paraprofessionals, auxiliary personnel, and temporary employees are 2%.

Salary increases for teachers, nurses, and librarians are \$1,000. Note that due to the increase in starting salaries to \$52,000, the increase for some steps is more than \$1,000 to elevate them above \$52,000.

Salary increases for speech pathologists, intervention specialists, diagnosticians, social workers, and counselors are \$1,000. Salary increases for administrators and assistant principals are \$1,200. Salary increases for principals are \$1,500.

The Board of Education adopts a new compensation plan each year. Future salaries or raises cannot be assumed or predicted.
