Sincerely,

Thomas Ahart  
Superintendent

## PREFACE

The policies contained in the *Employment Information Handbook* may be changed or amended at any time with or without notice for many employees. For other employees, agreements for specified time periods may be entered into only with the recommendation of the Superintendent, the Chief Human Resources Officer, the Chief Financial Officer, or an Executive Director with the approval of the Chief Human Resources Officer. It is the employee's responsibility to refer to the DMPS website for updated policies.

**Title: Hostile Work Environment**

In order for the district to accomplish its mission and goals, it is necessary that positive, respectful and productive human relationships be maintained among people employed by, representing and receiving service from the district. Any person who purposefully and without legitimate purpose engages in conduct that creates an intimidating, hostile, or demeaning work environment will be in violation of this policy related to hostile work environment harassment. Such conduct will be a violation of this policy if it is severe, persistent or pervasive and unreasonably interferes with an individual's professional performance.

"Severe" conduct is conduct which inflicts physical discomfort, hardship, pain, or distress. Examples of behaviors that would be considered severe include, but are not limited to, the following:

- Aggressive and unwelcome physical contact;
- Abrupt, physically confrontational behavior which implies imminent danger;
- Overtly hostile, injurious, or destructive behavior;
- Verbal threats of physical harm; and
- Acts of retaliation against a staff member for filing a complaint or offering testimony during an investigative process.

"Persistent" conduct is conduct which is continuous or has existed for a long or longer than usual period of time without sufficient change in function. The following conduct, if persistent, could constitute hostile work environment harassment:

- Raising one's voice above conversational tones in anger, frustration, rage or with the intent of intimidating the listener;
- Directing profane and/or abusive language at others, including name-calling and/or personal, direct and intentional insults; and
- Mocking, taunting or ridiculing others.

Pervasive conduct is conduct which occurs frequently and without sanction in the work environment because it has become an accepted part of the culture of the environment.

Conduct that humiliates, intimidates, excludes, bullies, frightens and or isolates another and is sufficiently severe, persistent and/or pervasive is a violation of this policy.

Inquiries related to hostile work environment harassment or how to file a complaint may be directed to the Human Resources Investigations Specialist, 901 Walnut Street, Des Moines, Iowa 50309, 242-7841.

**Series 400**  
**Code 402.3**  
**Title: Nepotism**

The school district may employ more than one family member. Assignment of members of one family to the same building shall be avoided, if possible.

No person shall directly supervise a member of his or her immediate family. Immediate family includes spouse, children, siblings, parents, step-children or in-laws. Exceptions to this policy must be approved in writing by the Superintendent. In no case shall an employee evaluate an immediate family member.

As with all employees, no employee's family member shall be given preferential treatment unrelated to that person's qualifications, credentials and record.

*Legal reference: Iowa Code Chapter 71  
Adopted August 16, 1994; Revised: January 10, 2003  
Last Review: 2012-2013*

Administrators, specialists, and others in a position to influence hiring decisions are prohibited from hiring directly or indirectly, or through a subordinate, member(s) of their immediate family (spouse, children, siblings, parents, step-children, or in-laws).

Family members can, and do work within the District. However, direct or indirect supervision will be avoided if at all possible. When a potential circumstance arises it must be submitted to the Chief Human Resources Officer and receive final approval in writing by the Superintendent. This policy applies to full-time, part-time, temporary, casual, and intermittent positions as well as private contractors not subject to bidding procedures.

Failure by an employee to disclose a familial relationship of a candidate during the hiring process is grounds for disciplinary action, up to and including discharge.

### **District Employees as Independent Contractors**

Employees of the District cannot also serve as an independent contractor for the District, paid through purchase order or check request in the same tax year. Individuals cannot be paid as both an employee and as an independent contractor.

Determination must be made regarding the need to have a signed contract. Only the Board of Directors has the authority to sign a contract on behalf of the District. In many cases, scope of work agreement is sufficient.

In order to be paid as an independent contractor, appropriate tax forms must be on file in the Business and Finance Office.

## **Hiring Staff**

Part-time, casual, or temporary hiring practices are the same as those for full-time or regular positions. All hiring must be authorized through Human Resources. This includes filling an existing vacant position or a new position approved by the Superintendent or his/her designee. New positions will be advertised, interviews held, and the best qualified candidate selected. The same practice will be followed when selecting individuals for grants. Human Resources sets the salaries for all positions, including those paid for by grants.

The Chief Human Resources Officer may authorize temporary emergency hiring, either through a temporary agency or direct hiring.

The offer of a job or a promise of a job without authorization from a Human Resources administrator is prohibited.

### **Personnel Investigations**

## **Employee Physicals**

Iowa law requires all public school employees to receive a physical examination upon initial employment. The examination must be completed following the offer of employment and prior to the first day of work. Certain categories of school employees are required by law to submit to periodic physicals throughout their employment with the District. Currently those employees that require CDL licensure as a condition of employment must undergo a DOT physical examination every two years. Metro Kids employees and preschool child care workers are required to undergo a physical that includes testing for tuberculosis every two years. Completed physicals are submitted to the *Health Services Department* for processing and are placed in the employee's health file. Employees are encouraged to retain a copy of the physical for their records.

## **Appropriate Apparel**

Any employee who deals with the public should ensure that he or she is appropriately dressed for the occasion. We trust we can rely on the professional judgment of our staff in choosing attire that is appropriate for their particular job responsibilities. Staff is expected to wear attire that is considered acceptable in a business environment. Your attire should help project a professional atmosphere with students, staff, parents and other guests at our offices and schools. Individual buildings or departments may maintain a more detailed dress code than the general guidelines contained in the *Employment Information Handbook*.

Employees shall not wear apparel that reveals bare midriffs or cleavage. Shorts should be “dress-casual” and cut-offs are not allowed. Screen-printed T-shirts and tops with inappropriate pictures and phrases are also not allowed. Denim dresses, skirts, and slacks are appropriate if worn in a casual setting. Barefoot sandals are appropriate for summer, however, thongs and flip-flops are not allowed in the interest of safety.

Shirts and tops that endorse or oppose any political or religious affiliation or otherwise express personal opinions or beliefs of an employee that may be reasonably considered controversial or inflammatory by other employees or constituents of the District are strongly discouraged.

Supervisors may require that apparel they deem inappropriate not be worn again by an employee on duty in the workplace.

As professionals in our schools, we realize and value the public’s perception of our roles as mentors and models for students. Therefore, the following dress code will apply to all employees throughout the school district. It is to be applied for all the days students are in attendance, and for parent-teacher conferences.

### **Acceptable attire**

- Clothes that maintain a professional and appropriate appearance
- Clothes that are neat, clean, and in good repair

### **Guidelines**

- No skirts or slits in skirts/dresses that are shorter than 4 inches above the knee
- No cleavage showing – neckline appropriate
- No spaghetti straps or shirt with straps less than two (2) wide, unless covered by a jacket or top
- No graphic T-shirts
- No hats
- No showing of skin between shirts and pants/skirts
- All staff will wear their district issued ID badges
- No flip flops
- School principal/supervisor discretion on questionable clothing

School district staff members who do not, in the judgment of the principal/supervisor, reasonably conform to this dress code shall receive a notice from their principal/supervisor. Repeated violations or refusal to comply with the directions of the principal/supervisor by an employee could result in disciplinary action up to and including termination.

### **Use of Personal Equipment on District Property**

Occasionally employees bring personal items to work in an effort to help them with the performance of their job. We do not encourage relying on personal equipment to perform District work functions. The District asks that all personal equipment be removed from District facilities and requests for needed equipment should be forwarded to the attention of the immediate supervisor if replacement equipment is needed. If personal equipment has mistakenly been identified with a DMPS tag, it should not be removed from the District until the issue is resolved.

The District shall not be responsible for lost, stolen or damaged personal property. Any such claims will be the responsibility of the employee and his/her respective insurance company.

### **Change of Address and Telephone Number**

It is the responsibility of the employee to keep a current and up-to-date address and telephone number with the District. Changes are not accepted over the telephone. Employees should access Employee On-Line located on the District's website to make changes.

### **Direct Deposit**

Direct deposit is required as a condition of employment. Change of bank information for direct deposit is necessary. Allow up to 30 days for direct deposit after providing new bank information. Employee should leave their previous bank account open until direct deposit has been processed in the new account. Please contact the Payroll Department (242-7747) for any forms or questions.

If an employee is receiving a paper check in the mail, the District is not responsible for lost or undelivered mail. If a check is lost, a new check will not be issued until 6 working days following pay day.

### **Request for Copies**

You may be charged a fee for copies of records, check stubs, W-2s or other requested documents. Receipts will be provided for all payments.

### **Voluntary Early Retirement for Teachers and Administrators**

## **UNIVERSAL PRECAUTIONS**

The District complies with the Occupational Safety and Health Administration (OSHA) safety standards when handling blood and other bodily fluids that could contain blood pathogens. Universal precautions must be used by every employee in the care of students, employees, and visitors who may expose them to blood pathogens or bodily fluids.

### **Why Take Special Precautions?**

Some diseases such as the HIV virus, Hepatitis B or C can be carried in the blood. If someone comes in contact with the blood of a person infected with these illnesses, it is possible for that person to become infected. Some people infected with Hepatitis B or C may show signs of illness such as jaundice, fatigue, nausea, or joint pain. Someone with the HIV virus may have a fever, persistent fatigue, chronic diarrhea, or weight loss. Other people may carry these germs in their bodies for life, but never show signs of the illness. Every precaution to prevent infection should be taken any time you come into direct contact with anyone's blood or bodily fluids.

OSHA has established regulations that must be followed by employees working in settings (to include schools), where exposure to blood pathogens is possible. These regulations require employees to receive training in universal precautions within 6 months of employment and then every year after. This training can be obtained through the building nurse or an online training course offered by Heartland AEA. OSHA also requires the employer to have a plan that addresses how to handle blood exposures. The District Plan is posted on SharePoint. [Search for: Bloodborne Pathogens Plan.pdf]

### **What are the Main Points of the Plan?**

Several practices must be implemented to reduce potential exposure:

**1) OSHA** requires employers to offer the Hepatitis B vaccine series to employees who can reasonably anticipate exposure to blood or other infected body fluids. Categories of employees who qualify are listed in the plan. Human Resources will notify you if you are eligible to receive this vaccine. Information about the Hepatitis vaccine is available,

and the Des Moines Public School District offers eligible employees the vaccine at no cost.

**2) Universal Precautions-** This is the primary safeguard. Follow these precautions with the assumption that all blood or bodily fluids are infectious. All employees who perform any procedure that involves blood or bodily fluids should follow the following guidelines:

- **Gloves:** Wear approved gloves provided by the District when touching blood or bodily fluids containing visible blood or any bodily fluids. Change the gloves after each individual contact. Gloves and other supplies needed to practice universal precautions can be obtained from the School Nurse.
- **Cleanup of Blood Spills:** While wearing gloves, wipe away any visible blood with paper towels then wash the area with a disinfectant agent approved for use by the District.
- **Disposal of Waste:** Place gloves and cleaning supplies in a plastic bag. Seal the bag and give it to the nurse or custodian for proper disposal in an approved Biohazard container.
- **Hand Washing:** Always wash your hands with warm soapy water after removing your gloves.

**3) Engineering Controls:** Place any sharps (needles or lancets) in special sharps container.

**4) Personal Protective Equipment:** It is your responsibility to be sure you have the appropriate supplies to safely care for injuries where blood is present. These supplies can be obtained from the school nurse.

**5) Exposure to Another Person's Blood or Bodily Fluid:** When possible have the person handle their own blood until you can put on your gloves and organize your supplies. If you come in contact with someone else's blood or bodily fluids, wash the area immediately with soap and water. Report the exposure as soon as possible to the school nurse or department manager. You will be asked to complete an employee injury report and will be referred to our Occupational Health physicians for assessment and treatment if warranted.

To prevent indirect exposure, do not eat, drink, smoke, apply cosmetics, lip balm, or handle contact lenses in work areas where occupational exposure to blood or blood products is possible. Avoid leaving food and drinks on work surfaces that could have blood or potentially infectious materials present. If you have questions or need supplies to practice Universal Precautions contact the building nurse or call Health Services at (515) 242-7831.

## EMPLOYEE WORKDAY

Determination of the work schedule and assignment of work will be made by the Des Moines Public Schools and may be changed from time to time to meet the changing needs of the school or department.

The following is an abbreviated explanation of policies and guidelines that have been proven in the past to be the most important for staff members to know. The list is not meant to be all-inclusive.

## **Length of Day**

### Certified Staff

Certified Staff are expected to be on duty during the time the office in the facility where he/she is assigned is normally open. The total required workday for certified employees is 7 hours and 45 minutes, including a 30-minute duty-free lunch. Most certified employees choose to spend more than 7 hours and 45 minutes working each day preparing for students, doing paper work, having parent meetings, etc. The extra time spent is at the certified employee's discretion (except in cases of required meetings and activities) and is not to be accumulated as compensatory time nor is it paid time except when it has been pre-approved by the employer and is paid through such sources as grants when they are available.

### Non-Certified Staff

Non-certified staff includes, but is not limited to, executive secretaries, secretaries, associates, and employees working in food service, transportation, operations, crafts, child care, and any hourly wage jobs.

The total workday and workweek for non-certified staff members is to be determined by each department. *Please refer to Comprehensive Agreement for specific hours for each group. Those employees who are not eligible for coverage under a bargaining unit will work 7 hours and 30 minutes with an hour or half hour duty-free lunch.*

## **Arrival and Dismissal Time**

Arrival and dismissal times for each employee will be determined by the needs of the school or the department.

## **Lunch Period**

Unless the *Comprehensive Agreement* for a certain group has other stipulations, each employee will be provided a 30 minute uninterrupted lunch break. Lunchtime is to be duty-free with no supervisory requirements except in an unusual situation such as one involving student safety.

## **Leaving the Building**

Employees may leave the building during the workday with the permission of the principal or department supervisor. When leaving your work area for more than a few minutes, notify the office secretary or a supervisor:

- That you are leaving
- Where you are going
- How long you plan to be gone

This serves as protection for you and the District.

## **Rest Periods**

Non-certified staff members are entitled to one 15-minute break in the morning and one 15-minute break in the afternoon of a full workday. Breaks not taken within the day will not be accumulated or added to comp time. The 15-minute breaks cannot be added together to make a 30-minute break and they cannot be combined with the 30-minute

lunch period to make a longer lunch period. Breaks may not be used at the end of the day to leave early or at the beginning of the day to arrive late.

### **Visitors during Working Hours**

Employees' guests and children are not normally allowed at work during your regularly scheduled hours or while you are working paid overtime. Employees should not bring their children to work when daycare or other supervision is not available. Both your work and your children require your full attention.

Special occasions may arise, however, when it is important for a member of your family or a friend to see you during office hours and this may be allowed at the principal's or department supervisor's discretion. Such occasions should occur rarely and should not distract others or interfere with your work duties and responsibilities.

### **Gifts**

Except for incidental gifts of negligible monetary value, gifts from parents or students to staff members who have direct influence over the student are prohibited. [Code 437]

### **Tutoring**

Certified personnel under contract shall not render tutorial services for pay during the hours school is in session. In unusual circumstances, teachers may, with approval of the superintendent or the superintendent's designee, be employed as tutors of pupils currently enrolled in their classes. Private tutoring sessions for pay should not use school materials or facilities. [Code 443]

### **Policy Regarding Staff Providing Respite Services**

Respite Care Services in the community are important to children with special needs and their families. District staff members have special skills and may have the interest in providing respite services during non-contract hours.

The decision to provide respite care services during non-contract time is a personal decision of each staff member. However, staff should not provide such services to students for whom they have responsibility during the school day.

In the rare case that an exception to the policy is desired, a request should be made in writing to the principal. The principal will confer with the special education supervisor and convene the educational team that serves the child, including the parent, to discuss the merits of an exception to the policy as it relates directly to the individual student's needs.

Exceptions, when granted, are temporary. The sponsoring respite care agency along with the parent will work to identify other respite care providers who might be of assistance to the family as soon as possible. School staff will provide relevant information to the respite care provider as appropriate.

## Meetings and Night Activities

### Certified Staff

According to the *Comprehensive Agreement*, certified employees may be required to remain after the regular workday to attend faculty meetings or activities no more than twice a month. Attendance at the meetings shall not be required longer than one hour and fifteen minutes after student dismissal time.

In addition to staff meetings, certified staff may be required to attend up to two nights or early morning activities per semester.

### Non-Certified Staff

Non-certified staff will not be required to attend night or early morning meetings each semester beyond the possible two staff meetings a month.

An employee may be required to remain after the end of the regular workday for the purpose of attending faculty meetings or activities no more than 2 times each month. Attendance at such faculty meetings or activity shall not be required longer than one hour and 15 minutes beyond his/her regular dismissal time. Employees shall receive compensatory time for all time spent in meetings after the regular workday. Compensatory time shall be earned in increments rounded to the closest fifteen (15) minutes.

### **Compensatory Time for Eligible Employees**

Employees in some non-certified positions may accumulate pre-approved and use pre-approved compensatory (comp) time under certain conditions as determined by the employer. Only non-exempt employees are eligible.

The decision to grant compensatory time for a special project by an individual remains the discretion of the employer and must be pre-approved by the school principal or the department supervisor. When an eligible employee requests to accumulate compensatory time in order to complete a certain project, the rationale and expected length of time necessary to accomplish the assignment must be specified within the request. **Under no circumstances will an employee accumulate compensatory time without pre-approval from the principal or department supervisor.**

Taking a 30-minute lunch break for the sake of building up comp time toward taking time off at a later date is not allowed. Everyone is encouraged to take a lunch break. Under no circumstances will unused breaks be included as accumulated compensatory time. Unused break times may not be used to acquire comp time.

Requests to start work early or stay later if you are aware of an upcoming appointment which will require less than a half-day is appropriate. If you will need to be out a half or full day, you are encouraged to use appropriate leave, including accumulated comp time, emergency, special leave, or vacation depending upon the reason for the absence.

Comp time should not be accumulated or used to extend a vacation or holiday period.

Comp time should not be accumulated for use in the event you would need to be absent from District duties because of a second job.

When transferring from one assignment to another, all comp time must be used before the effective date of the transfer. No comp time can be carried from one assignment to another.

### **Use of Compensatory Time**

Employees are required to secure the approval of the building principal or immediate supervisor before using accumulated compensatory time. Accumulated compensatory time is to be taken when it will cause the least interruption of instruction or disruption of the school or department. The decision about when compensatory time is used must be pre-approved by the school principal or department supervisor. The principal, department supervisor, or a designee must approve use of compensatory time in NOVAtime.

All accumulated comp time must be used by June 30<sup>th</sup> of the same fiscal year.

### **Holiday Pay for Secretarial/Clerical Employees**

Interpretation of the *Secretaries/Clerical Comprehensive Agreement* regarding pay to secretaries/clerical staff that are not in paid status the working day before or after a holiday is as follows:

The contract states: *“An employee will be eligible for holiday pay if the employee would have been scheduled to work on one of the specified holidays and if the employee worked the last scheduled day prior to the holiday and the next scheduled day following unless excused by his/her immediate supervisor.”*

The intent of the language is to ensure that management has adequately protected the right to direct the work of its employees and to maintain the efficiency of governmental operations.

It has been the consistent intent of the contract that in the event an employee has exhausted all compensated leave benefits and is allowed to forfeit salary (deduct) to extend their holiday, the employee also forfeits holiday pay.

### **Holiday Pay for All Employees**

The consistent intent and interpretation of the contract is to require an employee to be in paid status the afternoon of the working day prior to the holiday or spring recess if applicable, and the morning of the working day following the holiday or spring recess if applicable in order to be eligible for holiday pay.

# ATTENDANCE

## Employee Absence Reporting Policy

It is important that you understand the absence reporting steps now, rather than in the event of an emergency or illness.

### Employees Needing a Substitute:

- **Those needing a substitute must be registered with the Automated Absence Reporting System.** If you have not registered and do not have the Employee's Quick Reference pamphlet, call the Employee Attendance Center at 242-8100 for assistance in the registration process. When you register with the automated calling system, you will receive your P.I.N. (Personal Identification Number).
  
- **All sick days and emergency absences must be reported to the Automated Absence Reporting System in order to receive a job number.** Absences can be reported by calling 619-6231 or going online under the Staff Quick Link on the district website. The principal or supervisor will report all other absences such as bereavement, special leave, deduct, etc. Every absence receives a job number.
  
- **Failure to get a valid job number** for an illness or emergency absence before the workday begins, may result in disciplinary action or deduction of salary.
  
- Notify your school by 1:00 p.m. on the day you are absent to indicate:  
    **"Yes"**, I am returning or **"No"**, I am not returning
  
- The principal, supervisor, or designee will extend your absence on the Automated Absence Reporting System and retain the substitute if necessary. If you return to work, but do not notify your principal or department supervisor and a substitute reports the next day, the substitute will be paid for half a day. This will be deducted from your salary.

### Staff Not Requiring a Substitute

**Employees who do not need a substitute will request anticipated leave through NOVAtime, accessed on the district website under Quick Links by clicking on Staff -> Employee Absence.** All leave requests must be approved by a supervisor or their designee. In the event of an unforeseen absence (such as emergency, illness, or bereavement) an employee must notify their supervisor or their designee, before scheduled work hours. Should the employee's leave extend beyond the pay period, the supervisor, or their designee, may enter leave on behalf of the employee.

**If time is missed during regularly scheduled working hours**, for any reason other than an authorized absence, you will be considered absent. Please notify your office secretary or supervisor regarding your whereabouts. This serves as protection for you and the District.

**An employee absent from work for three consecutive scheduled work days, without providing notification of a valid excuse to the employer, will be considered to have voluntarily terminated their employment.**

***Accurate Information is Critical***

### **Half-day Absence**

A teacher's workday is 7 hours and 45 minutes. A half-day absence is up to 3 hours and 50 minutes. A teacher's absence entered into the system for 4 hours will be charged as a full day. If a substitute is required, he/she will be paid a full day.

An associate's workday is 7 hours and 30 minutes. A half-day absence is up to 3 hours and 45 minutes. An associate's absence entered into the system for 4 hours will be charged as a full day. If a substitute is required, the substitute will be paid a full day.

If the Automated Absence Reporting System information regarding your location or job description is incorrect, please call the Employee Attendance Center immediately at 242-8100 so corrections can be made. It is very important that all information pertaining to any absence is accurate.

You may review your PIN or information by following the instructions on the back of the Employee's Quick Reference pamphlet. A bright orange card is also provided to you with the system phone number, the Employee Attendance Center phone number, and a space to record your P.I.N. If you need assistance, please call the Employee Attendance Center at 242-8100.

## **LEAVES OF ABSENCE**

**It is the employee's responsibility to monitor all leave balances before requesting leave.**

### **Sick Leave**

The purpose of sick leave is to prevent any loss of pay to employees who are medically disabled because of an illness or accident, and not capable of performing the duties of their job. Sick leave should not be abused, and excessive use may result in your supervisor requiring a doctor's excuse for any absence. Sick leave is not intended to be used for routine doctor and dental appointments. However, employees may use sick leave for a doctor or dental appointment, for which the employee has no control; e.g., dental emergencies or medical testing that can only be scheduled during the normal workday. It is expected that employees will schedule routine doctor and dental appointments on an **Emergency/Personal day** or during non-working time whenever possible.

If you find that you must be absent because of illness or any other cause, promptly notify the Employee Attendance Center and your supervisor, prior to your regularly scheduled starting time. Your supervisor will want to know the reason for your absence and approximately when you expect to return, in order to properly reschedule your job duties or arrange for a substitute. For absences of more than three days, it is the District's expectation that you provide regular updates regarding your absence and your expected return to duty. If you are out of the office for five or more consecutive days due to an illness, you must bring a "return to work" release from your doctor. Failure to provide this release may lead to denial of benefits and discipline, up to and including discharge. Your supervisor may ask you to bring a doctor's release after any period of illness, and may ask you to report to the Health Services Department at any time. It is your responsibility to notify the Benefits Department if you need to use FMLA leave.

Unused sick leave accumulates from one year to the next. Sick leave may not be transferred from one employee to another.

### **Family Illness Leave**

In the event of an illness within the immediate family, an employee shall be granted up to three (3) days of absence. Such leave shall be granted without loss of salary. However, the days taken shall be deducted from the employees personal accumulated sick leave. The immediate family shall be construed to mean father, mother, son, daughter, wife, husband, brother, sister, mother-in-law, father-in-law, son-in-law, or daughter-in-law and step relatives of the same degree. A statement from the attending physician may be required as proof of illness. Usage of more than three days of family illness will result in loss of pay for that day.

### **Emergency / Personal / Religious Leave**

Full-time employees have 2 emergency days and 1 personal day to use subject to the approval of your immediate supervisor.

Religious leave that is granted shall be allocated as personal leave or vacation. In the event the employee has neither available, a reasonable amount leave without pay may be permitted at the discretion of your immediate supervisor.

### **Jury Duty**

When an employee is summoned for jury duty, the District does not automatically deduct vacation, emergency or personal leave. The District will continue to pay an employee for days missed on jury duty. However, an employee is required to reimburse the District for the amount the County pays a juror for service, minus mileage. In addition, the employee must submit proof of jury attendance provided by the court (see SharePoint for complete guidelines related to employee jury duty.)

Any amounts in excess of the per diems are considered mileage and parking reimbursements and may be kept by the employee.

If the Business Office has not been reimbursed and documentation of service not provided within 30 days of the completion of service, the employee will be docked one day's pay for each day served.

Reimbursements of jury duty compensation should be sent to:

**Des Moines Public Schools  
Business & Finance Dept.  
901 Walnut St.  
Des Moines, Iowa 50309**

### **Bereavement Leave**

Contact your principal or department supervisor if you have suffered a death in your family. Bereavement leave is available in case of the death of a wife, husband, or (step) child of an employee or the employee's or spouse's (step) father, (step) mother, (step) brother, (step) sister, (step) grandchild or grandparent. The employee must apply by notifying their immediate supervisor and entering the request in NOVAtime upon their return. Employees may request approval of absence from duty for up to five days to attend the funeral or take care of other matters directly related to the death.

Sometimes there is misunderstanding about which in-law is considered immediate family. In the case of the death of your or your spouse's (step) mother, (step) father, (step) brother, (step) sister, you would be eligible for up to five days of bereavement leave. However, in the case of the death of the brother's or sister's spouse, you would be eligible only for either a half-day or one full day as explained below.

<b>Relationship to Employee*</b> <i>(Ask yourself, "Is it my...?")</i>	<b>Relationship to Spouse of Employee*</b> <i>("Is it my husband's/wife's...?")</i>	<b>Number of Days Allowed for Bereavement Leave</b>

Grandparent	Grandparent	Up to 5 days

## Summary of Iowa Administrative Code 281 – Chapter 103

### Restraint

Restraint is an application of physical force that reduces or restricts another individual's ability to move their arms, legs, body, or head freely. Temporarily holding to assist with participation in activities of daily living is not considered restraint. All school employees, before using physical restraint, shall receive adequate and periodic training which shall be documented. The District offers Crisis Prevention Intervention (CPI) training for staff members who will likely use physical restraint during the course of their job duties. Ideally, only staff members who have received CPI training will use physical restraint. However, employees are authorized to use reasonable and appropriate means of restraint as may be necessary to prevent a student from harming himself or herself or others or in self-defense in the event a CPI trained staff member is not available. Restraint should not cause serious or permanent harm. **Prone (face down) restraint is specifically prohibited under all circumstances, as well as mechanical restraint or any restraint that involves the head or neck.**

### Physical Force

Corporal punishment is the intentional physical punishment of a student, including the use of unreasonable or unnecessary physical force, or physical contact made with the intent to harm or cause pain. **Corporal punishment of a student is specifically prohibited.** However, teachers, administrators and other staff are authorized to use reasonable force in self-defense, defense of another, or to prevent an act of self-harm. Staff should refrain from making unnecessary physical contact to quell a disturbance that does not present imminent danger of physical harm, when a student does not respond to a verbal directive, to remove a disruptive student from class, or to prevent the damage of property.

### **Physical Confinement**

Physical Confinement is confinement of a student in a time-out room or some other enclosure, whether within or outside the classroom, from which the student's egress (exit) is restricted. All school employees, before using physical confinement and detention, shall receive adequate and periodic training which shall be documented. The District offers Crisis Prevention Intervention (CPI) training for staff members who will likely use physical confinement and detention during the course of their job duties. Physical confinement does not include time-out at a desk, in a corner, at the back of a class, in the hall, afterschool detention, or typical in-school suspension arrangements. Confinement should be reasonable (as short as possible) and allow for bodily needs. If over 30 minutes or 1 period (whichever is shorter), an administrator must authorize the continued confinement.

### **Documentation Requirement**

## **ALTERNATIVE TEACHER CONTRACT**

### **INITIAL ELIGIBILITY OPTION**

The Alternative Teacher Contract option is available to any regular full-time certified and regular part-time certified classroom teachers who are new to the teaching profession, as defined in the 2012-2013 Teacher Comprehensive Agreement. It is the mutual expectation and understanding of the District and Association that part-time teachers working under the Alternative Teacher Contract will participate fully in the requirements of the Alternative Teacher Contract.

### **ENROLLMENT IN ALTERNATIVE TEACHER CONTRACT**

For the 2012-2013 school year, and in future school years, the District will allow any teacher who is new to the teaching profession the option of agreeing to work for the District under the terms of the Alternative Teacher Contract. Teachers working under the Alternative Teacher Contract will receive documentation, including this Handbook, of their decision to work under the terms of the Alternative Teacher Contract.

### **DURATION OF ALTERNATIVE TEACHER CONTRACT**

It is the intent of the District, and of teachers choosing to work under the Alternative Teacher Contract, that the teacher shall continue working under the Alternative Contract through their first eight years of employment as a teacher with the District.

### **WITHDRAWAL FROM ALTERNATIVE TEACHER CONTRACT**

If, during a teacher's fourth year working under the Alternative Teacher Contract, a teacher wishes to opt out of future years in the program, they may do so by submitting written notification to the DMEA president and to the Chief Human Resources Officer. Written notice must be received by both on or before April 1 of the teacher's fourth year. The Chief Human Resources Officer will consider additional requests to opt out of the Alternative Teacher Contract on a case-by-case basis. Requests shall be made in writing, stating the reason(s) for the request.

### **EVALUATIONS**

#### **Years One through Four:**

During the first four years under the Alternative Teacher Contract, the District will utilize an evaluation team to evaluate teachers working under the Alternative Teacher Contract. The evaluation team will consist of the teacher's principal and two others, including, but not limited to School Improvement Leaders, District curriculum coordinators, vice-principals, principals from other buildings, or District executive directors. The teacher's building principal will serve as the evaluator of record.

The District will formally observe, for the purpose of evaluation, each teacher working under the Alternative Teacher Contract at least two times during the first semester of each year and at least one time during the second semester of each year. The two other evaluation team members will conduct one observation each, as directed by the building principal. This will provide a minimum of 3-5 opportunities for feedback throughout the year by the evaluation team.

It is the intention that all members of the evaluation team should be certified as evaluators; however, there may be limited instances where the evaluation team will consist of one non-certified individual. Prior to using the non-certified individual, the District will notify and receive approval from DMEA for the use of the non-certified individual.

**Years Five through Eight:**

During years five through eight under the Alternative Teacher Contract, the District will evaluate teachers annually. The evaluation will be performed by the teacher's principal or vice-principal.

**Years Nine and Beyond:**

Teachers in year nine and beyond will be evaluated once every three years by a building administrator.

## **SUPPORT TEAMS**

During the first three years under the Alternative Teacher Contract, the District will assign teachers a three-person support team. The purpose of this support team is to provide mentorship and non-evaluative support. The team will consist of an administrator, one teacher in the same content area or grade level, and one mentor teacher in the same building, as determined by the building principal.

Support teams may be required to mentor several teachers who are in their first three years working under the Alternative Teacher Contract. The District will strive to ensure members of the support teams are not over-burdened and that teachers working under the Alternative Teacher Contract have access to quality mentors.

The teacher, the teacher's support team, or the teacher's evaluation team may request that the teacher receive a fourth year of support. The request shall be made in writing and presented for approval to the Chief Human Resources Officer. An extension of support into a fourth year under the Alternative Teacher Contract is not equivalent to an extension of the probation period under Iowa Code 279.19.

## **TRANSFERS**

It is the mutual expectation of the District, the Association, and the teacher, that teachers participating in the alternative contract do not transfer between buildings. However, the District may allow teachers one transfer during their first eight years. To initiate a transfer, the teacher must interview with the Chief Human Resources Officer or his/her designee to determine the reason for the transfer. In addition, the teacher may request an interview with an Association representative. Following the interview with

Human Resources, the teacher will interview with the leadership team for the school they have requested a transfer. The transfer decision will be made by the Human Resources Department after the teacher interviews with the requested school's leadership team. Additional transfer requests will be considered by the Chief Human Resource Officer or his/her designee on a case-by-case basis and will be based on the needs of the teacher and the needs of the school system as determined by the District.

It is the intent of the District to keep teachers in their original assignment. However, during times of reduction in force, the District may transfer teachers to accommodate its reductions.

## **PROFESSIONAL DEVELOPMENT**

### **Years One through Four:**

During the first four years that a teacher works under the Alternative Teacher Contract, the teacher shall participate in a series of professional development courses provided by, and collaboratively developed with, the District. Courses may include, but not be limited to, topics such as working with students in poverty, working with ELL students, data teams, writing to learn, standards-based assessment, gradual-release instructional model, and classroom management.

Teachers who successfully complete four years of teaching under the Alternative Teacher Contract and complete the District professional development program, will be renewed under the Alternative Teacher Contract for year five unless the teacher requests to change to the traditional contract. If the teacher does not successfully complete four years under the Alternative Teacher Contract, he/she will revert to the traditional contract. Reasons why the District may choose not to continue a teacher on the Alternative Contract may include, but are not limited to, tardiness or absences that the District determines are excessive, poor evaluations, and difficulty or inability to perform the requirements of the alternative contract.

### **Years Four through Six:**

Beginning in the second semester of the fourth year that a teacher works under the Alternative Teacher Contract, the teacher will start taking coursework that will count toward the teacher's master's degree.

During the fifth and sixth years that a teacher works under the Alternative Teacher Contract, the teacher shall participate in a series of graduate courses developed collaboratively among the district, the DMEA, and an accredited institution of higher education. Courses may include, but not be limited to, topics such as utilizing technology to engage students in and improve student learning, content-specific instructional strategies, performance-based assessments, assessment literacy, utilizing data to guide/modify instruction, collaborative evaluation of student work, providing constructive feedback to students, and peer collaboration/feedback strategies.

Teachers, who complete the aforementioned curriculum successfully, will fulfill the requirements for a master's degree in effective teaching offered through DMPS in

cooperation with an accredited institution of higher education.

### **Years Seven and Eight:**

Teachers who successfully complete the District's master's degree program will remain with the District for at least an additional two years, serving under the Alternative Teacher Contract as teachers, teacher-leaders, mentors, or in other roles, with at least 50% of their time spent in direct contact with students.

If under the terms of the Alternative Teacher Contract, a teacher successfully completes eight years of teaching, as well as the District's professional development program, earning a master's degree, the District will renew the teacher for year nine on the traditional contract.

If after beginning the master's program, a teacher leaves employment prior to completing eight years of District service; the teacher will reimburse the District for costs associated with their master's degree. Reimbursement will be pursuant to applicable DMPS Board policy.

### **WORKWEEK**

During years one through eight, District teachers working under the Alternative Teaching Contract shall have a workweek that is the equivalent of 90 minutes longer than teachers working under the traditional contract. Work performed during this additional workweek will be directed by the District, with the intention to allow for participation in requisite professional development activities.

### **ANNUAL CALENDAR**

During years one through four, teachers working under the Alternative Teaching Contract shall have two additional days of service for the purpose of participation in professional development activities that are established collaboratively between the District and Association. Alternative Teaching contract teachers will perform one day of service through a full-day professional development day scheduled at the beginning and end of the school year

During years five through eight, teachers working under the Alternative Teaching Contract shall have one additional day of service for the purpose of participation in professional development activities that are established collaboratively between the District and Association.

### **ATTENDANCE AND LEAVES**

It is the mutual understanding and expectation of the District, Association, and teachers working under the Alternative Teaching Contract that teachers working under the Alternative Teaching Contract shall attend and participate in all scheduled professional development activities and additional Workweek activities.

Employees using appropriate leave pursuant to Article XV of the Comprehensive Agreement will not be expected to attend the professional development activities or Workweek activities on the day(s) absent.

Employees who are temporarily unable to perform their responsibilities under the Alternative Teaching Contract, for example, due to a documented medical leave, political activity leave, sabbatical leave, or other unforeseen life event, may request an extension of the Alternative Teaching Contract, not to exceed one school year. The request shall be made in writing and presented for approval to the Chief Human Resources Officer.

## **COMPENSATION**

### **Years One through Four:**

During years one through four, teachers who successfully complete one year of service under the Alternative Teacher Contract will receive an increase of pay equivalent to 1% of their base pay.

If the District determines the teacher made adequate progress in the aforementioned professional development program, the teacher will, instead, receive a salary increase equivalent to 1.5% of their base pay.

### **Years Five through Eight:**

During years five through eight, teachers who successfully complete one year of service and make adequate progress in the professional development and master's program under the Alternative Teacher Contract will receive an increase of pay equivalent to 1% of their base pay.

If the District determines the teacher successfully achieved student learning growth targets (outlined below), the teacher will, instead, receive a salary increase equivalent to 1.5% of their base pay.

### **Years Nine and beyond:**

Teachers who have successfully completed eight years under the Alternative Teacher Contract will have earned a master's degree in teacher effectiveness through the District program and an accredited university. Teachers will be placed on the traditional salary schedule at the appropriate cell commensurate with their years of District service and education.

## **STUDENT GROWTH TARGETS**

Building administration and the teacher shall mutually agree on teacher growth targets and how they will be assessed. It is recognized that growth targets may vary from teacher to teacher, team to team, and building to building.

Growth targets shall be based on the needs of students and shall clearly demonstrate meaningful student learning. Growth targets shall be respectful of multiple intelligences, varied student needs, and different learning modalities, demonstrated through a variety

of measures, including, but not limited to, portfolios, presentations, written work samples, essays, performances, projects, and tests. Growth targets must be based on the curriculum being taught and the District Graduate Ends and shall never be based solely on nationally available, norm-referenced tests.

If the teacher meets student growth targets, the teacher shall receive the aforementioned additional compensation. If the teacher does not meet student growth targets, there will be no evaluative repercussions. Teachers are encouraged, with support from their team, to reflect on student growth target results and consider if adjustments in the teacher's practice and/or assessment method should be adjusted for the subsequent year.
