Introduction

The Dallas Independent School District (District) as a equal opportunity educational provider and employer, does not discriminate on the basis of race, color, religion, sex, national origin, age, disability, sexual orientation, gender identity, gender expression, genetic information, or any other basis prohibited by law, in educational programs or activities that it operates or in employment decisions. The district is required by Title VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act, and the Age Discrimination Act of 1975, as amended, as well as board policy not to discriminate in such a manner. (Not all prohibited bases apply to all programs)

General questions about the district should be directed to Customer Service 972-925-5555.

The purpose of this handbook is to provide information that will help with questions and pave the way for a successful year. Not all district policies and procedures are included. Those policies that are included have been summarized. Suggestions for additions and improvements to this handbook are welcomed and may be sent to Human Resources, 3807 Ross Ave., Dallas, TX 75204.

I understand that no modifications to contractual relationships or alterations of at-will employment relationships are intended by this handbook. This handbook is neither a contract nor a substitute for the official district Policy manual. Nor is it intended to alter the at-will status of noncontract employees in any way. Rather, the manual is a guide to, and a brief explanation of, district policies and procedures related to employment. These policies and procedures can change at any time. Changes to policies and procedures shall supersede any handbook provisions that are not compatible with the change. For more information, employees may refer to the Policy codes that are associated with handbook topics, confer with their supervisor, or call the appropriate district office. Board of Trustees

Policy BA Board Legal Status

<http://pol.tasb.org/Policy/Code/361?filter=BA>

Policy BE Board Meetings

<http://pol.tasb.org/Policy/Code/361?filter=BE>

Texas law grants the Board of Trustees the power to govern and oversee the management of the district's schools. The Board is the policy-making body within the district and has overall responsibility for curriculum, school taxes, annual budget, and employment of the Superintendent of Schools and other professional staff, and facilities. The Board has complete and final control over school matters within the limits established by state and federal laws and regulations.

Members of the Board of Trustees are elected by the citizens of the district in which they live to represent their community's commitment to a strong educational program. There are nine single-member districts, and each of the trustees serves a three-year term of office. Trustees serve without compensation, must be qualified voters, and must reside in the district they represent.

Current members of the Dallas ISD Board of Trustees are:

Lew Blackburn, *President*, District 5

Adam Medrano, *First Vice President*, District 8

Eric Cowan, *Second Vice President*, District 7

Nancy Bingham, *Board Secretary*, District 4
Elizabeth Jones, District 1
Mike Morath, District 2
Dan Micciche, District 3
Carla Ranger, District 6
Bernadette Nutall, District 9

The Board of Trustees meet on the fourth Thursday of each month, except for July, at 5:30 p.m. in the Ada L. Williams Auditorium at the Administration Building, 3700 Ross Ave., Dallas, TX 75204. The Board Meeting Schedule as well as the Board Agendas are accessible through the district's webpage at <http://www.dallasisd.org/domain/455>. Special meetings may be called when necessary. A written notice of regular and special meetings will be posted on the Dallas ISD Web site and at the administration building at least 72 hours before the scheduled meeting time. The written notice will show the date, time, place, and subjects of each meeting. In emergencies, a meeting may be held with a two-hour notice.

All meetings are open to the public. In certain circumstances, Texas law permits the board to go into a closed session from which the public and others are excluded. Closed sessions may be called for discussing prospective gifts or donations, real-property acquisition, certain personnel matters including employment complaints, security matters, student discipline, or consultation with attorneys pending litigation.

<http://pol.tasb.org/Policy/Code/361?filter=DCD>

Policy DCE Employment Practices- Other Types of Contracts

<http://pol.tasb.org/Policy/Code/361?filter=DCE>

State law requires the district to employ all full-time professional employees in positions requiring a certificate from the State Board for Educator (SBEC) and nurses under probationary, term, or continuing contracts. Employees in all other positions are employed at-will or by a contract that is not subject to the procedures for nonrenewal or termination under Chapter 21 of the Texas Education Code. The paragraphs that follow provide a general description of the employment arrangements used by the district.

Probationary Contracts

Nurses and full-time professional employees new to the district and employed in positions requiring SBEC certification must receive a probationary contract during their first year of employment. Former employees who are hired after a two-year lapse in district employment or employees who move to a position requiring a new class of certification may be employed with probationary contract. Probationary contracts are one-year contracts. The probationary period for those who have been employed as a teacher in public education for at least five of the eight years preceding employment with the district may not exceed one school year.

For those with less experience, the probationary period will be three school years (i.e., three one-year contracts) with an optional fourth school year if the board determines a term or continuing contract should not be given.

Term Contracts

Full-time professionals employed in positions requiring certification and nurses will be employed by term contracts after they have successfully completed the probationary

period. The terms and conditions of employment are detailed in the contract and employment policies. Employees entitled to contracts can access them through Oracle Self Serve. Employment policies can be accessed on line or copies will be provided upon request.

Noncertified and Certified Professional and Administrative Employees

Employees in professional and administrative positions that do not require SBEC certification (such as noninstructional administrators) are not employed by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the district.

Paraprofessional and Support Employees

All paraprofessional and support employees, regardless of certification, are employed at will and not by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the district.

Policy DK Assignment and Schedules

<http://pol.tasb.org/Policy/Code/361?filter=DK>

Professional employees whose positions require SBEC certification or professional license are responsible for taking actions to ensure their credentials do not lapse. Employees must submit documentation that they have passed the required certification exam and/or obtained or renewed their credentials to Human Resources in a timely manner.

A certified employee's contract may be voided without due process and employment terminated if the individual does not hold a valid certification or fails to fulfill the requirements necessary to renew or extend a temporary certificate, emergency certificate, probationary certificate, or permit. A contract may also be voided if SBEC suspends or revokes certification because of an individual's failure to comply with criminal history background checks. Contact Human Resources if you have any questions regarding certification or licensure requirements.

Searches and Alcohol and Drug Testing

Policy DHE Employee Standards of Conduct – Searches and Alcohol/Drug Testing

<http://pol.tasb.org/Policy/Code/361?filter=DHE>

Employees are hereby notified that they have no legitimate expectation of privacy in the workplace or of district owned property. Searches of district owned property and/or

searches of the workplace may occur at any time. The district may search the employee, the employee's personal items, work areas, including but not limited to, district-owned computers, lockers, electronic communications, and private vehicles parked on district premises or work sites or used in district business. In addition, searches may include, but are not limited to, drug, alcohol, and controlled substance testing if the suspected violation relates to drug, alcohol, or controlled substance use.

The district may conduct drug tests of any district employee, without a warrant and without individualized suspicion, when the test serves special governmental needs that outweigh the individual's privacy expectation. (See DHE Legal)

In addition, the district shall establish a random drug, alcohol, and controlled substance testing program for employees in functions classified as safety-sensitive positions to help prevent accidents and injuries resulting from the misuse of those substances, and to ensure the physical safety of students, employees, and members of the community. The primary purpose of the program is to prevent impaired employees from performing safety-sensitive functions. Those functions designated as safety-sensitive shall be identified by the Superintendent of Schools or designee as part of the program, and regulations shall be developed for the department or division in which random testing is conducted. (See DHE Regulation)

Testing positive for any amount of alcohol, illegal drugs, or any controlled substances, or an employee's refusal to comply with a directive to submit to a random drug or alcohol test shall be a basis for employee disciplinary action, up to and including termination.

Department managers, principals, and other administrators, in consultation with Department of Human Resources, may remove an employee from a duty and require testing for illegal drugs, alcohol, and/or controlled substances, based upon reasonable suspicion.

Reasonable suspicion includes but is not limited to:

- The occurrence of an accident or incident that results in damage or loss of district property or injury to any employee;
- Articulable observations of appearance, behavior, speech, or body odors; and/or
- Reports or complaints about use of alcohol or illegal substances during work hours from other employees or members of the public. (See DHE Local)

Within 24 hours of the removal, the supervisor shall provide a signed, written record to Human Resources documenting the information leading to an employee's removal and/or testing based on reasonable suspicion.

Employees Required to Have a Commercial Drivers License

Any employee whose duties require a commercial driver's license (CDL) is subject to drug and alcohol testing. This includes all drivers who operate a motor vehicle designed to transport 16 or more people counting the driver, drivers of large vehicles, or drivers of vehicles used in the transportation of hazardous materials. Teachers, coaches, or other employees who primarily perform duties other than driving are subject to testing requirements if their duties include driving a commercial motor vehicle.

Drug testing will be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted when reasonable suspicion exists and, at random. Testing will be conducted following accidents.

All employees required to have a CDL or who otherwise are subject to alcohol and drug testing will receive a copy of the district's policy, the testing requirements, and detailed information on alcohol and drug abuse and the availability of assistance programs.

Employees with questions or concerns relating to alcohol and drug policies and related educational material should contact the Risk Management Office at (972) 925-4050.

<http://pol.tasb.org/Policy/Code/361?filter=DBA>

Policy DMA Professional Development – Required Staff Development

<http://pol.tasb.org/Policy/Code/361?filter=DMA>

Certain employees who are involved in physical activities for students must maintain and submit to the district proof of current certification or training in first aid, cardiopulmonary resuscitation (CPR), the use of an automated external defibrillator (AED), concussion, and extracurricular athletic activity safety. Certification or documentation of training must be issued by the American Red Cross, the American Heart Association, University Interscholastic League, or another organization that provides equivalent training and certification. Employees subject to this requirement must submit their certification or documentation to their Office Manager or supervisor within 30 days of receipt.

<http://pol.tasb.org/Policy/Code/361?filter=DBE>

Policy DK Assignment and Schedules

<http://pol.tasb.org/Policy/Code/361?filter=DK>

All personnel are subject to assignment and reassignment by the Superintendent of Schools or designee when the Superintendent of Schools or designee determines that the assignment or reassignment is in the best interest of the district. Reassignment is a transfer to another position, department, or facility that does not necessitate a change in the employment contract. Campus reassignments must be approved by the principal at the receiving campus except when reassignments are due to enrollment shifts or program changes. Extracurricular or supplemental duty assignments may be reassigned at any time unless an extracurricular or supplemental duty assignment is part of a dual-

assignment contract. Employees who object to a reassignment may follow the district process for employee complaints as outlined in this handbook and district Policy DGBA (Local).

An employee with the required qualifications for a position may request a transfer to another campus or department. A written request for transfer must be completed and signed by the employee and the employee's supervisor. A teacher requesting a transfer to another campus before the school year begins must submit his or her request during the voluntary transfer period, which occurs in May. Requests for transfer during the school year will be considered only when the change will not adversely affect students and after a replacement has been found. All transfer requests will be coordinated by Human Resources and must be approved by the receiving supervisor.

Professional Employees

Professional employees and academic administrators are exempt from overtime pay and are employed on a 10-, 11-, or 12-month basis, according to the work schedules set by the district. A school calendar is adopted each year designating the work schedule for teachers and all school holidays. Notice of work schedules including start and end dates and scheduled holidays, are posted via the calendars on the district's webpage. Calendars are no longer distributed each school year.

Classroom teachers will have planning periods for instructional preparation including conferences. The schedule of planning periods is set at the campus level but must provide at least 450 minutes within each two-week period in blocks not less than 45 minutes within the instructional day. Teachers and librarians are entitled to a duty-free lunch period of at least 30 minutes. The district may require teachers to supervise students during lunch one day a week when no other personnel are available.

Paraprofessional and Auxiliary Support Employees

Notice of work schedules including required days of service and scheduled holidays, are posted via the calendars on the district's webpage. Calendars are no longer distributed each school year. Paraprofessional and auxiliary support employees are not exempt from

overtime and are not authorized to work in excess of their assigned schedule without prior approval from their supervisor.

In schools receiving Title I funds, the district is required by the No Child Left Behind Act (NCLB) to notify parents at the beginning of each school year that they may request information regarding the professional qualifications of their child's teacher. NCLB also requires that parents be notified if their child has been assigned or taught for four or more consecutive weeks by a teacher who is not highly qualified.

Texas law requires that parents be notified if their child is assigned for more than 30 consecutive instructional days to a teacher who does not hold an appropriate teaching certificate. This notice is not required if parental notification under NCLB is sent. Inappropriately certified or uncertified teachers include individuals on an emergency permit (including individuals waiting to take a certification exam) and individuals who do not hold any certificate or permit. Information relating to teacher certification will be made available to the public upon request. Employees who have questions about their certification status can call Human Resources.

<http://pol.tasb.org/Policy/Code/361?filter=DBD>

All District employees shall avoid employment, financial, business, social, or other relationships that might be opposed to the interests of the district or might create the appearance of impropriety, or might cause a conflict with the performance of their duties. Employees shall at all times conduct themselves in a manner that avoids even the appearance of conflict between their personal interests and those of the district.

Any employee who may have a conflict situation, actual or potential, shall report all pertinent details in writing to his or her supervisor. If the proper resolution is not apparent to the supervisor, the supervisor shall refer the matter to the Superintendent of Schools or designee, as appropriate, for resolution. If a conflict of interest develops accidentally or unexpectedly, the matter shall be reported to the supervisor immediately.

Written evaluations will be completed on forms approved by the district. Reports, correspondence, and memoranda also can be used to document performance information. In addition, Spot observations will be used with teachers this year. The term "spot observation" is synonymous with instructional walk-through. The District publishes a Compensation Resource Book, which consists of, but is not limited to, the Compensation Guidelines, the Salary Handbook, and the Supplemental Earnings Handbook. All are accessible through the district's webpage at <http://www.dallasisd.org/Page/2151>.

All district positions are classified as exempt from overtime pay or nonexempt from overtime pay according to federal law. Professional employees and academic administrators are generally classified as exempt and are paid monthly salaries. They are not entitled to overtime compensation. Other employees are generally classified as nonexempt and are paid an hourly wage or salary and receive compensatory time or overtime pay for each hour worked beyond 40 in a workweek.

Classroom teachers, full-time librarians, full-time nurses, and full-time counselors will be paid no less than the minimum state salary schedule. Contract employees who perform extracurricular or supplemental duties may be paid a stipend in addition to their salary according to the district's Supplemental Earnings Handbook.

Employees should contact the Compensation Department for more information about the district's pay schedules or their own pay.

Paychecks

All professional and salaried employees are paid monthly. Hourly employees are paid every two weeks. Actual paychecks, if required to be issued, will not be released to any person other than the district employee named on the check without the employee's written authorization. Salary is received one of two ways: (1) through Direct Deposit into the employee's bank of choice, or (2) through a Bank of America assigned PayCard. All employees may view their Payroll Advice Statement in Oracle Self Service.

An employee's payroll statement contains detailed information including deductions, withholding information, and the amount of leave accumulated. If you have any questions regarding your pay or Payroll Statement of Earnings Statement, please contact Dallas ISD Connect at (972) 925-4200, or by email to notifypayroll@dallasisd.org.

Payroll Deductions

Policy CFEA Payroll Procedures: Salary Deductions and Reductions

<http://pol.tasb.org/Policy/Code/361?filter=CFEA>

The district is required to make the following automatic payroll deductions:

- Teacher Retirement System of Texas (TRS) or Social Security employee contributions
- Federal income tax required for all full-time employees
- Medicare tax (applicable only to employees hired after March 31, 1986)

Other payroll deductions employees may elect include deductions for the employee's share of premiums for health, dental, life, and vision insurance; annuities; and higher education savings plans. Employees also may request payroll deduction for payment of membership dues to professional organizations and selected charitable organizations. Salary deductions are automatically made for unauthorized or unpaid leave.

Overtime Compensation

Policy DEA Compensation and Benefits- Wage and Hour Laws

<http://pol.tasb.org/Policy/Code/361?filter=DEA>

The district compensates overtime for nonexempt employees in accordance with federal wage and hour laws. Only nonexempt employees (hourly employees and paraprofessional employees) are entitled to overtime compensation. Nonexempt employees are not authorized to work beyond their normal work schedule without advance approval from their supervisor.

Overtime is legally defined as all hours worked in excess of 40 hours in a work/week and is not measured by the day or by the employee's regular work schedule. Nonexempt employees that are paid on a salary basis are paid for a 40-hour work week and do not earn additional pay unless they work more than 40 hours. For the purpose of calculating

overtime, a work week for a monthly employee begins on Sunday and ends on Saturday; for a biweekly employee, the workweek begins at 12:00 a.m. Friday and ends at 11:59 p.m. Thursday.

Employees may be compensated for overtime at time-and-a-half rate with compensatory time off (comp time) or direct pay. The following applies to all nonexempt employees:

- Employees can accumulate up to 80 hours of comp time.
- Comp time must be used in the duty year that it is earned.
- Use of comp time may be at the employee's request with supervisor approval, as workload permits, or at the supervisor's direction.
- An employee may be required to use comp time before using available paid leave (e.g., sick, personal, vacation).
- Weekly time records will be maintained on all nonexempt employees for the purpose of wage and salary administration.

Travel Expense Reimbursement

Policy DEE Compensation and Benefits- Expense Reimbursement

<http://pol.tasb.org/Policy/Code/361?filter=DEE>

Before any travel expenses are incurred by an employee, the employee's supervisor and appropriate central office business official must give approval. For approved travel, employees will be reimbursed for mileage and other travel expenditures according to the current rate schedule established by the district. Employees must submit receipts, to the extent possible, to be reimbursed for expenses other than mileage.

Health and Welfare Benefits Program

Policy CRD Insurance and Annuities Management- Health and Life Insurance

<http://pol.tasb.org/Policy/Code/361?filter=CRD>

The district offers a comprehensive health and welfare benefits package to all eligible employees. The package consists of medical, dental, vision, Employee Assistance Program (EAP), life and Accidental Death and Dismemberment (AD&D), survivor benefits, long term care, disability, cancer care, hospital indemnity, personal legal, sick leave bank, and flexible spending accounts.

Group health insurance coverage is provided through TRS-ActiveCare, the statewide public school employee health insurance program. The district's contribution to employee insurance premiums is determined annually by the Board of Trustees. Employees eligible for health insurance coverage include the following:

- Employees who are active, contributing TRS members;
- Employees who are regularly scheduled to work at least 10 hours per week

TRS retirees who are enrolled in TRS-Care (retiree health insurance program) and employees who are not contributing TRS members who are regularly scheduled to work less than 10 hours per week, are not eligible to participate in TRS-ActiveCare. TRS retirees who are not eligible for TRS-Care may be eligible for TRS-ActiveCare. Retirees must request a letter from TRS specifying ineligibility for TRS-Care and submit it to the Human Resources - Benefits Department.

Dallas ISD offers EAP, basic life and AD&D coverage at no cost to eligible employees. As applicable, benefits deductions are paid by the employees on a pre-tax basis.

A benefit packet with detailed descriptions of benefit coverage, prices and eligibility requirements is provided to new hire and newly eligible employees during the new hire orientation session. Employees have the option to enroll their dependents if applicable.

The benefits plan year is from September 1 through August 31. New employees must enroll within thirty (31) days after the date of hire (day reported to work). Current employees can enroll or change their benefits during the annual benefits enrollment period or if they experience a special enrollment event. Employees can enroll for benefits

through the DISD@YourService Web site (www.disdatyourservice.org) or through the *Benefits Outlook* phone line by calling (1-866) 840-DISD (3473).

Employees are required to pay their portion of benefit premiums. Failure to pay premiums will result in termination of coverage and the employee will not be eligible for Consolidated Omnibus Budget Reconciliation Act (COBRA) continuation coverage. Any unpaid premiums by the employees, which have been paid to the carrier by Dallas ISD and for which coverage was in effect, will be deducted from the employee's final paycheck. If the final paycheck is not sufficient, the employee will be billed.

Benefits coverage ends August 31 of the school year in which employees terminate, resign or retire if they complete their contract or calendar of work days. If employees do not complete their contract or calendar of work days, their benefits will end on the last day of the month in which they terminate, resign or retire. As applicable, COBRA and conversions may be available. If employees have any questions regarding their benefit options after termination of employment, they can call *Benefits Outlook* at (1-866) 840-3473 or visit ww.disdatyourservice.org.

Employee Assistance Program.

The district provides eligible employees access to an Employee Assistance Program (EAP) at no charge to the employee or the employee's eligible dependents. This confidential resource can help employees with questions or concerns relating to issues such as alcohol and drug abuse and provide either direct support through personal counseling or indirect support through publications, education material and online web tools. Employees are directed to Policy DI (LOCAL) on the district's website for additional information at <http://pol.tasb.org/Policy/Code/361?filter=DI>.

Teacher Retirement System of Texas (TRS) Retirement Program

All personnel employed on a regular basis for at least four and one-half months are members of the Teacher Retirement System of Texas (TRS). Substitutes not receiving TRS service retirement benefits who work at least 90 days a year are also eligible for TRS membership and to purchase a year of creditable service. TRS membership begins on the employee's first day of TRS-covered employment. TRS pension benefits are funded by member and state contributions to the Teacher Retirement System of Texas trust fund, and by earnings on the investments of the fund. The member contributions are automatically deducted from the members' paycheck on a pre-tax basis. There are no deductions for Social Security, but there are deductions for Medicare and for TRS-Care (retiree health care benefits). Contribution rates are subject to change by the TRS Board of Trustees.

Automatic payroll deductions for the Texas Teacher Retirement System (TRS) are required for all eligible employees. Medicare tax deductions are required for all employees hired after March 31, 1986. Substitute, temporary, part-time and other employees who are not eligible for TRS membership will have FICA Alternative deductions unless

they elect to opt out of the plan to have Social Security contributions deducted. See FICA Alternative Plan section of this handbook for more details.

TRS offers medical coverage for eligible retirees through TRS-Care, which is currently administered by Aetna.

Employees who plan to retire under TRS should notify his/her immediate supervisor and Human Resources - Staffing Department at least sixty (60) days in advance of their planned retirement date. A completed Notice of Separation from Employment form (S-54 form) must be submitted to the immediate supervisor for signature and forwarded to Human Resources for processing. Information on the application procedures for TRS benefits are available from the Human Resources- Benefits Department or by contacting TRS directly. Additional inquiries should be addressed to: Teacher Retirement System of Texas, 1000 Red River Street, Austin, TX 78701-2698, or call (1-800) 223-8778. TRS information is also available on the TRS website at www.trs.state.tx.us.

Statement Concerning Your Employment in a Job Not Covered by Social Security

Employees' earnings from Dallas ISD are not covered under Social Security. When employees retire, or become disabled, they may receive a pension based on earnings. The TRS pension received by the employees may affect the amount of the Social Security benefits. Medicare benefits, however, will not be affected. Under the Social Security law, your Social Security benefit amount may be affected under the Windfall Elimination Provision and Government Pension Offset Provision.

457(b) S.M.A.R.T. (Save Money and Reduce Taxes) Plan

The 457(b) S.M.A.R.T. Plan is a form of retirement savings plan. Contributions are payroll deducted on a pre-tax basis. The maximum that may be contributed each year is determined by the Internal Revenue Service (IRS). Participation is voluntary and is available to all active employees including substitutes, temporary, and part-time employees. Participation can begin at any time, subject to payroll processing deadlines.

Participants decide how their money is invested by selecting from a wide array of no-load and load-waived mutual fund investment options. Funds can be transferred between investment options as often as the participant chooses.

403 (b) Tax Sheltered Annuity Plan

The 403(b) Tax Sheltered Annuity (TSA) Plan is a district-sponsored retirement savings plan. TSAs are tax-deferred accounts offered under section 403(b) of the Internal Revenue Code that consist of interest-earning fixed annuity policies and variable annuities and custodial accounts that offer investments in mutual funds (composed of various stocks and bonds). The 403(b) plan offers some of the same features and advantages of the 457(b) S.M.A.R.T. Plan. Participants contribute money to the plan on a pretax basis through payroll deductions; therefore no federal income tax is withheld from their contributions on any earnings. Participants will not pay taxes until they withdraw their funds. The maximum that may be contributed each year is determined by the IRS.

To start contributing to a tax sheltered annuity, you need to first choose an approved vendor from the [Region 10 RAMS Web site](http://www.region10rams.org/services-403b-resources) at <http://www.region10rams.org/services-403b-resources> and approved products from the TRS approved list. After your selection, go to the DallasISD@YourService Web site Enrollment Center and click on Enroll in 403(b) Tax Sheltered Annuity (TSA) Plan. Follow the instructions on the screen to log into the enrollment Web site. Dallas ISD reserves the right to cancel this agreement at any time at its discretion in order to comply with district policy or with federal or state laws.

Employees choose how they want to invest their money, and can start, stop, or change contributions at the beginning of each month. They can also stop contributions at any given pay period if within payroll processing deadlines. All of these changes must be made on the [Region 10 RAMS website](http://www.region10ram.org) (www.region10ram.org). Employees may call the Dallas ISD's 403(b) Administrator's toll-free number at (1-800) 943-9179, for assistance. Requests to start, change, or stop contributions must be received no later than the 15th of the month to take effect the following month. Salary reduction amounts will end with the August paycheck in the school year in which you terminate, resign, or retire if you complete your contract or calendar of work days. If you do not complete your contract or calendar of work days, your salary reduction will end on the last day of the month in which you terminate, resign, or retire.

401(a) STAR (Staff and Teacher Attendance Reward) Plan

401(a) STAR Plan is an attendance incentive that provides a matching contribution from the district. It is also a retirement savings plan available under Section 401(a) of the Internal Revenue Code. The plan, offered through ESC Region 10, is funded by Dallas ISD. Money is invested in a trust set up exclusively for the benefit of employees who participate in the program. The program is designed to reward and retain employees, improve employee attendance, and enhance employee retirement savings.

Employees are automatically enrolled in STAR if they are eligible for the district matching contributions. Subject to the Board of Trustees funding approval each plan year, an employee is eligible if he/she is an active, contributing member of the Teacher Retirement System of Texas, contributes to the district's 457(b) S.M.A.R.T., or the 403(b) Tax Sheltered Annuity plans, and meets the attendance criteria. Participants must be employed on August 31 of each year in order to receive that year's district contributions.

The Dallas ISD contribution to the plan is determined by the Board of Trustees during the budget approval process. Effective September 1, 2011, the district matching contributions are suspended until further notice

Federal Insurance Contribution Act (FICA) Alternative Plan

The Federal Insurance Contributions Act (FICA) Alternative Plan offers an alternative to Social Security. This plan applies to employees who are not eligible for the TRS Pension Plan, such as a part-time employee working less than half of a full-time position (i.e. 20 hours per week), and substitute, seasonal, and temporary employees.

Deductions under this plan are withheld in lieu of deductions normally made to FICA, and are placed in a 457(b) account administered by Public Agency Retirement Services. The 7.5 percent contribution to this plan is deducted from the employee's paycheck on a pretax basis, so the employee is not taxed on the gross amount. In addition to the 7.5 percent contribution to the FICA Alternative Plan, Medicare withholding will also be deducted from the employee's paychecks. Funds remain tax sheltered until they are withdrawn. Unlike Social Security withholding, if employment with the Dallas ISD ends, participants may withdraw funds subject to the Internal Revenue Code distribution guidelines under a 457(b) Deferred Compensation Plan.

Participation in the FICA Alternative Plan is automatic. **BY PARTICIPATING IN THE FICA ALTERNATIVE PLAN, EMPLOYEES ARE OPTING OUT OF SOCIAL SECURITY. EMPLOYEES MAY ELECT TO OPT OUT OF THE FICA ALTERNATIVE PLAN, BUT THEIR ELECTION MUST BE MADE WITHIN 14 CALENDAR DAYS OF RECEIVING NOTIFICATION. THE ELECTION PLAN IS IRREVOCABLE AND APPLIES TO ALL PERIODS OF ELIGIBLE EMPLOYMENT WITH THE DISTRICT.** If the employee chooses not to participate in the FICA Alternative Plan, a portion of their earnings will be withheld from their paychecks for Social Security.

Policy DECA Leave and Absences- Family Medical Leave

<http://pol.tasb.org/Policy/Code/361?filter=DECA>

Policy DECB Leave and Absences- Military Leave

<http://pol.tasb.org/Policy/Code/361?filter=DECB>

The district offers employees paid and unpaid leaves of absence in times of personal need. This handbook describes the leaves available and restrictions on leaves of absence. Employees who expect to be absent for an extended period of more than five days should call *Benefits Outlook* at (1-866)-840-3473 and log in to the DallasISD@YourService website at www.disdatyourservice.org for information about applicable leave benefits, payment of insurance premiums, and requirements for communicating with the district.

Employees requesting a leave of absence are required to contact *Benefits Outlook* at (1-866) 840-3473 or go online to www.disdatyourservice.org to apply for a leave of absence. An employee must provide at least 30 days notice before leave is to begin if the need is foreseeable. If unforeseeable, an employee must provide notice as soon as practicable under the facts and circumstances of the particular case. A supervisor/manager or employee's family member/representative may request a leave packet on behalf of the employee when the employee is unable to do so.

When an employee is placed on an unpaid leave of absence and after any paid leave is exhausted, the employee shall be allowed to continue the group health insurance at his or her own expense for a period not to exceed six months. Employees on unpaid leave are responsible for paying benefit premiums either in advance or monthly. Premiums are due the first of each month for the current month's coverage. At the end of the six-month period, if the employee is still on an unpaid leave of absence and premiums were paid, COBRA coverage shall be offered. A paycheck received while on an unpaid leave of absence that is attributable to a pay period prior to the employee being on leave and/or pay that is not considered hours worked shall not be used in determining the six-month period.

The district will continue coverage for employees who are covered under the Family Medical Leave Act (FMLA) as required under the law. If an employee fails to return to work after FMLA leave has been exhausted, the district shall recover from the employee, the district's share of health plan premium contribution made during the employee's unpaid FMLA leave.

Nonpayment of employee contributions will result in loss of coverage. The employee is responsible for paying all premiums due up to the date of termination of coverage. The district shall deduct the amount owed by the employee from the final paycheck. If the

final paycheck is not sufficient, the employee will be billed. If the employee coverage is canceled due to nonpayment of the premium, the employee will not be eligible for COBRA, as applicable within the law.

State Personal Leave

The district provides eligible employees with five days of state personal leave. State personal leave shall be earned at a rate of five days per year with no limit on accumulation or restriction on transfer among districts. Determination of the number of days earned is based on the number of days worked during the school year and prorated based upon an employee's work assignment.

A request to use state personal leave shall be submitted to the immediate supervisor/designee in advance of the anticipated absence(s). In the case of an emergency situation, notification shall be made at the earliest practical time. For absences beyond five consecutive days, an employee should follow the leave request procedure.

Accumulated totals of state sick leave accrued prior to May 30, 1995, shall remain available to employees.

For more information, see DEC (LOCAL) and DEC (LEGAL).

District Local Leave

All employees who work twenty (20) or more hours per week (excluding substitute or temporary) shall be entitled to district local leave days prorated based on the employees' work assignment. Beginning September 1, 2011, the district provides eligible employees with three (3) days of district local leave with a maximum accumulation of thirty (30) days. Accumulated balances of district local leave accrued prior to September 1, 2011, shall remain available to employees until depleted. All unused accumulated district local leave balances shall be reduced to zero immediately upon termination of employment with the District.

The district may not restrict the order in which an employee may use state personal leave, state sick leave, and district local leave.

For more information, see DEC (LOCAL), DEC (LEGAL) and DEC (REGULATION).

Leave Bank Program

The district offers the following Leave Bank Programs to benefit employees: Sick Leave Bank, Emergency Fund, and Military Wartime Paid Leave and Donation Programs.

Continuation of these programs is contingent upon availability of donated local leave days from employees.

For more information, see DEC(REGULATION) and the program description on the DallasISD@YourService Web site.

Family and Medical Leave Act (FMLA)—General Provisions

District employees are eligible for leave under the Family Medical Leave Act after they have been employed by the district for at least 12 months and have worked a minimum of 1,250 hours during the 12-month period prior to the first day of FMLA leave.

The district shall grant leave to eligible employees:

- Parental leave to care for a newborn or newly adopted or placed child;
- Because of a serious health condition that makes the employee unable to perform the functions of the employee's job or the serious health condition of qualifying family member (i.e. children, spouse, parents);
- Because of any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is a covered military member on active duty (or has been notified of an impending call or order to active duty) in support of a contingency operation; and
- To care for a covered servicemember with a serious injury or illness if the employee is the spouse, son, daughter, parent or next of kin of the servicemember.

Continuation of Health Benefits and Protection

During any FMLA leave, the district must maintain the employee's coverage under any group health plan on the same conditions as coverage would have been provided if the employee had been continuously employed during the entire leave period. Upon return from FMLA leave, the employee is entitled to be reinstated on the same terms as before taking leave without any qualifying period, physical examination, exclusion of pre-existing conditions, and the like.

District Contact

Employees who require FMLA leave or have questions should contact *Benefits Outlook* at (1-866) 840-3473 for details on eligibility, requirements, and limitations. Information is also available online at DallasISD@YourService Web site at www.disdatyourservice.org.

Medical Leave of Absence/Temporary Disability (Non-FMLA)

All district employees who work 20 or more hours per week (excluding substitute or temporary employees) shall be eligible for medical leave of absence/temporary disability (non-FMLA). An employee absent beyond five consecutive workdays for the employee's own serious health condition or for a general medical condition, including pregnancy, when such conditions interfere with the performance of regular duties shall apply for a

medical leave of absence by contacting *Benefits Outlook* at (1-866) 840-3473. The duration of the leave shall be up to 180 calendar days with proper medical certification.

Medical Certification

An employee absent beyond four (4) consecutive workdays due to personal illness shall submit, upon return to work, a medical certification of absence and fitness to return to work. An employee absent beyond four (4) consecutive workdays due to the illness of an immediate family member shall present, upon return to work, medical certification of the family member's illness. For absences beyond five (5) day, medical certification shall be provided during the leave application process.

Use of Medical Information

An employee's medical information is considered confidential and should be used appropriate for decisions regarding accommodation and leave requests.

Use of Genetic Information

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits covered employers from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, employees and healthcare providers are requested to not provide any genetic information in any medical certification. 'Genetic information,' as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact an individual or and individual's family member's sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

The law forbids discrimination on the basis of genetic information when it comes to any aspect of employment, including hiring, firing, pay, job assignments, promotions, layoffs, training, fringe benefits, or any other term or condition of employment. *An employer may never use genetic information to make an employment decision because genetic information is not relevant to an individual's current ability to work.*

Under GINA, it is also illegal to harass a person because of his or her genetic information. Harassment can include, for example, making offensive or derogatory remarks about an applicant or employee's genetic information, or about the genetic information of a relative of the applicant or employee. Although the law does not prohibit simple teasing, offhand comments, or isolated incidents that are not very serious, harassment is illegal when it is so severe or pervasive that it creates a hostile or offensive work environment or when it results in an adverse employment decision (such as the victim being fired or demoted). The harasser can be the victim's supervisor, a supervisor in another area of the workplace, a co-worker, or someone who is not an employee, such as a student or parent.

Application for a Leave of Absence

An employee absent beyond five (5) consecutive workdays, except for vacation, shall apply for a leave of absence by contacting Benefits Outlook at 1-866-840-3473(DISD). The employee shall notify the supervisor or designee of the application for leave. See application procedure applicable for each type of leave under DEC(LOCAL), DECA (LOCAL) and DECB (LOCAL).

Assault Leave

District employees who are physically assaulted during the performance of regular duties shall be eligible for assault leave. The assault shall be reported within 24 hours of the incident to the immediate supervisor or designee.

An employee who is physically assaulted at work may take the number of days necessary to recuperate from physical injuries he or she sustained. However, assault leave shall not exceed two years from the day of the assault. At the request of an employee, the district will immediately assign the employee to assault leave. Days of leave granted under the assault leave provision will not be deducted from accrued personal leave and must be coordinated with workers' compensation benefits. Upon completion of an investigation, the district may change the assault leave status and charge leave used against the employee's accrued paid leave. The employee's pay will be deducted if accrued paid leave is not available. See DEC (LOCAL) for more information.

Bereavement Leave

All employees may use available leave for bereavement/funeral purposes. For the death of an immediate family member, an employee may use up to five (5) local or state days per occurrence without applying for leave of absence. As long as leave days are available there is no loss of pay, and the employee remains in full-pay status during the leave. Should an employee use more days than earned, the cost of unearned leave days may be deducted from the employee's paycheck. If insufficient funds exist in the last paycheck, the employee shall be required to refund the overpayment. Appropriate documentation shall be provided for all bereavement/funeral leave upon supervisor request. DEC (Local) provides detailed definitions applicable throughout the policy.

Jury Duty

In accordance with statutory provisions, employees may serve on federal, municipal, and county juries without loss of pay or accumulated leave. Employees shall be allowed to retain any compensation for this service but a record of days served, verified by the central jury bailiff letter, shall be submitted to the principal or department head. Employees summoned for stand-by jury service shall report to their regular work site and follow the directions outlined in the summons. If jury service is required, the employee shall be released to report to jury service at the specified time. A record of jury service, verified by the central jury bailiff letter, shall be submitted to the principal or department head.

Other Court Appearances/Subpoena

Neutral Absence Control Policy

If an employee does not return to work within 180 calendar days of being out on leave, the district shall provide the employee with written notice that the maximum allotted district leave time has been exhausted and that the employee will be terminated regardless of the reason for absence. The employee's eligibility for reasonable accommodation, as

The district, in accordance with state law, provides workers' compensation benefits to employees who suffer a work-related illness or are injured on the job. The district is self-insured for workers' compensation coverage.

Workers' compensation helps pay for medical treatment and helps pay for a portion of the income lost while recovering. Specific benefits are prescribed by law depending on the circumstances of each case.

All work-related accidents or injuries should be reported immediately to the employee's supervisor within 24 hours of the accident or injury. Employees who are unable to work

because of a work-related injury will be notified of their rights and responsibilities under the Texas Labor Code.

An employee absent from duty because of a job-related illness or injury may be eligible for workers' compensation weekly income benefits if the absence exceeds seven calendar days. Sick leave will be used, unless otherwise specified, for an employee receiving workers' compensation wage benefits for a job-related illness or injury. While an employee is receiving workers' compensation wage benefits, the employee may elect to receive previously accrued sick leave benefits in an amount equal to the difference in the workers' compensation benefits and the weekly compensation the employee was receiving before the injury that resulted in the claim, with a proportionate deduction in the employee's sick leave balance.

Sexual and other harassment of students by employees are forms of discrimination and are prohibited by law. Romantic or inappropriate social relationships between students and district employees are prohibited by district policy and by law, and may be subject to criminal penalties. Employees who suspect a student may have experienced prohibited harassment are obligated to report their concerns to the campus principal or other appropriate district official. If a district employee is suspected of sexually harassing a student, a report must be made to the district's Office of Child Abuse and Domestic Violence Prevention. All allegations of prohibited harassment of a student by an employee or adult will be reported to the student's parents and promptly investigated. An employee who knows of or suspects child abuse must report his or her knowledge or suspicion to the appropriate authorities, as required by law. See *Reporting Suspected Child Abuse*, page 49, and *Bullying*, page 76, for additional information.

Policy GRA Relations with Governmental Entities – State and Local Governmental Authorities
<http://pol.tasb.org/Policy/Code/361?filter=GRA>

All employees are required by state law to report any suspicion that a child has been or may be abused or neglected to a law enforcement agency, Child Protective Services, or appropriate state agency (e.g., state agency operating, licensing, certifying, or registering a facility) within 48 hours of the event that led to the suspicion. Abuse is defined by SBEC and includes the following acts or omissions: 19 TAC 249.3(1)

- Mental or emotional injury to a student or minor that results in an observable and material impairment in the student's or minor's development, learning, or psychological functioning;
- Causing or permitting a student or minor to be in a situation in which the student or minor sustains a mental or emotional injury that results in an observable and material impairment in the student's or minor's development, learning, or psychological functioning;
- Physical injury that results in substantial harm to a student or minor, or the genuine threat of substantial harm from physical injury to the student or minor, including an injury that is at variance with the history or explanation given and excluding an accident or reasonable discipline; or
- Sexual conduct harmful to a student's or minor's mental, emotional, or physical welfare.

Reports to Child Protective Services must be made to the Dallas ISD Office of Child Abuse and Domestic Violence Prevention at (1-888-572-2873) and/or to the Texas Abuse Hotline (1-800-252-5400 or www.txabusehotline.org) or to local law enforcement. State law specifies that an employee may not delegate to or rely on another person to make the report.

Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In addition, the district is prohibited from retaliating against an employee who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

An employee's failure to report suspected child abuse may result in prosecution as a Class A misdemeanor. In addition, a certified employee's failure to report suspected child abuse may result in disciplinary procedures by SBEC for a violation of the Texas Educators' Code of Ethics.

Employees must cooperate with investigators of child abuse and neglect. Reporting the concern to another employee does not relieve the employee of the requirement to report it to the appropriate state agency or law enforcement and to the district's Office of Child Abuse and Domestic Violence Prevention. Interference with a child abuse investigation by denying an interviewer's request to interview a student at school or requiring the presence of a parent or school administrator against the desires of the duly authorized investigator is prohibited.

Sexual Abuse and Maltreatment of Children

It is important for employees to be aware of warning signs that could indicate a child may have been or is being sexually abused or otherwise maltreated. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Maltreatment is defined as abuse or neglect. Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect to law enforcement or to Child Protective Services.

Any report that an employee has violated district policies prohibiting physical punishment of students or has otherwise abused, neglected or harassed a student must be reported to the district's Office of Child Abuse and Domestic Violence Prevention, regardless of whether the employee's conduct resulted in an injury to the student.

Employees are required to follow the procedures described above in *Reporting Suspected Child Abuse*.

For more information concerning sexual abuse and other maltreatment of children, please contact the district's Office of Child Abuse and Domestic Violence Prevention at 1-888-572-2873 or email childabuse@dallasisd.org.

If an employee's use of electronic media interferes with the employee's ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment. If an employee wishes to use a social network site or similar media for personal purposes, the employee is responsible for the content on the employee's page, including content added by the employee, the employee's friends, or members of the public who can access the employee's page, and for web links on the employee's page. The employee also is responsible for maintaining privacy settings appropriate to the content.

Policy FNCC Student Conduct – Prohibited Organizations and Hazing

<http://pol.tasb.org/Policy/Code/361?filter=FNCC>

Students must have prior approval from the principal or designee for any type of "initiation rites" of a school club or organization. While most initiation rites are permissible, engaging in or permitting "hazing" is a criminal offense. Any teacher, administrator, or employee who observes a student engaging in any form of hazing or, who has reason to know or suspect that a student intends to engage in hazing, or has engaged in hazing must report that fact or suspicion to the designated campus administrator.

"Hazing" means any intentional, knowing, or reckless act occurring on or off the campus of an educational institution directed against a student, by one person alone or acting with others, that endangers the mental or physical health or the safety of a student for the purpose of pledging, being initiated into, affiliating with, holding office in, or maintaining membership in any organization whose members are or include other students. The term includes: 1. Any type of physical brutality, such as whipping, beating, striking, branding, electronic shocking, placing of a harmful substance on the body, or similar activity. 2. Any type of physical activity, such as sleep deprivation, exposure to the elements, confinement in a small space, calisthenics, or other activity that subjects the student to an unreasonable risk of harm or that adversely affects the mental or physical health or safety of the student. 3. Any activity involving consumption of a food, liquid, alcoholic beverage, liquor, drug, or other substance that subjects the student to an unreasonable risk of harm or that adversely affects the mental or physical health or safety of the student. 4. Any activity that intimidates or threatens the student with ostracism, that subjects the student to extreme mental stress, shame, or humiliation, or that adversely affects the

mental health or dignity of the student or discourages the student from entering or remaining registered in an educational institution, or that may reasonably be expected to cause a student to leave the organization or the institution rather than submit to acts described above. 5. Any activity that induces, causes, or requires the student to perform a duty or task that involves a violation of the Penal Code.
