Inclement Weather and Emergency School Closings

This calendar has five days built in at the end of the school year for emergency closings, making the school year 186 student days and 196 teacher days. If any of the five emergency days are not used, they shall be deducted from the June closing date. **If more than five additional makeup days are needed:**

- Monday, April 17, may be used as a potential makeup day.
- Additional inclement weather closings after April 17, and any days needed beyond six, will be added onto the end of the school year.
- If emergency closings affect the end of any marking period, the calendar will be adjusted and the marking period extended so that both early dismissal days occur at the end of the marking period. This applies to all schools.

Religious Observances

Tests and examinations shall not be scheduled on the day of a major religious observance. Tests and examinations for evening high school will not be scheduled on the day a religious observance begins. Jewish and Muslim dates are set according to the Lunar calendar; they begin at sundown on the preceding evening and conclude at sundown on the dates noted.

- September 12: Eid al-Adha
- October 12: Yom Kippur
- October 3: Rosh Hashanah
