Extended Day/Year

Supplemental pay may be provided to employees who work an extended school day or school year to meet program responsibilities or student needs. For example, some High School Teachers may be asked to work an additional hour beyond the normal eight-hour day to provide student instructional services or to teach an additional period of instruction. Local school administrators must approve Extended Day/Year pay because of student and school needs; such pay cannot be based on tasks that would normally be performed during the regular work day.

Holiday Pay for Hourly Employees

In order to be paid an hourly holiday premium for working on a scheduled holiday, an hourly employee working a 260-day work schedule must work the workday before and the workday after said holiday or be on approved paid vacation, personal or acceptable short-term leave for personal or family illness or bereavement purposes. Hourly employees on a 260-day schedule who do not qualify for the holiday premium will be paid 1-1/2 times their regular rate for work on a holiday.

Overtime

Overtime is defined as those hours worked by a public employee who qualifies for time-and-one-half overtime pay or time-and-one-half compensatory time as required by the Fair Labor Standards Act. Overtime for Cobb County School District non-exempt employees refers to those hours or major fractions of hours beyond 40 hours within a work week. For non-exempt employees who are paid bi-weekly, the week begins at

12:01 a.m. on Thursday and ends at 12 midnight on Wednesday. For non-exempt employees paid monthly, the work week begins at 12:01 a.m. on Monday and ends at 12 midnight on Sunday.

Employees classified under The Fair Labor Standards Act as non-exempt are compensated at a rate of one and one-half times their hourly rate after 40 hours within a work week and/or one-and-one half hours of compensatory time off for each hour over 40 hours within a workweek. Overtime for non-exempt employees must be approved in advance by their supervisor (except in emergency situations). Unauthorized (unapproved) overtime worked may subject the employee to disciplinary action. Non-exempt employees cannot waive their rights to overtime pay or volunteer to perform normal job functions outside normal work hours. As a general rule, employees may only bank 32 hours of compensatory time during any pay period. Hours that exceed 32 hours should be reported to the supervisor immediately.

Employees classified under the Fair Labor Standards Act as exempt are paid a fixed rate and are not eligible for overtime pay. 📖 Administrative rule reference: GBCB

Pay Advances

Employees who do not work during the scheduled attendance/service report period for a specific month will not receive a pay check at the end of that month and, therefore, are eligible for a pay advance. The amount of the advance pay is based on the position and length of day. Refer to the Monthly Payroll Schedule to determine if you are eligible for a pay advance.

Certified employees who begin work after the beginning of the contract year are paid an equal monthly percentage of their salary through the end of July which is calculated by using an employee's first and last day of work for the school year. Classified employees are paid monthly or bi-weekly, based on their job assignment. 📖 Administrative rule reference: GBC

Classified employees are paid based on years of like experience related to their current classification and education level. ☞ Administrative rule reference: GBC

Upon receipt of verified experience and a valid in-field certificate, the salary will be appropriately adjusted. Teaching experience gained outside the District in an accredited, Georgia-recognized program will be credited year for year. The daily rate of pay for certified employees can be adjusted if the District determines that an employee's initial certification status has changed.
