

The 2015-2017 Master Agreement remained posted - next to the 2017-2018 salary schedule - on the district website as of December 7, 2017. As such, NCTQ made the assumption that - per Part 1, Chapter 901.11 of the 2015-2017 Master Agreement - teachers in the BA column continue to be placed at the step that corresponds with three years of experience and shall remain there for no more than three consecutive years.
