The terms Board and AHEM shall include authorized officers, representatives, and agents. Despite references herein to Board and AHEM as such, each reserves the right to act hereunder by designated representatives.

ARTICLE II
LAWS, RULES AND REGULATIONS

The parties agree to abide by the State and Federal Laws, rules established by the Minnesota Department of Education and reasonable rules and regulations established by the Board. Such Board rules and regulations will not be in conflict with this Agreement.

ARTICLE III
DEFINITION

Section 1. The term "teacher" shall mean any person employed by the District in a position for which licensure is required by the Minnesota Professional Educator Licensing and Standards Board or in a position of physical therapist or occupational therapist, audiologist, American Sign Language teacher, social worker, school nurse, school psychologist, except superintendent, assistant superintendents, confidential employees, principals and assistant principals and others who devote more than 50% of time to administrative or supervisory duties, and an individual who renders part-time teaching service for less than 300 hours in a fiscal year as an instructor in an adult vocational education program.

The term "teacher" shall include an employee hired by the Board to replace an absent teacher for more than 30 working days, and an employee hired by the Board for a teaching position created by increased enrollment, curriculum expansion, courses which are a part of the curriculum whether offered annually or not, or other appropriate reason.

Job Sharing: The term job sharing shall mean the practice of two (2) teachers employed by the District to share a full-time teacher position. The following conditions shall apply:

Subd. 1. Eligibility: A request to job share must be submitted to Employee Services prior to February 1st of each year. Teachers assigned to job sharing must be tenured and must be able to assume full-time positions if vacancies occur in the other portion(s) of their job share positions. The District shall have the right to request as a condition of assignment, that tenured part-time teachers waive their rights to full-time tenure in the event that their job-share positions become full-time positions created by unforeseen vacancies in the other portions of their assignments.

Subd. 2. Job Share Agreement: All teachers assigned to job share positions will sign an agreement with the District defining their employment and specific duties for the duration of their assignments.

Subd. 3. Renewal: Job shares are approved on a one-year-only basis and may be renewed on a yearly basis by agreement of the teacher, principal, and Employee Services Department. Annual approval of job shares for an individual teacher will generally be limited to no more than 5 consecutive school years.

Subd. 4. Duties: Duties will include shared responsibilities for service normally provided by full-time contracted teachers, including service on all District-defined student days and additional service on such non-student days (conferences, workshops, in-service planning days, etc.) as mutually agreed. Service of job share partners must be scheduled to permit coverage of the full assignment.

Subd. 5. Incumbency: It is understood that for District approved job shares for teachers from different buildings, each teacher's entitlement will be within the building in which the job share takes place based on the teacher's contract entitlement which immediately preceded the job share. Therefore, when the job share ends, each teacher will have his/her contract entitlement within the building to the extent their District seniority and licensure hold and the current Working Agreement language shall apply during the staffing process.

Subd. 6. Compensation and Benefits: Compensation for each teacher participating in the job share will be based on the rate established in the teachers' Working Agreement for that teacher's appropriate lane and performance increment on the teacher salary schedule. Days of service in this assignment will accrue toward future salary performance increment advancement as defined in the teachers' Working Agreement. For purposes of employee benefits, the position will be allocated the equivalent of one full-time position to be divided between the teachers serving on a part-time-basis in accordance with their defined duty schedule. Sick leave and other leaves are available on a pro-rata basis rounded to the nearest half day.

Section 2. Full-year Teacher

A full-year teacher shall be defined as teaching at least 187 days or having at least 1340 hours of employment.

Section 3. Full-time Teacher

A full-time teacher shall be defined as working at least an average 7 hours, 10-minute duty day.

A copy of the written disciplinary action shall be given to a teacher before it is placed in the personnel file.

Teachers shall be entitled to have an AHEM representative present at an investigatory interview which the teacher reasonably believes might result in a record of disciplinary action against the teacher. Such a meeting must be held within 48 hours after the teacher is notified.

The employer agrees to permit author(s) to copyright or patent any material produced or created by an employee.

This section refers only to those materials in courseware that are developed on the teacher's own time, with the teachers own resources, and for which no District compensation has been paid. A teacher may pilot a program in the classroom with District approval and the District would have the option to purchase the program at cost.

Section 17. Committees: Teachers shall be offered representation on each District-wide advisory committee. A majority of those teachers will be appointed by the exclusive representative and shall be a part of the recommendation-making process of the committee. Should the exclusive representative fail to appoint teachers as per this provision, appointments may be made by the administration.

Section 18. Site-based Decision Making: The District and its employee organizations will work together to implement site-based decision making in Anoka-Hennepin schools. A District advisory board to assist site councils will consist of administrators, community members, and representative licensed and non-licensed staff. D. All credits counted toward the salary lanes above the Master's Degree shall be on the graduate level and shall be earned after the Master's Degree has been awarded.

E. A grade equivalent of "C" or higher, or "P" when pass/fail method of grading is used, is required to apply toward performance increment-lane advancement.

Teachers designated by the District to voluntarily attend information or training workshops on non-duty days shall be compensated at the rate of \$194.00 per day for **2021-22** and **2022-23** in addition to any expenses incurred. Attendance at in-service or training workshops on a duty day but beyond the time for a normal duty day will be compensated up to the maximum hourly rate set forth in Section 6 of this Article.

Subd. 2. Workshops of one-half day on non-duty days will be compensated at one-half daily rate.

Subd. 3. Teachers who request and receive District approval to attend workshops, clinics, and seminars sponsored by either the District or outside agencies will be reimbursed by the District for approved expenses incurred (e.g. registration, travel, meals, lodging).

Subd. 4. Participation in staff development that is not included within the designated FTE will be compensated, but not become part of the individual contracts of part-time teachers.

Subd. 5. Teachers who are presenters at District staff development training shall be compensated an additional \$15.00/hour for the actual hours of presenting; in addition, they will be paid their hourly rate up to the maximum hourly rate set forth in Section 6 of this Article for an equivalent number of hours to prepare, outside their normal duty day, for the presentation. This subdivision is not applicable for teachers who are presenting during their designated duty days and who are: TOSA, Technology facilitators, or department leaders or subject area leaders presenting in their subject areas or regarding the use of technology for which they are receiving a leadership stipend.

Section 11. Miscellaneous

Subd. 1. A teacher who voluntarily teaches an additional class period during their prep time on an extended basis (excludes occasional substitute situation in Section 11, subd. 3) will be compensated on the following pro rata basis:

A. The fourth class period overload assignments in a 4 period day schedule shall receive .29 of the teacher's daily rate for each duty day of service except personal leave days. The sixth class period overload assignments in a 7 period day schedule and/or Anoka-Hennepin Regional and Technical High Schools shall receive .17 of the teacher's daily rate for each duty day of service except personal leave days. The fifth class period overload assignments in a 5 period day schedule shall receive .25 of the teacher's daily rate for each duty day of service, except personal leave days.

B. If the assignments are in schools with different schedule period systems, then the pro-rata hourly rate of pay for each student contact day taught will be determined by

taking the difference between the total percentage of the teaching assignments and .7143 if the teacher's greater assignment is a seven period day, or .750 if the teacher's greater assignment is a four period day, or .8 if a teacher's greater assignment is a five period model.

C. Elementary teachers who voluntarily agree to teach during their prep time on an extended basis shall be compensated on a pro-rata basis.

Subd. 2. A secondary teacher assigned to two or more buildings shall be given travel time instead of before or after school duties, unless otherwise agreed to between the teacher and principal/program supervisor. An elementary teacher who travels between buildings during the duty day shall be given a minimum of 1/2 hour reduced student contact time and shall not be assigned to before or after school supervisory duties, unless otherwise agreed to between the teacher and principal/program supervisor. Teachers who travel are guaranteed preparation time as defined in Article VII, Section 1.

Subd. 3. Teaching during Prep Time and Substitute Leave Time: If a teacher is requested by a building/program administrator to teach during assigned preparation time to cover an unfilled absence and the teacher accepts the assignment, the teacher will be compensated at the rate of \$22.50 for an elementary school hour preparation time or a six and seven period day school; or \$27.00 at a five period per day school.

Upon approval of the principal/program supervisor, teachers may cover time with another teacher to teach during that teacher's preparation time in lieu of compensation.

In lieu of the payment above and with the approval of the building/program administrator, a teacher may earn substitute leave time. At the high school level, five class periods of substitution will qualify for a full duty day of substitute leave time. At the middle school level, seven class periods will qualify for a full day of substitute leave time. At the elementary level, three hundred and sixty minutes will qualify for a full day of substitute leave time.

A teacher is limited to earning two days of substitute leave time per school year. Any earned days must be taken (1) within the school year earned; and (2) in full day increments. Earned 'substitute leave time days' are considered "personal leave days" for purposes of the limitations imposed in Article XIV, Section 2. Subd. 1 and Subd. 2. In addition, a teacher may not conjoin personal leave days or seniority days to substitute leave days. Teachers may use the two 'substitute leave time days' conjointly.

Subd. 4. In the event a substitute teacher is not available to fill the absence of an elementary teacher, and through initiation of the principal, students are placed into other elementary teacher classrooms, those teachers will be compensated at the retiree substitute rate divided by the number of elementary teachers absorbing the students. Where Early Childhood/Special Education (EC/SE) teachers team teach, and a replacement teacher is not available to fill the absence of an EC/SE teacher for a half day or a full day, the other EC/SE teacher will be compensated at the retiree substitute rate.

Subd 5. In the event a part-time teacher's primary assignment ends and the teacher is requested by the Principal to serve as a substitute, and the teacher accepts, the teacher will be compensated at the teacher's hourly rate up to a maximum hourly rate as set forth in Section 6 of this Article.

Subd. 6. A teacher who is not provided with a car and who is authorized to use the teacher's own automobile in pursuance of assigned school duties shall be reimbursed at the IRS approved rate.

Subd. 7. Special education and regular education teachers who are required to attend special education due process meetings outside the duty day and beyond the required conference time per (trimester) and have received prior approval from their supervisor/principal shall be compensated at the teacher's hourly rate up to the maximum as designated in Article X, Section 6. The District special education administration may also authorize additional hours beyond the required conference time per (trimester), to be paid at a teacher's hourly rate up to the maximum as designated in Article X, Section 6 for the special education evaluation team.

Subd 8: Elementary Professional Time: In consideration of professional time performed beyond the duty day on any duty day, as necessary, elementary teachers in dyads or triads shall be paid \$200 per trimester.

Section 12. A teacher, who achieves National Board of Professional Teaching Standards (NBPTS), American Speech, Language and Hearing Association Certificate of Clinical Competence (CCC-SLP, CCC-A) or holds national board certification for Psychology (NCSP), Nursing (NBCSN), Certificate Orientation Mobility Specialist (COMS), Physical Therapy (ABPTS), Occupational Therapy (NBCOT) or school social workers (LCSW) will qualify for an additional \$1,500.00 for each year the certification is in effect and in direct proportion to the relevant teaching assignment. Other recognized national certification or advanced doctorate or specialty degrees will be considered as mutually agreed by the Union and District.

Section 1. Upon learning of a teacher's pregnancy, a teacher shall notify the teacher's ~~her~~ principal/supervisor and the Employee Services Department of the expected date of confinement no later than the fourth month of her pregnancy.

Said teacher shall notify the principal/supervisor and the Employee Services Department of the teacher's intention to take such leave, or resign at least forty (40) duty days prior to the date on which the leave is to begin, except in emergency cases. Section 1. Parental Leave: A parental leave is defined as an unpaid leave of absence for the period of time a teacher intends for the convenience and comfort of the teacher as well as the care of the child. Although this leave need not be taken in conjunction with a birth and/or adoption of a child, it is intended for the care of pre-school and kindergarten age children. The specific length of leave will be conditional on a return date at either the start of a school year, or on the first day of a marking period if the leave is within the school year; for Early Intervention Program teachers July 1, October 1, January 1, April 1 or otherwise mutually agreed upon date.

Subd. 1. Employees selecting a parental leave, intending to return at the start of the school year or July 1 for Early Intervention Program teachers, must notify the Employee Services Department of their intention to return by February 1. If the employee has not notified the Employee Services Department by February 1, the District will notify the employee as soon as possible that they will be considered terminated fifteen (15) days after receipt of this notification if the employee fails to respond.

Subd. 2. As part of District staffing processes, teachers may request extension of parental leaves, with notification to Employee Services by February 1. While the District reserves its right to approve or deny requests, lengths of consecutive leaves shall not normally extend beyond 5 consecutive years.

Subd. 3. Return rights: See Article XVI, Section 1, Subd 3 and 4.

Subd. 4. Insurance: For teachers who are on FMLA leave, the District shall pay its portion of group health insurance pursuant to the provisions of FMLA. Teachers who are on approved parental leaves beyond twelve weeks of FMLA, or who do not qualify for FMLA but are on approved parental leaves, and who wish to continue health, dental, life, or supplemental life plans may do so by paying the group rate costs. Teachers participating in any of the insurance plans available shall prepay the District on a quarterly basis. Teachers who cancel their participation shall not be eligible for the insurance until they return to work.

Section 2. A parent, following the birth of the teacher's child, or following the adoption of the teacher's child, may use up to fifteen (15) consecutive days sick leave. ARTICLE XIV

SICK-PERSONAL/EMERGENCY LEAVE

The District shall comply with the provision of the federal Family and Medical Leave Act. Teachers shall receive insurance benefits and leaves under the federal Family and Medical Leave Act or under the contract.

Section 1. Full-time teachers will be granted 12 days leave of absence accrued and recorded on a per pay day basis over 22 (twenty-two) pay days for personal illness, serious illness of a member of the immediate family or on account of death of a member of the immediate family. The immediate family shall include husband, wife, children, mother, father, sister, brother, grandparents and in-laws of similar degree of relationship. Full-time Early Intervention Program teachers will be granted 12 days leave of absence accrued and recorded on a per pay day basis over 26 (twenty-six) pay days.

For personal illness/injury or illness/injury of the teacher's dependent minor child, the teacher may use up to the amount of sick leave the teacher has accrued and available.

For the serious illness/injury of the teacher's spouse, the teacher may use up to the amount of sick leave the teacher has accrued and available.

For the serious illness/injury of the teacher's dependent adult child, the teacher may use up to the amount of sick leave the teacher has accrued and available.

For serious illness of the teacher's parent (or in-law) or non-dependent adult child and for which the teacher must serve as the primary caregiver, the teacher may use up to twelve (12) weeks of sick leave the teacher has accrued and available.

For serious illness of the teacher's sibling (or in-law) or grandparent (or in-law) and for which the teacher must serve as the primary caregiver, the teacher may use up to four (4) weeks of sick leave the teacher has accrued and is available.

On account of death of the teacher's spouse, child, or parent (or in-law), the teacher may use up to two (2) weeks of sick leave the teacher has accrued and available for bereavement purposes.

On account of death of the teacher's sibling (or in-law) or grandparent (or in-law), the teacher may use up to one (1) week of sick leave the teacher has accrued and available for bereavement purposes.

A dependent minor child and a dependent adult child are defined as follows:

Dependent minor child: an individual under 19 years of age or an individual under age 21 who is still attending secondary school.

Dependent adult child: an unmarried child under 26 years of age enrolled as a part-time or full-time student and/or requires 50% or more of support; or an unmarried child of any age that is incapable of self-care because of a mental or physical disability.

Subd. 1. The 12 days allowed include personal leave, under Section 2 of this Article.

Subd. 2. The 12-day allowance will be granted at the beginning of the school year; however, a teacher may only use sick leave earned to date when going on an approved leave.

Subd. 3. A full-time teacher employed during the school year shall be granted twelve (12) full days of sick leave. Teachers with job share and teachers with part-time contracts will be granted pro-rata days of sick leave; however, part-time teachers in the Student Support Programs, Supplemental Programs or Alternative Programs not on continuing contract who work less than 536 hours per school year are not entitled to sick leave.

Subd. 4. Teachers terminating employment during the school year shall be required to reimburse the District for sick leave days taken but not earned.

Subd. 5. Sick leave shall accumulate to an unlimited amount.

Subd. 6. Sick and personal leave may be taken for a full or one-half day.

Subd. 7. Teachers who have accumulated thirty (30) days of sick leave and who use less than half of the year's allotted sick leave may cash in up to five days (six (6) days for teachers with less than 10 years seniority) of unused sick leave in June of each year, such days to be exchanged at a rate of \$138.00 per day for **2021-22 and 2022-23** by notification to the Labor Relations/Benefits Department. **Teachers who have been probationary terminated and who use less than half of the year's allotted sick leave may cash in up to six days of unused sick leave in June of each year, such days to be exchanged at a rate of \$138.00 per day for 2021-2022 and 2022-2023 by notification to the Labor Relations/Benefits Department.**

Teachers who have sold days to the District, and due to serious illness(es) have used their reserve, may purchase days from the District at a rate of \$138.00 for **2021-22 and 2022-23** to the limit that they have sold.

Subd. 8. Upon the District's initiative removing a teacher from the teacher's assignment, the teacher's sick leave days may be deducted for the time period necessary to obtain an appropriate health professional review/assessment regarding the teacher's physical or mental health to perform the teacher's job. Days deducted shall be credited back in the event the assessment determines the teacher was able to perform the teacher's job during the time period to obtain the assessment.

For a teacher who is out on sick leave or returning from a leave of absence, the credit back of sick days is not applicable for the time period necessary by the District to address the teachers' ability to perform the teacher's job which includes the assessment of medical information or the necessity of accommodation. Both the District and teacher recognize that reasonable effort to expedite the process is in the mutual interest of both parties.

Section 2. Personal Leave and Seniority Days: Three non-cumulative personal leave days deducted from sick leave shall be granted each year at the teacher's discretion. Teachers who have completed 10 years or more seniority with the district may request one additional personal leave day on a first-requested, first-granted basis to be deducted from their accumulated sick leave. The following guidelines shall be followed:

Subd. 1. No more than 7% of teachers within a building or program may take personal leave or their seniority day on a given day.

Subd. 2. Personal leave may not be taken the first five (5) days of the school calendar year, or the last five (5) days of the school calendar year, and, commencing on May 1 and continuing until the end of the school year, no more than five percent of the building staff may take personal leave or seniority day on Mondays (Tuesday of Memorial weekend) or Fridays except in emergency situations.

The 10 year seniority day may be used in the first five (5) days or the last five (5) days of the school calendar year but is limited to the percent limitations within the building.

Subd. 3. Only one personal leave day and the seniority day may be taken adjacent to a scheduled break without a substitute deduction. If additional personal leave days are requested adjacent to a scheduled break, the teacher will be required to pay the rate of \$138.00 per day for **2021-22 and 2022-23** for the days taken regardless of whether a substitute is actually hired. Teachers and/or principals do not have discretion to arrange days during an extended break for the purpose of avoiding a substitute deduction. Teachers may request that the Department of Labor Relations and Benefits waive the substitute deduction due to unusual circumstances.

Subd. 4. Teachers may request personal leave days on a first requested, first-granted basis. In cases where two or more teachers submit their requests at the same time and the building's 7% or 5% would be exceeded, district-wide seniority shall be used to break the tie (the most senior teacher shall be granted leave).

Subd. 5. A five (5) day notice shall be given, except in emergencies when a phone call to the principal shall be made. Notice is a filed, signed Teacher Personal Leave Form.

Subd. 6. Principal/Supervisors have discretion to approve or deny requests for exceptions to the personal leave day limits established in Subdivisions 1, 2, 4, and 5 of this section.

Subd. 7. If a teacher takes three (3) personal leave days (excluding seniority day) pursuant to this section, the teacher shall not be eligible for the sick leave buy back that year. Teachers may take two (2) personal leave days and the seniority day and still be eligible for sick leave buy back.

Subd. 8. For Early Intervention Program teachers on a year-round calendar, Subd. 2 of this Section does not apply.

An Early Intervention Program teacher shall be required to pay the rate established in Subd. 3 of this section only to a scheduled break of 2 weeks or more.

Calendars for Early Intervention Program teachers will be finalized by May 1 of the preceding school year.

Section 3. Absence without pay may be granted by the Principal or the teacher's immediate supervisor at the discretion of the Principal or immediate supervisor. Written notification of the response must be provided within three (3) days following receipt of the request by the Principal.

Section 4. Teacher absence due to injury by a student or a non-student while performing school business that is not provoked by the teacher shall not be charged against the teacher's sick leave days.

Section 5. Family Medical Leave: Subject to District policies, teachers may request leaves to care for the teacher's dependent child, regardless of age, subject to approval at the District's discretion, for unpaid leaves of absence beyond twelve weeks of FMLA.

ARTICLE XV

Unless otherwise specifically denoted within a section, all requests for leaves of absence or returns from leaves of absence including leave requests for reduced or modified contracts must be submitted to Employee Services prior to February 1st of each year.

Teachers who are unable to return from previously approved leaves of absence must provide advance notice as soon as practical, to Employee Services to determine the teacher's employment status. B. TOSA in the teacher's related field

C. One representative chosen by the teacher from the teacher's department or grade level.

Subd. 4. The granting of such leave shall be limited to .8 % of the teaching staff in the school year in which the request is made. If a teacher approved for sabbatical leave decides to reject the leave and so notifies the District before June 30, previously rejected applicants shall be eligible for this leave.

Subd. 5. Prior to February 1 of each year of sabbatical leave, the teacher who has been granted such leave shall inform the Employee Services Department of the teacher's teaching intentions regarding the school year immediately succeeding the year of sabbatical leave.

Subd. 6. If the teacher has worked in the District for at least seven consecutive years the reimbursement for sabbatical leave shall be one-half of the teacher's salary for the year of leave, or, if the teacher chooses, three-fourths salary for the year of the leave and three-fourths salary for the year following the leave. This reimbursement shall be paid on the condition that the teacher returns to teach in District No. 11 during the year immediately following the year of leave. If the teacher does not return to teach to the original full-time

equivalent in District No. 11 after the year of sabbatical leave, the teacher shall be obligated to refund all the money received for the year of leave.

Subd. 8. The following policies apply to a staff member on sabbatical leave:

A. Retirement: Deductions from salary will be made for retirement and Social Security. The retirement deduction will be based on the full salary that would have been paid if the teacher were not on a sabbatical leave. The District must so notify teachers requesting sabbatical leave of TRA rules prior to the granting of such leave.

B. Sick Leave: One-half of the days normally allowed will be credited for the year of sabbatical leave. These days are added to the days already in the leave bank.

C. Salary Schedule Movement: The sabbatical year counts as a year of service to the School District. The teacher on sabbatical leave goes to the next salary performance increment for the year following the leave.

D. Insurance Coverage: Health, Life and Dental insurance policies shall continue to be provided.

Subd. 9. Return rights: See Article XVI, Section 1, Subd. 3 and 4.

Section 2. Leaves for Educational Growth: It shall be the policy of District No. 11 to grant leaves of absence of one year for educational growth under the following conditions:

Subd. 1. The teacher must have served in the system for at least two full years.

Subd. 2. The teacher shall present the teacher's program for educational growth to the appropriate director and obtain approval and recommendation by February 1 of the school year prior to the leave.

Subd. 3. The teacher must inform the Employee Services Department prior to February 1 of the teacher's intention to return to the school system or the teacher shall be terminated at the end of the school year.

Subd. 4. Leaves of absence of one year may be extended for one year at a time. Application for this extension must be submitted to the Employee Services Department by February 1, and this request will be granted or denied no later than April 1.

Subd. 5. Teachers under this provision who desire to retain insurance benefits at group rates shall assume the costs. Notice shall be submitted to the District Insurance Office by May 15 prior to the leave.

Subd. 6. Return rights: See Article XVI, Section 1, Subd. 3 and 4.

Subd. 7. Experience credit for this educational growth will be evaluated by the Employee Services Department. A recommended performance increment placement will be made in accordance with the policies of the School District.

Section 3. Organization Leave

Subd. 1. Definition: A teacher who is elected and/or appointed to an executive position in AHEM at the local, state and/or national level shall be granted a leave under the conditions specified in **Minn. Stat. Section 179A.07**, Subdivision 6. Benefits under Article XV, Section 3, Subd. 3 shall apply.

Subd. 2. Return rights: See Article XVI, Section 1, Subd. 3 and 4.

Subd. 3. A teacher on this leave shall have:

A. Seniority accrue.

B. Sick leave will continue to be accrued and will be reimbursed by AHEM at the daily rate of pay of AHEM President.

C. Continuance of payroll retirement, and health and hospitalization, dental, life, and long term disability benefits. AHEM is to reimburse these costs.

Subd. 4. AHEM president shall accrue salary schedule increments.

Section 4. Leaves for Jury Duty: When requested, a teacher may serve on jury duty. The Board shall pay the teacher the teacher's full salary provided that such teacher agrees to return to the Board all wages received for serving on jury duty. This does not include mileage.

Section 5. Leaves for Court Hearings: Court leave with pay shall be granted to teachers for the time necessary to make appearance(s) in any court proceeding resulting from "teacher activities." This shall not apply to court cases initiated by the teacher or teacher organizations against the District.

Section 6. Leaves for Court Hearings: Teachers who are served subpoenas to appear at a court hearing who have used all Personal/Emergency Leave and where Section 6 is not in conflict with Section 5 above may be given special consideration for pay upon submitting evidence of absence to the Labor Relations/Benefits Department.

Section 7. Leave for Professional Visitations: Teachers who wish to study a program or method that appears to be of value to District No. 11 shall discuss this with the Principal. Professional leaves may be granted at the discretion of the Principal. The teacher shall make a report of the visit in duplicate to the Principal. Guidelines regarding this leave shall be included in the school district handbook. Requests for professional leave which require substitutes must be received by the Principal at least two weeks prior to the date of the leave. Exceptions to the two-week notice may be granted by the principal. Requests will be considered according to the availability of substitute teachers.

Section 8. Military Leave: Teachers shall be granted military leave as required or allowed by federal and state statutes.

Section 9. Voluntary Contract Reduction: A request for voluntary contract reduction in a teacher's current assignment must be submitted in writing to Employee Services prior to February 1st of each year. Requests must be submitted by the teacher and approved by the District on an annual basis. Teachers retain, for a period of up to five years, the continuing contract entitlement, which existed prior to any contract reduction. Teachers choosing to return to their entitlement which existed prior to any contract reduction must notify Employee Services in writing by February 1 for an assignment the following year.

Section 10. Assignments Outside the Bargaining Unit: Teachers who accept District offers for non-licensed position assignments outside the bargaining unit may retain, for a period of up to five years, the continuing contract entitlement which existed prior to obtaining the new assignment. Teachers choosing to return to the bargaining unit must notify Employee Services in writing by February 1st for an assignment the following year.

Section 11. Extended Leaves of Absence: Teachers may seek extended leaves of absence pursuant to the provisions of Minn. Stat. §122A.46. Absent extenuating circumstances, the District shall not consider extended leave requests for teachers who are currently scheduled to return from other leaves of absence. Teachers who take a teaching position in another Minnesota school district while on an extended leave shall be deemed to have voluntarily resigned their employment in the District and will therefore be subject to termination.

Section 12. Except for Organization Leaves set forth in Section 3 of this Article, any combination of leaves of absence (excluding disability) and/or voluntary contract reductions may be approved up to a maximum of five (5) consecutive years.

ARTICLE XVI

POSTINGS & TRANSFERS

Section 1. The Board shall post known vacancies as they open during the year. In the spring of each year, the Board shall determine the number of authorized positions for the following school year. New positions created or open positions available after placements of all continuing contract teachers returning from leaves of absence, shall be posted. Official postings will be at the Educational Services Center. To the extent possible, copies will be posted at each building and will be made available on the 'job line', and/or the web site.

Subd. 1. Teachers may apply for any posted opening for which they are licensed.

Subd. 2. Internal applicants will be considered before outside applicants are interviewed.

Subd. 3. Teachers returning from the following leaves of absence will return to their same position or a comparable position in the same building if available: maternity leaves, medical leaves of absence less than the school year, FMLA leaves, sabbatical leaves, parental leaves less than the school year.

Subd. 4. Teachers who have notified the School District by February 1 of their intent to return for the following school year from the following leaves of absence will be placed in positions for which they are qualified, hold a license, and have taught with the following priorities: organizational and medical leaves of absence greater than **or equal to** the school year, parental leaves of absence greater than **or equal to** the school year, personal leaves, educational leaves, 5-year leaves of absence.

Subd. 5. Teachers on Special Assignment (TOSA): Effective July 1, 2002, for staffing purposes, teachers who will no longer be in a District assigned TOSA position and have been in a District TOSA position for five school years or less will be placed back to their building/program assignment which preceded the District TOSA position; if a teacher has five or less school years and not previously employed in the District, the teacher will be assigned to a vacancy; if a teacher has been assigned to the District TOSA position for

more than five school years, the teacher will be provided choices from posted vacancies as set forth in Section 2, Subd. 2 and 3 of this Article.

Subd. 6. Administrative Interns: Teachers hired as administrative interns shall remain in the building/program following the end of the assignment unless mutually agreed to do otherwise.

Section 2. Involuntary Transfers

Subd. 1. Involuntary transfers due to discontinuance of positions, lack of pupils, financial limitations, merger of classrooms due to consolidations of School Districts, school pairing, District reorganization, or new building construction shall be based on total District seniority. If it becomes necessary to transfer teachers due to any of the above conditions, the reduction within a school building will be accomplished by the teacher with the least seniority in the following manner:

Elementary School - license area K or K - 5
Middle School - subject (license) area or 6th grade
High School - subject (license) area

If it becomes necessary to transfer other teachers not specifically assigned to one of the above categories and/or buildings, the reduction shall be done according to the same criteria. Special education speech clinicians with an assignment of .6 or greater and special education high school psychologists with an assignment of .6 or greater assigned to buildings will be considered to be part of the building staff; all other special education itinerants are staffed and assigned at the discretion of the District.

This process covers continuing contract teachers who are involuntarily transferred prior to June 30. Teachers who are involuntarily transferred will be notified by July 1 of their assignment for the following school year, unless a later date is mutually agreed upon by the teacher and the appropriate associate superintendent.

Subd. 2. All continuing contract teachers who are to be involuntarily transferred shall complete a District form, which prioritizes three choices from the list of official vacancies. The preferences shall be within the field of licensure in which the teacher is currently or has been previously employed within the District. The District shall make a good faith effort to list all available vacancies. Interviews are not required, but interested teachers may contact building principals for information about any of the posted openings.

Subd. 3. Involuntarily transferred teachers shall be placed in positions before voluntary transfers or outside applicants are interviewed, unless there is mutual agreement between the District and Union to delay the decision.

Subd. 4. If a tie in seniority should occur between two or more teachers, the tiebreaking criteria set forth in Article XVII, Section 3, shall be followed.

Subd. 5. For buildings with teachers subject to involuntary transfers, teachers within the building may volunteer to be the involuntary transfer subject to District approval.

Section 3. Voluntary Job Transfer Request: Teachers who wish to be considered for other positions in the District shall notify in writing the principal of the building to which they are seeking

transfer with a copy to the Employee Services Department. This should be done both for positions that are currently open and for positions that may open in the future. Requests for transfer shall be considered by the Principal(s) involved.

Qualifications for the position will be the major consideration. If the qualifications are equal, seniority will also be an important factor. Once all full-time teacher applicants have been considered, part-time licensed teacher applicants for transfer shall be considered. The following factors shall be included in the process:

Subd. 1. Notification

A. Notification of receipt of transfer request must be made to the applicant within five working days of District receipt.

B. Notification of hiring decision must be made to all teachers interviewed and to AHEM within ten working days of the decision.

Subd. 2. Interviews

A. Teachers who have had continuous contracts in the District of eight (8) years or more without a voluntary transfer within the last eight (8) years and who request specific positions shall be interviewed. In that request, teachers have the responsibility to document years of service.

When specific positions are posted, internal applicants will be considered before outside applicants are interviewed.

Subd. 3. Teachers who drop their license in the subject area they are teaching and have a valid license in another subject area will be considered voluntary transfers prior to July 1. After July 1, the School District will place the continuing contract teacher in a position pursuant to their license, contract entitlement, and seniority.

Section 4. Interschool Exchange Transfer: A teacher wishing to transfer to another building may notify the District, through the building principal, of the teacher's desire to do so. Teachers may contact other teacher(s) interested in exchanging teaching assignments. If an agreement can be made by two teachers, the principals involved, and the appropriate associate superintendent, a transfer takes place.

Section 5. Administrative Transfer

Subd. 1. Administrative transfer of a teacher may be initiated to improve the teacher's working conditions. The assignment shall be mutually agreeable to the associate superintendent, the building administrators, the teacher and AHEM.

Subd. 2. Administration reserves the right to transfer a teacher from one building to another when a vacancy exists which is .6 or less and a teacher in need of placement for the same amount of time is available.

Section 6. Middle School Alternative Site Voluntary Transfers: Teachers who obtain positions at Middle School Alternative Sites, pursuant to District posting and hiring staffing processes, will be treated as if on a leave of absence from their current building. As such, in the event the teacher

chooses to return to the same building that they were in prior to the move to the alternative site, the teacher shall be offered the same position (or if not possible, a comparable position) based on seniority and licensure in their original building.

As with normal staffing processes, prior to February 1st of the relevant school year, the teacher must inform Employee Services of the teacher's intent to return to the teacher's original building for the following school year. However, rights to return to the previous building will be limited to two school years.

Section 7. Teachers may request a voluntary contract reduction when seeking another position under this Article; such requests are subject to District approval. For future staffing purposes, the teacher will be assigned to a position, pursuant to the teacher's license, contract entitlement, and seniority, within the building /program to which the teacher has transferred.

ARTICLE XVII

UNREQUESTED LEAVE

Section 1. The School Board may place on unrequested leave of absence, without pay or fringe benefits, as many teachers as may be necessary because of discontinuance of position, lack of pupils, financial limitations, or merger of classes caused by consolidation of Districts. The unrequested leave shall be effective at the close of the school year. In placing teachers on unrequested leave, the Board shall be governed by the following provisions:

Subd. 1. The Board may place probationary teachers on unrequested leave first in the inverse order of their employment. No teacher who has acquired continuing contract rights shall be placed on unrequested leave of absence while Tier 2 or probationary teachers are retained in positions for which the teacher who has acquired continuing contract rights is licensed;

Subd. 2. Teachers who have acquired continuing contract rights shall be placed on unrequested leave of absence within their licenses in the inverse order in which they were employed by the School District. In the case of merger of classes caused by consolidation of Districts or in the case of equal seniority, the order in which teachers who have acquired continuing contract rights shall be placed on unrequested leave of absence in fields in which they are licensed shall be negotiable. Part-time teachers have seniority rights to the limit of their contract entitlement. The District shall not be required to create part-time positions from existing full-time positions

Subd. 3. Notwithstanding Subdivision 1 and 2, if either the placing of a probationary teacher on unrequested leave before a teacher who has acquired continuing rights or the placing of a teacher who has acquired continuing contract rights on unrequested leave before another teacher who has acquired continuing contract rights but who has greater seniority would place the District in violation of its affirmative action program, the District may retain the probationary teacher or the teacher with the lesser seniority;

Subd. 4. Teachers placed on unrequested leave of absence shall be reinstated to the positions from which they have been placed on unrequested leave of absence or, if not available, to other available positions in the School District for which they are licensed. Reinstatement shall be in the inverse order of placement on leave of absence. The order of reinstatement of teachers who have equal seniority and who are placed on unrequested leave in the same school year shall be negotiable;

Subd. 5. No appointment of a new teacher shall be made while there is available, on unrequested leave, a teacher who is properly licensed to fill such vacancy, unless the teacher fails to advise the School Board within 15 days of the date of notification that a position is available to the teacher, that the teacher may return to employment and assume the duties of the position to which appointed on a future date determined by the Board;

Subd. 6. A teacher placed on unrequested leave of absence may engage in teaching in another school district, substitute teaching, or any other occupation during the period of this leave;

Subd. 7. The unrequested leave of absence shall not impair the continuing contract rights of a teacher or result in a loss of performance increment and lane credit for previous years of service. A teacher placed on unrequested leave of absence maintains their previous performance increment and lane, but does not accrue a performance increment.

Subd. 8. The unrequested leave of absence of a teacher who is not reinstated shall continue for a period of five years after which the right to reinstatement shall terminate;

Subd. 9. The same provisions applicable to terminations of probationary or continuing contracts in Minn. Stat. § 122A.40 Subdivisions 5 and 7 shall apply to placement on unrequested leave of absence;

Subd. 10. Nothing in this subdivision shall be construed to impair the rights of teachers placed on unrequested leave of absence to receive unemployment compensation if otherwise eligible. Any teachers on leaves of absence whose position on the seniority list will necessitate being placed on unrequested leave of absence will be notified by the Board.

Section 2. Seniority lists shall be established by the following procedures:

Subd. 1. Seniority in the District shall be computed on the basis of a teacher's continuous employment from the first day of actual work with the District.

Subd. 2. Teachers shall continue to accrue seniority while on Board approved leaves (with the exception of long-term disability after one year).

Subd. 3. Only service during normal school day, as defined in the Working Agreement, will count toward seniority.

Subd. 4. Teachers leaving the teachers' bargaining unit, but remaining an employee of the District, shall retain and accrue seniority as a teacher as defined by Minnesota continuing contract law.

Section 3. Tie Breaking: If a tie in seniority should occur between two or more teachers, the following criteria shall be used sequentially to determine the order of placement on unrequested leave of absence or recall:

Subd. 1. In the event of a tie in seniority, a full-time teacher for the school year as defined in the Working Agreement shall have seniority over a part-time teacher. Part-time teachers shall have seniority over other part-time teachers to the degree of their assignments (i.e. three-fourths over half-time).

Subd. 2. In the event of a tie in contract entitlement and seniority, the teacher having the higher current performance increment placement on the salary schedule shall be more senior.

Subd. 3. In the event of a tie in performance increment placement, the teacher having the higher lane placement on the salary schedule as of the effective date of the updated seniority list set forth in Section 4, Subd. 1, of this Article shall be the most senior.

Subd. 4. In the event of a tie in lane placement, the teacher with the lowest Minnesota Professional Educator Licensing and Standards Board file folder number shall be the most senior.

Subd. 5. In the event a tie still remains, the District and AHEM shall meet and negotiate a tiebreaker for the parties involved.

Section 4. Seniority Lists:

Subd. 1. The School District shall maintain a seniority list which shall be updated yearly by February 15 of each year.

Subd. 2. Such list will include the following information:

1. Teacher's name;
2. Teacher's first day of work in School District No. 11 (excluding pre-service orientation, but including Teacher Workshop);
3. Teacher's current teaching assignment;
4. Teacher's license number;
5. Areas in which teacher is fully licensed by the Minnesota Professional Educator Licensing and Standards Board;
6. Continuing contract or probationary status.

Subd. 3. A copy of the most current list in Section 4, Subd. 2, above will be provided to AHEM. The list will be posted electronically and the Union may provide email notification to teachers when the list is posted.

Subd. 4. Request for change: Any teacher with a correction or omission with the seniority list has twenty business days from the date of posting to provide a written request for a change to the seniority list.

Section 5. Access to Benefits: Teachers placed on unrequested leave will continue to have access to health, dental, and life insurance benefits available to teachers on other leaves of absence, with costs to be borne by the teacher.

Section 6. Recall and Termination of Rights

Subd. 1. As positions for which they are licensed become available, teachers placed on unrequested leave of absence shall be recalled to employment to the limit of their contract entitlement and seniority.

No full-time teacher shall be required to accept recall to less than a full-time position.

A full-time teacher may accept a recall offer for a contract of less than their contract entitlement and continue to retain the right to recall to a position equal to their contract entitlement.

Subd. 2. Part-time teachers on unrequested leave of absence have recall rights to a position equal to their contract entitlement. This provision does not require the District to create part-time positions from existing full-time positions. A part-time teacher may accept a recall offer for a contract of less than their contract entitlement and continue to retain the right to recall to a position equal to their contract entitlement. However, if there is only a full-time position available when the part-time teacher is eligible for recall and the part-time teacher is licensed for that position, the full-time position shall be offered to the part-time teacher. This right to a full-time position is open only to part-time teachers on contract.

Subd. 3. Notification of recall shall be by registered delivery mail with return receipt requested.

Subd. 4. Notification shall be to the last known address provided by the teacher to the office of the Employee Services Department.

Subd. 5. Teachers shall have up to fifteen (15) days from the date of receipt of notification or recall during which to notify the Employee Services Department in writing of their intent to accept the Board's offer of reemployment or to indicate in writing their intent to waive their option to be reemployed in the position offered.

Subd. 6. If a teacher waives the right to reemployment in the position offered, the position shall be offered to the teacher with the next greatest seniority, provided that teacher is licensed for the position.

Subd. 7. Any teacher who refuses four recall offers shall be considered to have voluntarily removed the teacher's name from the seniority list, provided, however, that a teacher may refuse recall to a position which is not equal to the amount of time for which the teacher was previously employed. Such refusal shall not count as a refusal to recall for purposes of this subdivision.

Subd. 8. The right to recall shall cease with the retirement of the teacher.

Subd. 9. A teacher may by prior designation waive recall to specified positions. Such waiver will count as a refusal to recall for purposes of this section.

ARTICLE XVIII

All teachers hired on or after July 1, 1994 are not eligible for Section 1. Severance.

Section 1. Severance: Eligible teachers who notify the District of intended retirement by February 1st of the relevant school year will qualify for a payment of up to 90 unused sick days times the teacher's daily rate of pay (and less any District contribution to a matching 403(b) plan as set forth in Section 2. 403(b) of this Article). For insurance benefit eligible and enrolled teachers hired on or after July 1, 1994, and eligible to retire under this Article, but not eligible for severance payment as set forth in Section 1, the value of unused sick leave days less the value of 90 days shall be allocated to the Health Care Savings Plan for the individual teacher.

Section 4. Severance and retirement health benefits shall be available only once in a teacher's employment with the District.

Section 5. Effective Date: To qualify for severance pay under the Article a teacher must notify the District of the intended retirement by February 1 of the relevant school year. Generally, a teacher's retirement will be the end of the school year. Effective July 1, 2010, District approval of requests to retire during the school year will be driven by the trimester date.

Effective July 1, 2010, if a teacher seeks a retirement date prior to end of the second trimester, the teacher may choose to work through the end of the trimester at the District's discretion, or commence a leave of absence prior to the beginning of the school year up to the teacher's actual retirement date.

ARTICLE XIX

If a settlement is not reached within two (2) days after oral presentation to the first level supervisor the grievance shall be reduced to writing on form number G-1 with a clear statement of the issues involved. This shall be presented to the first level supervisor who shall promptly transmit the written grievance to the General Counsel for handling in accordance with Step 2.

Step 2. The General Counsel shall establish a Step 2 hearing with the aggrieved and the appropriate second level supervisor. The Step 2 meeting shall be held within five (5) days after the employee has filed the written grievance. The time and place for meetings under Step 2, shall be at the discretion of the General Counsel. The employee shall be allowed a reasonable number of representatives at the meeting.

The General Counsel shall prepare a report of the meeting, together with a written disposition of the matter and forward copies thereof to the employee and to AHEM within five (5) days after the Step 2 hearing.

The decision of the arbitrator, if within the scope of the arbitrator's power, shall be binding on both parties with the limitations of PELRA-71 as amended. The expense and fees of the arbitrator shall be borne jointly by the Board and AHEM.

Section 3. Rules: Any loss of time by the employee and the employee's representatives to attend Step 4 in the grievance procedure shall not be compensated unless AHEM Leave Days are used. These days must be taken in minimums of half days.

The number of days indicated at each step of the grievance procedure should be considered as maximum and every effort should be made to expedite the grievance process. Any time limit may be extended by mutual written consent. The failure of an aggrieved person to proceed from one step of the grievance procedure to the next step within the time limits set forth shall be deemed to be acceptance of the decision previously rendered and shall constitute a waiver of any future appeal concerning the particular grievance.

The failure of an administrator to communicate a decision or hold a meeting within the specific time limits shall permit the aggrieved to proceed to the next step in the grievance procedure.

Grievance cases shall be as confidential as possible. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

Reduction in Position (Days and/or Hours): Teachers will be assigned to a position of 1340 hours or more, or a position of 1044 or more hours and less than 1340 hours, or a position of less than 1044 hours; an individual teacher's hours within a category may fluctuate from year to year. When it is necessary to eliminate positions (days and/or hours) equal to or greater than 1340 hours, the reduction of positions shall be in order of seniority and relevant licensure; the teacher(s) shall be offered a position equal to or greater than 1044 hours and less than 1340 hours. When it is necessary to eliminate positions (days and/or hours) equal to or greater than 1044 hours and less than 1340 hours, the reduction of positions shall be in order of seniority and relevant licensure.

If a teacher has been reduced from a 1340 or more-hour position or a position of more than 1044 hours and less than 1340-hour position, then in the event positions are subsequently added back into those categories, the positions will be offered by reverse seniority and relevant licensure.

The District will make every effort to notify teachers of their continuing employment by June 1st of the year preceding the next fiscal year and/or to notify any teacher at least thirty (30) calendar days in advance if the teacher is proposed to be placed on layoff or reduced in hours. Teachers who have been laid off or reduced in hours shall continue right of recall for up to two (2) years. Upon notification, recalled teachers have up to fifteen (15) calendar days from the date of receipt of notification to notify the Employee Services Department in writing to accept the offer of re-employment or additional hours. Teachers who either accept or reject a notice of recall to the same category or to a reduced hour category position will nevertheless retain the right of recall to the teacher's original category for the two (2) years. A teacher who refuses two recall offers to the same category shall be considered to have removed the teacher's his/her name from the seniority list.

Thereafter, the District contribution shall increase by the same dollar amount as the negotiated increase in the District contribution for single coverage.

Effective September 1, 2014, the District will make contributions into an integrated active HRA of \$750 for the \$1,500 single deductible, and \$1,500 for the \$3,000 family deductible plan each year. The maximum out of pocket cost of usual and customary charges will be \$3,000 for single coverage and \$6,000 for family coverage, subject to plan exclusions and limitations of coverage. As an incentive to move from the current co-pay health plans, the District will fund an additional \$750 for those who enroll in the single plan and \$500 for those who enroll in the family plan into the HRA for those who enroll during the open enrollment period effective September 1, 2014, and/or those teachers newly eligible to enroll in insurance effective during the 2014-2015 school year. Teachers who work in assigned positions of more than 1044 hours or more per year but less than 1340 hours per year shall be eligible for a prorated District contribution for Health Insurance, Dental Insurance, and Term Life-Accidental Death and Dismemberment Insurance provided the teacher elects to pay the remaining premium and will also be eligible for Long Term Disability Insurance.

VIII. Leaves:

- Sick Leave: Teachers in assigned positions of 1340 hours or more will accrue 12 days sick leave per year; teachers in assigned positions of more than 500 hours and less than 1340 hours will be prorated.
- Sick Leave Buy Back: Teachers who have accumulated thirty (30) days of sick leave and who use less than half of the year's allotted sick leave may cash in up to five (5) days of unused sick leave in June of each year, such days to be exchanged at the rate of \$21.42 per hour by notification to the Labor Relations/Benefits Department.
- Personal Leave: Teachers in positions of 500 hours or more and less than 1044 hours may use one (1) pro-rata day of personal leave during each duty year at the teacher's discretion without salary deduction. Teachers in position of 1044 hours or more and less than 1340 hours may use two (2) pro-rata days of personal leave during each duty year at the teacher's discretion without salary deduction. Teachers in positions of 1340 hours or more may use three (3) pro-rata days of personal leave during each duty year at the teacher's discretion without salary deduction. A request for personal leave must be submitted in writing in advance. The days used will be deducted from the teacher's accrued sick leave. Although the district has discretion to approve additional requests, the Community Education Manager/Supervisor may limit personal leave to no more than one personal leave day per program per day on a first-come first serve basis; if requests occur at the same time, seniority shall be the tie breaker. ECFE teachers may not use personal leave days during the first three weeks of the program term. Teachers in positions with 1044 hours or more and with 10 years or more seniority may request one additional pro-rata day of personal leave.
- Family Medical Leave: Teachers may apply for Family Medical Leave in accordance with state statute, federal law, and School District policy.
- Effective September 1, 2002, ABE/ECFE teachers will be able to participate in the sick leave bank set forth in Article XI, Section 3, Subd. 1 of the Working Agreement.

IX. Retirement: Severance pay shall be available to those teachers hired prior to July 1, 1994, who have at least ten (10) years of District No. 11 Community Education experience, are immediately eligible for and receiving a state retirement benefit, and notify the District of the intended retirement by February 1st. For the purpose of this section the school year shall begin with July 1st of one year and end on June 30th of the following year.

1. Severance pay base will be determined by taking the unused sick leave days times the daily wage rate (and less any District contribution to a matching 403(b) plan as set forth in paragraph X of the Article).

2. Teachers shall be eligible upon retirement, subject to all subdivisions of this section, for severance pay, of up to 90 days.
3. The severance payment shall be made as a lump sum payment upon retirement to the District's Special Pay Plan in accordance with Plan documents, Federal rules and regulations. Deductions such as State and Federal Income Tax, Social Security or PERA/TRA shall be made only as required by law. If the teacher dies before the severance payment has been made, the balance due shall be paid to a named beneficiary or lacking same, to the estate of the deceased.
4. This section shall not apply to employee who is discharged for cause by this School District.
5. Health and Dental Insurance: Teachers eligible for retirement as established in this Article may elect to continue to participate in the District's Health and Dental insurance program. The value of sick leave not paid as severance in this Article for insurance benefit eligible teachers under Section 1, shall be allocated to the Health Care Savings Plan for the individual teacher.

For insurance benefit eligible teachers hired on or after July 1, 1994, and eligible to retire under this Article, but not eligible for severance payment as set forth in Section 1, the value of unused sick leave days less the 90 shall be allocated to the Health Care Savings Plan for the individual teacher.

6. This benefit is available only once in an individual's employment with the District.
7. Teachers who are eligible for a Minnesota State retirement pension but are not eligible for severance or unused sick leave credit as set forth in this Article may seek insurance continuation which may be available pursuant to the provisions of Minn. Stat. § 471.61, Subd. 2b.
8. Retired ABE/ECFE teachers re-employed into an ABE/ECFE position will receive their rate of pay applicable at the time of retirement. Retired ABE/ECFE teachers will not be eligible or entitled to receive any benefits as defined in Section VII. Retired ABE/ECFE teachers shall be eligible to receive three non-cumulative days of sick leave pay per trimester pro-rated to the teacher's daily assignment. At the end of the assignment, the position the retiree has filled shall be re-posted.

- X. 403(b): All full time and part time ABE/ECFE teachers who are eligible for insurances as set forth in Appendix C, Section VII will be eligible for the following benefit:

The maximum individual lifetime matching contribution by the District shall be **\$50,000**.

WHEREAS, the parties have negotiated a collective bargaining agreement effective July 1, 2021 through June 30, 2023; and

WHEREAS, The District and Association formed a labor management committee in the 2020-21 school year that recommended the creation of a student loan benefit aligned with our 403(b) plan; and

NOW THEREFORE, the District will provide the following benefit option during the 2022-23 school year:

- Teachers who are eligible for the 403(b) match provided in Article XIII, Section 2 of the working agreement, may access the district match either by providing a matching payroll contribution to their 403(b) or by making a matching payment to a qualified personal student loan as defined by the Labor Relations & Benefits department.
- Teachers who elect the option to match a student loan payment and provide appropriate documentation to the Labor Relations & Benefits department on or before April 15, 2023, will see the matching contribution reflected on a paycheck in June of 2023.

Anoka-Hennepin Independent School District #11

and

Anoka-Hennepin Education Minnesota

WHEREAS, the parties have negotiated a collective bargaining agreement effective July 1, 2021 through June 30, 2023; and

WHEREAS, MN Statute 43A.316 Subd. 5b states:

“Each exclusive representative for an eligible employer determines whether the employees it represents will participate in the program. The exclusive representative shall give the employer notice of intent to participate at least 30 days before the expiration date of the collective bargaining agreement preceding the collective bargaining agreement that covers the date of entry into the program. The exclusive representative and the eligible employer shall give notice to the commissioner of the determination to participate in the program at least 30 days before entry into the program. Entry into the program is governed by a schedule established by the commissioner.”

; and

WHEREAS, the Union wants the ability to move to PEIP if it is so chooses in the future in accordance with statutory requirements; and

WHEREAS, the District seeks to remain in compliance with any right the Union has to move to PEIP; and

WHEREAS, both parties seek a seamless transition to PEIP if it were to occur.

NOW THEREFORE, the parties agree that:

- In accordance with MN Statute 431.316, Subd 5(b):
 - If AHEM makes the determination that they will move to PEIP during the term of the 2023-2025 working agreement, they shall give the district notice of intent to participate no later than the end of the day on May 31st, 2023.
 - If the above notice is provided, the District and AHEM agree to provide joint notice of the determination to participate in PEIP to the Commissioner of Minnesota Management and Budget at least 30 days prior to entering the program on a date acceptable to the Commissioner between July 1, 2023 and June 30, 2025.

- The District and AHEM recognize that, if AHEM makes the determination to move to PEIP, the following modifications will need to be made to Article XI and Appendix C, Section VII of the working agreement in the next round of negotiations:
 - For teachers, the “District Plan” described in Article XI and Appendix C, Section VII will apply to the PEIP plans, and not the Anoka-Hennepin self-funded plans
 - the coverage start date for new employees will be in accordance with the established agreement between the District and the broker for the Public Employees Insurance Program.
 - Teachers enrolled in the District plan for teachers whose deductible and out of pocket maximums meet or exceed those of the High Deductible Open Access Plan mentioned in Article XI.2.4 and Appendix C.VII will also be eligible for the HRA contributions mentioned in those sections. The administrative fees for the HRA will be deducted from the HRA since it would not be integrated into a self-funded health plan.
 - If AHEM makes the determination to receive life insurance through the Public Employees Insurance Program, the district contribution will be capped at the same dollar amount provided for employee groups utilizing the standard district plan. The difference will be collected from the employee through payroll deduction.
 - Retired teachers and those on long-term disability at the time of a move to PEIP will no longer be eligible for the plan they were enrolled in, but may be able to enroll in an eligible PEIP plan.
 - The dual-spouse contribution mentioned in Article XI.2.3 and Appendix C.VII will only apply to employees whose spouses are also eligible for the PEIP coverage.
- The agreement by the District and AHEM to include language to accommodate the move to PEIP in this MOU does not prevent the parties from negotiating different language into the 2023-2025 working agreement.
