If the Board or the administration consider any changes in the bargaining unit (Unit I) represented by TAAAC, negotiations will be held with TAAAC prior to negotiations with any other group or organization and before any change in the composition of Unit I. Further, changes in the composition of the TAAAC bargaining unit may not occur during the life of any negotiated contract without mutual consent of TAAAC and the Board, provided, however, that if Section 6-404(b) (or a successor provision) of the Education Article is repealed or is invalidated by a court, this provision of the agreement shall be void.

- F. Non-Discrimination by TAAAC**
TAAAC agrees to continue its policy of non-discrimination, as set forth in its bylaws, in admitting Unit I employees to membership, applying the terms and conditions of membership, and representing Unit I employees without regard to membership or non-membership in TAAAC. Agreements reached shall be submitted to the parties for ratification at their next regularly scheduled meeting following a five (5) work day preparation period.
- K. Severability**
The Board and TAAAC agree that if any of the provisions of this Agreement or the application thereof to any person or circumstance shall be held invalid for any reason, such invalidity shall not affect the other provisions or any other application of this Agreement which can be given effect without the invalid provision or application, and to that end all provisions of the Agreement are hereby agreed and declared to be severable.
- L. Reopening Negotiations by Mutual Consent**
The Board and TAAAC agree that the terms and provisions herein contained constitute the entire Agreement between the parties and supersede all previous communications, representations or Agreements, either verbal or written, between the parties hereto with respect to the subject matter herein. The member will be paid his/her salary beyond the ninety (90) duty days after the hearing request if the Board's decision has not been rendered and if the delay in the proceedings has been caused or requested by the school system's staff, counsel, or hearing examiner. The member must further agree to a hearing to be held within sixty (60) days of the date the member's counsel is provided with the complete administrative investigative file and a letter from the Superintendent of Schools specifying a detailed list of the allegations upon which the Superintendent's recommendations are based. If this time period is during the summer between school years, the hearing will be held only when witnesses are available, even if this causes the hearing to be conducted outside of the above sixty (60) day requirement.

Unit I members engaged in political activities such as seeking or holding public office shall not use the school's secretarial help, mailing service, telephone, office equipment and/or supplies for this purpose. P. **Responsibility for Materials, Books and Money**

Unit I members may from time to time be required to collect and transmit money to be used for educational purposes. They will not be held responsible for the loss of such money provided the loss is not due to their negligence and provided they have followed the procedures established by the school for the handling of funds. Unit I members will be answerable for the books, materials and equipment assigned to them in the course of an

academic year. They will not be financially responsible for the materials, their loss or damage to them unless they are negligent.

2. Before beginning work for pay with any student, the tutor shall have consulted with the regular teacher of the subject to be tutored. Where receipt of a unit of credit is involved the tutor and the student shall have received prior approval from the local school principal. Pupil services persons shall have consulted with the principal before beginning work for pay with any student outside the school(s) to which they are assigned.

S. High School Graduation

Unit I educators who attend and assist with graduation exercises outside the established work week will receive one-half day of early release time. The day shall be mutually agreed upon between the educator and principal and may occur before the graduation date, but if the educator fails to attend and assist after taking the day, one-half day will be deducted from the educator's leave account.

T. Right to Confidentiality

Unit I members have the right to confidentiality in disciplinary actions and job counseling. AACPS administrators and supervisors shall ensure that such actions are taken outside of the presence, view, or hearing range of colleagues, students, parents, members of the public, and other administrators who do not have a role in the action. In the event that an investigation is conducted, the existence of the investigation shall not be revealed to any person without a need to know. ARTICLE 3

SALARY AND OTHER COMPENSATION

A. Teacher Scale

One full step increase will be provided to all eligible Unit I employees as provided by standing language in Article 3F.

Unit I employees residing on the top step of their salary grade will receive a permanent 1% increase.

Both parties agree to pursue a joint multi-year effort to create a competitive salary scale for Unit I employees that is at least in the mid-range of the surrounding districts on every step and every column. Those surrounding districts include Montgomery, Calvert, Howard, Prince George's, Baltimore County, Baltimore City, Harford, and Queen Anne's.

B. Master's Plus 30 Hours

A salary increment for the Master's degree plus 30 hours shall be based on a completed program approved by the Executive Director of Human Resources. To be eligible for consideration for the increment, an applicant shall hold a professional certificate and shall have earned a Master's degree and at least thirty hours of acceptable post-baccalaureate graduate credit in professional education courses for kindergarten through grade twelve or in content fields represented in the AACPS curriculum.

A grade of "B" or better in all courses submitted shall be required in qualifying for the increment for Master's plus thirty hours of study, except that completion of an established program of advanced study at a university, such as the Advanced Graduate Specialist program, shall be accepted by the Board.

Master's Plus 60 Hours

A salary increment for the Master's degree plus 60 hours shall be based on a completed program approved by the Executive Director of Human Resources. To be eligible for consideration for the increment, an applicant shall hold a professional certificate and shall have earned a Master's degree and at least sixty hours of acceptable post-baccalaureate graduate credit in professional education courses for kindergarten through grade twelve or in content fields represented in the AACPS curriculum.

A grade of "B" or better in all courses submitted shall be required in qualifying for the increment for Master's plus sixty hours of study, except that completion of an established program of advanced study at a university, such as the Advanced Graduate Specialist program, shall be accepted by the Board.

C. Doctorate Degree

A Doctorate degree shall be recognized for a salary increment if it was earned at a regionally accredited university in a subject or field which the Maryland State Department of Education has recognized through the issuance of a certificate at the bachelor's or master's level of preparation.

An additional increment shall be paid to any teacher holding a Doctorate degree who is eligible in accordance with the provisions of this item.

D. Exception for Conditional Certificate

Holders of Provisional Degree Certificates who are within three (3) semester hours of completing Standard Professional Certificate requirements, or who have completed the teacher education program in their teaching fields in a regionally accredited college but do not meet Maryland's requirements, shall be paid on the professional salary scale for one (1) year to give them an opportunity to qualify for the Standard Professional Certificate.

E. Penalty Lapsed Certificate

Unit I members who are issued conditional certificates because of failure to renew professional certificates will have their salaries reduced by \$1,000 the first year, \$1,500 the second year and \$2,000 the third year and each year thereafter until they have reinstated their professional certificates.

F. Experience Credit

Except as provided below, a new Unit I member or former Unit I member in AACPS shall receive experience credit for up to twenty (20) years of verified full-time teaching experience during the regular session, from preschool through grade twelve, in an educational institution which is approved by the State Department of Education in the state in which it is located or related professional experience within their area of certification.

External applicants entering AACPS service for the 2017-18 school year will have their respective credit for prior experience reduced by one (1) year less than this section would otherwise provide.

The Superintendent and the Board may offer up to five (5) additional years of experience credit to exceptionally qualified candidates in hardship areas as designated by the Division of Human Resources. No present or former Unit I member of AACPS shall lose any years of experience credit which the AACPS had recognized. However, a former Unit I member who has had teaching experience elsewhere since leaving AACPS shall be limited to the above experience credit for subsequent teaching experience outside the system if rehired by AACPS.

The limitation of experience credit for teaching outside Anne Arundel County shall not preclude the granting of additional credit for military service or work experience in accordance with policies of the local or state board of education. Experience credit may also be received for up to fifteen (15) years of related professional experience within their area of certification.

The 10-month school year shall consist of one hundred ninety one (191) days; a full month of teaching experience shall normally be considered nineteen (19) days. To compute the experience credit of an individual teacher the following shall apply:

1. Lost time shall be the leaves of absence which are normally granted without experience credit, or any other leaves granted in special circumstances and any time without pay.
2. The sum of these lost time absences shall be divided by nineteen (19) days to determine the months of lost experience credit; a major fraction shall be rounded off at the next highest number of months.
3. To determine the creditable months of experience, the months of lost service as computed above shall be subtracted from a full school year of ten months.
4. Days lost after the expiration of a Unit I member's earned accumulated sick leave shall not constitute a break in service.
5. Days lost after the expiration of sick leave are regarded as lost time (regardless of whether or not salary is continued by the sick leave bank).

Except as indicated above, at the beginning of the school year each Unit I member shall be placed on the salary scale at the next step above that of the previous year. Part-time employees will be moved up the salary scale on a pro-rated basis based upon full-time equivalency. If the Unit I member has been rated Second Class the member will not be placed on the next experience step. A major fraction shall count as a whole year in determining the step, although the record of experience credit in whole numbers and tenths, to which experience in succeeding years shall be added.

Part-time teachers shall receive credit for service in the same proportion as their fractional part of the full-time salary.

G. Salary Scale for Counselors, Psychologists, Psychology Specialists, Speech Pathologists, Pupil Personnel Workers and Social Workers

The salary scales for psychologists, psychology specialists, and pupil personnel workers are set forth in Appendices A through AAAA which are attached to this Agreement. The salary scales for 200-day, 210-day, and 12-month counselors are set forth in Appendices A through Appendix AAAA which are attached to this Agreement.

1. Pupil services persons shall be credited with .5 days of sick leave for each pay period they are employed, the total of which will be available at the beginning of the school year.

While on jury duty Unit I members shall not be required to endorse their compensation checks to the Board in order to have full salaries continue.

D. Court Summons

A Unit I member may be absent without loss of salary or when subpoenaed to appear in a state or federal court, or at a proceeding of the State Board of Education, provided the subpoena or summons is not issued (1) in connection with an offense for which the member is found guilty or granted probation before judgment; if the employee is found guilty of an offense and the finding of guilt is reversed on appeal, the salary will be restored, or (2) in connection with a non-work related civil case in which the member is a moving party in the action.

E. Bereavement

Each Unit I member shall be granted five (5) calendar days of absence without loss of salary on the death of a child, stepchild, parent, stepparent, spouse, sibling, stepbrother, stepsister, aunt, uncle, parent-in-law, son-in-law, daughter-in-law, sister-in-law, brother-in-law, niece, nephew, grandparent, grandchild, spouse's grandparent, or one who has lived regularly in the household of the member. One of the five (5) days must be the day of the funeral or interment. The remaining four (4) days may be taken either immediately before, immediately after, or surrounding the day of the funeral or interment, to meet the needs the circumstances dictate for the Unit I member. Upon written request from the member, stating the circumstances which made additional time necessary, the Superintendent or designee may authorize six (6) calendar days.

F. Early Leaving for Summer School

When summer school attendance requires early departure, a teacher may be excused without loss of salary on the days on which teachers are required to remain for the completion of records, provided the teacher:

1. Makes a written request, and
2. Has been in attendance through the last day school was in session for pupils, and
3. Has completed end-of-the-year obligations to the satisfaction of the principal, and
4. By June 27 furnished the payroll department of the Board with verification of summer school enrollment (a receipted bill for tuition or a statement from an appropriate official of the college).

For each day of absence to attend summer school, except the days which are excused in accordance with the provisions of this item, the salary deduction shall be 1/191 of the annual salary for each day.

G. Awarding of Degree

When necessary, a Unit I member shall be granted up to one (1) day of leave with pay to be awarded a graduate degree during work hours on a school day.

H. Injury on the Job

A Unit I member who is injured in line of duty and qualifies for disability under the Workers' Compensation Law shall be granted a special leave with full pay less salary payment by Workers' Compensation for a period not to exceed sixty (60) duty days, provided the member reports the injury to the principal on a Workers' Compensation form within three days. The limit of three (3) days may be extended by the Superintendent when inability to comply is demonstrated by the member.

The 60-day limit on leave shall not apply to a Unit I member who qualifies for paid leave under the Education Article of the Annotated Code of Maryland.

If the Unit I member is unable to return to work at the end of sixty (60) duty days, the member may elect to receive only Workers' Compensation or be placed on sick leave and/or annual leave (if applicable) and continue to receive full salary less Workers' Compensation for the period covered by these leaves.

I. Annual Leave

Annual leave for 12-month Unit I members shall be accrued as follows:

1. Annual leave shall be earned at the rate of one (1) day per pay period of employment. Annual leave shall be accounted for in hours with the minimum increment for usage being one-half day. Anomalies in the weekly schedule of individual schools and worksites notwithstanding, one-half day equals 3.75 hours and a full day will equal 7.5 hours.
2. A Unit I member shall normally take annual leave during the summer following the year in which it is earned. The Unit I member may take annual leave at other times during the school year if the request has been approved by the member's immediate supervisor and if the leave does not interfere with the needs of the school system.
3. A Unit I member may use annual leave to attend summer school with the approval of the member's immediate supervisor provided that authorization of the Superintendent shall also be required for summer school attendance for the second of two consecutive summers. Two-thirds of a day shall be charged against annual leave for each day in summer school, except that a member who attends a six (6) week summer school shall have no less than five (5) days of vacation with pay.
4. If, at the end of any fiscal year (June 30), a Unit I member has any unused annual leave from the previous fiscal year the member may carry over a maximum of thirteen (13) days of such unused leave to provide a maximum of thirty-nine (39) days of annual leave at the beginning of any fiscal year. Not more than thirty-nine (39) consecutive days of annual leave may be taken during any 12 month period. Unused annual leave which would be lost because of this limitation on carry-over shall be converted to accumulated sick leave, provided, however, that there may not be an annual creditable accumulation of more than fifteen (15) sick leave days.

Exception: In the last year of employment prior to retirement a Unit I member may carry over eighteen (18) days of unused annual leave to provide a maximum of forty-four (44) days at the end of the member's last full fiscal year of employment.

J. Assault Leave

A Unit I member who is absent due to physical disability/injury that results from an assault while in the scope of Board employment shall be kept on full pay status instead of sick leave during such period of absence. In this section, an assault is defined as an attempt by a person to cause or purposely, knowingly or recklessly cause bodily injury to a Unit I member.

K. Adoption Leave

Upon request to the Executive Director of Human Resources, Unit I members may take a temporary leave of absence without pay for up to twelve (12) weeks for the adoption of a child by requesting FMLA leave under the provisions of Article 8.L., the Family Medical Leave Act and related board policies and procedures. As soon as it has been determined that a Unit I member wishes to use adoption leave, the Unit I member must request this leave in writing to the Executive Director of Human Resources normally within thirty (30) days in

advance and provide appropriate documentation. Unit I members may elect to have continued participation in health benefits by assuming full cost of the premium. If, however, the member uses FMLA leave, the Board will continue making its contribution to the appropriate health benefits for the duration of the FMLA leave.

L. Family Medical Leave Act (FMLA) leave

FMLA provisions are being negotiated in a joint effort with all employee bargaining units and remain unsettled at the time of the publication of this ratified Negotiated Agreement. Once agreement is reached on these provisions it will be communicated and posted on the Employee Relations web page.

1. FMLA benefits are available to all Unit I members who have worked at least twelve (12) months during the preceding twelve (12) month period. The twelve (12) month work period shall be from the date of the member's hire.
 - a. 10-month Unit I members, employed by September 15, during any school year and who completed the school year, are eligible for FMLA at the beginning of the next school year.
 - b. 10-month Unit I members, employed after September 15, and all 12 month Unit I members are eligible for FMLA one (1) year after the effective date of employment.
2. The twelve (12) month period for FMLA will be the fiscal year.
3. The Unit I member must use available sick leave prior to going on unpaid FMLA leave. The Unit I member may elect whether or not to use other available paid leave while on FMLA leave.
4. FMLA leave may be used for serious health conditions of those persons covered by "illness in immediate family" of the contracts of the respective units as long as the current year's available sick leave allowed for illness in the immediate family (up to 15 days) has been used.
5. If a Unit I member is on paid leave because of his or her own serious health conditions, and such leave is pursuant to a sick leave bank grant or is covered by Workers' Compensation, such leave would be exempt from the Unit I member's FMLA entitlement.
6. All benefits will continue as provided in this agreement.
7. At the Unit I member's option, the Board will pay the Unit I member's share of the insurance premium during the leave. The Unit I member, on return, will repay the Board for those premiums under a mutually convenient pay plan.
8. Leave taken intermittently or on a reduced leave schedule is not permitted for child care.
9. Except in unusual circumstances when FMLA leave is taken near the end of an academic term, the Board will not mandate FMLA extensions. School-based unit I employees who return to work after May 1 from a leave that extended beyond sixty (60) consecutive days may return to the position from which they took leave only upon mutual agreement between the employee and the principal, In the absence of mutual consent the employee will be placed in an equivalent position in accordance with the provisions of the Act.
10. Except in unusual circumstances upon return from FMLA leave, a Unit I member will return to his/her position for absences which extend sixty (60) duty days or less. Where absences extend beyond sixty (60) duty days, the Unit I member may be placed in an equivalent position in accordance with the provisions of the Act. An oversight committee comprised of the president and chief negotiator of each unit and the board's representatives shall be formed and will meet at least annually.

Reimbursement for courses for which grade slips are submitted after the deadline will be received by the next college credit payment date. A Unit I member who has resigned prior to the reimbursement will not be eligible for payment. However, if such Unit I member is reemployed within five (5) years, the member becomes eligible for the full amount that would have been received for uninterrupted service.

4. Duplication of Payment

Payment shall not be reduced because of funds the Unit I member may receive from another source, except that payment by the Board shall not duplicate tuition payment from other tax sources.

5. Rate of Payment

The rate of payment to Unit I members for courses completed shall be up to \$250 per semester hour based upon actual tuition fees.

Employees choosing this option shall incur a four (4) year service requirement from the date of the completion of the program for which the tuition reimbursement is paid. This service requirement may be pro-rated or waived by the Executive Director of Human Resources based on extreme hardship or extenuating circumstances.

ARTICLE 10
STUDENT CONTROL AND DISCIPLINE

A. Authority and Responsibility of Unit I Members

Unit I members shall have the authority and shall exercise the responsibility for the control of pupils throughout the school while on regular duty and also during assigned supervision of school-sponsored activities in out-of-school hours. They shall take reasonable action to deter acts of vandalism, willful waste of materials and utilities, and physical abuse of persons. The Board agrees that the member will have support from the principal or appropriate administrator in the reasonable disciplining of a student.

B. Referral of Severe Cases

TAAAC agrees that the motivation of students toward worthwhile learning activities helps significantly in preventing disciplinary problems. The teacher, therefore, shall exercise professional competence toward such motivation and thereby assume responsibility toward the establishment of effective discipline for the student and an atmosphere conducive to learning and disciplinary control in the classroom.

A student who refuses to obey a reasonable request of a teacher may be excluded from class and shall be retained in the office for the remainder of the instructional period. A serious disciplinary infraction or disruption by a student whom the teacher can no longer control shall be referred to the principal or to another staff member designated by the principal to deal with such a case. Both the teacher and the school administrator shall be involved in the final resolution of such problems.

A pupil whose needs cannot be met by the school shall be referred immediately to the Department of Pupil Personnel for prompt action.

The principal, with the advice of the Faculty Advisory Council, shall review periodically the handling of discipline in the school to assure that this policy is being effectively implemented by teachers and administrators.

- C. **Use of Force**
Unit I members may use reasonable force in self-defense or in the restraint of a student to prevent harm to that student or to others. In cases of legal claim brought by a student and/or the student's parents related to the action above, the Board shall provide legal counsel to the member.
- D. **Personal Property Damage**
Subject to a recommendation of the principal and approval by the Superintendent, the Board shall pay an amount not to exceed \$500 for damage to a Unit I member's personal property which may be incurred by the member as a result of personal assault while the member is on duty. Payment by the Board shall not be construed as an admission of responsibility or liability by the Board, its agents, servants, or employees.
- E. **Joint Committee on Safe and Orderly Learning Environment**
TAAAC and the Board will form a joint committee on safe and orderly learning environments. The joint committee will be co-chaired by the Superintendent and the TAAAC President or their respective designees. The joint committee will meet during the first half of school year 2009-10 and shall have report with recommendations prepared for submission to the negotiating teams by the start of the second semester. The report shall, at a minimum, comment on the serialization and auditing of disciplinary referrals as a potential option for the effective monitoring and disposition of referrals.
- F. **Student Information**
Unit I members shall be informed on a need-to-know basis concerning pupils with disabilities or a history of serious overt behavior that would endanger the safety of themselves and others in the classroom.

ARTICLE 11 **WORK TIME AND WORK LOAD**

- A. **Required Work Hours**
The Board recognizes that additional time for individual planning for the delivery of instruction may be necessary outside of the required workweek. Classroom teachers shall be required to work 37½ hours a week at their assigned work location, exclusive of time for lunch.

In addition to regular classroom instruction, related professional duties to be performed during these hours shall include, but not be limited to, parent and student conferences, additional help to students, consultation with supervisors and administrators, studying and maintaining required records, preparation for instructional activities, and attending professional meetings.

The normal working day shall be 7.0 hours exclusive of duty-free lunch time, with the remaining 2½ hours per week reserved for meetings and/or other activities not included in the normal working day schedule. If these meetings and/or activities should require more than 2 ½ hours in any week, any teacher affected shall have the 7.0 hour schedule(s) for one or more days reduced to compensate for this additional time.

The times at which teachers must normally arrive in the morning and may normally leave in the afternoon shall be scheduled in each school by the principal working with the Faculty Advisory Council and considering the 7.0 hour limits stated above. However, individual exceptions may be worked out between the principal and the teacher.

On days when inclement weather causes a delayed opening, the required workday of school-based Unit I employees will begin thirty (30) minutes before the revised starting time. On days when inclement weather or excessive heat causes an early dismissal, the workday of school-based Unit I employees will end as soon as the teacher's responsibilities for student supervision are completed. On days when inclement weather or excessive heat causes an early dismissal, the workday of non-school-based Unit I employees will end as soon as required responsibilities are completed.

If inclement weather occurs on a day when students have a scheduled early dismissal (as set forth in the school calendar) the workday for Unit I employees will continue until an early release is authorized by the Superintendent, unless the inclement weather causes the student to be released earlier than the prescheduled time.

Unit I employees who work the regular scheduled duty hours shall sign the payroll register by initials only. The specific times of reporting and leaving shall be indicated on the register only when a Unit I employee:

1. Arrives late or leaves early, or
2. Reports or leaves according to an exceptional schedule worked out between the principal and the teacher. Unit I employee not assigned full time to one site shall also be required to work 37 ½ hours per week, inclusive of required travel time between schools, but exclusive of time for lunch.

Regular daily work hours totaling 37 ½ hours per week, exclusive of time for lunch, shall be established for pupil services persons and teachers in non-classroom positions working a 12-month work year. It is recognized, however, that the job requirements of these professionals are of such a nature that they often cannot be adequately met within a structured time frame. A normal work load for these persons may include such activities as late afternoon and evening meetings, home visitations, independent and group planning, and emergencies.

B. Duty-Free Lunch

Scheduling in each school shall provide for a duty-free lunch period for each Unit I member of no less than twenty-five (25) minutes.

C. Planning Time

The Board and TAAAC mutually agree on the importance of the teachers planning collaboratively in our schools. We know that nothing is as important as the classroom teacher in making a difference in student performance. When teachers are collegial, sharing their knowledge and wisdom and problem solving, planning, implementing, and evaluating as a team, great gains for students can be realized.

Except where not administratively possible, each classroom teacher shall have at least 410 minutes of individual and group planning time within the required work week when not responsible for the supervision of students.

Collaborative planning includes a group, team or partnership working together during the teacher workday as they complete tasks which include:

- o Differentiation of instruction/accommodations
- o Developing units, lessons and classroom based assessments
- o Examining evaluating student work
- o Evaluating materials
- o Planning the use and evaluation of instructional practices
- o Making instructional decisions based upon data
- o Sharing best practices
- o Developing methodology and documentation to satisfy needs of both teacher and principal

Collaborative planning is part of group planning and will be made available at a minimum of sixty minutes per week in increments of no less than thirty minutes. Collaborative planning does not include meetings such as IEP team, Section 504, School Improvement Team, Faculty Advisory Council, in-service, training and similar school committees.

- Administrators will limit the number of meetings where administratively possible to afford elementary teachers optimal time for planning.
- Principals and FAC's will collaboratively consider departmentalizing to assist in managing elementary teacher workload. If a collaborative determination cannot be made, assistance may be sought from the appropriate supervisor or designee.
- AACPS with TAAAC involvement shall examine and implement best practices to improve the utilization of elementary school planning time.

The above bulleted items are not subject to the grievance process.

Elementary school teachers in non-Enhancing Elementary Excellence ("Triple E") Schools shall have a minimum of 410 minutes of weekly planning time including 225 minutes of individual planning time for delivery of instruction, 210 minutes of which must be scheduled during the student day. For elementary school teachers working in Triple E Schools, a minimum of 470 minutes of weekly planning time is provided, including 225 minutes of individual planning time for delivery of instruction, 210 minutes of which must be scheduled during the student day."

Individual planning time during the student day for elementary school teachers will be scheduled in blocks of no less than 30 consecutive minutes. Nothing contained herein would preclude an elementary school from using a model which provides double blocks (1 full hour) on some days of the week and none on others in meeting the above 210 minutes minimum.

For secondary school teachers, a minimum of 210 of these 410 minutes of planning time will be scheduled during the student day and set aside for the individual planning time for the delivery of instruction. Planning time during the student day for secondary school teachers will be scheduled in blocks of no less than 40 consecutive minutes.

For all teachers, if individual planning time is used for required group planning, an equal amount of time during the teacher workday will be set aside for individual planning time.

In addition to the non-student time referenced above, teachers assigned to the special education centers will receive sixty (60) minutes per week of non-student time for case management, billing and other paperwork demands.

- D. Equitable Assignments**
All Unit I members in a school shall be assigned total work loads of classes and other duties in as equitable a manner as reasonably possible consistent with a good program for pupils in the schools.

Because of the close cooperation necessary between parents and teachers, Unit I members shall be encouraged to attend meetings of Parent-Teacher Associations. Attendance at Back-to-School Night or one such similar evening activity as directed by the principal shall be required each year. This meeting shall not be considered part of the required workweek.
- G. Duty Days**
There shall be 191 duty days for 10-month teachers in the school calendar for the. No less than the equivalent of one and one-half (1 ½) work days prior to the arrival of students in the fall shall be reserved for individual preparation by teachers in their work area. There will be 195 duty days in the school year for resource teachers.

The candidate may follow-up as needed to make certain the request for interview was received.

3. Interviews for Vacancies that Occur by July 15.

For any position that becomes vacant by July 15, the principal must interview at least three (3) candidates (provided there are three) for transfer prior to offering the position to a new hire.

4. Explanation of Denial

If the candidate is interviewed but not selected for a vacant position, the candidate shall, upon request, be told the explicit reason(s) for the denial. The reason(s) shall be stated in writing if further requested by the candidate.

5. Vacancies During the School Year

Vacancies that occur after the first day of the school year up to January 1 shall be filled with a new hire. Vacancies that occur after January 1 through the end of the school year shall be filled with either a new hire or a long-term substitute as circumstances warrant. Any position declared vacant January 1 and thereafter will again be declared vacant at the end of that school year. The newly-hired teacher who filled that position will be guaranteed a position in the county, assuming ratings warrant such placement, but will not be guaranteed the same position. The newly-hired teacher may apply for the position along with all other teachers requesting transfer. The principal must interview three (3) candidates (provided there are three) for transfer before offering the position to the newly-hired teacher.

6. Acceptance of Transfer
The candidate must accept or reject an offered position within two (2) business days of being notified of selection.
7. Removal of Position from Posting
When a vacancy is filled, the Division of Human Resources must be notified on the official form for that purpose. The Division of Human Resources will then remove the vacancy from the current vacancy listing after the vacancy closing date.
8. Notification to Current Principal
Upon acceptance of a transfer, the Unit I member must immediately notify his or her current principal so that the former position may be posted as a vacancy.
9. Mutual Consent Transfers
Teachers may be transferred, except after the beginning of the school year, by the mutual consent of the teachers and principals involved.
10. Teachers on a Collaborative Achievement Plan
No teacher on a collaborative achievement plan will be allowed to transfer more than once without the approval of the Assistant Superintendent for Instructional Services.
11. Non-Tenured Teachers
Except as provided immediately below non-tenured teachers may not participate in the voluntary transfer process until their final year of non-tenured status without the approval of the Executive Director of Human Resources.
12. New Hires with "Portable" Tenure
Newly hired Unit I employees who obtain tenure with other public school employees and need only one year of probation may not participate in the voluntary transfer process until they have obtained tenure with the AACPS.

B. Involuntary Transfer

Except in emergencies, Unit I members involuntarily transferred shall be notified in advance of the intended transfer and afforded the opportunity to discuss such transfer. Reasons for selection shall be provided, in writing, to the Unit I member by the Executive Director of Human Resources.

Whenever involuntary transfers occur as the result of declining or shifting school populations, Unit I members shall be selected for involuntary transfer (excessed) according to the following selection procedure:

1. Teacher(s) to be Excessed:
 - a. teacher(s) volunteering to be excessed
 - b. rehired retired teacher(s)
 - c. teacher(s) with provisional certificate
 - d. teacher(s) selected by the principal using the following procedure and criteria:

All teachers in the school who are teaching in the subject area(s) or certificated in the grade level(s) designated by the principal to be reduced in that school shall constitute the excess teacher pool.

If additional teachers must be involuntarily transferred after steps a., b., and c. have been effectuated, the principal will list all teachers in the excess pool in accordance with their total years of service calculated from their latest date of employment as certificated employees in the AACPS, excluding lost time. Ties will be broken by the date on which the contract was signed. Remaining ties will be broken by total AACPS teaching experience. Subsequent remaining ties will be broken by total teaching experience.

The teacher(s) with the least service will be the excess teacher(s) unless the principal determines that instructional program needs (as defined) require the retention of that teacher, in which case the next least senior teacher will be excessed.

All teachers in the school who are teaching in the subject area(s) or certificated in the grade level(s) designated by the principal to be reduced in that school shall constitute the excess teacher pool.

If additional teachers must be involuntarily transferred after steps a., b., and c. have been effectuated, the principal will list all teachers in the excess pool in accordance with their total years of service calculated from their latest date of employment as certificated employees in the AACPS, excluding lost time. Ties will be broken by the date on which the contract was signed. Remaining ties will be broken by total AACPS teaching experience. Subsequent remaining ties will be broken by total teaching experience.

The teacher(s) with the least service will be the excess teacher(s) unless the principal determines that instructional program needs (as defined) require the retention of that teacher, in which case the next least senior teacher will be excessed.

C. **Timeline for Filling Vacancies**

As vacancies occur, applicants, teachers requesting voluntary transfer, teachers who are being involuntarily transferred, and teachers returning from leave of absence will all be considered at the same time with no group having priority except that:

If excessed teachers have not received a new assignment by the last duty day for teachers, they will have priority over applicants and teachers requesting voluntary transfers;

If teachers returning from leave of absence have not received a new assignment by August 1, they will have priority over applicants and teachers requesting voluntary transfers; voluntary transfers will be allowed until August 15; however, no voluntary transfer will be allowed after August 1 if there are no acceptable candidates for the position being vacated.

D. **Posting of New Schools**

The names of new schools to which teachers and counselors may request transfer for the following school year shall be posted in each school as soon as that information is available. Additionally, as soon as the name of the principal(s) is known, the information shall be posted in each school.

E. Notification of Assignment

Principals shall make available to school-based Unit I members a copy of the school's proposed roster of the tentative assignments and tentative schedules for the next school year by June 1 annually.

Non-school-based Unit I members shall be notified of their tentative assignment for the next school year by their appropriate department administrator by June 1 annually.

The reporting date for 10-month Unit I members shall be included with the above information.

F. Reduction in Unit I Staff

When there is to be a reduction in the Unit I staff in any field for which a certificate is issued, the members in that field shall be laid-off in the following order:

- rehired retired teachers
- provisionally certificated members probationary members
- tenured members

No tenured members shall be laid-off until all probationary members in their field of certification have been laid off; no probationary members shall be laid-off until all provisional members in their field of certification have been laid off.

Tenured Unit I members shall be laid-off in each field of certification in inverse order of their total years of satisfactory service computed from their latest date of employment as certificated employees in AACPS, excluding leaves of absence.

A tenured Unit I member, selected for layoff in accordance with the above procedure, who holds a teaching certificate in other subject areas and who has held any teaching assignment in that (those) area(s) in AACPS or has taken course work in said teaching area(s) within five (5) immediately preceding years, will be assigned to another field of certification identified in the following order:

1. To an identified vacancy if any exists
2. To a position held by a provisionally certificated teacher in the field
3. To the position of the least senior professionally certificated Unit I member in that field, if any less senior than the affected employee

The member failing to indicate acceptance of such assignment within 48 hours upon its offer by a staff member from the Division of Human Resources will be given formal notification of layoff.

Any field affected by considerations two (2) and three (3) above becomes a field in which there is to be a reduction in staff.

A member teaching out of field, in a field in which there is to be a reduction in the Unit I staff, will be reassigned to the member's area of certification before layoffs are identified.

A member holding a certificate, in a field in which there is to be a reduction of Unit I staff, but is teaching out of field or in another field of certification will not be subject to layoff. However, such member cannot be transferred into reduction of staff field as long as there are members entitled to recall in that field.

When positions in their fields of certification become vacant, tenured members who have been laid-off shall be recalled in order of their total years of satisfactory service computed from their latest date of employment as certificated employees in AACPS excluding leaves of absence. They shall be notified of recall by certified mail. Within ten (10) days of an offer to return to employment, the member shall accept the position in writing or it shall be determined that the member has declined the offer. It shall be the responsibility of each laid-off member to keep the Executive Director of Human Resources informed in writing of any change in address. A member shall remain on the recall list for two (2) years.

If a Unit I member laid-off in the spring is recalled before the beginning of the subsequent school year, the layoff will be rescinded with no loss of experience credit, tenure or seniority. If a Unit I member is recalled after the beginning of the subsequent school year but before the end of the two (2) years on the recall list, the layoff will be rescinded. Days lost while awaiting recall will be regarded as lost time, however, time lost will not be considered a break in service.

If a Unit I member who was laid-off from a full-time position and is on recall is offered a part-time position for purpose of recall, the Unit I member may reject the part-time position without prejudice and shall be eligible to be recalled to a full-time position in accordance with the Unit I member's seniority when a full-time position becomes available.

If a Unit I member who was laid-off from a full-time position and is on recall voluntarily accepts a part-time position for purpose of recall, the Board will have met its obligation under Article 12.E.

If a tenured Unit I member who was laid-off rejects a recall to a full-time position in the field from which the member was laid-off, the Board will have met its obligation under Article 12.E.

The laid-off tenured Unit I member will be offered recall to other fields of the member's certification in order of seniority and after other laid-off members in that field have been recalled. The member who rejects such recall will be entitled to remaining recall rights for the field from which the member was laid-off. However, upon such rejection, the Board will have met its obligation of recall to the member's other field(s) of certification.

The Unit I member reassigned to a vacancy in a second field of certification is entitled to assignment to a vacancy in the field from which the member was reassigned provided:

There are no laid-off tenured Unit I members entitled to recall in that field, and

There is not a more senior Unit I member reassigned from that field but who has not rejected an offer of reassignment to the field, and

The vacancy occurs within two (2) years of the time of reassignment from the field.

Nothing in the above provisions is to interfere with the member's rights of transfer or the Board's rights of assignment as covered in other provisions of this Agreement, Board policies, state by-law, state law, or federal law. However, if the member rejects an offer of reassignment as outlined above, the Board will have met its obligation under Article 12.E.

If a Unit I member awaiting recall is employed as a long-term substitute, the Unit I member will earn experience credit for that service.

If a tenured Unit I member who was laid-off accepts a position requiring professional certification with another public school system, during the life of that contract, the contract with the employing school system shall supersede the contract with the AACPS. No recall shall be subsequently issued by the Board during the life of that contract. The member so employed with another school system must notify the Board if the contract with the other school system is terminated in compliance with the regular teacher contract, and said member's recall rights will resume for the remainder of the two (2) years.

Tenured members on the recall list shall have the option of continuing membership in the Board's group hospital-medical plan by paying the full premium cost to the Board each month.

A Unit I member heretofore or hereafter promoted out of the Unit I bargaining unit shall retain such seniority as may have been earned while employed in a position which is included in the Unit I bargaining unit and may invoke such past seniority upon return to a Unit I position.

It is understood by the parties that the staffing requirements of EEOC shall take precedence over the provisions of this Agreement if they are in conflict.

An alleged misapplication of the layoff policy to tenured members shall be subject to grievance.

ARTICLE 13
EVENING AND SUMMER PROGRAMS

A. Evening and Summer Schools

Teacher opportunities available in adult education classes and summer school programs shall be advertised in each school.

Preference in the selection of teachers for evening and summer school shall be given to teachers who hold Standard Professional or Advanced Professional Certificates and have demonstrated teaching proficiency.

B. Summer Workshops

Summer workshops in curriculum and other areas of school activity shall be advertised to all Unit I members. Selection of personnel for these workshops shall be consistent with the objectives of the activity. Participation shall be voluntary.

ARTICLE 14
NON-PROFESSIONAL DUTIES

A. Duties Not Contributing to Teaching

The Board and TAAAC recognize that the function of the teacher is to teach and perform related professional duties; therefore, the parties agree that effort will be made to eliminate duties which do not contribute directly to the primary learning function.

Except in emergencies, individually assigned non-professional duties will not exceed twenty (20) minutes per day during the student day. For the purpose of this article, supervision of students during arrival, departure and transitions between classes will not be considered non-professional duties. Nothing in this article shall preclude a different arrangement or schedule of duties if agreed to by the Principal and Faculty Advisory Council.

B. Collection of Money

A teacher shall not be required to collect money for milk, lunch items, or other items not directly related to the instructional program or student welfare.

C. Use of Teacher Assistants

ARTICLE 15
SUBSTITUTE TEACHERS

A. Calling

No absent teacher shall be required to call substitutes.

B. When Provided

Substitutes shall normally be provided for all teachers absent from their regular teaching assignment including art, music, media specialists and physical education. Only after reasonable but unsuccessful efforts to obtain substitutes shall the principal assign teachers to other teachers' classes during their non-teaching periods.

When an uncovered vacancy causes a class of students to be divided among other teachers for the entire school day, the receiving teachers will each receive one (1) hour of compensatory in which the incidence occurs. Utilization of that leave will be arranged between the teachers and principal or supervisor.

Except in an emergency which occurs during the school day, no teacher shall be required to take a class for another teacher unless the teacher requested to take the class is given a reduced schedule or work load within the next five (5) work days.

Substitutes shall be provided for teachers involved in field trips, athletic events or professional meetings approved by the appropriate administrator, provided the event is scheduled for a half day or more and funds are appropriated for this purpose.

C. Teacher Planning

Although the substitute shall assume the regular duties of the teacher, any teacher who uses leave shall assume responsibility for instructional planning that will provide students with a continuing educational program. A teacher's repeated failure to leave adequate plans for the class shall be reflected in the teacher's formal rating by the principal.

ARTICLE 16
EVALUATION AND RATING OF PROFESSIONAL STAFF

A. Definition of Terms

Assessment of performance consists of two major components, professional practice and student growth.

"Evaluation" is that phase of the process by which a Unit I member's professional practice and student growth is formally or informally appraised by Administrative or supervisory personnel or instructional leaders for the purpose of providing direction and bringing about improvement.

"Professional Practice" is that half of the rating process that appraises the Unit I employee's performance in the six domains of quality learning environment, planning for learning, instructional delivery, student learning behaviors, assessment for learning, and professional behaviors.

"Student Growth" is student progress assessed by multiple measures from a clearly articulated baseline to one or more points in time. This includes progress along student learning objectives, to measure the learning growth of students that the Unit I employee directly or indirectly impacts and MSDE approved performance measures.

"Student Learning Objectives" are specific, rigorous, long-term goals for groups of students that educators create to guide their instructional and administrative efforts.

"Rating" is that phase of the process by which administrative or supervisory personnel formally assess, according to a predetermined schedule and instrument, the Unit I employee's performance and progress in the two major components of educator assessment.

"Instructional Leaders" are Unit I Employees including Department Chairpersons, Lead Teachers, Team Leaders, Reading Teachers, and others designated by the Board.

"Instrument" is the rating form approved by the Board. This instrument shall be developed based upon mutually agreed upon performance evaluation criteria and standards between the Board and TAAAC or imposed by law or regulation.

B. The Evaluation Process for Unit I Members

For the purposes of [Article 16A.2] a "day" shall be defined as a duty day when both parties are on site.

1. Observations

Both formal and informal observations have value. The observer or designee must give notice of at least five (5) duty days prior to conducting a formal observation when administratively possible.

All observations shall be conducted with the full knowledge of the individual. Observations should be made at different times of the day so that varied types of activities may be seen.

2. Conferences and Written Reports

Within five (5) days of a formal observation, a private evaluation conference shall be held.-

A written evaluation shall follow all formal observations. A written evaluation shall follow within ten (10) school days. It shall be in simple, precise language with specific recommendations for improvement where deficiencies are noted.

3. Collaborative Achievement Plan

Whenever a supervisor or administrator articulates a performance related concern, a Collaborative Achievement Plan may be mutually developed and implemented with the employee.

Constructive suggestions for improvement should include consideration of professional preparation needed for the assignment, conditions under which the Unit I member works, physical facilities, pupil load, and the number of pupils with special needs or adjustment problems.

4. Department Chairperson

All non-teaching department chairpersons shall conduct observations of teachers and participate in the evaluation process within the department. Other department chairpersons may conduct observations of teachers and participate in the evaluation process within the department in accordance with the following guidelines:

- The chairperson must be trained in classroom observation.
- The involvement of the chairperson in the observation process must be by mutual agreement of the department chairperson and the principal.
- The involvement of the chairperson must be voluntary and supported by two-thirds (2/3rds) affirmative vote of the impacted department members. Voting shall occur by a secret ballot to be conducted by the principal and the chair of the Faculty Advisory Council.
- The chairperson is eligible to vote in the department election.
- This program will be reviewed in the summer of 2015 by a jointly appointed committee. Recommendations from the committee will be reviewed by the negotiation teams during a special session. Program expansions and revisions will be made upon mutual agreement.

5. Additional Conference for Pupil Services Persons

An informal, private evaluation conference will be held before the end of November in a year of evaluation. Mutually agreed upon goals and objectives may be developed. Selected student services resource staff may be utilized for observations of student service staff in their respective domains.

C. The Rating Process for Unit I Members

At the time of the formal rating a conference shall be held and Unit I members shall be shown copies of their rating.

An evaluation report that evaluates a teacher as ineffective shall include at least one observation by an individual other than the immediate supervisor.

The rating shall include consideration of the Unit I members' levels of experience and the conditions under which they work, including physical facilities, workload, and other factors that might limit effectiveness in attaining personal or program goals and objectives.

The rating shall be received prior to the last day for teachers. Non-tenured Unit I employees whose contracts are being recommended for non-renewal shall receive written warning from the school/worksite administration by April 15.

1. Rating Requirements

- a. Included in the factors considered in each formal rating of teachers shall be a minimum of two (2) classroom observations, one of which must be scheduled, of no less than 30 consecutive minutes each, during the year in which the rating is presented. These observations shall be made at least one month apart, where reasonably possible.

 - 1) In the first year of the evaluation cycle conducted under these regulations, tenured teachers shall be evaluated on both professional practice and student growth;
 - 2) If in the first year of the evaluation cycle a tenured teacher is determined to be highly effective or effective then in the second year of the evaluation cycle, the tenured teacher shall be evaluated using the professional practice rating from the previous year and student growth based on the most recent available data;
 - 3) If in the second year of the evaluation cycle a tenured teacher is determined to be highly effective or effective, then in the third year of the evaluation cycle, the tenured teacher shall be evaluated using the professional practice rating from the previous year and student growth based on the most recent available data;
 - 4) At the beginning of the fourth year, the evaluation cycle shall begin again as described in §b(1) – (3) above; and
 - 5) In any year, a principal may determine or a tenure teacher may request that the evaluation be based on a new review of professional practice along with student growth.

3. Person Responsible for Rating

- a. Primary responsibility for the rating of Unit I members based in a single school shall be assumed by the school principal.
- b. School-based itinerant Unit I members shall be rated by the principal of their base school who shall receive input from the principal(s) of the other school(s) they serve.
- c. Central office-based itinerant teachers, resource teachers and teacher specialists shall be rated by the appropriate supervisor.
- d. Primary responsibility for the evaluation and rating of pupil personnel workers and psychologists shall be assumed by the administrator or coordinator within the discipline to whom they report.

4. Signing of Reports

All rating reports shall clearly indicate an assessment of the Unit I member's performance. Written comments may be made by the member as well as the rater. Provisions shall be made for the Unit I member's signature to indicate that the member has seen the rating. Rating reports shall be signed by the Unit I member and by the person responsible for presenting the rating. If a Unit I member refuses to sign a rating, the originator shall attach a statement signed by a witness that the member was shown the rating but refused to sign. If a Unit I member has left and is unavailable to sign an entry, a copy shall be sent to the Unit I member by certified mail or shall be hand delivered and the receipt shall be attached to the file copy.

5. Electronic Signatures

When administratively practicable, electronic signatures will be used for ratings. Rating reports may be signed by the originator and the Unit I employee. Provisions similar to those referenced above for Unit I employees to comment or refuse to sign shall be maintained.

D. Instructional Leaders

In addition to administrative and supervisory staff, an instructional leader who is trained to do so may participate in the evaluation and rating process for unit I colleagues for the limited purpose of writing, monitoring, and scoring Student Learning Objectives (SLO's). Evidence of completion of that training shall be maintained by the building administrator and may be reviewed by Unit I members upon request.

The above penalties shall not be invoked in the event of:

Upon receipt of recommendations from the qualified persons appropriate remedial action shall be taken at once.

Unit I members will not be asked to search for bombs or handle any objects suspected of being bombs, explosives or similar devices.

The closing of schools as a result of adverse environmental conditions will be considered on an individual school basis by the Superintendent of Schools or designee. Decisions concerning the length of the working day and place of duty for Unit I members will be made simultaneously.

The Board will ensure that each school principal, after consultation with the Faculty Advisory Council, develops a plan to enable teachers to notify the main office staff of emergency health or safety problems in their classrooms.

The Board will determine the existence/condition of equipment in each school which enables the teachers to notify the main office staff of emergency, safety, or health problems in their classrooms.

Where emergency notification equipment is in place, the principal will ensure that the system is monitored during the student day. Where the equipment does not exist, the Board will identify additional and/or future requirements.

GRIEVANCE PROCEDURE

A. Definitions

The Board and TAAAC agree to the following definitions:

1. A "grievance" is a dispute concerning the meaning, interpretation or application of provisions of this negotiated Agreement concerning the salaries, hours, or working conditions of Unit I members.
2. "Grievant" shall be the Unit I member or members making the claim.
3. A "party in interest" is the person or persons making the claim and any person or persons who may be required to take action or against whom action may be taken in order to resolve the grievance
4. A "time limit" is the requirement that action be taken within a specific number of school days.

B. Purpose

The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may from time to time arise regarding this Agreement. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

Nothing contained herein will be construed as limiting the right of any Unit I member having a grievance to discuss the matter informally with any appropriate member of the administration, and having the grievance adjusted without the assistance of TAAAC.

C. Informal Discussion

A Unit I member with a potential grievance shall first discuss the problem with the administrator who made the decision or the interpretation which is alleged to be in error. If the administrator involved is not school-based, an informal discussion shall be held, however, an association representative may be present.

D. Procedure

The following procedures shall be used in processing grievances:

Level One

A Unit I member with a grievance shall file the grievance in writing, using the Board of Education approved grievance form, with the administrator who made the decision or interpretation which is alleged to be in error. Such forms may be obtained at the work location or from the TAAAC office. The administrator shall render a written decision within five (5) school days.

If the decision which is alleged to be in error was made by a member of the Superintendent's Executive Staff, Level Two shall be omitted and the grievance shall be filed with TAAAC for processing at Level Three.

If the decision which is alleged to be in error was made by the Superintendent, Levels Two and Three shall be omitted and the grievance shall be filed with TAAAC for processing at Level Four.

Level Two

If the grievant is not satisfied with the decision rendered at Level One, or if no decision has been rendered within the allotted time, the grievant may within five (5) school days file the grievance with TAAAC. If TAAAC believes that the grievance is valid, TAAAC shall within five (5) additional school days request a hearing before the Director of Employee Relations or designee.

Within ten (10) school days the hearing shall be held and a decision rendered.

Level Three

If TAAAC is not satisfied with the decision at Level Two, it shall refer the grievance to the Superintendent within five (5) school days. The Superintendent/designee shall meet with the grievant and the grievant's representative(s) and render a decision within ten (10) school days after the referral.

Level Four

If TAAAC finds the Superintendent's/designee decision not acceptable, it shall within ten (10) school days notify the Board whether or not the grievance is to be submitted to arbitration. If the representatives of the parties cannot agree upon and acquire the services of an Impartial Hearing Officer, both parties shall promptly request the American Arbitration Association to submit to each party a list of persons skilled in arbitration of educational matters. Within seven (7) days each party shall cross off any names to which it objects, number the remaining names in order of preference and return the list to the American Arbitration Association. If a party does not return the list within the time specified, all persons named therein shall be deemed acceptable.

From among the persons who have been approved on both lists, and in accordance with the designated order of mutual preference, the American Arbitration Association shall invite the acceptance of an arbitrator. If either of the parties fails to accept any of the persons named, or if those named decline or are unable to act, or if for any other reason an appointment cannot be made from such a list of names, a second list of seven (7) names shall be requested.

The parties shall strike names alternately until only one name remains. That person shall be designated the arbitrator.

The arbitrator shall meet with the Superintendent or designee and the grievant and the grievant's representative(s) either separately or together. The format, dates and times of such meetings will be arranged by the arbitrator and will be conducted in closed sessions.

The jurisdiction and authority of the arbitrator shall be confined to the express provision or provisions of this Agreement at issue between the Teachers Association of Anne Arundel County and the Board of Education of Anne Arundel County. The arbitrator shall have no authority to add to, alter, detract from, amend or modify any provisions of this Agreement or to make any award which will in any way deprive the Board or the Superintendent of any of the powers delegated to them by law or State Board Bylaw, and not encompassed in this Agreement.

The provisions of the Agreement are arbitrable, while the powers of the Superintendent and the Board beyond this Agreement are not. The arbitrator shall not have the authority to consolidate separate grievances for a single hearing without mutual consent of the Board and TAAAC. The award, in writing, of the arbitrator within the jurisdiction and authority as specified in this Agreement shall be final and binding on the aggrieved Unit I member(s), the Association and the Board.

Any award of an arbitrator may be set aside by a ruling from a court of competent jurisdiction.

Any dispute arising in renegotiations following budget reductions by the fiscal authorities shall not be subject to this arbitration provision, but shall be resolved in accordance with Section 6-408, of the Education Article of the Annotated Code of Maryland.

The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel expenses, shall paid by the non-prevailing party.

I. **Time Limit for Processing Grievances**
The time limit for either party's responding in writing shall have been met if the reply was hand-delivered or postmarked by the last day of the period indicated.

The number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however be extended by mutual agreement.

In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, an attempt will be made to reduce the time limits set forth herein so that the grievance procedure may be concluded prior to the end of the school year or as soon thereafter as is practicable.

J. **TAAAC Advice**

K. **Representation**

**Teachers Association of Anne Arundel County
Sick Leave Bank Rules and Procedures**

RULES**1. Confidentiality of Actions**

All records, proceedings and actions of the SLBAC shall be held in strictest confidence by members of the SLBAC, TAAAC staff, legal counsel and TAAAC Board of Directors.

2. Definition - Sick Leave

For the purposes of administration of the Sick Leave Bank, the definition of sick leave shall be:

Sick Leave is a designated amount of compensated leave that is to be granted to a SLB member who through qualifying personal illness or injury, as certified by a legally qualified physician, or quarantine, as certified by the proper health agency, is disabled and therefore unable to perform the duties of his/her position. Sick leave from the SLB may not be granted for the period of disability when monies are paid to the contributor under the special paid leave sections of the current Negotiated Agreement.

3. Personal Use Only

The SLB may be used only by the individual contributor for his or her personal illness, not for illnesses of members of the contributor's family. For the purpose of administering grants for absences relating to caesarean sections the first six weeks following the procedure (caesarean section) will not be considered a qualifying illness or injury. The additional time, usually up to two additional weeks, will be considered a qualifying illness as long as the caesarean section was not elective and that this was the only medically appropriate alternative available to that individual.

4. Contribution

Only personal sick leave may be contributed to the SLB. Annual and personal business leave may not be contributed. The rate of contribution for the subsequent school year shall be established by the TAAAC Board upon the recommendation of the SLBAC and announced to the membership no later than June 30.

5. Pre-existing Condition

Anyone who joins the SLB with a pre-existing diagnosed condition or illness for which they have received treatment within the last ninety (90) days, will not be allowed to utilize the SLB for illness resulting from or related to that specific condition until the member has remained ninety (90) days treatment-free or one full year (365 days) in the SLB. For the purposes of this section, "treatment" shall mean any period of hospitalization, doctor's treatment, clinic treatment, surgery, diagnosed procedure or prescription.

6. Workers' Compensation

In cases where a member requesting leave from the Sick Leave Bank may be eligible for Workers' Compensation benefits, the member requesting the sick leave shall initiate timely action through the Workers' Compensation Commission or lose all rights to Sick Leave Bank coverage for absence related to that illness or injury.

In cases where a member applies for and is eligible for Workers' Compensation benefits, leave from the Sick Leave Bank will be adjusted so that when combined with the Workers' Compensation benefits it equals but does not exceed, the member's regular net salary.

7. Psychological

Sick leave for psychological disability may be granted when: A) (the qualifying injury, illness or quarantine is certified by a licensed psychiatrist; and B) an applicant is enrolled in a rehabilitative program accepted by the Sick Leave Bank Approval Committee.

8. Second Opinion

The Sick Leave Bank Approval Committee may require an applicant to obtain a second opinion at any time at the applicant's expense. The second opinion must be provided by a physician independent from the initial certifying provider or his/her practice. Once a second opinion is requested by the SLBAC, no further grant extensions will be made until the applicant presents evidence that an appropriate appointment was made and kept. The Physician's Statement shall be sent directly to the SLBAC before the committee can act upon his/her application for an extension of coverage of the SLB. Such medical review requirement may be waived by the committee. In addition, the committee shall consider any medical information provided by employer.

9. Loss of Right to Use SLB

A member will lose the right to utilize the benefits of the SLB for the following reasons:

- A. Termination of employment in the Anne Arundel County Public Schools.
- B. Cancellation of Sick Leave Bank participation by the member on the proper forms, at any time.
- C. While on approved leave of absence for other than personal illness/injury.
- D. Failure to apply for disability retirement in accordance with Rule 13, hereinafter set forth.
- E. Failure to report immediately any job held which must be reported in compliance with Rule 14, hereinafter set forth.
- F. Any abuse or misuse of the Rules and Procedures established by the SLBAC.
- G. Failure to apply for Workers' Compensation for any occupational condition, ailment or injury arising out of and in the course of employment.

10. Application for Use

Applications for use of the SLB shall be made on the original approved forms and submitted to the SLBAC at the TAAAC office within the time period prescribed by Procedure 10. Photocopies or facsimiles will not be accepted.

11. 5-day Eligibility Period

A member having a qualifying personal illness must be absent five (5) consecutive work (duty) days per illness before being eligible for a grant from the SLB in any school year. Those five (5) days may be covered by the member's accumulated sick leave, annual leave, available personal leave or leave without pay.

Any subsequent grants for the same illness, in that school year, may be covered from the first

day of disability.

12. Maximum Use/Limitations

The maximum number of days granted to any member of the SLB will be one-hundred (100) days per illness in any one school year.

13. Disability Benefit Applications

When the SLBAC may reasonably presume that an applicant for a grant or an extension of a grant may be eligible for disability retirement benefits, if available, from the Maryland State Retirement System, and/or Social Security, the SLBAC shall request that the grant applicant apply for such disability benefits. SLB grants for the same diagnosed condition, over multiple years, may require the employee to seek disability retirement. A copy of the disability retirement application must be submitted to the State Retirement system and a copy to TAAAC before any future grants will be approved. Failure to apply when advised shall disqualify the applicant for SLB grants.

If a member is approved for any disability retirement, the SLBAC will cease coverage from the date of said approval. The member must notify the SLBAC of such approval.

14. Additional Employment

Any SLB member who requests a grant of days and who is employed in any position for which he/she receives remuneration during the period he/she is on leave days granted from the SLB, must immediately report this fact and the amount of earnings to be received to the SLBAC. If said employment was applied for and/or begun on or after the date of the accident or onset of illness which led to the use of the SLB (as determined by pay stubs, employment contract, or other documentation), the amount of the earnings of the employee for the days the member was on leave days granted by the SLBAC will be deducted from the member's check from the Anne Arundel County Public Schools for the grant days. The SLB will then be credited by the school system with the portion of days not paid for in accordance with the terms of this provision.

15. Guarantees

The existence of the SLB and participation by a Unit I Employee in the bank does not negate or eliminate any other sick leave policies of the Anne Arundel County Public Schools nor does it in any way negate rights of individual members who participate in the bank to other sick leave benefits.

16. Use over 500 days

Additional information and medical documentation may be required for an employee who uses over 500 days of SLB.

17. Treatment

An employee who repeatedly receives SLB grants must have a physician attest that the employee is actively seeking and receiving treatment from a medical provider for the condition.

PROCEDURES

NOTE: These procedures are the ones followed by the SLBAC in their administration of the SLB. They are provided for consistency of operation.

GENERAL PROCEDURES

1. **Availability of SLB Forms**
Unit I Employees shall request the approved application forms from the TAAAC office by telephone, in person or by mail.
2. **Annual Rule Review**
These rules and procedures are to be reviewed annually by the Sick Leave Bank Advisory Committee of the Teachers Association of Anne Arundel County.
3. **Maximum Requests**
Grant requests shall be made in units of no more than twenty (20) consecutive duty days for each initial or subsequent application.
4. **Denial and Appeal**
In cases where the SLBAC recommends denial of an application for use of the SLB or an extension of such use, the applicant may appeal the denial in writing to the TAAAC Board of Directors within twenty (20) calendar days of the date of SLB action, as determined by the date by the signatures at the bottom of the SLB forms or the date of the postmark on the envelope, whichever is later.
5. **Return of Unused Grant Days**
If a member of the SLB does not use all of the days granted, any unused days must be returned to the SLB within thirty (30) calendar days.
6. **End of Fiscal Year**
SLB grants shall not be carried over from one fiscal year to the next. All bank grants shall end as of June 30. Contributors may reapply for coverage with the next fiscal year, upon meeting the 5-day eligibility period and all other rules and procedures of the SLB.
7. **Cancellation of Membership**
Membership in the TAAAC SLB shall continue from year to year until cancelled by the SLB member on the approved form. Such cancellation shall be effective immediately. (Days contributed will not be returned in accordance with Article 5,B,2 of the Negotiated Master Agreement - see page 1 of this document.)
8. **Availability of SLB Files**
The SLB files shall be maintained confidentially. Only the SLBAC members, the SLB member and TAAAC staff and legal counsel working with the SLB shall have access to the files. The TAAAC Board of Directors shall have access to necessary files in considering SLB appeals.

Should a member desire to review his/her SLB file, an appointment shall be made. The materials will be reviewed in a confidential setting with the assistance of the appropriate TAAAC staff.

Information necessary and appropriate pursuant to an internal audit conducted by the Board of Education of Anne Arundel County will be provided upon written request.

APPLICANT PROCEDURES

9. **Current Membership**
Any member submitting a request to draw from the SLB must have made his/her contribution for the fiscal year in which the request is made.
10. **30 Day Application Limitation**
All requests to draw from the SLB must be made on the approved forms; which must be received by the SLBAC within thirty (30) calendar days of the first date SLB usage is requested for each request. Exceptions may be considered by the SLBAC.
11. Each request for SLB action shall be made on the approved forms: (1) Request Form and (2) Physician's Statement. The Request Form must contain all necessary information, dates and signatures. The Physician's Statement must be completed in lay language and must be signed by the physician.
12. **Application Completed by Others**
In case a SLB member is unable to complete the necessary forms due to the nature of his/her illness, his/her application may be completed and submitted to the SLBAC by an agent, the building principal or a member of the family on his/her behalf.
13. **Grant Extensions**
Applicants may submit requests for SLB grant extensions no earlier than 5 workdays before the end of the previous grant, but no later than 30 calendar days after the first date Sick Leave Bank usage extension is being requested. These applications shall be made on the approved form and shall indicate the continuity of the dates requested. Each subsequent request must be accompanied by a new signed Physician's Statement covering that period.

SLBAC PROCEDURES

14. **15-Day SLBAC Action Deadline**
The SLBAC shall review and recommend approval of requests to the Director of Human Resources to draw upon the SLB within fifteen (15) days after such request is received in the TAAAC office.

15. Signing of Requests

Any recommendation for approval to draw upon the SLB must bear the signature/initial of at least two (2) members of the SLBAC.

16. Written Notice of Action

Unit members will be notified in writing of action taken by the SLBAC on their request.

Denial due to "Insufficient Information" shall be specific as to the information needed by the SLBAC in order to make their decision.

17. SLB Records

The SLBAC shall maintain the records of all applications, records of all unit member contributions, withdrawals, and the status of the SLB for no less than five years.

The Anne Arundel County Public Schools shall provide the SLB, upon its request, any data it has maintained in its files with regard to SLB members' use of personal sick leave and use of or contribution to the SLB.

18. SLB Reporting

The SLBAC shall be responsible to the Board of Directors of TAAAC for the proper administration of the SLB. It shall submit to the TAAAC Board of Directors an annual report on the status of the SLB, with a copy to Director of Employee Relations.

These benefits entitle members to an annual eye exam and discounts on glasses or contact lenses at participating Davis Vision providers. Members are responsible for a \$10 copay for the eye exam. To locate a participating Davis Vision provider, go to www.carefirst.com and utilize the "Find a Doctor" feature or call Davis Vision at 800-783-5602 for a list of network providers closest to you. Be sure to ask your provider if he or she participates with the Davis Vision network before you receive care.

When seeing a Davis Vision provider, you may also use the discounted benefit in conjunction with your CareFirst Select Vision plan. The Davis Vision discount will be applied and you will pay the required Davis Vision copay and balance at the point of sale. Core Davis Vision

In addition to the CareFirst Vision plan, BlueChoice members also have the core BlueVision benefit through Davis Vision under the BlueChoice HMO Open Access and BlueChoice Triple Option Open Access medical plan. These benefits entitle members to an annual eye exam and discounts on glasses or contact lenses at participating Davis Vision providers. Members are responsible for a \$10 copay for the eye exam. To locate a participating Davis Vision provider, go to carefirst.com/aacps and utilize the "Find a Doctor" feature or call Davis Vision at 800-783-5602 for a list of network providers closest to you. Be sure to ask your provider if he or she participates with the Davis Vision network before you receive care.

When seeing a Davis Vision provider, you may also use the discounted benefit in conjunction with your CareFirst Select Vision plan. The Davis Vision discount will be applied and you will pay the required Davis Vision copay and balance at the point of sale. Then you can submit the balance to CareFirst for any eligible reimbursement under the CareFirst Select Vision plan. A completed CareFirst vision claim form and itemized bill will be required for processing.
