APPENDIX A: Schedule E.

A. The following criteria are applicable where an employee is to receive additional compensation for activities authorized in this schedule: (a) the teacher must be assigned to extra duty and be under a supplemental contract for the position, and (b) the assignment must be performed either before or after the regular school day. This schedule does not restrict the use of an unassigned period(s) for an activity, which requires time during the regular school day.

In order to be eligible to receive a coach, a school must have a team with a published schedule.

B. Positions on Schedule E may be job shared on a 50%/50% basis, if approved in writing by both teachers and the principal.

C. If a principal declares a vacancy in any position, the principal shall post the vacancy in the building for five (5) working days during which time a teacher may indicate his/her preference for such position. If a vacancy is not filled by a teacher in the building, the principal may declare a vacancy system-wide and, if so, shall distribute a notice of vacancy to each school and consider any applications received within ten

(10) working days of the date of distribution. The principal shall consider all teachers who have indicated their preference for a position and shall appoint a district teacher unless no current teacher applies who is qualified for the position. If two or more district teachers apply for the position, the principal shall consider their training, experience, and individual qualifications and the number of other extra-curricular activities to which the teachers are assigned. If those factors are substantially equal, seniority shall control the choice. However, if a position must be filled before the above procedure can be completed, the principal may temporarily assign a teacher to fill the position on a temporary basis until the procedure has been completed. The principal shall announce the names of those teachers awarded supplemental contracts within five (5) days of selection. The above procedure shall not apply to the selection of teachers to fill the positions of Athletic Director, Head Varsity Football Coach, and Head Varsity Basketball Coach, where Board Procedure 415.5 shall apply instead.

A list of all schedule E positions that are filled or vacant at each school shall be available in the school office at the end of the first and third quarters. Name and contract amount shall be included in the list. In addition, the Board shall provide the Federation a list of the positions filled and submitted to the Board for approval. The list shall include the name, supplemental position, school, regular positions and school, and supplemental salary.

- D. Supplemental contracts specifying the amount of compensation shall be issued to all teachers who are assigned to positions under Schedule E prior to the time of supplemental employment or as soon thereafter as possible. Where a supplemental contract has not been issued to a teacher assigned to an extracurricular position prior to the time of supplemental employment, the principal shall provide the teacher with written confirmation of his/her assignment and of the compensation that he/she is to receive. A teacher who is replaced as a coach or extra-curricular activity sponsor shall be notified that his/her supplemental contract will not be renewed at least 60 days prior to the date that the supplemental employment begins. Such notice shall not be required if the teacher transfers to another school. Individual supplemental contracts will be revised in accordance with this provision effective for the 2007-08 school year. Payment shall be made during the pay period following completion of the supplemental employment or as soon thereafter as possible.
- E. The listing of an amount by any position does not require the Board to staff such position with one or more employees.
- F. Ten per cent (10%) of the base amount shall be paid as an experience increment for five (5) or more years of experience in the same sport (e.g., football, basketball) or activity (e.g., student council, band) regardless of grade level in the Cincinnati School District.
- G. Principals may require anyone serving in a Schedule E position to submit goals annually for the program or activity.
- H. The ILT (or TBC and the principal at schools without ILT's) shall develop an extracurricular (Schedule E) plan by May 15 annually, taking into consideration gender equity. Any unused money (from athletic or non-athletic activities) shall be returned to form a pool of money from which any school may apply to provide additional athletic or non-athletic programs at their schools. A joint committee of teachers and administrators shall develop the guidelines and approve any additional allocations to schools.
