The distribution window for **4th-quarter report cards** will shift by one day for each snow day used; for example, if *no* snow days are used, report cards will be distributed between June 9 and 11. Snow days will also affect the schedule for **high school final exams**, which will shift one day for each snow day used; for example, if *no* snow days are used, high school final exams will take place from June 1 to 3 (with make-up days on June 4 and 5).

Professional development will be scheduled on the last day of school for 10-month employees. Staff should also be aware that if their school has elected "school-based options" for scheduling of professional days, the last day may vary from the information listed above. Please check with your school administrators for information.
