Calendar

- 9.1 In a traditional/modified traditional calendar work year, the teacher work year will be 184 teacher work days with 180 student instructional days. One full teacher work day will be dedicated to district professional development.
- 9.2 The year-round calendar shall include 175 work days with 171 student instructional days. The configuration of the time will be arranged in such a fashion as to maximize the educational advantage to students. Instructional time will be available to local schools to use for concentrated efforts in basic skill training, including but not limited to mathematics instruction, training, language instruction, testing skills, and reading instruction. The District shall provide assistance in curriculum materials to minimize the preparation responsibility for the classroom teacher. Before a decision is made concerning the appropriate instructional program, a collaborative effort will be made with local staffs. One full teacher work day will be dedicated to district professional development. If a professional development day cannot be scheduled immediately before or after a track change day, then affected off-track teachers will be offered an alternative staff development day which is immediately before or after a track change day.
- 9.3 Teachers shall not be required to perform services for the Board, including but not limited to attendance at Board workshops, tours, or civic meetings, for more than three school days for year round and four days for traditional/modified traditional adjacent to the school year.

ARTICLE 10

Working Conditions

10.1 Physical Environment

The physical environment within which instruction occurs should contribute rather than interfere with the educational process. Within the financial limitations of the district and the facility limitations at each school, principals and staff will work together to provide the best possible environment for teaching and learning. The District's goal is to gain recognition from the Association that it often has limited options in resolving facility problems and has and will make good faith efforts to resolve facility issues. The mechanism for dealing with facility issues will be an EGEA advisory committee which will advise the District of problems and work with the District for resolution.

10.2 Safety

- 10.201 School facilities shall be available for safe use at least one week prior to the first day of required student attendance.
- 10.202 Certificated personnel shall not be required to work under unsafe conditions or to perform tasks which endanger their health, safety, or well being.

10.3 Preparation Time

- 10.301 Each 7-12 regular classroom teacher unit member shall have one preparation period daily. Where this contract provides for preparation time within the instructional day, (Article 8, Section 8.201 e.) rules and regulations will provide for the use of such time.
- 10.302 Teacher preparation periods will not be available for administrative assignment.
- 10.303 When modifications in school schedules make classrooms unavailable to teachers, suitable space for preparation and work will be provided.
- 10.304 Pre-Service Work Day Meetings: Site level administrators will make every attempt to limit large group faculty meetings to four hours during the second pre-service work day. If special circumstances warrant additional meeting time that day, the principal will consult with the staff in an attempt to leave adequate time for individual teacher preparation, grade level and/or department meetings, classroom preparation and other concerns.

10.4 Facilities

- 10.401 The Board shall provide certificated personnel with:
- a. A convenient place in which personal belongings can be secured.
 - b. Adequate chalkboard/whiteboard space or overhead projection facilities for instruction.
 - c. Access to basic reference materials.
 - d. Adequate storage space in each classroom for current instructional materials.
 - e. Adequate attendance books, paper, pencils, pens, chalk, erasers, and other such materials required in daily teaching responsibility.
- 10.402 It shall be the purpose of the Board to make available in each school adequate lunchroom, restroom, and lavatory facilities exclusively for personnel use. Provision for such facilities will be made in all future buildings.
- 10.403 Telephone facilities shall be made available to certificated personnel for school purposes.
- 10.404 Adequate off-street parking facilities shall be provided and properly maintained and identified as being for use of school personnel.
- 10.405 The custodial schedule will be designed so that rooms are kept clean. This recognizes that some instructional programs require more custodial time and/or personnel than other instructional programs. Rooms will be cleaned according to need rather than according to the clock.

10.5 Clerical and Bookkeeping Activities

The Board agrees to seek ways which will result in reduction of clerical and bookkeeping activities by certificated personnel.

10.6 School Budget Development

Within the per pupil allowance and existing staff ratios, the District agrees that faculty input must be included in school budgetary development in order to assure that supplies and equipment are provided to prepare instructional materials needed by the staff.

10.7 Severely Handicapped Students

Every effort will be made to balance the number of severely handicapped students who are assigned to general education classrooms for their primary placement among elementary classrooms.

ARTICLE 11

Transfer and Reassignment

11.1 Definitions

- 11.101 Transfer shall mean a change in the unit member's work location from one school or work site to another school or work site within the District. Such transfer does not include assignment or reassignment of specific positions and responsibilities within the school or department. Unit members assigned to more than one work site shall be considered transferred only when moved from one District-wide program to another. A transfer may be initiated by a unit member (voluntary) or by the District (involuntary).
- 11.102 Reassignment shall mean a change in the unit member's grade level (K-6) or department assignments (7-12).
- 11.103 See Article 22.1903 for Categorical Pre-Kindergarten Teacher transfer provisions.

11.2 Transfer—General Provisions

- 11.201 Open Application Period. A unit member may apply, according to the procedure in 11.3, for any vacancy or new position occurring prior to the first student attendance day of the school year.
- 11.202 Advertisement of Vacancies. When a vacancy occurs, an announcement of the vacancy shall be made first to unit members who have a transfer request on file. The announcement will be posted in each school no fewer than ten (10) days prior to the filing deadline. The announcement will include all relevant information regarding the vacancy:
- a. Location of the vacancy.
 - b. Description of the vacancy (grade level, subject matter, co-curricular assignments).
 - c. Credential and experience requirements.
 - d. Starting date.
 - e. Application deadline.
 - f. Interim or permanent nature of vacancy.

- 11.203 A comprehensive listing of anticipated vacancies for the following school year shall be sent to each unit member no later than the first Friday in March.
- 11.204 Within ten (10) working days of the filling of certificated vacancies, the district shall notify applicants of the outcome of the process.
- 11.205 Upon written request, the district shall provide a unit member the reasons for not being selected for a position for which he/she specifically applied.

11.3 Voluntary Transfers

- 11.301 A unit member may request a transfer for the following school year by filing, no later than the third Friday in February for the first round and the third Friday in April for the second round.
- 11.302 Transfer to specific site. The applicant must complete a "Request for Transfer" form in triplicate for each specific school site he/she is interested in. One copy is retained by the files; two are sent to the Human Resources Department. One will be sent to the Principal(s) of the school(s) in which a vacancy occurs, by the Human Resources Department.

Transfer to unidentified site. Applicants willing to consider placement in any open position that becomes available should complete an "Open Transfer Request" form.
- 11.304 Positions which become available through attrition and the initial transfer cycle (between third Friday in February and second Friday in April) exclusive of unassigned growth positions will be posted for transfer between the second Friday in June and the last Friday in June.
- 11.305 When a vacancy occurs during the school year, such a vacancy shall be filled on an interim basis for the remainder of the school year. If the position becomes permanent for the following year, a vacancy announcement shall be advertised as provided in 11.201 above.
- 11.306 The district shall designate 25% of the budget authorized unassigned growth positions as Temporary for the year within which they occur. If these positions become permanent, they shall be posted for transfer the following year, and be advertised as provided in 11.201 above.
- 11.307 Transfer requests will be considered in terms of two criteria:
 - a. Qualifications of the applicant for the vacancy in terms of credential(s), experience, competence, interest, commitment, bilingual certification, past evaluations and recommendations.
 - b. When all other relevant criteria are equal, district-wide seniority.
- 11.308 When a transfer or reassignment request does not result in a transfer, the employee shall, upon written request, be provided the reasons in writing.

11.309 No employee shall be overtly or covertly pressured to seek a transfer.

11.4 Involuntary Transfers Due to Staff Reduction

11.401 When a school site must reduce its staff and no unit member volunteers to transfer, the district has the right to transfer from the unit members, the unit member with the least district-wide seniority.

11.402 Unit members being considered for involuntary transfer under this section shall be provided a list of existing vacancies and have the right to indicate in writing his/her preference(s). Unit members shall have the right to a placement conference for at least two (2) positions, should two or more vacancies occur simultaneously.

11.403 When employees are transferred under this section, they shall upon written request be given the reasons for such transfers in writing.

11.404 Involuntary transfers shall not be punitive or disciplinary in purpose.

11.405 Involuntary transfers due to staff reduction must be completed prior to the voluntary transfer process.

11.5 Involuntary Transfers Due to Administrative Necessity

11.501 Transfers for administrative necessity shall be recommended to the Assistant Superintendent for Human Resources by the site principals. The reasons for such transfer shall be delineated in writing by the site principal and delivered to the Assistant Superintendent for Human Resources who shall provide a copy to the affected teacher.

11.502 Employees being considered for involuntary transfer under this section shall be provided a list of existing vacancies and have the right to indicate, in writing, a preference.

The preference shall be given consideration in terms of the following criteria:

- a. Qualifications of the unit member for the vacancy in terms of credential(s), experience, competence, interest, commitment, bilingual certification, past evaluations and recommendations.
- b. When all other relevant criteria are equal, district-wide seniority.

11.503 When employees are transferred under this section, the District will consult with the Association prior to making the final decision on the transfer and/or possible remediation. The consultation will be designed to allow for meaningful input to the District concerning the actual necessity for the transfer. Affected employees shall be given the reasons for such transfers in writing.

11.6 Transfers—Staffing a New School

- 11.601 In determining which currently employed staff will be transferred to staff a new school, the primary consideration will be to establish and/or maintain:
- a. Total staffs in each school whose teaching competencies, experience, credentials, and extra-curricular expertise fit the needs of the student population.
- 11.602 Within the limits prescribed above, teacher preferences for assignment and school location will be taken into account. When all other criteria are equal, teacher preference and seniority within the district shall be the determining factor.
- 11.603 In each such situation, the process will begin with distribution to each school of a listing of all probable positions and request for transfer forms for employees' use.

11.7 Reassignment

- 11.701 To the extent possible, the principal will notify staff of pending grade level assignments during the open application period. At that time, any unit member shall have the right to request a reassignment in writing to the site administrator.
- 11.702 Such requests for reassignment shall be considered in terms of the following criteria:
- a. Qualifications of the unit member for the vacancy in terms of credential(s), experience, competence, interest, commitment, affirmative action hiring goals, bilingual certification, past evaluations and recommendations.
 - b. When all other relevant criteria are equal, district-wide seniority.
- 11.703 When a reassignment request does not result in a reassignment, the employee shall upon written request be provided the reasons in writing.
- 11.704 Upon written request, unit members shall be given a written explanation of the reasons for reassignment that was not requested by the unit member.
- 11.705 Unrequested reassignment during the school year shall be preceded by one (1) working day for preparation and lesson planning.
- 11.706 Reassignment shall not be punitive or disciplinary in nature.

11.8 Year Round

- 11.801 If an involuntary track change must be made, the principal should attempt to resolve which teacher must be transferred collaboratively with the teachers affected (if the teachers are available). If all factors related to the decision are

equal and the collaborative efforts have failed, then the teacher with the least seniority shall be changed. The decision shall be made in a timely manner.

11.9 Transfer for Unit Members Downsized

- 11.901 Prior to posting the transfers, the process of downsizing will be explained to a school or department where there may be downsizing. Before the first transfer round is completed, another meeting will be held with a school or a department to finalize required downsizing and seek volunteers for open positions. An EGEA Representative and an Human Resources administrator will cooperatively conduct these meetings. If there are more volunteers than needed, 11.307 will be followed.
- 11.902 If no volunteers are forthcoming, then the least senior person may choose to transfer prior to the completion of the first round or wait until the conclusion of the second transfer round before making his or her choices. Given the process, the choices offered then may not be the same, but a unit member will be offered no fewer than two placement options.
- 11.903 Those positions which are impacted will be held. If the downsized positions are elementary, then the appropriate number of elementary assignments will be held. If the downsized positions are secondary, then the appropriate number of positions will be held by department, but there will be no overall hold in hiring.

ARTICLE 12

Personnel Records

12.1 Content

- 12.101 Personnel records shall be kept on all current employees and shall include the following:
- a. Certification status
 - b. Evaluations
 - c. Changes of status
 - d. Other related materials
 - e. A separate folder containing each employee's salary information shall be retained in the payroll department

A designated employee organization representative may, at the certificated employee's request, accompany him/her in this review.
- 12.103 A certificated employee shall be provided a copy of all material before it is placed in his/her personnel file. He/she shall also be given an opportunity to initial and date the material and to prepare a written response to such materials within ten (10) working days of receipt of the materials. The person or persons who draft and/or place material in a certificated employee's personnel file shall sign the material and signify the date on which such material was drafted and placed in the file. The written response shall be attached to the material.
- 12.104 Any negative comment regarding certificated employee performance shall be placed in the certificated employee's file on or before the evaluation following the incident giving rise to the comment.

12.2 Access

- 12.201 Access to personnel files shall be limited to the members of the Management Team on a need to know basis. The contents of all personnel files shall be kept in the strictest confidence.

- 12.202 All personnel files will be considered confidential and will not be available to persons other than the employee and those authorized by the Superintendent as specified in the rules and regulations.

Such log shall be available for examination by the certificated employee organization representative, if so authorized by the certificated employee.

12.3 Retired Employees

A file shall be kept for all resigned or retired employees, including such essential information as shall seem appropriate to the administration.

ARTICLE 13

Certificated Personnel Evaluation

13.1 Purpose

- 13.101 The purpose of evaluation is the improvement of the instructional program and services and thereby the improvement of the quality of education for children, youth, and adults, as well as compliance with the Education Code.
- 13.102 Evaluation shall be a comprehensive one based upon a district-wide statement of philosophy and goals and standards of expected progress. The program will be uniform throughout the district.
- 13.103 Evaluation and assessment shall apply to all unit members.
- 13.104 Evaluation and assessment of professional personnel under this program shall be a continuous, year-round process. A copy of the district calendar and schedule for the evaluation of teachers shall be posted on the faculty bulletin board of each school within three (3) weeks of the first day of student attendance of each year. This calendar shall not be changed during the school year of its posting.

13.2 Criteria

Evaluation and assessment of the competence of certificated personnel under this program shall include but shall not be limited to consideration of (a) the progress of pupils toward established standards of expected achievement, (b) the instructional techniques and strategies used by the employee, (c) the employee's adherence to curricular objectives, and (d) evidence regarding proper control and the preservation of suitable learning environment. Appropriate forms shall be developed for the collection of data pertaining to the factors herein specified.

- 13.201 The District and EGEA agree to incorporate the California Standards for the Teaching Profession into the Evaluation forms beginning July 1, 2002.

13.3 Procedure

- 13.301 Procedures for the evaluation and assessment of certificated personnel may involve more than one evaluator. However, one person shall be designated as the evaluator with responsibility for making the summary assessment report in writing and submitting a copy to the certificated person assessed.

The evaluator making the actual report shall arrange a conference before the end of the school year with the person evaluated to discuss the evaluation. He/she shall then file in the records of the evaluatee a statement regarding the conference with a copy of the written assessment and any written response the evaluatee may wish to submit. The certificated employee may submit a written response within fifteen (15) working days of receipt of the evaluation.

- 13.302 Each person evaluated shall have the opportunity to participate in the setting of the specific objectives and achievement appraisal in light of which he/she will be assessed.
- 13.303 An evaluator shall meet with the evaluatee, at the evaluatee's request, concerning the desired outcome of the specific educational setting to be evaluated.
- 13.304 Written evaluations and the summary assessment report of such certificated employee shall include descriptions of unsatisfactory performance, if any, with specific recommendations for means of improvement. The evaluator shall thereafter confer with the employee and endeavor to assist the employee in areas of unsatisfactory performance. A record of such conferences shall be prepared by the evaluator for the file of the evaluatee and a copy submitted to the employee. An employee may elect to include a unit member at a second and succeeding evaluation conference if the first evaluation conference is unsatisfactory to the evaluatee.
- 13.305 Attention is called to specific provisions of the statute not repeated herein: written evaluations and assessments shall be transmitted to the employee not later than thirty (30) days before the last school day on the school calendar in which it takes place; a written assessment of probationary personnel shall be made at least once each school year and at least once every other year for personnel with permanent status, and at least every five (5) years for personnel with permanent status who have been employed at least ten (10) years with the school district, are highly qualified, as defined in 20 U.S.C. Sec. 7801, and whose previous evaluations rated the employee as meeting or exceeding standards, if the evaluator and certificated employee being evaluated agree. The certificated employee or the evaluator may withdraw consent at any time.
- 13.306 The forms and procedures for evaluation shall be developed in accord with the above. A common evaluation form will be developed which will recognize the diverse responsibilities of the various classes of certificated personnel. These forms shall be developed by the district in consultation with the Association.

13.4 Scope

- 13.401 The evaluator and the evaluatee will each select one standard from the California Standards for the Teaching Profession (CSTP) for focus in the evaluation.
- 13.402 These predetermined areas of focus will contain the most in-depth analysis.
- 13.403 The evaluation will be limited to evaluative judgments (e.g. “meet or does not meet standard”) for only those two selected CSTP’s, and the overall summative evaluation will be based upon only those two selected standards.
- 13.404 If the evaluator determines there is an additional issue that in his or her sole judgment requires an additional CSTP to be evaluated, the evaluator upon notice to the evaluatee may add one additional CSTP. Such notice shall either be in writing or via email to the evaluatee’s district email address delivered prior to the close of business on the last school day before Winter Break for that site or program, regardless of the track or work calendar of the evaluatee. In this case,

each of the three CSTP's may then contain evaluative comments, and the summary evaluation shall then be based upon the three selected CSTP's.

- 13.405 At the end of a 5-year evaluation cycle, evaluative judgments (meets and exceeds or does not meet) may be made, in up to six CSTP's, in addition to the summative evaluation with an emphasis on the two standards.
- 13.406 Early termination of the 5 year cycle because of an administrator concern will activate the rules governing the two year cycle.
- 13.407 The evaluator is not in any way limited or restricted from making comments, offering evidence or stating the impact resulting from the evaluatee's need for improvement, calling attention to deficiencies in practices or performance, or from making any other comments in the CSTP's not selected for evaluation. However, the evaluator is precluded from making evaluative judgments (e.g. "met or did not meet standard") regarding those CSTP's.
- 13.408 Work plans shall be derived from the CSTP's being evaluated. However, a work plan for one or more CSTP's does not limit or prevent the evaluator from selecting different CSTP's in a subsequent year's evaluation. Work plans may have requirements regarding remediation activities in the year or years following an evaluation and the activities specified are independent of the standards selected from the subsequent evaluation.
- 13.409 The current evaluation form shall be modified by the addition of a summative check box that states, "If concerns exist regarding standards other than those being evaluated – Evaluation in all six standards may be required next year".
- 13.410 The provisions in Section 13.4, titled "Scope", apply to permanent (tenured) teachers only.
- 13.411 Probationary temporary staff will be evaluated in all six CSTP areas.
- 13.412 Evaluation documents and job descriptions will be modified based upon adopted changes to the California Standards for the Teaching Profession.

13.5 Grievance

Grievances pertaining to this article shall be limited to the procedures herein.

ARTICLE 14

Hiring Ratio

14.1 K-6 Hiring Ratio

- 14.101 The hiring ratio of grades K-6 shall be at most 28:1.
- 14.102 The total teacher time will be allocated to school staffs by dividing the projected enrollment by 28. The resulting personnel allocation will be deployed by each school principal in consultation with the school staff in order best to meet the specific instructional needs of that school's students while providing as nearly equivalent total work loads as possible for the staff.
- 14.103 Class Size Reduction in Grades K-3. The District and EGEA acknowledge the desirability of lower class sizes and want to participate in the State incentive program at grades Kindergarten through third grade (as allowed by State Law).
- 14.104 All elementary schools will have 4-6 CSR of 26:1 plus one Computer Resource Teacher per school site, to be implemented by July 1, 2006.

14.2 Hiring Ratio

- 14.201 The hiring ratio of grades 7-12 shall be at most 32:1.
- 14.202 In addition to the regular hiring ratio at the middle schools, there shall be one FTE for the Results program; and in addition to the regular hiring ratio at the comprehensive high schools, there shall be two FTE for the Results program.
- 14.203 The Results program shall be restricted to the following core academic areas—Mathematics, English, Social Science, and Science. These funds can be used to enhance the numbers of sections offered for specialized low enrollment classes designed to improve the substandard performance of students who most need assistance and/or improve opportunities for students to take accelerated courses.

14.3 Safety and Learning Variables

- 14.301 Safety and learning variables associated with classroom organization shall be considered in the assignment pattern for class size.

ARTICLE 15

Teacher Safety

- 15.1 Employees shall not be required to work under unsafe or hazardous conditions or to perform tasks which endanger their health, safety, or well being. Employees shall not be required to intercede in altercations at school related public events under circumstances that would be likely to cause serious risk of bodily harm.
- 15.2 An employee may use reasonable force as is necessary to protect himself/herself from attack, to protect another person or property, to quell a disturbance threatening physical injury to others, or to obtain possession of weapons or other dangerous objects upon the person or within control of a pupil.
- 15.3 Employees shall immediately report cases of assault suffered by them in connection with their employment to their principal or other immediate superior and to local law enforcement agencies. Such notification shall be immediately forwarded to the Superintendent who shall report it to law enforcement and who shall comply with any reasonable request from the employee for information in the possession of the Superintendent relating to the incident or the persons involved, and shall act in appropriate ways as liaison between the employee, the police, and the courts.
- 15.4 If criminal or civil proceedings are brought against an employee alleging that he/she committed an assault in connection with his/her employment, such employee may request the district to furnish legal counsel to defend him/her in any civil action or proceeding brought against him/her, within the limits set by law.

ARTICLE 16

Complaints

16.1 Purpose

- 16.101 Expressing its faith in the competence of the district's personnel, it is the policy of the Elk Grove Unified School District to maintain the highest quality of education and to encourage free and open communication from individuals or groups within the community regarding compliments, suggestions, and complaints about any part of the school program or any employee of the school district.
- 16.102 Members of the community will be encouraged to register such communication with the appropriate office. However, this is not to be construed as inhibiting anyone's right to contact board members directly. The board member shall direct the individual to the appropriate office.
- 16.103 The Superintendent shall develop administrative procedures in support of these policies and take appropriate action to communicate board policy and procedures to the entire community.

16.2 Complaints About Materials

- 16.201 Citizens of the school community may register their criticism with the school authorities. All criticism must be presented in writing on the district form.
- 16.202 Questioned material shall not be removed from student use until the committee has reached a decision unless the principal believes the materials are inappropriate for usage pending committee determination.
- 16.203 A district committee will evaluate the materials being questioned and make recommendations concerning it. Membership in the district committee to handle challenged or questioned materials will consist of the administrator involved, the librarian involved, a parent representative, the department head, or another classroom teacher and the district multi-media person.
- 16.204 Review of questioned materials should be treated objectively, unemotionally, and as an important routine action. Every effort should be made to meet with those persons or groups questioning school materials to consider their objections, keeping in mind the best interests of the students, the community, the school and the curriculum, and to bring about a meeting of minds of the question under consideration.
- 16.205 The report of the committee should be completed as rapidly as possible. The committee's recommendation shall be sent in writing to the complainant.

- 16.206 The school authorities may call in representative citizens of the community or the school for consultation.
- 16.207 In the event that satisfaction is not reached, the complainant has the right to go before the Board of Education.

16.3 Complaints About Personnel

- 16.301 The normal channel for complaints concerning school personnel shall be from complainant to employee to principal to Superintendent to Governing Board. Every effort will be made to satisfy the complainant at the earliest possible stage. Complaints not resolved at the point of origin must be submitted in writing before further processing.
- 16.302 The district administration shall cooperate with the complainant and aid in the preparation of any formal complaint, so as to quickly and easily meet the informational requirements of these rules. Copies of these rules regarding the submission and handling of all such complaints shall be made freely available.
- 16.303 Whenever a complaint is made directly to the Governing Board as a whole or to the Governing Board member as an individual, it shall be referred to the Superintendent who will request a written statement of the complaint from the complainant as a basis for study and possible solutions. The individual employee involved shall receive a copy of the complaint and shall be given every opportunity for explanation, comment, and presentation of the facts as he/she sees them.
- 16.304 If it appears necessary, the Superintendent, the person who made the complaint, or the employee involved may request an executive session of the Governing Board for the purposes of fuller study and a decision by this body. The employee may request that the matter be heard in public. All parties involved, including the school administration, shall be asked to attend such a meeting for the purposes of presenting facts, making explanations, and/or clarifying the issues. (Gov. Code 54957)
- 16.305 No hearing (subject to the exception in 16.305), whether in executive session or in public, shall be held by the Governing Board on such a complaint without the Governing Board and the employee(s) first having received from the Superintendent his written report concerning such complaint, such report to include but not be limited to the following:
- a. The name of each employee involved.
 - b. A brief but specific summary of the nature of the complaint and the facts surrounding same, sufficient to inform the Governing Board and the employee as to the precise nature of the complaint, and to allow the employee to prepare a defense.
 - c. A true copy or the signed original of the complaint, itself.

- d. A summary of the action taken by the Superintendent in connection with the complaint, which summary shall include his specific finding that effective disposition at the Superintendent's level is infeasible, and the reasons thereof.

16.306 Notwithstanding the provisions of Section 16.304 above, any written complaint forwarded to the Governing Board, whether by the district administration or otherwise, which meets the informational requirements of the above sections, and which further contains within it specific allegations of (a) prior submission of the complaint in the same or similar form to the Superintendent, and (b) the failure or refusal of the Superintendent to effectively dispose of the complaint, shall, subject to Governing Board agenda requirements, be heard by the Governing Board at its next regularly scheduled session or any session scheduled for the purpose of such hearing.

ARTICLE 17

Resignation/Retirement

17.1 Resignation

- 17.101 A unit member should submit his/her resignation in writing. Such statement is to be directed to the Board of Education in care of the Superintendent of Schools. The employee shall specify the effective date of his/her resignation and this date shall be approved unless the Governing Board desires to accept the resignation sooner.
- 17.102 The resignation does not become effective until it has been formally approved by the Governing Board, and may be withdrawn by the employee at any time prior to Governing Board action.

17.2 Early Retirement

- 17.201 Unit members may participate in an early retirement program. Unit members will receive retirement credit on a full-time basis if the unit member and the employer both elect to contribute to the State Teachers' Retirement Fund the amount that would have been contributed if the member was employed on a full-time basis.

18.1002 The accident or illness must have arisen out of and in the course of the employment of the employee and must be accepted as a bona fide injury or illness arising out of and in the course of employment by the State Compensation Insurance Fund.

18.1003 Allowable leave for each industrial accident or illness shall be for the number of days of temporary disability but may not exceed sixty (60) working days in any one (1) year.

18.1005 The leave under these rules and regulations shall commence on the first day of the absence.

18.11 Maternity Leave

- 18.1101 A unit member may use sick leave for a temporary disability resulting from pregnancy, miscarriage or recovery. It is required that a disability statement from a licensed physician be submitted to the Human Resources Department which verifies the duration of the disability. Upon such verification, the unit member shall be entitled to use his/her sick leave for the above.
- 18.1102 A unit member shall receive an unpaid leave for pregnancy, miscarriage or recovery, provided such leave shall not exceed one (1) calendar year.
- 18.1103 Request for the above leaves shall be submitted to the Human Resources Department at least four (4) weeks prior to the anticipated date on which the leave is to commence.

18.12 Parental Leave

A unit member shall be granted, upon request, up to four (4) days of paid leave to be taken at the birth or adoption of his/her child. These days may be taken at the time of delivery of the

In addition, a unit member may choose to use their accrued and unused sick leave after the unit member's parental leave is over, but before their Family Medical Leave Act leave runs out. This additional sick leave usage shall be deducted from the unit member's sick leave balance.

18.13 Child Rearing Leave

A unit member who is a natural or adopting parent may be granted an unpaid leave for child rearing which shall not exceed one (1) calendar year. Requests for such leave shall be made to the Human Resources Department at least eight (8) weeks prior to the anticipated date on which the leave is to commence.

18.14 Family And Medical Leave

18.1401 LENGTH OF LEAVE ENTITLEMENT: An eligible employee is entitled to a total of 12 workweeks of leave during any 12-month period. Entitlement to leave for the birth or placement of a child for adoption or foster care expires 12 months after the birth or placement.

The 12-month period is measured backward from the date of leave use. All leave usage which qualified under the terms of the FMLA leave shall be counted towards the available 12 workweeks within a 12-month period, including intermittent and reduced workload leaves.

Reduced workload leave entitlement is calculated on cumulative hours of leave taken, up to the number of hours equivalent to 12 times the number of hours normally worked weekly.

18.1402 LENGTH OF EMPLOYMENT ELIGIBILITY: Any employee who has been employed for at least 12 months AND who has been in a paid status for at least 1,250 hours during the 12-month period immediately preceding the commencement of the leave is eligible for Family Medical Leave.

18.1403 ELIGIBLE PURPOSES: Leaves for any of the following purposes qualify for Family Medical Leave.

1. The birth of a child of an employee, and to care for a newborn;
2. The placement of a child with an employee in connection with adoption or foster care of a child by an employee;
3. Leave to care for a child, parent, or spouse who has a serious health condition; or
4. Leave because of serious health condition that makes the employee unable to perform the essential functions of his/her position.

Both father and mother may take leave for the birth, or placement for adoption or foster care, of a child. In addition, an expectant mother may be entitled to leave prior to the birth of a child for prenatal care purposes if her condition makes her unable to work. Circumstances may also require leave prior to the actual placement of a child for adoption or foster care. For example, to attend counseling session, appear in court or consult with his/her attorney in connection with the placement of a child.

If both the husband and wife are employed by the District, the aggregate number of workweeks of leave to which both are entitled is limited to 12 workweeks during any one fiscal year for the birth or placement for adoption or foster care of the employees' child, or to care for a parent with a serious health condition. This limitation does not apply to leave taken by either spouse to care for the other who is seriously ill and unable to work, to care for a child with a serious health condition, or for his or her own serious illness.

Leave to care for a family member includes both physical and psychological care, including providing comfort and reassurance which would be beneficial to a seriously ill child or parent receiving inpatient care; or making arrangements for third-party care of a family member.

A "serious health condition" includes an illness, injury, impairment, or physical or mental condition that involves:

1. Any period of incapacity or treatment in connection with or in consequent to a hospital, hospice or residential medical care facility.
2. Any period of incapacity requiring absence from work, school or regular daily activities of more than three calendar days, that also involved continuing treatment by (or under the supervision of) a health care provider; or
3. Continuing treatment by a health care provider for a chronic or long-term health condition that is incurable or so serious that, if not treated, would likely result in a period of incapacity of more than three calendar days or for prenatal care.
4. Continuing supervision by a health care provider when the parent, child, spouse or employee are severely ill but may not be receiving continuing active care or treatment (e.g., when suffering from Alzheimer's, late stages of cancer or a severe stroke).

"Continuing treatments" include:

- a. Two or more visits to a health care provider;
- b. Two or more treatment by a health care practitioner (e.g., physical therapist) on referral from, or under the direction, of a health care provider; or

- c. A single visit to a health care provider that results in a regimen of continuing treatment under the supervision of the health care provider (e.g., medication therapy).

Intermittent leave or reduced work schedule leaves may be allowed when the absence required is not due to a condition that is incapacitating at that point in time (e.g., appointments for cancer treatments, physical therapy, prenatal care). When leave is taken because of the birth or the placement of a child for adoption or foster care, intermittent leave or reduced workload schedule will not be approved if the intermittent leave or reduced workload schedule will adversely impact the office or department of the employee.

If an employee requests intermittent leave or reduced workload leave to care for a spouse, child, or parent or for the employee's own serious health condition, the employee may be required to temporarily transfer to an available alternative position for which the employee is qualified and that:

- a. has equivalent pay and benefits; and
- b. better accommodates recurring periods of leave than the regular position of the employee.

Voluntary or cosmetic treatments which are not medically necessary are not "serious health conditions," unless inpatient hospital care is required.

Absence because of an employee's substance abuse, without treatment, does not qualify for FMLA leave.

- 18.1404 PAID/UNPAID LEAVE: Leave provided by FMLA in excess of available accrued paid leave shall be unpaid. Any available paid accrued leave shall be used prior to unpaid leave (e.g., vacation, comp time or sick leave) for the employee.
- 18.1405 HEALTH AND DENTAL INSURANCE BENEFITS: Health care and dental benefits coverage shall be continued during the 12 weeks FMLA leave period under the same terms and conditions as applicable to all other employees. Upon expiration of FMLA leave entitlement, if additional unpaid leave is authorized, continuation of health care and dental benefits coverage shall be allowed with the employee paying all costs of coverage or as may be allowed in other applicable policies.
- 18.1406 FAILURE TO RETURN FROM FMLA LEAVE: If an employee indicates his/her intent not to return from leave (including at the start of the leave), or if the employee fails to return from leave, paid health and dental coverage will cease unless the employee does not return because of the continuation, recurrence, or onset of a serious health condition which would entitle the employee to FMLA leave, or other circumstances beyond the employee's control, (such as where an employee's spouse is unexpectedly transferred to a new job location, someone other than an immediate family member has a serious health condition which the employee needs to care for, or the employee is laid off while on leave. The employee's desire to stay with a family member even though the family member no longer requires the employee's care, or a mother's decision to stay home with a

newborn child and not return to work, do not qualify as "other circumstances beyond the employee's control."

Except as provided above, if an employee fails to return after expiration for eligibility for FMLA leave, the employee shall pay the full cost of coverage for health and dental benefits during the entire period of unpaid FMLA leave. Any amounts due under this section may be deducted from any sums due the employee (e.g., unpaid wages, vacation pay, etc.). Failure to reimburse the District for the cost of coverage during the period of the unpaid leave shall result in termination of coverage.

If an employee is unable to return to work because of the continuation, recurrence or onset of a serious health condition, the employee shall provide medical certification of such claim. The certification shall be issued by the health care provider of the employee or by health care provider of the employee's child, spouse or parent if the employee is unable to return to work because of the need to take care of one of these individuals. The certification shall indicate that the employee is prevented from performing the functions of the position or is needed to care for the family member on the date the leave expired. If a requested certification is not provided within 30 days, the cost of coverage provided during the period of unpaid FMLA leave shall be due and payable.

- 18.1407 EMPLOYEE STATUS WHILE ON LEAVE: FMLA leave does not constitute a break in service for purposes of longevity and/or seniority.

Seniority shall not be earned for any period of time on unpaid leave. Employees returning from leave shall return with no less seniority for purposes of layoff, recall, vacation accrual or other seniority.

- 18.1408 MEDICAL CERTIFICATION/RECERTIFICATION: Medical certification from the health care provider of the individual requiring care shall be provided initially upon request for FMLA leave. The certification shall indicate the estimated duration of the need for leave. Periodic updates or recertification may be required upon expiration of the period of leave originally estimated or every 30 days, if requested by the Human Resources Department.

The employer may, at its own expense, require the eligible employee obtain the opinion of a second health care provider designated or approved by the employer. When the second opinion differs from the first, the employer may require, at its own expense, that the employee obtain the opinion of a third health care provider designated and approved jointly by the employer and employee. The opinion of the third health care provider shall be considered final and binding on the employer and employee.

If leave is foreseeable, medical certification must be provided within fifteen days (15) after receipt of the employee's request for leave. If the employee fails to provide certification, the leave may be denied until certification is provided. If the leave is not foreseeable, the certification shall be provided within fifteen days (15), or as soon as is practicable under the circumstances. Failure to provide certification within a reasonable time under the pertinent circumstances may result in denial of continuation of the leave.

- 18.1409 **ADVANCE NOTICE REQUIRED:** If the event necessitating the leave becomes known to the employee more than 30 calendar days prior to the need for a leave, the employee shall provide notice as soon as he/she learns of the need for a leave -- at a minimum, 30 days written, advance notice.

If the event necessitating the leave becomes known to the employee less than 30 calendar days prior to the employee's need for a leave, the employee shall provide as much advance notice as possible, and, at a minimum, written notice no more than five working days from learning of the need for the leave.

If the need for a family care leave is foreseeable due to a planned medical treatment or planned supervision of a child, parent or spouse with a serious health condition, the employee shall provide reasonable advance notice of the need for the leave and consult with the supervisor regarding the scheduling of the treatment or supervision so as to minimize disruptions to the school/department. Any such scheduling shall be subject to the approval of the health care provider of the family member.

Prior to granting a leave under this policy, medical certification as identified above, may be required.

- 18.1410 **REINSTATEMENT UPON RETURN FROM LEAVE:** Upon return from FMLA leave, an employee shall be restored to the position held when the leave commenced or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment, provided the employee is able to perform the essential duties of the position.

If FMLA leave was due to the employee's own serious health condition, prior to returning to work, the employee shall provide a certification from the health care provider that the employee is able to resume the essential duties of the position.

- 18.1411 **REMEDIES FOR EMPLOYER VIOLATION OF THE ACT:** If an employee's rights under the FMLA have been violated, the employee may file a complaint with the Secretary of Labor, the Fair Employment and Housing Commission, or file a private lawsuit within two years after the last action which the employee contends was in violation of the Act, or three years if the violation was willful.

- 18.1502 Upon commencement of leave, the unit member will be transferred to an unassigned status.

"Catastrophic illness" or "Injury" means an illness or injury that is expected to incapacitate the employee for an extended period of time, or that incapacitates a member of the employee's family which incapacity requires the employee to take time off from work for an extended period of time to care for that family member, and taking extended time off work creates a financial hardship for the employee because he or she has exhausted all of his or her sick leave and other paid time off.

22.703 Participating Teacher

- a. A Participating Teacher is a unit member who receives an unsatisfactory rating and who is to receive assistance and coaching to improve instructional skills, classroom management, knowledge of instructional subject matter, and related aspects of teaching performance. There are two (2) categories of Participating Teachers—those who volunteer and those who are required to participate based upon having received a “Continuation with Improvement(s) Required.”
 - 1. The purpose of participation in the PAR program is to help correct job-related deficiencies and to assist the unit member in improving performance. Permanent unit members who have received a “Continuation with Improvement(s) Required” are candidates for participation in PAR.
 - 2. The Consulting Teacher assigned by the PAR Panel will provide assistance to the Participating Teacher until he/she concludes that further assistance will not be beneficial, at which time the Consulting Teacher will submit a final report of the teacher's participation in the program to

the PAR Panel. The Participating Teacher may submit a written response to the final report and/or request a meeting with the PAR Panel subject to the rules established by the panel. A copy of the Consulting Teacher's final report shall be provided to both the Participating Teacher and the Evaluator prior to its submission to the PAR Panel. The Evaluator will be provided the opportunity to address the PAR Panel upon request. The Evaluator's comments shall be advisory only.

3. The PAR Panel will forward a final evaluation of the teacher's participation in the program to the Governing Board, Superintendent, or designee. The evaluation and recommendation(s) of the PAR Panel and the peer review reports prepared by the Consulting Teachers shall be advisory only, for the benefit of the Participating Teacher and the District and shall in no way limit the District's discretion or authority with regard to decisions and actions regarding the employment status of any employee. The fact that the employee is participating in PAR will not limit or delay the District's authority or discretion to make any such decision or take any such action. Participation in PAR will not create any right or expectancy of continued employment by the District for any period of time.
 4. The results of the Participating Teacher's participation in PAR may be used in the evaluation of the teacher pursuant to Education Code § 44660 et seq.
 5. Compensation is not provided to Participating Teachers for participation in PAR, except that authorized in participation in activities such as workshops, seminars, beyond the regular work day. Authorized participation in PAR may be used for credits toward step advancement.
- b. A Volunteer Teacher Participant is a permanent status unit member who seeks to improve his/her teacher performance. The Volunteer Teacher Participant may request the PAR Panel to assign a Consulting Teacher to provide peer assistance. The Consulting Teacher will play no role in the evaluation of the teaching performance of the Volunteer Teacher Participant. The Volunteer Teacher Participant, in his/her discretion, may terminate his/her participation in PAR at any time.

22.704 Consulting Teacher

- a. A Consulting Teacher is a permanent status unit member who provides assistance to a Participating Teacher pursuant to the PAR program. Consulting Teachers must meet the following requirements.
 1. Permanent status classroom teacher employed by the District.
 2. At least five (5) years substantial recent experience in classroom instruction.
 3. Demonstrated exemplary teaching ability as indicated by mastery of subject matter, teaching strategies, instructional techniques, and

classroom management strategies necessary to meet the needs of pupils in different contexts.

4. Ability to communicate effectively orally and in writing.
 5. Ability to work cooperatively and effectively with others.
- b. A Consulting Teacher may be full or part time release (to be determined later). A Consulting Teacher provides assistance to a Participating Teacher in improving instructional performance. This assistance may include but not be limited to:
1. Conducting an initial meeting with the Evaluator and Participating Teacher to discuss the Participating Teacher's evaluation and perceived performance deficiencies.
 2. Setting and discussing performance goals with the Participating Teacher and Evaluator.
 3. Assisting in developing an Assistance Plan which addresses the elements of Attachment A to the Standard Evaluation Form. The Assistance Plan shall be reviewed and approved by the PAR Panel.
 4. Conferring with the Evaluator and Participating Teacher as determined by the Consulting Teacher on the Participating Teacher's progress with the Assistance Plan.
 5. Multiple observations of the Participating Teacher during periods of classroom instruction.
 6. Demonstrating good practice to the Participating Teacher.
 7. Using District resources to assist the Participating Teacher.
 8. Monitoring the progress of the Participating Teacher and maintaining a written record.
 9. Making Status reports to the PAR Panel for a referred Participating Teacher.
- c. If a consensus cannot be reached, Consulting Teachers shall be selected by a majority vote by the PAR Panel after one or more members of the PAR Panel have conducted at least one site visitation and a classroom observation. The PAR Panel's selection procedures, activities, and criteria, and its judgments regarding selection of Consulting Teachers, shall not be subject to the grievance procedure.
- d. Consulting Teachers will be trained to both offer peer assistance and to understand the specific functions of the PAR Program. The panel will monitor and evaluate the effectiveness of the Consulting Teacher and will make decisions regarding their continuation in the program. The PAR Panel may remove a Consulting Teacher from the position at any time because of

the specific needs of the PAR Program, inadequate performance of the Consulting Teacher, or reasons determined by the panel in its discretion to justify removal. Prior to the effective date of such removal, the PAR Panel will provide the Consulting Teacher with a written statement of the reasons for the removal, and, at the request of the Consulting Teacher, will meet with him/her to discuss the reasons.

- e. Expenditures for the PAR program shall not exceed revenues received from funds made available without the mutual agreement of the parties.
- f. The number of Consulting Teachers in any school year will be determined by the PAR Panel based upon participation in the PAR program, the funding available and other relevant considerations including site administrator input on program integrity. The PAR Panel must provide the District notice on or before the close of the second transfer round of PAR Consulting Teacher selection. In the first year of the program, the BTSA support providers will be continued unless the assigned classroom observer vetoes the continuation. If there are BTSA support providers who are released or more Consulting Teachers needed, then the process of selection set out in these procedures shall be followed.
- g. In addition to the regular salary, a Consulting Teacher will receive a stipend. The PAR Panel will determine appropriate stipend rates based upon release time and caseload.
- h. Consulting Teachers shall have a caseload determined by a ratio of Consulting Teachers to Participating Teachers. This ratio is dependent on the amount of intervention time needed, as determined by the PAR Panel, and shall also consider BTSA and other beginning teacher assistance programs.
- i. The PAR program encourages a cooperative relationship between the Consulting Teacher, Participating Teacher, and the Evaluator with respect to the process of peer assistance and review. The Participating Teacher and the Consulting Teacher will meet with the Evaluator to review and discuss the basis for referral to the PAR program. The Participating Teacher assistance plan shall be based upon the areas in which the Participating Teacher's evaluation reflects unsatisfactory performance. The Consulting Teacher is encouraged to confer regularly with the Evaluator regarding the implementation of the PAR program with respect to each Participating Teacher.
- j. At the request of the Participating Teacher or the Consulting Teacher, the PAR Panel may assign a different Consulting Teacher to work with the Participating Teacher at any time during the year.

22.705 General Provisions

- a. Consulting Teachers and those teachers serving on the PAR Panel shall not be considered management or supervisory based upon their participation in PAR. Teachers who provide assistance and review shall have the same protection from liability and access to appropriate defense as other public

school employees pursuant to Division 3.6 (commencing with Section 810) of Title 1 of the Government Code. The District shall hold these teachers and administrators harmless for actions occurring within the scope of their responsibility for participation in PAR. The decisions of the consulting teacher and the PAR Panel which might lead to a decision by the Board of Education to bring dismissal actions are discretionary not ministerial and are not grievable.

- b. It is agreed that recently retired exemplary teachers may be invited to serve as Consulting Teachers per procedures developed by the PAR Panel.

22.8 Required Training

A teacher may be required by the principal to participate in in-service training or course work at college or university level when, in the judgment of the principal, such training or education will assist the teacher to be more effective in his/her classroom or adjunct responsibilities. In-service or college units earned may be used as part of the requirements for training class advancement on the salary schedule. This requirement may not exceed the equivalent of three semester units in any three-year period.

22.9 Teacher-Administrator-Governing Board Relationships

- 22.901 Recognizing that providing a high quality education for children is the paramount aim of this school system, and good morale in the teaching staff is necessary for the best education of the children, the Governing Board encourages the participation of staff members in the activities of their professional organizations and encourages the organizations to exercise their rights and responsibilities within the spirit and letter of the law. The Governing Board also recognizes the following roles and responsibilities that are clearly established by law:
- a. The Governing Board, under law, has the final responsibility of establishing policies for the school system, subject to the requirements of negotiation as provided for by California law.
 - b. The Superintendent and his/her staff have a responsibility of carrying out the policies established.
 - c. The certificated teaching personnel have the ultimate responsibility of providing the best possible education in the classroom.

22.10 Attainment of Goals

- 22.1001 Attainment of the goals of the educational program conducted in the schools of the district requires mutual understanding and cooperation among the Governing Board, the Superintendent and his/her administrative staff, the certificated personnel, the classified personnel and other citizens of the community. To this end, free and open exchange of views is desirable, proper, and necessary.

22.11 Scope of Negotiations

The Governing Board will strictly construe the scope of bargaining as provided in 3543.2 of the Government Code (SB 160).

22.12 Consultation

22.1201 The Governing Board will also freely consult with exclusive representatives within the rights granted to them by law (Government Code 3543.2).

- a. Definition of educational objectives.
- b. Determination of content of courses and curriculum.
- c. Selection of textbooks.

22.1202 The Governing Board reserves to itself its unlimited right to consult with any employee groups on any matter outside the scope of representation. Consultation procedures and processes are not a negotiable items. However, the Governing Board views healthy consultation between and among Governing Board, administration, and employee groups as highly desirable.

22.13 Mandated Physicals

The District will pay the reasonable cost of mandated physicals.

22.14 Shared Contracts

22.1401 The primary criteria for approving shared contracts shall be successfully meeting the educational needs of students and will ensure the other provisions of BP 4113.1 are met.

22.1402 Applications for shared contracts and extensions of shared contracts shall be made through the site principal to the Human Resources Department by February 1st of the year preceding the year in which the partial assignment is desired. A Percent/Part-Time Contract Application form shall be completed. (Appendix D)

22.1403 Teachers desiring a shared contract shall apply for a partial leave of absence for the portion of the contract they wish to vacate.

22.1404 Request for partial contracts shall be approved by the site administrator, the Human Resources Department and the Board and will be conditioned upon having a place or finding another employee to work the remainder of the position if a full-time equivalent position is needed by the District. The proposed division of the contract must be approved by the site principal who shall then make his/her recommendation to the Human Resources Department.

- 22.1405 Upon approval of the site principal and the District's Human Resources Department, a signed, shared contract agreement shall be submitted to the Governing Board for final approval. (Appendix E)

Renewal of Shared Contracts

- 22.1406 All partial leaves of absence shall be considered as one-year positions with no automatic right to an extension. Both the site administrator and the Human Resources Department shall have full discretion to decline to extend the leave.
- 22.1407 By February 1st of the year in which the shared contract occurs, the teacher(s) shall inform the principal and the District's Human Resources Department in writing if they wish to apply for an extension of the agreement.
- 22.1408 Such extensions shall be considered on a case-by-case basis and are not automatically renewed.

Provisions of a Shared Contract

- 22.1409 Employees in a shared contract arrangement shall have on file in the District's Human Resources Department, a signed, shared contract agreement which clearly delineates the duties and responsibilities of each party. The contract shall not be valid until both the site administrator and the Human Resources Department have approved the terms of the agreement and the Governing Board has granted final approval.
- 22.1410 The payment of benefits to employees on a part-time leave of absence shall be in accordance with the current collective bargaining agreement.
- 22.1411 All shared contracts are restricted to no more than one benefit package per FTE. However, partners may allocate those benefits among themselves to the degree that is allowed by the insurance carriers and buy the remaining portion should they desire.
- 22.1412 When one partner to a shared contract is unable by reason of disability or other circumstance to continue under the shared contract agreement, the other partner is responsible for returning to full-time. Should such return be blocked by personal circumstances permanently, the partner shall be responsible for temporarily becoming full-time while other arrangements are made.
- 22.1413 Shared contracts shall be limited to ten percent (10%) of the total number of K-6 classroom teacher's FTE in the District.
- 22.1414 Both partners are responsible for all mandatory teacher workdays and all staff meetings.

22.15 Full Inclusion Teachers

In an attempt to mitigate the additional time required for teachers who work with fully included students (those students identified as severely handicapped who are assigned to general education classrooms for their primary placement), the District agrees to allocate \$500 per student per year.

- 22.1501 Each teacher of a fully included student shall have discretion in spending the \$500 allocation in electing from a menu of options including release time, training, materials (regular education if so indicated by the teacher), and exchange duties.

22.16 Special Education (SPED)

Staffing and working conditions in Special Education (SPED) need modification to assist teachers in meeting the needs of special education students. The District has determined to advance the projected growth in SPED enrollments so that class sizes in the beginning of the year allow for growth without exceeding reasonable limits. The District intends to monitor SPED class sizes on a quarterly basis and to increase services to students which could include additional teachers, instructional assistants, revised IEP's for alternative services to students or other necessary support. Additionally, SPED teachers will be allowed access to the transfer process on the same basis as all other teachers, including but not limited to access to growth and vacant positions on the Winter and Spring postings.

- 22.1601 The District will also monitor learning center numbers and staffing to determine which, if any, need intervention. In effect the above intervention is designed to make the District more sensitive to the needs of SPED teachers and to assure that SPED teachers are treated equitably in comparison with regular education teachers.

22.17 Health Services—Nurses

- 22.1701 Staffing and working conditions for nurses are in need of review. Nurses will be convened to review and prioritize job description functions to assure that highest priority assignments are accomplished.
- 22.1702 The District intends to regionalize nursing services and increase nursing staffing by two nurses.
- 22.1703 To enhance their efficiency, individual nurses will be provided technological support (laptop computers).
- 22.1704 Medicare reimbursements for services provided by nurses will be used to improve the level of healthcare services in the District.

22.18 Technology

The District and the Association agree that consistent focus and careful planning need to accompany their mutual commitment to technology.

22.1801 The District will work to create an expenditure model which assures that funds are systematically spent to meet the technology needs.

22.19 Effective 2001-02, pre-kindergarten teachers become EGEA bargaining unit members with full privileges and benefits.

22.1901 Newly hired Pre-Kindergarten Teachers must have a valid California Teaching Credential.

22.1902 Categorical Pre-Kindergarten program teachers' hours may be flexed and the number of hours worked per day may exceed the 7 ½ hours specified in Article 8. However, the provisions regarding workweek in Article 8 of the collective bargaining agreement shall continue to apply.

22.1903 For Categorical Pre-Kindergarten program teachers, the transfer and reassignment of probationary and permanent unit members shall be done in accordance with the provisions of the existing collective bargaining agreement.

Categorical Pre-Kindergarten program teachers who work for an entire school year in Temporary status working a "split shift," defined as more than a two hour non-work period between the end of one assignment and the beginning of another, and who are re-employed for a subsequent school year, shall be given first consideration as compared to other temporary Pre-Kindergarten employees for transfer and/or reassignment to open positions that have a regular schedule with no "split shift."

22.20 Faculty Advisory Council (FAC—Pre-Kindergarten)

The District and the Association agree to implement a Faculty Advisory Council (FAC) to meet with the Pre-Kindergarten Administration to consult on issues important for Pre-Kindergarten, such as but not limited to, hours, transfer assignment, curriculum, articulation with kindergarten, and related matters.

22.2001 The constituency for the FAC will include the Association-appointed Pre-Kindergarten teacher representatives from State Preschool, Headstart, and Title I, the District-appointed representatives from Pre-Kindergarten administration.

22.2002 Meetings will be scheduled on duty time at times other than when students are in attendance.

22.2003 The Association will appoint an ombudsperson to coordinate concerns with the Pre-Kindergarten administration.

ARTICLE 23

Adult and Continuing Education

23.1 Adult school and continuing education employees shall be covered by Article 1 - Agreement; Article 2 - Recognition; Article 3 - Negotiation Procedures; Article 4 - Association/Unit Member Rights; Article 5 - District Rights; Article 6 - Dues and Payroll Deductions (except all unit members are required to either belong to the Association or pay a service fee unless exempted pursuant to the conscience exceptions contained in this article); Article 7 - Grievance Procedure; Article 12 - Personnel Records; Article 15 - Teacher Safety; Article 16 – Complaints; Article 18 - Leaves (except as noted below); Article 24 - Completion of Negotiations; Article 25 - Savings; Article 26 - Concerted Activities; Article 27 - Limited Term Agreements; and Article 28 - Duration.

23.2 District and EGEA have agreed to the provisions of this Article in recognition of the special conditions involved in the Adult and Continuing Education Division (hereinafter "Adult Education"). Adult Education is conducted by a combination of full-time and part-time employees trained in the methods to meet the learning needs of the District's youth and adult population in the areas of essential skills, life-long learning, and vocational and occupational training. While it is recognized that Adult Education personnel may be concurrently employed in other district programs including but not limited to K-12, it is the intention of the parties that the employment relationship described in this Article, and the rights that flow therefrom, are separate and distinct from the rights which may accrue to the individual from other employment in the District. If there is any conflict between the terms of this Article and the terms of other provisions of the Agreement as they apply to Adult and continuing education, this article shall prevail.

23.3 Agreement and Recognition

23.301 All personnel in adult education programs shall be employed under contracts appended to this agreement. These contracts shall specify the duration of the employment, and shall terminate on or before June 30 of the year in which they are issued. If the duration of the contract is to extend beyond June 30, a second contract shall be issued to cover the balance of the employment period.

23.302 The contract term for a person hired to complete the term(s) of employment of another person shall be for the duration of the original term(s). All contracts of employment shall be terminable at any time prior to expiration, but only for lack of funds, elimination or reductions of the educational offering, insufficient enrollment or attendance, unsatisfactory performance, or any of the causes listed in Education Code § 44932 et seq.

23.4 Definitions

23.401 Unit member(s) covers those persons who are, by virtue of being assigned for six (6) or more hours per week, included within the bargaining unit.

23.402 For purposes of the grievance procedure, "Day" shall be defined by the Adult Education schedule. 2.2, 2.3, 2.4, 2.7, 2.8, 2.9, 2.10, and 2.11 shall be applicable from Article 2. Definitions.

23.5 Class Size

Class size shall not exceed the room occupancy/seating requirements of applicable fire codes. Classes are subject to cancellation if they fall below fifteen (15).

23.501 Except as indicated by tenure laws or as indicated below, adult school unit members shall be employed on an hourly, as-needed basis. For employees working and entitled to fewer than 19.2 hours whose class(es) have attendance of ten (10) or more at the class-size, minimum-evaluation point, the class will be continued for the duration of the term so long as the attendance does not drop lower than seven (7).

23.502 If the class is subsequently offered pursuant to the assignment pattern in 23.1502 and taught by the same unit member, the class must have fifteen (15) or more to be continued for the duration of the term.

23.503 For unit members with 19.2 or more hours whose class has an attendance of 10 or more at the class-size, minimum-evaluation point, the class will be continued through its term. If the class does not meet the minimum of ten (10), paragraph 23.504 applies.

23.504 If the class is subsequently offered to the same permanent unit member, the class must have fifteen or more students to be continued. If not, the unit member will be assigned within the scope of his or her credential to a position held by the least senior employee/unit member for the number of class hours canceled. The displaced employee/unit member shall not have bumping rights.

23.505 Class-size minimums will be reviewed on the fourth meeting of that class when they meet three (3) or more times per week and on the second class when they meet two (2) or less times per week. In the event that a class is to be closed at the above evaluation point(s), the director of the adult and continuing education program or a designee will personally inform any instructor of the decision to close the class and the date/time of the final class meeting. A formal written notification will be given to the instructor.

23.506 Classes which do not meet the minimum class size requirements described above may be continued at the discretion of Adult Education based upon the following criteria:

- a. The class is part of a "start-up" or "venture" program.
- b. The class is part of a high school diploma program for credit.
- c. The class is fee-based and financially self-supporting.
- d. The class is legally mandated.

- e. The class is long-standing and has traditionally met a specific community need.
- f. Other classes that do not meet the above criteria may be continued by mutual agreement of EGEA and Adult Education (in reference to on-going classes that have no specific start or stop date).

23.507 If an individual unit member believes that a particular class size is inappropriate, that unit member may refer the issue to the Adult Education Administration (AEA) for discussion with the Faculty Advisory Council.

23.6 Evaluation Procedure

23.601 The District retains sole responsibility for the evaluation and assessment of performance of each adult school unit member, subject only to the following procedural requirements. Should an adult school unit member believe an evaluation to be derogatory, the unit member will be given an opportunity to comment thereon as provided for by law. Accordingly, no grievance arising under this Article shall challenge the substantive objectives, standards, or criteria determined by the District, nor shall the grievance contest the judgment of the evaluator; any grievance shall be limited to a claim that the following procedures have been violated.

23.602 Evaluation of the performances of adult school unit members shall be made as needed, at least once every semester for probationary personnel, and at least once every other year for unit members with permanent status. Should a teacher be employed after the midpoint of the first semester of a school year, evaluation for that semester shall be at the option of the principal.

23.603 Adult school unit members with permanent status may be evaluated yearly or more often if the District or the evaluator deems it appropriate. Reasons for evaluating permanent personnel more often than the minimum required could include but would not be limited to situations such as a new assignment; unsatisfactory previous evaluations; the assignment of a new evaluator; or a need to improve the instructional program.

23.604 Adult school unit members must comply with the standards contained in the evaluation forms which are contained in the Adult School Appendix.

23.605 Classroom observations may be, but shall not be required to be, arranged by the evaluator and the adult school unit member in advance of an observation. Evaluations need not be based solely upon formal classroom observations.

23.606 Previous to the completion of the summary evaluation form, at least one observation and conference should be held. The Evaluation Report may be presented in writing. An adult school unit member may request a conference to discuss its conclusions.

23.607 The evaluator shall not base his/her evaluation on the quality of an adult school unit member's classroom instructional program on information not collected through a means reasonably calculated to achieve accuracy. Negative evaluation

of performance shall not be predicated upon information or material of derogatory nature that has been received by the evaluator from sources such as other teachers, parents, and citizens unless the facts have been verified by the evaluator and discussed with the unit members. Student evaluations will be a factor in formulating the overall evaluation of a unit member.

23.7 Leaves

- 23.701 All other leaves in Article 18 except for Sabbatical Leave, Sick Leave, and Catastrophic Leave shall be granted and implemented according to the procedures in Article 18.
- 23.702 Sick leave shall be provided unit members on the basis of one (1) hour of sick leave for each eighteen (18) hours worked and accrued if unused.

23.8 Transfer and Reassignment

- 23.801 Transfer is defined as a change from one adult education site to another adult education site. Voluntary transfer is defined as a transfer made at the request of a unit member. Involuntary transfer is defined as a transfer made by Adult Education.
- 23.802 Reassignment is defined as a change in assignment within an adult education site and shall not be made arbitrarily or capriciously.
- 23.803 A site is defined as any separate facility where classes are conducted.
- 23.804 Requests for voluntary transfers shall be maintained in the Human Resources Department for no less than one (1) year. Employment opportunity postings shall consist of a job description, time and place of employment, number of hours per week and wage per hour, and deadlines for submitting applications.
- 23.805 A response to advertised employment opportunities is to be submitted to the Human Resources Department.
- 23.806 The Human Resources Department shall notify the applicant of the status of the transfer, increase in hours, increase in hours due to expansion of any program, or other employment opportunities including positions that are new or vacant.
- 23.807 Transfers by the District shall be based on the following criteria: preference of the employee; length and quality of employee service in the District; experience and teaching background; affirmative action goals and needs of the District; and preference of AEA.
- 23.808 Seniority shall be determined by hiring within the Adult Education program as a regular employee.
- 23.809 If a unit member is transferred involuntarily due to enrollment shifts and/or decline, the unit member shall be offered the first opportunity to return to the unit

member's previous site if a subsequent vacancy develops at that site from which the employee had been involuntarily transferred.

23.810 Those to be involuntarily transferred may indicate a preference of assignments to the Human Resources Department and AEA.

23.811 Those to be involuntarily transferred shall, upon written request, have a written reason for the impending transfer from AEA and the Human Resources Department.

23.9 Salaries

23.901 Adult education assignments are based upon enrollment and attendance of voluntary students. As attendance increases or decreases, so must staff assignments. Except as otherwise indicated in this Article, salary can be reduced as assignment is reduced.

- a. Except as indicated by tenure laws, adult school unit members shall be employed on an hourly, as needed basis. In the event that a class is to be closed after the initial three-week evaluation of enrollment, the director of the adult and continuing education program or a designee will personally inform any instructor of the decision to close the class and the date-time of the final class meeting. A formal, written notification will be given to the instructor one week prior to the date/time of the termination of the class.
- b. The hourly rate of pay shall be set forth in the Adult Education Appendix. Advancement in pay due to experience shall be contingent upon the unit member having provided service (actively working) to the District as an adult school teacher for not less than twenty-seven (27) weeks during the preceding year. Verification of Units must be made no later than October 1 of the year in which unit member anticipates movement between columns. Units taken must be approved in advance by the Staff Development/Human Resources Department based upon the criterion that the teaching performance of the unit member will be enhanced either in subject matter or technique.

23.902 The substitute rate shall be based on the lowest rate of pay on the schedule for all new substitutes. Any existing member shall be paid their current wage for substituting.

- a. A unit member who wants to substitute will fill out the days and hours of availability and file the form with AEA for inclusion on the substitute list.
- b. AEA has discretion in appointing subs but will consider teacher input if appropriate.
- c. Time served as a substitute will not count for any purpose, including but not limited to sick leave, health benefit eligibility, seniority or movement on the salary schedule.

23.10 Fringe Benefits

- 23.1001 The District will provide for each unit member who works no less than 20 hours per week for 36 weeks per year a yearly health and welfare benefit allocation equivalent. The amount of the health and welfare benefit allocation shall be set forth in the Adult Education Appendix.
- 23.1002 No unit member shall earn more than one (1) full benefit from any combination of regular day school employment and adult school employment. Qualification for benefits cannot combine hours worked between regular day school employment, substituting, and adult school employment in any capacity.
- 23.1003 All unit members receiving fringe benefits may continue to receive fringe benefits for that benefit year by contributing the differential percentage that their assignment is to qualifying time, i.e., if the unit member were assigned twenty (20) hours and during the benefit year was reduced to sixteen (16) hours, then the unit member could retain benefits by contributing twenty-five percent (25%) of the costs. This right is conditioned upon continuing employment with Adult Education.

23.11 Workday and Work Year

- 23.1101 The workday is to be scheduled as per the Adult Education calendar. The work year shall be established by the AEA after consultation with the Faculty Advisory Committee.
- 23.1102 The teacher work assignment shall end after the end of the class.
- 23.1103 Teachers shall be compensated for any mandatory, required meetings outside the assigned work hours.
- 23.1104 Mileage shall be paid when an employee is required to commute between two sites without an intervening time in the schedule of two or more hours.
- 23.1105 The full-time teacher work year shall consist of thirty-six (36) weeks at thirty-two and one-half (32.5) hours (including prep time).
- 23.1106 In order to provide those unit members currently working more than 36 weeks the same length work year, they will receive first priority for available assignments for which they are credentialed and competent.
- 23.1107 Full time staff members shall be paid for one-half hour of preparation per day. Those staff currently with more preparation time shall be grandpersoned.

23.12 Scheduling

The District agrees to make a good faith effort to notify unit members of their assignments at the earliest possible opportunity. If feasible, the District shall notify teachers of their tentative teaching schedules fifteen (15) calendar days prior to the start of each semester.

23.13 Working Conditions

Student aides or other clerical persons shall be available four (4) nights per week for assisting faculty in clerical duties, copying, etc., provided that sufficient funds are available as reasonably determined by AEA.

23.14 Layoff or Reduction of Unit Members for Lack of Funds

- 23.1401 In the case of current Adult Education funded personnel who are not to be renewed due to lack of work or lack of funds (when more teachers have assignment rights than course offerings), the following procedures shall apply:
- a. The AEA shall first identify the affected course(s), including closely-related courses in the same subject (i.e., English 1, 2, 3 and 4).
 - b. The seniority of all non-tenured personnel teaching the course(s) and assigned to the time-reporting site shall be reviewed.
 1. Seniority is measured by the number of consecutive, uninterrupted years of satisfactory service. Time spent on approved unpaid leaves of absence does not count as time served but does not constitute an interruption of the "consecutive" service requirement.
 2. To qualify for a year of seniority, the individual must have satisfactorily served at least seventy-five percent (75%) of the weeks for full-time service (27 weeks).
 3. Service in both Adult Education and continuing education programs (categorical and general fund) shall apply.
 - c. The employee qualified according to the criteria of 23.1501(b) with the least seniority shall be released first unless the site administrator reasonably determines that the person has needed instructional skills or qualifications, not possessed by an employee with greater seniority. A seniority list shall be maintained by the Human Resources Department, provided to impacted employees and EGEA prior to layoff pursuant to this Article. EGEA shall be kept informed on the requirements for layoff during regularly-scheduled consultation meetings. It is intended that any unit member who is credentialed and competent to perform continuing services will be retained over more junior employees even if the continued service is outside of the current assignment.
 1. The employee shall be provided notice of layoff no less than ten calendar days prior to its effective date and an opportunity to have a hearing on the matter before the Administrator of Personnel if a hearing is demanded within five (5) days of notice.
 2. The hearing shall give the employee the right to present evidence and provide a defense.

3. The Assistant Superintendent for Human Resources shall make findings of fact and render the decision of the District. Should the employee be reinstated, he or she shall be entitled to back pay for the hours lost.

23.15 Staffing

- 23.1501 Prior to the beginning of a term, the AEA shall prepare a list of courses to be offered at that site by program. After preparing that list, the AEA shall make their assignment to those programs from the eligibility list of staff members currently teaching at that site. These positions need not be posted.
- a. It shall be the responsibility of the AEA to identify courses that meet the needs of the various programs offered by Adult Education.
 - b. The AEA shall maintain eligibility lists of qualified employees composed of those employees currently servicing a site by credential, seniority, past assignments, and bilingual ability. "Qualified" as used in this sub-section, shall mean that the applicant has taught the same course or closely related course in the same subject, possesses the requisite credential, and possesses the needed instructional skills or qualifications as stated on the job posting. The AEA shall select from among the qualified applicants at the site to fill each position.
- 23.1502 The first priority for assignment shall be the filling of positions by tenured staff who are guaranteed a number of hours. The second priority for assignment shall be maximizing the assignment of those who are qualified for benefits. The third priority for assignment shall be maintaining the current ratio of tenured to non-tenured positions. The fourth priority for assignment shall be enhancing the hours of those staff who have been rated above satisfactory in their evaluations. The fifth priority will be filling positions from the eligibility lists maintained by site administrators.
- a. No unit member shall be entitled to, nor may he or she gain a right to a continuing assignment of more than full-time.
- 23.1503 All remaining new or vacant part-time positions or courses in Adult Education funded programs shall be posted at the applicable time, reporting site, and each division thereof by June 1 for year round programs, and August 1 for Adult Education Programs and by January 5. The posting shall identify the subject(s), number of hours per week, class schedule and time(s), certification required, any special skills and qualifications, and the deadline for applications.
- a. These vacancies shall be filled by paper screening applications based upon the priorities in 23.1502 and interviewing no fewer than the top four candidates.
- 23.1504 Remaining unfilled positions shall be posted at the District Office and at all Adult Education sites by June 15 for year round programs, August 15 for traditional programs, and January 15. To apply for such positions a person must either qualify as provided above or possess other appropriate training and experience needed for the position, possess the requisite credential, and possess

the instructional skills or qualifications as stated in the job posting. The AEA shall select from among the applicants.

- 23.1505 Positions coming available after the beginning of the term may be filled at the discretion of the AEA.
- 23.1506 Those to be involuntarily transferred may indicate a preference of assignments to the AEA.
- 23.1507 Those to be involuntarily transferred shall, upon written request, have a written reason for the impending transfer from AEA.
- 23.1508 Adult Education agrees to make a good faith effort to consider part-time teachers preference in making assignments. When possible, employees will be notified of their assignment fifteen (15) calendar days before the beginning of each semester. Employees may indicate a preference for a change of assignment by notifying the AEA in writing forty-five (45) days before the beginning of the next semester.

23.16 Release of Personnel for Unsatisfactory Performance

- 23.1601 Current personnel in either Adult Education or categorically funded positions do not have an implied right to employment beyond their assigned term except as required by the Education Code. However, if they are not to be renewed due to dissatisfaction with the quality of their services, they shall be evaluated in accordance with the requirements of this article.
 - a. Unit members released for unsatisfactory performance must have been preceded by compliance with the evaluation provisions of this Article.
 - b. The rights of personnel with an assignment of less than six (6) hours per week are limited to final notice.

23.17 Faculty Advisory Committee

A. Definition

The Faculty Advisory Committee (FAC) is an advisory committee to the AEA and chaired by the AEA for the discussion of curriculum and instructional issues.

B. Purpose

The purpose of the committee is to discuss curriculum and instructional issues that directly affect the school, including curriculum development, school instructional site budget, master schedule, and other topics specifically related to curriculum and instruction as determined by the principal and members of the committee.

C. Composition Of The Faculty Advisory Committee

- (1) The FAC shall have one faculty member selected democratically from the jail program, one from the fee based-programs, one from the Adult Education programs, one from EGEA, and the designated administrator. The bargaining unit members shall be elected democratically by an at-large election.

The AEA and/or members of the above committee may invite resource people to attend meetings of the committee from time to time as necessary.

D. Selection

- (1) By the end of the first school month in each school year, the unit members at each of the designated programs shall elect a FAC. Each bargaining unit member shall have an opportunity to nominate himself/herself or be nominated by another member of the bargaining unit to serve on the FAC. The election ballot will be composed of those teachers nominated and who are willing to serve. All bargaining unit members shall have the opportunity to vote.
- (2) If a tie exists, a runoff election for that position(s) will be held. The runoff election will consist of bargaining unit members who tied for the position(s) in the previous election.
- (3) If a vacancy develops after the initial election, the FAC shall have a special at large election to fill the vacant seat(s). The same election procedures will be followed during the special election. The principal working with a site representative of the Association shall conduct the election.

E. Compensation

The wages paid to elected members of the FAC shall be established in Appendix C.

F. Meetings

- (1) Meetings will be held at least eight times annually. Additional meetings may be held if agreed to by AEA and members of the FAC. None of the hours earned through meetings may be used for benefit or tenure eligibility.
- (2) The agenda will be mutually developed by AEA and members of the FAC.
- (3) Minutes of the FAC meetings shall be recorded by a person mutually selected by the committee and the principal. Minutes of the FAC meetings shall be posted, one (1) copy distributed to each unit member as soon as possible following the completion of the meeting. The minutes shall reflect the mutual concurrence of the AEA and the committee members relative to the content of the minutes.
- (4) The FAC serves in an advisory capacity to the AEA to deal with curriculum and instructional issues.

G. Training

The AEA will make every effort to train FAC members in interest-based conflict resolution as soon as practicable.

Tentative Agreement
Between
Elk Grove Unified School District
And
Elk Grove Education Association

February 25, 2015

Elk Grove Unified School District (District) and Elk Grove Education Association (EGEA), collectively referred to as "the parties," have considered their mutual interests and have agreed to enter into this Tentative Agreement (Agreement) to completely resolve negotiations for the 2014-2015 and 2015-2016 school years with no reopeners. All of the terms included in this Agreement are contingent upon approval by the Sacramento County Office of Education and ratification by both parties.

1. The parties agree that this Agreement equals a compensation package of 1.5% plus the lottery bonus conversion of 1.5% for a total of 3% for the 2014-2015 school year and a total of 2.5% for the 2015-2016 school year.

2. The parties agree that if the contingency conditions described in Section 6 below are satisfied, another 1% shall be added to the total compensation package for the 2015-2016 school year.

2014-2015

3. a. Effective retroactive to July 1, 2014, the 2013-2014 Certificated Salary Schedules, titled #10 and #9 (Adult Education), shall be increased by 1.5 percent.

b. In order to be eligible for any retroactive payment, a unit member must have worked during the 2014-2015 school year.

c. When added to the salary schedules, the 1.5% increase described in Section 3(a) shall not be compounded upon the lottery bonus conversion amount described in section 4 below.

2014-2015 Lottery Conversion

4. a. Effective retroactive to July 1, 2014, the parties agree that the annual lottery bonus payment included the parties' collective bargaining agreement in Section 19.102 shall be deleted from the parties' collective bargaining agreement. This means that in lieu of receiving an annual lottery bonus in August of each school year for the prior school year, section 4(b) below shall be implemented.

b. The parties agree that effective retroactive to July 1, 2014, in exchange for permanently eliminating the annual lottery payment from the parties' collective bargaining agreement, the 2013-2014 Certificated Salary Schedules, titled #10 and #9 (Adult Education), shall be increased by 1.5%. When added to the salary schedules, this 1.5% increase shall not be compounded upon the 2014-2015 increase described in Section 3(a) above.

c. In order to be eligible for the lottery retroactive payment described in section 4(b), a unit member must have worked during the 2014-2015 school year.

2015-2016

5. a. Effective July 1, 2015, the 2014-2015 Certificated Salary Schedules, titled #10 and #9 (Adult Education), shall be increased by two and one half percent (2.5%).

b. If the contingency requirements specified in section 6 below are satisfied, when added to the salary schedules, the 2.5% increase described in section 5(a) above shall not be compounded with the 1% contingency amount described in section 6 below.

2015-2016 Contingency

6. The parties agree that on February 25, 2015, for the 2015-2016 school year, the District projected that it will receive approximately \$35,284,344 in funded and ongoing new State Local Control Funding Formula ("LCFF") revenue as part of its multi-year projection.

a. Ongoing New Unrestricted LCFF-Base Revenue-2015-2016 School Year

- i. The parties agree that if for the 2015-2016 school year, the District actually receives more than the \$35,284,344 projected on February 25, 2015 in ongoing new unrestricted Local Control Funding Formula (LCFF)-Base State revenue;
- ii. then EGEA's proportionate share of the value of the new state ongoing unrestricted LCFF-Base revenue up to a maximum of 1% of compensation shall be added to the 2.5% specified above in section 5 for the 2015-2016 school year; and
- iii. then added to 2014-2015 salary schedules, #10 and #9 (Adult Education), effective beginning July 1, 2015. The ongoing contingency amount up to a maximum of 1% shall not be compounded with the 2.5% described in section 5 above when added to the 2014-2015 salary schedules.
- iv. If the contingency language described in this section 6(a) results in an additional 1% ongoing increase for the 2015-2016 school year, then the section 6(b) contingency regarding one-time money shall not be implemented.
- v. EGEA's "proportionate share" is defined as the EGEA portion (percentage) of a 1% District-wide salary increase. A District-wide 1% compensation increase is estimated to be \$3.5 million for purposes of this Agreement.
- vi. For purposes of this Agreement, LCFF-Base is defined to be 90% of new, ongoing, unrestricted LCFF revenue.

[Note: For illustration purposes only: If the District receives \$3.5 million in new, ongoing, unrestricted, LCFF-Base revenue and all other section 6(a) requirements are satisfied, EGEA will receive an additional 1% salary schedule increase. If the District receives \$1.75 million in new, ongoing, unrestricted LCFF-Base revenue and all other section 6(a) requirements are satisfied, then EGEA will receive an additional 0.5% salary schedule increase. The value of the \$3.5 million includes a similar salary

schedule increase of 1% District-wide. The value of the \$1.75 million includes a similar salary schedule increase of 0.5% District-wide.]

b. One-time New Unrestricted Revenue-2015-2016 School Year

- i. If the contingency language described in section 6(a) results in an additional 1% ongoing increase for the 2015-2016 school year, then this section 6(b) contingency regarding one-time money shall not be implemented.
- ii. The parties agree that if for the 2015-2016 school year, the above Section 6(a) Ongoing New Unrestricted Revenue-2015-2016 School Year Contingency provision does not result in an additional 1% salary schedule increase for the 2015-2016 school year or less than a 1% salary schedule increase for the 2015-2016 school year; and
- iii. if the District actually receives more than the \$10,724,474 in 2015-2016 projected on February 24, 2015 in one-time new unrestricted State revenue;
- iv. then EGEA members who are eligible for the wellness rebate pursuant to the parties' collective bargaining agreement, will receive an additional one-time wellness rebate for the 2015-2016 school year in an amount not to exceed a total of 1% when combined with any Section 6(a) ongoing contingency salary increase as calculated in this Section 6(b).
- v. EGEA's "proportionate share" is defined as the EGEA portion (percentage) of a 1% District-wide salary increase. A District-wide 1% compensation increase is estimated to be \$3.5 million for purposes of this Agreement.
- vi. LCFF-Base revenue does not include any LCFF-supplemental and/or LCFF-concentration revenue. For purposes of this Agreement, LCFF-Base is equal to 90% of new, ongoing, unrestricted LCFF revenue.
- vii. The value of the 5% rebate calculation shall be based upon the 2013-2014, 5% rebate amount of approximately \$2,107,719. For example, if the District receives \$2,107,719 in unrestricted one-time new 2015-2016 revenue, an additional 5% shall be provided to bargaining unit members eligible for the wellness rebate under the parties' collective bargaining agreement. The rebate value shall be adjusted for a greater or lower number adequate to backfill for the difference between any ongoing contingency increase provided pursuant to Section 6(a) above and any new unrestricted one-time money for the 2015-2016 school year, up to a total value not to exceed 1% in new compensation. (6(a) and 6(b) combined.)

[Note: For illustration purposes only. If the Section 6(a) ongoing contingency does not result in an ongoing increase 1% in compensation for the 2015-2016 school year and the District receives \$2,107,719 in new one-time State unrestricted funding for the 2015-2016 school year, then EGEA members who comply with the Wellness Rebate eligibility requirements specified in the parties collective bargaining agreement shall receive an additional one-time 5% rebate for the 2015-2016 school year only.]

7. Within 30 calendar days after adoption of the State Budget, the District will determine if the contingency requirements described above in Section 6 have been met and notify EGEA of its conclusion in writing.

8. If the ongoing and/or one-time contingency provisions described in Section 6 are not triggered, only the 2.5% salary increase described in Section 5 above shall be implemented for the 2015-2016 school year.

9. The State LCFF rules and calculations are subject to change by the State Legislature upon adoption of a final 2015-2016 State budget. Therefore, it is impossible for the parties to accurately predict any LCFF changes to the 2015-2016 State budget. If the parties disagree as to whether or not the contingency requirements specified in section 6 above have been met, they agree to meet and negotiate the issue.

10. Two Year Alternate Agreement and Elementary Overloads

The parties agree to Attachment A, a Two Year Alternate Agreement and Overloads Agreement. Attachment A is incorporated by reference into this TA.

11. Elementary Collaboration Time Pilot

The parties agree to Attachment B regarding Early Out/Late Start Elementary Collaboration Time Pilot. Attachment B is incorporated by reference into this TA.

12. Educational Advancement-Column Movement

Effective July 1, 2015, the parties agree that if educational advancement units are or have been approved by the District consistent with Article 19 and the bargaining unit member has adequate educational units necessary for more than one column movement on the salary schedule, bargaining unit members may move more than one column in each school year.

13. Two Year Pilot Agreement-“Subject Matter” Elementary Teachers

The parties agree that for the 2015-2016 and 2016-2017 school years, additional “subject matter” elementary teachers will be assigned to elementary sites based upon the difference in staffing between 26:1 and 28:1 in grades 4-6. This will result in providing grades 4-6 teachers, two weekly, duty-free preparation periods of 40 minutes each (80 minutes weekly) within the instructional day.

If there is any remaining time on the “subject matter” elementary teachers’ schedules, grades 1-3 will receive duty free preparation time in the same subject area as provided to grades 4-6 teachers. Time will be equitably divided among grades 1-3 teachers.

Grades 4-6 class sizes will be 28:1. “Subject-matter” preparation teachers shall receive the same two weekly, duty free preparation periods of 40 minutes each (80 minutes weekly) within the instructional day.

“Subject-matter” elementary teachers will be utilized to teach Physical Education with a common core content emphasis as permitted by credentialing, unless employment and

facilities logistics include opportunities for assignment of teachers to other subject areas (eg. science, music, art).

The District or designee will determine in collaboration with all grades 4-6 teachers, the subject taught at sites where classrooms are available consistent with credentialing, adequate facilities and other logistical requirements.

The expectations of the subject-matter elementary positions will be determined prior to posting of the positions. Such positions will be posted or assigned for the 2015-16 and 2016-17 school years.

[Note: This is a two year pilot agreement. At the end of this pilot, for the 2017-18 school year, the 4-6 class size ratio will revert to the 26:1 ratio included in the collective bargaining agreement, unless otherwise negotiated.]

14. Secondary

The parties agree that the secondary hiring ratio for grades 7-12 shall be no more than 32:1 consistent with the parties' collective bargaining agreement. With a preparation period added, each site will be allocated one FTE for every 26.22 high school students and one FTE for every 25.72 middle school students.

The District or designee shall determine the course assignment for secondary teachers.

[Note: For the 2015-2016 school year, the above ratios result in approximately 18 FTE in new secondary staffing. It is intended that this additional 18 FTE will be assigned for instructional purposes only. It is a mutual interest of the parties to continue to identify opportunities to reduce secondary class sizes in order to support LCFE targeted students in future years.]

15. The parties agree that for the 2015-2016 school year, the District shall add 2 FTE School Nurses.

[Note: It is a mutual interest of the parties to identify opportunities to review School Nurse services related to supporting LCFE targeted students in future years.]

16. The parties agree that for the 2015-2016 school year, the District shall add 3 FTE School Counselors.

[Note: The parties agree that it is the parties' intent to continue to work on reducing secondary counseling ratios.

It is also a mutual interest of the parties to identify opportunities to add additional counselors to provide counseling support to LCFE targeted students in future years.]

17. Counselor Substitutes

The parties agree to continue to meet to discuss strategies for establishing a counselor substitute pool for counselors who are utilizing two consecutive days or more of sick leave or personal necessity.

18. Language Speech and Hearing Specialists

a. The parties agree that LSH specialists are not required to perform adjunct duties.

b. The parties agree to form a committee that includes LSH representatives, District representatives and EGEA representatives to meet to discuss strategies for the compensation, recruitment and retention of LSH specialists. This committee will also discuss improvements to provide additional support to LSH specialists including a review of existing as well as new extra support processes. Prior to the end of the pilot agreement included in section 18(c), this LSH committee shall develop recommended solutions to address LSH specialist retention and recruitment issues.

c. The parties agree that effective for the 2015-2016 and 2016-2017 school years only, LSH specialists may opt to work a 10% longer day than their 2014-2015 assignment. For example, if they have a .5 FTE assignment, they may opt to increase to a .55 FTE for the 2015-2016 and 2016-2017 school years only. For example, if they are assigned a 1.00 FTE assignment, they may opt to increase to a 1.1 FTE assignment for the 2015-2016 and 2016-2017 school years only.

d. LSH Signing Bonus

Effective July 1, 2015, the parties agree that newly hired LSH specialists employed by the District for the first time, shall receive a one-time \$3,333.33 each year for three years as part of their first payroll for each school year worked. For newly hired, part time LSH specialists, this LSH signing bonus shall be pro-rated.

19. Comparability Study

The parties agree to participate in a District-wide Comparability Study Committee with the District to identify comparable districts in terms of LCFF funding, regional location and size, as well as to determine whether the District's compensation, class size, work time and benefits are comparable from a market perspective, and other agreed upon metrics.

CalSTRS

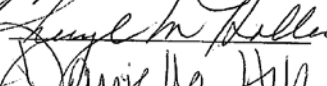

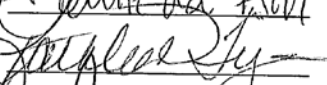

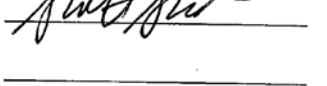

20. The parties recognize that CalSTRS, at its discretion, determines members' eligibility for benefits; the District makes no representation as to whether any compensation paid in accordance with this Tentative Agreement constitutes "creditable compensation" for any CalSTRS program or benefit.

21. Consistent with parties' collective bargaining agreement, the District is responsible for its share of the increased costs for health benefits. It is noted that for the 2014-2015 school year the cost to the District of its increased share was equivalent to a 1.40% in

compensation and for the 2015-2016 school year, the District's increased costs for health benefits is equivalent to .5% increase in compensation.

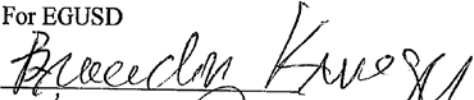

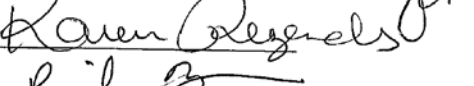

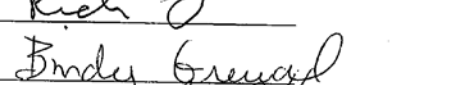

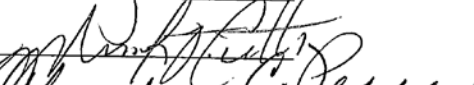

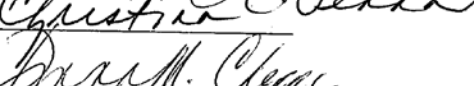

22. Article 28 Duration The parties agree to extend the term of the collective bargaining agreement between the parties from July 1, 2015 to June 30, 2016. Except as provided in this Tentative Agreement, all other terms and conditions of the parties' collective bargaining agreement shall remain in full force and effect.

Maintaining lower class sizes continues to be a priority of EGEA and the District. To the extent possible, new classes will be created whenever the number of students and the following factors including available space, school calendar, transportation, regional proximity, school size, minimizing the impact on students and families due to overload issues, and track availability allow this to be possible.

Based on the Recitals included in this MOU, EGEA and the District agree to the following alternate agreement pursuant to California Education Code section 42238.02(d)(3)(D):

1. This MOU is a collectively bargained class size alternative agreement for the 2015-2016 and 2016-2017 school years. 2. Class Size Overload Procedures and Compensation

In grades TK/K-3, if a class size exceeds 24:1 and in grades 4-6, if a class size exceeds 28:1, the following shall apply:

a. During the first ten instructional days of the school year, TK/K-3 classes may exceed a class size of 24:1 and in grades 4-6 may exceed a class size of 28:1 without overload compensation.

b. Upon enrollment of an overload student, office staff will immediately order all texts and student materials issued to other students in that grade level.

c. Overload Compensation-Up to Two Students: Beginning on July 1, 2015, and on the eleventh instructional day of the 2015-2016 school year and on the eleventh instructional day of the 2016-2017 school year, if a TK/K-3 class exceeds 24:1, or a 4-6 class exceeds 28:1, the overloaded classroom teacher shall receive \$22.50 per overload student, per day, for each student over 24:1, up to 26:1 assigned to a TK/K-3 classroom teacher, and \$22.50 per overload student, per day for each student over 28:1 up to 30:1 assigned to a 4-6 grade classroom teacher.

d. Overload Compensation –Three Students or More: Beginning on July 1, 2015, and on the eleventh instructional day of the 2015-2016 school year and the eleventh instructional day of 2016-2017 school year, if a TK/K-3 class exceeds 26:1, or a 4-6 grade class exceeds 30:1, the classroom teacher shall receive \$25 per overload student, per day. Late Start or Early Out Elementary Collaboration Time

Pilot: 7/1/ 2015 to 6/30/2016

February 25, 2015

Elk Grove Unified School District (District) and Elk Grove Education Association (EGEA), collectively referred to as "the parties," have considered their mutual interests and have agreed to enter into this one year Pilot Agreement (Agreement) regarding Late Start or Early Out Elementary Collaboration Time in accordance with the following terms and conditions:

1. The parties agree that Elementary collaboration time shall take place at each elementary school one day per week through the implementation of a Late Start or Early Out schedule as defined in this Agreement.
2. The parties agree that the purpose of Late Start or Early Out Elementary collaboration time is for teachers and certificated staff to plan, adapt, and evaluate curriculum and instructional strategies, and analyze data collaboratively with colleagues.
3. The parties agree that this Late Start or Early Out collaboration time shall be used for elementary grade level or cross grade level teams to meet in groups. Late Start or Early Out collaboration planning time is to be used for the purposes described in this section. This time is not to be supplanted with trainings, staff meetings, non-instructional items, or administrative assignments.
4. The parties agree that all elementary teachers and certificated staff participating in Late Start or Early Out Elementary collaboration time, in collaboration with their administrator, will determine agendas, and the reporting out of tasks accomplished during elementary planning time.
5. The parties agree that due to scheduling issues, Pre-Kindergarten, Transitional Kindergarten, and Kindergarten (Pre-K, TK, and K) will not have a Late Start or Early Out schedule. However, if site schedules permit these teachers to participate in

{Elementary Collaboration Time 22515}

elementary collaboration planning time, their participation is encouraged. The parties agree that EGEA and the District will explore the feasibility of including Pre-K, TK, and K teachers in Late Start or Early Out Elementary Collaboration planning time schedules in subsequent school years.

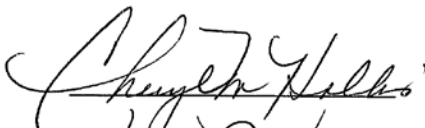

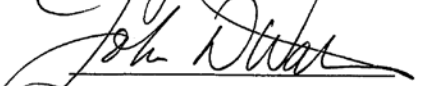

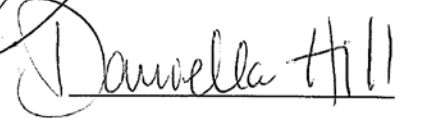

6. The parties agree that Special Education teachers assigned to self-contained special education classes will determine, collaboratively with their administrator, the feasibility of participating in Late Start or Early Out Elementary collaboration planning time. Should a special education teacher assigned to a self-contained class not be able to participate, his/her schedule of instructional minutes will not exceed the number of instructional minutes taught during the 2014-2015 school year.

7. The parties agree that during elementary collaboration planning time, in order to provide student supervision at minimal additional cost to the District, each school site will use existing non-certificated staff to provide student supervision to the extent possible. The parties agree that if it is necessary to use certificated staff to provide student supervision during Early Out or Late Start Elementary collaboration planning time, the sites will develop an equitable rotation schedule, so that an individual teacher or grade level is not regularly excluded from elementary collaboration planning time.

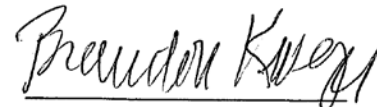

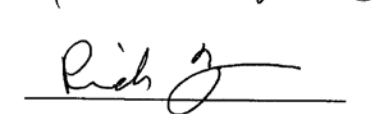

8. The parties agree that this Agreement regarding Early Out or Late Start Elementary collaboration planning time is a pilot program for the 2015-2016 school year, and that this Agreement shall expire on June 30, 2016.

9. The parties agree that representatives from the District and EGEA will meet to evaluate the benefits and related impacts of Early Out or Late Start Elementary collaboration planning time, the Late Start or Early Out schedule; and to determine if any changes are necessary. This pilot evaluation will occur prior to the end of March 2016. At that time, recommendations will be made to the negotiations teams regarding the conditions for future implementation of elementary collaboration planning time.

Memorandum of Understanding
Between
Elk Grove Unified School District
And
Elk Grove Education Association
Regarding
Three Year Pilot
Secondary Alternating A/B Block Schedule Approval Process

December 5, 2014

Background

Pursuant to Section 14.2 of the Elk Grove Education Association (EGEA) and Elk Grove Unified School District (EGUSD) collective bargaining agreement, secondary schools have a hiring ratio of 32-1 ratio based on a traditional six (6) period day schedule. In order to maintain a 32-1 hiring ratio at a block schedule school under the parties' collective bargaining agreement, an additional allocation of FTE would be required. Past practice, between the District and EGEA, however, has allowed 4x4 block schedule schools to open and continue without an additional allocation of FTE resources because:

- ❖ The block schedule allows longer teacher daily preparation time and less direct teaching time as compared to a traditional six (6) period day schedule.
- ❖ Teachers have fewer class assignments and fewer student contacts during each grading period as compared to traditional schedule schools.

In the past EGUSD and EGEA have not approved the A/B Alternating Day Block Schedule. Instead, conversion of a traditional six (6) period day schedule to an A/B Alternating Day Block Schedule has required an EGEA sidebar process, which allows for deviations from the parties' Collective Bargaining Agreement.

The purpose of the following three (3) year pilot agreement is to allow up to four (4) secondary school sites to change to an Alternating A/B Block Schedule using a different voting procedure than is required by the EGEA Sidebar Process as long as EGUSD provides additional FTE support consistent with this pilot agreement to mitigate the increase in student contacts at one time.

Accordingly, the Elk Grove Unified School District ("District") and the Elk Grove Education Association ("EGEA") collectively referred to as the "Parties" agree to the

following Memorandum of Understanding (“MOU”) for a three (3) year pilot process for the conversion of up to four (4) secondary schools to an Alternating A/B Block Schedule.

1. Unless negotiated by the parties to extend this pilot MOU, the parties agree that this pilot agreement shall expire on June 30, 2018.
2. During this pilot, the parties agree that up to four (4) secondary schools may follow the process included in this MOU to convert their existing school schedule to an Alternating A/B Block schedule. In the event there are more than four (4) schools expressing interest in the pilot, a joint committee, of EGUSD and EGEA representatives, will be established to determine which four (4) schools would be eligible to participate in the pilot.
3. The parties agree that if a high school votes to convert from an existing schedule to an Alternating A/B Block schedule, the school site shall be allocated three (3) additional full time equivalent (FTE) bargaining unit positions. This instructional FTE allocation shall be in addition to the 32:1 (or any future negotiated ratio) school site allocation provided for general education. The augmented FTE shall not be used for non-instructional purposes. The intent of the FTE augmentation is to reduce the number of student contacts created by an A/B Alternating Block Schedule. To insure the integrity and intent of the agreement, a collaborative process between certificated staff and site administration will be used to determine the assignment of the three (3) additional FTE. In addition, a written agreement regarding the assignment of the FTE shall be signed by both parties

and submitted to both the Secondary Education Department and the EGEA Executive Board for review. If there are any issues regarding this collaborative process, EGEA and the District agree to meet and confer to resolve these issues.

4. The parties agree that if a middle school votes to convert from an existing schedule to an Alternating A/B Block schedule, the school site shall be allocated one and a half (1.5) additional full time equivalent (FTE) bargaining unit positions. This instructional FTE allocation shall be in addition to the 32:1 (or any future negotiated ratio) school site allocation provided for general education. The augmented FTE shall not be used for non-instructional purposes. The intent of the FTE augmentation is to reduce the number of student contacts created by an A/B Alternating Block Schedule. To insure the integrity and intent of the agreement, a collaborative process between certificated staff and site administration will be used to determine the assignment of the one and a half (1.5) additional FTE. In addition, a written agreement regarding the assignment of the FTE shall be signed by both parties and submitted to both the Secondary Education Department and the EGEA Executive Board for review. If there are any issues regarding this collaborative process, EGEA and the District agree to meet and confer to resolve these issues.

5. The parties agree that in order for a school to convert to an Alternating A/B Block schedule, the voting process described in Attachment A and Section 6 through 11 of this MOU shall occur and be finalized prior to February 1st, 2015. If less than four (4) schools vote to convert to an Alternating A/B Block schedule by

February 1st, 2015 for the 2015-2016 school-year, schools must vote by February 1st, 2016 for the 2016-2017 school-year. However, no more than four (4) school total may convert to an Alternating A/B Block schedule under this agreement.

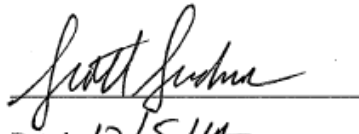

6. Prior to an A/B Block schedule vote, a joint announcement by site administration and EGEA will be made to all unit members at the site that the vote will take place over a two (2) day specified period.
7. In order for a valid Alternating A/B Block voting process, 50% plus one (1) of the eligible voters are required to vote in order to equal a quorum.
8. Eligibility is based on being an active EGEA member. Members on short term paid leave are eligible to vote. Those on unpaid leave are eligible to vote if they remain active/dues paying EGEA members. Eligible voters exclude agency fee payers and bargaining unit members on unpaid leave unless they are dues paying members. EGEA will validate the eligibility of staff members to vote.
9. In order to approve a change to an Alternating A/B Block schedule, 67% of those eligible bargaining unit members who vote, at a school site, are required to vote in the affirmative in order to approve and implement an Alternating A/B Block schedule.
10. The parties agree that an EGEA Site Representative and a Site Administrator shall jointly count and validate the votes.

11. If a school site votes to implement an Alternating A/B Block Schedule, that Schedule shall be implemented for the school year following the vote and shall remain in effect for three (3) school years.
12. The parties agree that at the end of the three (3) year pilot, retention of the alternating A/B Block Schedule will depend on the continuation of the augmented FTE.
13. If the augmentation of three (3) additional FTEs for high schools and/or the one and a half (1.5) FTE for middle schools is continued, then the A/B Block Schedule shall continue if an affirmative vote is taken using the same voting process described in Attachment A and Sections 6 through 11 of this MOU by February 1, 2018.
14. If this MOU is not extended beyond the pilot period, at the end of the three (3) year pilot period, an EGEA Sidebar Process is required in order for a school to continue the A/B Block Schedule without the augmentation of three (3) FTE for the high schools and/or the augmentation of one and a half (1.5) FTE for the middle schools.
15. The parties agree that in order for a school site to convert to an A/B Alternating Block without augmentation, the EGEA Sidebar Process is required.

16. Except as otherwise provided in this MOU, all other terms and conditions of the Parties' collective bargaining agreement regarding hiring ratios shall remain the same.

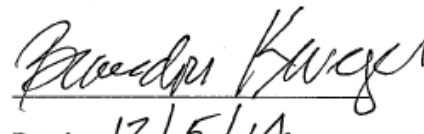

17. The parties agree that this MOU shall take effect upon execution of the MOU by both parties and shall expire on June 30, 2018.
