**Classroom Teachers with Highly Effective or Effective State VAM Earn up to
\$15,000 for Highly Effective Teachers
\$7,500 for Effective Teachers
(Minus Fringe Benefits)**

- » Teach in a classroom at a Title I school identified by the FLDOE as a Comprehensive Support and Improvement (CSI) school with a school grade of “D” or “F” as of September 15, 2023.
- » Must have a 2021-2022 3-year aggregate Math or English language Arts (ELA) state Value Added Model (SVAM) calculation that includes student data from 2018-19, 2020-21 and a 2021-22 school year VAM rating of Highly Effective or Effective. Algebra I teachers can use a one-year state VAM from 2022.
- » The 2021-2022 SVAM ratings must have 10 assessments (based on scores from 10 or more students).

Teachers meeting this criteria and working in the following Transformation Schools are eligible for this incentive. Apply today!
