A tenure Teacher's evaluation shall not be subject to the grievance procedure, except if such evaluation is stated by the School District as unsatisfactory for the second time, does not follow the procedure outlined herein, or is the basis for a disciplinary action as described in Article IV, Section 2, or if such evaluation is the basis for a dismissal as provided in Article IV, Section 6, and the tenure Teacher has elected the grievance procedure rather than their statutory appeal process.

Section 5. Teachers who formerly taught full time and are eligible for protection under the reduction in staff article (Article XVIII) shall be entitled to revert to full time status in any future school year, (unless, pursuant to Article XVIII, this would result in the layoff of a more senior qualified Teacher), by giving written notice of this intention to the Personnel Director by February 1st prior to the school year of the intended return.

Section 6. Scheduling of Teachers sharing a position shall not be limited by other provisions of this Agreement but will be by mutual consent of the affected Teachers and the building Administrator.

- (h) Both Teachers will maintain a sense of flexibility when scheduling.
- (i) In the event the job-sharing position cannot continue, the principal, in collaboration with the Teachers, shall decide the staffing of this position.

Subd. 3. At the end of the year the principal will evaluate the job-sharing performance and report to the elementary director and the sub-committee of the Collaborative Bargaining Team.

Subd. 4. The District shall provide for at least three (3) job sharing positions at the elementary level. The sub-committee of the Collaborative Bargaining Team and the elementary director will review and approve all proposals.

Subd. 2. Probationary Teachers shall not acquire seniority until such Teacher acquires tenure and upon acquisition of tenure, the seniority date shall relate back to a Teacher's first day of continuous service. Continuous service shall include a Teacher who is under contract for more than ninety (90) days in a single school year. Long-term substitute service under contract, immediately prior to regular contract service, shall be counted toward a Teacher's seniority.

Subd. 3. In determining the list of seniority, an employee whose employment has been legally terminated by resignation or terminated but whose employment was subsequently reinstated without interruption, shall be deemed to be continuous service.

Subd. 4. Certified Teachers employed by the School District in professional positions outside the Teacher's unit, i.e., Administrators, shall maintain seniority in the Teacher's unit consistent with total administrative and teaching service in the School District, provided the administrative employee is qualified and certified as described herein.

Subd. 5. In the event that seniority is equal for purposes of layoff, order of seniority shall be determined by lot.

Section 4. Seniority List:

Subd. 1. On or about December 1 of each school year, the School District shall cause a seniority list, (by name, date of employment, qualification, and certification), to be prepared from its records. It shall thereupon post such list in an official place in each school building.

Subd. 2. Any person whose name appears on such list, and who may disagree with the findings of the School District, and the order of seniority on said list, shall have fourteen (14) days from the date of posting, to supply written documentation, proof and request for seniority change, to the School District's Department of Human Resources.

Subd. 3. Within fourteen (14) days thereafter, the School District shall evaluate any and all such written communications regarding the order of seniority contained in said list and make such changes as the School District deems warranted. The final seniority list shall thereupon be prepared by the School District and shall be posted in each school building. Such list shall be binding on the District and all Teachers shown thereon. Each year, thereafter, the School District shall cause such seniority list to be updated. Such list shall govern the application of Reduction in Staff, Article XVIII, until thereafter revised.

Subd. 4. Any person disagreeing with the final seniority list, prepared pursuant to Subd. 3, above, may pursue the matter through the Grievance Procedure provided by Article XI.

Section 5. Voluntary Layoff: Senior Teachers may accept voluntary layoff during a period when the School District is placing tenured Teachers on layoff. Teachers accepting voluntary layoff will, as do all Teachers on layoff, continue to accrue seniority. Voluntary layoff shall be for a period of the succeeding school year unless altered by mutual agreement. Teachers wishing to be recalled from voluntary layoff for the next school year shall give Human Resources written notice of this intention by the preceding February 1.

Section 6. Order of Layoff: Qualified Teachers shall be placed on layoff in inverse order of seniority. The School District retains, consistent with the provisions of this Agreement, the right to assign Teachers to positions for which they are certified. The School District shall not be required to transfer a more senior Teacher to an assignment requiring different certification in order to accommodate the seniority claim of a Teacher proposed for layoff or recall.

Subd. 1. In the event of a staff reduction, tenured Teachers shall not be placed on layoff if there is a probationary Teacher employed in a position requiring the same certification.

Subd. 2. If the determined reduction is not accomplished by Subd. 1 hereof, then the School District may place on layoff tenured Teachers in order of inverse seniority within certification and qualification as defined in this Article.

Section 7. Recall:

Subd. 1. No new Teacher shall be employed by the School District in a position for which a tenured Teacher is licensed. Tenured Teachers shall first be recalled to vacant positions in inverse order from that in which said Teacher was placed on layoff, providing that such Teacher possess necessary certification for the position.

Subd. 2. When placed on layoff, a Teacher shall maintain a current address with the School District and if a position becomes available for the Teacher on layoff, the School District shall provide written notice by Registered Mail or Certified Mail, Return Receipt Requested. The Teacher shall have fourteen (14) calendar days from the date of receipt of such notice to accept re-employment. Failure on the part of the Teacher to accept re-employment within fourteen (14) calendar days of receipt of recall notice, or failure of the Teacher to report for duty within thirty (30) days of the receipt of recall notice, shall constitute forfeiture on the part of the Teacher to any further rights of re-employment or reinstatement.

If the School District is unable to effect delivery of a Registered or Certified Letter, Return Receipt Requested, at the last address left with the School District by the Teacher, the District after five (5) days shall send a notice by Certified Mail, and the fourteen day period provided herein, shall commence running at the time the notice by Certified Mail is sent.

Subd. 3. Re-employment rights shall automatically cease thirty (30) months from the date of layoff and no further rights to reinstatement shall exist.

Section 8. Effect: Nothing in this Article shall be construed to limit the authority of the School District to determine the number of Employees, the establishment and priority of programs, or the right to reduce staff. Therefore, such actions shall not be subject to the grievance procedure provided in this Agreement. A Teacher, however, may grieve concerning the establishment of his/her seniority date, or the order of layoff as provided in this Agreement. It is further understood and agreed by the parties that the termination of Teachers is governed by Montana Statutes and nothing herein shall be construed to modify or limit, the School District's statutory rights or the Teacher's statutory rights as provided by Montana Law.

ARTICLE XIX

APPENDIX A
PROFESSIONAL DEVELOPMENT ACADEMY ADVISORY COMMITTEE (PDAAC)

Guidelines for Council Governance

1. The Professional Development Academy Advisory Committee (PDAAC) approves community education and professional development courses or workshops for District step-up credit. The Committee considers the course's value for student achievement, improving instructional or program skills, or work completed in relation to educational program enhancement.
2. The PDAAC consists of six members. Three administrative members are appointed by the Superintendent. The Billings Education Association will appoint three members.
3. Approval of PDA courses and/or individual credit appeals will be decided first by Committee consensus. Should the Committee fail to reach a consensus, a majority vote of four to two is required for approval.
4. Executive decisions can be made through approval from both the Director of Adult Education and the Billings Education Association President should issues arise prior to a PDAAC meeting. The PDAAC must review executive decisions for final approval.
5. The PDAAC will meet quarterly and/or as needed.
6. All PDA courses approved by the PDAAC will be kept on record in the district's Adult Education Office.
7. The Adult Education Department will post notification of meetings and record all meeting minutes regarding course and/or credit approval or denial.
8. The Adult Education Department will submit a yearly financial report to the PDAAC regarding proceeds and expenses from PDA courses. This information will be used to annually review course fee structures. This report will be forwarded to the BEA, the district Superintendent, and the Board of Trustees.
9. Evaluation forms for all PDA courses will be kept in the Adult Education Office. The PDAAC will review all course evaluations yearly. This information can be used to discontinue approval of a course.
10. Human Resource Services will maintain a database regarding individual course and credit approval.
