### *Section 2: Procedures for Filing a Grievance*

A teacher with a grievance may first discuss it with the immediate supervisor prior to filing of a Level One Grievance, indicating the article and section alleged to be violated, with the objective of resolving the matter informally. No written record will be made. While not required, the District and the Union encourage informal resolution whenever possible as the goal of the process is to resolve issues at the lowest level.

#### B. Formal Resolution - Level One

1. The grievant shall submit a written grievance to the immediate supervisor within ten (10) days of the alleged violation with a citation of the specific article, section, and paragraph of this Agreement alleged to have been violated and the specific remedy sought.
2. The immediate supervisor shall schedule and hold a meeting within five (5) days after receipt of the written grievance. Persons present at this meeting will be the grievant, and if the grievant so desires, a representative of the grievant's choosing, and the immediate supervisor, and if the immediate supervisor so desires, a person of the immediate supervisor's choosing.
  - a) If the Union is not the representative of the grievant, a Union representative shall have the right to be present at this meeting and shall be permitted to present the Union's views with respect to the grievance if requested by the immediate supervisor, but in any event, the Union representative within two (2) days after attending the meeting may submit the Union's views with respect to the grievance to the immediate supervisor in writing.
  - b) The District and the Union favor informal resolution as long as it is consistent with the terms and time lines of this Agreement. Nothing in this procedure is intended to prevent or limit the informal resolution of grievances at a time up to the deadline for the immediate supervisor's response at Level One.
3. The immediate supervisor shall transmit to the grievant(s) and the Union the written decision and reason within five (5) days after the Level One meeting.
4. The immediate supervisor shall not transmit the decision before having received and considered the Union's response as provided in 2.a. above.

A copy of the original grievance and the Level One response shall be filed with the appeal. A copy of the appeal shall be forwarded to the immediate supervisor rendering the decision at Level One.
2. The Superintendent or the Superintendent's designee shall act as a Hearing Officer. A hearing will be scheduled at a mutually agreeable time within ten (10) days after receipt of the appeal. If a mutually agreeable hearing date has not been scheduled, the hearing officer will schedule a

- b) The Hearing Officer shall be free to admit any testimony, evidence or exhibits deemed relevant, or to exclude same, in order to build as complete a record as necessary before rendering a decision.
- c) The Hearing Officer shall limit the decision to the facts as presented by the parties and the impact on, or conflict with, this Agreement.
- d) If the Union is not the representative of the grievant, a Union representative shall have the right to be present at this hearing and shall be permitted to present the Union's views with respect to the grievance within two (2) days of the conclusion of the hearing.
  - 1) The Union must advise the Hearing Officer if it intends to submit the Union's views with respect to the grievance.
- e) The order of presentation of a Level Two hearing shall be as follows except that the Hearing Officer may dismiss the proceeding when the grievance is untimely filed: opening statements, presentation of documentary evidence, calling of witnesses, questioning of witnesses, cross-examination of witnesses, and redirect, and, closing statements by both the grievant/representative and the respondent/representative.
  - 1) Either party involved may waive any part(s) of its presentation.
  - 2) If the testimony of witnesses is not relevant or becomes redundant and is not needed to build as complete a record as necessary for the rendering of a decision, the Hearing Officer will direct the parties to proceed to the next step of the presentation.
  - 3) The Hearing Officer shall be responsible for maintaining order during the hearing.
- f) Within five (5) days after the hearing, the Hearing Officer shall transmit the decision in writing with written reasons thereof to the grievant; the grievant's immediate supervisor, and the Union.
  - 1) The Hearing Officer shall not transmit the decision before having received and considered the Union's response.

The parties shall join in the execution of such requests.
    - a) Within five (5) days of receipt of the list of seven (7) arbitrators, the Union and a representative from the Board shall meet to strike the names of six (6) prospective arbitrators from the list. The selection of which party is to be the first to strike a name shall be determined by the flip of a coin. The parties shall alternate striking names, until only one name remains. The remaining name on the list shall be the individual who will conduct the arbitration.
    - b) The Human Resources Department and the Union shall notify the agency providing the list within two (2) days of the selection of the arbitrator. The agency shall notify the arbitrator of the selection.
    - c) The arbitrator will notify the parties of the available dates to schedule the hearing.
  3. The arbitrator shall hold a hearing within twenty (20) calendar days of appointment. Five (5) calendar days' notice will be given to all parties of the time and place of the hearing. The arbitrator shall issue the decision not later than thirty (30) calendar days from the date of the closing of the hearings. The decision shall be in writing and shall set forth the arbitrator's opinion and conclusions on the issues submitted.
  4. The arbitrator's function is to interpret the provisions of the Agreement and to decide cases of alleged violation of such provisions. The arbitrator shall have no power to add to, delete from, or modify in any way the provisions of this Agreement. The arbitrator shall have the power to make compensatory awards, where necessary, to implement the decision.
    - a) Compensatory awards are defined as restitution of wages and/or benefits to which teachers would have been entitled had the violation of their rights under the provisions of this Agreement not occurred.
  5. Teachers protected by the provisions 70 O.S. §§ 6-101.20 et. seq. may not utilize the arbitration procedures for actions of suspension and dismissal.
  6. The decision of the arbitrator shall be final unless appealed by either party to Level Four.

3. Only the arbitrator's findings of fact and conclusions, along with written evidence presented to the arbitrator may be submitted to the Board of Education for consideration and deliberation.
4. The items listed in the preceding paragraph shall be the sole evidence utilized by the Board of Education in making its decision at this level. Neither party shall make an oral argument before the Board at Level Four. After consideration and deliberation of the arbitrator's decision in open session, the Board shall render a decision to sustain or overrule the decision of the arbitrator.
