

NCTQ was not able to locate the schedule in use July 1, 2019 - December 31, 2020. When multiple salary schedules are in use during the school year, NCTQ's policy is to use either the schedule in use for the majority of the year or when two schedules are in use for the same amount of time, the schedule in use for the second half of the year. As such, NCTQ's 2019-2020 salary analysis is based on the schedule below.
