a written statement to that effect is signed by both parties. Other avenues for resolution may be pursued if available.

MEMORANDUM OF UNDERSTANDING
HEAD SPECIAL EDUCATION TEACHER POSITIONS**

The District and the Federation agree that, as funds become available, the position of Head Special Education teacher at each school site will transition from an elected position to an allocated FTE. If the position of Head Special Education teacher comes with an allocation, then principals may hire specifically for that position. It will be a requirement of the job to attend Special Education Department sponsored meetings and trainings scheduled specifically for this role group.

The parties further agree that priority consideration for FTE allocations will be given to schools with either:

- The greatest number of special education programs or;
- A large number of programs serving Intensive Global Support 1 (IGS1), Intensive Global Support 2 (IGS2), Social Communication Support (SCS1 or SCS2 or SCS3), Social Emotional Support 1 (SES1) and Social Emotional Support 2 (SES2) students and,
- Based on release time available for the head teacher to perform his/her duties as determined by the school's special education department and the principal.

The transition from an elected position to an allocated FTE will be:

- At the end of the elected term or during a vacancy
- By mutual agreement between ATF and APS

**APPENDIX I.3
MEMORANDUM OF UNDERSTANDING
ELEMENTARY SPECIAL EDUCATION HEAD TEACHER**

The District and the Federation agree that, as funds become available, an additional differential of \$2,800 will be allocated for an additional Elementary Head Special Ed Teacher at school sites where head teachers currently have no time released within the duty day.

Allocations will be prioritized based on the Special Education Department's criteria including the greatest

number of special Ed programs at the elementary site; and a large number of programs serving Intensive Global Support 1 (IGS1), Intensive Global Support 2 (IGS2), Social Communication Support (SCS1 or SCS2 or SCS3), Social Emotional Support 1 (SES1) and Social Emotional Support 2 (SES2) students.

APPENDIX I.4
MEMORANDUM OF UNDERSTANDING
ADVISORIES AND STUDENT- LED CONFERENCES

The APS/ATF Task Force on Advisories and Student-Led Conferences met during the 2011-2012 school year. The following are joint recommendations for all APS middle and high schools:

The focus of the program will be on Advisories. Research supports that Advisories lead to better attendance, better grades, higher graduation rates and greater post-secondary matriculation. Student-Led Conferences are part of the Advisory program.

Best Practices for Student Advisories:

- Meets weekly if possible.
- Advisory groups consist of 15 students or fewer.
- All staff, including administrators and support staff, are assigned an advisory group.
- Advisors keep the same group of students throughout the students' years in the school.
- During lesson 1 the portfolio checklist is reviewed.
- Students, along with their Advisory teacher, are accountable for the completion of the portfolio.
- The portfolio includes, but is not limited to, the documents from the Student-Led Conferences.
- Student-Led Conference lessons are provided for teachers and are available on Blackboard. Lessons are intended to be a support, and are a tool, not a script. Schools/teachers should adapt the lessons according to the needs of the students in their Advisory group.

Requirements:

- A minimum of 8 Advisory sessions per semester.
- One end product of Advisories is a "portfolio". Schools, through the Advisory/Student-Led Conferences committee, will develop an agreed upon definition for their site of what can and will be considered a "portfolio".
- Portfolios will be shared with parents during Student-Led Conferences.
- In high schools, Student-Led Conferences are mandatory during the fall semester. Scheduling the second Student-Led Conference time in the spring is optional.
- Advisories will include the Next Step Plan in grades 8-12.
- Schools will work toward the Best Practices for Student Advisories listed above.
- Each site should have an Advisory/Student-Led Conference committee. One role of the committee is the continuous evaluation and adaptation, as needed, of the Advisory program. The Advisory/Student-Led Conference committee has a connection with the school's Instructional Council.

The APS/ATF Task Force on Advisories and Student-Led Conferences will continue to meet during the 2012-2013 school year. The goals of the task force will be:

- To collect data to determine the effectiveness of a focus on the best practices for the Advisory program in 2 high schools and 2 middle schools.
- Provide professional development and pilot an evaluation tool in the 4 schools.
- To make recommendations for consistency with the Next Steps Plan.

**APPENDIX I.5
MEMORANDUM OF UNDERSTANDING
WILSON READING AND OTHER PROFESSIONAL CREDENTIALS IN RELATION TO
PROGRAM NEED AND THE IDENTIFICATION OF INVOLUNTARY TRANSFERS**

1. In that the District has an interest in having a Special Education person at each site trained in Wilson Reading, the Federation and the District agree:
 - a. In the event that there is a reduction in the Special Education teaching staff at a school, and the employee who is trained in Wilson Reading is the least senior person, then the case will be brought to a panel made up of one ATF person and one APS person.
 - b. The APS/ATF Panel will consider the needs of the school's Special Education students and the background and qualifications of the Special Education staff in a multi-sensory reading program.
2. In the event the District believes that a teacher's credential or level of training constitutes a program need not identified in Article 16. B. 7. of this agreement, the case will be addressed as in 1.a. and 1.b. above.

**APPENDIX I.6
MEMORANDUM OF UNDERSTANDING
DIFFERENTIALS**

DIFFERENTIALS MEMORANDUM A

The District and the Federation agree to jointly research ways to compensate teachers for attending evening school activities and provide compensation as funding becomes available.

DIFFERENTIALS MEMORANDUM B

The District and the Federation agree to work toward increasing the differential for High School and Middle School Academy or Team Leaders (currently \$3,520) as additional funding becomes available.

**APPENDIX I.7
MEMORANDUM OF UNDERSTANDING
ELIMINATION OF ELEMENTARY LITERACY, MATH, AND EARLY CHILDHOOD LEADER**

The parties agree to eliminate the Literacy, Math and Early Childhood Leader Differentials identified in Article 6. E. 4. b. of the 2009-2011 Negotiated Agreement.

At such time as money becomes available to restore differentials, a determination shall be made through the negotiations process as to how this money shall be utilized for the purposes of compensating teachers for new teacher leadership roles to be established at the elementary school level.

**APPENDIX I.8
MEMORANDUM OF UNDERSTANDING
THE COMMON CORE STATE STANDARDS, STANDARDS-BASED TEACHING PRACTICES,
& THE RELATION TO APS PROGRAMS AND PRACTICES.**

The District and the Federation agree that starting in the 2012-2013 school year and in all subsequent school years, the Common Core State Standards (CCSS) will be the foundation of instruction for all APS students.

Both parties believe that teachers must collectively and collaboratively use appropriate methods and materials to help students develop conceptual understanding that leads to proficiency in the CCSS.

Both parties affirm that all educational programs must be sensitive to the needs and aspirations of students and that all students in APS must have equal access to the CCSS.

The following clarifications are intended to support the above statements:

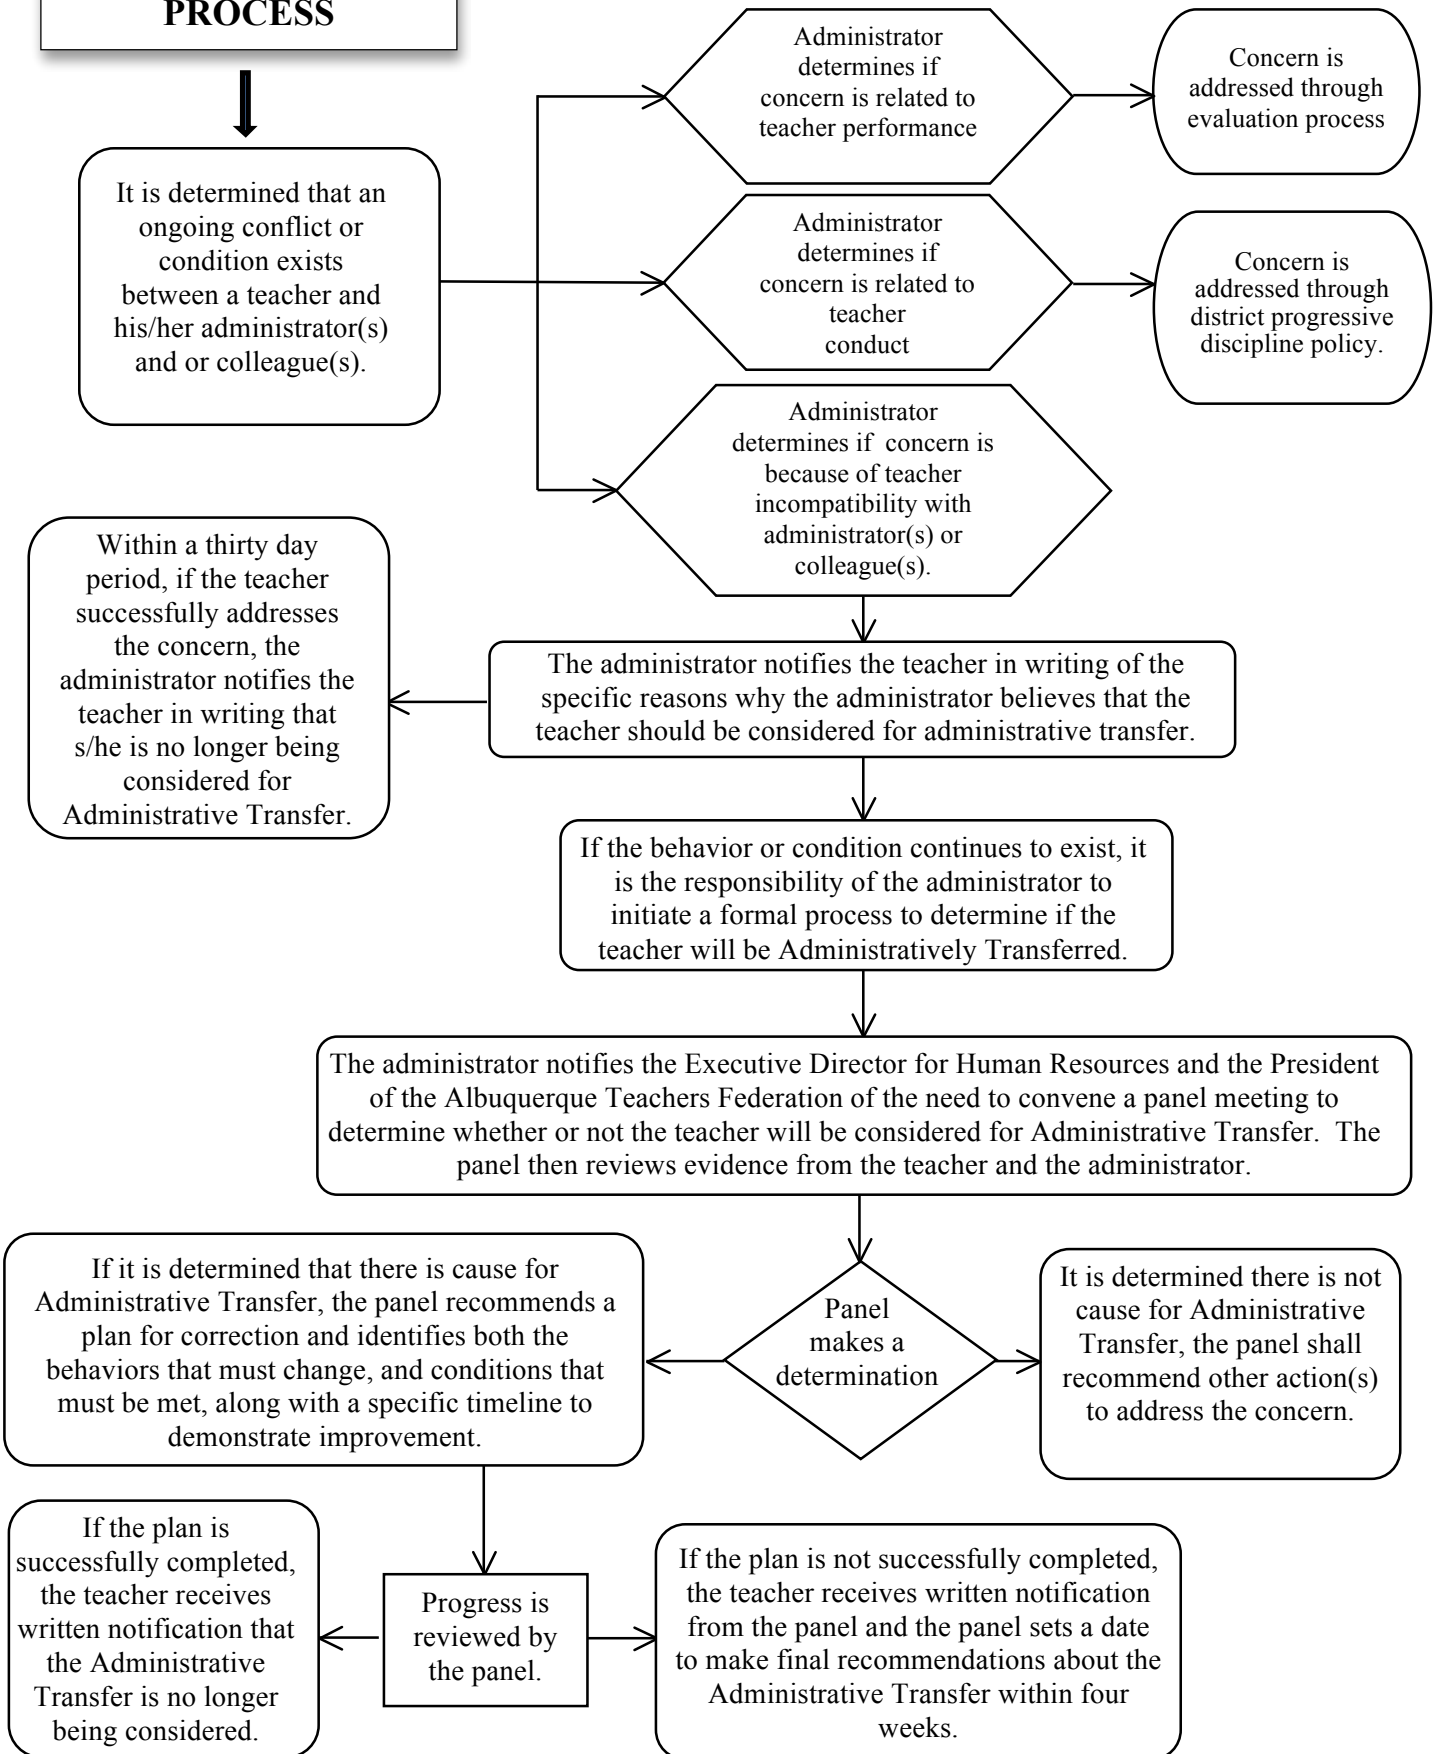

1. Teachers have the responsibility to teach to the standards. All instructional programs can be used with the CCSS. Teachers have the discretion to augment the District approved curricular programs. Teachers may also adjust the pacing and scope and sequence of District approved curricular programs to align with the CCSS.
2. As teachers use the CCSS to plan, they rely on district-provided texts and programs or they may develop curricula using a variety of texts, programs and resources that they determine are appropriate based on their professional expertise, experience and knowledge of their students. All curricula used must be clearly tied to the standards for the particular subject and grade level.
3. Tier II and III intervention programs, while more prescriptive by nature, are one of the instructional tools used to teach to the CCSS. Additional tools and resources may be utilized to meet the CCSS.
4. Principals and staffs are encouraged to analyze school practices to ensure they are still relevant as APS moves toward adopting the CCSS at all grades. For example: Baldrige is no longer a district-supported program. Continuing with Baldrige, CCI, Continuous Improvement, PDSA, and Goal Teams is at the discretion of the Instructional Council.

**APPENDIX I.9
MEMORANDUM OF UNDERSTANDING
ADMINISTRATIVE TRANSFERS**

- A. The parties have a mutual interest in establishing an Administrative Transfer process that is fair and addresses concerns not related to teaching performance or issues related to conduct. The pilot process in this agreement shall continue to be in effect for the 2011-2012 school year.
 1. The parties agree to evaluate the effectiveness of the process during contract negotiations for the 2012-2013 contract.
 2. The parties agree that the process included in this agreement will be used when determining whether or not a teacher can be administratively transferred from one school or site to another.
 3. As part of the process in this provision, the parties agree to establish a panel consisting of one member from the District, one member from the Federation, and, if one or both parties deem it necessary, one member from the Federal Mediation and Conciliation Service (FMCS).
- B. Administrative Transfer Process
 1. If there is an ongoing conflict or other condition that exists between a teacher and his or her administrator(s) and/or colleague(s), it is the administrator's responsibility to determine if the concerns about a teacher are related to teaching performance that should be addressed through the evaluation procedure or specific conduct that should be subject to the district's progressive discipline policy.
 2. If the administrator determines that the actions of the teacher or other conditions result in the teacher being incompatible with the administrator or colleagues at the school, the administrator will notify the teacher of the specific reason(s) in writing why the administrator believes that the teacher should be considered for Administrative Transfer.
 - a. Employees will have a minimum of one month to demonstrate that the concerns have been addressed.
 - b. It is recommended that the parties meet periodically, even after the issue is resolved.
 3. If, after being notified of the concerns, the behavior or condition stops or ceases to exist, the administrator will notify the teacher in writing that he or she is no longer being considered for Administrative Transfer.
 4. If the behavior or condition continues to occur or exist, it is the responsibility of the administrator to initiate a formal process to determine if the teacher will be administratively transferred.

- a. The administrator will notify the Executive Director for Human Resources and the President of the Albuquerque Teachers Federation (ATF) that he or she wants to convene a meeting of the panel to determine whether or not the teacher will be considered for Administrative Transfer
 - b. The panel shall convene and review the evidence presented by the administration and the teacher. Both the teacher and administrator can be assisted in the presentation of information by a representative or advisor of their choosing at this and any meeting of the panel throughout the entire process.
 - c. The panel will determine if the behavior or condition could warrant an Administrative Transfer.
 - d. If the case does not meet the panel's criteria the panel shall notify the administrator and the teacher why and recommend action the administrator could consider to better address the concerns. These could include, but not be limited to, using the evaluation process to correct behavior or the district's progressive discipline process to address conduct issues. The panel could also recommend that the teacher and administrator seek mediation services from the district's Employee Assistance Program.
 - e. If the behavior or condition meets the criteria for an administrative transfer, the panel will recommend a plan delineating specific behaviors and conditions that must change and establish a timeline for improvement that shall be no longer than six (6) weeks in duration.
 - f. The plan shall be provided to the teacher, the site administrator, HR and ATF.
 - g. At the end of the established timeline, the panel shall reconvene to hear of the progress or lack of progress made. If the teacher has successfully completed the steps, s/he shall be notified of expectation that the behaviors or conditions within the teacher's control become permanent. At this point the teacher shall be notified he or she is no longer being considered for an Administrative Transfer.
 - h. If the conditions of the plan have not been met, the panel will notify the teacher and set a final meeting date no later than four (4) weeks later to make a final recommendations about the process and timeless for the Administrative Transfer
- C. If, at any point during the process, the administrator wishes to remove the teacher from consideration for Administrative Transfer s/he may do so.
 - D. Teachers may seek a voluntary transfer in accordance with Article 16, B. of the agreement at any time during the process.
 - E. If, while on the administrative transfer plan, new problems are identified, the behaviors or conditions related to the problems could be addressed by the panel.
 - F. If a teacher successfully meets the conditions of the plan but the problems originally identified arise at the same school site with the same administration, the teacher shall be notified of the problem and the administrator shall notify ATF and HR of the need to convene the panel. The panel shall determine if the behaviors and conditions are the same or similar to those that led to the panel placing the teacher in the process. If so, the panel shall convene a meeting to hear evidence and determine if the teacher should be transferred.

ADMINISTRATIVE TRANSFER PROCESS

APPENDIX I.10
MEMORANDUM OF UNDERSTANDING
TESTING COORDINATOR RESPONSIBILITIES & COMPENSATION

The District and the Federation agree to negotiate language creating a differential for the teacher leadership position of School Testing Coordinator as funds become available for the compensation of this position.

The school testing coordinator:

- Coordinates and organizes all testing activities at the school site.
- Develops and orchestrates the testing schedule and testing logistics for the site.
- Attends all mandatory district meetings to receive appropriate training in state testing guidelines
- Provides appropriate training at the school site to individuals who will administer standardized tests to ensure proper testing protocols, procedures and test security measures are followed.
- Maintains school-wide general test security.
- Coordinates and consults with the school principal on any and all testing irregularities.
- Reports all testing irregularities to the district testing manager.
- Coordinates with the head special education teacher to ensure that appropriate testing accommodations are made available for special education students who require such accommodations.
- Coordinates with the ELL teachers to ensure that appropriate testing environments are made available for ELL students.

For the 2015-2016 school year, the .6 FTE will remain the same for high schools. The position is not an elected position.

For alternative high schools, middle schools and elementary schools the following formula will be implemented:

Based on school enrollment:

0 to 500 students	= \$5,000
501 to 1,000 students	= \$7,000
1,001 and above students	= \$10,000

Additionally, an at-risk index will be applied to schools as below:

0-1.5	= no additional funding
1.6 to 2.0	= additional \$1,000
2.1 and above	= additional \$2,000

Decisions about how to disburse the funds available to best support the testing responsibilities will be collaboratively planned through the Instructional Council. Only employees in the teacher bargaining unit, the site principal and assistant principal(s) are eligible to receive testing coordinator compensation. Schools may also use testing coordinator funds for substitutes.

Each school must identify a Testing Coordinator who will serve as the point of contact and liaison between the district and the school site and must meet the expectations of the district as the testing coordinator.

APPENDIX I.11
MEMORANDUM OF UNDERSTANDING
VOLUNTARY TRANSFER OF A FULL-TERM EMPLOYEE INTO A SHORT-TERM POSITION

Full-term teachers may be offered and may accept a teaching position that has been identified as a short term position; however, they shall do so with the understanding that if that position is no longer available at the conclusion of the term of that position, then they will be placed on the must hire list for reassignment into a position for which they are qualified elsewhere in the District. (Employees who work at a traditional calendar school cannot take a short position at an alternative calendar school and alternative calendar school employees cannot take a short term position at a traditional calendar school.) They shall do so with the further understanding that they are waiving any rights to remain in the short-term assignment and/or at the location site regardless of their seniority or qualifications, beyond the stated length of the short-term assignment which shall be for the remainder of the school year. These employees are free to pursue a voluntary transfer to another assignment prior to their being placed from the Must-Hire list.

MEMORANDUM OF UNDERSTANDING
ESL DIFFERENTIALS

If the number of volunteers exceeds the positions available at a grade level/department, ask for volunteers first. Then the assignment should be made on a rotational basis starting with an impartial selection process, such as a drawing.

Note: If a school has more TESOL-endorsed teachers than ELL groupings and uses a rotation as suggested above, teachers on an improvement plan or intensive evaluation would not be eligible to participate.

APPENDIX I.13
MEMORANDUM OF UNDERSTANDING
ELEMENTARY RECESS

ATF and APS recognize that recess for elementary students provides children with opportunities to engage in physical activity that helps to develop healthy bodies and practice life skills such as conflict resolution, cooperation, respect for rules, taking turns, sharing, using language to communicate and problem solving in real life situations.

In addition, research shows:

- An unmistakable link between movement and thinking because performing complex movements like dancing, throwing a ball or playing tag engage the same area of the brain, the cerebellum, as those used for problem solving, planning and sequencing.
- A person's capacity to master new and remember old information is improved by biological and chemical changes in the brain caused by exercise.
- Brain functioning, attention, memory, social and emotional development, and language development all reveal the unmistakable advantages of physical exercise.

ATF and APS agree to encourage all elementary schools to reestablish recess time for children in the morning, at lunch and in the afternoon.

APPENDIX I.14
MEMORANDUM OF UNDERSTANDING
HIRING OF ASSOCIATE DEGREE NURSES

The parties recognize that while the hiring of a BSN prepared nurse is a current requirement and would always be the preferred option, the district has been unable to fill all current nursing positions and has had to utilize agency nurses, some of whom are ADN nurses. The parties further recognize that Agency nurses are expensive to employ.

Given that ADN's hold the same nursing license from the New Mexico Board of Nursing and that they take the NCLEX exam and must pass this exam in order to be called a Registered Nurse, they are held to the same Standards of Care and hold the same liability as a BSN prepared nurse. The parties further recognize that the District currently has ADN nurses working for APS, who, in addition to their ADN, hold a degree in a related field. The significant difference between the ADN and BSN is that the BSN has completed a 4-year degree and the ADN has 2-3 years of college hours.

Given these facts, the parties agree to the following stipulations that would make hiring ADN nurses permissible:

- ADN nurses with at least 3 years of nursing experience may be hired provided that they are actively pursuing their Bachelor's degree.
- ADN nurses shall be given 2 years to complete their degree. If, due to unforeseen circumstances, more than 2 years is needed to complete the degree requirements, individuals would need to apply for an extension and this would be approved on a case-by-case basis.
- ADN nurses with 3 years of nursing experience may enter the Career Pathway System at 75% of Level II pay.
- Upon completing their BSN the employee will be moved the following year to 100% of the appropriate step of Level 2 in the Career Pathway System.
- The expectation for those ADN nurses entering under these conditions would be that they are performing at, and are evaluated based on, Level II competencies.

APPENDIX I.15
MEMORANDUM OF UNDERSTANDING
STAFF FEEDBACK ON PRINCIPAL PERFORMANCE

The parties agree that one essential component of a productive principal evaluation system is staff feedback. Toward that end, the District and the federation agree to start using a jointly created instrument for the 2013-2014 school year.

Please see APPENDIX J APS PRINCIPAL SURVEY pg. 100

**APPENDIX I.16
MEMORANDUM OF UNDERSTANDING
ROOM CHANGES**

It is the right of the school principal to assign rooms and change room assignments when necessary. However, if changes in room assignments impact several staff members, the District and the Federation jointly recommend the following process:

- Rationale for the moves be shared with staff.
- The perspectives from the principal and the staff about how best to accomplish the goals stated in the rationale.
- Input from all those who are directly affected by the moves.

When classroom assignment changes are at the end of a school year:

- Instructional time will not be interrupted for moves.
- Staff will be supported to pack and move. Support may include compensated time.
- There will be compensation for lost preparation time.

**APPENDIX I.17
MEMORANDUM OF UNDERSTANDING
ATHLETIC DIRECTORS**

1. Effective the beginning of the 2013/14 school year, the position of Athletic Director (AD) shall be a full-time position.
2. Effective the beginning of the 2013/14 school year, the AD differential shall be increased to \$7,300.
3. For the 2013/14 school year, AD's may continue to perform and be compensated for additional duties, coaching assignments and contracted teaching assignments. ADs will be required to report to work during the teacher duty day. The parties agree that this provision of this memorandum will be revisited through contract negotiations prior to the beginning of the 2014/15 school year.
4. It is the prerogative of the principal subject to approval of the Associate Superintendent to determine if an AD will be offered coaching assignments and/or non-elected differential positions at each school site.
5. PRINCIPAL AND TEACHER ACCOUNTABILITY AND ASSESSMENT ADVISORY
COUNCILS**

The Principal and Teacher Accountability and Assessment Advisory Councils working with the staff of the Office of Accountability and Reporting have reached six essential agreements around assessment in grades K-12.

1. Essential to a quality assessment system is capacity building to support teachers in designing and using authentic assessments and capacity building for principals around assessment literacy and the appropriate uses of assessment.
2. In keeping with the goal of maximizing instructional time, the District will mandate only essential assessments over and above those mandated by statute or rule from PED.
3. Those few district assessments must support instructional decision making for students, reporting to parents, and support program improvement efforts at the classroom, school and district levels.
4. Any district-mandated assessments will be aligned to standards (not curricula or programs), will be clearly communicated to teachers and principals, and the reason for these assessments articulated not only to principals but directly to teachers who are affected.
5. District mandated and district offered (optional) assessments will be jointly reviewed and selected by principal and teacher representatives and recommended to all members of these role groups for review and comment.
6. The current format of state mandated assessments limits their usefulness; results may be used to establish broad trends of performance but are not appropriate for individual student planning. The Councils support limiting the use of these assessments at the district-level to these described uses.

 2. Assuring that scheduled recess times at elementary schools designated as preparation time include all special education teachers.
- C. The parties agree to jointly research the financial impact of creating elementary school schedules that allow for meaningful and educational activities and/or lessons to be conducted by an educational assistant during specials and physical education instruction.

A provision of the Negotiated Agreement may be waived or altered only with the written consent of both the District and the Federation (Article 31 C.). A request for a waiver of a provision of the Agreement shall be granted or denied using the following procedure:

Waiver Request Specific to an Employee

Request for a waiver limited to the individual requesting the waiver must be made, in writing to the President of the Federation and the Director of Labor Relations for the District. The request shall specify the provision to be waived and the reason(s) for the request.

Waiver Request Affecting More than One Employee

Request for a waiver which affects two or more employees must be made, in writing, to the President of the Federation and the Director of Labor Relations for the District. The request shall include the provision to be waived and the reason(s) for the request.

Process for Federation Approval of Waiver Request Affecting More than One Employee

The Federation has established, by action of its policy making body, the ATF Fed Rep Council, its own internal procedure for granting approval of a waiver request from a school or work site or employees at a school or work site. This procedure has not been approved by the District and the District did not participate in formulating this procedure. The procedure is an internal union matter and is governed by the Federation's regulations and bylaws.

In order for the union to approve a waiver request, seventy-five percent (75%) of the Federation membership at the school or site must agree with the request (not seventy-five percent (75%) of those actually voting.) The Federation representative at the affected school or site shall conduct a vote of the membership. Requests for a waiver, with verification that seventy-five percent (75%) of the site membership has approved the request, shall be sent to the President of the Federation. The Federation will review the waiver request and then advise the District, in writing, of its decision.

Process for APS Approval of a Waiver

Waiver requests are reviewed by District administration, the site(s) and/or department(s) affected by the request. The guiding criteria are the "best interests" of students and staff. This procedure is an internal District process. This procedure has not been approved by the Federation and the Federation did not participate in formulating this procedure. The procedure is an internal District matter and is governed by the District's policies and procedures.

To request a waiver form, contact the ATF Office at act@atfunion.org.
