**\*Supplements are annual, and you must complete your contract to qualify for payment. If working less than full-time and/or a full year, supplements are prorated based on actual time worked.**

Per state law, the advanced degree lanes (MA and above) are only available to those paid on those schedules prior to July 1, 2014, or to those who completed at least one course towards an advanced degree prior to August 1, 2013. As such, NCTQ's salary analysis is only based on the bachelor's degree lane.
