- 2:1 This Agreement shall be for a period as specified in the Duration Article, and negotiations concerned with the terms of this Agreement shall not be reopened during that time.
- 2:1.1 The parties agree to reopen the contract during the term of this agreement if changes occur in State or Federal laws or regulations that alter teacher wages, responsibilities or working conditions. (i.e., Delaware Performance Appraisal System II, Every Student Succeeds Act – ESSA). In addition, the only articles that would be discussed would be Article 15, Article 19 and Article 25.

## ARTICLE 3

### GRIEVANCE PROCEDURE

#### 3:1 DEFINITION

3:1.1 A grievance shall be defined as a written claim by an employee that the terms of this Agreement have been violated, misinterpreted, or misapplied resulting in the abridgement of rights granted to the employees by this Agreement.

3:1.2 A grievance may also be defined as a written claim by the Association that the terms of this Agreement have been violated, misinterpreted, or misapplied resulting in the abridgement of rights granted to the Association by this Agreement.

3:1.3 A grievant is the person, persons, or Association who files a grievance as provided for under this Agreement.

3:1.4 A class action grievance is a grievance filed by the Association, which asserts an effect on a group or class of employees.

3:1.5 Days as used in this Article refer to employee workdays. When a grievance is submitted between May 1 and the first teaching day, days shall refer to business days.

3:2 Purpose - The purpose of this procedure is to provide an alternative to existing means of resolving concerns over matters specified in this Agreement, which affect employees of the District. Both parties agree that these proceedings, if utilized, will be kept confidential except that the Board shall provide the Association with copies of all grievances and written decisions at each level.

3:3.1 No grievance may be changed after its formal presentation. However, the grievance may be amended with respect to cited contract items following the decisions rendered at Level 1 of the grievance procedure and shall be considered timely filed if resubmitted at Level 1 within ten days of the initial response.

3:3.2 All grievances should be processed as rapidly as possible; the number of days indicated at each level will be considered a maximum and every effort will be made at each level to expedite the process. The time limit specified may, however, be extended by mutual written agreement.

3:3.3 Failure at any level of this procedure to communicate the decision on a grievance within the specified time limits shall constitute authority for the grievant to proceed to the next level. Failure at any level of this procedure to appeal a grievance to the next level within the specified time limits shall be deemed to be acceptance of the decision rendered at that level.

3:3.4 If a grievance is a class action grievance or concerns rights of the Association, the grievance shall commence at a level appropriate to the occasion giving rise to the grievance.

3:4 LINE OF GRIEVANCE

3:4.1 The line of grievance which an employee will follow in processing a written grievance is:

- (a) Building principal, immediate supervisor, or district personnel making decision
- (b) Superintendent or designee
- (c) Arbitrator

3:5 SPECIFIC PROCEDURE

3:5.1 The grievant is encouraged to meet with the principal or his/her immediate supervisor or applicable District Office personnel with the objective of resolving the matter informally.

3:5.2 Level I - The grievant will set forth his/her grievance in writing as provided in Section 3:4 within fifteen days from the date the employee became aware he/she was aggrieved. Within ten days of receipt of the written grievance the principal, immediate supervisor or district office personnel shall hold a hearing. A decision in writing delineating the reason for the decision will be rendered to the grievant within five days of the hearing. (Appendix C)

3:5.3 Level II - If the grievant is not satisfied with the disposition of the grievance at Level I, he/she may, within ten days after being notified that the decision has been rendered, appeal the decision to the Superintendent or designee. The basis for the employee's continued dissatisfaction shall be delineated. The Superintendent or designee shall hold an informal grievance hearing within ten days after receiving the grievance. The Superintendent or designee shall communicate the decision in writing to the grievant within five days after the date of the hearing.

3:5.4 Level III - Submission to Arbitration - The decision of the Superintendent or his designee shall finally determine the matter unless the Association, within ten days of the Superintendent's decision, advises the Superintendent of its desire to proceed to arbitration. The Association shall submit a demand for arbitration to the Public Employment Relations Board. The request shall state in reasonable detail the nature of the dispute and the remedy requested. The parties shall then be bound by the regulations of the Public Employment Relations Board in the selection of an arbitrator. The Association shall represent the grievant at the arbitration level

3:6 REDIRECTING PRINCIPLES

3:6.1 No claim by an employee or the Association shall constitute an arbitrable matter or be processed through arbitration if it pertains to:

- (a) A matter where a specific method of remedy or appeal is prescribed by law (e.g., the Fair Dismissal Act) and/or by this Agreement.
- (b) Any rule or regulation of the State Department of Education.
- (c) Any matter which according to law is either beyond the scope of Board authority or which is illegal for the Board to delegate.

- (d) Dismissal or discharge of an employee or non-renewal of an employee's contract.
- (e) Administrative decisions relating to the involuntary transfer or unassignment of an employee when it is necessary to satisfy requirements of law, court order, or affirmative action programs or being the least senior in a building.
- (f) Safety issues as specified in Section 10:1.

Items (a) through (f) above, although not arbitrable, shall be appealable through the grievance procedure to the Board within fifteen (15) days of the Superintendent's decision which shall, at its option, hold a hearing concerning the matter or determine the matter on the basis of the written records. The Board shall render its decision within thirty (30) days of the date of the filing of the appeal to the Board.

### 3:7 ARBITRABILITY

3:7.1 If the Superintendent or designee disagrees as to the arbitrability of the dispute; he/she may request a conference to discuss the issue of arbitrability and to seek to resolve the differences between the parties.

3:7.2 If the disagreement over arbitrability persists, the arbitrator appointed under the procedures set forth herein shall rule upon the question of arbitrability prior to hearing the merits of the dispute in question. The same arbitrator shall schedule a second meeting to hear the dispute on its merits if the dispute is judged to be arbitrable.

### 3:8 PROCEDURE

3:8.1 The Public Employment Relations Board shall administer arbitrations pursuant to regulations adopted by the Public Employment Relations Board. The arbitrator's decision shall be binding upon the parties pursuant to 14 DE Code § 4013 except for items on voluntary transfers, involuntary transfers, and unassignments for "programmatic reasons" and evaluations where the arbitrator's decision should be advisory.

3:8.2 The arbitrator, in the written opinion, shall not amend, modify, nullify, ignore, or add to the provisions of the Agreement. The opinion must be based solely and only upon his/her interpretation of the meaning or application of the express relevant language of the Agreement.

### 3:9 COST OF ARBITRATION

3:9.1 The costs for the services of the arbitrator in determining whether a dispute is arbitrable, including per diem expenses, if any, and actual and necessary travel and subsistence expenses shall be borne by the losing party. The costs for the services of the Arbitrator incurred in deciding the merits of a dispute, including per diem expenses, if any, and actual and necessary travel, subsistence expenses, and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.

3:10 MISCELLANEOUS

- 3:10.1 Commencing with Level I of the Grievance Procedure the grievant may be accompanied by a representative of his/her own choosing.
- 3:10.2 If the grievant does not choose to be accompanied and represented by an Association grievance representative the Association shall have the right to be present and to state its views at all levels of the grievance procedure. This shall not apply when the grievance involves matters of personal, embarrassing, and confidential nature and the grievant specifically requests, in writing, that the Association representative not be present.
- 3:10.3 If the employee elects to be represented, he/she must still be present at any level of the grievance procedure where his/her grievance is to be discussed except that he/she need not be present where it is mutually agreed that no facts are in dispute, and when the sole question is the interpretation of this Agreement.
- 3:10.4 Where grievance proceedings are mutually scheduled by the parties during school time, persons proper to be present shall suffer no loss of pay. In the event that a dispute arises as to whether it is proper that a person be present at the grievance such dispute shall be subject to resolution through the grievance procedure.
- 3:10.5 No documents, communications, and records which are developed in connection with the processing of a grievance shall be filed in the District's file pertaining to the employee.
- 3:10.6 It is understood that employees shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the District until such grievance and any effect thereof shall have been fully determined.
- 3:10.7 A form for filing grievances shall be prepared jointly by the Association and the Administration, reproduced by the Administration and distributed to the Association so as to facilitate operation of the grievance procedure. Such form shall be attached as Appendix C of this Agreement. The appropriate form shall be used for filing a grievance at each level of the procedure. Grievances may be faxed to the appropriate administrator who will respond by fax his/her receipt of the grievance.
- 3:10.8 Hearings at any level of the grievance procedure may be waived by mutual agreement of the parties.
- 3:10.9 Level I grievance decisions accepted by individual employees which appear in conflict with this Agreement may be grieved by the Association beginning with Level II.
- 3:10.10 If a grievance is granted at Level I and the problem continues to occur, the Association may file a class action grievance at Level II provided that the actions fall within the same school year and under the same administrator who responded at Level I.

## ARTICLE 4

### EMPLOYEE RIGHTS

- 4:1 Pursuant to Chapter 40, Title 14, Delaware Code, the Board hereby agrees that employees have the right to join an organization for engaging in collective bargaining.
- 4:2 The parties shall not discriminate against, interfere with, restrain, nor coerce employees in the right to organize or to join or participate in lawful Association activities or to refrain from so doing. Nothing contained herein shall be construed to deny or restrict to any employee such rights as may be held under Delaware School laws or other applicable laws and regulations.
- 4:3.1 An employee who is required to appear before the Board or an agent thereof for disciplinary reasons (written reprimand, suspension, termination) shall be given prior written notice. The letter will contain the date(s) of the incident(s) and specific reason(s), such as “Professional Responsibilities related to \_\_\_\_\_ and to the incident(s) of \_\_\_\_\_”. Any topic not included in the letter will not be covered at said meeting unless agreed to by the employee. If not agreed, it will be discussed at a later date after proper notice has been given. The parties agree that 48 hour meetings will not be scheduled the day before a holiday. An employee required to appear in this instance shall be entitled to have an Association Representative present during such meeting and any follow-up meeting that is held. With prior notice, an additional Association member may attend the meeting for training purposes or due to his/her area of expertise. The parties agree that 48-hour meetings may be postponed 24 hours in order for the employee to secure representation.
- 4:3.2 When an employee is requested to meet with an administrator and he/she at any time reasonably believes the meeting may result in disciplinary action, the employee may have an Association representative present. Such representative must be available within a reasonable amount of time.
- 4:3.3 Sections 4:3.1 and 4:3.2 do not preclude informal discussion with an employee by a member of the administrative staff pertaining to the employee's performance at his/her work location.
- 4:4 No employee shall be disciplined, reprimanded orally or in writing, or reduced in pay except for just cause. Any such action will be conducted in private.

- 4:5 Suspension of an employee pending the disposition of charges by the Board of Education shall be with full pay and benefits unless the employee is arrested for a felony offense which constitutes grounds for termination, in which case the employee will be suspended without pay and benefits. If the said employee is exonerated, back wages will be reimbursed. Where an employee is suspended for disciplinary reasons and that suspension is not revoked through the grievance procedure, an amount of pay equal to the number of days of said suspension shall be deducted from said employee's pay. If the number of remaining pay periods permit, no more than one day's pay in any one pay period shall be deducted from the employee's pay. If an employee leaves employment of the District before the completion of the grievance procedure, if used, the employee's pay will be deducted in the last paycheck of the employee. If suspension is subsequently revoked the District shall return any monies to the employee.
- 4:5.1 When an employee has been placed on administrative leave for a period of more than two (2) months, and is scheduled to return, the employee may request a re-entry meeting. The request shall include the identification of the re-entry issues the employee would like to address. The issues should be provided to the building/ program administrator and Human Resources 24 hours prior to the official meeting. The re-entry discussion shall occur after the 48 hour meeting topics are discussed and will not be disciplinary in nature. A statement will be included in the electronic file noting the administrator or counselor making the change and the date the change occurred.

Teachers in schools not using computerized reporting and/or those requiring narrative reports shall have six (6) work days from the close of the last day of the marking period to turn in grades to the building administrator, excluding the last marking period. Progress reports for IEPs while computerized, require a short narrative and will be held to the six (6) workday turnaround time. The last marking period grades will be due three (3) days from a date designated by the administration. Teachers will be informed of this designated date no later than May 1. Final grades for seniors in danger of failing the course are not subject to the three (3) day timeline.
- 4:6.1.2 One half day per marking period will be allocated for the purpose of reporting and grading with the other half dedicated to professional development. Such days shall be set by the District and will occur on in-service days between the first student day

4:8.1 When the parent/guardian indicates a desire to attend a conference with a community/legal representative the building administrator shall be responsible for scheduling and attending such a conference. The employee shall have the right to bring an Association representative.

4:8.2 In the event that the parent/guardian is accompanied by a member of his/her immediate family then the employee shall not be entitled to representation. However, if at any time during the meeting the employee believes he/she needs a representative the principal shall terminate the conference until an Association representative may also be present.

4:8.3 In such cases when an Association representative attends with an employee, the Association representative must maintain the confidentiality of all material discussed at such meetings.

4:8.4 The building administrator shall terminate the conference if he/she feels the conduct or language directed at the employee becomes foul or abusive. If an administrator is not present during the conference a teacher may terminate the conference until an administrator is available. Also, if, after a verbal objection, abusive behavior continues the teacher may leave the conference.

4:9 INSTRUCTIONAL MATERIALS

A copy of the District's policy concerning rights and responsibilities relating to development of instructional materials is placed at the end of this Agreement for the information of employees as Appendix G. Any recommendations for change in the policy will be submitted to the Superintendent by a teacher/administration committee. The committee will be made up of three (3) Association representatives

appointed by the Association and (3) three administrative representatives.

4:10.2 Clothing and jewelry shall be free of writing, pictures, or any other insignia which are crude, vulgar, obscene, profane, sexually suggestive, advocate prejudice or violence against any group/individual, or advocate the use of drugs or alcohol.

4:10.3 If, in the judgment of an employee's immediate supervisor, an employee has physical hygiene issues or is not appropriately groomed or dressed for duty, then the immediate supervisor may direct the employee to leave District premises until he/she has resolved such issues and can report to work as expected. Any time away from duty is to be charged to the employee's appropriate paid or unpaid leave.

An employee will only be allowed one transfer per year. Employees will be notified of their offer via district email. The employee will have 24 hours, not including weekends and holidays, to respond to a notice of an opening of a requested position. Failure to accept three offers will cancel the voluntary transfer request. (See Transfer Form-Appendix D). Voluntary transfers shall be determined as listed in 14:2.4.

Seniority is as defined in Article 16.

The notice will include language stating the employee has the right to have an Association representative present. The improvement plan shall be developed collaboratively according to the guidelines in the State appraisal system.

### SENIORITY, LAYOFF, AND RECALL

#### 16:1 SENIORITY

16:1.1 Seniority shall be calculated as the length of most recent continuous service as a teacher and/or administrator in the District. Time earned as a temporary contract employee in the district shall count toward seniority upon the hiring of the employee on a permanent contract provided that service is continuous.

16:1.2 For transition purposes, seniority dates for teachers shall be the seniority date as established in the spring 1981 seniority roster of the New Castle County School District adjusted for any time spent on layoff during 1981-82 and other reasons for adjustment as outlined by this Article.

16:1.3 An administrator who is assigned to bargaining unit positions shall be afforded seniority as a teacher commensurate with the time of his/her previous employment as either a teacher and/or administrator by the District, the New Castle County School District, and/or one of the component districts prior to July 1, 1978. Such service must be continuous and a resignation is considered a break in service. (Moving from a teacher to an administrative position within the same District is not considered a resignation.)

16:1.4 The Human Resources Office shall annually publish a list of all employees by field of current major teaching assignment listed in seniority order. This list shall be published and posted in each school by February 15 of each year. Employees who wish to appeal their placement on this list must do so in writing to the Human Resources Office before March 1 of the year the list is published. A final list shall be published by March 31 each year. An employee's failure to question prior to March 1 his/her seniority date and classification on the first published list will preclude the assertion of incorrect seniority date and classification in challenging a subsequent layoff.

16:1.4.1 If an employee's seniority date or classification is different on the second list as compared to the first list such employee has three (3) days from the posting of the second list to appeal the change.

16:1.5 The Association will be made aware of the composition of the seniority list prior to the posting of such list. The Association may make suggestions for additions and/or deletions. The final composition of the seniority list shall rest with the Superintendent and is not subject to the grievance procedure outlined in Article 3.

16:1.6 In the event two or more employees have the same seniority date the following criteria shall be used in the order enumerated as tie breakers:

- (a) total length of teaching service in the Christina School District;
- (b) total length of State teaching service;
- (c) length of total teaching experience;
- (d) educational level on the salary schedule; and
- (e) lottery.

- 16:1.7 Board-approved leaves of absence shall not constitute a break in service, but will not be counted toward seniority as applied in this Article with the following exceptions:
- (a) sabbatical leaves
  - (b) military leaves
  - (b) leave for officer of the Teacher Association(s)

16:2 LAYOFF

16:2.1 The Superintendent or designee shall determine the number of positions to be reduced, taking into consideration known attrition, and shall apprise the President of the Association of this information and also share with the Association how this information was developed.

16:2.2 To accomplish the necessary reduction in force, employees will be laid off from the field of their current major assignment on the basis of seniority.

16:2.3 Employees who work in programs of limited duration and are scheduled to be laid off from such program shall be permitted to return to a regular position in their former major teaching field when the limited duration program is reduced or terminated provided the employees have sufficient seniority. When a decline in enrollment, a decrease in program, or a reduction in funding is anticipated for the following year, any necessary reduction will be made in that field consistent with seniority to permit such reassignment.

16:2.4 Employees who have been involuntarily transferred or involuntarily reassigned to an assignment that places them in a different seniority classification and are scheduled to be laid off from such classification shall, at the employee's option, be permitted to return to their previous seniority classification provided they have sufficient seniority.

16:2.5 Employees who are on one of the seniority classifications listed below and are scheduled to be laid off in that classification shall, at the employee's option, be permitted to exert their seniority provided they have sufficient seniority to the least senior employee in the related classification(s) listed below for which they are fully certificated. Such certification must be on file in the Human Resources Office prior to March 1 of the year the reduction takes place:

- 26.2 There are three categories of EPER positions. They are:

  - (b) Seasonal or Coaching EPER
  - (c) Hourly EPER
- 26.3 Extra Pay for Extra Responsibility positions are filled for one year/season only and at the end of that time frame will be considered vacant. A vacancy that arises during the one year/season may be filled for the remainder of that year/season.
- 26.4 An employee serving in an EPER position shall not be removed from the position without just cause during the duration of said position. However, an employee serving in an EPER position does not have a right to automatically continue to serve in the EPER position the following school year. To fill or not fill a position on the EPER salary scale is the prerogative of the District.
- 26.5 Employees covered in this agreement will be notified in writing by the principal according to the following schedule in regards to EPER positions for the upcoming year:
- Fall season & Year-Long/Athletic - by June 1

- 26.8 Qualified employees in the building will be interviewed and given first consideration in filling vacant EPER positions. If the position is not filled from within the building by a qualified applicant, district employees who applied for the current posted position, at the time of the most recent posting, will be interviewed.

- 26:9 If a position is not filled on a voluntary basis from within the District volunteers will be sought from the community. Positions that are "academically oriented" are not covered by this section (grade advisors, department chairperson, team leader, A-V director, student council advisor, etc.).
- 26.10 Credit towards years of experience on the EPER salary schedule shall be granted for experience in the same category and level.
- 26.11 If an annual EPER position is shared by two (2) or more employees, the EPER salary shall be split equally based on the equal responsibilities delineated for said employees by their immediate supervisor.
- 26.12 If an employee does not complete a year-long/academic EPER position for the entire year, his/her EPER salary shall be prorated according to the following formula provided all of the required work was completed during the time the employee held the position:

Year-long position:

Annual EPER total/state contracted days x number of contracted days in the position.

- 26:12.1 Payment for a year-long extra responsibility activity shall be made in three (3) installments:

- (a) December

- 26:12.2 Payment for seasonal/coaching EPER shall be divided into two (2) equal installment payments with the first payment installment half (1/2) at the midpoint of the season and the second payment installment half (1/2) at conclusion of duties within 45 days of the last scheduled activity for the EPER position provided all of the required work was completed during the time the employee held the position.
- 26.12.3 If a coach is responsible for two teams that practice simultaneously but compete separately (such as boys and girls tennis), such a coach shall be paid at the rate of 150% of the applicable scale for the sport.
- 26:12.4 If an employee does not complete an entire season, his/her EPER salary shall be prorated according to the following formula provided all of the required work was completed during the time the employee held the position.

Seasonal position: Annual EPER rate-divided by the number of days from start of activity to end of activity x number of calendar days in the position for that particular season.

- 26:12.5 The salaries of all annual EPER positions are set forth in Appendix B which are attached hereto and made apart hereof.
- 26:12.6 Nurses shall have one day in addition to the setup day reserved during the first staff week for performing “health regulation compliance” duties. That rate shall not be less than the rate in effect as of July 1, 2013.

## APPENDIX G

### DEVELOPMENT OF INSTRUCTIONAL MATERIALS

Personnel employed by the Christina School District (the "District") may have occasion to develop computer programs and other curriculum materials which have commercial value (hereinafter "materials"). These activities may involve use of District resources, including computer equipment and software (hereinafter "facilities") and may be supported by District funds or funds provided by outside sponsors.

The Federal Copyright Act provides that, in the case of a "work made for hire," the originator's employer is the "author" of the work and is entitled to copyright the work unless the parties have expressly agreed otherwise. A "work made for hire" is defined by the Act as "a work prepared by an employee within the scope of his or her employment."

It is the purpose of this policy to establish the respective rights and obligations of the District and District personnel related to the development of copyrightable materials and administrative procedures for carrying out this policy.

#### .1 Administrative Responsibility

The administration of this policy is the responsibility of the Director of Instruction who shall not depart from this policy without the Board's consent.

#### .2 General Principles

A District employee who develops materials which may be copyrightable is required to cooperate with the District in defining and establishing rights under the Federal Copyright Act, this obligation extends to any materials, whether or not made on District time and whether or not District facilities were used. An employee shall not use District facilities for the purpose of developing materials unless the employee has the prior written approval of the Director of Instruction. When materials have been generated, with or without the use of District facilities, the originator shall promptly provide the Director of Instruction with a statement describing the circumstances under which the materials were produced, with particular attention to:

- a. Identifying the sponsor, if any, of the project;
- b. Stating whether the activity resulting in development of the materials is within the originator's normal activities and responsibilities as a District employee;
- c. Indicating the extent to which equipment or physical facilities provided by the District were used in producing the materials;
- d. Indicating whether the materials were developed under terms of a consulting agreement; and
- e. Noting the existence of any agreement between the originator and the District with respect to the materials.

If it is determined by the Director of Instruction that the District has rights to the materials, the originator agrees to provide the District with an unconditional license to use the materials. Such a license shall be provided at no cost to the District apart from the consideration of the originator's employment. Such a license shall be in a form acceptable to the District. Materials developed by District personnel under terms of consulting agreements fall within the provisions of this Section. District personnel may not use District facilities for work related to consulting agreements without the prior written approval of the Director of Instruction. It is the responsibility of District personnel to advise potential consultation clients of their District obligations prior to entering into consulting agreements.

.3 Rights and Obligations of District Personnel with Respect to Certain Instructional Materials

a. Work Conducted Independently by District Personnel

Materials resulting from work conducted wholly at the expense of the individual, without use of District facilities, equipment, or materials, and outside the scope of the individual's normal field of District activities and employment responsibilities, are the property of the individual. In all such cases the Director of Instruction shall agree, in writing, that the materials belong to the originator to dispose of as he/she sees fit.

b. Work Financed Wholly or in Part by Government Funds

The District may be obligated to report to the appropriate government agency with respect to all materials derived from work which has had any financial support from the Government of the United States. The Government may determine that:

- 1) The public interest requires that the materials be disclosed in the open literature; or
- 2) The Government shall have exclusive rights to the materials; or
- 3) The materials shall be released to the District, in which event the District shall release the materials to the originator subject to the originator's agreement to provide the District with a license to use the materials (see Section .2).

Irrespective of which of these alternatives is selected by the Government, the Government usually retains rights to a royalty-free, non-exclusive, irrevocable license throughout the world under any copyright which may be issued on the materials, or to free use of the materials for Government purposes. Any rights to the materials granted by the District are subject to such retained Government rights. If the District releases the materials to the originator, the release shall specify that the originator agrees to convey to the District such rights as the District may need in order to fulfill its obligation to the Government.

- c. Work Financed Wholly or in Part by Industrial, Philanthropic, or Other Organizations, or by Individuals Under Contracts or Written Agreements with the District

Rights with respect to materials in this category are governed by the terms of the individual agreements.

.4 Arbitration of Dispute

In the event the District and the originator cannot agree with respect to any of their respective rights or obligations under this policy, such dispute shall be submitted to arbitration. An arbitrator shall be selected in accordance with the rules and procedures of the American Arbitration Association. The costs for the services of the arbitrator, including per diem expenses, travel expenses, subsistence expenses, and the cost of the hearing room shall be borne equally by the District and the originator.

.5 Additional Provisions

- a. The originator agrees not to use the District, or the District's name, in the use of such materials without prior written approval by the District. The District has the right to have its name included if it so desires.
- b. The originator agrees to execute all documents including license of the materials to the District.
- c. It is the originator's responsibility to provide the Director of Instruction with a mailing address.
- d. The originator warrants that all materials he/she develops are the original work of the originator and free from infringement of existing copyright. If the originator incorporates copyrighted materials in such materials, he/she shall provide proof of release from copyright holder prior to their inclusion. Further, the originator agrees to take no action or enter into any agreements or arrangements under which any other person or organization may develop rights in such materials without the prior written approval of the Director of Instruction.
