The District shall take all necessary steps to report such compensation as creditable with the ORS.

24. **Tentative Agreement:** JROTC Compensation (Instructors and Assistant Instructors)

Article 24, Section E.3, of the DPSCD-DFT collective bargaining agreement shall be modified to read as follows in the successor collective bargaining agreement of the parties:

~~Salaries for JROTC instructors and assistant instructors shall be an amount that, when added to their retired United States Army pay, shall be no less than the amount of their active duty pay and allowances exclusive of hazardous duty pay.~~

~~Salaries for JROTC instructors and assistant instructors shall be adjusted annually based on retired and active duty United States Army pay raises and shall be effective January 1 for each school year, pursuant to Letter of Agreement JROTC Instructors and Assistant Instructors executed May 24, 2002.~~

JROTC Instructors and Assistant Instructors shall be paid in accordance with the JROTC Instructors and Assistant Instructors salary schedule (attached—this salary schedule will be added to the DFT salary schedule appendix), or their Minimum Instructor Pay (MIP), whichever is greater. It is understood that there shall be no additional compensation for degrees or military training. An explanation of MIP follows.

The District's JROTC Program is taught by retired officers, warrant officers and noncommissioned officers who are determined by the United States Department of Defense Cadet Command to meet the requirements of Army Regulation 145-2 and other requirements related thereto. Schools employing JROTC instructional staff must pay at least the minimum instructor salary as required by such Regulation, which is called Minimum Instructor Pay (MIP). MIP is determined by the Defense Finance and Accounting Service (DFAS), which oversees payments to Department of Defense retirees working as JROTC instructional staff. MIP is adjusted at least annually and is generally effective January 1 of each year. The District is required to pay JROTC instructional staff a salary that is no less than each JROTC's staff member's individual MIP. In some situations, this would mean that a JROTC staff member may have his/her salary changed effective January 1 where necessary to ensure that the District is paying the new MIP as determined by DFAS for a JROTC staff member.

Upon hire, JROTC Instructors and Assistant Instructors shall be placed at the step closest to, but not lower than, their Minimum Instructor Pay. Current JROTC Instructors and Assistant Instructors shall be placed on the step of the salary schedule in accordance with their years of service with the Detroit Public Schools and/or the Detroit Public Schools Community District. Also, current JROTC Instructors and Assistant Instructors shall not suffer a reduction in their current pay pursuant to this agreement – e.g., when placed on the new salary schedule. Thereafter, JROTC Instructors and Assistant Instructors will annually advance on the steps of the JROTC Instructors and Assistant Instructors salary schedule if and

to the extent that Classroom Teachers advance on the steps of the Salary Schedule.

In the event that a JROTC Instructor or Assistant Instructor has a Minimum Instructor Pay (MIP) rate which exceeds the salary indicated for him or her on the Salary Schedule, the District will pay the Instructor or Assistant Instructor at his or her MIP rate and not more than the MIP rate. In this situation the Instructor or Assistant Instructor will be considered to be on the closest Step lower than the Instructor's or Assistant Instructor's MIP rate, and in the event that the parties agree to step advancement, then such Instructor or Assistant Instructor will move to the closest Step higher than the Instructor's or Assistant Instructor's MIP rate.

Supplemental JROTC instruction or service outside regular school hours or days, such as drill team or summer school activities, will be compensated by the District so long as the activity has been assigned or approved as part of the JROTC program and APPROVED by the Superintendent or his or her designee, along with the compensation to be paid. Those Instructors and Assistant Instructors assigned to JROTC summer camp shall be paid on a per diem salary basis with the understanding that each summer camp assignment lasts for a period ranging between seven and nine days. JROTC Instructors and Assistant Instructors shall be entitled to compensation for supplemental, co-curricular, or other work, such as stipends for athletics coaching and band activities, on the terms set forth for the overall DFT bargaining unit.

It is acknowledged that the changes in salary above shall only apply to services performed on or after July 1, 2021. No additional compensation shall be paid for academic degrees or military supplements beyond those factored in the Department of Defense MIP calculation; the District's obligation is to simply pay the applicable salary rate under the salary schedule set forth above, unless the MIP rate is higher, in which case the District shall pay the MIP rate.

TENTATIVE AGREEMENT

Re: Teacher Activities (Article 19)

August 26, 2021

Article Nineteen – Teacher Activities

A. Professional Development

All District mandated professional development (PD) will be structured in a manner to qualify as education credits towards state re-certification. In an effort to utilize and highlight the expertise that exists within the District, professional development may include that which is teacher developed and led, and may be based on areas chosen by the teachers at their school site.

Professional development provided by the District with the purpose of introducing a new skill or enhancing an existing skill set may qualify under state law as a “SCECH” (State Continuing Education Clock Hours). PD, including but not limited to staff meetings and school improvement plan committee meetings, organized by the District and held at an off-site location and/or District worksite may qualify as a “SCECH”. Where applicable the District shall file the proper paperwork in order for members to receive education credits towards their certification. In order to qualify for SCECHS, a teacher must report to each session on time, sign in, participate in session activities and sign up at the end of the session.

Tentative Agreement For the 2021-22 and 2022-23 school years the state mandated five days of professional development (PD) shall be scheduled as follows:

1. **Tentative Agreement**: In the 2021-22 school year, two (2) PD days shall be held on the Monday and Tuesday the week before Labor Day; and in the 2022-23 school year, two (2) PD days shall be held during the week immediately preceding the first week of school, on days which shall be mutually agreed by the District and the Union. The latter agreement shall be reached during the negotiations for the 2022-23 school calendar.
2. One (1) PD day shall be held on the second Tuesday in November (Election Day).
3. Two (2) PD days (twelve [12] hours) shall be scheduled in lieu of twelve (12) one (1) hour Wednesday staff meetings.

Tentative Agreement In the event that the State of Michigan mandates additional PD days, they shall be scheduled on dates mutually agreed between the District and the Union.

B. Scheduled Conference

Tentative Agreement For the 2021-22 and 2022-23 school years there shall be two (2) parent-teacher conferences (PTC). Teacher attendance is required for all scheduled

conferences, subject to the teacher being on an excused absence on that day. These conferences shall be held on Wednesdays on dates determined by the District and follow these guidelines:

- In K-8 schools, the PTCs shall be four (4) hours in length. Students shall be released one (1) hour earlier than their normal early dismissal time. Teachers shall stay one (1) hour beyond their normal staff meeting dismissal time. Teachers shall be compensated two (2) hours for each PTC for a total of four (4) hours each school year. The compensatory time shall be in the form of no staff meetings on four (4) Wednesdays. The principal and the school union committee shall determine the dates of these four (4) Wednesdays.
- In middle schools and high schools, the PTCs shall be four (4) hours in length. Students shall be released two (2) hours earlier than their normal dismissal time. Teachers shall stay one (1) hour beyond their normal staff meeting dismissal time. Teachers shall be compensated one (1) hour for each PTC for a total of two (2) hours each school year. The compensatory time shall be in the form of no staff meetings on two (2) Wednesdays. The principal and the school union committee shall determine the dates of these two (2) Wednesdays.

In addition to the scheduled conferences noted above, teachers shall confer with parents at other times mutually convenient to the teacher and parent as needed.

ARTICLE TWENTY – LEGAL LIABILITY

- A.** In the event that a legal action or complaint is filed against the employee involving actions taken by the employee in his/her authorized employment capacity for the District, the District will provide legal representation and indemnification provided that:
1. A copy of the Complaint and Summons or other relevant legal papers is transmitted to the District's Office of General Counsel within seven (7) calendar days or five (5) business days after service upon the employee/defendant.
 2. If at any time prior to or during the District's representation and indemnification of the employee, pursuant to the District's investigation and reasonable determination, it is determined that the employee/defendant was not acting within the scope of his/her authorized authority and duties as a representative and employee of the District, the District shall withdraw representation and cease its obligation to indemnify.
 3. If at any time prior to or during the District's representation and indemnification of the employee, pursuant to the District's investigation and reasonable determination, it is determined that the employee's actions were not in accord with District policy in carrying out the functions that gave rise to the legal action, the District shall withdraw representation and cease its obligation to indemnify.
 4. If at any time prior to or during the District's representation and indemnification of the employee, pursuant to the District's investigation and reasonable determination, it is determined that the employee's actions were illegal or criminal in nature, the District shall withdraw representation and cease its obligation to indemnify.
- B.** Except as provided for in Article Twenty One, the District will not provide legal representation or indemnification for the employee if he/she has been charged with criminal or illegal activity arising from the employee's actions during the course of his/her employment.
- C.** As a prerequisite to receiving legal defense/indemnification, an employee who requests legal defense or indemnification pursuant to this Article, shall cooperate in the investigation and defense of his/her case.
- D.** The employee's failure to cooperate could result in denying or withdrawing the defense and indemnification. Prior to withdrawal, the District will provide written notification to the employee and the Union which lists the specific areas in which cooperation is lacking. Within five (5) business days of receipt of such notification from the District, the Union shall attempt to secure the employee's cooperation.

- E.** The Union or employee shall, within five (5) days of receipt of the notification, notify the District in writing with a detailed explanation as to how the specific areas in which cooperation is lacking will be remedied. If such notification is not received within the five (5) day period, or the detailed explanation is not satisfactory to the District, the District may withdraw representation and cease its obligation to indemnify.
- F.** Any subsequent failure to cooperate by the employee will result in the withdrawal of representation and indemnification.
- G.** The provisions of this Article are not intended to prevent an employee from retaining legal representation other than that provided by the District. If, however, an employee elects to obtain legal representation outside of the District, the employee is fully responsible for any and all costs, legal fees, interest or judgments which result from the legal process.
- H.** With the exception of Article Twenty One, decisions by the District with respect to the provision of legal representation and indemnification to individual employees shall not be subject to the grievance procedure, provided, however, in the event the Union disagrees with the District's decision on reasonable grounds, at the Union's request it may meet with the Office of General Counsel for the District for the purpose of appealing such decision.

ARTICLE TWENTY-FIVE – EMERGENCY SCHOOL CLOSURES

A. Emergency Weather Conditions

The District shall notify unit members by 6:30 am whenever a decision has been made to close schools due to inclement weather conditions. Internet-based communication platforms and other forms of internet-based communications shall be utilized to efficiently communicate emergency school closures to internal and external constituents. The District shall also use traditional means of mass communication such as radio and television stations necessary to maintain all school District constituents informed. This clause is not intended to preclude a decision to close schools after 6:30 am, if further evaluation of developing weather conditions warrants such a decision.

When students are not required to report to school due to adverse weather conditions or conditions not within the control of school authorities, teachers in those schools shall not be required to report.

When individual schools are closed after the start of the school day, teachers will also be dismissed.

Rescheduling of days shall not affect annual salary, compensation or other benefits provided within this Collective Bargaining Agreement.

B. Emergency Closing and Security

When individual schools are closed after the start of the school day teachers will also be dismissed. For other members of the bargaining unit who are not school based, if the school or schools to which they are to report are closed for that day, the bargaining unit member shall not be required to report to the school or any other location.

In any case where school disruptions/emergency situations lead to a situation where students and/or teachers face physical peril while in school, and the school is closed to students by the Superintendent, a joint Union/District committee shall meet to determine what steps will be taken so that the school can be reopened in a reasonable climate of safety. Such steps shall be submitted to the Superintendent for approval to reopen.

School Security

The District shall have posted on the entrance and exit doors of the school the city ordinance (39-1-59, -59.1 and -59.4), which requires persons entering schools to report directly to the principal or his/her designee, and make it unlawful for such persons to remain after being requested to leave. Administrators shall be encouraged to prosecute violators.

Both parties acknowledge that the safety and welfare of pupils, staff and parents is their top priority. Security, or the lack thereof, has a very significant impact upon the teaching and learning conditions in and around the school facility. A joint Union/District committee shall be established to study and make further recommendations to improve security in the District. The joint committee shall be composed of representatives of the District and of each of the collective bargaining units representing District employees who wish to participate.

C. State Mandated Days/Hours of Instruction

Scheduled days of student attendance that are cancelled because of conditions not within the control of authorities shall be rescheduled when the District is unable to meet the state mandatory requirements.

In the event that an individual school will not meet the Michigan Department of Education mandated days and/or hours of instruction due to unforeseen school closing(s), additional school days and/or hours of instruction will be scheduled for compliance. The Union will be consulted as to the make-up schedule.

The rescheduling of days will amend the school calendar but shall not affect or otherwise require an adjustment of salary, compensation or other benefits provided within this Collective Bargaining Agreement.

**Letter of Agreement
between
Detroit Public Schools Community District (“District”)
and
Detroit Federation of Teachers (“DFT”)**

2021-22 FULL REOPENING OF SCHOOLS

WHEREAS, the parties recognize the need to fully reopen all schools with immediacy and implement District learning programs in conformity with the District’s Extended Continuity of Learning Plan, COVID-19 guidelines issued by the Centers for Disease Control and Prevention Services (“CDC”), the Michigan Department of Health and Human Services (“MDHHS”), and the Michigan Department of Education (“MDE”),

WHEREAS, to ensure equity in education, the District and the DFT shall prioritize efforts to meet family/student demand for in-person learning across all District schools,

WHEREAS, the District’s Kindergarten through 12th grade Virtual School Program shall also concurrently offer virtual classes which can be reasonably implemented by teachers that accommodate students’ learning needs and respect any health concerns that families may have,

THEREFORE, the Detroit Federation of Teachers (“DFT”) and the Detroit Public Schools Community District (“District”) (collectively “the parties”) agree as follows for the 2021-2022 academic year:

1. Representatives from the DFT and District shall continue to conduct joint school walkthroughs to ensure compliance with the health and safety requirements. The health and safety requirements shall be made current through the 2021-2022 school year unless stricter requirements are warranted by an increase in COVID-19 related risks.
2. The District’s COVID-19 mitigation strategy will abide with the most current legally required Federal, CDC and/or state MDHHS orders, recommendations, and guidance provided to schools and similar institutions. The District’s safety commitments will include:
 - a) Universal and correct use of masks required;
 - b) Physical distancing (3ft for student seating);
 - c) Handwashing and respiratory etiquette;
 - d) Cleaning and maintaining healthy facilities;
 - e) Contact tracing in combination with isolation and quarantine;
 - f) Mandatory daily symptom screening & temperature checks; and

- g) To the greatest extent possible and with the least disruption, principals will continue to balance the number of students across classrooms at each grade level necessary to adhere to the District's social distancing standards.

Changes to the health and safety requirements other than legally required Federal, CDC and/or state MDHHS orders, recommendations, and guidance provided to schools and similar institutions will be collectively bargained by the parties, upon request.

- Beyond required "return to work" testing, the District will continue to implement a weekly COVID-19 testing monitoring program during the 2021-22 school year. DFT bargaining unit member participation in the District's monitoring program shall be free of cost to all DFT unit members. Weekly student testing shall be ongoing and occur at schools until the end of the 2021-22 school year.
- The District will continue to work with community partners, public health agencies and other public and private entities to provide continued access to the COVID-19 vaccine, at no financial cost to District employees, students and families.
- If a DFT bargaining unit member finds non-compliance with health and safety requirements regarding room configuration or class size, she/he shall notify the principal who shall immediately remedy the non-compliance. If the principal is unable to remedy the non-compliance, she/he shall immediately report the non-compliance to the appropriate District office or department for prompt remedial action.
- The District will make every reasonable effort to maintain in-person class sizes at levels stipulated in the table that follows, while adhering to the District's layered COVID-19 mitigation strategy. Using COVID-19 funding, the District will hire additional teachers to further assist with reducing class sizes across the District. The District will increase its oversize classroom budget, per semester, and will compensate for any classes over the 2021-22 class size levels as follows:

2021-22 Full Reopening of Schools Revised Class Sizes		
Grade Ranges	Standard	2021-22
K-2	25	22
3-5	30	25
6-8	35	27
9-12	35	30

- DFT bargaining unit members who mainly or entirely perform their job duties in-person, face-to-face, for the 2021-22 academic year shall receive a COVID-19 supplement of \$500.00 for each quarterly marking period that they complete through June 30, 2022. Quarterly payments shall be made through a separate pay advice no later than two weeks after the end of each academic quarter to yield a total of \$2,000.00 through June 30, 2022. The District shall pay the full amount of the

supplement each quarter regardless of whether there are temporary, extended, or expanded closures of facilities in which unit members are performing services.

8. Bargaining unit members who simultaneously provide blended, in-person, face-to-face and virtual teaching services to students throughout each quarterly marking period shall receive a COVID-19 supplement of \$500.00 for each quarterly marking period that they complete through June 30, 2022. Quarterly payments shall be made through a separate pay advice no later than two weeks after the end of each academic quarter to yield a total of \$2,000 through June 30, 2022. The District shall pay the full amount of the supplement each quarter regardless of whether there are temporary, extended, or expanded closures of facilities in which unit members are performing services. Providing services in a blended or dual modality (simultaneously) will be mutually agreed-upon by the unit member and the principal.
9. The parties shall jointly continue to conduct Labor-Management Committee on Schools Reopening ("CSR") meetings which shall consist of three persons appointed by the District and three persons appointed by the DFT. More persons may be added to the CSR by mutual agreement. The CSR will continue to meet weekly to review issues and concerns with the mutual intent to improve educational and safety practices. Among other issues, CSR will continue to review Tri-County (Wayne, Oakland, and Macomb Counties) COVID-19 data, and will work with health officials, community groups, and other stakeholders to determine data that needs to be reviewed and considered, as well as the framework for data interpretation. When appropriate CSR will continue to make recommendations to improve educational and safety practices to the Superintendent and the District's Board of Education, as necessary. The establishment and work of the CSR does not replace the obligation of both parties to negotiate in good faith concerning issues subject to collective bargaining.
10. The District will implement a safety matrix to assess the need for recommended suspensions or pauses on in-person learning activities at the District and individual school level by taking into account several factors related to COVID-19 including: vaccination rates in the region, local testing data from the District's weekly saliva testing program in DPSCD locations, as well as the infection rates and other data points in the city and tri-county areas.
11. DFT bargaining unit members shall receive mandatory refresher training on the best approaches and safety precautions for the safe delivery of high-quality instruction to students in the COVID-19 work environment.
12. DFT bargaining unit members shall be provided PPE (protective gowns, face masks, face shields, shoe covers, and gloves) pursuant to CDC and OSHA guidelines and upon request.

13. In spaces where physical distance of three (3) feet or more may be maintained between each participant, in-person meetings may occur with all participants adhering to the District's health and safety protocols, so long as all safety protocols, such as social distancing requirements and PPE are met.
14. DFT bargaining unit members who experience difficulties related to COVID-19 are encouraged to apply for leave or reasonable accommodations afforded through the Family and Medical Leave Act and/or Americans with Disabilities Act.
15. Any DFT bargaining unit member who performs work in-person and contracts COVID-19 during the 2021-22 school year due to their execution of in-person learning activities will be entitled to paid sick-leave, without any loss of his or her sick bank time, until he or she is medically cleared to return to work either in-person or online/remotely. Medical clearance shall consist of a note from unit members' treating physician(s).
16. If a DFT bargaining unit member is sent home from an in-person assignment by the District to self-quarantine due to potential or actual COVID-19 exposure and is asymptomatic, the member shall deliver instruction remotely to ensure continuity of student learning.
17. Despite the District's compliance with ventilation system recommendations and to provide added peace of mind that employees need for a full return to in person work, any unit member may request a fan or air purifier for their classroom or office by emailing: info.reopen@detroit12.org. Such requests shall be promptly fulfilled by the District.
18. The parties will continue to meet, as needed and in consultation with the CSR, to bargain collectively to resolve issues arising from COVID-19 related safety in schools. The parties may enter into a separate letter of agreement to confirm such resolution, with the mutual intent to improve COVID-19 related safety in schools. In addition, if an increase in COVID-19 cases prompts the closure of the Detroit Public Schools Community District in whole or in part, the parties will meet as soon as possible to bargain collectively over the effects of such closure and how to continue instruction and other student services online/remotely.
19. If the District should go into expanded closure and unit members are unable to return to in-person, face-to-face job duties and can only telecommute, the supplemental compensation referenced in this letter of agreement shall still be paid in full.
20. The District and the DFT will also collectively bargain in good faith, upon request of either party, on any other issues related to COVID-19 which arise during the 2021-22 school year, but which have not been specifically addressed in this LOA or the collective bargaining agreement.
21. This LOA shall expire on June 30, 2022.

22. The validity, interpretation, and performance of this letter of agreement shall be governed in all respects by applicable Federal and state laws, regulations, and court rulings.

23. Nothing in this Letter of Agreement shall operate or be construed to waive, amend, abrogate, or release from any provisions of the collective bargaining agreement between the parties. Disputes concerning the interpretation, application, or enforcement of the provisions of this Letter of Agreement shall be subject to and resolved through final and binding expedited arbitration under the rules and procedures of the American Arbitration Association.

THEREFORE, by the representatives' signatures below, the parties agree to the terms of the LOA as outlined above.

between
Detroit Public Schools Community District (“District”)
and
Detroit Federation of Teachers (“DFT”)**

2021-22 DETROIT VIRTUAL SCHOOL (DVS) PROGRAM

WHEREAS, the parties recognize the community’s and District’s interest in providing a Kindergarten through 12th grade Virtual School Program to respond to continuing demand for virtual learning opportunities that meet students’ educational needs. *A Virtual School Program will be offered if fully funded and authorized (in terms of FTE’s) under the State School Aid Act (MCL 388.1701) and any amendments or other legislation and/or allowances related thereto.* The parties recognize that offering alternative learning options is an important strategy in maintaining and/or increasing student enrollment in the District, and that the District’s virtual learning models operating during the 2019-20 and 2020-21 school years have served an evolutionary purpose for virtual learning,

WHEREAS, the District’s significant investments in information technology infrastructure, devices, learning technologies, platforms, programming and professional development have provided DPSCD students and families a firm platform for virtual learning,

WHEREAS, courses that require individualized, hands-on learning or the implementation of highly individualized teaching and learning activities are increasingly difficult to execute virtually. The District’s Kindergarten through 12th grade Virtual School Program shall therefore only offer virtual courses which can be reasonably implemented by teachers that accommodate students’ learning needs,

WHEREAS, most Exceptional Student Education (ESE) courses require individualized teaching and learning activities stipulated in students’ Individual Education Plans (IEPs) are difficult to execute virtually and require staffing in positions that are already historically difficult to fill. Therefore, the District’s Kindergarten through 12th grade Virtual School Program may only offer a limited number of virtual ESE courses where District-wide staffing allows and which can be reasonably implemented by ESE teachers in alignment with students’ individual learning needs as stipulated in their respective IEPs,

WHEREAS, given that students in Career Technical Education (CTE) courses rely heavily on technical hands-on industry aligned, teaching and learning activities through the District’s specialized CTE schools/learning sites and CTE certified teachers are historically difficult to staff, teaching and learning activities shall therefore only occur in-person,

WHEREAS, the virtual learning model implemented by the District during 2019-20 and 2020-21 has provided virtual learning opportunities to all District students at scale. The

next phase in the District's virtual learning evolution is the implementation of a full-time Virtual School program that provides students who flourish in virtual learning environments with greater opportunities for full-time virtual learning,

WHEREAS, as a K-12 virtual public virtual school, students accepted and registered into The Detroit Virtual School (DVS) Program shall take a standard course load each academic year, participate in state testing, and follow a 181-day traditional school calendar with a fixed semester schedule from September to June aligned with the negotiated academic calendar,

WHEREAS, DVS will employ DFT bargaining unit members to provide instructional and support services to District students through scheduled courses via a computer-based internet-connected learning environment. Virtual learning opportunities shall be offered to District students during traditional school hours through scheduled class periods that mirror a traditional student schedule. Virtual learning opportunities shall include but will not be limited to, virtual learning and computer-based learning, where the delivery of instruction may incorporate a combination of educational software, technology, and virtual learning,

WHEREAS, as a school of record, DVS will issue official report cards and manage transcripts, and professional school counselors will provide academic advising and college and career planning like a traditional school.

THEREFORE, the Detroit Federation of Teachers ("DFT") and the Detroit Public Schools Community District ("District") (collectively "the parties") agree as follows for the 2021-22 Detroit Virtual School (DVS) Program:

1. The work year for DVS Program teachers shall mirror the negotiated, ratified, and approved academic calendar.
2. DVS Program teachers shall report in-person five (5) school days per week, at assigned District designated work locations as assigned by the Office of Human Resources. Teachers with demonstrated medical conditions or who reside with a medically-at-risk household member may also apply to work in the District's DVS Program pursuant to the provisions below.
3. The District shall ensure that all DVS Program worksites are regularly sanitized and shall follow protocols for sanitization supplies and functioning facilities. DVS Program teachers shall adhere to the District's safety commitments.
4. DVS Program class sizes, planning and preparation periods shall adhere to Article 18 of the DFT collective bargaining agreement. The District will make a good faith effort to achieve reasonable equity in class sizes among DVS Program teachers in alignment with Article 18 of the DFT-CBA. The Parties understand that some variation between teacher class sizes may be unavoidable.

5. DVS Program teachers shall participate virtually from their designated DVS work locations in Wednesday staff meetings, parent-teacher conferences, and open house activities (virtual meet-and-greets). Medical requests to be excluded from in-person DVS staff meetings/events may be requested through the Americans with Disabilities Act (ADA) accommodation request process through the District's Office of Employee Health Services.
6. The curricula used for the DVS Program shall be provided by the District. DVS teachers shall primarily utilize Schoology, Microsoft Teams, PowerSchool and other District adopted technology-based platforms for instructional delivery, conferencing and monitoring of student progress. The District will provide professional development and support for curriculum, technology platforms and instructional delivery/support strategies used to facilitate student learning in the DVS Program.
7. The number of DVS Program positions will be determined by the District based on DVS Program student and family demand for virtual learning. DVS Program positions shall be made available through the District's established transfer and external candidate hiring processes. Consideration for DVS Program positions shall be primarily based on teacher qualifications for available teacher positions (i.e., appropriate certification/ credentialing). The deadline to apply for a position in the DVS Program is July 15, 2021. An application for the DVS Program shall not cause, prompt, or result in a loss of his/her current position; however, a DFT bargaining unit member who is accepted into the DVS Program will not have a right to return to his/her previous position thereafter, but shall receive preference to return to their previous school in the regular transfer process.
8. The District will provide preference to those teachers who medically demonstrate through a certified physician an underlying health condition that makes them significantly vulnerable to COVID-19 exposure. Unit members who are medically fragile or who live with someone in their household who is medically fragile and or at risk of more serious COVID-19 infection (per Centers for Disease guidelines) may submit an application and proof of their eligibility for consideration for a virtual teaching position through the District's Virtual School Program. The Office of Employee Health Services (EHS) shall review all medical documentation submitted by unit members to determine eligibility for virtual teaching positions. Unit members determined eligible by EHS who meet eligibility criteria for a virtual school teaching position may be selected, based on availability, to open Virtual School teaching positions at designated District locations. Ultimately, selection into the District's newly established DVS Program is subject to the scheduling needs of the DVS Program. Bargaining unit members who apply and are ultimately selected for a position within the District's DVS Program shall physically report, five (5) workdays per week to assigned DVS school buildings across the District.
9. Bargaining unit members who apply to and are selected into the District's DVS

Program shall receive preference during the following school year's open transfer period should they wish to relocate back to their former school if a position for which they are qualified is vacant. Bargaining unit members who wish to return to their former schools in a subsequent school year but are unable to be selected shall be guaranteed the same or a substantially similar position at another District school that has a vacant position for which the bargaining unit member is qualified to occupy. Bargaining unit members serving under the District's DVS Program must adhere to the District's annual transfer request process to return to their former school.

10. Should the District receive more applications than available positions in the District's Virtual School Program where multiple unit members from the same job classification(s) or who teach/instruct in the same content area(s) apply for the same positions, consideration shall be given to bargaining unit members with the most seniority, provided that the unit member is qualified and accepts the available position. Bargaining member seniority shall be determined based on unit members' seniority with the District (referred to in PeopleSoft as "company seniority").
11. The District's COVID-19 mitigation strategy shall adhere to current Centers for Disease Control (CDC) guidance, recommendations and the District's safety commitments, including:
 - a. Universal and correct use of masks required;
 - b. Modify or adjust seats, furniture, and workstations to maintain social distancing of six (6) feet between people;
 - c. Handwashing and respiratory etiquette;
 - d. Cleaning and maintaining healthy facilities;
 - e. Contact tracing in combination with isolation and quarantine;
 - f. Mandatory daily symptom screening & temperature checks; and
 - g. DFT bargaining unit members shall be provided PPE (protective gowns, face masks, face shields, shoe covers, and gloves) pursuant to CDC and OSHA guidelines and upon request, as circumstances require.
12. Beyond required "return to work" COVID-19 testing, the District will provide COVID-19 testing to employees and students on an ongoing basis. COVID-19 testing will require informed consent from all monitoring program participants. This testing shall be free of cost to all students and staff. The District will continue to promote and encourage student testing through educational activities and increased publicity.
13. Any DFT bargaining unit member who performs or reports to work in-person and contracts Covid-19 during school year due to their execution of in-person services may be entitled to paid sick-leave, without any loss of his or her sick bank time, until he or she is medically cleared to return to work either in-person or remotely. Medical clearance shall consist of a return-to-work letter from unit members'

treating physician.

14. If a DFT bargaining unit member is sent home from in-person service by the District to quarantine due to potential or actual COVID-19 exposure and is asymptomatic, the member shall be required to continue to deliver virtual instruction at levels necessary to ensure continuity of student virtual learning.
15. Despite the District's compliance with ventilation system recommendations and to provide added peace of mind that employees need for a full return to in person work, any unit member may request a fan or air purifier for their classroom or office by emailing: info.reopen@detroit12.org. Such request shall be promptly fulfilled by the District.
16. Changes to the health and safety requirements will be collectively bargained by the parties.
17. The parties will continue to meet, as needed and in consultation with the CSR, to bargain collectively to resolve issues arising from Covid-19 related safety in schools. The parties may enter into a separate letter of agreement to confirm such resolution, with the mutual intent to improve COVID-19 related safety in schools. In addition, if an increase in Covid-19 cases prompts the closure of the Detroit Public Schools Community District in whole or in part, the parties will meet as soon as possible to bargain collectively over the effects of such closure and how to continue instruction and other student services remotely.
18. The District and the DFT will also collectively bargain in good faith, upon request of either party, on any other issues related to COVID-19 which arise during the school year, but which have not been specifically addressed in this LOA or the collective bargaining agreement.
19. Except as otherwise specified in this Letter of Agreement, the compensation, benefits, and other terms and conditions of employment set forth in the parties' collective bargaining agreement (and any generally applicable letters of agreement) shall fully apply to the DFT unit members in the DVS Program.
20. This LOA shall expire on June 30, 2022. Upon request, and at mutually agreeable dates and times, the parties shall engage in collective bargaining for future Letters of Agreement regarding DFT unit members' terms and conditions of employment as to the DVS Program in subsequent school years. The District reserves the right to discontinue the program in subsequent years for lack of legislative funding or authorization.
21. The validity, interpretation, and performance of this letter of agreement shall be governed in all respects by applicable Federal and state laws, regulations, and court rulings.

22. Nothing in this Letter of Agreement shall operate or be construed to waive, amend, abrogate, or release from any provisions of the collective bargaining agreement between the parties. Disputes concerning the interpretation, application, or enforcement of the provisions of this Letter of Agreement shall be subject to and resolved through final and binding expedited arbitration under the rules and procedures of the American Arbitration Association.

23. **THEREFORE**, by the representatives' signatures below, the parties agree to the terms of the LOA as outlined above.
