In accordance with Tennessee Code Annotated §§ 49-5-608 and 49-5-609, seven (7) representatives of the Knox County Education Association serving the Knox County Schools Professional Employees and seven management (7) representatives of the Knox County Board of Education have engaged in collaborative conferencing. Pursuant to the terms of the Professional Educators Collaborative Conferencing Act of 2011 (PECCA), the scope of conferencing was limited to the following: salaries or wages, grievance procedures, insurance, fringe benefits, working conditions, leave and payroll deductions. This Memorandum of Understanding (MOU) memorializes and records the understanding reached by the Board of Education and its professional employees as to the terms and conditions of professional service.

SALARY AND BENEFITS

SALARY AND WAGES

- A. The Knox County Board of Education approves and allocates the budgetary resources, (that is, defines how budgetary resources will be spent), and the Knox County Commission appropriates budgetary resources (authorizes funding and the collection of taxes to generate appropriate revenue), after considering the recommendation of the Knox County Mayor.
- B. From the fiscal year, 2017-2018 through 2019-2020, pending approval, allocation, and appropriation of adequate budgetary resources, the Knox County Schools will increase average base compensation for professional employees by a minimum of 4% annually.
- C. The salary schedule (Appendix A), in effect in the 2017-2018 school year, shall remain in effect through the 2019-2020 school year, granted however, that the Knox County Board of Education shall have the flexibility, if they decide it is in the best interest of high quality public education, to add additional means to earn additional compensation. Nothing in the agreement shall preclude the Knox County Board of Education from developing additional policies, strategies, and/or structures to meet the differentiated pay requirement under Tennessee law.
- D. This agreement expressly recognizes that Knox County Schools' professional employees are compensated (in terms of both salaries and benefits) at levels which are below the averages of comparable and competitive systems in Tennessee.
- E. The Knox County Board of Education, its administration, and its professional employees hereby join in continuing, as our goal, that either average teacher base pay will be within the top 20 school systems in teachers' average pay in Tennessee or teachers' average pay will increase 20% by 2022.
- F. If there are additional funds available for compensation, the collaborative team and/or its designees will reconvene for the purpose of considering the allocation of said additional funds, if requested by either party.

401(K) DEFERRED COMPENSATION PROGRAM

The Board will make available a 401(K) retirement plan that employees may choose to contribute to through payroll deduction. The carrier of this plan will be selected at the sole discretion of the state of Tennessee.

SICK LEAVE BONUS

Individuals actively employed by the Knox County Board of Education at the time of their retirement will receive a bonus of sixty dollars (\$60.00) per day for all accumulated, unused, earned sick leave days earned.

If the employee gives at least a one hundred (100) calendar day notice of retirement, the employee will receive one hundred dollars (\$100.00) per day for all accumulated, unused, earned sick leave days. For employees retiring at the end of the first semester, they may

notify the system by September 1 of that school year or the next working day if September 1 is on a weekend or holiday, to receive the one hundred dollar bonus. Written notification at least one hundred calendar days prior to retiring or notification by September first or February first qualifies the individual for the one hundred dollar bonus per day for unused, earned sick leave days. The maximum benefit for any individual shall be one year of salary at the time of retirement.

INSURANCE

Health

The Knox County Board of Education will continue to offer health coverage through the state group insurance program or comparable health coverage. Currently the board offers five state plans: Partnership PPO, No Partnership PPO, Standard PPO, Limited PPO and Health Savings CDHP. As the board continues to offer health coverage, it will do the following:

- A. Maintain at least the current dollars paid by the Board (Appendix B) as an employer contribution to health insurance premiums (per plan).
- B. Articulate the Board's interest and goal to maintain its current percentages of coverage unless fiscally infeasible.
- C. Commit to an annual conversation with the professional employees' representatives about how best to allocate the resources that may be available for health insurance (subject to Board approval). The collaborative team (or their designees) will reconvene annually for this purpose if requested by either party by October 1 of each year.

Dental

The Board shall make available to all professional employees a group dental plan that shall be subject to requirements imposed by the selected carrier. The Board shall pay four dollars (\$4.00) per month per participating employee with this amount not to exceed \$48.00 in any twelve (12) month period. The employee shall pay any additional premium costs for the selected coverage. The carrier of this plan will be selected at the sole discretion of the Board and may be changed at any time by the Board.

Vision

The Board shall make available to all professional employees a group vision plan that shall be subject to requirements imposed by the selected carrier. The employee shall pay the full premium costs for the selected coverage. The carrier of this plan will be selected at the sole discretion of the Board and may be changed at any time by the Board.

Workers' Compensation

Knox County Board of Education agrees to accept workers' compensation benefits under the Tennessee Workers Compensation Act on behalf of its certified employees for all injuries arising primarily out of and in the course and scope of employment as defined in Tennessee Code Annotated § 50-6-102(12) occurring on or after July 1, 2016.

Life

The Board will provide a group life insurance policy for each professional employee. The effective date of this insurance for new employees will be the date of employment. The carrier of this policy will be selected at the sole discretion of the Board. The life amount shall be one and one-half times the employee's annual salary with a minimum benefit of twenty thousand dollars (\$20,000) and a maximum benefit of fifty thousand dollars (\$50,000).

Supplemental Life Insurance

Additional supplemental coverage may be added by the employee within the first 31 days of employment or within 60 days of a qualifying event. The employee will pay the additional cost.

Child Coverage

Employees may obtain \$5,000 of coverage for their children at any time as long as the child is between the ages of 15 days and 26 years of age. Employees pay one premium regardless of the amount of children they wish to cover. As an example, a monthly employee with three children pays \$.90 a month. A monthly employee with one child pays \$.90 a month. If a child is disabled, he/she can be covered after the age of 26. Additional paperwork must be completed in order for a disabled child to be covered.

Spouse Coverage

Employees may obtain \$10,000, \$20,000, or \$30,000 of coverage for their spouses if they submit paperwork during the first 31 days of employment. Spouse coverage cannot exceed 100% of employee's basic coverage amount.
