2019

August 14-16 & 19-20, 2019

Dear Colleague:

On behalf of our more than 85,000 students and 15,000 employees, I want to welcome you to our Anne Arundel County Public Schools family! The talents you bring to our school system — and to the students you will soon be educating — are critical in our quest to Elevate All Students and Eliminate All Gaps by providing effective instruction in a quality, supportive learning environment.

We know that adjusting to any new situation comes with challenges and many questions. Your new family members are here for you. To assist you with the transition into your new family of educators, you are invited to attend the ***Right Start: New Teacher Onboarding Kickoff***, to be held this year from August 14 through 16 at Old Mill High School. This kickoff and yearlong onboarding program will provide you with support and professional learning opportunities to enhance your knowledge and skill development. Our AACPS family is committed to supporting you personally and professionally as you travel this career path as a professional educator.

You are automatically registered for Right Start upon acceptance of your position. Additional professional development, as indicated on the following pages, is scheduled for several teacher groups on August 19 and 20.

I am looking forward to personally welcoming you on August 14 and to having you be a part of our #AACPSAwesome family.

Sincerely,
