PREAMBLE

SECTION 1. This Agreement is made and entered into as of this first day of July, 2006, by and between the New Haven Board of Education (hereinafter referred to as the Board) and the New Haven Federation of Teachers, Local 933, American Federation of Teachers, AFL-CIO (hereinafter referred to as the Federation).

SECTION 2. The parties hereto recognize the benefits available to each hereunder, and the procedures and avenues of communication established herein as a result of these good faith negotiations between them; it being the aim of both the parties here to establish methods by which the public educational system of the City of New Haven may continue to improve so as to meet the needs of the total community. In furtherance of that aim, the parties hereto accept the provisions of this Agreement as their collective and individual commitment actively, cooperatively and in good faith to honor, support and seek to fulfill the obligations, commitments and representations made herein, to the best of their respective abilities for the duration of this Agreement.

ARTICLE I RECOGNITION, RIGHTS AND OBLIGATIONS OF THE PARTIES

SECTION 1. Exclusive Bargaining Representative

Pursuant to Section 10-153 of the Connecticut General Statutes, the Board hereby recognizes the Federation as the exclusive collective bargaining representative for all employees employed by the Board in positions requiring a teaching or special services certificate (which employees shall hereinafter be referred to individually or collectively as "teacher" or "teachers", [respectively], except temporary substitutes). Such recognition is granted in accordance with the Certification of Results of an election held on November 21, 1967, executed by the Supervising Arbitrator, Walter Oberter, the result of which election is specified as "Election #1 (teachers)." Employees occupying positions requiring an administrative or supervisory certificate (which employees shall hereinafter be referred to individually or collectively as "administrator" or "administrators", respectively) shall be excluded from the bargaining unit referred to herein. A teacher engaged in teaching in the adult education or summer school program in a field in which s/he holds a teaching certificate issued by the State Department of Education shall be represented by the Federation in the same manner and to the same degree as any other teacher, as defined herein.

SECTION 2. The Federation agrees to represent equally all members of the above defined unit.

SECTION 3. Nothing in this Agreement shall in any way limit or contravene the authority of the Board as provided in the General Statutes of Connecticut and the Charter of the City of New Haven. The Board shall not, however, exercise any of its authority specified above so as to contravene a specific provision of this Agreement. The Board will also not make any change in any policy, rule or regulation affecting salaries or other conditions of employment of teachers without prior consultation or discussion with the Federation. The Federation may challenge the authority of the Board to make a change in a policy, rule or regulation, by processing a grievance in accordance with the Grievance Procedure hereof.

SECTION 4. Any policy, rule or regulation of the Board, adopted prior to the effective date of this Agreement, which is in conflict with a specific provision or provisions of this Agreement, shall as of the effective date of this Agreement, be superseded and replaced by the applicable provision or provisions of this Agreement with which it is in conflict. No provision of this Agreement shall be construed or interpreted so as to apply retroactively.

SECTION 5. Non-discrimination

The parties agree to continue to follow the policy of not discriminating against any employee on the basis of race, color, religious creed, age, sex, sexual orientation, marital status, national origin, ancestry, or present or past history of mental disorder, mental retardation, learning disability or physical disability, including, but not limited to, blindness, or membership or partnership in or association with the activities of any employee organization or political party, or on account of membership in a protected classification under Connecticut or Federal equal employment opportunity statutes as they currently exist or as they may be amended from time to time.

SECTION 6. Despite references herein to the Board or the Federation as such, each reserves the right to act hereunder by committee or by designated representative (professional or lay, whether or not a member). Each party will provide to the other satisfactory evidence of authority so to act.

SECTION 7. During the term of this Agreement no member of the bargaining unit or representative of the Federation shall engage in or participate in any refusal to work, mass resignation, slowdown or strike. Engaging in or participating in such activity shall constitute just cause for discipline, including suspension and discharge. Any individual discharged or otherwise disciplined for engaging or participating in such activity shall be entitled to arbitration in accordance with the provisions set forth in Article III hereof but only on the issue of whether he engaged in or participated in such activity, and the Arbitrators authority shall be so limited.

SECTION 8. Nothing contained herein to the contrary notwithstanding, bargaining unit members shall be entitled to Family and Medical Leave as provided for by State and/or Federal Family and Medical Leave laws, as applicable. Leaves provided for in this Agreement shall be included in and shall not be in addition to the period(s) of family and medical leave required by such laws.

ARTICLE II GENERAL WORKING CONDITIONS

SECTION 1. Fair Disciplinary Policy

- (a) No teacher shall be suspended except for just cause.
- (b) Notification of suspension shall be given to the teacher in writing with a copy to the Federation. The reason for such discharge or suspension shall be stated therein.
- (c) The teacher may, if s/he so desires, upon receipt of notification of suspension, file a grievance at the third step of the grievance procedure, provided in this Agreement. If suspension is found to be unjustified at any step of this procedure, the teacher's full pay and benefits shall be restored for the full period of her/his suspension.

SECTION 2. School Year

- (a) The work year of all teachers covered by this Agreement shall commence no earlier than the Tuesday after Labor Day, unless mutually agreed upon by the Board and the Federation, and shall terminate no later than June 30 annually if possible under State Law. During such period there shall be scheduled no more than one hundred eighty-two (182) regular teaching days where pupil attendance is required. Similarly, during such period, teachers shall be required to report one day prior to the pupils' first school day and shall be required to be in attendance one day after the last scheduled day for pupil attendance but in no event more than one hundred eighty-six (186) scheduled work days during such period. Teachers who were not employed by the Board during the previous school year may, for orientation and briefing purposes, be required to report four (4) days prior to the date upon which all

other teachers are required to report. However, notwithstanding the foregoing, the Board may schedule two non-teaching work days contiguous to the beginning or end of the work year, provided the total length of the work year, including these two days, shall not exceed the overall one hundred eighty-six (186) workday limit.

(b) The following days shall not be scheduled school days:

- (1) Rosh Hashanah (first two days)
- (2) Yom Kippur
- (3) Columbus Day
- (4) Veterans' Day
- (5) Thanksgiving Day and the day following
- (6) Christmas Eve
- (7) Christmas Day
- (8) New Year's Day
- (9) Three Kings' Day
- (10) Martin Luther King's Birthday
- (11) Lincoln's Birthday
- (12) Washington's Birthday
- (13) Good Friday
- (14) Memorial Day

(b) A yearly calendar shall be discussed with the Federation prior to June 1 annually and published.

SECTION 3. Work Day

(a) Classroom teachers and other teachers on the classroom teacher salary schedule shall not be required to report earlier than fifteen (15) minutes before the start of their day's assignment, except in the event of an emergency or unusual circumstance. Teachers may leave the building soon after dismissal provided such teacher has not scheduled a parent and/or student conference or is not scheduled for a faculty meeting or a discussion with the Principal or Department Head. Effective July 1, 2006, the workday for Elementary School teachers shall be extended by twenty (20) minutes of instruction time and ten (10) minutes of preparation time from the 2005-2006 school year. Effective July 1, 2006, the workday for Middle School teachers and K-8 teachers who had a forty-five (45) minute preparation period shall be extended by thirty (30) minutes from the 2005-2006 school year. The workday for all other teachers not referenced herein shall remain the same as the 2005-2006 school year. The length of the workday shall not be changed during the life of this Agreement without the mutual consent of the parties.

(b) The Board may reorganize the schedule of hours so as to fit the requirements of the System, but in so doing the provisions of Section (a) hereof shall be followed. Any such changes in the hourly schedule shall only be after notice to and discussion with the Federation in accordance with the provisions herein. It is understood that advanced classes and special programs (e.g., preschool) may be scheduled at hours different from those for regular classes and programs.

SECTION 4. Lunch Periods

(a) Middle and Senior High School teachers shall be provided a duty free lunch period not less than that provided for their students, but in no event less than thirty (30) minutes. Elementary School teachers shall be given a lunch period consistent with the daily schedule effective in each particular school but such teachers must be prepared to receive students in their classroom at the afternoon session. In the event the Board reduces the length of the lunch period at any particular school, it shall also adjust the end of the teachers' school day at that school by an equal amount of time.

(b) Lunch duty at the Elementary Schools shall be on a voluntary basis and teachers who voluntarily take this duty shall be paid in accordance with present practice. If several teachers volunteer, the duty will be rotated around them. Teachers may leave the school building during their lunch periods.

SECTION 5. Class Size

(a) No class from Grades K-2 shall have more than twenty-six (26) pupils and no class from Grades 3-12 shall have more than twenty-seven (27) pupils, provided that additional numbers may be assigned to K-2 classes, if additional assistance is provided, but in no case in excess of average past practice. The Board shall make a reasonable effort to lower Grades K-2 class size to no more than twenty-five (25) pupils and Grades 3-12 class size to no more than twenty-six (26) pupils.

(b) Class size may exceed the stated maximum in special or experimental teaching situations (it is understood that special teaching situations would include chorale, band, etc.) physical education classes shall not exceed 40 pupils.

(c) The ratio of at least one (1) teacher for every thirty (30) pupils shall be maintained and exceptions shall be made where special teaching programs prevail.

(d) Preference shall be given in the reduction of class size where it is determined by the Board and Federation that there is a high ratio of disadvantaged or disruptive students, as those students are identified by school records and school system standards.

(e) Regardless of class size, no teacher in the departmentalized program shall be assigned more than 125 students. This section, however, shall not require the establishment of a class of fewer than 15 pupils.

(f) Where a particular number of student stations are provided, such as in laboratories, tech ed, computer lab, art rooms, typing rooms, music rooms and similar situations, the number of students assigned shall not exceed the number of student stations already provided.

(g) Special Education classes shall be administered according to Federal and State Laws. In addition, the Board agrees to promptly make every reasonable and responsible effort to maintain Special Education classes at the following levels:

(1) 10 full time students	1 teacher	1 aide
(2) 15 part time students	1 teacher	1 aide

(h) Counselors shall not be assigned more than the current student load assigned to counselors of the same type and level during 1986-1987.

(i) Elementary music teachers shall not be assigned a teaching load greater than that in effect for elementary music teachers during 1986-87.

SECTION 6. Teaching Load

(a) Teachers in departmentalized programs shall not generally be required to teach more than two subjects not to make more than two teaching preparations daily. A subject is herein intended to mean a distinct course of study within a broad classification. For example, Algebra, Trigonometry and Geometry in the field of Mathematics shall be deemed separate subjects. However, this shall in no way limit the institution of new teaching methods. Teachers in departmentalized programs who are assigned more than two subjects or more than two preparations daily shall be given two additional preparation periods per week and such teachers shall be given

preference in relief of homeroom assignments. Teachers with four (4) or more preparations per week shall be relieved from all collateral assignment. This section shall not apply in experimental teaching situations, including team teaching, contemporary issues, and general lectures. In these expected areas, assignments inconsistent with the foregoing criteria will be discussed with the Federation.

(b) No teacher shall teach in violation of the certification regulations of the State.

(c) Departmentalized teachers shall be scheduled for no more than five (5) teaching periods per day.

(d) Teachers assigned to non-compensated extracurricular activities during the school hours shall have such assignment considered as a teaching period

SECTION 7. Preparation Periods

(a) All teachers shall have a daily preparation period, except when the format of their schedule (curriculum) requires scheduling which prohibits daily preparation periods. In such cases, at least five (5) preparation periods shall be scheduled for such teacher per week. Teachers shall not be assigned to any other duties during their preparation periods.

(b) All elementary teachers shall be provided with a minimum of five (5) preparation periods of forty (40) minutes in duration per week for a total of two hundred (200) minutes per week. In order to attain this goal, when scheduled by the Superintendent, or her/his designee, the regularly assigned teacher may be absent from the classroom to prepare during the period when regularly assigned special teachers in art, music and physical education are present, providing instruction to the pupils to whom the regularly assigned teacher is normally assigned and providing such absence from the classroom is agreeable to the principal.

(c) Teachers of split grades must be consulted prior to the scheduling of preparation periods and the results of such consultation will be considered in determining schedules.

SECTION 8. After School Meetings

(a) With the aim of continuing to improve communications and to utilize fully the professional resources of the teaching profession, teachers are required to attend three (3) parent conferences per year to be held after each of the first three report cards, and are encouraged to attend PTA and other parent group meetings.

(b) Teachers may be required to attend not more than three (3) faculty meetings per month, of no more than one and one-half (1 1/2) hours in duration each. Such meetings will be held on Monday, shall be called by an administrator and shall commence immediately upon school dismissal. If Monday is a holiday, the faculty meeting may be scheduled on Tuesday of the same week.

SECTION 9. School Visitors

(a) The Board and the Federation agree that parents or guardians of students attending the school are not only welcome to the New Haven Public Schools but also shall be encouraged to visit such schools. However, such visits should be conducted in such a way so as not to interrupt the school educational program.

(b) The procedure for visits of parents, guardians and/or others in a particular school shall be established by the Area Director of Administration-Supervision and the Principal, in accordance with the Superintendent's general policy.

SECTION 10. Teacher's Notice by Superintendent

(a) Any teacher requested to meet with the Superintendent or her/his designee regarding a disciplinary proceeding shall be given one (1) day's notice of the meeting, be informed in writing of the reason(s) for which her/his presence is requested, and of her/his option to be accompanied by a representative of the Federation. If an interview is not held in accordance with these conditions, no part of it will be put in the teacher's file or used in proceedings against her/him.

(b) Any complaints regarding a teacher made to the administration by any parent, student or other teacher or an administrator will be promptly called to such teacher's attention. The administration shall inform the teacher of the name of the complainant. The teacher shall have the opportunity to answer such complaint.

(c) No member of the Board of Education or the Administration shall orally present or discuss at any public meeting of the Board of Education any complaint or adverse criticism of any teacher until after such adverse criticism or complaint has been discussed with the teacher/or representative designated by the Federation.

SECTION 11. Health and Safety

(a) The Board agrees to provide for adequate facilities and equipment necessary to maintain a high standard of health and safety.

(b) School Administrators will arrange for the repair of malfunctioning equipment both in the educational process and in the maintenance of plant as soon as possible when reported by teachers.

SECTION 12. Non-teaching Duties

(a) It is agreed that the teacher's primary responsibility is to teach and to otherwise supervise the children s/he teaches. Therefore, clerical assistance will be provided for teachers when it is necessary and when the teacher indicates such need at least one (1) day prior to such time assistance is needed.

(b) Elementary school teachers shall not be required to perform playground duty before or after school or during the lunch recess, bus duty, school crossing duty or lunch duty.

(c) The practice of returning insurance monies by direct mail shall be instituted immediately. However, where a child returns the envelope to the teacher, it shall be the responsibility of that teacher to make arrangements within her/his classroom for collection of same.

(d) Teachers shall be responsible for the collection of milk and lunch money. Where the teacher chooses not to collect same, s/he shall make arrangements for the collection of these monies within the classroom.

(e) Teachers shall not be required to correct standardized tests.

(f) The definition of the above duties as "non-teaching duties" shall not in any way be deemed not to require teachers, as part of their regular assignments, to perform normal disciplinary and supervisory functions in whatever portion of the school buildings that such is required. Such discipline and supervision outside the classroom shall be exercised in a manner consistent with administrative policy.

(g) While a teacher's primary responsibility is to teach, s/he is also required to discipline the pupils of the school fairly and equitably.

(h) Assignment of non-teaching duties shall be equitably distributed among teachers in each school. In accordance with the foregoing, building principals shall consider written teacher requests concerning such assignments, provided the request is made before the end of the preceding school year.

SECTION 13. Early Dismissal

Classes will be dismissed by 1:00 p.m. on the days the following recesses commence: Thanksgiving, Christmas and the February, April and June vacations.

SECTION 14. Personal Property

The Board is not responsible for the loss of personal property due to negligence on the part of the employee. Teachers will be equitably compensated for damage to personal property resulting from the performance of duties within the scope of their employment.

SECTION 15. Materials

(a) Each teacher will be provided with the necessary materials, supplies and books with which to adequately function in the classroom. The Board will make every reasonable effort to provide at least one book per pupil per subject or its instructional equivalent.

(b) Supply lists will be made available for reference by teachers when received by the building principal. Typically, that is expected to occur by May of each school year.

SECTION 16. Student Behavior

(a) The schools are established for the benefit of all students. The educational purpose of the schools is accomplished best in a climate of student behavior that is socially acceptable and conducive to the learning and teaching process. Behavior that disrupts this process or that infringes upon the rights of other individuals will not be tolerated.

(b) The Board reaffirms its support of the administrative and teaching staff in taking all steps lawful and necessary to enforce and implement all Board policies and regulations pertaining to control of student behavior. Important among these policies are those in the areas of conduct, suspensions, expulsions, and general learning climate as outlined in the Statement of Students' Rights and Responsibilities. The teachers will at all times follow and enforce the Directives of the Superintendent and/or policies of the Board regarding these matters.

ARTICLE III GRIEVANCE PROCEDURE

The prompt, informal and confidential adjustment and settlement of grievances is encouraged and therefore, the following procedure to accomplish these purposes is hereby established:

SECTION 1. Definition

(a) A grievance shall mean a complaint (1) by a teacher (hereinafter called "grievant") that there has been a violation, misinterpretation or misapplication of a provision of this Agreement, or of an established policy or practice, (2) or that there has been disparate treatment in the administration of established policies or practices of the Board.

(b) As used in this Article, the term "grievant" shall mean (1) an individual grievant, (2) a group of grievants having the same grievance, (3) the Federation or the Board, respectively, when either files a grievance.

SECTION 2. Procedures

STEP 1. A teacher and a Federation representative (if the teacher so desires) shall first discuss the problem with the school official serving as the teacher's immediate administrative superior.

STEP 2. If the matter is not satisfactorily adjusted within two calendar days* after the last discussion, the teacher, with the assistance of a Federation representative, shall submit a request in writing within six (6) calendar days to such teacher's immediate administrative superior, for a satisfactory adjustment. Such written grievance must be filed within thirty (30) calendar days following the act or circumstances giving rise to the grievance. Such immediate superior may request a meeting with the teacher and a Federation representative prior to making her/his decision, but in any event must render her/his decision in writing, with copies to the teacher and the Federation within six (6) calendar days of the written submission to her/him by the teacher.

*In calculating the number of days, school vacations including the summer will be excluded.

STEP 3. Failing satisfactory settlement within such time limit the grievant may, with the assistance of the Federation representative, within six (6) calendar days after receipt of the written decision by her/his superior, appeal in writing to the Superintendent and such writing shall set forth specifically the basis of the grievance. The Superintendent or her/his representative shall meet with the teacher and a Federation representative within six (6) calendar days of receipt by her/him of such appeal, and shall give her/his decision in writing to the teacher and the Federation within twelve (12) calendar days of such meeting. Such decision shall include the specific justification for a denial of the grievance.

STEP 4. If the grievance remains unresolved after STEP 3, the Federation, the grievant and the Superintendent or her/his representative shall meet with a neutral party who shall act in the capacity of a mediator in an effort to resolve the grievance. This step will be used only on a case by case basis when the parties mutually so agree. All discussion at this step will be inadmissible in arbitration.

STEP 5. Arbitration

(a) In the event a grievance shall not have been settled under the procedures above, the grievant may proceed directly to arbitration, which shall be binding, subject to the limitation of the statute.

(b) Notice of intention to request submission to arbitration must be in writing addressed to the Superintendent of Schools, and submission to American Arbitration Association must be made not later than ten (10) calendar days following the decision at Step or the expiration of the time limits for making such decision, whichever shall first occur. A copy of such notice of intention to submit to arbitration shall be sent to the Superintendent by Registered Mail, return receipt requested.

(c) The arbitrator shall hear and decide only one grievance in each case. S/he shall be bound by and must comply with all terms of this Agreement. S/he shall have no power to add to, delete from, or modify in any way, any of the provisions of this Agreement. S/he shall have the power to make appropriate compensatory awards. The decision of the arbitrator shall be binding upon both parties and all teachers during the life of this Agreement, except that such decision shall not usurp the functions or powers of the Board of Education as provided by statute. Fees and expenses of the arbitrator shall be borne equally by both parties.

The Board will take quick action on solving grievances which concern irremediable situations. The Board will agree to consider with the Federation the use of the new expedited arbitration procedure of the American Arbitration Association as each case arises.

SECTION 3. General Provisions

- (a) Any grievance not initiated and/or appealed in accordance with the time limits specified herein shall be deemed waived by the grievant.
- (b) Failure at any step of this procedure to communicate a decision within the specified time limits shall permit the grievant to proceed promptly to the next step. The time limits specified at any step may be extended in any particular instance by agreement between the Superintendent or her/his designee and the Federation.
- (c) Meetings held under this procedure shall generally be conducted on non-school time at a place which will afford a fair and reasonable opportunity for all persons proper to be present. Persons proper to be present for the purpose of this Article are defined as the grievant, the appropriate Federation and Board representatives and witnesses. Federation and Board counsel shall be permitted at Step 4. If, at the option of the Board, hearings are held during school hours, persons proper to be present shall be excused without loss of pay.
- (d) A grievance arising from the action of an official above the rank of principal will first be discussed with that official and if not resolved may be submitted to the Superintendent or her/his designee and processed in accordance with Step 3 above.
- (e) The Federation shall have the right to appeal from the disposition of a grievance of any teacher or group of teachers at any step of this procedure in its own behalf.
- (f) Nothing in this Agreement shall be construed as compelling the Federation to submit a grievance to arbitration.
- (g) No reprisals of any kind shall be taken by either party or by any member of the administration against any participants in the grievance procedure by reason of such participation.
- (h) The Superintendent and/or the Board shall have the right to file a grievance in writing with the Federation and such grievance shall thereafter be processed in accordance with Step 3 and the following steps of the grievance procedure. In the event a grievance filed by the Superintendent and/or the Board is submitted to arbitration, the Board shall pay the arbitrator's fees for such arbitration.

ARTICLE IV CONSULTATION

SECTION 1. In order to promote better communications between the administration and the representatives of the Federation, the parties will meet at least once a month during the school year on matters of education policy and development, on any matters which are not covered by the Agreement and on administration of the Agreement. Such consultation shall generally be attended only by employees of the Board of Education. However, if a particular matter to be discussed requires the expertise of a non-employee, either party may request that such person be permitted to attend the meeting. The parties shall exchange agenda indicating the matters they wish to discuss, including the names and qualifications of non-employees they wish to have in attendance, no later than seven (7) days prior to the scheduled meeting date.

SECTION 2. The principal or other head of each school or her/his representatives and the building steward's committee from the school shall consult at least once a month during the school year on matters of school policy and

on the implementation of the Agreement. During September of each year, this principal and steward shall establish a regular meeting schedule.

ARTICLE V
FEDERATION RIGHTS

SECTION 1. Use of School Facilities

(a) One (1) bulletin board in each school shall be reserved for the exclusive use of the Federation for the posting of official Federation notices or announcements. Copies of any notice to be posted shall be submitted to the Principal.

(b) The Federation may call meetings in each school before or after school or during the lunch hour whenever necessary, providing such meetings do not conflict with the other scheduled activities or programs.

(c) The Federation shall have the right to place material in the mail boxes of teachers and other professional employees. Placement will be made by the authorized representative of the Federation or her/his designee and such representative may use the public address system for Federation announcements prior to and at the end of each teaching day.

(d) The Federation President shall have access to a telephone in the School Building which s/he shall use only during her/his non-teaching hours.

SECTION 2. Release Time

(a) The New Haven Federation will, during the tenure of the N.H.F.T. as bargaining representative, be permitted to select one officer to teach a reduced teaching load. Such officer shall teach the equivalent of no more than ten (10) teaching periods per week which shall be scheduled during the morning. In the event the selected officer does not teach at a school that is departmentalized, adjustment will be made between the Superintendent and the Federation. Such officer granted such released time shall continue to accrue seniority for salary increments and all other purposes in the same manner as if s/he continued in her/his former capacity.

(b) Each steward will be given access to a telephone.

(c) If the Principal of a school or the designated Federation representative for that school requests a meeting to discuss matters of school operation and questions relating to the implementation of this Agreement, such a meeting shall be scheduled at a time mutually convenient to both parties. School operations and policies shall be

consistent with this Agreement. The Federation shall inform the Principal of the name of its representatives for that school in writing.

(d) The Board shall permit the President of the Federation or her/his designated representative to visit the schools to investigate working conditions, teacher complaints or problems, or for any other purpose relating to the terms and conditions of this Agreement. The Board agrees to deduct dues or service representation fees from the salaries of members of the bargaining unit as authorized by said members. Deductions are to be made from the second of each monthly check from September to June. If dues are not deducted because of clerical error, etc., the Federation will notify the Board and the proper deductions will be made from the next month's check. Said dues and service representation fees are to be determined for each bargaining unit member and specified in dollars by the Federation and notification sent to the Board by August 15 for implementation by September 1, and by January 15 for implementation by February 1.

(b) Income Protection Plan - If a teacher desires to have deductions made for the Teachers of Connecticut Group Income Protection Plan, s/he shall authorize deductions therefore in writing and such authorization shall be honored by the Controller's office.

(c) Upon payment of any deduction by the Controller to any organization or for any purpose specified above, such payment shall release the controller, the City of New Haven and the Board of Education and the officers and agents thereof from all liabilities.

(d) If a teacher who is absent on account of sickness, leave of absence, or for any other reasons has no earnings due her/him for the month, no deductions will be made for that teacher for that month. The Federation will arrange collection of dues for that month directly with the teacher.

(e) When a teacher does not have sufficient money due her/him after deductions have been made for pension, social security, garnishments or any other deductions authorized by the teacher or required by law, the Federation dues for that month will be collected by the Federation directly from the teacher.

(f) The New Haven Federation of Teachers shall hold the Board and the City harmless against any and all claims, demands, liabilities, lawsuits, counsel fees, or other costs which may arise out of, or be by reason of, actions taken against the Board as a result of administration of the provisions of this section.

ARTICLE VI ABSENCES AND LEAVES OF ABSENCES

SECTION 1. Sick Leave

Sick leave is to be used only for the purposes of compensating a teacher who is unable to attend her/his regular scheduled classes because of bona fide illness which requires her/him to stay home.

(a) So long as the teacher remains in the continuous service of the Board, s/he shall be entitled to sick leave with full pay up to (15) working days for each year of employment, cumulative from year to year, up to a maximum of two hundred fifteen (215) working days.

(b) The Board and/or the Superintendent or her/his designated representative may request a doctor's certificate to be presented by any teacher attesting to illness sufficient to keep the teacher from work for five (5) consecutive days or more. If there exists any reasonable doubt concerning the teacher's illness, the Board or the Superintendent or her/his designee may require such teacher to submit to an examination by an independent physician acceptable to the teacher and the Board at the Board's expense.

(c) Upon retirement (pursuant to the State Teachers' Retirement Fund) or death (but not upon resignation), a teacher will be paid for all accumulated sick days up to, but not to exceed, sixty-four (64) days. Such pay for each day for which payment is going to be made shall be on a per diem basis, pursuant to the salary agreement then in effect between the teacher and the Board.

(d) Membership in the sick leave bank is voluntary on the part of employees after tenure is granted for four (4) years of service completed in the New Haven School System. Each participating employee contributes one (1) day of sick leave per year.

(1) The Board of Education will cooperate in the establishment of a sick bank on a voluntary basis.

- (2) Each employee enrolling in the bank will donate one (1) day of her/his sick leave to the bank each year until the bank is built up to a maximum of approximately 1500 days. No more days will be added to this maximum until the bank is depleted to approximately 750 days. The bank will be built up to approximately 1500 again and the process repeated.
- (3) Additions will be made to the bank in September or October of each school year according to the above limitations.
- (4) A person withdrawing from membership in the bank will not be able to withdraw the contributed days.
- (5) Withdrawals will be made from the bank according to the following schedule:
 - (i) 0-4 years, inclusive, a person is not eligible.
 - (ii) After the beginning of the 5th year through the 6th year a person must be sick 55 consecutive days before s/he can draw on the bank.
 - (iii) After the beginning of the 7th year a person must be out forty (40) consecutive days before s/he can withdraw.
- (6) A person will not be able to withdraw days from the bank until her/his own sick leave is depleted.
- (7) Persons withdrawing sick leave days from the bank will not have to replace these days except as a regular contributing member to the bank.
- (8) Maximum withdrawal per occurrence is 75 days.
- (9) Sick leave means the leave the teacher has taken for that year plus her/his accumulation.

SECTION 2. Military Leave

Teachers leaving the system for the purpose of serving in the Armed Forces shall be entitled to all rights and privileges afforded them pursuant to the Selective Service Act of 1940, as amended, and the Connecticut Statutes.

SECTION 3. Maternity Leave

(a) A maternity leave of absence shall be granted to female teachers upon application in accordance with the following procedure.

(b) In order that arrangements may be made to staff the school properly, a teacher who becomes pregnant shall, as soon as possible, give notice to the Superintendent, such notice to be accompanied by a physician's statement indicating the expected date of birth, as well as the teacher's requested date for the commencement of maternity leave if such is earlier than her physician's recommendation. Thereafter, the teacher shall provide a physician's certificate if there is a change in her condition which would change the physician's recommendation. The notice shall also contain the date when the teacher requests her maternity leave to terminate.

(c) Maternity leave shall commence on the date the teacher requests or on the date that her physician states she is no longer able to work, whichever is earlier. However, the Board may require the teacher to commence said leave at an earlier date if in the opinion of the Board she is not able to satisfactorily perform her duties, in which

event she will be considered disabled for purposes of this section. If the teacher commences maternity leave on a date earlier than her disability she shall subsequently supply the Board with a statement from her physician indicating when she was no longer able to work.

(d) Maternity leave shall terminate on the date the teacher requests or on the date that her physician states that she is no longer disabled, whichever is later. A teacher returning from maternity leave shall provide the Superintendent with a physician's certificate attesting that she is fit to resume her full duties. If the teacher returns from maternity leave after her disability terminated, she shall supply the Board with a physician's statement indicating when she was no longer disabled.

(e) Subject to the provision of this Section, a teacher may commence maternity leave earlier than initially requested upon giving advance notice in writing to the Superintendent, as soon as possible, but not less than two weeks prior to the changed date, and may extend said leave beyond the termination date initially requested upon four weeks' advance notice in writing to the Superintendent. Such notice shall, in either case, be waived in the case of emergency.

(f) The following conditions shall pertain during maternity leave:

(1) Said teacher shall be eligible to receive accumulated sick leave pay during that portion of the maternity leave in which she is disabled and unable to attend school. Teachers claiming sick pay during maternity leave shall submit medical proof of such disability. If there exists any reasonable doubt concerning the teacher's period of disability, the Board may require such teacher to submit to an examination by an independent physician acceptable to the teacher and the Board at the Board's expense.

(2) The Board shall maintain in effect on behalf of said teacher all insurance benefits provided for in this Agreement for the period of disability or for a period of seven (7) weeks, from the start of disability, whichever is longer. In the event a teacher works any part of a month prior to commencing maternity leave, the Board will maintain such benefits in effect for the remainder of the month. The Board will also maintain such benefits in effect for the entire month during which the teacher either commences or terminates a period of paid disability resulting from pregnancy. In the event that maternity leave terminates after the teacher has ended her period of paid disability, the Board will reinstate such benefits as of the first day of the following month except when the return date is at the beginning of the school year, and the teacher has complied with the notice requirements, in which case benefits will be reinstated as of September 1.

(3) Periods of paid maternity leave shall be included in calculating length of service or employment. Any period of maternity leave taken under this Article shall be counted towards eligibility under the Federal Family and Medical Leave Act.

(g) The following conditions shall pertain upon the termination of maternity leave:

(1) If maternity leave terminates during the school year, the teacher shall be reinstated to her previous position or to an equivalent position for which she is qualified, provided such reinstatement does not require the Board to violate any other person's rights under Section 10-151 of the General Statutes or this Agreement.

(2) Maternity leave shall not interrupt continuity of service and such teacher shall be reinstated with accumulated seniority, retirement, fringe benefits and other service credits, including credits accumulated pursuant to subsection f (3) above. In applying this provision to service credits for pay purposes, a full year's credit will be given for service of five (5) months or longer within a school year.

(3) All teachers on maternity leave must apply for reinstatement within eighteen (18) months of the date the leave commenced. Failure to do so shall be considered a resignation.

(h) It is understood that a maternity leave does not interrupt continuity of service for the purpose of acquiring tenure, but periods of unpaid maternity leave shall be excluded in calculating length of employment for purposes of attaining tenure.

(i) Any teacher who has acquired tenure and is expecting a child or whose spouse is expecting a child, or who has firm plans to adopt a child in the immediate future, upon request, may be granted a long-term leave for child rearing purposes. Such leave shall begin either at the start or at the mid-point of the school year, and shall end either one-half or one full school year later. The request for such leave must be made at least thirty (30) days prior to its commencement and must specify whether the request is for leave of one-half or one full year. Such leave requests shall be granted except for compelling reasons. Leave under this paragraph may be granted to non-tenured teachers in unusual circumstances at the discretion of the Superintendent.

SECTION 4. Sabbatical Leave

Sabbatical leave will be determined by the Board on the basis of the recommendation of the Sabbatical Committee. Such recommendations will be made in accordance with the conditions stipulated herein.

(a) No more than one per cent (1) of the bargaining unit will be granted a sabbatical leave in each school year.

(b) Application for sabbatical leave shall be made on a form provided by the Administration. Such application must be fully completed and all the information shall be supplied if requested. The application shall, upon completion, be submitted to the Director of Personnel and Labor Relations who shall consider if such is intended to improve the New Haven School System and shall be submitted to the Sabbatical Committee. The Committee will review the application and after consideration and discussion the Committee shall make recommendations, in writing (with minority report, if desired) with accompanying reasons either to approve or disapprove application for sabbatical leave and shall forward such to the Superintendent. The Superintendent, if s/he approves the recommendation of the Committee, shall so indicate on the Committee's recommendation. If s/he disapproves the committee's recommendation, s/he shall so indicate and specify the reasons therefore in writing. After the Superintendent has acted on each application, upon which the Committee makes a recommendation, the Committee's recommendation shall be forwarded to the Board for final decision and disposition.

(c) After six (6) years of consecutive service, an applicant may submit an application to the Superintendent no later than December 31 of that school year for sabbatical leave for the following school year.

(d) Sabbatical leaves shall be awarded no later than March 1.

(e) Sabbatical leaves shall be reviewed and/or awarded in the following manner:

(1) A committee composed of three (3) administrators and three (3) appointed by the Federation, plus the Superintendent or her/his designee, shall meet and consider all applications on their merit.

(2) After consideration by the Committee, the Superintendent shall make recommendations with accompanying reasons either to approve or disapprove applications for sabbatical leaves and forward same to the Board for its action, with a copy to the applicant upon request.

(f) Remuneration to the teacher who has been awarded a sabbatical leave shall be three-fourths (3/4) of her/his annual salary and all other benefits provided for in this Agreement shall accrue to the teacher. However, no sick leave shall accumulate during the leave.

(g) Sabbatical leave shall be granted for not more than the period of one (1) year and no less than one full term (September-January; February-June).

(h) Teachers on sabbatical leave will be credited with service in the system for the period of the leave.

(i) Teachers who are awarded a sabbatical leave shall return to the system for at least one (1) school year after the termination of the leave. Teachers who leave before the completion of one such year shall be deemed unprofessional.

(j) Sabbatical leaves are not to be granted if such are aimed at obtaining a Standard Teaching Certificate or to obtain an additional certificate in another area of teaching specialization; preference will be given to applications which fall within the applicant's major field of specialization, or an area designated as an educational priority by the Board.

(k) Those awarded sabbatical leave will upon their return be required to submit to the Board a detailed written report as to the scope of content of the program and application of such to the New Haven School System.

SECTION 5. Federation Leave

(a) A teacher in the System who is an officer of the Federation or who is appointed to the Federation staff shall upon written application filed with the Superintendent prior to July 1 of any year be granted a leave of absence to commence the following September and to terminate on September 1 of the succeeding year. Such leave shall be without pay and may be renewed for one additional year, upon notice to the Superintendent by March 31 of the year of the leave.

(b) Failure of such person to notify the Board in writing of her/his intention to return to work by March 31 of the year in which s/he is on leave, shall result in determination that such teacher has resigned from the system. Any teacher on such leave of absence shall receive credit toward annual salary increments on schedules appropriate to her/his rank.

(c) No more than two (2) teachers in the system shall be on such leave at any one time.

SECTION 6. Miscellaneous Leaves

(a) Personal leave without pay may be granted by the Superintendent to meet serious personal problems.

(b) Bereavement Leave - A leave of absence not to exceed five (5) days immediately following the date of death shall be granted to any teacher whose wife, husband, father, mother, father-in-law, mother-in-law, brother, sister, brother-in-law, sister-in-law, child, grandparent, or grandchild dies. Such leave shall be with pay.

(2) In the event of the death of a New Haven teacher, the Superintendent shall designate a delegation of teachers from the teacher's school to attend the funeral.

(c) Personal Leave

(1) Teachers will be allowed two (2) days off each year with pay to be used for personal business. These days may be accumulated to four (4). The personal days provided herein are to be used to provide the teacher with necessary time off in order to fulfill bona fide personal needs, such as the performance of legal, household and other business which could not otherwise be legitimately performed during the teaching day. If it is determined that a teacher has misused her/his personal leave, such misuse shall be deemed unprofessional and such teacher shall be subject to reprimand.

(2) Whenever practicable, the request for the personal time off will be filed with the principal at least forty-eight (48) hours prior to the time requested but in any event all applications for such leave shall be in writing. Personal leaves shall not be requested as part of a vacation or taken the day prior to a vacation or holiday or the day following a vacation or holiday. In unusual circumstances where the provisions hereof cannot be met, the Superintendent may waive the conditions hereof.

(d) Quarantine - There shall be no loss of salary or sick leave allowance when a teacher is subject to quarantine by order of the Health Department for reasons other than a personal illness of the teacher.

(e) Subject to the approval of the appropriate administrator, and subject to the availability of funds, teachers may receive time off with pay for the purpose of attending teacher and other professional conferences, or to visit other schools.

SECTION 7. General Provisions

(a) Teachers on leave with pay shall continue to receive all benefits provided by the Board as stated in this Agreement.

Teachers who come to the office or telephone shall be given all information on the list. The teacher, shall at that time, indicate whether s/he is interested in a particular vacancy.

(c) In deciding upon an application for a voluntary transfer, the Board will give priority to the systemic requirements of the school system and will, thereafter, respect the following factors: certification, seniority, experience and educational background. From September 1 to November 1, the Board shall be able to fill positions from the outside as per discussions in the negotiations.

(d) A complete seniority list shall be given to the Federation by the first payroll date in October annually.

(e) Seniority is defined as the length of service of any teacher in the system.
