LOCATION

The North East Independent School District spans approximately 144 square miles in the north central and northeast sectors of Bexar County, Texas. The majority of the district lies within the boundaries of the city of San Antonio, but several smaller communities are also encompassed within North East ISD, including the cities of Castle Hills, Hill Country Village, Hollywood Park and Windcrest.

DISTRICT SIZE

Total student enrollment in North East ISD is projected to be more than 67,500 during the 2015-2016 school year. Forty six elementary schools are expected to serve about 31,100 students in pre-kindergarten through 5th grade. More than 15,100 students are expected in the district's 14 middle schools and three middle school magnet programs, and about 21,400 students are expected to be enrolled in North East's eight high schools plus Center School (alternative campus), the Academy of Creative Education (non-traditional drop out prevention campus) and the district's high school magnet programs.

ACCREDITATION

All campuses in North East ISD are fully accredited by the Texas Education Agency. In addition, North East has a National Exemplary After-School program at every elementary school and middle school through its Adult and Community Education department.

REGISTRATION

Eligibility: All students who reside within the boundaries of North East ISD are eligible for enrollment in district schools. However, the district has limited new student enrollment at some campuses due to overcrowding. You can find a listing of these capped schools and other boundary information at www.neisd.net/boundaries.html.

Kindergarten and First Grade: According to state law, a child who has reached five years of age on or before September 1 of the current school year is eligible to attend kindergarten. Children enrolling in first grade must be six years of age by September 1 of the current school year.

Please note: once a child is enrolled in public school, state attendance laws will apply. Under the law, if a student is absent from school on 10 or more days or parts of days within a six-month period in the same school year or on three or more days or parts of days within a four-week period, then (1) The student's parent is subject to prosecution under Section 25.093 and (2) The student is subject to prosecution

under Section 25.094 of the Texas Education Code.

TRANSPORTATION

Services are provided for all students living two or more miles from their designated school of attendance. Some students may also receive transportation along hazardous routes.

SPECIAL PROGRAMS

North East ISD provides unique Gifted and Talented programs for all students, grades kindergarten through 12.

Career and Technology courses are offered at middle and high school campuses. For high school students, North East also offers the Agriscience Magnet Program at Madison; the Electrical Systems Technology Program at MacArthur; the Design and Technology Academy and the Engineering and Technologies Academy at Roosevelt; the Automotive Technology Academy at the Perrin-Central facility; and the International School of the Americas, North East School of the Arts and the Science, Technology, Engineering and Mathematics Academy at Lee. Students interested in any of these programs should contact their campus counselor.

A full range of bilingual and special education programs is available to students. Special education programs are available to students who qualify and for whom the ARD/IEP committee has determined an educational need for special education. Both mainstream and self-contained special education services are available. Persons wishing to initiate a referral for special education should contact the child's home school.

QUESTIONS

If you have any questions about district programs or services, contact North East ISD Communications at (210) 407-0040. Information can also be found on the district's web site at www.neisd.net.

To report suspicious activity or vandalism, call 655-CARE (2273).
