This initial compensation placement table is for placement of new hire teachers to the district only. Maximum entry level for new employees will be \$58,009. Employees do not necessarily progress to the next salary for the following

year. Each year's increase is based on the amount of available revenue. The experience supplement will be paid at the rate of \$100.00 per year beginning with the third year of service in the Aldine Independent School District. The maximum number of years for which the supplement will be paid shall be twenty (20) years. The local experience supplement will become effective at the beginning of the third year of service in the Aldine Independent School District.

This initial compensation placement table is for placement of new hire teachers to the district only. Maximum entry level for new employees will be \$58,009. Employees do not necessarily progress to the next salary for the following

year. Each year's increase is based on the amount of available revenue. The experience supplement will be paid at the rate of \$100.00 per year beginning with the third year of service in the Aldine Independent School District.

The maximum number of years for which the supplement will be paid shall be twenty (20) years. The local experience supplement will become effective at the beginning of the third year of service in the Aldine

Independent School District.
