Annual salaries shown are for employees with 190 day contracts. The daily rate of pay is determined by dividing the annual salary shown on this schedule by 190 days.

For working retirees, the schedule above would be reduced by 5% (or 10% based on benefits election), and would have a 5 or 10 before the salary schedule name.

For FY 15, eligible employees move up one step. All steps provide a minimum 2% increase over FY 14, including the addition of step 26.
