## To CMSD Families, Friends and Supporters:

The Cleveland Metropolitan School District's Academic Calendar is mailed to households and businesses throughout the city to keep stakeholders informed of the District's activities and progress. The gains our students and our school leaders are seeing would not be possible without the support of a city that views education as the most vital component in the future of its children and its regional workforce.

The community's embracement and support of *The Cleveland Plan*, launched in 2012, was instrumental in reversing years of declining attendance, enrollment and academic achievement in Cleveland's public schools.

This Academic Calendar is therefore designed to keep our entire school community informed of important activities and events throughout the school year, to serve as a colorful and informative resource of District initiatives and support services available to our students and families and to keep the community informed of the progress we are making with your support.

Your continued faith in CMSD as your choice for a quality education in Cleveland is a testament to your belief in the city's most valuable asset — its children.

Thank you for your support of Cleveland's public schools and welcome to the 2018-19 school year!

Sincerely,

**Eric S. Gordon**  
*Chief Executive Officer*

Two years ago, the George Gund Foundation commissioned award-winning photographer Lisa Kessler to document progress inside schools in Cleveland. The goal was to not only showcase our growing portfolio of innovative school options under *The Cleveland Plan*, but also to change old perceptions of Cleveland's public schools as failing, unsafe and unimaginative places.

CMSD is grateful for the opportunity to share Kessler's images of the actual joy, inquiry, creativity and collaboration evident in our schools every day. Her entire collection of photographs, originally exhibited at the Cleveland Public Library, was also published in *Changing Minds*—an accompanying book that inspired us to share our programs, initiatives and progress through her photos of Cleveland's kids. It is their work, their joyful learning and their progress that is shattering the one-size-fits-all image of schools that undermined American education for decades.

Special thanks to The George Gund Foundation and Nesnadny + Schwartz for their collaboration and support in the design of CMSD's 2018-19 Academic Calendar.

## 21<sup>st</sup> Century Learning Environments

To ensure that students, families and communities have access to 21<sup>st</sup> Century learning environments, CMSD remains committed to building and remodeling its school facilities. The modernization of CMSD schools reflects the sound thinking of citizens who have consistently supported opportunities to invest in Cleveland's children — a vision that is revitalizing neighborhoods across the city.

## Kindergarten Readiness

PRE4CLE, a partnership between CMSD and preschool service providers, was created to ensure every 3- and 4-year-old has access to high-quality preschool. The network now serves more than 4,500 children at 114 sites. Since 2013, CMSD and PRE4CLE have increased enrollment in high-quality preschool by more than 50 percent toward our common goal to prepare every child for kindergarten and success in school.

# Strong, Continuous Attendance

CMUSD's *Get 2 School. You Can Make It!* attendance campaign, in partnership with the Cleveland Browns, concluded its third year by meeting the campaign's goal of decreasing the number of students who miss more than 10 days of school by more than 10 percent. The goal is to decrease chronic absenteeism, a problem facing schools across the country. Teachers can't teach students who aren't in school, so our message continues: Get to school. You can make it!

# Active Parent Engagement

CMUSD's parents are more involved than ever in their children's education. Research shows that family engagement in schools improves student achievement, reduces absenteeism and restores parents' confidence in their children's education. Students with involved parents or caregivers earn higher grades and test scores, have better social skills and show improved behavior.

## On-Track Reading Skills

CMSD provides intensive intervention and progress monitoring to help students meet Ohio's Third Grade Reading Guarantee. If students in kindergarten through third grade are struggling in reading, teachers develop individual Reading Improvement Monitoring Plans to get them on track. CMSD also offers a free six-week Elementary Summer Reading Academy for children who are reading below grade level in kindergarten through third grade. The program consists of structured reading instruction taught by highly qualified teachers.

## College and Career Readiness

The best measure of a school district's success is its graduation rate, and under *The Cleveland Plan*, CMSD's graduation rate has soared from 52 percent to a record high of 72.1 percent. Not only are more CMSD students graduating, they are graduating better prepared than ever for the colleges and careers that await them.

# Wide-Ranging School Choices

CMSD continues to expand quality school options that enable students and families to attend the right school to meet their needs and interests. Under *The Cleveland Plan*, CMSD added 16 new high school models in the last four years, including six new high schools last school year. This school year, 14 PreK-8 schools are implementing new academic designs that emphasize student-led inquiry, personalized learning or technology.

# Technology-Infused Learning

In the digital age, CMSD is committed to ensuring every child has access to technology. Computer access helps students develop the navigation skills required on state tests and in the modern workplace. Many schools deeply engage students by incorporating technology in group projects.

## Committed Community Partnerships

CMUSD students, teachers and parents are supported by more than 160 community agencies, including area hospitals, foundations, universities, corporations and service organizations, all committed to providing families with the assets, resources and supports they need. That support continues to grow with nine Boys and Girls Clubs, 19 medical clinics, 65 annual dental clinics, 52 after school programs and 15 summer meal sites in our schools.

## Highly Skilled Educators

CMSD continues to aggressively recruit highly skilled teachers and school leaders to ensure our students have the best possible instruction and guidance on their path to success. Our Teach Cleveland initiative actively recruits educators who are passionate about serving children in urban schools. We are all educators in a District where every employee—teachers, school leaders, bus drivers, cafeteria workers, office staff and security officers—contribute in meaningful ways, every day, to our students' success.

# Gap-Closing Initiatives

Beyond CMSD's heralded Closing the Achievement Gap (CTAG) initiatives, immigrants and refugees who come to Cleveland are provided a doorway to a bright future at CMSD's International Newcomers Academy, a K-12 school that helps arrivals from other countries and Puerto Rico learn English and adjust to a new culture at school and in their neighborhood. Students hail from more than 24 countries and speak 36 languages and dialects. Our Multilingual Multicultural Office provides the supports our English Language Learners (ELLs) and bilingual students and families need to maximize student potential.

# Earned Public Trust

Academic progress under *The Cleveland Plan* is a key element in the trust that citizens have in Cleveland's public schools. The children of Cleveland have benefited from that support from a community that sees its school district moving in the right direction. The public's continued support of CMSD initiatives shows the value that Cleveland residents place on quality schools.

## Stay Connected Through *Naviance Student*

CMSD high schools use a web-based software known as *Naviance Student* to help you and your child navigate high school courses, colleges and career plans. School counselors, principals and staff will provide you with up-to-date information specific to your child's high school.

*Naviance Student* allows you and your child to get involved in the planning and advising process, research college and career options and prepare for the future.

*Naviance Student* enables us to share information with you about upcoming meetings and events and local scholarship opportunities.

At the beginning of the school year, we will provide information on how to log in and use *Naviance Student* to keep you connected to CMSD. **216.838.0100**

## Parent Leadership Organizations

The Cleveland Metropolitan School District is committed to strong parent/school partnerships and the development and training of parent leaders through parent organizations in our schools. Schools have the autonomy to determine which kind of organization meets the needs of its parents to support academic learning and create a positive school culture. Schools can choose to have an (SPO) School Parent Organization or (PAC) Parent Advisory Committee, which give voice to parent concerns, ideas and engagement in authentic and meaningful ways. **216.838.FACE**

## Multilingual Multicultural Education

Welcome Center at International Newcomers Academy  
3145 West 46th Street, Cleveland, OH 44102  
**216.838.0140 or 216.838.6972**

CMSD offers free language assistance for Limited English Proficiency (LEP) parents with respect to school programs and activities. Parents who are limited in speaking, reading, writing or comprehending English are eligible for assistance.

CMSD encourages all English Language Learner (ELL) students to consider enrolling in a STEM (Science, Technology, Engineering and Mathematics) school. Students whose English language proficiency level is pre-functional to intermediate attend ESL (English as a Second Language) bilingual sites where they receive specialized support by grade, native language and English proficiency levels. ELL students who attend STEM schools are also assisted by bilingual tutors.

## Volunteering Makes a Difference!

People who volunteer in the Cleveland Metropolitan School District make a big impact on our children, our schools and our city. To become a CMSD volunteer, contact the Office of Family and Community Engagement at **216.838.0337** and start making a difference today.

## CMSD Parent University College Bus Tours

In Partnership with College Now  
of Greater Cleveland

See the future now...explore the college experience with your scholar.

Parent University College Bus Tours are an opportunity for families to experience college with their scholars. This opportunity allows families to make college or post-secondary education a reality. During the visits, families meet with admission representatives, take a walking tour of the campus and speak with current students.

These trips allow families an opportunity to understand their role in their scholars' post-secondary education, FAFSA, college admission and the supports available to help them to succeed and graduate.

Parent attendance is required for scholar participation. CMSD parents and scholars, grades 8-12 only.

Tours are scheduled in the fall and spring.

## Project ACT: Support for Homeless Students

CMUSD's Project ACT ensures that homeless students have access to the same free education that residential students receive within the District.

Barriers that may prevent homeless students from enrolling in and attending school are eliminated through the work of Project ACT, which partners with District departments and community resources.

Project ACT facilitators:

- work to ensure each child's success and ongoing participation in the educational system.
- work to meet the physical, social and emotional needs of each homeless child.
- empower parents to support their children's educational endeavors.

## CMUSD Safe Schools Hotline

Access 24 hours a day, 7 days a week:

**216.838.SAFE**

- Report anything you see or hear that concerns you about the safety of CMUSD students.
- Provide vital and/or urgent information that will assist us in keeping our schools safe for students and staff.

### Anonymous Alerts app

Students, parents and staff may report a safety concern online or on a smartphone. Download the app on a smartphone or visit:

**AnonymousAlerts.com/ClevelandMetroSD**

- The system allows for 1-way or 2-way anonymous encrypted communications between submitters and District staff.
- Submitters may attach a screenshot, photo or video to the report.

## Humanware Provides Positive Learning Environments

Humanware is an important part of CMUSD's strategic plan to address conditions for learning so that all students are academically and socially equipped to succeed. This means providing a safe, well-managed, respectful and supportive learning environment. Humanware aims to provide opportunities for social and emotional learning, a process where children and adults gain skills related to five core competencies: self-awareness, self-management, social awareness, relationship building and responsible decision making. **216.838.0170**

Humanware strategies are designed to improve school climates:

- Provide positive behavioral support.
- Provide guidance through Planning Centers that teach problem-solving strategies.
- Promote anti-bullying and conflict mediation initiatives.
- Foster community service partnerships.
- Improve collaboration between schools and agencies.
- Further develop Student Support Teams: collaborative problem-solving groups that include administrators, teachers and student-support personnel.
- Promote PATHS, Second Step and Student Advisory Committees.
- Provide a coordinated sequence for developing social and emotional competencies according to the Social and Emotional Learning guidelines of the District.

## What Happens When a Student Misses School?

When students miss school frequently, it's difficult for them to catch up. As early as kindergarten, excessive absences can cause children to fall behind.

**Data shows that missing 10 or more days of school will:**

- reduce reading scores by 12 percent.
- reduce math scores by 15 percent.
- reduce a student's chances of remaining on track to graduation by 34 percent.

Attending class every day improves a student's chances for success and makes Cleveland a better place. Join us in our call for ALL STUDENTS to get to school this year.

## Early Childhood Education

The Office of Early Childhood strives to support schools with providing an enriching, child-centered, developmentally-appropriate experience in all Preschool – Grade 3 classrooms. Our team supports school staff, families and children in the areas of curriculum, assessment, preschool operations, school readiness and Ohio's Third Grade Reading Guarantee. **216.838.0110**

## Sports and Extracurricular Activities Enhance the School Experience

Participation in interscholastic and extracurricular activities has a direct, positive impact on a student's academic performance, attendance and personal and social development.

CMSD students in grades 1-12 have access to a host of clubs, competitive sports and extracurricular field trips to meet the diverse interests of every child.

Explore your school's athletic and student activity offerings to maximize your child's academic experience.
