The Committee will monitor the Employer's Affirmative Action Program as defined in section 44101 of the Education Code in its current version as set forth below and as it may be modified in the future:

(a) (1) "Affirmative action employment program" means planned activities designed to seek, hire, and promote persons who are underrepresented in the work force compared to their numbers in the population, including individuals with disabilities, women, and persons of minority racial and ethnic backgrounds. It is a conscious, deliberate step taken by a hiring authority to assure equal employment opportunity for all staff, both certificated and classified. These programs require the employer to make additional efforts to recruit, employ, and promote members of groups formerly excluded at the various levels of responsibility who are qualified or may become qualified through appropriate training or experience within a reasonable length of time. These programs should be designed to remedy the exclusion, whatever its cause.

(2) Affirmative action requires imaginative, energetic, and sustained action by each employer to devise recruiting, training, and career advancement opportunities that will result in an equitable representation of women and minorities in relation to all employees of the employer.

(b) "Goals and timetables" means projected new levels of employment of women and minority racial and ethnic groups to be attained on an annual schedule, given the expected turnover in the workforce and the availability of persons who are qualified or may become qualified through appropriate training or experience within a reasonable length of time. Goals are not quotas or rigid proportions. They should relate both to the qualitative and quantitative needs of the employer.

8.2.2.1 Development of recruitment pipelines to support affirmative action goals and timetables by enlisting classified personnel, substitutes and community members with relevant life and career experiences in District-paid credential programs.

- 10.6.6.3.1 This provision shall not be construed in such a way as to result in increased facility costs or to require that classes be placed in rooms which jeopardize the ability to implement and support the IEPs and programs for disabled students.
- 10.6.6.4 Special Education teachers shall be treated as part of the faculty and shall have the same rights and responsibilities of regular classroom teachers.
- 10.6.6.5 Special Education teachers shall have, on an equal basis with teachers at the site, access to all school site equipment and instructional material designated for general use by regular classroom teachers.

10.7 **Teacher Commitment Program**

The “Teacher Commitment Program” shall include special efforts to reach parents/caregivers of most vulnerable students considered to be at risk of “falling through the cracks” in the school system.

- 10.7.1 “Vulnerable” students are to be identified by:
- their attendance;
 - academic performance and/or classroom conduct;
 - academic or citizenship grade below “C;” and/or
 - the Local Control Funding Formula (“LCFF”)
- 10.7.2 The Employer shall conduct this program to enable each faculty to:
- Identify “vulnerable” students by the end of the fourth week of each semester

- Contact the parents/caregivers of all such students by the end of the sixth week of each semester by letter or phone.

10.7.3 The Employer shall enable each teacher to fulfill the following expectations:

10.7.3.1 Each elementary teacher shall contact all parents/caregivers of each “vulnerable” student by letter or telephone and arrange a conference with the parent/caregiver and child.

10.8 Extended Day Kindergarten

10.8.1 Under the auspices of the OEA/OUSD Joint Committee on Extended Day Kindergarten, OEA and the District representatives shall evaluate the Extended Day Kindergarten program annually no later than March 1 to determine the success of the program, as well as adherence to this collective bargaining agreement between OEA and OUSD. Kindergarten teachers shall be afforded the same terms and conditions as other classroom teachers.

10.8.2 A school site decision to establish an Extended Day Kindergarten shall be made through a collaborative process that includes teachers, the Faculty Council and the site administrator.

10.9 Extended Collaboration Time

10.9.1 All student minimum days at each school shall be extended 30 minutes beyond the normal duty day to support staff collaboration.

Unit members shall at their sole discretion determine the schedule and use of this time to:

- a. Extend collaboration time per Article 10.10.9;

- c. Peer to peer wellness sessions for social emotional support; and/or
- d. Completion of professional learning from OUSD's Foundational Learning Series which may include live, synchronous or asynchronous sessions.

10.11 Shared Commitment to Foundational Learning Series

The parties agree that Foundational Learning is critical to the growth and development of staff in OUSD. Therefore, the Parties agree to the following guidelines for the implementation of Foundational Professional Learning for Summer and Fall of 2022.

10.12 Shared Commitment to Our Students

OEA and OUSD are jointly committed to student success. As such the parties affirm a commitment to ensuring the following:

- a. Our youngest students develop the literacy skills they need to become lifelong readers, writers, critical thinkers and empowered community members;
- b. OUSD's middle school students are prepared to thrive in high school; and
- c. High school students in OUSD complete A-G requirements and are prepared for college, career and community.

10.12.1 High Quality Equitable and Culturally Relevant Teaching

- 10.12.1.5 Within 15 days of the execution of this Agreement by both Parties, the Superintendent will issue guidance to School Site Administrators providing the flexibility needed to hold up to (3) three Restorative Days to reset campus culture and support social-emotional development. The guidance shall include expectations for adjusting District pacing expectations.

10.13 Equitable Access for Students to Weekly Minimum Day Intervention

10.13.1 Preamble-Incorporated as Background

OUSD's academic achievement data show that a disproportionately high number of students who are Black/African American, low income, and/or students with disabilities have baseline skills below their assigned grade level. As students matriculate through the grades, these gaps become more prominent and pose a significant issue that impacts students' outcomes and school engagement.

Over time, many of our OUSD students have lacked universal access to consistent, targeted intervention. Research shows that predictable access to high-quality, evidence-based intervention is a powerful level to reduce achievement gaps.

All students who require it should be able to participate in intervention, regardless of whether they rely on public or district-provided transportation or can attend an afterschool or summer program.

10.13.2 To provide students with equitable access to meaningful intervention and enrichment District-wide, effective with the 2023-24 academic school year, the Parties, agree as follows:

10.13.1.1 During the first four weeks of school, sites shall collaborate on effective implementation, based on site need, of equitable access to meaningful intervention and enrichment.

10.13.1.2 Beginning the fourth week of school, the first thirty (30) minutes after the closing bell on a minimum day shall be designated Universal Extended Day time;

10.13.1.3 All general and special education teachers from grades TK-5 shall provide either enrichment or intervention to students.

11.3.2.1 Sick leave accrual shall be based on one (1) day per month of service. Unit members absent because of illness or accident not incurred on duty shall receive full salary during such illness for a period of 10, 11 or 12 days per year. Depending upon the regular 10, 11 or 12-month assignment and in the use of sick leave, the full pay shall become available at the beginning of each school year of service.

11.3.2.2 Unused sick days shall be cumulative without limit during employment by the District, except that days for sick leave shall neither accrue nor accumulate during a year when the unit member is on unpaid leave of absence. The Employer may require an additional verification from a primary physician and/or appropriate specialist or require clearance by an Employer- designated physician, before allowing the unit member to return to active work status. Any required examination by an Employer-designated physician shall be at the Employer's expense. It is the responsibility of the unit member to attend all scheduled appointments. Failure to do so shall result in loss of paid leave status.

Failure to meet this timeline shall result in the employee either being returned to work on the 16th day, or be placed on paid administrative leave pending completion of the District-designated physician's medical evaluation.

- 11.6.6 A Joint Association Employer committee comprised of two representatives and an alternate of each party must determine and certify that the unit member is eligible for Catastrophic Leave in accordance with 11.6.1 and is unable to work due to the severity of that personal illness, and only after adequate proof of illness has been provided in accordance with Education Code Section 44043.5, and pertinent rules and regulations of the Employer. The Association representatives shall be participants in the Catastrophic Leave Bank.
- 11.6.7 The Joint Committee shall have the responsibility of maintaining the records of the Catastrophic Leave Bank (Reserve), verifying the validity of requests, approving or denying the requests, and communicating its decision, in writing, to the participants and the Employer.
- 11.6.8 Catastrophic Leave credits may be used only for the remainder of the school year in which the extended sick leave is exhausted, plus the remainder of the following school year but in no event longer than twelve (12) consecutive calendar months following the start of the catastrophic leave.
- 11.6.9 No unit member may utilize any Catastrophic Sick Leave benefit unless they have previously donated sick leave credit to the Reserve. There shall be a 45 calendar day waiting period between a unit member's donation of sick leave credit(s), and their utilization of Catastrophic Leave credits. Sick leave and extended sick leave must be exhausted before said utilization.
- 11.6.10 All procedures for requesting Catastrophic Leave, and donating said leave credits shall be established by the Joint Committee provided for in Section 11.6.6 above.

The Joint committee shall make recommendations for continuation or termination of the Catastrophic Leave Bank to the Employer and the Association based on number of credits donated in a year, use of benefits by unit members and credits remaining in the Bank.

- 11.6.11 Catastrophic Leave may begin upon the exhaustion of the statutory period of earned and accumulated sick leave and extended sick leave benefits, depending on the unit member's request and the Joint Committee's decision. The Employer shall continue all fringe benefit contributions.
- 11.6.12 The annual period for donating sick leave credits shall be September 1, through October 31, of each school year.
- 11.6.13 Transfers of eligible leave credits are irrevocable, and shall be donated and utilized in not less than half-day increments.
- 11.6.14 A unit member on Catastrophic Leave shall not accrue any other Employer-paid leave.
- 11.6.15 The Employer and the Association shall instruct their appointees to the Joint Committee to make a good faith effort to maintain confidentiality regarding donations and utilization of the sick leave credits contemplated herein. However, there shall be no liability or recourse if said confidentiality is not maintained.
- 11.6.16 The receipt of a donated sick leave credit through Catastrophic Leave as defined herein, when combined with other District income, shall not provide the recipient with a greater daily District income/monthly fringe benefit contribution than they received immediately prior to the receipt of Catastrophic Leave.
- 11.6.17 The Catastrophic Leave recipient, because they remain in paid District status, shall continue to receive District fringe benefit contributions for the duration of said leave.
- 11.6.18 The approval or denial of Catastrophic Leave requests by the Joint Committee shall not be subject to the provisions of Article 14 - Grievance Policy of this Agreement.
- 11.6.19 If and when this Catastrophic Leave provision is terminated by mutual agreement between the Employee and the Association, any unused sick leave credits in the Catastrophic Leave Bank shall be returned on a proportionate basis to enrollees currently employed by the District who did not utilize Catastrophic Leave benefits.

- 11.7.2.6 When an industrial accident or illness occurs at a time when the full 60 days overlap into the next fiscal year, the unit member shall be entitled, for the same illness or injury, only the amount remaining at the end of the fiscal year in which the injury or illness occurred.
- 11.7.2.7 When entitlement to Occupational Leave has been exhausted, entitlement to other sick leave will be used. However, if the unit member is receiving Workers' Compensation, they shall be entitled to use only so much of the accumulated or available sick leave, vacation, or other available leave which, when added to the Workers' Compensation award, provides a full day's wage or salary.
- 11.7.2.8 Periods of absence for Occupational Leave shall not be considered a discontinuation in service of the unit member.
- 11.7.2.9 Unit members on Occupational Leave shall endorse to the Employer any wage loss benefit checks received under Workers' Compensation Program. 11.9.1.2 The unit member shall have their physician verify the period of time they are disabled and cannot perform the functions of their assignment. During the period of pregnancy disability leave, the District shall use/deduct the employee's accumulated Sick Leave (section 11.3.2) and, if necessary, the 100 days of Extended Sick Leave (section 11.5) or vacation (non-scheduled days) where applicable. When accumulated or extended sick leave is used for the purpose of pregnancy disability, it is a separate entitlement from the twelve (12) weeks of Child Bonding Leave (section 11.9.2) or leave under the Family Medical Leave Act/California Family Rights Act (section 11.9.3).

11.9.1.3 The use of sick leave for pregnancy disability shall be treated the same as any other disability for which sick leave is granted.

11.9.1.4 At any time a unit member is absent as a result of their physical disability arising out of their pregnancy, the Employer at its expense may request a doctor's verification of their inability to render service to the Employer.

11.9.1.5 In order to use sick leave for pregnancy disability, the unit member must have been actually rendering paid service to the Employer and not on unpaid leave immediately preceding the disability.

11.9.1.6 A unit member temporarily disabled as a result of pregnancy, termination of pregnancy, or childbirth may return to duty when they are physically able to render full and complete service to the Employer.

11.9.1.7 Upon returning to duty, the unit member shall provide a doctor's verification that they are physically able to render full and complete service to the Employer.

11.9.1.8 During this period of leave, the Employer's contributions to cover fringe benefits for health, dental, vision care, and life insurance shall continue for unit members.

11.9.2 Child Bonding Leave

11.9.2.1 Child Bonding Leave: Unit members may elect to utilize up to 12 weeks of child bonding leave occasioned by the birth of the employee's child, or the placement of a child with the employee in connection with the employee's adoption or foster care of the child as provided by the California Family Rights Act (CFRA). If both parents of a child who are entitled to family care leave under section 11.9 of this contract are employees of the District, each is entitled to take the full amount of leave specified in 11.9.2.1.

11.9.2.2 For birthing mothers, the 12 week child bonding leave shall commence (but not immediately follow) the completion of any pregnancy disability leave on a date designated by the unit member and must be completed

within the one year of the birth, adoption, or foster care placement of a child.

11.9.2.3 For non-birthing parents, the 12 week child bonding leave shall commence on the first day of such leave.

11.9.2.4 Pursuant to Education Code section 44977.5, if an employee exhausts their accumulated sick leave (section 11.3.2) prior to expiration of the 12 week child bonding leave, they shall be entitled to differential pay as defined in section 11.5.1 for the balance of the 12 week period. The school district shall make every reasonable effort to secure the services of a substitute employee.

11.9.2.5 Pursuant to the CFRA, child bonding leave must be completed within one year of the birth, adoption, or foster care placement of a child. The balance of any unused child bonding leave shall roll over into the subsequent school year and is usable provided the leave is taken within one year of the birth, adoption, or foster care placement of a child.

11.9.2.6 The District must be provided with at least thirty (30) days prior notice of intent to take child bonding leave if the need for the leave is foreseeable based on an expected birth, placement for adoption or foster care. In all other cases, notice shall be given as soon as practicable.

11.9.2.7 Pursuant to Education Code section 44977.5, in order to qualify for child bonding leave, employees must have completed one year (twelve months) of service for the District, but are not required to have at least 1,250 hours of service during the previous one year (twelve months) period.

11.9.2.8 Leave in this section may be taken non-consecutively. The minimum duration of the leave shall be two weeks, except that employers must grant a request for a leave of less than two weeks' duration on any two occasions and may grant requests for additional occasions of leave lasting less than two weeks.

11.9.3 Family Leave: Family Medical Leave Act (FMLA) and California Family Rights Act (CFRA)

11.9.3.1 Employees who have completed one year (twelve months) of service for the District, and at least 1,250 hours of service during the previous one year (twelve months) period, have the right to an unpaid leave of absence for up to 12 workweeks within a rolling 12-month period for the purpose of the employee's own serious health condition, caring for a new baby, a newly adopted baby, or a newly placed foster child or for a child, spouse, or parent with a serious health condition.

11.9.3.2 Family leave under this section shall be unpaid unless it is taken pursuant to section 11.9.1 (pregnancy disability), 11.9.2 (child bonding [if the employee elects to exhaust their sick leave]), above or is taken due to the employee's own serious health condition.

11.9.3.3 The employee's accumulated sick leave (section 11.3.2) and the 100 days of extended sick leave (section 11.5) shall run concurrently with FMLA or CFRA leave when it is used for purposes of the employee's own serious health condition, other than pregnancy disability.

- 11.9.3.4 When this extended sick leave is used for the purpose of pregnancy disability, it is a separate entitlement from CFRA leave.
- 11.9.3.5 There is no carry-over of unused leave from one 12-month period to the next 12- month period.
- 11.9.3.6 “Parent” means a biological, foster or adoptive parent, a step-parent, a legal guardian, or other person who stood in loco parentis to the employee when the employee was a child. “Child” means a biological, adopted or foster child, step- child, a legal ward, or a child of a person standing in loco parentis who is either under 18 years of age or an adult dependent child who is incapable of self-care because of a mental or physical disability.
- 11.9.3.7 The provisions of Article 11.2.4 shall not apply to family care leave other than for purposes of child bonding.
- 11.9.3.8 The employee shall provide reasonable advance notice to the District of the need for family care leave, the date the leave will commence, and the estimated duration of the leave. If the need for a leave becomes known more than thirty (30) days prior to the date a leave is to begin, the employee must provide at least thirty (30) days written advance notice.
- 11.9.3.9 If verification is required by the District to verify the serious illness of the child, spouse or parent, upon District request, the employee will provide medical verification by the treating health professional.
- 11.9.3.10 Health insurance coverage shall be maintained during family care leave and paid for by the District for the duration of the leave not to exceed 12 workweeks in a 12-month period.

11.9.4 Additional Unpaid Leave. In addition to the above, a unit member may request unpaid leave prior to and following pregnancy leave or childbirth for a period of one year. A unit member whose spouse or partner is pregnant or involved in adopting a child may request an unpaid leave for a period of one year. Leaves may be extended for a one-year period upon request and approval by the Employer for a maximum total of three years. Unit members on a non-paid maternity leave shall have the same fringe benefits as stated in Pregnancy Leave for that period of time the physician certifies they are disabled.

11.10 Military Leave

The Employer shall abide by the provisions of Education Code Section 44800, Military and Veteran’s Code Section 389, 394, 395, 395.01 through 395.08, 395.1 through 395.9, and all other applicable state and federal laws.

11.10.1 Active Duty:

- 11.10.1.1 Any unit member ordered to Active military duty (Active Duty) shall be granted military leave with pay for the first 30 calendar days of ordered military duty. The unit member requesting such leave shall submit official verification requiring the military duty.
- 11.10.1.2 Following the first 30 calendar days, any unit member in the service of the Employer at least one year prior to the date on which they are called to active duty, shall be entitled to an additional five (5) calendar months of

partial salary representing the difference between the employee's regular District salary and the employee's military salary. The employee is required to submit proof of the military salary they received for each month claimed.

11.10.2 Military Training Duty:

- 11.10.2.1 Any unit member in the service of the Employer for at least one year who is ordered to participate in military training duty (temporary military duty) shall be granted military leave with pay for the first 30 calendar days of such training duty. Any unit member in the service of the Employer for less than one year who is ordered to participate in military training duty shall be granted an unpaid leave of absence for the duration of the ordered-military training period. A unit member requesting leave (paid or unpaid) for military training shall submit official verification requiring the training duty.
- 11.10.2.2 A unit member working less than a twelve-month schedule is requested to arrange for military training duty to be scheduled during school vacation periods whenever possible. A claim of extenuating circumstances necessitating training duty during other periods shall be referred to the Superintendent or the Superintendent's designee for a decision.
- 11.10.2.3 Military Leave with pay as stated above shall only be provided during the work year as defined in the Agreement. An employee is not entitled to Military Leave with pay during periods outside the work year when the employee would not otherwise be compensated by the Employer.
- 11.10.2.4 Following the receipt of Military Leave with pay under this article, and during any period outside the work year, the employee is entitled to Military Leave without pay for the remainder of such ordered military service.

11.11 Funeral Leave

- 11.11.1 For each death which occurs in the immediate family of the unit member, the unit member upon request shall be granted a funeral leave not to exceed three working days with pay up to a maximum of five workdays with pay should out-of-state travel be required. Unit members will not have any deduction from accumulated sick leave for taking funeral leave.
- 11.11.2 Funeral leave not to exceed one day with pay may be granted to a unit member to attend the funeral of other close relations. Established close relatives are defined as uncle, aunt, first cousins, nephew and niece.

11.12 Jury Duty

Employees shall be granted leave for jury duty. To receive salary from the Employer, the unit member shall submit a certificate of jury service and the endorsed juror fee check (if no expenses are included) or personal check, or money order for the amount of the juror's fee, exclusive of jury duty expenses.

11.13 Emergency Leave

The Superintendent is authorized to excuse unit members from regular work for emergency reasons for periods of an hour or less without loss of salary. Unit

members may be excused for longer periods of time provided there is no cost to the Employer.

An emergency is defined as an unforeseeable or unanticipated circumstance requiring immediate action.

11.14 Sabbatical Leave

The Board of Education may grant a sabbatical leave to a permanent unit member who has rendered at least seven full-time consecutive years of satisfactory service immediately preceding the sabbatical leave. Adult Education and ECE unit members with less than full-time contracts would be eligible for sabbatical leave after seven consecutive years of satisfactory service.

- 11.14.1 The grant shall be on condition that the unit member agrees in writing to render a period of service to the Employer following return from the leave that equals twice the period of the leave.
- 11.14.2 The leave of absence may be taken as a continuous leave not to exceed one year, or in separate six-month periods, provided the leave is begun and completed within a three-year period.
- 11.14.3 A permanent unit member may be granted one sabbatical leave in each seven-year period.
- 11.14.4 Compensation shall be paid to the unit member, while on leave, in the same manner as if the unit member were teaching in the District, provided the unit member furnish a suitable bond indemnifying the governing board of the Employer against loss, in the event the unit member fails to render the agreed period of service in the employ of the District following the return of the unit member from the leave.
- 11.14.5 Should a unit member not serve for the entire period of service agreed upon, compensation paid for the leave shall be reduced by an amount which bears the same proportion to the total compensation. The amount of time not served bears the total amount of time upon which agreement was reached.
- 11.14.6 The maximum number of sabbatical leaves granted each year to unit members shall be eighteen. The unit member shall be compensated at two-thirds of their annual salary. All fringe benefits shall remain in full force and effect. At least one of these leaves shall be granted to Early Childhood Education (ECE) unit members.

11.15 Leave for Educational Meetings and Conferences

- 11.15.1 Depending upon resources budgeted for this purpose and with the prior approval of the Superintendent, unit members (including the Adult Education and Early Childhood Education) authorized to represent the Oakland District at educational meetings and conferences, may be permitted to attend such meetings with no loss in salary and with up-to-full expenses compensated by the Employer.
- 11.15.2 Unit members who are not official representatives of the District but who seek professional improvement, may upon approval, which shall not be unreasonably withheld, be allowed to attend recognized educational meetings and conferences with no loss of salary and in some instances, compensation for expenses. Unit members on an unpaid status are not eligible for these leaves.

11.16 Personal Leave

Requests for absence without loss of pay and without cost of substitute deducted for urgent personal business to a maximum of five days each year shall not be

unreasonably denied by the Superintendent or designee. Such requests shall be submitted in advance in writing, except where circumstances make an advance request impossible. If the request is denied, the member may request a written explanation that shall be provided within 5 days.

11.16.1 Such leaves are limited to one day at a time and shall not be used to extend vacation leaves or holidays, except in cases of emergency.

11.16.2 Any unused personal leave days shall be converted to accumulated sick leave at the end of each school year.

11.17.2 Notify OEA that it has applied to the California Commission on Teacher Credentialing for a Teaching Permit on behalf of a qualified individual.

11.17.3 Within thirty (30) days of receiving notice, the parties shall meet to negotiate the conditions of works for TPSLs including, but not limited to, compensation, training, support, and any other areas if not covered elsewhere in this agreement.

12.2.2 Vacancies for the Subsequent School Year

Vacancies for the subsequent school year shall be filled according to a multi-phase process as set forth in this Article.

12.2.2.1 *General Provisions*

12.2.2.2 **The Process:** The process for filling vacancies according to the "match process" defined in this Article is comprised of five phases which take all of the following into account:

- a. The needs of the District to fill vacancies in a timely manner for the benefit of students;
- b. Recognizing the past service of teachers who have been displaced from a position due to external factors over which they have no control; and
- c. Empowering teachers at school sites with a significant and meaningful role in the selection process for filling vacancies.

12.2.2.3 Personnel Committee:

- a. Unit members at each school will elect a Personnel Committee (“PC”) of not more than seven (7) members with the simple majority (at maximum) of members being teachers at the site. For example, a seven (7) member PC shall have four (4) teacher members, and a five (5) member PC shall have three (3) teacher members.
- b. The PC members shall, as much as feasible, reflect the needs of the grade levels, departments, and specialized programs. The PC shall call upon individuals to provide information, experience, and input in particular areas of expertise as needed. At the secondary level, at least one unit member with knowledge and/or experience in the content area, grade level, or pathway of the position for which a transfer applicant/candidate is being considered shall participate in the process.
- c. By the second Friday in January, the PC will designate up to two teachers of the PC to be trained by Human Resources.
- d. All teacher members of the PC will receive a stipend of \$250. Up to two teacher members shall receive an additional \$100 stipend for being designated as being available to participate in the summer hiring process during Phase 4.

12.2.2.4 Distribution of Information: As vacancies are identified for the subsequent school year, the Site Leader/Principal shall request from the Human Resources Services and Support a list of eligible candidates who have submitted timely voluntary transfer requests or who are Talent Pool Teachers as defined in section 12.2.2.5.2(a) below returning from extended leave of absence, and qualified external applicants. This information shall be provided to the Site Leader/Principal and the PC in a manner that facilitates timely implementation of the provisions of this Article.

- a. The Human Resources Department shall update the vacancy list which shall be made available to voluntary transfer applicants and Talent Pool Teachers. The District shall promptly provide alerts as new vacancies occur.
- b. The Human Resources Service and Support shall notify candidates, either electronically or in writing, when their names have been submitted to the site for consideration for transfer to that site or location.

12.2.2.5 The Process for Filling Vacancies

The District and the Association share an interest in facilitating placement of unit members in school programs for which there is a match between unit member desire and program need. For this reason, employee initiated transfers shall be granted upon the approval of Human Resources Services and Support (HRSS). Unit members may submit a request for transfer to HRSS as provided in this Article.

- 12.2.2.5.1 Phase 1 (Open Hiring):** Commencing with the second semester, the District may fill vacancies with voluntary transfer applicants, teachers assigned to Instructional Support roles, teachers returning from extended leave, teachers exiting a school/program pursuant to Articles 12.9, 27, or 28 and external candidates hired by the District up to the date “Phase 2” opens, which shall not be later than April 1.
- a. Criteria for selection shall be based on required credentials/qualifications and experiences and hiring criteria, defined in section c below if applicable (hereafter referred to collectively as “the match criteria”).
 - b. The PC shall interview and observe (if possible), voluntary transfer applicants and require demonstration lessons of all other Phase 1 applicants.
 - c. Individuals selected to fill vacancies shall be determined by a “match” between the stated preference of the applicant(s)/candidate(s), and the recommendation of both the PC and the Site Leader/Principal.
 - d. Teachers participating in Phase 1 as voluntary transfer applicants must notify Human Resources in writing (including email) not later than the end of the second (2nd) workweek in January. This date shall also be the deadline for the first early declaration of separation. Unit members who wish to be considered for assignment to a vacancy and have not submitted a timely transfer request as required herein, must submit an application (either electronically, on-line, by mail, or in person) for the position listed on the Position List to the Human Resources Services and Support.
 - e. Each voluntary transfer applicant shall indicate in the written notice one of the following choices:
 - i. The employee is leaving their current assignment in order to participate in Phase 1; OR
 - ii. The employee may transfer depending on the vacancy opportunities, but is not leaving their current assignment at this time.
 - f. Voluntary transfer applicants who submit a section (e)(i) notice above shall be considered for known vacancies first, along with other teachers and candidates described in paragraph “Phase 1” above.
 - g. After all “(e)(i) teachers” have been considered, voluntary applicants who submitted a section (e)(ii) notice above shall then be considered for known vacancies, along with other teachers and candidates described in paragraph “Phase 1” above.
 - h. The “(e)(ii) teachers” referred to in section (g) immediately above will receive written or electronic notification of selection or non-selection. The non-selected candidate may arrange a conference within five (5) days from the notice with the Human

Resources Director or designee. The “(e)(ii) teachers” referred to in section (g) immediately above may choose among the following options:

- i. Accept a “match” and voluntarily transfer; or
- ii. Decline “match” opportunities for transfer and retain their current assignment; or
- iii. Leave their current assignment, and participate in the transfer process according to the remaining Phases set forth in this Article.

12.2.2.5.2 Phase 2 (Priority Advisory Matching): Beginning not later than April 1 and extending for twenty (20) teacher workdays, vacancies shall be filled exclusively by teachers in the Talent Pool through the following process.

- a. The Talent Pool is comprised of teachers whose current positions have been consolidated due to reasons including overstaffing, school redesign, school closure, unassigned Instructional Support teachers, teachers exiting a school/program pursuant to Articles 12.9, 27, or 28, and unassigned teachers returning from an extended leave of absence.
- b. In order to be considered for placement, a teacher in the Talent Pool must participate in the process set forth in this section. Failure to do so shall result in a teacher foregoing the priority placement rights set forth in Phase 2.
 - i. “Participate” means attend the school site showcase, present a demonstration lesson (only for teachers returning from extended leave) and engage with the PC. Thereafter, Talent Pool Teachers must submit a list of up to five (5) preferred schools to the Human Resources Department by the deadline established by HR.
 - ii. Talent Pool Teachers shall be offered two (2) days of substitute coverage to “participate” during Phase 2 after the school site showcase.
- c. In order for the PC to exercise the right to provide the Advisory Matching Feedback Form to a Talent Pool teacher who has included a school among the list of preferences, the school must participate in the process with such teacher. Failure to do so shall result in the PC foregoing its right to provide the Form to such teacher, and the teacher shall be deemed to be a “match” for that school.
 - i. “Participate” means attend the school site showcase, offer visits to the site, engage with interested teachers, watch demonstration lessons (only for teachers returning from extended leave), and conduct classroom observations (if possible).
- d. The OEA President and Superintendent/designee may determine that capacity and time constraints necessitate modifications of the

levels of “participation” provided in section 2(b) and 2(c) above. This could mean, for example, that there may be insufficient time for a teacher to visit every school and/or for the PC to observe, engage with or conduct a demonstration lesson for every interested teacher.

- e. The PC’s recommendation shall be based on the match criteria to determine if there is a “match.”
- f. An external candidate or a voluntary transfer applicant who elected to leave their current assignment and remain in the transfer process (section Phase 1(h)(iii) above) may be selected to fill the vacancy during Phase 2 only if there is no Talent Pool teacher who meets the match criteria, in which case, sections 2(h) through (j) below shall not apply.
- g. Placement in vacancies shall be determined by a “match” between the stated preferences of the Talent Pool teachers and the recommendation of both the PC, and the Site Leader/Principal.
- h. The PC shall provide a list of teacher(s) it is recommending to the Site Leader/Principal who shall then indicate agreement or disagreement with the recommendation(s).
- i. If the Principal/Site Leader disagrees with any PC recommendation(s) on the list, the Principal/Site Leader and the PC shall be afforded an opportunity to reach agreement. In the absence of agreement, there shall be a review by the Superintendent and OEA President, whose decision shall be final.
- j. The final list will then be forwarded to the Human Resources Department which shall facilitate the placement of Talent Pool Teachers at any of each individual’s up to five (5) preferred schools.
 - i. For example, a less senior teacher could be placed at “matched” school “A” for which a more senior teacher did not “match.” Instead the more senior teacher could be placed at school “B” for which there was a “match.”
 - ii. In any event, a Talent Pool Teacher who has not been “matched” with any of their up to five schools, shall be placed at one of those five schools based on seniority, or may elect one of the following options in section (k) immediately below.
- k. A Talent Pool Teacher who does not elect to be placed at a school as provided in section (j)(ii) above may instead exercise one of the following options:
 - i. Be placed in available Instructional Support roles. These teachers shall be placed by the District in order of seniority, with the District giving due consideration to the teacher’s preference, strengths, and interests; OR
 - ii. Elect to remain in the Talent Pool.

12.2.2.5.3 Phase 3 (Advisory Matching): Following the close of Phase 2 above and extending through June 30, the District may fill vacancies from teachers remaining in the Talent Pool, remaining voluntary transfer applicants who elected to remain in the transfer process (section Phase 1 (h)(iii) above), and external candidates, subject to the match criteria and the following process.

- a. Teachers remaining in the Talent Pool at the close of Phase 2 shall be considered for new vacancies, providing they communicate to the Human Resources Department in writing (including email) their interest in specific listed vacancies with in three (3) teacher work days after a vacancy is posted to the vacancy list. Talent Pool Teachers and schools with vacancies must “participate” as defined in Phase 2 above, provided, however, there will be no school site showcase.
 - i. For new vacancies arising after the end of the teacher work year through June 30, participation by the PC shall be by the designated “summer” PC members, and the three (3) days referred to in (a) immediately above shall be days on which the District Office is open for business.
- b. Individuals selected to fill vacancies shall be determined by a “match” between the stated preference of the applicant(s)/candidate(s), and the recommendation of both the Personnel Committee (“PC”) and the Site Leader/Principal.
 - i. For Teachers remaining in the Talent Pool who meet the time line in section (a) above, the determination of “matches” shall be made and reported to Human Resources not later than eighteen (18) teacher work days following the posting of the vacancy.
 - ii. As soon as possible thereafter, Human Resources will inform the participating Talent Pool Teachers in writing (email included) whether a “match” was determined.
 - iii. A Talent Pool Teacher who has not been matched may arrange a conference with the Human Resources Director or Designee by written request within five (5) days of being notified of not being a match.
 - iv. Following notification from Human Resources, a Talent Pool Teacher who has been “matched” with the preferred vacancy shall be placed at the school based on seniority if they notify Human Resources in writing (email included) of this election within two (2) teacher workdays, or may elect one of the following options in section (c)(i) and (c)(ii) immediately below.
 - v. Following notification from Human Resources, a Talent Pool Teacher, who has not been “matched” with the preferred vacancy shall be placed at the school based on seniority if they notify Human Resources in writing (email included) of this election within two (2) teacher workdays,

or may elect one of the following options in section (c)(i) and (c)(ii) immediately below.

- vi. As required by Education Code section 35036, voluntary transfer applicants who were not placed in Phase 1 may elect one of the options provided in section (d)(i) and (ii) immediately below.
- c. Talent Pool Teachers meeting the time line set forth in (a) above who have not been placed may instead exercise one of the following options:
 - i. Be placed in available Instructional Support roles. These teachers shall be placed by the District in order of seniority, with the District giving due consideration to the teacher's preference, strengths and interests; OR
 - ii. Elect to remain in the Talent Pool.
- d. Voluntary transfer applicants who elected to remain in the transfer process may exercise one of the following options:
 - i. Be placed in available Instructional Support roles. These teachers shall be placed by the District with due consideration given to the teacher's preference, strengths and interests; OR
 - ii. Elect to remain in the Talent Pool.
- e. The District may fill vacancies through the Phase 3 "match" process with external candidates immediately if no qualified Talent Pool Teachers apply for the vacanc(ies).

12.2.2.5.4 Phase 4 (Summer Hiring): Following the close of Phase 3 above and extending until two (2) weeks before the first student attendance day, the District may fill vacancies from both current employees still waiting to be placed and external candidates, subject to the "match" criteria and the following.

- a. The designated "summer" PC member(s) shall be available to participate in the hiring process over the summer.

12.2.2.5.5 Phase 5 (New Year): Following the close of Phase 4 above and extending into the upcoming teacher work year, the District may fill vacancies from both the Talent Pool and external candidates, subject to the "match" criteria and the following process.

- a. The District shall place teachers remaining in the Talent Pool or external candidates may be placed into site vacancies. Talent Pool teachers not placed into a site vacancy will be placed into Instructional Support Roles. These teachers shall be placed by the District in order of seniority and with due consideration of the teacher's school site preference, strengths and interests.

12.2.2.6 Hiring Criteria

As used in this Article, "hiring criteria" are comprised of site-determined and District recognized programmatic elements or Site and Teacher

Agreements which require fulfillment of specific teacher responsibilities essential to the operation of the school.

- 12.2.2.6.1 These programmatic elements can apply to individual schools and programs integrated within a larger school and must be deeply integrated into the organizing principles of the school or program such that the specialized program could not function without them.
- 12.2.2.6.2 Site and Teacher Agreements must be clearly linked to the mission and vision of the specialized program and clearly identify essential instructional practices and commitments that all staff hold and which are different from traditional educational programs or courses of study.
- 12.2.2.6.3 The site based requirements referred to in sections 12.2.2.6.1 and 12.2.2.6.2 above must be identified and implemented by the school or program in order to serve as a criterion to be used in the hiring and placement process set forth in this Article.
 - a. Schools with the following identified and District-recognized organizing principles are deemed to have complied with the requirements of this section and may use hiring criteria:
 - i. Dual Language Immersion
 - ii. Linked Learning
 - iii. Newcomers Program
 - iv. Expeditionary Learning
 - v. Big Picture
 - vi. Blended Learning
 - vii. Lab Schools associated with Teacher Training Programs
 - b. In addition, schools that complete the process set forth in Article 27 may utilize their approved hiring criteria.

12.2.2.7 Affirmation Agreement:

The matters set forth in section 12.2.2.6 above shall be reduced to writing in an “Affirmation Agreement” that shall be provided to each transferred Talent Pool Teacher or external candidate at the inception of their employment at a school or in a program that meets the requirements of section 12.2.2.6 above.

- 12.2.2.7.1 All applicants/candidates are required to sign such document as a condition of working at such school or program.
- 12.2.2.7.2 Not later than the end of the first semester, the Principal/Site Leader may determine in writing that a teacher has not satisfied the terms of the Affirmation Agreement at the new site or program within a site.
- 12.2.2.7.3 In such case, the Principal/Site Leader and teacher shall discuss the written reasons supporting the determination that the Affirmation Agreement has not been satisfied. 12.7 Employer-Initiated Transfer (Involuntary)

- 12.7.1 If the Principal/Site Leader and/or other administrators initiate a transfer, the administrator shall arrange a conference with the unit member to discuss the reasons a transfer is being proposed. Prior to the conference, the unit member will be notified in writing that he/she may elect to have an Association Representative present at the conference. An Association Representative shall receive a copy of the notice. The unit member may propose alternatives to the transfer at the conference or in writing within five (5) days after the conference. At the conference, the unit member shall be provided the Position List referenced in Section 12.1. 12.7.4.4 If the Association proceeds to arbitration, it shall notify the District in writing within five (5) business days. Within five (5) business days of such notification, representatives of the District and the Association shall select a mutually acceptable arbitrator. The selection of the arbitrator shall proceed under the mutual strike method from a list of arbitrators provided by State Mediation and Conciliation Services.

12.7.4.5 The arbitrator's decision shall be in writing and shall set forth the findings of fact, reasoning, and conclusions of the issues submitted. Any award of the arbitrator shall be binding on the grievant, the Association and the District. 12.7.6 Unit members transferred under this section shall not be subject to another transfer for two (2) work years (the first year following the transfer and the subsequent year).

12.8 Consolidations

12.8.1 Prior to the initiation of this consolidation procedure, site administrators shall discuss employee-initiated transfer options with the affected staff members.

12.8.2 A consolidation is defined as a reduction in the number of unit members at a given site or in a particular department or grade level of such a site. Consolidations can be made due to a decrease in enrollment, curriculum change, student program change, budgetary limitation, or other circumstances producing a similar effect upon unit member assignments.

12.8.3 Factors to be considered in selecting a unit member to be consolidated are:

- Credential and legal qualifications

- 12.8.3.1 All the above factors being equal, seniority in the District shall be given preference.
- 12.8.3.2 In addition, at the secondary level, major/minor fields and highly specialized skills relating to the subject area shall be considered.
- 12.8.4 Before any consolidation actually takes place, the Principal/Site Leader shall discuss in detail with the unit member, who is being consolidated, the necessity for the consolidation of such position. Such conferences shall take place within five (5) days of written notification. The form to record the conference shall be attached to this contract. (Appendix 15 (F1)12.8.4)" \s "F1" \c 8)

- 12.8.9 The Executive Officer of Human Resources or designee shall notify the unit member in writing of the new assignment, as soon as possible, and provide one working day of release time for moving from one site to another. Additional time, if needed, may be granted by the new site administrator.
- 12.8.10 Consolidated unit members shall have the option of returning to the school from which they were consolidated if an equivalent position for

which the unit member is qualified and credentialed becomes available. The Executive Officer of Human Resources Services and Support or designee shall notify such unit members of this option if said position is available.

12.8.11 Unit members shall not be consolidated more than once during their probationary period except in emergency or extenuating circumstances. Probationary teachers may, however, volunteer for consideration for consolidation.

12.9.2 In the event all unit members cannot follow the students from the school due to changes in enrollment, the process set forth in this Article shall be followed.

12.9.3 Should the unit member not exercise this option, they will follow the process set forth in this Article.

12.9.4 If closure is based on inability to use the facility, when the facility is rebuilt, all unit members who were in the original school shall have first opportunity to be assigned to the new facility. If more unit members desire to return than there are positions available, the assignment factors shall be considered.

12.9.4.1 After the unit members in the original school have had an opportunity to be assigned to the new facility, if vacancies still remain, then procedures for filling a vacancy under this Article shall be followed.

12.9.5 Unit members assigned to a school prior to grade reconfiguration (grade level changes) shall have the option of remaining at the school after reconfiguration. An exception would be allowed if the unit members do not have the credential required for the new grade level configuration.

12.9.5.1 In the event that all the unit members cannot remain after the reconfiguration due to enrollment decreases, the consolidation factors will be used to determine who is to be consolidated.

12.9.5.2 Unit members who wish to follow their students to another school, due to enrollment shifts required by reconfiguration, shall be granted the opportunity to do so, in accordance with the process set forth in this Article.

12.9.5.3 Unit members who do not want to continue in their assignments, due to reconfiguration, shall have the first opportunity to accept current vacancies for which they are qualified according to the process set forth in this Article.

factors (contained in Section 12.4). The Position List will be presented to the unit member before the end of the current school year. The unit member shall select in order of preference, up to his or her first five (5) choices from the Position List. If more than one unit member selects the same position, the unit member with the most seniority shall have preference.

- 12.9.7 A unit member not selected for a position in the New School under this section may appeal the decision pursuant to the appeal procedures enumerated in Section 12.7.4 above.

- The parties will continue alternating strikes in this manner until one arbitrator remains, who then is the selected arbitrator.

The party striking first from the SMCS list shall alternate with each grievance, beginning with the first grievance on which the Association requests arbitration following ratification of this agreement.

14.9.4 Any award of the arbitrator shall be binding on the grievant, the Association and the District.

14.9.5 It shall be the function of the arbitrator to make an award, if necessary, which will resolve the grievance. The arbitrator shall be subject to the following limitations:

14.9.5.1 The arbitrator shall have no power to add to, alter, subtract from, disregard, change, or modify any terms of this Agreement; but shall determine only whether or not there has been a violation, misapplication, or misinterpretation of this Agreement as alleged by the grievant.

14.9.5.2 The arbitrator, when necessary for interpretation of the contract, may use accepted rules of interpretation or construction of contracts.

14.9.5.3 The arbitrator shall have no power to establish salary structures, but has power to interpret words or phrases in the contract and related to the salary structure when necessary to resolve disputes.

14.9.5.4 The award of the arbitrator shall be based solely upon the evidence and arguments presented in the presence of the parties, and upon any post-hearing briefs of the parties.

14.9.5.5 The arbitrator shall have no power to change any practice, policy or rule.

14.9.5.6 The standard of review for the arbitrator is whether the employer acted in violation, misapplication and misinterpretation, was negligent or intentional in nature.

14.9.5.7 The arbitrator shall not consider any issue raised by the parties unless it has been raised by the parties at Level III of this Grievance Policy.

14.9.5.8 The arbitrator shall have no power to recommend or resolve the termination of services or failure to reemploy any member of the unit.

14.9.6 All fees and expenses of the arbitrator shall be shared equally by the employee and the Association.

14.9.7 If the Employer claims that a grievance should be dismissed; for example, it falls outside the scope of the procedure or was filed or processed in an untimely manner,

such claim shall be heard and promptly ruled upon by the arbitrator prior to any hearing on the merits of the grievance. Upon the request of either party, there shall be a stay/continuance, the duration to be determined by mutual agreement between such a ruling and any further proceedings, which may be necessary. If a stay/continuance is not requested, the arbitrator may immediately conduct any further proceedings, which may be necessary.

14.9.8 If the employer should choose to refuse to arbitrate a dispute, nothing in this section shall preclude the Association from seeking, through appropriate administrative or judicial proceedings, to compel the District to proceed to arbitration.

14.9.9 The arbitrator shall have no power to render an award before thirty (30) days after the effective date of this Agreement. If a grievance is filed before the termination of this Agreement, it shall be continued until its completion pursuant to this Agreement.

14.10 General Provisions

14.10.1 For purposes of efficiency, grievances involving similar issues may be consolidated by either party.

14.10.2 Unit member and all other persons appropriately involved in a grievance shall be free from restraints, interference, coercion, discrimination, or reprisal. Employer grievance forms shall be used for processing all grievances. Each written statement of grievance shall provide the following information and bear the signature and signature date of the grievant.

14.10.2.1 Listing of provisions of the contract alleged to have been violated or misapplied.

14.10.2.2 Description of the specific grounds of grievance, including names, dates and places necessary for complete understanding.

14.10.2.3 Listing of reasons as to why the proposed resolution provided at the prior level is unacceptable, with specific and factual data in support thereof.

14.10.2.4 Listing of specific actions requested of the Employer to remedy the problem.

14.10.3 Time Limits

14.10.3.1 Grievance at Level I must be filed within twenty days after the employee knew or reasonably should have known of the circumstances that formed the basis for the grievance.

14.10.3.2 Appeals to Levels II and III must be filed no later than seven (7) days following the date of receipt of a decision at the prior level. Grievances filed at Levels II and III pursuant to Section 14.10.3.1 must be filed within twenty (20) days after the grievant knew or reasonably should have known of the alleged violation or misapplication of the contract provisions(s). Appeals to arbitration must be filed no later than twenty-two (22) days following the date of receipt of a decision at the prior level.

14.10.3.3 Time limits may be extended by mutual consent due to the inability to schedule conferences and responses within the above time frames.

14.10.3.4 A decision rendered at any step in these proceedings shall become final unless appealed within the time limits specified.

- 14.10.3.5 When it is not possible to conclude Levels 1, 2 or 3 before the end of the school year, either party may stay the grievance until the start of the next school year.
- 14.10.4 A unit member may present grievances to the appropriate administrator and have such grievances adjusted without the intervention of the exclusive representative as long as adjustment is reached prior to arbitration. Such adjustments are not inconsistent with the terms of a written agreement then in effect. Provided that the unit member will not agree to a resolution of the grievance until the exclusive representative has received a copy of the grievance and the proposed resolution and has been given the opportunity to file a response within five (5) days.
- 14.10.5 The grievant may terminate a grievance at any time by giving written notice to the administrator involved at the current level of the grievance.
- 14.10.6 A unit member may terminate any grievance conference until a conferee may be present. Securing a conferee shall not be construed as violating any time limits. Termination of the conference shall be confirmed in writing by the unit member.
- 14.10.7 A unit member may be represented at all stages, including Section 14.4, Step A Pre-Formal Stage of the grievance procedure, by himself/herself, or at their option, with a representative selected by the Association. The Association shall have the right to be present and state its views at all stages of the grievance procedure.
- 14.10.8 If a grievance arises from an authority higher than a Level 1 administrator, e.g., leave requests, payroll errors, insurance program benefits; the grievance may be filed at the appropriate step of the grievance procedure.
- 14.10.8.1 Personnel grievances shall be filed with the Director of Human Resources or their designee.
- 14.10.8.2 The Director of Human Resources shall be considered the Level 2 respondent for personnel grievances.
- 14.10.8.3 The Level 2 decision shall be appealable directly to Level 3, the Superintendent or their designee.
- 14.10.9 The Association may have the right to file a grievance in those areas that speak specifically to Association rights.
- 14.10.10 If a grievance is denied at any level prior to Level 3 on the basis that it is not considered as a grievance within the definition contained in this article, it may then be appealed in its entirety to the next level for consideration of the question of its grievability and its merits.
- 14.10.11 Failure to submit an appeal to the next level within the specified time limit indicates that the grievant waives the right to appeal further on the grievance at issue. Failure of unit member to present a grievance within the specified time limit shall render the grievance null and void.
- 14.10.12 Documents relating to the processing of grievances shall be filed separately from a unit member's personnel file. All records of proceedings shall be retained in the office of the Human Resource Division and shall be held confidential.
- 14.10.13 Grievance forms, which have been mutually agreed upon by the employer and the Association, will be prepared by the employer and made available at the Human Resource Division and the Association office.

- 14.10.14 Meetings shall be held at the local site or office for Levels I, II and III. At arbitration other localities may be designated by the arbitrator.
- 14.10.15 Every reasonable effort shall be made to schedule meetings for the processing of grievances at times when they shall not interfere with the instruction of students.
- 14.10.16 The Employer shall permit a reasonable amount of release time without loss of compensation for designated Association representatives for the purpose of processing grievances.
- 14.10.17 In the event a grievance is filed at such a time that it cannot be processed through all the steps in this grievance procedure by the end of the school year and, if left unresolved until the beginning of the following school year could result in harm to the aggrieved employee, the time limits set forth herein shall be reduced by mutual agreement so that the procedure may be completed prior to the end of the school year or as soon as practical.
- 14.10.18 Written responses by the administrator to the grievant shall be hand-delivered to the employee at the employee's worksite or sent by certified mail to the employee's address of record.
- 14.10.19 Evaluations are not subject to the grievance procedures unless the evaluation procedures have not been followed.

22.11.1 When the facility is rebuilt, all unit members who were in the original center shall have the first opportunity to return to the new facility. If more unit members desire to return than there are positions available, the assignment factors may be considered. After unit members in the original center have had an opportunity to be assigned to the new facility and vacancies still remain then procedures for listing a vacancy under the unit members transfer article shall be followed.

22.11.2 Unit members assigned to a center prior to reconfiguration shall have the option of remaining at the center after reconfiguration. In the event that all unit members cannot remain after reconfiguration due to enrollment decreases, the consolidation factors will be used to determine who is to be consolidated. Unit members who wish to follow their students to another center due to enrollment shifts required by reconfiguration shall be granted the opportunity to do so in accordance with the assignment factors. Unit members who do not want to continue in their assignment due to reconfiguration shall be granted an Employer-initiated transfer and/or may apply for listed positions.

24.8.2.3.1 OV - Office Visit IP - Inpatient Care ER - Emergency Room Visit

24.8.2.4 Coverage for a newly employed, eligible unit member begins on the first day of the month following the month in which employed. When a new unit member or one who has moved from an ineligible to an eligible position does not exercise the option to select a health plan within the prescribed time limit, the employee is required to wait until the annual open enrollment period, which shall be May 15 through June 16 for FY 2005/2006, and each May thereafter. Those desiring to change from one health plan to another will be processed only during the annual open enrollment period.

24.8.2.5 Effective July 1, 2006 and until June 30, 2008, the implementation of a payment for health benefits equivalent to 0.5% (.005 times salary, only) of salary only, not to exceed in any year an annual amount of \$500 for any unit member in any medical plan year. This contribution will be part of an IRS 125 plan.

24.8.2.6 *IRS 125 Plan*

24.8.2.6.1 Effective July 1, 2006 and each school year thereafter, the District shall set up and maintain an IRS 125 plan. Unit members may elect to participate in this plan to make pre-tax contributions for payments of medical co-pays, deductibles and any other legally allowable purpose.

24.8.2.7 *Measure E Contributions To Medical Benefits*

24.8.2.7.1 Effective July 1, 2006, the District shall commit from Measure E, \$1.8 million or 9.7%, whichever is greater, collected in the 2006-2007 school year for medical benefit insurance premiums. Deposits are to be made monthly after July 1, 2006.

24.8.2.7.2 Effective July 1, 2007, the District shall commit from Measure E, \$1.8 million or 10%, whichever is greater, collected in the 2007-2008 school year for medical benefit insurance premiums. Deposits are to be made monthly after July 1, 2007.

24.8.2.8 Effective upon the ratification of this agreement the Association and the District shall establish a Medical Benefits Reserve Fund (Fund). The sole purpose of the Fund shall be to pay OEA unit members' and

dependents'/domestic partners' medical benefit premium costs, as determined and outlined below. Deposits into the Fund shall be held in a County of Alameda pooled interest investment account. All investment earnings calculated as of June 30th shall be transferred to the Fund.

- 24.8.2.9 Effective July 1, 2005 and until June 30, 2008, District increased costs during the term of this Agreement (if any), for medical insurance of the OEA unit shall have the Measure E contribution applied, then the contributions from OEA unit members for 2006/2007 and 2007/2008. If the total contributions from these two sources exceeds the cumulative increased costs of medical benefit premiums, the excess shall be placed in the Medical Benefits Reserve Fund on a monthly basis. These excess funds shall be used to pay for future medical benefit premiums.
- 24.8.2.10 No later than May 30 of each school year and thereafter, the District and the Association shall meet to determine the increased cost of medical benefits for the ensuing year and the estimated allocation of Measure E and member contributions, in accordance with these provisions. Final accounting of Measure E and member contributions will be made after the finalization of the District's annual audit for the prior year.
- 24.8.2.11 Effective June 30, 2008 and thereafter, the District will pay 86% of the costs of medical benefit premiums, Measure E shall contribute 10% of medical benefit premiums, and OEA unit members shall pay 4% of medical benefit premiums in any school year. The individual unit member share shall be determined by identifying the total dollar amount generated by the 4%. This amount shall be used to determine the percent of salary for the unit members necessary to generate that total dollar amount. Each unit member's maximum dollar contribution shall not exceed \$700 per year. This contribution will be part of a premium-only IRS 125 plan and to be considered as part of the premium for payment of health insurance.
- 24.8.3 Employer's contribution to the cost of a health plan for a part-time unit member is prorated as follows:
- Full payment for unit members working three-fourths time or more.
 - Three-fourths payment for unit members working half-time to three-fourths time.
 - One-half payment for unit members working one-fourth to one-half time.
 - One-fourth payment for unit members working less than one-fourth time.
- 24.8.3.1 Part-time unit members pay the difference between the Employer contribution and the full cost of the plan by payroll deductions made for the part-time unit member's share, according to the authorization signed upon enrollment in a plan.
- 24.8.4 Coverage for a newly employed, eligible unit member begins on the first day of the month following the month in which employed. When a new unit member or one who has moved from an ineligible to an eligible position does not exercise the option to select a health plan within the prescribed time limit, the employee is required to wait until the annual Open Enrollment period. Those desiring to change from one health plan to another will be processed only during the annual enrollment.

24.9 Health and Insurance Revisions 2003-2004

The following changes shall be effective September 1, 2003:

- 24.9.1 The Kaiser Health Plan shall be provided under the Kaiser III Plan.
- 24.9.2 The Health Net Health Plan shall be provided under the Health Net V Plan.

24.10 Dental Plan

All eligible full-time unit members and their eligible dependents shall be eligible for coverage under an Employer-paid group dental insurance plan. Coverage under the Dental Plan begins six months from the first day of the month in which employed.

- 24.10.1 Where a unit member and spouse are each employed by the District in an eligible capacity, each may subscribe individually to the same plan, but each party may not be enrolled as dependents of both.
 - 24.10.1.1 In such cases, each dependent child may be enrolled in one plan or the other, but not in both. A new unit member who does not exercise the option of entering the dental plan within the prescribed time limit will be required to wait until the annual open enrollment during September of each year.
- 24.10.2 Dental plan maximum per enrollee \$1,500 annually.

24.11 Long-Term Disability Insurance

- 24.11.1 Each unit member in an eligible capacity is automatically covered in a disability income plan six months from the first day of the month in which work begins in the eligible capacity, at no cost to the unit member. The benefit will be paid starting at the end of the qualifying disability period of sixty calendar days or beyond expiration of all paid leaves, including vacation, should the accrued sick leave and vacation extend beyond sixty days. Monthly benefit is two-thirds of the first \$1,200 of basic pay, plus one-third of additional basic pay to a maximum of \$1,200 per month total benefit.
- 24.11.2 An amendment rider has been added to the Employer's long-term disability contract with the insurance carrier which provides that certificated unit member with five or more years of credited STRS (State Teachers' Retirement System) employment shall be covered by the Employer's policy for a maximum of one year, thereafter to be covered by STRS; and that certificated unit members with less than five (5) years of service credited by the STRS shall be covered by the District policy to age 65.

24.12 Life Insurance

- 24.12.1 Each unit member in an eligible capacity is automatically covered at no cost to the unit member at the time of employment to the limit of \$10,000 for death from natural causes, plus an additional \$10,000 if cause is accidental.
- 24.12.2 Enrollment is not required for this benefit, but each unit member should complete a beneficiary designation card at the time of employment or when a change is

desired. Conversion option on group life insurance is available without evidence of insurability.

24.13 Liability Insurance

24.13.1 A unit member, during the normal performance of duty, is protected against claims. Since the determination of individual responsibility is often difficult to establish and often dependent upon court findings, it is recommended that unit members assure themselves of coverage, especially when transporting students to school-sponsored events, by carrying the minimum insurance required to meet state financial responsibility laws. Unit members are protected in case of injury during the performance of normal duty to the extent defined in the Workers' Compensation provisions of the Labor Code.

24.14 Vision Care

Upon implementation of the Health Net HMO medical insurance plan, the current vision insurance program available to unit members shall be replaced for all unit members by the Vision Services Plan. In addition, the Employer shall provide supplemental insurance against lost or damaged glasses; upon reasonable proof or appropriate employee certification, said lost/damaged glasses shall be replaced annually.

Kaiser Optical Services shall be available for unit members enrolled in the Kaiser Health Plan.

24.15 Annuity Program

24.15.1 During the 1992/1993 school year, 1991/1992 annuity dollar contributions were paid only for those unit members who were eligible for the annuity as of June 30, 1992. The Annuity Plan was continued as then constituted through the 1991/1992 school year and for eligible plan participants accounts have been maintained by the annuity plan administrator.

24.15.2 Effective July 1, 1993, no further annuity contributions were made, and the 7.5% annuity contribution was added to the three OEA salary schedules, at all steps and columns for temporary, probationary and permanent unit members.

24.15.3 The Association and the Employer agreed to restructure the Board of the Supplemental Annuity Plan for certificated employees, as follows:

- 1 Representative appointed by the Employer
- 1 Representative appointed by the UAOS
- 5 Representatives shall be appointed by the Association

24.15.4 The parties agree that the above changes were fully implemented during the prior contract and further agree that no changes or modifications are required in the current contract.

24.16 Health Benefits Governance Board (See Side Letter Agreement in Appendix 14)

The Association and Employer understand and agree to the necessity of health care cost containment. The parties will work with all employees to ensure health care

costs are contained or reduced without sacrificing the quality of healthcare. The Association agrees to continue to participate in the Health Benefits Governance Board (HBGB). The parties also recognize the need to reauthorize Measure E to help offset the costs of health care premiums for all employees.

24.17 General Information on Employer-Paid Insurance Plans

- 24.17.1 Unit members on paid leave will continue to have Employer contributions according to the work assignment that existed at the beginning of the leave.
- 24.17.2 Unit members on non-paid leave for a full calendar month or longer have no Employer contribution to insurance plans. Except for those unit members on maternity leave, for whom the Employer will pay the fringe benefit premiums for health, dental, life insurance and vision care for that period of time during which job performance is not feasible for physical/medical reasons, as certified by a physician.
- 24.17.3 Unit members who receive long-term disability benefits, or who have been granted leave beyond paid leave for illness, maternity, child adoption, disability, or advanced study or any other leave approved by the Employer, may continue their insurance and health benefits for one year by paying the full cost. Except that those who receive long-term disability benefits may continue coverage at their own expense for as long as the disability continues, or to retirement. Unit members granted leave on some other basis should make their own arrangement for health or dental insurance.
- 24.17.4 Employer contributions toward costs of health, dental, disability income and group life insurance for ten-and eleven- month unit members will be made for twelve months, from July 1 through June 30.
- 24.17.5 The Employer has made voluntary tax-sheltered annuities available for unit members who wish them. A tax-sheltered annuity is a plan for diverting a portion of earnings for cash payment to the purchase of an annuity, the Employer making the purchase for the unit member under an agreement. Provided that all legal provisions are met, such earnings are not taxable until withdrawn later in the employee's life under conditions of the specific plans. Theoretically, this will result in a lesser tax liability than if tax had been paid at the time of earnings.
 - 24.17.5.1 The Board is in no position to recommend that a unit member either participate or not participate in such a plan. Each unit member must make the choice, as a unit member does not have similar tax positions and financial goals. Unit members who choose to participate in the plan may apply on forms available at the Insurance Programs Office.
- 24.17.6 If a National Health Plan is passed by the Congress (or statewide California equivalent) during the term of this Agreement, which provides for Employer contributions, the Association and Employer may meet to discuss the plan upon request.
- 24.17.7 The Employer will provide health plan benefits to unit members when they retire until age 65 at the retiree's option and expense.
- 24.17.8 Benefits as provided in this article shall be continued for the duration of the contract.

24.18 Transportation Reimbursement

24.18.1 Unit Members who are required by the Employer to use their privately owned automobiles as part of their assignment shall be reimbursed for such use.

24.18.1.1 Eligibility will be determined in accordance with the appropriate Administrative Bulletin currently in effect. All procedures and instructions contained in that Bulletin are pertinent; however, the following rates shall be effective for unit members during the term of this contract.

24.18.2 Flat Rate Reimbursement

24.18.2.1 Regular flat rate reimbursement is based on the number of months of the duty assignment. The annual rates are:

Assignment	Flat Rates
10-month basis	\$ 681.00
11-month basis	\$ 704.00
12-month basis	\$ 728.00

24.18.2.2 Variable cost reimbursement for those whose annual mileage rate is one thousand (1,000) miles or more will be paid at the maximum allowable per mile rate provided for in the Internal Revenue Code.

24.18.3 Special Flat Rate Reimbursement for High Mileage and Weekend Assignments

24.18.3.1 For Unit members who are required to provide a car continuously for weekend business use and for high mileage positions (over 5,000 miles annually) the fixed cost reimbursement will be \$911.00.

24.18.4 Excess Mileage Reimbursement

24.18.4.1 Unit members receiving regular or special flat rate reimbursement who may be eligible for excess mileage reimbursement over 1,000 miles should record all mileage performed. When their mileage exceeds the established rate, they should submit excess mileage claims monthly if possible, but in no case less than once each semester.

24.18.5 Mileage Reimbursement

24.18.5.1 Unit members who are occasionally required to use their privately owned automobiles in performing their duties but do not qualify for flat rate reimbursement will be reimbursed at the maximum per mile rate allowed for in the Internal Revenue Code.

24.19 Miscellaneous

24.19.1 Student Teaching

24.19.1.1 Cooperating unit members shall receive recognition for the teacher education responsibility undertaken in working with student teachers. Such recognition shall include the contract amount paid by the teacher training institution.

24.19.2 Teachers of Adults

24.19.2.1 Teachers of adults not paid as regular teachers shall be paid at the extra-duty rate.

24.20 Programs for Personal Growth

- 24.20.1 Any unit member receiving their first clear multi or single subject teaching credential must take 150 clock hours of professional growth each five (5) years to keep the credential valid.
- 24.20.2 Any unit member receiving credit for equivalency units as stated in Article 24, can apply those units to the 150-hour requirement of professional growth and vice versa.
- 24.20.3 Each unit of credit granted shall equal 15 hours toward the 150 of professional growth requirement. Thirty (30) equivalency units are the maximum allowed between Column I, and the Doctoral equivalent.
- 24.20.4 An individual program of professional growth shall consist of a minimum of 150 clock hours of participation in activities that contribute to competence, performance, or effectiveness in the profession of education. Acceptable activities shall be defined to include, among other acceptable activities, the completion of courses offered by regionally accredited colleges and universities; participation in professional conferences, workshops, teacher center programs, or staff development programs; service as a mentor teacher pursuant to Section 44496; participation in school curriculum development projects; participation in systematic programs of observation and analysis of teaching; service in a leadership role in a professional organization; and participation in educational research or innovation efforts.
- 24.20.5 In order for the units of credit to count towards the 150 hours of professional growth, the teacher must submit, for approval, their initial plan to the Director of Human Resources or their designee by October 1 for the Fall Semester and by February 1 for the Spring Semester. (Forms are to be provided by the Employer.)
- 24.20.6 Upon completion of the units of work, the unit member shall be responsible for having the appropriate person in charge sign a "Professional Growth form". Once the form is completed, the teacher must submit it to the Human Resource Services and Support.
- 24.20.7 The unit member must submit verification of 150 clock hours of professional growth at five (5) year intervals to the State Commission on Teacher Credentialing in order for their credential to be deemed to remain valid.

24.21 Domestic Partner Benefit

- 24.21.1 The Employer shall provide health insurance for unmarried domestic partners of eligible unit members as provided in this Article. "Domestic partner" is defined as a single member with an unmarried, unrelated individual who has lived with the unit member for not less than 12 months. To enroll, the unit member must complete an application form during the open enrollment period, accompanied by a notarized affidavit (see Appendix 15 (F2)24.20.1)" \s "F2" \c 8).
- 24.21.2 The unit member will be taxed on the cash value of the Domestic Partner premiums, in compliance with IRS regulations.
- 24.21.3 COBRA provisions do not apply for Domestic Partner coverage.

ARTICLE 25 - Peer Assistance and Review

25.1 General

25.1.1 The Association and the Employer are continuously striving to provide the highest possible quality of education. In order for all students to succeed in learning, all unit members must succeed in teaching. The Association and the Employer believe that all unit members should focus on continuous improvement in professional practice and that unit members having difficulties can benefit from the assistance and review of colleagues. Therefore the Association and the Employer hereby establish a unit member Peer Assistance and Review Program (PAR) for K-12 classroom unit members. PAR shall use the standards in the evaluation article of the Collective Bargaining Agreement. (Article 13 - Performance Evaluation)

25.1.1.1 Peer assistance may be provided to a beginning unit member or a volunteer permanent teacher and must be provided to a permanent unit member who has received an overall unsatisfactory evaluation in the areas of teaching strategies and instruction as provided for in the evaluation article in this agreement. The Peer Assistance shall be provided through Consulting Teachers as described in detail in Section 25.5. This assistance shall not involve the participation in or the conducting of the annual evaluation of unit members, except for making available to the evaluator the results of the referred unit members' participation in the program.

25.2 Definitions

25.2.1 Joint Committee

25.2.1.1 The PAR Program shall be governed by the Joint Committee composed of five (5) Association members and four (4) Employer members. One of the Association members, the Association President, and one Employer member, designated by the Superintendent, shall be ex-officio, non-voting, non-stipend members.

25.2.2 Consulting Teacher (CT)

25.2.2.1 A consulting teacher is a permanent teacher selected by the Joint Committee to provide assistance and to review the progress of the teachers participating in the program.

25.2.3 Participating Teachers: The three types of participating teachers are Volunteer, Referred, and Beginning.

25.2.3.1 Volunteer Teacher (VT): A permanent teacher who wishes to participate in the program.

25.2.3.2 Referred Teacher (RT): A permanent teacher who is referred to the program because of an unsatisfactory evaluation.

25.2.3.3 Beginning Teacher (BT): A non-permanent, California preliminary or clear-credentialed teacher.

One of the Association members, the Association President, and one Employer member, designated by the Superintendent, shall be ex-officio, non-voting, non-stipend members.

25.3.1.2 The Association and the Employer shall individually determine the method for selection, the qualifications, and the term of its appointees, being mindful of the purpose of PAR and the value of continuity in administering PAR. To promote continuity, the terms shall be staggered so that no party's appointees are all new in any one school year. The initial terms shall be for two and three years.

25.3.1.3 The Joint Committee may call on additional resources as appropriate. The Joint Committee shall establish its operational procedures, including the method for selection of a chairperson.

25.3.2 Meeting and Composition

25.3.2.1 The Joint Committee shall establish its meeting schedule. Adequate notice will be provided for any additional meetings. To hold meetings a majority of the members, with a minimum of two teachers and one administrator, must be present. Meetings may be held during the school day, with a grant of release time to teachers, or during non-school time.

25.3.2.2 Association appointees to the Joint Committee shall receive a stipend of \$4,000 paid on a pro-rata basis for each year of service on the JC.

25.3.3 Decision Making

The Joint Committee shall make decisions by consensus of the entire body. If no consensus can be reached, the decision shall be made by a majority vote of seven voting members. For any decision to be made at a JC meeting, a majority of the JC members present shall be teacher members of the committee. A JC member shall recuse themselves from discussion or vote on any matter regarding:

- 25.3.3.1 An RT for whom they are the current evaluator or the evaluator who initiated the current PAR referral.
- 25.3.3.2 A participating teacher from their site or department.

In the case of such recusal, the Employer's ex-officio Committee member may vote on matters regarding the RT. A recused JC member shall have the same opportunity to provide input to the PAR process as any other administrator of an RT, for example, written statements or interviews with the JC.

25.3.4 *Responsibilities*

Joint Committee shall be responsible for the following:

- 25.3.4.1 Joint Committee Training
- 25.3.4.2 Development of Rules of Procedure
- 25.3.4.3 Consulting Teachers (CT)
 - Selection of CTs.
 - Training of CTs.

The permanent teacher may indicate the CT that they prefer, but the Joint Committee shall not be bound by the preference. The Joint Committee shall notify the permanent teacher, their Principal/Site Leader, and the CT in writing that the permanent teacher is participating in PAR. The appointed CT shall be identified.
- 25.3.4.5 *Cooperation between Consulting Teachers and Principal/Site Leader*
 - 25.3.4.5.1 The Joint Committee shall expect and strongly encourage a cooperative relationship between the consulting teacher and the Principal/Site Leader in the peer assistance and review process. The JC may recommend to the evaluator and/or the evaluator's immediate superior that an alternate evaluator be assigned for an RT's evaluation process.
- 25.3.4.6 *Recommendations to Board of Education*

- 25.3.4.7 *Annual Evaluation of Program*

25.3.4.7.1 The Joint Committee shall evaluate annually the impact of PAR in order to improve PAR. The review and evaluation may include interviews or surveys of PAR participants, CTs, Principals/Site Leaders, and others as deemed appropriate. The Joint Committee shall submit this annual evaluation in writing, including any recommendations for improvement, to the Superintendent and the Association at the same time that it submits the proposed budget. This submission shall be no later than May 30.

25.3.4.8.4 This proposal shall be submitted at the time and in the form requested by the Employer. The Joint Committee shall recommend to the Superintendent that the Board authorize the necessary number of consulting teacher positions or any increase or decrease thereof, providing to the Superintendent the rationale for the request. The Board shall consider the requests promptly, normally in accord with a previously published calendar on budget review and position authorization.

25.3.4.8.5 At the conclusion of the fiscal year, if the revenue for the PAR Program exceeds expenditures for the PAR Program, the Joint Committee shall determine the allocation of the surplus in a manner that facilitates the professional development activities of the District within the intent of this Article.

25.3.4.9 *Special Support Schools*

25.3.4.9.1 The Joint Committee may, with Employer approval, provide assistance to teachers at special Support Schools. These schools are those with high teacher turnover and/or large numbers of inexperienced teachers or teachers with less than three (3) years experience.

These procedures shall be consistent with the statutes, the provisions of this Article, and this Collective Bargaining Agreement. If there is any inconsistency, the statutes, the provisions of this Article, and this Collective Bargaining Agreement shall prevail.

25.3.5 *Confidentiality*

25.3.5.1 All materials related to evaluations, reports and other personnel matters regarding individuals, which are created or reviewed by the Joint Committee, shall be strictly confidential. Therefore, Joint Committee members may not disclose such information obtained by way of the program or in the peer review process with the following exceptions:

25.3.5.2 The Employer may make use of the following documents regarding referred unit members:

- Final peer review reports prepared by Consulting Teachers.
- Intermittent peer review reports prepared by Consulting Teachers subsequent to the acceptance of the final peer review report.

25.3.6 *Indemnity*

25.3.6.1 The Employer shall have the same duty to defend and indemnify Joint Committee members participating in the PAR program who are acting within the course and scope of their designated functions as it has to other district employees pursuant to Division 3.6, section 810 et seq., of the Government Code.

25.3.7 *Non-Management/Supervisory Status*

- 25.3.7.1 Functions performed by teacher Joint Committee members pursuant to the Program shall not constitute either management or supervisory functions as defined by subdivision and of section 3540.1 of the Government Code.

25.4 Participating Teachers

25.4.1 *Beginning Teachers (BT)*

- 25.4.1.1 A Beginning Teacher is defined as a non-permanent, California preliminary or clear-credentialed teacher, or a teacher on an emergency credential who is serving as a classroom teacher of record, or has a caseload assigned to them when a consulting teacher is working with a group of educators at a site or sites.
- 24.4.1.2 The PAR program for Beginning Teachers may include the BTSA program. BTSA may be supplemented with PAR funds as determined by the Joint Committee. All support provided the Beginning Teacher shall be confidential in accord with BTSA program guidelines.
- 24.4.1.3 The Employer shall provide the Joint Committee and BTSA with a list of all Beginning Teachers at the beginning of every school year, indicating the support program for which the Beginning Teacher is eligible, and shall supplement the list during the year as required.

25.4.2 *Referred Teachers (RT)*

- 25.4.2.1 Permanent unit members who have received unsatisfactory evaluation shall be referred to the Joint Committee and required to participate in the PAR program as an intervention.

25.4.2.2 *Unsatisfactory Evaluation*

- 25.4.2.2.1 PAR Participation shall not be required unless the procedures provided for in Article 13 (Evaluation) have been fully followed.
- 25.4.2.2.2 An unsatisfactory evaluation shall require participation in PAR when a unit member receives a summative evaluation on Form A of two (2) or more “unsatisfactory” (“beginning”) ratings out of these four (4) evaluation domains:
- i. Domain 1: Planning and Preparation
 - ii. Domain 2: Classroom Environment
 - iii. Domain 3: Teaching and Learning for All Students
 - iv. Domain 4: Professional Reflection and Revision
