3. directing and scheduling the work of its employees and evaluating their performance;
4. hiring, promoting, transferring, assigning and retaining employees in positions;

Nothing in this Agreement shall be construed as an abrogation of the legal responsibilities, powers and duties of the Board.

E. Recognition of TAAAC

The Board recognizes TAAAC as the exclusive representative to serve as the negotiating agent for Unit I members in accordance with the provisions of Section 6-401, of the Education Article of the Annotated Code of Maryland.

If the Board or the administration consider any changes in the bargaining unit (Unit I) represented by TAAAC, negotiations will be held with TAAAC prior to negotiations with any other group or organization and before any change in the composition of Unit I. Further, changes in the composition of the TAAAC bargaining unit may not occur during the life of any negotiated contract without mutual consent of TAAAC and the Board, provided, however, that if Section 6-404(b) (or a successor provision) of the Education Article is repealed or is invalidated by a court, this provision of the agreement shall be void.

F. Non-discrimination by TAAAC

TAAAC agrees to continue its policy of non-discrimination, as set forth in its bylaws, in admitting Unit I employees to membership, applying the terms and conditions of membership, and representing Unit I employees without regard to membership or non-membership in TAAAC. Non-members may expect representation in answers to Agreement-related questions, grievance processing and negotiations.

G. Non-discrimination by Board

The Board agrees to continue its policy of non-discrimination in employment, as set forth in its policies. The Board agrees not to discriminate against Unit I members because of membership or non-membership in TAAAC.

H. Non-discrimination in this Agreement

The provisions of this Agreement shall not be applied in any arbitrary or capricious manner, nor in any manner discriminatory on the basis of race, sex, age, national origin, religion, disability or socioeconomic status.

I. Effect of Agreement on other policies

This Agreement shall affect existing policy of the Board only to the extent that the provisions hereof are inconsistent with such policy, in which case the provisions hereof shall take precedence to the extent of such inconsistency.

J. Renegotiations

The items of this Agreement not requiring fiscal support shall be valid and binding when duly ratified by TAAAC and the Board, and thus shall be construed under the laws of the State of Maryland. The items which require fiscal support shall likewise be valid and binding if following budget enactment by the County Council the Board raises no question concerning the adequacy of funds for their implementation.

If categories which contain requests for funds to support items in this Agreement are reduced by the County Council, and the Board feels that it cannot implement the provisions of the items as negotiated, further negotiations on these items shall be instituted within five work days after enactment of the budget by the Council. Agreements reached shall be submitted to the parties for ratification at their next regular scheduled meeting following a five business day preparation period.

K. Severability

The Board and TAAAC agree that if any of the provisions of this Agreement or the application thereof to any person or circumstance shall be held invalid for any reason, such invalidity shall not affect the other provisions or any other application of this Agreement which can be given effect without the invalid provision or application, and to that end all provisions of the Agreement are hereby agreed and declared to be severable.

L. Reopening negotiations by mutual consent

The Board and TAAAC agree that the terms and provisions herein contained constitute the entire Agreement between the parties and supersede all previous communications, representations or Agreements, either verbal or written, between the parties hereto with respect to the subject matter herein. The Board and TAAAC agree that all negotiable items have been discussed during the negotiations leading to this Agreement and, therefore, agree that negotiations will not be reopened on any item, whether contained herein or not, during the life of this Agreement except by mutual consent.

M. Printing and distributing Agreement

The Board agrees to print and distribute this Agreement to all Unit I members after it has been ratified by the parties and fiscal items have been funded by the County Council Fiscal items subject to renegotiations as a result of inadequate funding will be omitted. Renegotiated items will be printed and distributed following agreement by the parties. The cost of printing these items shall be equally shared by TAAAC and the Board.

N. Superintendent-TAAAC discussion

Upon request of either party the Superintendent or designated representative(s), shall meet not less than quarterly with the President (or Executive Director) of TAAAC, or designated representative(s), to review and discuss recommendations and/or other matters of mutual concern to the parties to this Agreement.

ARTICLE 2

A. Individual rights

Nothing in this Agreement shall be construed to prevent Unit I members from exercising their individual professional rights, privileges or responsibilities.

B. Availability of policies and bylaws

A copy of the Board's policy manual shall be placed in the media center of each school. A copy of the Bylaws of the Maryland State Board of Education and a copy of the Handbook of Emergency and Legal Procedures (HELP) shall be available to Unit I members for use in the school.

C. Notification of legal rights

In case of charges against Unit I members which may result in dismissal the Board shall apprise them in writing of the charges against them and of their legal rights. TAAAC may assist them in exercising their legal rights upon request.

No Unit I member shall be told to resign as an alternative to this procedure.

D. Procedures for suspension of Unit I member

A Unit I member who is temporarily suspended from duty by the Superintendent, pending action by the Board, shall be notified in writing of the charge(s). If a conference with the member for an explanation of the charge(s) has not been held prior to the suspension, upon request of the member such a conference shall be held by the Superintendent and/or designee(s) within 72 hours after the request is received.

A Unit I member may request a hearing before the Board as provided in the Education Article of the Annotated Code of Maryland, Section 6-202. If the Unit I member requests a hearing, the member shall continue to be paid the member's salary until the Board renders a decision or until 120 duty days after the hearing request, whichever comes first. The member will be paid his/her salary beyond the 120 duty days after the hearing request if the Board's decision has not been rendered and if the delay in the proceedings has been caused or requested by the school system's staff, counsel, or hearing examiner. The member must further agree to a hearing to be held within sixty (60) days of the date the member's counsel is provided with the complete administrative investigative file and a letter from the Superintendent of Schools specifying a detailed list of the allegations upon which the Superintendent's recommendations are based. If this time period is during the summer between school years, the hearing will be held only when witnesses are available, even if this causes the hearing to be conducted outside of the above sixty (60) day requirement.

E. Personnel files

All items entered in a Unit I member's Personnel File in the Division of Human Resources after March 5, 1969, and in the Personnel File in the school office after March 5, 1973, except confidential references pertaining to original employment or promotion, shall be open to that member by appointment or the member can authorize review of the file by designating the member's representative in writing to the Director of Human Resources or designee or appearing in person with the representative. Otherwise the file shall be available to no one else except administrative and supervisory personnel and the clerical staff of the office where the file is located. Any request for copies of files must be made in writing by the member or representative on a form which will be available at the time of the request. These forms will also be available at other times upon request.

In case of any action taken against a Unit I member in connection with suspension or termination of employment, no documents shall be submitted as evidence which have not been made a part of the Personnel File described in the above paragraph.

No unfavorable entry, including documents relating to disciplinary action, shall be placed in the Unit I member's file without that member's knowledge. The member shall sign such entry to indicate only that the member is aware of the entry. If a member refuses to sign an entry, the originator shall attach a statement signed by a witness that the member was shown the item but refused to sign. If a member has left and is unavailable to sign an entry, a copy shall be sent to the member by certified mail and the mail receipt shall be attached to the file copy.

Unit I members shall have the right to respond in writing to any material placed in their Personnel File. Such response shall be attached to the appropriate file copy.

F. Citizenship rights

Full rights of citizenship shall be guaranteed each Unit I member.

1. Political Rights

The Board and TAAAC recognize the right of Unit I members to participate in political governmental affairs in a manner afforded any other citizen, including the right to vote; the right to be an active member of a political party of their choice; the right to campaign for candidates for election to public office; and the right to seek, campaign for, and serve in public office.

2. Prohibited political activities

Political activities of any Unit I member seeking or holding office or campaigning for a candidate shall be conducted outside the classroom and school premises and outside working hours.

The following activities upon property under the jurisdiction of the Board are specifically prohibited:

3. Protection against jeopardy of position

The positions of Unit I members will at no time be in jeopardy due to their political activities as long as they adhere to the terms of this Agreement and the Board of Education Policies and Regulations Manual.

4. Political leave

Tenured Unit I members shall be granted leave of absence without pay for the purpose of running for or serving in a public office if such participation interferes with their assigned duties.

Unit I members shall make the requests for leave of absence at least thirty days prior to the effective date.

5. Use of school facilities denied

Unit I members engaged in political activities such as seeking or holding public office shall not use the school's secretarial help, mailing service, telephone, office equipment and/or supplies for this purpose. This would not prevent a secretary from voluntarily assisting a Unit I member political candidate outside of the secretary's workday.

Political activities of any Unit member seeking or holding office or campaigning for candidate shall be conducted outside the classroom and school premises and outside working hours. These political activities include seeking advice, counsel, or assistance from other employees.

6. Privileges not denied

Nothing in this Agreement shall prevent:

- a. The dissemination of information concerning school tax and/or school bonds.
- b. The use of "bumper stickers" or other expressions of individual preference upon automobiles which members normally park on school grounds.

G. Out-of-school activities

The personal life of a Unit I member during non-duty hours shall not be the subject of action by the Board or

its administrative officials, provided these activities do not clearly impair the members' effectiveness in their assignments.

H. Leaving school during lunch period

Unit I members are permitted to leave school property during their duty-free lunch period, except that if they are late in returning, subsequent lunch leave shall require the principal's permission. This provision shall be withdrawn in the event of a school-wide emergency.

I. Retirement information

Upon request to the Division of Human Resources, Unit I members eligible to retire shall be provided with literature explaining the various options available to them upon retirement. A conference will be held for the member who wishes it.

J. Access to telephone

Unit I members shall be given access to a telephone for the purpose of contacting parents or conducting other professional business in a confidential manner.

K. TAAAC membership

No Unit I member shall be constrained from joining or coerced to join TAAAC by either the Board or TAAAC or any of their representatives.

L. Academic freedom

Unit I members shall have freedom in classroom presentations and discussions to introduce fairly all sides of reasonably controversial issues which are relevant to the basic content of the course. The basic content of a course and provision for its implementation and supervision shall be the responsibility of the Board.

M. Responsibility for total program

Unit I members shall accept the responsibility for understanding the contributions of the entire school program, both curricular and extra-curricular. They shall strive to improve the total school program.

N. Participation in curriculum development

Within the regular work week, as defined in Article 11, Item A, Unit I members shall regularly participate in curriculum development individually and in committees to which they may be appointed.

O. Responsibility for materials, books and money

Unit I members may from time to time be required to collect and transmit money to be used for educational purposes. They will not be held responsible for the loss of such money provided the loss is not due to their negligence and provided they have followed the procedures established by the school for the handling of funds.

Unit I members will be answerable for the books, materials and equipment assigned to them in the course of an academic year. They will not be financially responsible for the materials, their loss or damage to them unless they are negligent.

P. Availability for parent conferences

Parent conferences shall be scheduled with the time for such meetings being established by mutual agreement between the Unit I member and other persons involved.

Q. Outside tutoring for pay

Information disseminated to Unit I members and TAAAC concerning its tutoring service shall include the following statement:

Tutoring for which compensation is involved shall be subject to the following conditions:

1. During the school year, regularly employed teachers may not tutor students attending the school to which they are assigned in any subject offered in that school's regular curriculum, and pupil services persons shall not provide private professional services for pay for students enrolled in the school(s) to which they are assigned.

2. Before beginning work for pay with any student, the tutor shall have consulted with the regular teacher of the subject to be tutored. Where receipt of a unit of credit is involved the tutor and the student shall have received prior approval from the local school principal. Pupil services persons shall have consulted with the principal before beginning work for pay with any student outside the school(s) to which they are assigned.

R. High school graduation

Unit I educators who attend and assist with graduation exercises outside the established work week will receive one-half day of early release time. The day shall be mutually agreed upon between the educator and principal and may occur before the graduation date, but if the educator fails to attend and assist after taking the day, one-half day will be deducted from the educator's leave account.

ARTICLE 3
SALARY AND OTHER COMPENSATION

A. Teacher scale

There will be no across the board increase in the 2009-10 school year. The salary scales for July 1, 2009, through June 30, 2010 shall reflect the same salary rates as those of 2008-09. The salary scales shall be restructured on July 1 in each of the three fiscal years from July 1, 2010 through June 30, 2013, so that each step is increased annually by one-third of the dollar amount difference between it and the next higher step as illustrated in the appendices.

The resultant scales shall become the new base scales upon which increases and other enhancements will be subject to negotiations during the term of this Agreement.

The 2009-10 salary scales and the restructured base scales are set forth in APPENDICES which are attached to this Agreement.

Both parties agree to pursue a joint multi-year effort to create a competitive salary scale for Unit I employees that is at least in the mid-range of the surrounding districts on every step and every column. Those surrounding districts include Montgomery, Calvert, Howard, Prince George's, Baltimore County, Baltimore City, Harford, and Queen Anne's.

If funding earmarked for educator compensation becomes available due to the ARRA or other sources at any time during the course of 2009-10, this agreement shall be reopened for negotiations on that compensation.

B. Master's plus 30 hours

A salary increment for the Master's degree plus 30 hours shall be based on a completed program approved by the Director of Human Resources. To be eligible for consideration for the increment, an applicant shall hold a professional certificate and shall have earned a Master's degree and at least thirty hours of acceptable post-baccalaureate graduate credit in professional education courses for kindergarten through grade twelve or in content fields represented in the public school curriculum of Anne Arundel County.

A grade of "B" or better in all courses submitted shall be required in qualifying for the increment for Master's plus thirty hours of study, except that completion of an established program of advanced study at a university, such as the Advanced Graduate Specialist program, shall be accepted by the Board.

Master's plus 60 hours

A salary increment for the Master's degree plus 60 hours shall be based on a completed program approved by the Director of Human Resources. To be eligible for consideration for the increment, an applicant shall hold a professional certificate and shall have earned a Master's degree and at least sixty hours of acceptable post-baccalaureate graduate credit in professional education courses for kindergarten through grade twelve or in content fields represented in the public school curriculum of Anne Arundel County.

A grade of "B" or better in all courses submitted shall be required in qualifying for the increment for Master's plus sixty hours of study, except that completion of an established program of advanced study at a university, such as the Advanced Graduate Specialist program, shall be accepted by the Board.

C. Doctorate degree

A Doctorate degree shall be recognized for a salary increment if it was earned at a regionally accredited university in a subject or field which the Maryland State Department of Education has recognized through the issuance of a certificate at the bachelor's or master's level of preparation.

An additional increment shall be paid to any teacher holding a Doctorate degree who is eligible in accordance with the provisions of this item.

D. Exception for Conditional certificate

Holders of Provisional Degree Certificates who are within three semester hours of completing Standard Professional Certificate requirements, or who have completed the teacher education program in their teaching fields in a regionally accredited college but do not meet Maryland's requirements, shall be paid on the professional salary scale for one year to give them an opportunity to qualify for the Standard Professional Certificate.

E. Penalty lapsed certificate

Unit I members who are issued conditional certificates because of failure to renew professional certificates will have their salaries reduced by \$500 the first year, \$1,000 the second year and \$1,500 the third year and each year thereafter until they have reinstated their professional certificates.

F. Experience credit

Except as provided below, a new Unit I member or former Unit I member in Anne Arundel County Public Schools shall receive experience credit for up to twenty (20) years of verified full-time teaching experience during the regular session, from preschool through grade twelve, in an educational institution which is approved by the State Department of Education in the state in which it is located or related professional experience within their area of certification.

There will be no step granted to current employees for experience credit in 2009-10

External applicants entering AACPS service in years 2009-10, 2010-2011, and 2011-12 will have their respective credit for prior experience reduced to one year less than this section would otherwise provide.

The Superintendent and the Board may offer up to five additional years of experience credit to exceptionally qualified candidates in hardship areas as designated by the Division of Human Resources. No present or former Unit I member of Anne Arundel County shall lose any years of experience credit which the Anne Arundel County Public School System had recognized. However, a former Unit I member who has had teaching experience elsewhere since leaving Anne Arundel County shall be limited to the above experience credit for subsequent teaching experience outside the system if rehired by Anne Arundel County.

The limitation of experience credit for teaching outside Anne Arundel County shall not preclude the granting of additional credit for military service or work experience in accordance with policies of the local or state board of education. Experience credit may also be received for up to fifteen (15) years of related professional experience within their area of certification.

The ten-month school year shall consist of 191 days; a full month of teaching experience shall normally be considered 19 days. To compute the experience credit of an individual teacher the following shall apply:

1. Lost time shall be the leaves of absence which are normally granted without experience credit, or any other leaves granted in special circumstances and any time without pay.
2. The sum of these lost time absences shall be divided by nineteen (19) days to determine the months of lost experience credit; a major fraction shall be rounded off at the next highest number of months.
3. To determine the creditable months of experience, the months of lost service as computed above shall be subtracted from a full school year of ten months.
4. Days lost after the expiration of a Unit I member's earned accumulated sick leave shall not constitute a break in service.

This computation shall not include any time while a Unit I member is on Board of Education approved released time on business for TAAAC or its affiliated organizations. TAAAC shall submit an accounting of all such time granted by the Board of Education for this purpose no later than June 30 of each school year to the Associate Superintendent for Business & Management Services.

Days lost after the expiration of sick leave are regarded as lost time (regardless of whether or not salary is continued by the sick leave bank).

Except as indicated above, at the beginning of the school year each Unit I member shall be placed on the salary scale at the next step above the number of years of teaching experience for which credit has been given. If the Unit I member has been rated Second Class the member will not be placed on the next experience step. A major fraction shall count as a whole year in determining the step, although the record of experience credit in whole numbers and tenths, to which experience in succeeding years shall be added.

Part-time teachers shall receive credit for service in the same proportion as their fractional part of the full-time salary.

G. Salary scale for counselors, psychologists, psychology specialists, speech pathologists, pupil personnel workers and social workers

The salary scales for psychologists, psychology specialists, and pupil personnel workers are set forth in Appendices A through AAAA which are attached to this Agreement. The salary scales for ten month counselors (200 days) and twelve month counselors are set forth in Appendices A through Appendix AAAA which are attached to this Agreement.

1. Pupil services persons shall be credited with .5 days of sick leave for each pay period they are employed, the total of which will be available at the beginning of the school year.
2. Twelve month pupil services persons shall be credited with 1 day of annual leave for each pay period they are employed.
3. Unit I members on the single column scales for school psychologists, pupil personnel workers, psychology specialists, speech pathologists and social workers will be paid a salary increased by \$1,000 for holding a doctorate degree.

H. Athletic Directors' Salary Scale

2010-2013 Athletic Directors' Salary Scales

STEP	Effective 7/1/10	Effective 7/1/11	Effective 7/1/12	Effective 7/1/13
1-3	9,510	10,144	10,778	11,412
4-6	11,412	12,046	12,680	13,314
7-9	13,314	13,948	14,582	15,216
10-12	15,216	15,850	16,484	17,118

Using the appropriate step, the above will be added to each athletic director's teacher's salary to establish each athletic director's salary to be paid each pay periods. The above salaries will increase by the same rates as the teacher salary scales increase.

Additional compensation allowances provided by the extra-curricular pay scale Appendix B shall be applicable for services voluntarily rendered by Unit I members in addition to their required workweek, subject to the following conditions:

1. Conditions applicable

The principal of the school which sponsors the extra-curricular activity shall have assigned the teacher in writing to the position of responsibility prior to the beginning of the activity.

However, guidelines for the implementation of extra-curricular programs may be prepared and distributed by the central office staff.
 - d. Factors considered in assignment
It shall be the responsibility of the principal when assigning extra-curricular duties to give consideration to the educational objectives of the activities and to economy.

 - f. Limitation of assignment
There shall be no limitation on the number of activities per year for which a teacher maybe eligible for compensation. Assignment is at the discretion of the principal with the advice of the athletic director, where appropriate.
 - g. Contracts for assistant coaching
Before a contract is offered to an assistant coach in any sport, the head coach shall be consulted.
 - h. Yearbook/Flexible Contract
Effective July 1, 2006, one flexible Class VI extra-curricular contract will be available at each elementary school and developmental center. In schools where responsibility for the yearbook is assumed by other than a Unit I Member, the contract shall be provided in accordance with the conditions outlined above in Article 3(n) 1(a)-(1).
2. Longevity scale
Except as provided below, experience credit earned after the 1979-80 season shall accumulate towards a longevity scale. Experience credit is earned within a single activity. Teachers who serve as class advisors shall earn experience credit for each year during which they serve as class advisors. Those who follow a class will be paid based on the rate appropriate for that class, but will earn experience credit for each year of sponsorship of any qualifying class.

There will be no step granted to current employees for experience credit in 2009-10.

New extra-curricular contract holders in years 2009-10, 2010-11, and 2011-12 will have their respective credit for prior experience in the activity reduced to one year less than this section would otherwise provide.

One of the four (4) days must be the day of the funeral or interment. The remaining three (3) days may be taken either immediately before, immediately after, or surrounding the day of the funeral or interment, to meet the needs the circumstances dictate for the Unit I member. Upon written request from the member, stating the circumstances which made additional time necessary, the Superintendent or designee may authorize five calendar days.

F. Early leaving for summer school

When summer school attendance requires early departure, a teacher may be excused without loss of salary on the days on which teachers are required to remain for the completion of records, provided the teacher:

1. makes a written request, and
2. has been in attendance through the last day school was in session for pupils, and
3. has completed end-of-the-year obligations to the satisfaction of the principal, and
4. by June 27 furnished the payroll department of the Board with verification of summer school enrollment (a receipted bill for tuition or a statement from an appropriate official of the college).

For each day of absence to attend summer school, except the days which are excused in accordance with the provisions of this item, the salary deduction shall be 1/191 of the annual salary for each day.

G. Awarding of degree

When necessary, a Unit I member shall be granted up to one (1) day of leave with pay to be awarded a graduate degree during work hours on a school day.

H. Injury on the job

A Unit I member who is injured in line of duty and qualifies for disability under the Workers' Compensation Law shall be granted a special leave with full pay less salary payment by Workers' Compensation for a period not to exceed sixty (60) duty days, provided the member reports the injury to the principal on a Workers' Compensation form within three days. The limit of three (3) days may be extended by the Superintendent when inability to comply is demonstrated by the member.

The 60-day limit on leave shall not apply to a Unit I member who qualifies for paid leave under the Education Article of the Annotated Code of Maryland.

If the Unit I member is unable to return to work at the end of sixty (60) duty days, the member may elect to receive only Workers' Compensation or be placed on sick leave and/or annual leave (if applicable) and continue to receive full salary less Workers' Compensation for the period covered by these leaves.

I. Annual leave

Annual leave for 12 month Unit I members shall be accrued as follows:

1. Annual leave shall be earned at the rate of one (1) day per pay period of employment. Annual leave shall be accounted for in hours with the minimum increment for usage being one-half day. Anomalies in the weekly schedule of individual schools and worksites notwithstanding, one-half day equal 3.75 hours and a full day will equal 7.5 hours.
2. A Unit I member shall normally take annual leave during the summer following the year in which it is earned. The Unit I member may take annual leave at other times during the school year if the request has been approved by the member's immediate supervisor and if the leave does not interfere with the needs of the school system.

3. A Unit I member may use annual leave to attend summer school with the approval of the member's immediate supervisor provided that authorization of the Superintendent shall also be required for summer school attendance for the second of two consecutive summers. Two-thirds of a day shall be charged against annual leave for each day in summer school, except that a member who attends a six-weeks summer school shall have no less than five (5) days of vacation with pay.
4. If, at the end of any fiscal year (June 30), a Unit I member has any unused annual leave from the previous fiscal year the member may carry over a maximum of thirteen (13) days of such unused leave to provide a maximum of thirty-nine (39) days of annual leave at the beginning of any fiscal year. Not more than thirty-nine (39) consecutive days of annual leave may be taken during any 12 month period. Unused annual leave which would be lost because of this limitation on carry-over shall be converted to accumulated sick leave, provided, however, that there may not be an annual creditable accumulation of more than fifteen (15) sick leave days.

Exception: In the last year of employment prior to retirement a Unit I member may carry over eighteen (18) days of unused annual leave to provide a maximum of forty-four (44) days at the end of the member's last full fiscal year of employment.

J. Assault leave

A Unit I member who is absent due to physical disability/injury that results from an assault while in the scope of Board employment shall be kept on full pay status instead of sick leave during such period of absence. In this section, an assault is defined as an attempt by a person to cause or purposely, knowingly or recklessly cause bodily injury to a Unit I member.

K. Adoption leave

Upon request to the Director of Human Resources, Unit I members may take a temporary leave of absence without pay for up to twelve (12) weeks for the adoption of a child by requesting FMLA leave under the provisions of Article 8.L., the Family Medical Leave Act and related board policies and procedures. As soon as it has been determined that a Unit I member wishes to use adoption leave, the Unit I member must request this leave in writing to the Director of Human Resources normally within thirty (30) days in advance and provide appropriate documentation. Unit I members may elect to have continued participation in health benefits by assuming full cost of the premium. If, however, the member uses FMLA leave, the Board will continue making its contribution to the appropriate health benefits for the duration of the FMLA leave.

 - b. Ten month Unit I members, employed after September 15, and all 12 month Unit I members are eligible for FMLA one (1) year after the effective date of employment.
2. The 12 month period for FMLA will be the fiscal year.
3. The Unit I member must use available sick leave prior to going on unpaid FMLA leave. The Unit I member may elect whether or not to use other available paid leave while on FMLA leave.
4. FMLA leave may be used for serious health conditions of those persons covered by "illness in immediate family" of the contracts of the respective units as long as the current year's available sick leave allowed for illness in the immediate family (up to 15 days) has been used.
5. If a Unit I member is on paid leave because of his or her own serious health conditions, and such leave is pursuant to a sick leave bank grant or is covered by Workers' Compensation, such leave would be exempt from the Unit I member's FMLA entitlement.
6. All benefits will continue as provided in this agreement.
7. At the Unit I member's option, the Board will pay the Unit I member's share of the insurance premium

during the leave. The Unit I member, on return, will repay the Board for those premiums under a mutually convenient pay plan.

8. Leave taken intermittently or on a reduced leave schedule is not permitted for child care.
9. Except in unusual circumstances when FMLA leave is taken near the end of an academic term, the Board will not mandate FMLA extensions.

Reimbursement for courses for which grade slips are submitted after the deadline will be received by the next college credit payment date. A Unit I member who has resigned prior to the reimbursement will not be eligible for payment. However, if such Unit I member is reemployed within 5 years, the member becomes eligible for the full amount that would have been received for uninterrupted service.

They shall take reasonable action to deter acts of vandalism, willful waste of materials and utilities, and physical abuse of persons. The Board agrees that the member will have support from the principal or appropriate administrator in the reasonable disciplining of a student.
- B. Referral of severe cases**
TAAAC agrees that the motivation of students toward worthwhile learning activities helps significantly in preventing disciplinary problems. The teacher, therefore, shall exercise professional competence toward such motivation and thereby assume responsibility toward the establishment of effective discipline for the student and an atmosphere conducive to learning and disciplinary control in the classroom.

A student who refuses to obey a reasonable request of a teacher may be excluded from class and shall be retained in the office for the remainder of the instructional period. A serious disciplinary infraction or disruption by a student whom the teacher can no longer control shall be referred to the principal or to another staff member designated by the principal to deal with such a case. ARTICLE 11
WORK TIME AND WORK LOAD

A. Required work hours

The Board recognizes that additional time for individual planning for the delivery of instruction may be necessary outside of the required workweek. Classroom teachers shall be required to work 37½ hours a week at their assigned work location, exclusive of time for lunch.

In addition to regular classroom instruction, related professional duties to be performed during these hours shall include, but not be limited to, parent and student conferences, additional help to students, consultation with supervisors and administrators, studying and maintaining required records, preparation for instructional activities, and attending professional meetings.

The normal working day shall be 7.0 hours exclusive of duty-free lunch time, with the remaining 2½ hours per week reserved for meetings and/or other activities not included in the normal working day schedule. If these meetings and/or activities should require more than 2 ½ hours in any week, any teacher affected shall have the 7.0 hour schedule(s) for one or more days reduced to compensate for this additional time.

The times at which teachers must normally arrive in the morning and may normally leave in the afternoon shall be scheduled in each school by the principal working with the Faculty Advisory Council and considering the 7.0 hour limits stated above. However, individual exceptions may be worked out between the principal and the teacher.

On days when inclement weather causes a delayed opening, the required workday of teachers will begin thirty (30) minutes before the revised starting time. On days when inclement weather or excessive heat causes an early dismissal, the workday of teachers will end as soon as the teacher's responsibilities for student supervision are completed.

Teachers who work the regular scheduled duty hours shall sign the payroll register by initials only. The specific times of reporting and leaving shall be indicated on the register only when a teacher:

1. Arrives late or leaves early, or
2. Reports or leaves according to an exceptional schedule worked out between the principal and the teacher.

Teachers not assigned full time to one site shall also be required to work 37 ½ hours per week, inclusive of required travel time between schools, but exclusive of time for lunch.

Regular daily work hours totaling 37 ½ hours per week, exclusive of time for lunch, shall be established for pupil services persons and teachers in non-classroom positions working a 12-month work year. It is recognized, however, that the job requirements of these professionals are of such a nature that they often cannot be adequately met within a structured time frame. A normal work load for these persons may include such activities as late afternoon and evening meetings, home visitations, independent and group planning, and emergencies. The provisions of this paragraph may be subject to change in the 2008-2009 school year in accordance with the above described reopener.

C. Planning Time

The Board of Education of Anne Arundel County and the Teachers Association of Anne Arundel County mutually agree on the importance of the teachers planning collaboratively in our schools. We know that nothing is as important as the classroom teacher in making a difference in student performance. When teachers are collegial, sharing their knowledge and wisdom and problem solving, planning, implementing, and evaluating as a team, great gains for students can be realized.

Except where not administratively possible, each classroom teacher shall have at least 410 minutes of individual and group planning time within the required work week when not responsible for the supervision of students.

For elementary school teachers, a minimum of 210 of these 410 minutes of planning time will be scheduled during the student day and set aside for the individual planning time for delivery of instruction. Individual planning time during the student day for elementary school teachers will be scheduled in blocks of no less than 30 consecutive minutes. Nothing contained herein would preclude an elementary school from using a model which provides double blocks (1 full hour) on some days of the week and none on others in meeting the above 210 minutes minimum.

For secondary school teachers, a minimum of 210 of these 410 minutes of planning time will be scheduled during the student day and set aside for the individual planning time for the delivery of instruction.. Planning time during the student day for secondary school teachers will be scheduled in blocks of no less than 40 consecutive minutes.

For all teachers, if time within the 210 minutes is used for required group planning, an equal amount of time during the teacher workday will be set aside for individual planning time.

In addition to the non-student time referenced above, teachers assigned to the special education centers will receive 60 minutes per week of non-student time for case management, billing and other paperwork demands.

D. Equitable assignments

All Unit I members in a school shall be assigned total work loads of classes and other duties in as equitable a manner as reasonably possible consistent with a good program for pupils in the schools.

2. Expressing interest in vacancies

Candidates for transfer will, under their own initiative, access vacancy information on the system-wide computer listing, designated website, or job bank telephone listing. The candidate will then send the appropriate request for interview to the principal of the school in which the vacancy exists. The candidate may follow-up as needed to make certain the request for interview was received.

3. Interviews for vacancies that occur by July 1.

For any position that becomes vacant by July 1, the principal must interview at least three (3) candidates (provided there are three) for transfer prior to offering the position to a new hire.

4. Explanation of denial

If the candidate is interviewed but not selected for a vacant position, the candidate shall, upon request, be told the explicit reason(s) for the denial. The reason(s) shall be stated in writing if further requested by the candidate.

5. Vacancies during the school year

Vacancies that occur after the first day of the school year up to October 14 shall be filled with a new hire. Vacancies that occur October 15 and up until the end of the school year shall be filled with either a new hire or a long-term substitute as circumstances warrant. Any position declared vacant October 15 and thereafter will again be declared vacant at the end of that school year. The newly-hired teacher who filled that position will be guaranteed a position in the county, assuming ratings warrant such placement, but will not be guaranteed the same position. The newly-hired teacher may apply for the position along with all other teachers requesting transfer. If additional teachers must be involuntarily transferred after steps a., b., and c. have been effectuated, the principal will list all teachers in the excess pool in accordance with their total years of service calculated from their latest date of employment as certificated employees in the Anne Arundel County Public Schools, excluding lost time. Ties will be broken by the date on which the contract was signed. Remaining ties will be broken by total Anne Arundel County teaching experience. Subsequent remaining ties will be broken by total teaching experience.

If teachers returning from leave of absence have not received a new assignment by the last duty day for teachers, they will have priority over applicants and teachers requesting voluntary transfers; voluntary transfers will be allowed until August 15; however, no voluntary transfer will be allowed after August 1 if there are no acceptable candidates for the position being vacated.

D. Posting of new schools

The names of new schools to which teachers and counselors may request transfer for the following school year shall be posted in each school as soon as that information is available. Additionally, as soon as the name of the principal(s) is known, the information shall be posted in each school.

E. Notification of Assignment

Principals shall make available to school-based Unit I members a copy of the school's proposed roster of the tentative assignments and tentative schedules for the next school year by June 1 annually.

Non-school-based Unit I members shall be notified of their tentative assignment for the next school year by their appropriate department administrator by June 1 annually.

The reporting date for 10 month Unit I members shall be included with the above information.

F. Reduction in Unit I staff

When there is to be a reduction in the Unit I staff in any field for which a certificate is issued, the members in that field shall be laid-off in the following order:

- rehired retired teachers
- provisionally certificated members probationary members
- tenured members

No tenured members shall be laid-off until all probationary members in their field of certification have been laid off; no probationary members shall be laid-off until all provisional members in their field of certification have been laid off.

Tenured Unit I members shall be laid-off in each field of certification in inverse order of their total years of satisfactory service computed from their latest date of employment as certificated employees in Anne Arundel County Public Schools, excluding leaves of absence.

A tenured Unit I member, selected for layoff in accordance with the above procedure, who holds a teaching certificate in other subject areas and who has held any teaching assignment in that (those) area(s) in the Anne Arundel County Public Schools or has taken course work in said teaching area(s) within five (5) immediately preceding years, will be assigned to another field of certification identified in the following order:

1. to an identified vacancy if any exists
2. to a position held by a provisionally certificated teacher in that field
3. to the position of the least senior professionally certificated Unit I member in that field, if any less senior than the affected employee.

The member failing to indicate acceptance of such assignment within 48 hours upon its offer by a staff member from the Division of Human Resources will be given formal notification of layoff.

Any field affected by considerations 2 and 3 above becomes a field in which there is to be a reduction in staff.

A member teaching out of field, in a field in which there is to be a reduction in the Unit I staff, will be reassigned to the member's area of certification before layoffs are identified.

A member holding a certificate, in a field in which there is to be a reduction of Unit I staff, but is teaching out of field or in another field of certification will not be subject to layoff. However, such member cannot be transferred into reduction of staff field as long as there are members entitled to recall in that field.

When positions in their fields of certification become vacant, tenured members who have been laid-off shall be recalled in order of their total years of satisfactory service computed from their latest date of employment as certificated employees in Anne Arundel County Public Schools excluding leaves of absence. They shall be notified of recall by certified mail. Within ten (10) days of an offer to return to employment, the member shall accept the position in writing or it shall be determined that the member has declined the offer. It shall be the responsibility of each laid-off member to keep the Director of Human Resources informed in writing of any change in address. A member shall remain on the recall list for two (2) years.

If a Unit I member laid-off in the spring is recalled before the beginning of the subsequent school year, the layoff will be rescinded with no loss of experience credit, tenure or seniority. If a Unit I member is recalled after the beginning of the subsequent school year but before the end of the two (2) years on the recall list, the layoff will be rescinded. Days lost while awaiting recall will be regarded as lost time, however, time lost will not be considered a break in service.

If a Unit I member who was laid-off from a full-time position and is on recall is offered a part-time position for purpose of recall, the Unit I member may reject the part-time position without prejudice and shall be eligible to be recalled to a full-time position in accordance with the Unit I member's seniority when a full-time position becomes available.

If a Unit I member who was laid-off from a full-time position and is on recall voluntarily accepts a part-time position for purpose of recall, the Board will have met its obligation under Article 12.E.

If a tenured Unit I member who was laid-off rejects a recall to a full-time position in the field from which the member was laid-off, the Board will have met its obligation under Article 12.E.

The laid-off tenured Unit I member will be offered recall to other fields of the member's certification in order of seniority and after other laid-off members in that field have been recalled. The member who rejects such recall will be entitled to remaining recall rights for the field from which the member was laid-off. However, upon such rejection, the Board will have met its obligation of recall to the member's other field(s) of certification.

The Unit I member reassigned to a vacancy in a second field of certification is entitled to assignment to a vacancy in the field from which the member was reassigned provided:

there are no laid-off tenured Unit I members entitled to recall in that field, and

there is not a more senior Unit I member reassigned from that field but who has not rejected an offer of reassignment to the field, and

the vacancy occurs within two (2) years of the time of reassignment from the field.

Nothing in the above provisions is to interfere with the member's rights of transfer or the Board's rights of assignment as covered in other provisions of this Agreement, Board policies, state by-law, state law, or federal law. However, if the member rejects an offer of reassignment as outlined above, the Board will have met its obligation under Article 12.E.

If a Unit I member awaiting recall is employed as a long-term substitute, the Unit I member will earn experience credit for that service.

If a tenured Unit I member who was laid-off accepts a position requiring professional certification with another public school system, during the life of that contract, the contract with the employing school system shall supersede the contract with the Anne Arundel County Public Schools. No recall shall be subsequently issued by the Board during the life of that contract. The member so employed with another school system must notify the Board if the contract with the other school system is terminated in compliance with the regular teacher contract, and said member's recall rights will resume for the remainder of the two (2) years.

Tenured members on the recall list shall have the option of continuing membership in the Board's group hospital-medical plan by paying the full premium cost to the Board each month.

A Unit I member heretofore or hereafter promoted out of the Unit I bargaining unit shall retain such seniority as may have been earned while employed in a position which is included in the Unit I bargaining unit and may invoke such past seniority upon return to a Unit I position.

It is understood by the parties that the staffing requirements of EEOC shall take precedence over the provisions of this Agreement if they are in conflict.

An alleged misapplication of the layoff policy to tenured members shall be subject to grievance.

ARTICLE 13 **EVENING AND SUMMER PROGRAMS**

A. Evening and summer schools

Teacher opportunities available in adult education classes and summer school programs shall be advertised in each school.

Preference in the selection of teachers for evening and summer school shall be given to teachers who hold Standard Professional or Advanced Professional Certificates and have demonstrated teaching proficiency.

B. Summer workshops

Summer workshops in curriculum and other areas of school activity shall be advertised to all Unit I members. Selection of personnel for these workshops shall be consistent with the objectives of the activity. Participation shall be voluntary.

ARTICLE 14
NON-PROFESSIONAL DUTIES

A. Duties not contributing to teaching

The Board and TAAAC recognize that the function of the teacher is to teach and perform related professional duties; therefore, the parties agree that effort will be made to eliminate duties which do not contribute directly to the primary learning function.

Except in emergencies, individually assigned non-professional duties will not exceed 20 minutes per day during the student day. For the purpose of this article, supervision of students during arrival, departure and transitions between classes will not be considered non-professional duties. Nothing in this article shall preclude a different arrangement or schedule of duties if agreed to by the Principal and Faculty Advisory Council.

B. Collection of money

A teacher shall not be required to collect money for milk, lunch items, or other items not directly related to the instructional program or student welfare.

C. Use of teacher assistants

Where teacher assistants are used to assist in the instructional process teachers shall supervise their services and shall maintain responsibility for the instructional program.

D. Transporting students

Unit I members shall not be required to transport students in their private automobiles.

E. Custodial responsibility

Teachers shall not be required to perform custodial functions; they shall, however, give instruction and reasonable supervision to students in the care and cleanliness of school facilities.

ARTICLE 15
SUBSTITUTE TEACHERS

A. Calling

No absent teacher shall be required to call substitutes.

B. When provided

Substitutes shall normally be provided for all teachers absent from their regular teaching assignment including art, music, media specialists and physical education. Only after reasonable but unsuccessful efforts to obtain substitutes shall the principal assign teachers to other teachers' classes during their non-teaching periods.

Except in an emergency which occurs during the school day, no teacher shall be required to take a class for another teacher unless the teacher requested to take the class is given a reduced schedule or work load within the next five (5) work days.

Substitutes shall be provided for teachers involved in field trips, athletic events or professional meetings approved by the appropriate administrator, provided the event is scheduled for a half day or more and funds are appropriated for this purpose.

C. Teacher planning

Although the substitute shall assume the regular duties of the teacher, any teacher who uses leave shall assume responsibility for instructional planning that will provide students with a continuing educational program. A teacher's repeated failure to leave adequate plans for the class shall be reflected in the teacher's formal rating by the principal.

ARTICLE 16
EVALUATION AND RATING OF PROFESSIONAL STAFF

Definition of Terms

Assessment of performance consists of two major components, evaluation and rating.

"Evaluation" is that phase of the process by which administrative or supervisory personnel formally or informally appraise a Unit I member's performance primarily for the purpose of providing direction and bringing about improvement.

"Rating" is that phase of the process by which administrative or supervisory personnel formally assess, according to a predetermined schedule and instrument, the attainment of previously identified goals for the member's assignment.

"Instrument" is the rating form approved by the Board.

A. The evaluation process for Unit I members

1. Observations

Both scheduled and unscheduled (formal and informal) observations have value.

Observations, both scheduled and unscheduled, shall be conducted with the full knowledge of the individual. Observations should be made at different times of the day so that varied types of activities may be seen.

2. Conferences and written reports

Within two (2) days of a formal observation, a private evaluation conference shall be held. For the purposes of [Article 16A.(2)] this item a "day" shall be defined as a school day when both parties are on site.

A written evaluation shall follow all formal observations. A written evaluation shall follow within five (5) school days. It shall be in simple, precise language with specific recommendations for improvement where deficiencies are noted.

When a need is indicated, suggestions for improvement shall be contained in the written evaluation and a plan of action for improvement shall be developed during the conference. Constructive suggestions for improvement should include consideration of professional preparation needed for the assignment; and conditions under which the Unit I member works, such as the physical facilities, pupil load, and the number of pupils with special needs or adjustment problems.

3. Department Chairperson

Beginning in the 2010-11 school year, department chairpersons may conduct observations of the teachers and participate in the evaluation process within the department in accordance with the following limitations:

- The involvement of the chairperson in the observation process must be voluntary on the part of the chairperson.
- The chairperson must be trained in classroom observation.
- The involvement of the chairperson in the observation process must be by mutual agreement of the department chairperson and the principal.
- The involvement of the chairperson must be voluntary on the part of the impacted department members as evidenced by an affirmative vote of at least 80% of the department members
- Involvement of the department chairpersons in the observation process will be limited to the core subject areas of middle and high schools, and limited to no more than one department in each of those schools.
- This program will be reviewed in the summer of 2011 by the Joint Labor Management Committee. Recommendations from the LMC will be reviewed by the negotiation teams during a special session. Program expansions and revisions will be made upon mutual agreement.

4. Additional conference for pupil services persons

An informal, private evaluation conference will be held before the end of November in a year of evaluation. Mutually agreed upon goals and objectives may be developed.

B. The rating process for Unit I members

At the time of formal rating a conference shall be held, and Unit I members shall be shown copies of their rating.

Although formal ratings shall be presented to Unit I members by their immediate supervisors, the rating must be based on the conclusions and assessments of more than one staff member when the rating is unsatisfactory and for all non-tenured Unit I members.

The rating shall include consideration of the Unit I members' levels of experience and the conditions under which they work; including physical facilities, workload, and other factors that might limit effectiveness in attaining personal or program goals and objectives.

The rating shall be received prior to the last day for students.

1. Rating requirements

- a. Included in the factors considered in each formal rating of teachers shall be a minimum of two (2) classroom observations, one of which must be scheduled, of no less than 30 consecutive minutes each, during the year in which the rating is presented. These observations shall be made at least one month apart, where reasonably possible.
- b. Included in the factors considered in each formal rating of pupil services persons shall be a minimum of two (2) observations, one of which must be scheduled, during the year in which the rating is presented. These observations shall be made at least one month apart, where reasonably possible.

2. Frequency of rating

a. Non-Tenured Unit I members

Unit I members who have not achieved tenure status shall be rated at least twice during the school year except that if the second rating is unsatisfactory at least a third rating shall be made. The first rating of the year for non-tenured Unit I members shall be made by December 15.

b. Tenured Unit I members

Unit I members with certificates issued prior to July 1, 1995, shall continue to be rated at least once every two years.

- 1) Unit I members holding a Standard Professional Certificate (SPC) issued on or after July 1, 1995, shall be rated at least once annually.
- 2) Unit I members holding an Advanced Professional Certificate (APC) issued on or after July 1, 1995, shall receive a rating at least twice during the validity period of each certificate. The first rating shall occur during the initial year of the certificate. The 2nd rating shall occur in the 3rd or 4th year of the rating period, determined by the birth year of the Unit I member.
- 3) Unit I members who receive an unsatisfactory overall rating shall be rated at least once annually until receiving a satisfactory rating.
- 4) Unit I members who receive an overall rating of satisfactory or better subsequent annual performance shall be considered to be satisfactory in the absence of an annual evaluation.

3. Person responsible for rating

- a. Primary responsibility for the rating of Unit I members based in a single school shall be assumed by the school principal.
- b. School-based itinerant Unit I members shall be rated by the principal of their base school who shall receive input from the principal(s) of the other school(s) they serve.
- c. Central office-based itinerant teachers, resource teachers and teacher specialists shall be rated by the appropriate supervisor.
- d. Primary responsibility for the evaluation and rating of pupil personnel workers and psychologists

- shall be assumed by the administrator or coordinator within the discipline to whom they report.
- e. In all cases, input to the person with primary responsibility for the rating may be given by other school system administrative and supervisory personnel as appropriate.

4. Use of student achievement tests

The results of group standardized achievement tests of students shall not be used as the primary basis for the evaluation or rating of teachers.

5. Signing of reports

All rating reports shall clearly indicate an assessment of the Unit I member's performance. Written comments may be made by the member as well as the rater. Provisions shall be made for the Unit I member's signature to indicate that the member has seen the rating. Rating reports shall be signed by the Unit I member and by the person responsible for presenting the rating. If a Unit I member refuses to sign a rating, the originator shall attach a statement signed by a witness that the member was shown the rating but refused to sign. If a Unit I member has left and is unavailable to sign an entry, a copy shall be sent to the Unit I member by certified mail or shall be hand delivered and the receipt shall be attached to the file copy.

C. Subject of grievance

Items 16 A & B shall be subject to the grievance procedure only on failure to follow procedures.

ARTICLE 17

RESIGNATION AND CONTRACT RENEWAL

A. Provision for resigning

Tenured Unit I Members and Unit I Members who began employment prior to July 1, 2006, shall notify the Division of Human Resources as soon as possible of plans to separate from employment or request a leave of absence for the following year. A written resignation should be submitted as soon as a decision not to return has been reached and must be submitted no later than July 15.

Non-tenured Unit I Members who begin employment on or after July 1, 2006, shall notify the Division of Human Resources of plans to separate from employment or request a leave of absence for the following year. The written resignation must be submitted no later than May 1.

Unit I members who resign during the school year must provide thirty (30) days written notice. Failure to provide the thirty (30) days advance written notice with the exceptions listed below, shall result in the following:

1. References will not be provided to prospective employers. However, verification of employment experience shall be given, upon request.
2. A request may be made to the Maryland State Department of Education for a suspension of the Unit I member's professional certificate.

The above penalties shall not be invoked in the event of:

- a. Personal illness verified by a physician.
- b. Transfer of a spouse not known in time to provide thirty (30) days notice and verified by military orders or by a statement from an employer.
- c. Military service of a Unit I member verified by orders that is not known in time to provide thirty (30) days notice.
- d. An emergency as judged by the Director of Human Resources.

ARTICLE 18
OTHER PERSONNEL POLICIES

A. Screening for tuberculosis

The Board shall cooperate with the Health Department and other agencies in assisting Unit I members in complying with the state requirement to show freedom from active tuberculosis.

B. Communications

Every reasonable effort shall be made not to disturb classes with communications from the school office or similar interruptions.

C. Public address system

Except for instructional purposes the public address system in each school shall be used in accordance with the following regulations:

1. Announcements shall be made at one specified time during the school day, which should be outside of instructional periods.
2. Exceptions shall be made only in emergency situations.
3. At no time shall the system be used to monitor any room without the knowledge of the Unit I member(s) present.

D. Mileage allowance

A Unit I member who is required to travel from school to school or who is required to travel on school business shall be reimbursed for such travel. A member who is based in one school or in an area office shall be paid for required travel in excess of commuting mileage between residence and base. No member shall be paid for travel between residence and place of base assignment. The mileage allowance for reimbursable travel shall be based on U.S. Government rate (IRS) in effect as of July 1 of each year.

E. Health and safety hazards

Conditions on school premises which are considered by the Faculty Advisory Council to endanger the health and safety of pupils or Unit I members shall be reported to the principal, who shall immediately request an inspection by persons qualified to determine the existence or the extent of the alleged hazard. Upon receipt of recommendations from the qualified persons appropriate remedial action shall be taken at once.

Unit I members will not be asked to search for bombs or handle any objects suspected of being bombs, explosives or similar devices.

The closing of schools as a result of adverse environmental conditions will be considered on an individual school basis by the Superintendent of Schools or designee. Decisions concerning the length of the working day and place of duty for Unit I members will be made simultaneously.

The Board will ensure that each school principal, after consultation with the Faculty Advisory Council, develops a plan to enable teachers to notify the main office staff of emergency health or safety problems in their classrooms.

The Board will determine the existence/condition of equipment in each school which enables the teachers to notify the main office staff of emergency, safety, or health problems in their classrooms.

Where emergency notification equipment is in place, the principal will ensure that the system is monitored during the students day. Where the equipment does not exist, the Board will identify additional and/or future requirements.

F. Design and renovation of buildings

In the design of new school plants, and to the extent possible in the renovations of existing ones, the Board's plans for construction shall include:

1. at least one furnished teacher's lounge, space for preparation by those teachers temporarily without the use of a classroom and separate rest rooms for teachers,
2. a classroom or other adequate teaching space for each class, whether regular or special, and
3. space and facilities for specialists working with students. A teacher's desk, and nearby individual storage space for materials in each teaching area, shall be provided for each teacher who is full-time and for those visiting specialists who work directly with students.

G. Curriculum committees

Committees appointed to develop or revise various portions of the curriculum shall include classroom teachers.

H. Coaches' sports clinics, handbooks

Coaches shall be permitted time to attend sports clinics with the approval of the principal provided that substitute time has been made available by the Coordinator of Physical Education.

I. Sales presentations

Sales presentations shall not be given in meetings which Unit I members are required to attend unless they are for instructional matters.

ARTICLE 19 **GRIEVANCE PROCEDURE**

A. Definitions

The Board and TAAAC agree to the following definitions:

1. A "grievance" is a dispute concerning the meaning, interpretation or application of provisions of this negotiated Agreement concerning the salaries, hours, or working conditions of Unit I members.
2. "Grievant" shall be the Unit I member or members making the claim.
3. A "party in interest" is the person or persons making the claim and any person or persons who may be required to take action or against whom action may be taken in order to resolve the grievance
4. A "time limit" is the requirement that action be taken within a specific number of school days.

B. Purpose

The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may from time to time arise regarding this Agreement. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

Nothing contained herein will be construed as limiting the right of any Unit I member having a grievance to discuss the matter informally with any appropriate member of the administration, and having the grievance adjusted without the assistance of TAAAC.

C. Informal discussion

A Unit I member with a potential grievance shall first discuss the problem with the administrator who made the decision or the interpretation which is alleged to be in error. If the administrator involved is not school-based, an informal discussion shall be held, however, an association representative may be present.

D. Procedure

The following procedures shall be used in processing grievances:

Level One

A Unit I member with a grievance shall file the grievance in writing, using the Board of Education approved grievance form, with the administrator who made the decision or interpretation which is alleged to be in error. Such forms may be obtained at the work location or from the TAAAC office. The administrator shall render a

written decision within five (5) school days.

If the decision which is alleged to be in error was made by a member of the Superintendent's Executive Staff, Level Two shall be omitted and the grievance shall be filed with TAAAC for processing at Level Three.

If the decision which is alleged to be in error was made by the Superintendent, Levels Two and Three shall be omitted and the grievance shall be filed with TAAAC for processing at Level Four.

Level Two

If the grievant is not satisfied with the decision rendered at Level One, or if no decision has been rendered within the allotted time, the grievant may within five (5) school days file the grievance with TAAAC. If TAAAC believes that the grievance is valid, TAAAC shall within five (5) additional school days request a hearing before the Director of Employee Relations or designee.

Within ten school days the hearing shall be held and a decision rendered.

Level Three

If TAAAC is not satisfied with the decision at Level Two, it shall refer the grievance to the Superintendent within five (5) school days. The Superintendent/designee shall meet with the grievant and the grievant's representative(s) and render a decision within ten (10) school days after the referral.

Level Four

If TAAAC finds the Superintendent's/designee decision not acceptable, it shall within ten (10) school days notify the Board whether or not the grievance is to be submitted to arbitration. If the representatives of the parties cannot agree upon and acquire the services of an Impartial Hearing Officer, both parties shall promptly request the American Arbitration Association to submit to each party a list of persons skilled in arbitration of educational matters. Within seven (7) days each party shall cross off any names to which it objects, number the remaining names in order of preference and return the list to the American Arbitration Association. If a party does not return the list within the time specified, all persons named therein shall be deemed acceptable.

From among the persons who have been approved on both lists, and in accordance with the designated order of mutual preference, the American Arbitration Association shall invite the acceptance of an arbitrator. If either of the parties fails to accept any of the persons named, or if those named decline or are unable to act, or if for any other reason an appointment cannot be made from such a list of names, a second list of seven (7) names shall be requested.

The parties shall strike names alternately until only one name remains. That person shall be designated the arbitrator.

The arbitrator shall meet with the Superintendent or designee and the grievant and the grievant's representative(s) either separately or together. The format, dates and times of such meetings will be arranged by the arbitrator and will be conducted in closed sessions.

The jurisdiction and authority of the arbitrator shall be confined to the express provision or provisions of this Agreement at issue between the Teachers Association of Anne Arundel County and the Board of Education of Anne Arundel County. The arbitrator shall have no authority to add to, alter, detract from, amend or modify any provisions of this Agreement or to make any award which will in any way deprive the Board or the Superintendent of any of the powers delegated to them by law or State Board Bylaw, and not encompassed in this Agreement.

The provisions of the Agreement are arbitrable, while the powers of the Superintendent and the Board beyond this Agreement are not. The arbitrator shall not have the authority to consolidate separate grievances for a single hearing without mutual consent of the Board and TAAAC. The award, in writing, of the arbitrator within the jurisdiction and authority as specified in this Agreement shall be final and binding on the aggrieved Unit I member(s), the Association and the Board.

Any award of an arbitrator may be set aside by a ruling from a court of competent jurisdiction.

Any dispute arising in renegotiations following budget reductions by the fiscal authorities shall not be subject to this arbitration provision, but shall be resolved in accordance with Section 6-408, of the Education Article of the Annotated Code of Maryland.

The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel expenses, shall be paid by the non-prevailing party.

E. Separate filing of grievance records

All written and printed matter dealing with the processing of a grievance will be filed separately from the central office Official Personnel File of the participant.

F. Availability of Board information

The Board agrees to make available to the grievant and the grievant's representative(s) information in its possession or control which is relevant to the issues raised by the grievance and which is not privileged.

G. Released time for hearing

When it is necessary for any employee of the Board to attend a meeting or a hearing called by the Superintendent or designee during the school day, the Superintendent's office shall so notify the principal of such employee and the employee shall be released without loss of pay for such time as the employee's attendance is required at such meeting or hearing.

H. Time limit for initiating grievance

No grievance shall be recognized by the Board or TAAAC unless it shall have been presented at the appropriate level within fifteen (15) school days after the aggrieved person knew or should have known, of the act or condition on which the grievance is based, and if not so presented, the grievance will be considered as waived.

I. Time limit for processing grievances

The time limit for either party's responding in writing shall have been met if the reply was hand-delivered or postmarked by the last day of the period indicated.

The number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, an attempt will be made to reduce the time limits set forth herein so that the grievance procedure may be concluded prior to the end of the school year or as soon thereafter as is practicable.

J. TAAAC advice

Nothing herein shall deny any grievant the right to seek advice of TAAAC representatives at any level of these procedures.

K. Representation

Grievants may be represented above Level One by a person or persons of their choosing except that they may not be represented by an officer or representative designated by any teacher organization other than TAAAC. The grievant must, however, be present at all hearings. In case the grievant is prevented from attending a hearing because of an emergency, the hearing shall be rescheduled.

L. No reprisals

Neither the Board nor any member of the administration shall take reprisals affecting any party in interest by reason of participation in the grievance procedure.

A majority of the remaining members shall be elected by secret ballot of all teachers in an election conducted by the Faculty Representative(s) and the remainder shall be appointed by the principal. Nothing in these provisions shall preclude a decision of the faculty by secret ballot election to have the entire teaching staff act as the Council.
- The principal and/or designee(s) who are not members of the Council may attend meetings of the Council but shall have no vote.
- C. Chairperson and meeting rules**
Members of the Faculty Advisory Council shall elect their chairperson and shall establish rules for the conduct of meetings.

Officers or staff of TAAAC may be invited at the Council's request.

The agenda for each meeting shall be printed and distributed in advance to all Council members. A report of the action taken by the Council on each item shall be printed and distributed to all teachers promptly after each meeting.
- G. Restriction on procedures**
No procedure may be adopted in any individual school that is in conflict with this Agreement.
- H. Term of members**
Members of the Faculty Advisory Council shall be chosen in each school during the month of June and shall serve from July 1 to June 30 of the following year. In case of resignation or transfer of an elected member, a special election shall be called to choose a successor.

ARTICLE 21
TAAAC RIGHTS, PRIVILEGES AND RESPONSIBILITIES

- A. Bulletin boards**
While serving as the exclusive negotiating agent for all Unit I members employed by the Board, TAAAC shall have exclusive use of at least one bulletin board between nine and twelve square feet in area in each school. TAAAC agrees to confine all its postings to this bulletin board.
- B. Leave for President**
The President of TAAAC shall upon request be granted leave for the term office without pay, but with full experience credit for full time service to TAAAC. TAAAC shall reimburse the Board for the total salary and continuing benefits to the President during such leave.

Upon expiration of term of office, the President shall be guaranteed a position similar to the one held prior to assuming the Presidency.

C. Exchange of communications

The Board shall provide TAAAC with copies of all communications concerning salaries, wages, hours and other working conditions of Unit I members which are given general distribution to the schools. TAAAC shall supply the Board with ten copies of each flyer, newsletter or other communication which is given general distribution to its members. To the extent that it is feasible, distribution to the Board and TAAAC shall be made concurrently.

D. Materials to new Unit I members

TAAAC may provide one promotional folder and one letter advertising TAAAC's housing service to be placed in any packet of materials distributed by the school system to newly employed Unit I members.

E. Presentation during orientation of new Unit I members

Unit I employees hired to begin employment on or after July 1, 2006, will be presented with a jointly approved form at new employee orientation sessions. The form will identify the cost and benefits of membership and provide an opportunity for employees to choose whether to authorize dues deduction or to opt out of membership and waive the benefits thereof. All new employees will be required to submit a completed form. Copies of the completed forms will be provided to TAAAC. TAAAC will be provided a schedule of the new employee orientation sessions in advance, will be apprised of any changes to that schedule, and will be notified in advance of any additional ad hoc new employee orientation sessions.
