- 1.2 **Provisional Contract Teacher** shall mean all regularly assigned teachers working half-time or more each day who have not yet completed three continuous years of contract employment as a teacher in Granite School District. Regular contract teachers who have an interruption in service of six years or more shall be provisional contract teachers for the first year following their return.
- 1.3 **Regular Contract Teacher** shall mean all regularly assigned teachers (except specially funded program teachers), working half-time or more each day, and who have completed the provisional period described above.
- 1.4 **Temporary Teacher** shall mean all teachers who are employed after the first day of the second semester and all other teachers hired on a limited short-term basis. Temporary teachers are not covered by this Agreement.

- 1.6 **Specially Funded Program Teacher** shall mean all teachers who do not have regular contract teacher status in the District immediately prior to being hired to staff special programs that are funded by agencies other than the District. Specially funded program teachers are covered by this Agreement and are eligible for fringe benefits. Any discontinuance or curtailment of funds by the program's funding agency shall constitute the discontinuance of a particular service (i.e. program) within the meaning of Section 53A-8-107 Utah Code, justifying the nonrenewal of employment contracts for the teachers in that program as a necessary staff reduction.
- 1.7 **Association** shall mean the Granite Education Association.

- 1.8 **District** shall mean the Granite School District in the County of Salt Lake and State of Utah.
- 1.9 **Board** shall mean the Granite School District Board of Education.
- 1.10 **School Year** shall mean the period of time established by the official school calendar adopted by the Board.
- 1.11 **Seniority** shall mean length of continuous and current employment as a teacher under contract in the District.
- 1.12 **Semester hours** includes the computational equivalent in quarter hours (quarter hours * $2/3$ = semester hours or semester hours * $3/2$ = quarter hours).

ARTICLE 2

GENERAL PROVISIONS

- 2.1 In line with the Board's policy of not discriminating against any teacher on the basis of race; religion; color; sex; national origin; or disability, and the Association's policy of admitting persons to membership without discrimination on the basis of race; religion; color; sex; national origin; or disability, it is agreed that none of these conditions will be preconditions of employment. It is further agreed that the Board shall not discriminate against a teacher on the basis of membership, non-membership, or official position in any teacher organization.
- 2.2 This Agreement shall be a part of each individual teacher's contract.
- 2.3 The Board, the Association, all teachers covered by this Agreement, and all provisions of this Agreement are subject to the laws and Constitution of the State of Utah and of the United States, and to the regulations and orders of state and federal governmental agencies. Any provisions of this Agreement found to be in violation of such laws, regulations, and orders shall be null and void; however, this section shall not operate to impair any Agreement or contract during the term of the Agreement of contract.
- 2.4 Pursuant to state law, the Board may enter into individual employment contracts without violating this Agreement.

ARTICLE 3

BOARD OF EDUCATION RIGHTS AND RESPONSIBILITIES

- 3.1 Except as otherwise specifically provided in this Agreement, the Board retains and reserves unto itself the sole and exclusive right to the executive management and administrative control of the school system, along with all other rights, powers, authority, duties, and responsibilities conferred upon and vested in it by the laws and Constitution of the State of Utah and the United States, including, but not limited to, the following rights and responsibilities:
- 3.1.1 to determine and administer policy;
 - 3.1.2 to establish courses of instruction, including special programs, and to provide for athletic, recreational and social events for students;
 - 3.1.3 to hire all teachers and, subject to the provisions of law, to determine their qualifications and the conditions for their continued employment, or their dismissal or demotion, and to promote and transfer all such employees;
 - 3.1.4 to determine the responsibilities and assignments of teachers;

Therefore, the Board will provide opportunities for the involvement and participation of teachers individually and through the Association in planning and developing the best possible programs for students and teachers of the District.

ARTICLE 4

RECOGNITION

- 4.1 **Representative.** The Board recognizes the Association as the exclusive representative of the teachers provided, however, any individual teacher shall have the right to present grievances with or without representation by the Association, in accordance with the Grievance Procedure provided herein (see Article 6); and provided further, that nothing in this Agreement shall be so construed as to deprive any individual of his or her rights under the Utah Right to Work Law.

- 4.2 **Bargaining Unit.** The appropriate unit for purposes of negotiating terms and conditions of employment is comprised of all teachers, as herein defined, employed by the Granite School District.
- 4.3 **Continued Recognition.** The Board shall continue to recognize the Association as the exclusive representative for the term of this Agreement or any renewal thereof, provided, however, that if the Board has cause to believe that a majority of the members of the bargaining unit have not designated or selected the Association as their representative, the Board may request and shall be furnished (by the Association) with proof of such designation or selection by such majority. If the Association fails to provide such proof, it shall not be recognized as the exclusive representative of the teachers.

ARTICLE 5

NEGOTIATIONS

- 5.1 **Negotiating Teams.** The Board, or designated representatives appointed to serve on its team, will meet with representatives designated by the Association for the purpose of establishing procedures for negotiating and reaching mutually satisfactory agreements. Each party's negotiating team shall consist of not more than five members.
- 5.2 A meeting to open negotiations will be held no later than the first day of April.
- 5.3 **Schedule of Meetings.** Negotiations will be conducted at times and places mutually agreeable to the negotiators named by each party.
- 5.4 Before negotiations begin on specific items, the Association shall submit, in writing, specific initial proposals on any items it wishes to negotiate. The Board shall respond within two weeks with specific written proposals to open for negotiation any items the Board wishes to negotiate that may not have been included among the initial proposals of the Association. After this initial exchange of proposals, no new subjects for negotiation may be introduced by either party without mutual consent. The initial proposals of both parties shall constitute the agenda, with the discussion order to be jointly agreed upon before negotiations begin on specific items.
- 5.5 **Conducting Negotiations.** The negotiation teams will meet in closed sessions, unless otherwise agreed upon mutually in advance. All proposals must be channeled through the negotiation teams at the table. The teams will present relevant data, exchange points of view, and make proposals and counterproposals. Upon request by either party, the other shall make available for inspection its public records and data pertinent to the subject under negotiation.
- 5.6 **Consultants.** Either party may utilize the services of consultants to assist in negotiations.
- 5.7 **Release from other Duties.** If negotiations are scheduled during the school day, the negotiators shall be released from regular duties without loss of pay.

- 5.8 **Adopting Agreement.** To reach tentative agreement, all understandings must be reduced to writing, dated, and signed by both parties at the time tentative agreement is reached. All such agreements achieved in process will remain tentative pending completion of an agreement on the entire package. Tentative agreement on the entire package must also be reduced to writing and signed by both parties at the time the complete tentative agreement is reached. Such agreements shall be recommended to the Board and the Association for approval by both negotiating teams. The complete agreement shall become final upon ratification by the Board and the Association.
- 5.9 **Impasse.** If agreement is not reached on all items, either party may declare to the other in writing that an impasse exists and call for a mediator. A written request for mediation shall be considered a joint request, and the other party shall join in the request.
- 5.9.1 **Mediation.**
- 5.9.1.1 Within ten days after declaration of an impasse, both parties shall submit the items at impasse to a mediator through the Federal Mediation and Conciliation Service.
- 5.9.1.2 The mediator shall endeavor to assist the parties in overcoming the impasse and reaching agreement on the issues at impasse. His or her efforts shall be limited to the issues at impasse.
- 5.9.1.3 The parties agree to cooperate with the mediator by meeting with him or her promptly and making available at his or her request any public records and data pertinent to the issues at impasse.
- 5.9.2 In the event that mediation efforts are not successful in resolving the issues, both parties shall make such further efforts to reach agreement as mutually agreed to by both negotiating teams.
5. 10 The rules of procedure listed in this article may be changed at any time by mutual consent of both teams.

ARTICLE 6

GRIEVANCE PROCEDURE

- 6.1 **Definition.** Grievance shall mean a complaint by a teacher that there has been an alleged violation, misinterpretation, or misapplication of any of the provisions of this Agreement affecting that teacher.
- 6.2 **Procedure.** It is the intent of the District and the Association to attempt to resolve all grievances promptly, informally and confidentially, at the lowest possible administrative level, in accordance with the following procedure:

6.2.1 Step One - Oral Grievance

6.2.1.1 The teacher with a grievance must first attempt to resolve it informally by discussing the issue with the principal within ten working days after the teacher became aware of the act or condition upon which the grievance is based.

6.2.1.2 The principal shall have up to 10 working days after thus learning of the grievance to consider the matter and give the principal's answer orally to the employee.

6.2.2 Step Two - Written Grievance

6.2.2.1 If the grievance is not resolved informally in step one, the teacher may file the grievance with the principal in writing within ten working days after receiving the answer in step one.

6.2.2.2 The written grievance shall:

- A. describe the nature of the grievance and the facts giving rise to it;
- B. note the provisions alleged to be violated, misinterpreted, or misapplied and the position of the teacher with respect to such provisions; and
- C. state the specific remedy requested to resolve the grievance.

6.2.2.3 The principal shall have up to 10 working days after receiving the written grievance to investigate the matter, make a decision, and communicate the decision in writing to the teacher.

6.2.3 Step Three - Appeal of Written Grievance

6.2.3.1 If no mutually agreeable settlement is reached in step two, the teacher may file the grievance with the Association, and the Association may submit the written grievance to the Superintendent within 10 working days after receiving the answer in step two, requesting that the principal's decision be reviewed.

6.2.3.2 The Superintendent or the Superintendent's designee shall assign a grievance examiner within ten working days after receiving the written grievance from the Association.

6.2.3.3 The grievance examiner shall schedule a hearing not fewer than ten working days, nor more than 20 working days, after receiving the assignment, except upon mutual agreement between the parties.

- 6.2.3.4 The grievance examiner shall receive and review such evidence as the parties present that is relevant to the grievance and shall thereupon determine the facts of the matter; whether or not the Agreement has been violated, misinterpreted, or misapplied; and report these determinations with recommendations to the Superintendent or the Superintendent's designee within five working days following the meeting.
- 6.2.3.5 The Superintendent or the Superintendent's designee shall make a decision within ten working days after receiving the grievance examiner's report and communicate the decision in writing to the parties concerned.

6.2.4 **Step Four - Impartial Third-Party Hearing**

- 6.2.4.1 In the event that no mutually agreeable settlement is reached in the foregoing procedure, the teacher may, within 15 working days after receiving the decision of the Superintendent or his or her designee in step three, request that the Association file a petition in the Superintendent's office requesting that the matter be referred to an impartial third party from outside the District for his or her review and recommendations.
- 6.2.4.2 Representatives of the Superintendent and the Association shall agree upon an impartial third party hearing examiner from outside the District within ten working days after receipt of notice of referral. The hearing examiner shall be notified of his/ her selection by a joint letter from the District and the Association stating the issue(s) and requesting that he or she set a date and time for the hearing.
- 6.2.4.3 The hearing examiner shall have no authority to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. His or her authority shall be strictly limited to making a recommendation to the Board regarding only the specific issue or issues submitted to him or her in writing by the District and the Association. The examiner shall have no authority to make recommendations on any other issue not so submitted to him or her. The examiner shall have no power to make recommendations contrary to or inconsistent with the law. The examiner's recommendations to the Board must be based solely upon his or her interpretation of the meaning or application of the express relevant language of this Agreement to the facts of the grievance presented. The hearing examiner shall submit his or her recommendations in writing to the teacher, the District, and the Association within 20 working days after the close of the hearing or the submission of agreed upon briefs by the parties, whichever is later, unless the parties agree to an extension thereof.
- 6.2.4.4 In the hearing, neither party shall be permitted to introduce any evidence which was not presented in steps one through three. In the event that new

evidence is discovered that might have bearing on the grievance, the grievance will return to step two.

6.2.4.5 The recommendation of the hearing examiner to the Board shall be advisory only. The Board shall make a final disposition of the case within 20 working days after receiving the recommendation(s) of the hearing examiner, unless the parties agree to an extension. The decision of the Board shall be submitted in writing to all parties, and shall be final and binding on all parties to the grievance, provided the Board in its decision does not exceed its authority as established in the law.

6.2.4.6 Expenses for the hearing examiner's services shall be shared equally by the District and the Association for grievances brought by the Association but not for grievances brought by teachers or other associations in their own behalf. In those situations, the teacher, or association representing the teacher, will be responsible to share the costs with the District.

6.2.4.7 Nothing herein shall be construed to limit the right of the teacher to appeal the Board's decision to an appropriate court of law.

6.3 **General Provisions**

6.3.1 **Group Grievance.** A grievance may be initiated in behalf of a group of teachers by the Association or by any member of the group designated by them to serve as their representative. Whoever initiates a grievance in behalf of a group shall begin at step one if all members of the group are in the same school. If the members of the group are in different schools, the group grievance may begin at step three. Group grievances shall list by name the teachers in whose behalf and with whose consent the grievance is filed.

6.3.2 **Individual Complaint.** Nothing contained herein may be construed as limiting the right of a teacher with a complaint to have the complaint adjusted without recourse to the grievance procedure and with or without representation by the Association, provided that the adjustment is consistent with the terms of this Agreement. When a teacher is not represented by the Association, the Association will have the opportunity to be present beyond the level of the principal or immediate supervisor.

6.3.3 **Time Limits.** No grievance shall be entertained or processed unless it is submitted within 10 working days after the teacher became aware of the act or condition upon which the grievance is based. If the principal or the District does not answer a grievance or an appeal thereof within the specified time limit, or mutually agreed extension thereof, the teacher involved may move the grievance to the next step. If the teacher does not advance a grievance to the next step within the specified time limit, or mutually agreed extension thereof, following the date

when a district decision was due or given, the grievance shall be considered withdrawn without prejudice.

6.3.4 **Meetings and Representation**

6.3.4.1 Meetings specified under this procedure shall be conducted at times and places which will afford a fair and reasonable opportunity for all necessary persons, including witnesses, to attend. Such meetings shall be conducted during non-working hours unless there is mutual agreement for other arrangements.

6.3.4.2 In any grievance meetings, all of the parties directly involved shall have the right to be accompanied, advised, or represented by a person of their own choosing.

6.3.4.3 Meetings beyond step one, specified under this procedure, will not be held without prior notification to the Association or without providing the opportunity for an Association representative to be present.

6.3.5 **Reprisals.** No reprisal of any kind will be taken by the Board, the administration, the Association, or by a teacher against any of the participants in a grievance procedure by reason of such participation.

6.3.6 **Grievance File.** All documents, communications, and records dealing with grievances will be filed in a separate grievance file and will not be kept in the District personnel file of any of the participants.

6.3.7 **Sharing of Information.** The Board and the Association agree to make available to all parties in interest any information in their possession which is not privileged under law, but which may have a bearing on decisions reached at any step of the grievance procedure.

6.3.8 **Grievance Forms.** See Appendix B for sample grievance forms. Grievance forms may be obtained at the Human Resources office, the Association office and at each school.

6.4 **Informal Hearing Procedures**

6.4.1 An informal hearing means a meeting between a teacher covered by the Agreement and the Assistant Superintendent or the Assistant Superintendent's designee (other than the direct supervisor of the teacher's administrator) of the teacher's Division.

6.4.2 Teachers claiming that records in their personnel files are inaccurate are entitled to an informal hearing pursuant to Article 15.3.5. Teachers who are suspended with or without pay are entitled to an informal hearing pursuant to Article 19.3.

- 6.4.3 In informal hearings, all parties directly involved shall have the right to be accompanied, advised, or represented by a person of their own choosing. Informal hearings shall not be held without providing adequate notice of the hearing to the Association and opportunity for the Association to participate in the hearing.

The Assistant Superintendent, or the Assistant Superintendent's designee who will conduct the informal hearing, may establish reasonable procedures to facilitate clarity and order. Such procedures may include time-allotments, order of presentation, etc. If the Assistant Superintendent, or the Assistant Superintendent's designee, elects to establish procedures for a particular informal hearing, those procedures shall be communicated to all parties in a timely manner.

- 6.4.4 The Assistant Superintendent or the Assistant Superintendent's designee shall make a decision within ten working days after the informal hearing and communicate the decision in writing to the teacher.

ARTICLE 7

EMPLOYMENT

- 7.1 **Periods of Employment.** The days of employment within the period set out in the contract shall be designated by the Board in the official school calendar.
- 7.2 **Basis for Determining Salaries.** Each teacher's annual contract salary shall be determined by placement on the salary schedule according to verified experience and training as follows:
- 7.2.1 **Salary Credit for Experience**
- 7.2.1.1 **Salary Step Placement upon Employment.** An experienced teacher shall receive full credit on the salary schedule for the first ten years of public school teaching experience. Half-time (.50 FTE or more) regular contract teaching experience will be figured cumulatively in arriving at proper step placement. When there is a shortage of qualified candidates for a specific position, additional step credit for verified experience beyond ten years may be allowed by the Human Resources office.
- 7.2.1.2 Salary schedule credit for teaching experience under 7.2.1.1 above shall be granted automatically for full-time contracted teaching in a public school. All other teaching experience shall be evaluated by the Human Resources office and the amount of credit granted shall depend upon the extent to which such experience is equivalent to public school teaching. All credited teaching experience must be officially verified.

7.2.1.3 **Annual Increments.** Continuing teachers shall receive a one-step salary increment on the salary schedule for each year of successful teaching in the District until they reach the maximum step of their salary lane. Such salary increments shall be given at the beginning of each contract year by moving forward one step on the salary schedule all continuing contract teachers who successfully completed at least one-half year (.50 FTE) of contract teaching during the previous school year.

7.2.1.4 Contract teachers returning from military leave shall be granted credit on the salary schedule at the following rate: One step on the salary schedule for each year of military service, or major part thereof, not to exceed three years' credit.

7.2.2 **Salary Credit for Training**

7.2.2.1 Within thirty days following beginning date of employment, a teacher new to the District must supply the District Human Resources office and the principal with official, up-to-date transcripts of all college credits. Transcripts become the property of the District and are not returned upon termination of employment.

7.2.2.2 Placement on the A Lane (Bachelor's), D Lane (Master's), or G Lane (Doctorate) is dependent upon verification of the degree and a teaching certificate. Credit to be applied toward the B Lane (Bachelor's plus 20 semester hours) and the C Lane (Bachelor's plus 40 semester hours) must have been earned subsequent to meeting the requirements for the Bachelor's degree and a teaching certificate. Credit to be applied toward the E Lane (Master's plus 20 semester hours) and the F Lane (Master's plus 40 semester hours) must have been earned subsequent to meeting the requirements for the Master's degree and a teaching certificate. The employee must furnish evidence that all of the degree requirements have been met. All college credit must be granted by a four-year college or university which has been accredited by the National Council for the Accreditation of Teacher Education (NCATE), or by one of the six regional accrediting associations. (Exception: Lane change credit shall be given for credit from Salt Lake Community College.)

7.2.2.3 Application for lane advancement on the salary schedule must be made on the official form provided by the Human Resources office (see Appendix C.) Applications must be supported by complete official transcripts of credit (report cards will not suffice), verifying the credit requested. Lane change will become effective on the date the completed application form, and all official documentation forms, are received by the Human Resources office. The lane change will be made on the next payroll cutoff date, and the salary increase will be reflected on the paycheck following that payroll cutoff date. The total amount paid for the year from the new

lane will be prorated based upon the number of contract working days remaining as of the date when all necessary materials are received by the Human Resources office.

7.2.2.4 **Non-CACTUS Credit.** Upon recommendation of the Educator Support and Development office, non-CACTUS credit may be used toward any one- lane advancement on the salary schedule.

7.2.2.5 In-service credit may be used in qualifying for salary lane advancement according to the following provisions:

- A. All CACTUS approved in-service credit will count towards lane change.
- B. Evidence of credit (e.g. transcripts, USOE CACTUS report, etc.) is to be submitted to Human Resources, and is the responsibility of the teacher.
- C. Lane change appeals will be directed to the Human Resources office.

7.3 **Payment of Salaries**

7.3.1 Paychecks will be made available to employees on the last district working day of each month, except as may be otherwise provided below.

7.3.2 December paychecks will be issued prior to Winter Recess for employees who have no further working days in December.

7.3.3 When paychecks are given out prior to the end of the month in accordance with the above provisions, payments of withholdings to the credit union, annuity companies, and various other insurance agencies will not necessarily be remitted on the day paychecks are issued.

7.3.4 All employees paid from the teachers' salary schedule, who by regular assignment, must travel between two or more district schools or approved locations on the same day will receive an automobile allowance each month for the term of their contract. The amount of the monthly car allowance for each qualifying teacher will depend on the number of days each week that the teacher is regularly assigned to two or more locations:

Two or More Locations

5 Days Per Week	\$90.00	2 Days Per Week	\$36.00
4 Days Per Week	\$72.00	1 Day Per Week	\$18.00
3 Days Per Week	\$54.00		

In addition to the above automobile allowances, all employees of the District are entitled to mileage reimbursement according to the terms of Administrative Memorandum Number Thirty Five.

7.4 Teaching License

7.4.1 Before reporting for duty, teachers employed under this Agreement shall comply with all necessary licensure and/or endorsement requirements of the Utah State Board of Education.

7.4.2 The licenses specified above must be registered with the Human Resources within thirty days following the beginning date of employment.

7.5 Performance of Duties

7.5.1 The teacher agrees to follow the rules, regulations, and policies of the Board and to perform the duties assigned to the teacher under the direction of the principal and the Superintendent, at the time and place appointed by the Board or the Board's designee. Duties may not be assigned arbitrarily or capriciously.

7.5.2 Acts in violation of this Agreement, or of the rules; regulations; and policies of the Board, or failure to perform duties assigned to the teacher, may constitute a breach of contract and subject the teacher to disciplinary action

7.5.3 If a teacher is required to follow a Board policy, or perform a duty that the teacher believes to be in violation of this Agreement, the appropriate course of action for the teacher is to use the grievance procedure provided herein.

7.6 Continued Employment

7.6.1 Except as otherwise specifically provided in this Agreement, regular contract teachers doing satisfactory work will be continued in employment on a year-to-year basis until they retire.

7.6.2 Provisional contract teachers and specially funded program teachers shall sign the District's Special Employment Contract.

7.6.3 Provisional contract teachers are employed for a specified period of time only, as defined in the Special Employment Contract that they sign. Provisional contract teachers shall have no right or expectation of continued employment beyond the term specified in their Special Employment Contract. (See Appendix D.)

7.6.4 Specially Funded Program teachers doing satisfactory work, who have completed their three-year provisional period, may expect continued employment in successive years, unless there is a curtailment or discontinuance of funds in their program. Any such curtailment or discontinuance of funds shall justify non-

renewal of teacher contracts in that program. Such non-renewals shall not be considered a violation of this Agreement and the teachers involved shall not be entitled to a formal hearing under the Utah Orderly School Termination Procedures Act.

7.7 Determination of Contract Full-Time Equivalency (FTE) for Secondary Teachers

7.7.1 The determination of contract FTE for secondary teachers shall be based on the number of teaching periods or teaching blocks assigned. Thus, in a school with a seven-period day, where the normal full-time load is six teaching periods plus one consultation/ preparation period per day (see 9.8), a teacher with only three teaching periods will be on a .5 FTE contract.

Examples to illustrate the concept, based on a seven-period school day:

Teaching Periods	Proportion of Full-Time	FTE	Contract Status
1	1/6	.17	No
2	2/6	.33	No
3	3/6	.50	Yes
4	4/6	.67	Yes
5	5/6	.83	Yes
6	6/6	1.00	Yes

7.7.2 In a school with an eight-period day, where the normal full-time load is three double teaching periods (blocks) and one double consultation/preparation period (block) per day, a teacher with only two double teaching periods will be on a .67 contract.

Examples to illustrate the concept, based on an eight-period (block) school day:

Teaching Periods	Proportion of Full-Time	FTE	Contract Status
1 (2 periods)	2/6	.33	No
2 (4 periods)	4/6	.67	Yes
3 (6 periods)	6/6	1.00	Yes

7.7.3 This approach has the effect of pro-rating the consultation/preparation period for teachers working less than full-time. Contract teachers with less than full-time FTE will be expected to perform their prorated share of consultation/preparation time, and to assume their pro-rated share of necessary professional duties.

7.7.4 Contractual leave benefits will be extended to cover the extra period for teachers who have agreed to teach an extra period during the regular school day.

- 7.7.5 In the event the Board of Education approves a school-day schedule different from the day described in 7.7.1 or 7.7.2, the District and Association will jointly develop an FTE calculation grid.

ARTICLE 8

TEACHER FACILITIES

- 8.1 Each school will be provided with well-ventilated, clean, adequate, separate rest rooms for men and women teachers.
- 8.2 There shall be a furnished room in each school to be used as a faculty lounge.
- 8.3 Each school shall have telephone service available to teachers that provides privacy of conversation.
- 8.4 Space in the parking lot at each school will be reserved for the parking of teachers' cars.

ARTICLE 9

TEACHING HOURS AND TEACHING LOAD

- 9.1 Teachers shall be required to work on the days specified in the official school calendar and according to the schedule of opening and closing schools as determined by the Board. Mandatory professional development days shall not be scheduled on Saturdays or Sundays. Except for special orientation meetings for new teachers, teachers who are required to work extra days before or after the dates specified in the official calendar shall receive additional compensation at their appropriate daily rate.
- 9.2 **School Day**
- 9.2.1 Elementary teachers shall report to work no less than 20 minutes before the regular beginning time of the school day and shall remain on duty for at least 15 minutes after the closing time of school.
- 9.2.2 Secondary teachers shall report to work no less than 30 minutes before the regular beginning time of the school day and shall remain on duty for at least 20 minutes after the regular closing time of school. In schools starting before 8:00 a.m., these time provisions may be reversed.
- 9.3 **Faculty Meeting.** The principal, in consultation with the School Building Professional Committee, will make decisions relating to faculty meetings.
- 9.3.1 Faculty meetings shall not exceed more than one per month, except when cleared by a School Accountability Director and /or in the event of an emergency.

- 9.3.2 Faculty meetings are to be used to manage the logistical operations of the school and to enhance communication with the faculty. Faculty meeting is not to be used for professional development.
- 9.4 **Duty Free Lunch.** All teachers shall have an uninterrupted, duty-free lunch period of at least 30 minutes daily (not counting passing time [effective the 05-06 school year]), except for teachers with assigned lunch-time responsibilities. Assigned supervisory duty, or other duty, shall not exceed 10 minutes in any lunch period.
- 9.4.1 In order to assist in lunch-time supervisory duties, and to reduce and minimize the number of lunch-time duties for teachers, the District will budget an amount of money annually for lunch supervision programs. The total amount will be determined in negotiations and will be allocated to the schools on an as-need basis.
- 9.4.2 **At the elementary level,** principals will use allocated funds to hire part-time teacher aides (if available) to assist in lunch-time supervisory duties. If no aides can be hired for this purpose, teachers who agree to perform the duties otherwise assigned to the aides will be compensated at the Secondary Lunch Monitor rate (Classified Lane dd) until an aide can be hired.
- 9.4.3 **At the secondary level,** teachers who agree to perform extra lunch-time duties in order to reduce lunch-time duties for other teachers will be compensated at the Secondary Lunch Monitor rate (Classified Lane dd).
- 9.5 Normally, secondary teachers will spend preparation and consultation periods at the school. However, teachers may on occasion be excused by the principal, or the principal's designee, to utilize other facilities for school-related professional purposes to aid the teacher in meeting the needs of students.
- 9.6 When another teacher is in charge of an elementary teacher's class, the regularly assigned teacher, under guidelines formulated by the staff and approved by the principal, may leave the classroom and use that time as a preparation period, or for other professional purposes.
- 9.7 Only in case of emergency will teachers be required to serve as substitutes. Insofar as administratively possible, such emergency substituting assignments will be distributed among all faculty members. Emergency in this subsection shall mean an unscheduled or unplanned event, or an unforeseen combination of circumstances, that calls for immediate action.

In the event that a substitute teacher is not provided for a contract teacher who has requested a substitute for a sick personal or sick family day prior to 6:30 a.m., the absence will result in a "failed-to-fill." In such situations, when contract teachers are asked to cover the failed-to-fill, they shall be paid a prorated share of the Level V substitute teacher rate. Secondary teachers who cover the failed-to-fill during what

would have been their paid consultation period will coordinate with their supervisor to fulfill the contractual obligation.

- 9.8 The teaching load for secondary teachers shall not exceed six teaching periods a day. The normal teaching assignment for secondary teachers is not more than three teaching preparations and not more than two subject areas. Each teacher will be given an additional 45-minute block of time weekly—two times per month will be dedicated to teacher planning time and two times per month will be for collaboration time. In the event that the 45-minute planning time falls during an assembly, or other scheduled activities, the principal will arrange coverage for the teacher's students, thus guaranteeing that the teacher will still receive his or her planning time. This will be accomplished without burdening another teacher for supervision.

SUSPENSION, TERMINATION AND NON-RENEWAL OF CONTRACT

- 19.1 Teachers may be suspended or dismissed for cause under the provisions of the Orderly School Termination Procedures Act, Title 53A, Chapter 8, Utah Code Annotated. (See Appendix G.)
- 19.2 **Cause.** A list of causes considered by the Board to be possible grounds for suspension or dismissal is included in the official Policies, Rules, and Regulations of the Board.
- 19.3 **Suspension.** The Superintendent, or the Superintendent's designee, may suspend a teacher with or without salary, whenever, in the Superintendent's professional judgment, it is in the best interest of the District to take such action. Notice of suspension shall be given in writing, including a statement of the reasons thereof. Suspended teachers shall have the right to an informal hearing pursuant to Article 6.4 if the hearing is requested within ten working days of receiving a letter of suspension.
- 19.4 **Termination of Contract during Contract Term.**
- 19.4.1 **Preliminary Notice:** When the District intends to terminate a teacher's contract during the contract term for reasons of incompetence, the District will inform the teacher of the fact that continued employment is in question and of the reasons thereof at least thirty days before issuing the termination notice. The teacher will be given an opportunity to correct any deficiencies that precipitated possible termination of contract.
- 19.4.2 **Termination Notice:** When the District intends to terminate a teacher's contract during the contract term for incompetence, or for any other cause, the District will give prior written notice of such intent served by personal delivery or by certified mail addressed to the teacher's last known address. Such termination notice will state the date of termination and the reasons and causes for termination, and will advise the teacher that he or she may request an informal conference with the appropriate Assistant Superintendent to discuss the matter. Termination notices will be delivered or mailed at least thirty days prior to the proposed date of termination.
- 19.5 **Nonrenewal of Regular Contract Teachers.**
- 19.5.1 **Preliminary Notice:** When the District intends not to renew a teacher's contract, the District will inform the teacher of the fact that continued employment is in question and of the reasons thereof at least one month before issuing the nonrenewal notice. The teacher will be given an opportunity to correct any deficiencies which precipitated possible nonrenewal.

19.5.2 **Nonrenewal Notice:** When the District intends not to renew a teacher's contract, the District will give prior written notice of such intent served by personal delivery or by certified mail addressed to the teacher's last known address. Such nonrenewal notice will be dated and contain a clear and concise statement that the teacher's contract will not be renewed, will state the reasons and causes for such action, and will advise the teacher that he or she may request an informal conference with the appropriate School Accountability Services administrator to discuss the matter. Nonrenewal notices will be delivered or mailed at least two months prior to the end of the contract term of the individual teacher involved.

19.5.3 **Failure to Give Timely Notice:** In the absence of timely notice, contract teachers will be deemed to be re-employed for the succeeding contract term with a salary based upon the applicable teacher salary schedule.

19.6 **Informal Hearing for Provisional Contract Teachers**

19.6.1 After receiving a nonrenewal notice, provisional contract teachers may file a written request in the division Assistant Superintendent's office for an informal hearing pursuant to Article 6.4 to review the proposed dismissal. If the teacher does not request an informal hearing within 15 calendar days after receiving the termination or nonrenewal notice, his or her employment shall end on the date specified in the notice.

19.6.2 If the division Assistant Superintendent's written determination is to dismiss the teacher, it will specify the effective date of dismissal, which will in no event be sooner than the originally proposed date, or the tenth day following the date of determination, whichever is later. The decision of the division Assistant Superintendent will be binding upon all parties, provided the decision does not exceed district authority as established in the law.

Note: Provisional contract teachers have the same right of a hearing under 19.7 as a regular contract teacher for a termination of a contract for cause during the contract term.

19.7 **Formal Hearing for Regular Contract Teachers**

19.7.1 After receiving a termination notice, or a nonrenewal notice, regular contract teachers and specially funded program teachers who have completed their provisional period and who are being released for reasons other than curtailment or discontinuance of funds, may file a written request in the Superintendent's office for a formal hearing to review the proposed dismissal. If the teacher does not request a formal hearing within 15 calendar days after receiving the termination or nonrenewal notice, his or her employment shall end on the date specified in the notice.

- 19.7.2 Representatives of the Superintendent and the Association will agree upon an impartial third party hearing examiner from outside the District within ten calendar days after receipt of the formal hearing request.
- 19.7.3 At the hearing, the parties shall have the right to be accompanied, advised or represented by a person of their own choosing except that they may not be represented by a representative, an officer, or a member of any teacher organization other than the Association. All parties may be represented by counsel, produce witnesses, hear all testimony of the other party, cross-examine witnesses, and examine all documentary evidence.
- 19.7.4 Within ten calendar days following the hearing, the hearing examiner will submit his or her recommended solution to the Board, with copies to the teacher, the Superintendent, the principal, and to the Association. The recommendation of the hearing examiner will be advisory only. The Board will make a final disposition of the case within thirty calendar days after receiving the hearing examiner's recommendation. The decision of the Board will be submitted in writing to all parties, and will be binding upon all parties, provided the decision does not exceed Board authority as established in the law.

19.8 **General Provisions**

- 19.8.1 **Time Limits:** The above time limits regarding hearing dates and decisions may be extended by mutual agreement.
- 19.8.2 **Costs:** The costs of the hearing examiner and of preparing a hearing record (if any) will be shared equally by the Board and the Association.
- 19.8.3 **Reinstatement of Lost Pay:** If it is determined that a suspension without pay, or the length thereof was unjustified, the final decision will include appropriate reinstatement of lost pay to the teacher involved.
- 19.8.4 **Personnel Records:** If the final determination is not to dismiss a teacher, record of the District's attempt to dismiss the teacher will not become part of the teacher's personnel file. Material will be removed from the teacher's file when a teacher's claim that it is inaccurate has been sustained in dismissal proceedings.
- 19.8.5 **Court Appeals:** Nothing herein shall be construed to limit the right of a teacher to appeal the District's decision to an appropriate court of law.

19.9 **Reduction in Force**

- 19.9.1 The reduction in force process will not apply and need not be followed unless there is a district-wide reduction in force. A district-wide reduction in force occurs when the District is unable to place teachers at the end of the surplus

process, prior to the beginning of a new contract year. After the surplus process is complete, the Superintendent may release as many teachers as necessary.

- 19.9.2 A meeting between the Superintendent, or designee, and a representative of the Association will be set at least 10 days prior to any final action by the District to reduce teachers as the result of a district-wide reduction in force.
- 19.9.3 All unplaced teachers will be reviewed by the number of their respective endorsements and certifications, according to the staffing needs of the District. Staffing needs may include but are not limited to the following: endorsements, certifications, pattern of declining enrollments in subject area, endorsements in core academic areas, ESL and gifted endorsements, extracurricular coaching endorsements and certifications, eMINTS certifications, and those who are fluent in a language needed within a school site. Any teacher who has received a current (within the existing school year) written notice of suspension will not be eligible to displace another teacher.
- 19.9.4 If a choice must be made between two or more teachers determined by the District to be equally well qualified for the position, the teacher with the most advanced degree and lane placement according to the teacher salary schedule will be retained.
- 19.9.5 Teachers released through this process, who are not on active corrective discipline as found within their district personnel file, shall be given the first right of interview for positions for which they are qualified that become available during the six months following their release. Notification of the available position shall be made by a certified letter to the last known address of the former employee. The offer of interview shall advise the person that he or she has seven days after the postmarked date of the letter to accept or reject the offer of interview. If rehired under this section, teachers will be placed on the step they would have received if they had not been released. Offers not accepted or responded to by the seventh day are deemed rejected.

19.10 Voluntary Termination of Employment (Resignation)

- 19.10.1 The Board and a teacher may mutually agree to terminate the teacher's contract at any time.
- 19.10.2 A teacher may retire from his or her employment on the last day of the school year by submitting written notice to the director of Human Resources no later than March 1.
- 19.10.3 A teacher may terminate his or her contract upon thirty days written notice to the director of Human Resources.

19.10.4 Damages in the amount of \$1,000 will be levied against a teacher who fails to give the above required notice.

ARTICLE 20

INSURANCE PROGRAMS

- 20.1 **Eligibility.** All teachers under written contract shall be eligible for the group insurance programs provided by the board.
- 20.1.1 **Coverage.** Insurance coverage (medical, life, etc.) for eligible teachers cannot begin until the District personnel office receives completed enrollment cards for each insurance coverage desired. Teachers who submit the necessary insurance enrollment forms within their first 30 days of contract employment will be covered beginning 90 days from their contract hire date. (Flexible spending accounts and 401(k) accounts are not subject to the 90-day waiting period and, upon election, will commence as of the contract hire date. Voluntary life insurance becomes effective when approved by the carrier.) Teachers who are late in submitting these enrollment forms (beyond the first 30 days of contract employment) must provide proof of insurability, wait until the following Open Enrollment period, or be subject to preexisting condition limitations depending on the insurance plan desired. Coverage shall be continuous for contract teachers who are continued in employment on a year-to-year basis.
- 20.1.2 **Ending Date of Coverage.** Each insured teacher who terminates employment with the District shall have the benefit of such group insurance during the summer period and until August 31 for the employee group to which the teacher belonged, provided the teacher shall have completed the employment contract for the school year just ended. Otherwise, coverage shall end on the date specified in the insurance policy for teachers who terminate prior to the end of the school year.
- 20.2 **Dual Medical Coverage.** If a teacher who is eligible for coverage under the District's group medical plan is also eligible as the spouse of another covered employee, the coverages will supplement one another, so that benefit payments for such individuals with dual coverage will be made up to 100% of the eligible charge provided that each employee pays the full contribution amount associated with the coverage sought and one employee pays the employee or employee plus dependent(s) amount (e.g. two employees only, one pays employee plus spouse and the other pays employee only contribution; or two employees and family, one employee pays employee plus spouse and family and the other pays employee plus family). The employees must be members of the same medical insurance plan.
- 20.3 **Shared Premium for Contract Teachers Working Less than Full-time (1.0 FTE).** Contract teachers working less than full-time will receive full coverage under the District's group medical and non-contributory life insurance programs if they pay their

proportional share of premium costs by authorized payroll deduction. The teacher's proportional share equals 1.0 minus the teacher's FTE. The Board will pay the percentage of premiums equal to the teacher's FTE. Such teachers who elect not to pay their share of the premiums will not be covered.

- 20.4 **Insurance Committee.** Association leaders and/or Association appointees will meet regularly with the District to discuss, study, and make recommendations regarding the substance, implementation, and funding of insurance programs.

Any requests to add, delete or change dues deductions, which are received by the Payroll Office after the 10th day of any month, will not be honored until the following month. Requests to add, change, or cancel dues deductions must be submitted on forms provided by the Association and available at the Association offices.

School/Department: _____

Proposed Date(s) of Leave: _____

Teachers are allocated four personal leave days each contract year. Personal leave can be taken for any reason, at the discretion of the teacher. Teachers who take no personal leave in a contract year will receive an amount equal to three times the current Substitute II rate. Teachers who take one personal leave day in a contract year will receive an amount equal to two times the current Substitute II rate. Teachers who take two personal leave days in a contract year will receive an amount equal to the current Substitute II rate. Teachers who take three personal leave days in a contract year will receive no additional amount. Teachers who use all four personal leave days in a contract year will be charged the current Substitute II rate for the fourth day.

A minimum of one day notice (24 hours) must be given to the principal before taking personal leave, except in cases of emergency.

Personal Leave should not be taken the day before or after a school holiday (weekdays when school is not in session for students) or during the first or last week of school. Exceptions must have the prior approval of the school principal.

Limitations will be placed by the principal on the number who can take Personal Leave on any given day at that school. Generally only one or two Personal Leave days per school, per school day can be approved; such limits are necessary based on the availability of substitutes. Personal Leave will not be granted in connection with any form of job action or work stoppage

NOTE: *This negotiated benefit is to be used at the discretion of the teacher; however, personal leave should not be used in order to work another job at public expense.*

CHAPTER 8

SCHOOL TERMINATION PROCEDURES

53A-8-101. Short title.

This chapter is known as the "Utah Orderly School Termination Procedures Act."

53A-8-102. Definitions.

As used in this chapter:

- (1) "Career employee" means an employee of a school district who has obtained a reasonable expectation of continued employment based upon Section 53A-8-106 and an agreement with the employee or the employee's association, district practice, or policy.
- (2) "Contract term" or "term of employment" means the period of time during which an employee is engaged by the school district under a contract of employment, whether oral or written.
- (3) "Dismissal" or "termination" means:
 - (a) termination of the status of employment of an employee;
 - (b) failure to renew or continue the employment contract of a career employee beyond the then-current school year;
 - (c) reduction in salary of an employee not generally applied to all employees of the same category employed by the school district during the employee's contract term; or
 - (d) change of assignment of an employee with an accompanying reduction in pay, unless the assignment change and salary reduction are agreed to in writing.
- (4) "Employee" means a career or provisional employee of a school district, but does not include:
 - (a) the district superintendent, or the equivalent at the Schools for the Deaf and the Blind;
 - (b) the district business administrator or the equivalent at the Schools for the Deaf and the Blind; or
 - (c) a temporary employee.
- (5) "Last-hired, first-fired layoff policy" means a staff reduction policy that mandates the termination of an employee who started to work for the district most recently before terminating a more senior employee.
- (6) "Provisional employee" means an individual, other than a career employee or a temporary employee, who is employed by a school district.
- (7) "School board" or "board" means a district school board or its equivalent at the Schools for the Deaf and the Blind.
- (8) "School district" or "district" means:
 - (a) a public school district; or

- (b) the Schools for the Deaf and the Blind.
- (9) "Temporary employee" means an individual who is employed on a temporary basis as defined by policies adopted by the local board of education. If the class of employees in question is represented by an employee organization recognized by the local board, the board shall adopt its policies based upon an agreement with that organization. Temporary employees serve at will and have no expectation of continued employment.

53A-8-103. Local school board to establish dismissal procedures.

- (1) A local school board shall, by contract with its employees or their associations, or by resolution of the board, establish procedures for dismissal of employees in an orderly manner without discrimination.
- (2) The procedures shall include standards of due process and causes for dismissal.

53A-8-104. Dismissal procedures.

- (1) A district shall provide employees with a written statement specifying:
 - (a) the causes under which a career employee's contract may not be renewed or continued beyond the current school year;
 - (b) the causes under which a career or provisional employee's contract may be terminated during the contract term; and
 - (c) the orderly dismissal procedures that are used by the district in cases of contract termination, discontinuance, or nonrenewal.
- (2) If the district intends to terminate a career employee's contract during its term for reasons of unsatisfactory performance or discontinue a career employee's contract beyond the current school year for reasons of unsatisfactory performance, the unsatisfactory performance must be documented in at least two evaluations conducted at any time within the preceding three years in accordance with district policies or practices.
- (3)
 - (a) A district shall notify a career employee, at least 30 days prior to issuing under Subsection (3)(d) notice of intent not to renew or continue the career employee's contract beyond the current school year, that continued employment is in question and the reasons for the anticipated nonrenewal or discontinuance.
 - (b) If a career employee receives a notice under Subsection (3)(a) that continued employment is in question, the board:
 - (i) shall give the career employee an opportunity to correct the problem in accordance with the district evaluation policies; and
 - (ii) may grant the career employee assistance to correct the deficiencies, including informal conferences and the services of school personnel within the district.
 - (c) If a career employee does not correct the deficiencies as determined in accordance with the evaluation and personnel policies of the district and the district intends to not renew or discontinue the contract of employment of the career employee at the end of the current school year, it shall give notice of that intention to the employee.

- (d) The district shall issue the notice at least 30 days before the end of the career employee's contract term.
- (4) (a) A district is not required to provide a cause for not offering a contract to a provisional employee.
- (b) If a district intends to not offer a contract for a subsequent term of employment to a provisional employee, the district shall give notice of that intention to the employee at least 60 days before the end of the provisional employee's contract term.
- (5) In the absence of a notice, an employee is considered employed for the next contract term with a salary based upon the salary schedule applicable to the class of employee into which the individual falls.
- (6) If a district intends to not renew or discontinue the contract of a career employee or to terminate a career or provisional employee's contract during the contract term:
 - (a) the district shall give written notice of the intent to the employee;
 - (b) the notice shall be served by personal delivery or by certified mail addressed to the employee's last-known address as shown on the records of the district;
 - (c) except as provided under Subsection (3), the district shall give notice at least 30 days prior to the proposed date of termination;
 - (d) the notice shall state the date of termination and the detailed reasons for termination;
 - (e) the notice shall advise the employee that the employee has a right to a fair hearing and that the hearing is waived if it is not requested within 15 days after the notice of termination was either personally delivered or mailed to the employee's most recent address shown on the district's personnel records; and
 - (f) the notice shall state that failure of the employee to request a hearing in accordance with procedures set forth in the notice constitutes a waiver of that right and that the district may then proceed with termination without further notice.
- (7) (a) The procedure under which a contract is terminated during its term may include a provision under which the active service of the employee is suspended pending a hearing if it appears that the continued employment of the individual may be harmful to students or to the district.
- (b) Suspension pending a hearing may be without pay if an authorized representative of the district determines, after providing the employee with an opportunity for an informal conference to discuss the allegations, that it is more likely than not that the allegations against the employee are true.
- (c) If termination is not subsequently ordered, the employee shall receive back pay for the period of suspension without pay.
- (8) The procedure under which an employee's contract is terminated during its term shall provide for a written notice of suspension or final termination including findings of fact upon which the action is based.

53A-8-105. Hearings before district board or hearing officers -- Rights of the board and the employee -- Subpoenas -- Appeals.

- (1)
 - (a) Hearings are held under this chapter before the board or before hearing officers selected by the board to conduct the hearings and make recommendations concerning findings.
 - (b) The board shall establish procedures to appoint hearing officers.
 - (c) The board may delegate its authority to a hearing officer to make decisions relating to the employment of an employee which are binding upon both the employee and the board.
 - (d) This Subsection (1) does not limit the right of the board or the employee to appeal to an appropriate court of law.
- (2) At the hearings, an employee has the right to counsel, to produce witnesses, to hear testimony against the employee, to cross-examine witnesses, and to examine documentary evidence.
- (3) Subpoenas may be issued and oaths administered as provided under Section 53A-6-603.

53A-8-106. Career employee status for provisional employees.

- (1)
 - (a) A provisional employee must work for a school district on at least a half-time basis for three consecutive years to obtain career employee status.
 - (b) A school district may extend the provisional status of an employee up to an additional two consecutive years in accordance with a written policy adopted by the district's school board that specifies the circumstances under which an employee's provisional status may be extended.
- (2) Policies of an employing school district shall determine the status of a career employee in the event of the following:
 - (a) the employee accepts a position which is substantially different from the position in which career status was achieved; or
 - (b) the employee accepts employment in another school district.
- (3) If an employee who is under an order of probation or remediation in one assignment in a school district is transferred or given a new assignment in the district, the order shall stand until its provisions are satisfied.
- (4) An employee who is given extra duty assignments in addition to a primary assignment, such as a teacher who also serves as a coach or activity advisor, is a temporary employee in those extra duty assignments and may not acquire career status beyond the primary assignment.
- (5) A person is an at-will employee and is not eligible for career employee status if the person:
 - (a) is a teacher who holds a competency-based license pursuant to Section 53A-6-104.5 and does not hold a level 1, 2, or 3 license as defined in Section 53A-6-103; or
 - (b) holds an administrative/supervisory letter of authorization pursuant to Section 53A-6-110.

53A-8-107. Necessary staff reduction not precluded -- Last-hired, first-fired layoffs prohibited.

- (1) Nothing in this chapter prevents staff reduction if necessary to reduce the number of employees because of the following:
 - (a) declining student enrollments in the district;
 - (b) the discontinuance or substantial reduction of a particular service or program;
 - (c) the shortage of anticipated revenue after the budget has been adopted; or
 - (d) school consolidation.
- (2) A school district may not utilize a last-hired, first-fired layoff policy when terminating school district employees.
- (3) A school district may consider the following factors when terminating a school district employee:
 - (a) the results of an employee's performance evaluation; and
 - (b) a school's personnel needs.
