## **APPENDIX B**

### **TEACHER SALARY SCHEDULES**

Section 1012.22(1), *Florida Statutes*, requires two salary schedules for paying teachers beginning in 2015-2016. Teachers who hold and choose to retain their Continuing Contract (CC) or their Professional Service Contract (PSC) (both CC and PSC contracts statutorily require due process for a teacher prior to termination) are required to be placed on a “Grandfathered Salary Schedule” and are denied access to “merit pay.”

All other teachers, regardless of their date of hire, are statutorily required to be placed on a “Performance Salary Schedule” which includes “merit pay.” Florida Statutes allow any teacher on the “Performance Salary Schedule” to have their employment terminated for no reason at the end of any year. CC and PSC teachers who choose to be paid on the “Performance Salary Schedule” are required to permanently relinquish their due process rights to continuing employment and become Annual Contract teachers.

## **MEMORANDUM OF UNDERSTANDING**

### **BETWEEN THE SCHOOL DISTRICT OF POLK COUNTY, FLORIDA AND THE POLK EDUCATION ASSOCIATION, INC.**

#### **District Provided Bonuses for Paraeducators, Educational Support Personnel (ESP), and Teachers**

#### **Change to Alphabetical Pay Levels in Grandfathered and Pay for Performance Teacher Salary Schedules with Revised Teacher Raises under the Teacher Salary Increase Allocation**

#### **Revised Initial Placement for Teacher Pay for Performance Schedule**

The **SCHOOL DISTRICT OF POLK COUNTY, FLORIDA** (D/B/A Polk County Public Schools) (**District**) and the **POLK EDUCATION ASSOCIATION, INC. (PEA)** as evidenced by the respective signatures below, are parties hereto and agree to this Memorandum of Understanding (MOU) as more specifically set forth herein.

**WHEREAS**, the PEA is the certified bargaining agent for the District, and the District is the employer and a party to the PEA Collective Bargaining Agreements (CBA) governing Teachers, Paraeducators, and Educational Support Personnel (ESP); and,

**WHEREAS**, the District and PEA agree to this Memo of Understanding outlining the following:

- District provided bonuses for Paraeducators, Educational Support Personnel (ESP), and teachers; and,
- Revised Initial Placement for the Teacher Pay for Performance Schedule outlined in the Teacher CBA Appendix B; and,
- Revised Teacher Raises under the Teacher Salary Increase Allocation.

**NOW, THEREFORE**, the parties of this MOU agree to the following:

- I. District-provided bonuses:** Polk County Public Schools will provide a one-time \$1,000 bonus to the below positions.
  - a. All Paraeducators and Educational Support Personnel (ESP) covered under the PEA Collective Bargaining Agreements.
  - b. Any Instructional Staff covered under the PEA Teacher Collective Bargaining Agreement who did not realize at least a 2% raise under the Teacher Salary Increase Allocation funds.

This District-provided bonus was paid out to employees in the May 28, 2021 payroll check.

This bonus is not synonymous with Governor DeSantis' federally funded CARES Act PreK - 12 classroom teacher and principal \$1,000 bonus. Neither PCPS nor PEA will have the ability to bargain these federally provided, state managed CARES Act funds.

If Instructional Staff covered under the PEA Teacher Collective Bargaining Agreement who received at least a 2% raise are excluded from the Governor's teacher bonus, the District and PEA agree to discuss providing District \$1,000 bonuses to those excluded individuals.

## **II. Change to Alphabetical Pay Levels from Numerical Pay Levels for Teacher Grandfathered and Pay for Performance Salary Schedules with Revised Teacher Raises under the Teacher Salary Increase Allocation**

The District and PEA agreed to convert the numerical teacher pay levels on the grandfathered and pay for performance teacher salary schedules to alphabetical pay levels. These levels were not finalized for review before the Teachers ratified their contract on April 22, 2021. After the Teacher Contract ratified, the District stated that they were directed by the FL DOE to spend their full allotment of the Teacher Salary Increase Allocation or risk losing that money.

Therefore, PEA and the District agreed to raise the lowest salary increase amount in the Teacher CBA from \$650 to \$1,200. Outlined below are the subsequent changes to Teacher CBA Appendix B due to this pay level change with salary increase adjustment. If more Teacher Salary Increase Allocation remains from the 2020-2021 school year, both parties agree to come back to the table to discuss distribution of those allotted funds.

**a. Annual Contract Teacher Pay for Performance Salary Schedule with 20-21 Raise and New Alphabetical Pay Levels**

This salary increase under the Teacher Salary Increase Allocation is retroactive to July 1, 2020 for the 2020-2021 school year and will be a permanent increase to the current base salary schedule.

**c. School Psychologists and Occupational/Physical Therapists**

All School Psychologists and Occupational/Physical Therapists will receive a \$1,200 salary increase from the original amount of \$650. This salary increase under the Teacher Salary Increase Allocation is retroactive to July 1, 2020 for the 2020-2021 school year and will a permanent increase to the current base salary schedule.

**III. Revised Initial Placement for Teacher Pay for Performance Schedule for Teachers Hired/Rehired on and after July 1, 2021**
