WELCOME

Welcome to the 2015-2016 school year with Des Moines Public Schools. It is my sincerest hope that you find the challenges of the upcoming year inspiring and your work rewarding and fulfilling. Whether you joined the District only recently or more than forty years ago, I would like to congratulate you for being selected to take part in the essential work of helping educate the youth of Des Moines.

The successful education of today's youth is vital to our individual students, their families, and our community and it takes an entire community of staff to accomplish our mission that every graduate possesses the knowledge, skills, and abilities to be successful at the next stage of their lives. I am thankful that you have chosen to share your talents, skills, knowledge, wisdom, and abilities with the students of Des Moines Public School District and with your colleagues. Your contribution is needed.

Although each new school year brings its fair share of challenges, each year also brings forth a multitude of special rewards. We appreciate your part in making this the best school district in America. We have a solid trend of success over the past three years and we expect that trend to continue, and with your contributions, to accelerate.

The purpose of the Employment Information Handbook is to provide you with information regarding employment expectations that will be of assistance to you in your efforts to learn about the policies, practices, procedures, and overall philosophy of the Des Moines Public School District. We encourage you to have discussions with your supervisors and other District staff if you have any questions regarding the contents of this Handbook.

We hope your employment in the Des Moines Public Schools will be a long, fulfilling, and rewarding experience.

Sincerely,

Dr. Thomas Ahart
Superintendent

PREFACE

This handbook is prepared for informational purposes. It does not constitute a contract of employment between the Des Moines Public School District (Hereinafter the District) and its employees, and it should not be construed as such. The *Employment Information Handbook* is a resource that helps inform employees of expectations and available services. By thoroughly reading this resource and any applicable contract and/or *Comprehensive Agreement*, employees will be informed of benefits and opportunities as well as of potential consequences of failure to meet the expectations of the District.

The policies contained in the *Employment Information Handbook* may be changed or amended at any time with or without notice for many employees. For other employees, agreements for specified time periods may be entered into only with the recommendation of the Superintendent, the Chief Human Resources Officer, the Chief Financial Officer, or an Executive Director with the approval of the Chief Human Resources Officer. It is the employee's responsibility to refer to the DMPS website for updated policies.

Employees are required to review this handbook annually and to certify that they understand their responsibility to comply with District policies, practices, and work rules. Violations of this responsibility may constitute cause for disciplinary action.

Such conduct will be a violation of this policy if it is severe, persistent or pervasive and unreasonably interferes with an individual's professional performance.

*Legal reference: Iowa Code Chapter 71
Adopted August 16, 1994; Revised: January 10, 2003
Last Review: 2012-2013*

Administrators, specialists, and others in a position to influence hiring decisions are prohibited from hiring directly or indirectly, or through a subordinate, member(s) of their immediate family (spouse, children, siblings, parents, step-children, or in-laws).

Family members can, and do work within the District. However, direct or indirect supervision will be avoided if at all possible. When a potential circumstance arises it must be submitted to the Chief Human Resources Officer and receive final approval in writing by the Superintendent. This policy applies to full-time, part-time, temporary, casual, and intermittent positions as well as private contractors not subject to bidding procedures.

Failure by an employee to disclose a familial relationship of a candidate during the hiring process is grounds for disciplinary action, up to and including discharge.

District Employees as Independent Contractors

Employees of the District cannot also serve as an independent contractor for the District, paid through purchase order or check request in the same tax year. Individuals cannot be paid as both an employee and as an independent contractor.

Determination must be made regarding the need to have a signed contract. Only the Board of Directors has the authority to sign a contract on behalf of the District. In many cases, scope of work agreement is sufficient.

In order to be paid as an independent contractor, appropriate tax forms must be on file in the Business and Finance Office.

Hiring Staff

Part-time, casual, or temporary hiring practices are the same as those for full-time or regular positions. All hiring must be authorized through Human Resources. This includes filling an existing vacant position or a new position approved by the Superintendent or his/her designee. New positions will be advertised, interviews held, and the best qualified candidate selected. The same practice will be followed when selecting individuals for grants. Human Resources sets the salaries for all positions, including those paid for by grants.

The Chief Human Resources Officer may authorize temporary emergency hiring, either through a temporary agency or direct hiring.

The offer of a job or a promise of a job without authorization from a Human Resources administrator is prohibited.

Weapons include but are not limited to knives of all types, guns, firearms, numchucks, throwing stars, metal knuckles, black jacks, fireworks, explosives or other chemicals, or simulated weapons.

Employees found to be in violation of this policy will be subject to discipline up to and including termination.

The superintendent is authorized and directed to provide both general and specific exceptions to this policy when appropriate for law enforcement, security, or essential functions of positions.

Employee Physicals

Iowa law requires all public school employees to receive a physical examination upon initial employment. The examination must be completed following the offer of employment and prior to the first day of work. Certain categories of school employees are required by law to submit to periodic physicals throughout their employment with the District. Currently those employees that require CDL licensure as a condition of employment must undergo a DOT physical examination every two years. Metro Kids employees and preschool child care workers are required to undergo a physical that includes testing for tuberculosis every two years. Completed physicals are submitted to the *Health Services Department* for processing and are placed in the employee's health file. Employees are encouraged to retain a copy of the physical for their records.

Appropriate Apparel

Any employee who deals with the public should ensure that he or she is appropriately dressed for the occasion. We trust we can rely on the professional judgment of our staff in choosing attire that is appropriate for their particular job responsibilities. Staff is expected to wear attire that is considered acceptable in a business environment. Your attire should help project a professional atmosphere with students, staff, parents and other guests at our offices and schools. Individual buildings or departments may maintain a more detailed dress code than the general guidelines contained in the *Employment Information Handbook*.

Employees shall not wear apparel that reveals bare midriffs or cleavage. Shorts should be “dress-casual” and cut-offs are not allowed. Screen-printed T-shirts and tops with inappropriate pictures and phrases are also not allowed. Denim dresses, skirts, and slacks are appropriate if worn in a casual setting. Barefoot sandals are appropriate for summer, however, thongs and flip-flops are not allowed in the interest of safety.

Shirts and tops that endorse or oppose any political or religious affiliation or otherwise express personal opinions or beliefs of an employee that may be reasonably considered controversial or inflammatory by other employees or constituents of the District are strongly discouraged.

Supervisors may require that apparel they deem inappropriate not be worn again by an employee on duty in the workplace.

As professionals in our schools, we realize and value the public’s perception of our roles as mentors and models for students. Therefore, the following dress code will apply to all employees throughout the school district. The dress code shall be in effect all the days students are in attendance, registration, parent-teacher conferences, or any other day deemed necessary by administration.

Acceptable attire

- Clothes that maintain a professional and appropriate appearance
- Clothes that are neat, clean, and in good repair

Guidelines

- No shorts or slits in skirts/dresses that are shorter than 4 inches above the knee
- No cleavage showing – neckline appropriate
- No spaghetti straps or shirt with straps less than two inches wide, unless covered by a jacket or top that is worn at all times
- No graphic T-shirts
- No hats
- No showing of skin between shirts and pants/skirts
- All staff will wear their district issued ID badges in a visible location.
- No flip flops (a sandal, typically of plastic, leather or rubber, with a strap between the big and second toe).
- School principal/supervisor discretion on questionable clothing
- DMPS permits employees to wear jewelry or to display tattoos at the workplace within the guidelines listed below. Management will take into consideration whether jewelry or tattoos pose a conflict with the employee’s job or work environment. This includes but is not limited to the following:
 1. Anything that compromises the personal safety of self or others, damage to company property.
 2. Interferes with productivity or performance expectations.
 3. Offensiveness to co-workers, customers, vendors or others in the workplace based on racial, sexual, religious, ethnic, or other characteristics or attributes of a sensitive or legally protected nature.
 4. Corporate or societal norms.

If administration determines an employee's jewelry or tattoos may present such a conflict, the employee will be encouraged to identify appropriate options, such as removal of excess or offensive jewelry, covering of tattoos, or other reasonable means to resolve the conflict.

School district staff members who do not, in the judgment of the principal/supervisor, reasonably conform to this dress code shall receive a notice from their principal/supervisor. Repeated violations or refusal to comply with the directions of the principal/supervisor by an employee could result in disciplinary action up to and including termination.

Use of Personal Equipment on District Property

Occasionally employees bring personal items to work in an effort to help them with the performance of their job. We do not encourage relying on personal equipment to perform District work functions. The District asks that all personal equipment be removed from District facilities and requests for needed equipment should be forwarded to the attention of the immediate supervisor if replacement equipment is needed. If personal equipment has mistakenly been identified with a DMPS tag, it should not be removed from the District until the issue is resolved.

The District shall not be responsible for lost, stolen or damaged personal property. Any such claims will be the responsibility of the employee and his/her respective insurance company.

Email

It is the responsibility of all employees to regularly check and respond to their email within the scheduled work week. This is the district expectation barring any emergency, vacation or unforeseen circumstances.

Change of Address and Telephone Number

It is the responsibility of the employee to keep a current and up-to-date address and telephone number with the District. Changes are not accepted over the telephone. Employees should access Employee On-Line located on the District's website to make changes.

Direct Deposit

Direct deposit is required as a condition of employment. Change of bank information for direct deposit is necessary. Allow up to 30 days for direct deposit after providing new bank information. Employee should leave their previous bank account open until direct deposit has been processed in the new account. Please contact the Payroll Department (242-7747) for any forms or questions.

If an employee is receiving a paper check in the mail, the District is not responsible for lost or undelivered mail. If a check is lost, a new check will not be issued until 6 working days following pay day.

Request for Copies

You may be charged a fee for copies of records, check stubs, W-2s or other requested documents. Receipts will be provided for all payments.

UNIVERSAL PRECAUTIONS

The District complies with the Occupational Safety and Health Administration (OSHA) safety standards when handling blood and other bodily fluids that could contain blood pathogens. Universal precautions must be used by every employee in the care of students, employees, and visitors who may expose them to blood pathogens or bodily fluids.

Why Take Special Precautions?

Some diseases such as the HIV virus, Hepatitis B or C can be carried in the blood. If someone comes in contact with the blood of a person infected with these illnesses, it is possible for that person to become infected. Some people infected with Hepatitis B or C may show signs of illness such as jaundice, fatigue, nausea, or joint pain. Someone with the HIV virus may have a fever, persistent fatigue, chronic diarrhea, or weight loss. Other people may carry these germs in their bodies for life, but never show signs of the illness. Every precaution to prevent infection should be taken any time you come into direct contact with anyone's blood or bodily fluids.

OSHA has established regulations that must be followed by employees working in settings (to include schools), where exposure to blood pathogens is possible. These regulations require employees to receive training in universal precautions within 6 months of employment and then every year after. This training can be obtained through the building nurse or an online training course offered by Heartland AEA. OSHA also requires the employer to have a plan that addresses how to handle blood exposures. [The District Plan is posted on SharePoint.](#) [Search for: Bloodborne Pathogens Plan.pdf]

What are the Main Points of the Plan?

Several practices must be implemented to reduce potential exposure:

1) OSHA requires employers to offer the Hepatitis B vaccine series to employees who can reasonably anticipate exposure to blood or other infected body fluids. Categories of employees who qualify are listed in the plan. Human Resources will notify you if you are eligible to receive this vaccine. Information about the Hepatitis vaccine is available, and the Des Moines Public School District offers eligible employees the vaccine at no cost.

2) Universal Precautions- This is the primary safeguard. Follow these precautions with the assumption that all blood or bodily fluids are infectious. All employees who

perform any procedure that involves blood or bodily fluids should follow the following guidelines:

- **Gloves:** Wear approved gloves provided by the District when touching blood or bodily fluids containing visible blood or any bodily fluids. Change the gloves after each individual contact. Gloves and other supplies needed to practice universal precautions can be obtained from the School Nurse.
- **Cleanup of Blood Spills:** While wearing gloves, wipe away any visible blood with paper towels then wash the area with a disinfectant agent approved for use by the District.
- **Disposal of Waste:** Place gloves and cleaning supplies in a plastic bag. Seal the bag and give it to the nurse or custodian for proper disposal in an approved Biohazard container.
- **Hand Washing:** Always wash your hands with warm soapy water after removing your gloves.

3) Engineering Controls: Place any sharps (needles or lancets) in special sharps container.

4) Personal Protective Equipment: It is your responsibility to be sure you have the appropriate supplies to safely care for injuries where blood is present. These supplies can be obtained from the school nurse.

5) Exposure to Another Person's Blood or Bodily Fluid: When possible have the person handle their own blood until you can put on your gloves and organize your supplies. If you come in contact with someone else's blood or bodily fluids, wash the area immediately with soap and water. Report the exposure as soon as possible to the school nurse or department manager. You will be asked to complete an employee injury report and will be referred to our Occupational Health physicians for assessment and treatment if warranted.

To prevent indirect exposure, do not eat, drink, smoke, apply cosmetics, lip balm, or handle contact lenses in work areas where occupational exposure to blood or blood products is possible. Avoid leaving food and drinks on work surfaces that could have blood or potentially infectious materials present. If you have questions or need supplies to practice Universal Precautions contact the building nurse or call Health Services at (515) 242-7831.

EMPLOYEE WORK DAY

Determination of the work schedule and assignment of work will be made by the Des Moines Public Schools and may be changed from time to time to meet the changing needs of the school or department.

The following is an abbreviated explanation of policies and guidelines that have been proven in the past to be the most important for staff members to know. The list is not meant to be all-inclusive.

Length of Day

Certified Staff

Certified Staff are expected to be on duty during the time the office in the facility where he/she is assigned is normally open. The total required workday for certified employees is 7 hours and 45 minutes, including a 30-minute duty-free lunch. Most certified employees choose to spend more than 7 hours and 45 minutes working each day preparing for students, doing paper work, having parent meetings, etc. The extra time spent is at the certified employee's discretion (except in cases of required meetings and activities) and is not to be accumulated as compensatory time nor is it paid time except when it has been pre-approved by the employer and is paid through such sources as grants when they are available.

Non-Certified Staff

Non-certified staff includes, but is not limited to, executive secretaries, secretaries, associates, and employees working in food service, transportation, operations, crafts, child care, and any hourly wage jobs.

The total workday and workweek for non-certified staff members is to be determined by each department. *Please refer to Comprehensive Agreement for specific hours for each group.* Those employees who are not eligible for coverage under a bargaining unit will work 8 hours with an hour or half hour duty-free, unpaid lunch.

Arrival and Dismissal Time

Arrival and dismissal times for each employee will be determined by the needs of the school or the department.

Lunch Period

Unless the *Comprehensive Agreement* for a certain group has other stipulations, each employee will be provided a 30 minute uninterrupted lunch break. Lunchtime is to be duty-free with no supervisory requirements except in an unusual situation such as one involving student safety.

Leaving the Building

Employees may leave the building during the workday with the permission of the principal or department supervisor. When leaving your work area for more than a few minutes, notify the office secretary or a supervisor:

- That you are leaving
- Where you are going
- How long you plan to be gone

This serves as protection for you and the District.

Rest Periods

Non-certified staff members are entitled to one 15-minute break in the morning and one 15-minute break in the afternoon of a full workday. Breaks not taken within the day will not be accumulated or added to comp time. The 15-minute breaks cannot be added together to make a 30-minute break and they cannot be combined with the 30-minute lunch period to make a longer lunch period. Breaks may not be used at the end of the day to leave early or at the beginning of the day to arrive late.

Visitors during Working Hours

Employees' guests and children are not normally allowed at work during your regularly scheduled hours or while you are working paid overtime. Employees should not bring their children to work when daycare or other supervision is not available. Both your work and your children require your full attention.

Special occasions may arise, however, when it is important for a member of your family or a friend to see you during office hours and this may be allowed at the principal's or department supervisor's discretion. Such occasions should occur rarely and should not distract others or interfere with your work duties and responsibilities.

Gifts

Except for incidental gifts of negligible monetary value, gifts from parents or students to staff members who have direct influence over the student are prohibited. [Code 437]

Tutoring

Certified personnel under contract shall not render tutorial services for pay during the hours school is in session. In unusual circumstances, teachers may, with approval of the superintendent or the superintendent's designee, be employed as tutors of pupils currently enrolled in their classes. Private tutoring sessions for pay should not use school materials or facilities. [Code 443]

Policy Regarding Staff Providing Respite Services

Respite Care Services in the community are important to children with special needs and their families. District staff members have special skills and may have the interest in providing respite services during non-contract hours.

The decision to provide respite care services during non-contract time is a personal decision of each staff member. However, staff should not provide such services to students for whom they have responsibility during the school day.

In the rare case that an exception to the policy is desired, a request should be made in writing to the principal. The principal will confer with the special education supervisor and convene the educational team that serves the child, including the parent, to discuss the merits of an exception to the policy as it relates directly to the individual student's needs.

Exceptions, when granted, are temporary. The sponsoring respite care agency along with the parent will work to identify other respite care providers who might be assistance to the family as soon as possible. School staff will provide relevant information to the respite care provider as appropriate

Meetings and Night Activities

Certified Staff

According to the *Comprehensive Agreement*, certified employees may be required to remain after the regular workday to attend faculty meetings or activities no more than twice a month. Attendance at the meetings shall not be required longer than one hour and fifteen minutes after student dismissal time.

In addition to staff meetings, certified staff may be required to attend up to two nights or early morning activities per semester.

Non-Certified Staff

Non-certified staff will not be required to attend night or early morning meetings each semester beyond the possible two staff meetings a month.

An employee may be required to remain after the end of the regular workday for the purpose of attending faculty meetings or activities no more than 2 times each month. Attendance at such faculty meetings or activity shall not be required longer than one hour and 15 minutes beyond his/her regular dismissal time. Employees shall receive compensatory time for all time spent in meetings after the regular workday. Compensatory time shall be earned in increments rounded to the closest fifteen (15) minutes.

Compensatory Time for Eligible Employees

Employees in some non-certified positions may accumulate pre-approved and use pre-approved compensatory (comp) time under certain conditions as determined by the employer. Only non-exempt employees are eligible.

The decision to grant compensatory time for a special project by an individual remains the discretion of the employer and must be pre-approved by the school principal or the department supervisor. When an eligible employee requests to accumulate compensatory time in order to complete a certain project, the rationale and expected length of time necessary to accomplish the assignment must be specified within the request. **Under no circumstances will an employee accumulate compensatory time without pre-approval from the principal or department supervisor.**

Foregoing your lunch period for the sake of earning comp time is not allowed. Everyone is encouraged to take a lunch break. Under no circumstances will unused breaks be included as accumulated compensatory time. Unused lunch breaks or other break times may not be used to acquire comp time.

Requests to start work early or stay later if you are aware of an upcoming appointment which will require less than a half-day is appropriate. If you will need to be out a half or full day, you are encouraged to use appropriate leave, including accumulated comp time, emergency, **personal leave**, or vacation depending upon the reason for the absence.

Comp time should not be accumulated or used to extend a vacation or holiday period.

Comp time should not be accumulated for use in the event you would need to be absent from District duties because of a second job.

When transferring from one assignment to another, all comp time must be used before the effective date of the transfer. No comp time can be carried from one assignment to another.

Use of Compensatory Time

Employees are required to secure the approval of the building principal or immediate supervisor before using accumulated compensatory time. Accumulated compensatory time is to be taken when it will cause the least interruption of instruction or disruption of the school or department.

Moving forward, this will continue to be both an employee and supervisor expectation that all comp time be used by employees as follows:

It is the responsibility of the employee to use compensatory (comp) time each semester as follows:

- Comp time must be pre-approved by the supervisor.
- Comp time must be recorded in NovaTime for approval by the supervisor.
- Comp time will be accumulated by day for non-bargained non-exempt employees. Employees in bargaining units will refer to applicable comprehensive agreement.
- Comp time can be used for a late start/early out.
- All comp time earned July 1-Dec 31 each school year must be used by Dec 31st.
- All comp time earned Jan 1-June 30 each school year must be used by June 30th.
- Unused comp time will not be paid out at the end of the semester or school year.
- Comp time will be monitored for appropriate earning, accumulation and usage.

Holiday Pay for Secretarial/Clerical Employees

Interpretation of the *Secretaries/Clerical Comprehensive Agreement* regarding pay to secretaries/clerical staff that are not in paid status the working day before or after a holiday is as follows:

The contract states: *“An employee will be eligible for holiday pay if the employee would have been scheduled to work on one of the specified holidays and if the employee worked the last scheduled day prior to the holiday and the next scheduled day following unless excused by his/her immediate supervisor.”*

The intent of the language is to ensure that management has adequately protected the right to direct the work of its employees and to maintain the efficiency of governmental operations.

It has been the consistent intent of the contract that in the event an employee has exhausted all compensated leave benefits and is allowed to forfeit salary (deduct) to extend their holiday, the employee also forfeits holiday pay.

Holiday Pay for All Employees

The consistent intent and interpretation of the contract is to require an employee to be in paid status the afternoon of the working day prior to the holiday or spring recess if applicable, and the morning of the working day following the holiday or spring recess if applicable in order to be eligible for holiday pay.

ATTENDANCE

Employee Absence Reporting Policy

It is important that you understand the absence reporting steps now, rather than in the event of an emergency or illness.

Employees Needing a Substitute:

- **Those needing a substitute must be registered with the Automated Absence Reporting System.** If you have not registered and do not have the Employee's Quick Reference pamphlet, call the Employee Attendance Center at 242-8100 for assistance in the registration process. When you register with the automated calling system, you will receive your P.I.N. (Personal Identification Number).
- **Absences must be reported to the Automated Absence Reporting System in order to receive a job number.** Absences should be reported by calling 619-6231 or going to this link
- <https://desmoines.eschoolsolutions.com>. The principal or supervisor will report all other absences such as bereavement, special leave, deduct, etc. Every absence receives a job number.
- **Failure to get a valid job number** for an illness, **personal** or emergency absence before the workday begins, may result in disciplinary action or deduction of salary.
- Notify your school by 1:00 p.m. on the day you are absent to indicate:
 "Yes", I am returning or **"No"**, I am not returning
- The principal, supervisor, or designee will extend your absence on the Automated Absence Reporting System and retain the substitute if necessary. If you return to work, but do not notify your principal or department supervisor and a substitute reports the next day, the substitute will be paid for half a day. This will be deducted from your salary.

Staff Not Requiring a Substitute

Employees who do not need a substitute will request anticipated leave through NOVAtime, accessed on the district website under Quick Links by clicking on Staff -> Employee Absence. All leave requests must be approved by a supervisor or their designee. In the event of an unforeseen absence (such as emergency, illness, or bereavement) an employee must notify their supervisor or their designee, before scheduled work hours. Should the employee's leave extend beyond the pay period, the supervisor, or their designee, may enter leave on behalf of the employee.

If time is missed during regularly scheduled working hours, for any reason other than an authorized absence, you will be considered absent. Please notify your office secretary or supervisor regarding your whereabouts. This serves as protection for you and the District.

An employee absent from work for three consecutive scheduled work days, without providing notification of a valid excuse to the employer, will be considered to have voluntarily terminated their employment.

Accurate Information is Critical

Half-day Absence

A teacher's workday is 7 hours and 45 minutes. A half-day absence is up to 3 hours and 50 minutes. A teacher's absence entered into the system for 4 hours will be charged as a full day. If a substitute is required, he/she will be paid a full day.

An associate's workday is 7 hours and 30 minutes. A half-day absence is up to 3 hours and 45 minutes. An associate's absence entered into the system for 4 hours will be charged as a full day. If a substitute is required, the substitute will be paid a full day.

If the Automated Absence Reporting System information regarding your location or job description is incorrect, please call the Employee Attendance Center immediately at 242-8100 so corrections can be made. It is very important that all information pertaining to any absence is accurate.

You may review your PIN or information by following the instructions on the back of the Employee's Quick Reference pamphlet. A bright orange card is also provided to you with the system phone number, the Employee Attendance Center phone number, and a space to record your P.I.N. If you need assistance, please call the Employee Attendance Center at 242-8100.

LEAVES OF ABSENCE-

Refer to the applicable comprehensive agreement for more detail

It is the employee's responsibility to monitor all leave balances before requesting leave.

Note: *Employees must use all paid leave before being allowed any other type of leave.*

Sick Leave

An employee must report the intention to be absent from duty to the designated Employer representative by at least one hour before the employee's regular starting time, but in no case later than 7:00 a.m. on the day of absence. If possible, notification should be given on the previous day or earlier. Employees in bargaining units, please refer to your applicable comprehensive agreement or work rules.

If an employee expects to return to an assignment, the employee must notify the immediate supervisor of such intention no later than 45 minutes prior to normal student dismissal time on the previous day. If the employee does not give the required notification of intent to return, and the substitute subsequently reports for duty the following morning, the substitute will be paid for an additional half day, and the pay for this will be deducted from the employee's salary.

Regular full time employees shall be allowed sick leave of 15 working days during their first year of employment and 15 working days each year thereafter without loss of pay. If an employee does not need to use the allotted days during the contract year, the unused days will be added to the allowance for the succeeding year. There is no limit on the total number of days that may be accumulated. In case of absences for illness or injury in any one year exceeding the aggregate of days allotted for that year, the excess shall be deducted from the employee's accumulated days. At the end of the year, any of the accumulated days which are unused shall be added to the regular allowance for the succeeding year. If an employee is unable to begin service under the contract on the date on which the contract is designated to begin, the employee shall nevertheless be entitled to draw compensation for any unused medically related disability leave accumulated from prior years of service with the district, pursuant to its regulations thereto, payable at the time regular installments are due under this contract, notwithstanding the fact that actual service did not commence under this contract for the school year covered therein. If an employee is unable to report for duty on the first day of the new contract, and had no accumulated sick leave on which to draw, compensation for sick leave will not be allowed under the new contract until the employee does report, whereupon it will become retroactive. All accumulated sick leave is forfeited upon the termination of employment.

Family Illness Leave

In the event of illness in the immediate family, an employee shall be granted up to three (3) days of absence without loss of salary to be deducted from sick leave. The immediate family shall be construed to mean father, mother, son, daughter, wife, husband, brother, sister, mother-in-law, father-in-law, son-in-law, or daughter-in-law. A statement from a responsible person other than the employee may be required as proof of illness.

Adoption.

Up to five (5) days of sick days may be utilized for adoption

Emergency Leave (AFSCME employees only)

Full-time AFSCME employees are allowed two emergency days each fiscal year not to cumulative. Emergencies for this type of leave are defined as those unforeseen situations which require the employee's immediate attention, and cannot be attended to outside of work hours. Please refer to the applicable comprehensive agreement for further detail. Leave requests will be considered on their individual merits for approval by your immediate supervisor.

Jury Duty.

When an employee is summoned for jury duty, the District does not automatically deduct vacation, emergency or personal leave. The District will continue to pay an employee for days missed on jury duty. However, an employee is required to reimburse the District for the amount the County pays a juror for service, minus mileage. In addition, the employee must submit proof of jury attendance provided by the court (see SharePoint for complete guidelines related to employee jury duty.)

Any amounts in excess of the per diems are considered mileage and parking reimbursements and may be kept by the employee.

If the Business Office has not been reimbursed and documentation of service not provided within 30 days of the completion of service, the employee will be docked one day's pay for each day served.

Reimbursements of jury duty compensation should be sent to:

**Des Moines Public Schools
Office of Business and Finance
2323 Grand Avenue
Des Moines, Iowa 50312**

Bereavement Leave. In the case of the death of the wife, husband, child, or (step) child of a regular full time employee, or of the employee's (or spouse's) (step) father, (step) mother, (step) brother, (step) sister, (step) grandparent, (step) grandchild, or legal dependent, the employee shall be granted permission to be absent from duty by the office of the Executive Director for Human Resources Management for as many days, not to exceed five, during the individual employee's service year as may be necessary in the opinion of the office of the Executive Director for Human Resources Management for attendance at the funeral and for any other purposes directly arising out of said death, and no deduction of pay shall be made for the days of absence so granted.

Up to 2 of the 5 allowed bereavement days (per the comprehensive agreement) may be used for hospice visitation for non-AFSCME covered employees only.

For AFSCME employees only, please see the AFSCME comprehensive agreement on bereavement leave.

Funeral Leave. In the case of the death of any other relative or person of unusually

close personal relationship, one day or two half-days of absence shall be allowed during the individual's service year without loss of pay for attendance at the funeral if the funeral is being held in the area of Greater Des Moines. If the funeral is being held outside the area of Greater Des Moines, one day of absence shall be allowed. The office of the Executive Director for Human Resources Management shall have the authority to extend the above provisions for any other purpose directly arising out of said death, and no deduction of pay shall be made for the days of absence required.

An employee who is paid while on bereavement leave during his/her extended service year shall have the obligation to complete his/her extended work assignment at no additional pay.

***Personal Leave.**

At the beginning of each work year, each employee shall be credited with two (2) days (or four (4) half-days) to be used for the employee's personal business, with the exception of the 2015-2016 school year. For that school year only, staff will receive three (3) days (or six (6) half-days) of personal leave. Beginning with the 2016-2017 school year and beyond, staff will get 2 personal days.

*AFSCME employees receive one (1) personal day since they also have emergency days.

1. An employee planning to use a personal day shall notify his/her supervisor at least two (2) working days in advance, except in cases of unforeseen emergency. Requests for personal leave must be made through the method determined by the employer.
2. The employer will accept requests for personal leave no earlier than July 1 for the following year.
3. No personal leave will be granted during parent-teacher conferences.
4. Such absence may not be taken during the first or last student contact week of the semester or immediately before or after holidays or vacation periods.
5. Prior approval for the use of personal days will be waived by the Director of Human Resources for Certified Staff in an emergency. An emergency is defined as "an unexpected occurrence or set of circumstances which require the immediate attention and presence of the employee."
6. Up to 5 unused personal days will be carried over from year to year. There is no payout for unused personal business days.

*AFSCME employees are not eligible to carry over personal days from year to year.

Political Activity.

A leave of absence may be granted for one semester or one year to an employee who desired to run for office or take part in political activity. This provision recognizes the rights and obligations of employees to be participating citizens in such activities as voting, discussing political issues, campaigning for candidates, or running for and

serving in public office. Such a leave would be granted without pay.

Educational Purposes.

Attendance at educational meetings or visiting other schools is permitted at full pay if the office of the Executive Director for Human Resources Management approves such absence. If any regular full time employee wishes to be absent from duty for a brief period to attend a professional or para-professional meeting, or to visit schools, a written request for approval of such absence on a form provided by the Employer should be signed by the principal or supervisor and filed in the office of the Executive Director for Human Resources Management at least ten days prior to the first day of anticipated absence.

Military Reserve Training.

A leave of absence will be granted for employees subject to Iowa Code 29A.28(1)(a) for required training purposes, but not for a period exceeding a total of thirty (30) days in any calendar year. Leaves for training purposes are granted without loss of pay, but employees are expected to take such training during the times when school is not in session whenever possible.

Military Service.

Leaves of absence are granted for military purposes, not to exceed the enlistment or draft period. On completion of the military service, the salary of the employee is entitled to reinstatement at the same wages he/she would have received had he/she not taken such a leave, but subject to the following conditions: That the position was not abolished, that he/she is physically and mentally capable of performing the duties of the position, that he/she makes written application for reinstatement to the Executive Director for Human Resources Management within ninety (90) days after termination of military service, that he/she submits an honorable or general discharge from the military service, and that he/she has the appropriate license(s) and certifications(s).

Extended Leave of Absence Without Pay.

Employees may request extended leaves of absence without pay for a period of time to be terminated at the conclusion of the semester during which the leave commenced or for one additional semester following the conclusion of the semester in which the leave commenced. An employee shall file an application in the office of the Executive Director for Human Resources Management. The application shall be reviewed by that office and will be submitted to the Board of Directors for their consideration. Extended leaves of absence may be granted for health, professional study, or family responsibilities, which may include child nurturing. The employee's service will resume either at the beginning of the fall or spring semester in accordance with the leave of absence agreement.

While on extended leave, the employee's interest in the retirement funds, accumulated sick leave, and placement on the salary schedule shall be frozen. While no additional benefits will be provided by the Employer during the leave period, the employee may purchase such benefits. At the conclusion of the extended leave of absence, the salary of the employee shall be the salary stated on the salary schedule for the step and class for which that employee was appointed at the time of the commencement of the leave. A request for early termination of the leave agreement and reinstatement of position must be made in writing to the office of the Executive Director

for Human Resources Management at least thirty (30) days prior to the beginning of the new semester. The Employer shall reserve the right to delay reinstatement until the beginning of the school semester following the request. Early reinstatement before the beginning of the new semester to those granted a leave of absence for a regular school year must indicate a desire to return within five (5) days of receipt of regular letter of intent sent to all employees.

Summer School.

Associate personnel employed during summer school shall be granted two 'summer school days' of absence in a single term for either sick leave or emergency leave, or a combination of both, non-accumulative.

Religious Holidays.

Employees whose religious affiliation requires the observance of holidays other than those regularly scheduled in the school calendar may be excused by the office of the Executive Director for Human Resources Management without loss of compensation.

Employees will be eligible to use personal leave as religious leave. If additional unpaid leave is requested, it will be granted in accordance with the law.

Compensatory Time.

Employees will be allowed to use their compensatory time off, in minimum increments of one (1) hour, provided they make a request a minimum of twenty-four (24) hours in advance and it does not infringe on the operational needs of the Employer.

Compensatory time will be acquired by employees working longer than seven and one-half (7.5) hours in one day. Compensatory time will be calculated at time and one half for all hours worked over eight (8) hours in a single day. Compensatory time will be earned by non-exempt non-bargained employees for hours worked over 40 in a workweek at a rate of time and one half. Please refer to your Comprehensive Agreement for further details.

Professional Leave and Job-Related Meetings

A Professional Leave Request form must be completed and submitted for approval to your supervisor **10 days in advance** of the requested leave. **Please refer to your Comprehensive Agreement for details.**

Vacation

Check departmental guidelines and your Comprehensive Agreement. All vacation requests must have the approval of your immediate supervisor or designee. The employee should check available vacation balance prior to request for use.

For those employees in a non-bargaining unit, vacation days are accrued each pay period, and may be used as earned. Employees may carry over up to, but no more than the amount of their earned vacation days each year.

Example: If an employee accrues 10 days per year, the carryover max is 20 days per year.

Twelve-Month Specialists will accrue 15 days for years one and two and will then begin accruing 25 days for year three. The change of the accrual rate happens on the employee's anniversary date, not July 1st. No more than a maximum of twice their annual accrual can be carried over.

Any Administrator who has completed the required time to be entitled to an annual vacation or any part thereof, and whose service with the District is terminated, will be paid the regular salary for the vacation days accrued, up to a maximum of 40 days.

10.5-Month Administrators do not accrue vacation days.

Cancellations

As soon as you know a pre-planned absence has been cancelled, ask your administrator to deny the leave request in NOVAtime.

Denial of Request to be Absent

Approval for a request to be absent is not automatic. Your immediate department supervisor or administrator may deny or approve an application for a request to be absent. The supervisor may request or require documentation of absences before deciding or approving the request. **Please refer to your Comprehensive Agreement for details.**

Approval of Leave

All leave must be approved by a supervisor or their designee and entered into NOVAtime. It is important that leave provisions be uniformly interpreted in accordance with negotiated comprehensive agreements. If there is a difficult decision please feel free to call the office of Office of Human Resources for interpretation.

Work from Home

Working from home in lieu of time spent on duty at the workplace, in the event of inclement weather or otherwise, is not permitted except with the expressed consent of the employee's immediate supervisor.

Termination of Employee Due to Excessive Absence

Excessive Absenteeism

An employee may be subject to termination if he or she is absent from work when he or she has exhausted all available paid or unpaid leave and no other approved leave is available. Special consideration may be given to first-year employees.

Extended Medical/Disability

When an employee has been absent and has not performed active service for DMPS for 120 calendar days and all available paid and unpaid leaves have been exhausted, the employee may be subject to termination.

Filling Positions Left Vacant Due to an Employee's Prolonged Absence

The District has the right to fill any vacancy that occurs as a result of an employee's leave pursuant to the Family and Medical Leave Act (FMLA) after the time period mandated by the FMLA has expired. If an eligible employee, who has exhausted his or her FMLA leave and all other sources of paid or unpaid leave, is unable to return to work after 120 calendar days of inactive service to the District, the employee may be subject to termination. If an employee who has exhausted his or her FMLA leave is released to return to work prior to 120 calendar days of inactive service and his or her position has been filled, he or she will be offered the next available position for which he or she is qualified.

Termination of Administrative Personnel

Chapter 279 Administrators who are certified or licensed by the Board of Educational Examiners may be terminated only through the process set forth in Chapter 279 of the Iowa Code.

Non Chapter 279 Administrators may be terminated with or without cause at the end of the contract year. Administrators may be terminated mid-year with or without cause upon proper notice by the Superintendent. Administrators may be terminated immediately for cause by the board following a hearing on the Superintendent's recommendation to terminate the Administrator's employment.

- If reduction of the administrative staff becomes necessary, a reasonable attempt will be made to achieve that reduction on the basis of normal attrition. If this is not possible, those who are best qualified in the sole judgement of the Superintendent will be retained.
- The Administrator may, upon the recommendation of the supervisor, have the option of applying for a vacancy in a non-administrative assignment and will be entitled to placement on the salary schedule commensurate with educational achievement and years of experience in the District.

Summary of Iowa Administrative Code 281 – Chapter 103

Restraint

Restraint is an application of physical force that reduces or restricts another individual's ability to move their arms, legs, body, or head freely. Temporarily holding to assist with participation in activities of daily living is not considered restraint. All school employees, before using physical restraint, shall receive adequate and periodic training which shall be documented. The District offers Crisis Prevention Intervention (CPI) training for staff members who will likely use physical restraint during the course of their job duties. Ideally, only staff members who have received CPI training will use physical restraint. However, employees are authorized to use reasonable and appropriate means of restraint as may be necessary to prevent a student from harming himself or herself or others or in self-defense in the event a CPI trained staff member is not available. Restraint should not cause serious or permanent harm. **Prone (face down) restraint is specifically prohibited under all circumstances, as well as mechanical restraint or any restraint that involves the head or neck.**

Physical Force

Corporal punishment is the intentional physical punishment of a student, including the use of unreasonable or unnecessary physical force, or physical contact made with the intent to harm or cause pain. **Corporal punishment of a student is specifically prohibited.** However, teachers, administrators and other staff are authorized to use reasonable force in self-defense, defense of another, or to prevent an act of self-harm. Staff should refrain from making unnecessary physical contact to quell a disturbance that does not present imminent danger of physical harm, when a student does not respond to a verbal directive, to remove a disruptive student from class, or to prevent the damage of property.

Physical Confinement

Physical Confinement is confinement of a student in a time-out room or some other enclosure, whether within or outside the classroom, from which the student's egress (exit) is restricted. All school employees, before using physical confinement and detention, shall receive adequate and periodic training which shall be documented. The District offers Crisis Prevention Intervention (CPI) training for staff members who will likely use physical confinement and detention during the course of their job duties. Physical confinement does not include time-out at a desk, in a corner, at the back of a class, in the hall, afterschool detention, or typical in-school suspension arrangements. Confinement should be reasonable (as short as possible) and allow for bodily needs. If over 30 minutes or 1 period (whichever is shorter), an administrator must authorize the continued confinement.

Documentation Requirement

Following an incident of physical force, restraint, or physical confinement notice must be given to the student's parent or legal guardian. **Notification, or a documented attempt at notification, must occur the day of the incident via phone. Additionally, parents or guardians must be notified in writing within three days of the incident.**

PROPER AND ETHICAL TEST ADMINISTRATION

In the administration of standardized tests, it is a violation of test security to do any of the following:

- Provide inappropriate test preparation such as any of the following:
 - Copy, reproduce, or use in any manner any portion of any secure test booklet, for any reason.
 - Share an actual test instrument in any form. This includes using old copies of the Iowa Assessments.
 - Engage in instructional practices targeted at specific test content.
- Deviate from the test administration procedures specified in the test administration manual.
- Provide assistance to students during the test administration that would give them an advantage over other students.
- Make test answers available to students.
- Change or fill in answers on student answer documents.
- Provide inaccurate data on student answer documents.
- Engage in any practice to artificially raise student scores without actually improving underlying student achievement.
- Participate in, direct, aid, counsel, assist, encourage, or fail to report any of the acts listed above.

Administrators, certified and non-certified staff, and students must adhere to ethical procedures in testing. Violation of these procedures will be investigated and appropriate sanctions may be taken by the school board and/or the Iowa Board of Educational Examiners (BOEE). According to 282—Iowa Administrative Code Chapter 25, it is deemed unprofessional and unethical for any licensee to violate Standard III-misrepresentation, falsification of information [25.3(3)] of the standards of professional

conduct and ethics. This includes “Falsifying or deliberately misrepresenting or omitting material information regarding the evaluation of students or personnel, including improper administration of any standardized tests, including, but not limited to, changing test answers, providing test answers, copying or teaching identified test items, or using inappropriate accommodations or modifications for such tests.”

(Iowa Board of Educational Examiners. 2013. Licensure Handbook.

<http://www.boee.iowa.gov/forms/handbook.pdf> p.43-44.)

School or district staff members must immediately report all incidents of unethical behavior or other test irregularities by students or staff to their building principal. District leadership will cooperate with the Iowa Department of Education and Iowa Board of Educational Examiners in a thorough fact-finding investigation of the alleged irregularity and determine if test results are invalidated. A staff member found to have committed testing irregularities shall be subject to discipline in accordance with Iowa Code and Board policy.

DES MOINES PUBLIC SCHOOLS FALSE CLAIMS ACT ADVISORY

The False Claims Act is a federal law that makes it a crime for any person or organization to knowingly make a false record or file a false claim regarding any federal health care program, which includes any plan or program that provides health benefits, whether directly, through insurance, or otherwise, which is funded directly, in whole or in part, by the United States government or any State health care program. “Knowingly” includes having actual knowledge that a claim is false or acting with “reckless disregard” as to whether a claim is false.

Examples of potential false claims include knowingly billing Medicaid for services that were not provided, submitting inaccurate or misleading claims for actual services provided, or making false statements to obtain payment for services.

The False Claims Act contains provisions that allow individuals with original information concerning fraud involving government health care programs to file a lawsuit on behalf of the government and, if the lawsuit is successful, to receive a portion of recoveries received by the government.

Teachers, registered nurses, mental health professionals, bus drivers, paraprofessionals or any other employee of the District must act with honesty and integrity in all of your employment or business activities. Please follow all laws and regulations, policies and procedures that apply to your work activities. These requirements include providing services that are billed under Medicaid. You must maintain accurate medical records, and submit only complete and appropriate claims for services provided.

The federal False Claims Act protects employees from being fired, demoted, threatened or harassed for filing a lawsuit under the Act.

The federal False Claims Act under title 31 of the United States Code, sections 3729

through 3733 identifies, in part, that:

Any person who knowingly makes, uses, or causes to be made or used, a false record or statement to get a false or fraudulent claim paid or approved by the government is liable to the United States Government for a civil penalty of:

- Not less than \$5,500 and not more than \$11,000
- Plus three times the amount of damages which the government sustains because of the act of that person.

Administrative remedies for false claims and statements under title 31 of the United States Code, chapter 38, identify in part, that:

Any person who makes, presents, or submits a claim that:

- The person knows or has reason to know is false, fictitious, or fraudulent and is a statement in which the person making, presenting, or submitting such statement has a duty to include such material fact; or
- Is payment for the provision of property or services which the person has not provided as claimed;
- Shall be subject to, in addition to any other remedy that may be prescribed by law, currently a civil penalty of not more than \$5,500 for any such claim.

Procedures for detecting and preventing fraud, waste, and abuse include:

Internal:

- Monthly Internal audits of individual case records to assure that Medicaid funded services have been provided and only Medicaid eligible services have been claimed.
- Billing claims submitted are independently reviewed for accuracy and correctness and approved through the supervisory structure. The claims process is structured so that no one person has the authority to prepare and submit a Medicaid billing claim.

External:

- Periodic audits by the appropriate state/federal agencies to ensure that the District:
 - Employs generally accepted accounting practices,
 - Employs an adequate system of checks and balances to reduce or eliminate opportunities for fraud, and
 - Appropriately calculates rates that are used to bill Medicaid or other guarantors.

Barbara Rouse, Administrative Assistant (242-7617)

Drug-Free Workplace Act of 1988

The Des Moines Public School District is subject to the Drug-Free Workplace Act of 1988, Public Law 100-690.

The Des Moines Public School District is committed to the policy of maintaining a drug-free workplace. Thus, the unlawful manufacture, distribution, dispensation, possession, or use of any controlled substance by any employee in the workplace is prohibited. (A “controlled substance” within the meaning of this statement means any controlled substance in schedules I through V of Section 202 of the Controlled Substance Act-21 U.S.C. 812, and as further defined in federal regulations found at 12 CFR 1308.11.) Any violation of this prohibition will result in discipline up to and including discharge.

As required by federal law, it is a condition of continued employment that:

- Any employee who is convicted of any criminal drug statute violation for conduct in the workplace is required to notify the Supervisor of this fact no later than three (3) days after such conviction. (a “conviction” means a finding of guilt - including a plea of “nolo contendere” - of the imposition of a sentence, or both, by any judicial body charged with the responsibility of determining violations of federal or state criminal drug statutes)
- Each employee abide by the terms of this statement

Federal law requires that the Des Moines Public School District notify the federal government of any conviction in violation of this policy.

Federal law further requires that the Des Moines Public School District impose sanctions which may include discharge for any violation of the provisions of this notice or policy.

Drug and Alcohol Use or Possession

The use, possession, sale, transfer, or purchase of alcohol or drugs by employees on District property or when engaged in District business are prohibited. Any employee in violation of this policy or who is found to be impaired by intoxicants while in the workplace shall be subject to disciplinary action up to and including termination. Any employee can be drug tested due to reasonable suspicion. Drugs prescribed by a licensed physician for an employee may be possessed and used by that employee in the workplace, in accordance with terms of their prescription as long as such usage does not limit the employee’s ability to perform their job efficiently and safely in the considered judgment of the immediate supervisor.

Tobacco Free/Nicotine Free Work Place

It is the policy of the District that using, smoking, or carrying lit tobacco products, “vapor” or “e-cigarettes”, tobacco devices, or smokeless tobacco products which includes all forms of tobacco and nicotine products that are not FDA (Federal Drug Administration) approved for tobacco cessation are prohibited at any time on school district property and at any school activity sponsored by the District. For purposes of this policy, school district property includes any building used for instruction, administration, support services, maintenance, or storage; the grounds and surrounding buildings; and all

district-owned vehicles. This policy applies to all students, teachers, staff, and visitors.

For the purposes of this policy, “smoking” means inhaling, exhaling, burning, or carrying any lighted or heated cigar, cigarette, pipe, or any other lighted or heated tobacco or plant product intended for inhalation, in any manner or in any form. “Smoking” also included the use of an “e-cigarette” which creates a vapor, in any manner or in any form, or the use of any oral smoking device for the purpose of circumventing the prohibition of smoking in this policy.

For the purposes of this policy, “e-cigarette” and “vapor cigarette” includes any electronic or oral device, such as one composed of a heating element, battery, and/or electronic circuit, which provides a vapor on nicotine or any other substances, and the use or inhalation of which simulates smoking. The term shall include any such device, whether manufactured, distributed, marketed, or sold as an “e-cigarette”, “e-cigar”, “e-pipe”, or under any other product name or descriptor.

Violators of this policy will be subject to disciplinary action up to and including termination.

DMPS Fragrance/Scent-Safe Workplace Standard

In an effort to protect students, staff and visitors with chemical sensitivities and to create a safe and healthy environment, Des Moines Public Schools (DMPS) is implementing a fragrance/scent safe district workplace standard. DMPS asks that everyone minimize the use of any fragrances in the workplace.

Employees should refrain from bringing air freshener products, essential oils, wearing heavy perfumes/cologne, other personal care products such as body sprays, hand lotions, cleaning products or solutions, etc. Workspace areas and areas that are enclosed such as restrooms are also included in this standard.

Acceptable use of products that are labeled as unscented, scent-free or fragrance free by the manufacturer are suggested and recommended as safe and appropriate for DMPS.

DMPS sincerely appreciates you abiding by this scent safe standard so that all students, employees and visitors can enjoy an environment that does not make them sick, or be absent due to an illness related to heavy fragrances or scents.
