Meeting times shall be agreed upon by the negotiating teams as may be necessary to complete negotiations on matters under consideration. Administration of this Agreement - The Parties agree that the President of the Association and/or his/her designee(s) and the Superintendent and/or his/her designee(s), will develop a schedule to meet at reasonable times and frequency, not less than twice each month, to review problems which may arise out of the administration of this Agreement, or changes in program which call for procedures or policies in conflict with this Agreement. The Association and the Superintendent may, by mutual agreement and in writing, alter or add to the terms of this Agreement via Memoranda of Understanding (MOUs). Waivers of Sections of this Agreement are temporary and are covered elsewhere in this Agreement.

Those employees, therefore, may reapply at any time after their non-reappointment.

ARTICLE I – GENERAL

Section G – Non-Reappointment/Resignation/Reappointment of Employment Contracts

2. Resignation - In the event any employee resigns, he/she may reapply after a minimum of sixty (60) days have lapsed since the effective date of his/her resignation. If an employee resigns while on a School or District Assistance Plan or has been recommended by letter to be placed on a School or District Assistance Plan, if rehired, the employee shall be placed on that School or District Assistance Plan.
 - a. If after one formal, one informal and one walk-through evaluation observations have been completed by a different Marzano-certified observer, and the employee's new Principal/Director has reviewed sufficient data to determine if the School Plan is or is no longer appropriate, the School Assistance Plan may be terminated by the employee's new Principal/Director.
 - b. If after one formal, one informal and one walk-through evaluation observations have been completed by a different Marzano-certified observer, and the District's Assistant Superintendent for Professional Growth or designee has reviewed sufficient data to determine if the District Plan is or is no longer appropriate, the District Assistance Plan may be terminated by the Assistant Superintendent for Professional Growth or designee.
3. Reappointment
 - a. If the employee has successfully completed his/her probationary contract and at least two (2) subsequent and consecutive annual contracts with the District, he/she shall be issued another annual contract, if he/she:
 - I. Holds an active professional certificate issued pursuant to Florida Statute §1012.56 and rules out the State Board of Education;
 - II. Received a rating of "Effective" or "Highly Effective" on his/her most recent annual evaluation and has received a rating of "Effective" or "Highly Effective" on the current school year's Instructional Practices portion of his/her annual evaluation;
 - III. Has not received two consecutive annual performance evaluation ratings of "Unsatisfactory", two annual performance ratings of "Unsatisfactory" within a three (3) year period, or three (3) consecutive annual performance evaluation ratings of "Needs Improvement" or a combination of "Needs Improvement" and "Unsatisfactory"; and
 - IV. Is not currently the subject of a criminal investigation.
 - b. Notwithstanding 3 a. above, if any annual contract employee who meets the eligibility requirements to be issued another annual contract whose Principal or Director intends to recommend non-reappointment, both the Area/Regional Superintendent and the Chief Academic Officer shall be notified and shall confer with the Principal. Such recommendation of non-reappointment may not be forwarded to the Superintendent unless the Principal has conferred in advance with both the Area/Regional Superintendent and the Chief Academic Officer. In the case a Director intends to recommend non-reappointment, the Chief of Human Resources or his/her designee shall be notified and shall confer with the Director. Such recommendation of non-reappointment may not be forwarded to the Superintendent unless the Director has conferred in advance with the Chief of Human Resources or designee.

ARTICLE I – GENERAL

Section G – Non-Reappointment/Resignation/Reappointment of Employment Contracts

The Parties agree to delete Appendix T and put it in Article 1, Section G

Should relevant provisions of Fla. Stat. §1012 relating to employment contracts be repealed or found void by a court of competent jurisdiction, Sections 4 and 5 below will be void and considered repealed likewise.

4 ANNUAL CONTRACTS

- a. Effective July 1, 2011 and pursuant to Fla. Stat. §1012.335, all employees defined as instructional personnel (excluding substitute teachers) hired by the District after that date will be issued annual contracts, which is defined as an employment contract for a period of no longer than one (1) school year. The initial annual contract will be a probationary contract during which the employee may be dismissed during its term without cause or may be resigned by the employee without it being considered a breach of that probationary annual contract. A probationary annual contract will be issued by the District regardless of previous employment in another school district in or not in Florida. In addition, the District may issue a probationary annual contract if it elects to employ a previous employee of the District who has had a break in service with the District not covered by an authorized leave of absence.
- b. Upon the completion of a probationary annual contract or any annual contract, the District may elect to non-reappoint the employee (i.e. not offer the employee another annual contract which may be done without cause) or to offer the employee another annual contract. However, if the annual contract employee has received two (2) consecutive annual evaluation performance ratings of unsatisfactory, two (2) annual performance evaluation ratings of unsatisfactory within a three-year period, or three (3) consecutive annual performance ratings of needs improvement or a combination of needs improvement and unsatisfactory, the District will non-reappoint the employee and will not offer that employee another annual contract.
- c. Notwithstanding paragraph b above, any annual contract under which the employee is employed is subject to suspension and/or termination during its term for just cause pursuant to Fla. Stat. §1012.335(2)(c)(5). The annual contract employee whose annual contract is suspended and/or terminated during its term may submit a written request for a hearing before the School Board pursuant to Fla. Stat. §1012.335 (2) (c) (4) within fifteen (15) calendar days of receipt of the District's written notice that the employee's annual contract is being suspended and/or terminated and stating the reasons for such suspension and/or termination. It is understood that an employee's annual contract may be non-reappointed without cause even if that employee's annual contract has been suspended and/or terminated and such actions have been appealed. Unless employed under a probationary annual contract, an employee who accepts the District's written offer of employment and who leaves his/her position without prior written release from the District is subject to the jurisdiction of Florida's Education Practices Commission.

ARTICLE I – GENERAL

Section G – Non-Reappointment/Resignation/Reappointment of Employment Contracts

- d. In addition, in order to be employed, re-employed or to remain employed by the District, the individual must hold an active professional certificate or temporary certificate issued pursuant to Fla. Stat. §1012.56 and rules of the State Board of Education. Any pending new employee must be cleared for hire by the District’s Human Resources Division before the District will be able to pay the employee. To that end, the District will not suffer the employee to work as an instructional employee until he/she is so cleared. Notwithstanding the previous two (2) sentences, the District may require the employee to attend New Employee Orientation (NEO) meetings as a precondition of employment and pay the employee an hourly rate of pay determined by the District for attending such NEO meetings.
5. Continuing Contracts and Professional Service Contracts:
 - a. The District will continue to recognize Continuing Contracts of its employees who were issued these contracts without a break in employment since being issued by the District prior to July 1, 1984; and will continue to recognize Professional Service Contracts (PSC) of employees who were issued these contracts without a break in service/employment as a teacher since being issued by the District on or after July 1, 1984, but before July 1, 2011.
 - b. A Continuing Contract (CC) is subject to termination pursuant to applicable Florida Statutes.
 - c. A Professional Service Contract (PSC) will be renewed each year unless pursuant to Florida Statute §1012.34 there is just cause to terminate the employee’s PSC at any time based on just cause which includes, but is not limited to, the following instances, as defined by rule of the State Board of Education: immorality, misconduct in office, incompetency, two (2) consecutive annual performance evaluation ratings of unsatisfactory, two (2) annual performance evaluation ratings of unsatisfactory within a three-year period, three (3) consecutive annual performance evaluation ratings of needs improvement or a combination of needs improvement and unsatisfactory, gross insubordination, willful neglect of duty, or being convicted or found guilty of, or entering a plea of guilty to, regardless of adjudication of guilt, any crime involving moral turpitude.
 - d. An employee holding a Professional Service Contract (PSC) or a Continuing Contract (CC) who opts to be paid based on the performance pay salary schedule instead of staying on the grandfathered salary schedule, will have to relinquish his/her PSC or CC contract and must agree to be employed under an annual contract. An employee holding either a PSC or CC contract who opts to being employed under an annual contract shall be paid from the performance salary schedule; may not return to Continuing Contract or Professional Service Contract status and may not return to being paid from the grandfathered salary schedule. Note: As long as the parties agree to adjust the annual base salaries of similarly classified employees holding PSC or CC by one (\$1) dollar less on the grandfathered salary schedule than the salary adjustment they would be paid on the performance pay salary schedule as set forth elsewhere in this Agreement, it would not be prudent for an employee employed under either a PSC or CC to opt to being paid from the performance pay salary schedule by agreeing to forfeit his/her PSC or CC.

ARTICLE II- RIGHTS AND RESPONSIBILITIES

Section A - Responsibilities

1. Employees are expected to serve on school committees, self-evaluation and accreditation committees, attend meetings, workshops, open houses and teacher-parent conferences and to otherwise assist in the smooth functioning of a school center in compliance with Fla. Sta. §1012.53 dealing with the duties of instructional personnel. Such service shall be voluntary if it would require an employee to give-up part or all of his/her planning period during the workday or to work hours outside the contractual day except as provided in Article II, Section S or in Article III.
2. Employees shall assume reasonable responsibility for the safe return of all school property placed in their care. Nothing herein shall be construed to require unreasonable record keeping or unreasonable accountability, particularly where students use and may damage equipment, when adequately secure storage is not available, where several persons may utilize the same room, and similar circumstances. Any charge made for lost or damaged items shall be at appropriate depreciated value. Accidental damage or theft shall be excluded from charges. Any employee who believes he or she is charged for an item unjustly may appeal the charge through the grievance procedure of this Agreement.
3. Employees shall use diagnostic test results and other pertinent data and information as a basis for decision-making relative to school-wide improvement activities as well as to assist in planning the instructional program.

5. Employees shall normally restrict their use of the school's telephone. Only in an emergency or a need situation shall they make or receive telephone calls while in charge of students. After consulting with the school's Employee Building Council (EBC) the Principal shall designate telephones and lines that may be used by employees.
6. Employees shall be permitted, when they are not scheduled for a prior specific activity, to leave school at the time their students do in order to keep necessary medical/dental appointments, or other appointments approved by the Principal. Prior arrangements shall be made with the Principal. This provision shall be used by employees only when other arrangements are not practicable or not possible. The Principal will act in a fair and reasonable manner when granting or denying permission for employees to leave school at the time their students leave.

ARTICLE II - RIGHTS AND RESPONSIBILITIES

Section A - Responsibilities (cont'd)

In either case, any mark/grade change requires two (2) signatures on a form indicating the change and the reason for the change. If initiated by an employee, approval of the Principal must be obtained. If initiated by the Principal, approval of the employee or the Area Superintendent must be obtained. All such documents placed in the employee's file shall be identifiable as to source and a date when the document was received by the filing office. No such materials may be placed in an employee's personnel file unless they have been reduced to writing within forty-five (45) days, exclusive of the summer vacation period, of the District's administration becoming aware of the facts reflected in the materials. No item can be used against or to the detriment of an employee unless it is a part of his/her personnel file.
2. An employee may, after receipt of such filed document, file a statement of reaction to that item. The employee shall provide a copy to the personnel office, and such copy shall be placed in the employee's personnel file. The Personnel Department shall acknowledge in writing receipt of such statement of reaction. Any statement of reaction shall be affixed to the original item in the employee's personnel file.
3. An employee at any reasonable time may examine his/her personnel file. An administrator or designee must be present when the file is reviewed. An employee may request and receive at District expense a reproduction of any item in his/her personnel file that does not contain the employee's signature. An employee may request and receive at the employee's expense (in accordance with Florida State Statute, Chapter 119), a reproduction of any item in his/her personnel file that contains the employee's signature.
4. The employee may request that a representative of the Association accompany him/her at any time the file is being reviewed by the employee. On written and signed authorization, the employee may permit any designated person to examine the file without the employee being present.

ARTICLE II - RIGHTS AND RESPONSIBILITIES

Section B - Personnel Files (cont'd)

5. Unless an employee leaves without notice, no documents or other material may be added to an employee's personnel file after the last day of employment, except for regularly required forms and records that might be connected with termination.
6. The placement of any item in the personnel file of an employee which violates this Agreement or which is incomplete or inaccurate shall be subject to the Grievance Procedure of this Agreement to have an attachment affixed to such item that makes the item complete and accurate, or that explains that the document is invalid.
7. An employee shall be notified in writing each time someone seeks any personnel information concerning such employee that is not of a routine administrative nature. The notification shall include who requested the information, what information was requested and when the request was made.

Section C - Employee Facilities

Each school shall have, or shall have on priority one (1) requisition, the following equipment and facilities:

1. A bookshelf or cabinet in each classroom or office for the exclusive use of each employee, where employees may store instructional materials and supplies.
2. A furnished room which shall be reserved for the use of employees as a faculty lounge. Although employees shall be expected to exercise reasonable care in maintaining the appearance and cleanliness of said lounge, it shall be regularly cleaned by the school's custodial staff.

4. A serviceable desk, chair and filing cabinet in each regular classroom.

ARTICLE II - RIGHTS AND RESPONSIBILITIES

Section C - Employee Facilities (cont'd)

9. It is the intent of the Board to minimize, where possible, employees being given floating assignments. All floating assignments will be reviewed by the Principal and Employee Building Council annually. Each floating employee (employee with no exclusively assigned regular classroom) shall be provided a desk, file cabinet, and suitable storage space.
10. A photocopying machine(s) will be available for the educational use of the employees covered by this Agreement at each school. Employees will be permitted to use said machine(s) to provide sufficient copies of materials as may be determined by the employee to be adequate for their classes/students and professional use. The building Principal has the authority to monitor the number of copies being made by an employee and to investigate whether or not an employee is abusing this provision. If an abuse is determined, the Principal may take actions to curtail such abuse.
11. The Parties further agree that it is their mutual goal to have a working computer (desk top or otherwise) for the use of each bargaining unit employee and further that each such computer will be able to be connected by hard wire or otherwise to the District's computer network with the understanding there will always be some situations, due primarily to the need to reassign students or other student enrollment requirements, that may prohibit full implementation of this goal.

Section D - Vending Machines in Employees' Lounges

At a faculty meeting during the preschool period, a majority of employees shall determine the purposes for which any profits from vending machines in employee's lounges and workrooms will be spent. An accounting of such funds shall be provided to the school's EBC. Employees may be expected to maintain such machines.

Section E - Payroll Deductions

1. The Board and the Association agree that payroll deduction services, which are within the control of the Board/District and accruing to employees, shall continue through this Agreement. The specific deduction types are: Credit Union, Tax Sheltered Annuities, Health Insurance, United Way, Income (Disability) Protection, additional Life Insurance, Dental Insurance, Vision Insurance and any IRS Section 125 plan(s) which may be agreed to by the Parties.

ARTICLE II - RIGHTS AND RESPONSIBILITIES

Section E - Payroll Deductions (cont'd)

4. Payroll deductions for child support or for other court-ordered reasons shall be deducted when mandated by the appropriate legal authority.
5. In the event the District has mistakenly overpaid an employee, such overpayment shall be brought to the attention of the employee. In no case shall the amount to be paid back in any one paycheck be less than \$25.00 unless the total overpayment was less than \$25.00.

Normally the payback time shall be equal to the time the overpayment error occurred, unless a large amount is involved in which case the Parties shall mutually agree to a reasonable payback plan. If no mutual agreement can be reached, the District may institute a reasonable payback plan. As used in this paragraph, the word "reasonable" may be grieved through the grievance procedure of this Agreement starting at Step Two.

Section F - Employee Authority and Protection

1. Discipline is the responsibility of all administrators, employees, and other personnel in the school. The Board recognizes its responsibilities to give support and assistance to employees with respect to the maintenance of control and discipline in the classroom.
2. Student discipline is based upon the premise that students must adhere to the Student Code of Conduct of their respective school, to conform to other regular and special rules, regulations and established routines of the school, and to comply with reasonable instructions from all employees.
3. The Student Code of Conduct and disciplinary procedure shall be provided to all employees during the preschool period by school center Principals.
4. Employees and administrators jointly assume the responsibility for taking a positive approach to discipline and to maintain constructive class/student control. An employee may impose prudent class/student discipline consistent with the school's Student Code of Conduct and disciplinary procedure and may take other prudent actions as may be necessary to protect himself/herself from attack or to prevent injury to another student. Any discipline imposed by an employee must be consistent with Board Policy and State and Federal Law.

ARTICLE II - RIGHTS AND RESPONSIBILITIES

Section F - Employee Authority and Protection (cont'd)

5. Employees and other school authorities will endeavor to achieve correction of student misbehavior through counseling, interviews, and conferences, which, when warranted, shall be extended to include the student's parents or guardians.
6. In order to facilitate better coordination between the Principal and the employee regarding disciplinary action taken by the employee and the Principal, each school shall use a Student Conduct Report. The employee shall use this report to maintain an adequate record of class/student discipline. The Principal shall use this report to advise the employee of the action taken. When completed, the Student Conduct Report will show all information relative to the discipline problem including its disposition. In those cases where the employee feels that a parent/guardian conference would be helpful prior to final disposition of a discipline case, the employee will so note on the Student Conduct Report. If the Principal concurs, the Principal shall schedule the requested conference as soon as feasible. If the Principal does not concur, the Principal will consult with the employee before the final disposition.
7. a. An employee may temporarily exclude a student from his/her supervision when the severity of the offense, the persistence of the misbehavior, or the disruptive effect of the behavior makes the continued presence of the student intolerable. Such student shall be sent to the Principal. In such cases, the employee shall furnish in writing to the Principal as promptly as his/her duties will allow, but no later than the end of the workday, full particulars on the problem or incident including a request for an employee/Principal consultation regarding the date and conditions of the student's return, if the employee deems such consultation to be in the best interests of the student or class. If consultation is requested by an employee, a conference shall be held prior to the student's return to the classroom. The final determination of when and under what conditions the student will be readmitted to the classroom shall be determined by the Principal after the foregoing conditions have been met. An exception to this provision may occur at an elementary school when an alternative procedure is mutually determined by the Principal and the EBC.
- b. The Parties agree to conform to Florida Statute §1003.32 (4), (5), and (6), with regards to an employee's authority to remove a student(s) from his/her classroom as follows:
 - (1) An employee may remove from his/her class a student who has been documented by the employee to repeatedly interfere with the employee's ability to communicate effectively with the students in his/her class or with the ability of the student's classmates to learn; or whose behavior the employee determines is so unruly, disruptive, or abusive that it seriously interferes with the employee's ability to communicate effectively with the students in the class or with the ability of the student's classmates to learn.

ARTICLE II - RIGHTS AND RESPONSIBILITIES

Section F - Employee Authority and Protection (cont'd)

- (2) If an employee removes a student from his/her class under subsection 7 b (1) above, the Principal may place the student in another appropriate classroom, in in-school suspension, in a dropout prevention and academic intervention or in another available program. The Principal may also recommend the student for out-of-school suspension or expulsion, as appropriate. The student may be prohibited from attending or participating in school-sponsored or school-related activities. The Principal may not return the student to that employee's class without the employee's consent unless the placement review committee established below or the student's IEP Committee (see paragraph (3) below) determines that such a placement is the best or only available alternative; or if an appeal of the placement review or IEP committee's decision, as outlined below, subsequently results in the return of the student to the employee's classroom.
- (a) Any employee who removes 25 percent of his or her total class enrollment shall be required to complete professional development to improve classroom management skills.
- (b) Each school shall establish a placement review committee to determine placement of a student when an employee withholds consent to the return of a student to the employee's class. The placement review committee membership must include at least the following, except as provided in (3) below:

Where an EBC does not exist, through a secret ballot vote conducted by the Lead CTA Faculty Representative at that school. It is recommended that a first and second alternate also be elected at the same time by the school's faculty in the event the elected employee is unable to serve or if the elected employee is the employee who has removed the student.

The placement review committee must render a decision with five (5) workdays of the removal of the student from the employee's classroom. The first day of this five-day period will be the first workday immediately following the day the student was removed by the employee.

ARTICLE II - RIGHTS AND RESPONSIBILITIES

Section F - Employee Authority and Protection (cont'd)

- (c) The employee who withheld consent to readmit the student may not serve on the Committee. The employee who removed the student will promptly select an employee at that school to serve as a member of the placement review committee and shall make himself/herself available to attend the placement review committee meeting should the committee request the employee to attend a portion of the meeting to provide additional rationale and clarification of the reason(s) he/she removed the student and why the student should not be returned to his/her class.
 - (d) If the placement review committee's decision is contrary to the decision of the employee who removed the student, within forty-eight (48) hours of the committee's decision the employee may appeal the decision in writing to the Superintendent or his/her designee. The Superintendent's designee may not be the employee's Principal. The appealing employee will meet with the Superintendent or designee within forty-eight (48) hours of the appeal to review the record. The decision of the Superintendent or designee shall be final and without further appeal through the Grievance Procedure or other means.
 - (e) If the placement review committee's decision is not to return the student to the employee's classroom or if the appeal to the Superintendent/designee results in overturning the committee's decision to return the student to the employee's classroom, the Principal will make an alternative assignment of that student.
- (3) Notwithstanding 7 b (2) above, for an ESE student who is removed from an employee's classroom, the ESE student's IEP committee will substitute itself for and become the placement review committee if the services rendered by the removing employee are a part of the student's IEP and no other employee assigned to that school is eligible/available to render these ESE services as determined by the Principal. Otherwise, the placement review committee established by 7 b (2) above will meet to make its decision.
8. Any case of assault upon an employee which occurs in the line of duty shall be promptly reported to the Principal. The Board shall provide legal advice to the employee concerning his/her rights and obligations with respect to such assault and shall render all reasonable assistance to the employee in connection with the handling of the incident by law enforcement and judicial authorities. In such event, the following shall apply:
- a. In case of temporary disability, the employee shall have full benefit of this Agreement, and any days lost up to the first twenty (20) days due to the resultant disability shall not be deducted from any previously accumulated sick leave.

ARTICLE II - RIGHTS AND RESPONSIBILITIES

Section F - Employee Authority and Protection (cont'd)

 - c. In case of injury to the employee, the Board will pay all medical and dental costs above that covered by all insurance covering the employee, whether personal or paid by the Board. The injured employee shall fully cooperate with the Board in the determination of the amount of any claim. Board liability for each individual case shall not exceed a cumulative total of \$5,000.
 - d. 9. a. No action shall be taken against an employee on the basis of a complaint by a parent/guardian or student or other individual, nor shall any notice thereof be included in an employee's personnel file, unless the matter is first reported to the employee in writing. The employee shall have the right to attach a statement to the written complaint. Before any complaint is determined to be valid, it will be discussed with the employee in a conference. Once the investigation has been conducted, the employee shall be advised of any valid complaint.
- b. Without the consent of the employee and the Association, no action shall be taken against the employee on the basis of a complaint made against an employee without first following the procedures set forth above.
10. a. (1) Clothing: The District will reimburse an employee for clothing which is damaged, destroyed or stolen as a result of an assault provided the employee is acting in the discharge of his/her duties and within the scope of his/her employment when the assault occurred;
- (2) Personal Property: The District will reimburse an employee for personal property which is damaged, vandalized, stolen or destroyed as a result of an assault which occurs while the employee is acting in the discharge of his/her duties and within the scope of his/her employment. An employee must demonstrate to the District's satisfaction that the property or other educational sites as approved by the administration in question was on school property for educational purposes.  - b. The maximum total liability of the Board pursuant to Section 10(a)(1), (2) and (3), above, will be eight hundred dollars (\$800.00) per occurrence, less any amount reimbursable by insurance. The maximum total liability of the Board pursuant to Section 10(a) (1), (2), and (3) will be thirty-five thousand dollars (\$35,000) per school year (July 1 - June 30).

 - a. The employee returns to work, or
 - b. The Workers' Compensation claim is settled, or
 - c. The employee is placed on permanent disability.

ARTICLE II - RIGHTS AND RESPONSIBILITIES

Section G - Employee Evaluation

1. PURPOSE AND OVERVIEW

The agreements contained in this Section are fluid and will be revised and reviewed continuously by the Parties based on data and revisions to Florida Statutes. There is a recognition that the current statutory requirements (Fla. Stat. §1012.34) attempt to link student learning growth and instructional practices in the evaluation process. The Parties agree that the primary purpose of the Classroom Teacher Evaluation System (CTES) is to provide employees with a framework to improve instruction and provide opportunities for professional growth and ultimately to improve student achievement. For professional growth, the system must provide prompt and regular exchanges between the employees and the evaluator.

There are multiple components to an employee's evaluation. The CTES outlines the process for the improvement of instruction as well as the review and assessment of the annual performance of an employee. The system is developed to:

- Support effective instruction and student achievement used to help develop continuous school improvement.
- Provide instruments, procedures, and criteria for improvement of professional skills and the identification of opportunities for professional development.
- Include, but are not limited to, mechanisms to examine performance data from multiple sources agreed to by the Parties. These mechanisms may come from various sources: district, school, student and School Effectiveness Questionnaire (SEQ) data.
- Identify assignments for which special evaluation procedures and criteria will be developed.
- Develop differentiation among state levels of performance: Highly Effective, Effective, Needs Improvement (Developing for employees in first three years of employment) and Unsatisfactory.
- Provide certification and training for all observers.
- Provide training for all employees.
- Improve the level of instruction and student learning.

ARTICLE II - RIGHTS AND RESPONSIBILITIES

Section G - Employee Evaluation (cont'd)

3. GENERAL PROCEDURES

Annually, all employees will be evaluated using the Classroom Teachers Evaluation System (CTES), which is comprised of the following components: a final assessment of instructional practice, student learning growth, and/or other agreed upon measures. The specific percentage of each portion will be mutually agreed to each year. In addition, Category 1A employees will be evaluated twice. Each employee will receive an overall combined rating of Highly Effective, Effective, Needs Improvement (Category 2) or Developing (Category 1A or 1B), or Unsatisfactory based upon the combined ratings accrued on the agreed upon components.

Category 1A employee (first year in the District) who are required to participate in the Employee Support Program (ESP) will be observed/evaluated to verify his/her competency according to the ESP guidelines and the CTES evaluation criteria.

No administrator shall discuss any matter relating to the evaluation of any employee in the presence of students, parents, or employees not directly affected by or involved in the evaluation of that employee.

When an employee is assigned to an out-of-field position, the evaluator shall note on the evaluation that the employee is in an out-of-field assignment.

The District shall work with affected employees to make improvements in all identified areas of concerns that are notated as Needs Improvement or Unsatisfactory in the instructional practice portion.

All employees will be notified where he/she can access and view, on the District's website, a copy of the CTES Evaluation Handbook prior to initiating the evaluation process. A minimum of 2 hardcopies at each school site shall be available. All new employees shall receive an introductory training prior to any initiation of the evaluation process.

The evaluation process will comply with the Collective Bargaining Agreement and follow the agreed to Classroom Teachers Evaluation System (CTES), which is incorporated in and made a part of this Agreement by reference. The CTES Handbook may only be changed by mutual agreement of the Parties. Only the materials contained in the Evaluation Handbook may be used for employee evaluations. No one may develop additional supplemental materials for the evaluation of employees unless mutually agreed upon by the Parties. The provisions of the new CTES Handbook are subject to the Grievance Procedure in Article VII and Article II, Section G of this Agreement.

ARTICLE II - RIGHTS AND RESPONSIBILITIES

Section G - Employee Evaluation (cont'd)

4. STUDENT LEARNING GROWTH

Student performance is an important component of the evaluation of employees in Palm Beach County. All employees' evaluations will use student learning growth scores approved by the State. The scores will include state-mandated assessments and other assessments agreed upon by the Parties based on students assigned to the teacher, school, or district. The resulting scores will be converted to percentile rankings of all employees within the State. The District will use the following scale to determine the teacher's student learning growth rating:

| | |
|---|---------|
| ➡ Highly Effective | 87-100% |
| ➡ Effective | 15-86% |
| ➡ Needs Improvement/Developing – Cat. 1A and 1B | 2-14% |
| ➡ Unsatisfactory | 0-1% |

Other Achievement Measures: If other State approved measures, as defined in Fla. Stat. §1012.34: Section 7 are utilized, rating information will be determined, negotiated, and distributed by the District. The Parties agree that no data collected prior to the school year 2011 -2012 will be used in this process.

The student learning growth scores are linked to employees from the October and February FTE count survey. Therefore, it is of great importance that when asked to verify student rosters for both of these FTE count surveys, that each employee be diligent in verifying who is and who is not a student enrolled in his/her class(es) during both FTE count surveys. The teacher will review the list and verify its accuracy by their signature. The teacher may appeal to the principal to have any student added or removed from the list based on the criteria outlined in current District Policy.

5. INSTRUCTIONAL PRACTICE PROCEDURES

The Instructional Practice portion of the evaluation may include conversations, coaching, conferences, observations, deliberate practice, and evidence.

The Parties agree that the primary purpose of the Instructional Practice portion is to improve instruction. Therefore, the Parties have agreed to use the Marzano Evaluation Model. The Model will be used as a coaching and evaluation tool to assist the employee and District to identify employee strengths and weaknesses so that appropriate professional development may be offered.

Only observations conducted by Marzano certified administrative personnel acting in a direct supervisory capacity, or certified Marzano trainers, shall be included in the Instructional Practice portion of the employee's evaluation. No CTA bargaining unit member shall evaluate another member of the CTA bargaining unit.

ARTICLE II - RIGHTS AND RESPONSIBILITIES

Section G - Employee Evaluation (cont'd)

This provision does not prohibit an employee from voluntarily agreeing to have another employee go through a practice observation exercise with them. Such practice exercises are not required, but are encouraged. No practice observation(s) will be used by the District to evaluate any employee participating in a practice observation exercise.

Each employee will be observed during the school year by his/her observer the number of times set forth in the CTES Handbook. Walk-through and Informal observations may be announced or unannounced. A formal observation must be announced, and the employee must be notified of the week of the formal observation. Notification will be made no later than the last workday of the preceding week.

These observations will consist of walk-throughs, Informals, and Formals. If the results count towards the Instructional Practice portion of the evaluation, the data-marks must be entered into iObservation and notification of the rating(s) must be provided to the employees within ten (10) workdays after the observation.

- Walk-through observations are 5-9 minutes in length.
- Informal observations are 10-29 minutes in length
- Formal observations are 30-55 minutes in length or may last until the completion of a lesson.

A pre-conference may be requested for an announced informal observation at the request of either the employee or the observer. A pre-conference must be held prior to any formal observation. A pre-conference may be held as a face-to-face meeting, in an electronic format, or as the submission of lesson plans. In addition, prior to conducting any formal observation of a Category 1A employee, a face-to-face pre-conference must be held.

A post-conference is required after a formal observation. This conference must take place within 10 working days after the formal observation. The post-conference may be held as a face-to-face meeting or in an electronic format.

For all categories of employees, prior to "Not Using" being marked, a conversation (either electronic or face-to-face) between the observer and the employee must take place.

As a result of an observation, if an observer rates any employee "Beginning" or "Not Using" in any element, the observer will make available to the employee written or electronic feedback with specific recommendation(s) for improvement within ten (10) workdays.

Additionally, all elements marked as "Beginning" or "Not Using" must be observed on at least one additional occasion (after improvement strategies were provided) in a given school year to observe if there was improvement. The second observation should occur no sooner than two (2) weeks after the improvement strategies were made available.

ARTICLE II - RIGHTS AND RESPONSIBILITIES

Section G - Employee Evaluation (cont'd)

If the ratings in the preceding paragraph occur after all required observations have been completed for any school year, the observer will make every effort to conduct one additional announced targeted observation after the specific recommendation(s) have been provided to the employee.

Each employee shall receive his/her final Instructional Practice portion of his/her evaluation, at least ten (10) workdays prior to the employee's last regular duty day of the school year. If a Category 1A employee is employed prior to November 1st, he/she shall receive notification of his/her first Instructional Practice portion of his/her evaluation prior to the end of January. Additionally, Category 1A employees shall receive their second Instructional Practice portion of their evaluation with all other employees. For employees who are non-reappointed, they shall receive the Instructional Practice portion of the evaluation at that time.

After notification of the Instructional Practice portion, the employee shall electronically sign the completed iObservation form to acknowledge that it has been received/reviewed. This signature does not indicate agreement with the Instructional Practices portion of the employee's evaluation.

If the employee is absent from the worksite during the timelines allotted in this agreement for receipt of the Instructional Practices portion of the evaluation, the employee will receive notification of the Instructional Practices portion of his/her Evaluation immediately upon his/her return to the worksite. If the employee does not return to the worksite prior to the end of school year, the Principal/Director will mail the final Instructional Practices portion to the employee's most recent home mailing address on file with the District by U. S. Certified Mail.

The employee shall have the right to initiate an electronic response in iObservation for any observation.

6. SCHOOL-BASED PLANS

The School-Based Plan is an intervention based on classroom performance observations.

After a minimum of one (1) walkthrough, one (1) informal, and one (1) formal observation, and the Instructional Practices portion is rated at Needs Improvement or Unsatisfactory, a comprehensive review of observed elements must take place and a School-Based Plan may be initiated for Category 2 employees. Category 1B employees may be placed on a plan at the discretion of the principal when their instructional practices portion is rated as Developing or Unsatisfactory.

A comprehensive review of observed elements must be conducted to ensure that all the elements rated as "Beginning" or "Not Using" was observed at least twice with improvement strategies provided. If this review determines that at least three (3) elements/areas of concerns in Domain One and Two were identified that meet the above criteria, then a School-Based Plan will be initiated.

If after a comprehensive review was conducted and elements scored as "Beginning" or "Not Using" were not observed twice or improvement strategies were not provided, another formal observation(s) must be conducted to determine if the element(s) are still an area(s) of concern. If after the observation(s), it

ARTICLE II - RIGHTS AND RESPONSIBILITIES

Section G - Employee Evaluation (cont'd)

is determined that the three (3) areas of concern still exist and the overall Instructional Practice Rating remains "Needs Improvement" or "Unsatisfactory" then a School-Based Plan will be initiated.

Prior to the initiation of a school-based plan the employee may, at his/her discretion, request that an independent observation be conducted. The employee must make the request to the Office of Performance Standards. The Office of Performance Standards will assign an observer with similar background or experience.

School-based plans must be initiated within thirty (30) days of the deficiency being noted and shall and shall be provided for a minimum of sixty (60) calendar days. School Board approved teacher holidays shall not be counted as a calendar day.

Once it is determined that a School-Based Plan shall be initiated, the employee shall receive notification, in writing, of his/her current Instructional Practices Rating and the areas of concern. This notice shall be provided to the employee five (5) days in advance of the initial School-Based Plan meeting. The school-based plan will be collaboratively developed by a committee consisting of the employee, the administrator, the employee's representative, and the Performance Standards representative.

The plan shall include one goal for each element of concern and two improvement strategies for reaching that goal. Throughout the duration of this plan, additional observations and meetings will occur. Further guidelines for the process are located in the CTES in Section 5: Plans.

At the conclusion of the School-Based Plan, the Instructional Practice Rating will be reviewed and if the overall Instructional Practice Rating is "Effective" or "Highly Effective", the School-Based Plan will terminate and no further action will be taken.

When the Instructional Practice rating does not reach "Effective" or higher, the employee will remain on the School-Based Plan.

7. INSTRUCTIONAL PRACTICES REVIEW PROCESS

Instructional Practices Review - Individual Observations

The purpose of the Instructional Practices Review Committee (IPRC) is to provide an alternative process for resolving issues that arise from individual observations. The IPRC shall consist of three members appointed by the Joint Evaluation Negotiations Committee (JENC).

When an element is scored as "Not Using" or "Beginning" and the affected employee has documented evidence that the score was given in error (not the professional judgment or conclusions of the observer), the employee may request a meeting in writing with his/her observer within ten (10) days of the date the data-marks were finalized into iObservation. Along with the request for this meeting, the employee will provide his/her documented evidence to his/her observer supporting why the rating was given in error. The meeting between the employee and his/her observer will be conducted within five

ARTICLE II - RIGHTS AND RESPONSIBILITIES

Section G - Employee Evaluation (cont'd)

(5) days of the observer receiving the request for such meeting. Within five (5) days of the meeting, the employee shall be notified in writing of the decision of the observer. If the observer concurs, the rating(s) in dispute will be changed in iObservation at the worksite. If the observer does not concur, the employee may appeal to the Principal, if the Principal was not the original observer. If the Principal/Observer does not concur, the employee may forward a request for an appeal to the Instructional Practices Review Committee (IPRC) within ten (10) workdays following the notification of the decision and include all documentation with that request. The decision of the IPRC shall be final.

8. INSTRUCTIONAL PRACTICES PORTION EXPEDITED GRIEVANCE PROCESS - FINAL OVERALL RATING

When the overall end-of-year rating for an employee on his/her Instructional Practices portion of his/her final annual evaluation is "Needs Improvement" or "Unsatisfactory," the affected employee may grieve his/her final Instructional Practices Rating using an expedited grievance procedure. This process shall be based upon violations of the procedures, criteria, forms, or a misinterpretation of the Marzano Protocol Scales as contained or referred to herein and/or contained in the CTES Handbook. It is understood that the professional judgments and conclusions of the observer/evaluator may not be grieved through this process.

Any grievance filed pursuant to this Section will follow the procedures set forth in Article VII of the Agreement; however to expedite the process, the following timelines and alterations to the procedures will be followed:

Until the grievance is resolved or withdrawn, all documents pertaining to the Instructional Practices portion will be held in the Department of Professional Development and not placed in the employee's personnel file or entered into PeopleSoft.

No informal grievance meetings need be conducted.

Unless there is mutual written agreement to extend these time lines by the Association and the Area Superintendent, a Step One grievance shall be filed using the a Grievance Report form (see Appendix I) with the appropriate Area Superintendent, within seven (7) calendar days (excluding weekends and holidays) of notification to the employee from the Principal/Director that his/her final Instructional Practices Rating is available. The Parties will meet within five (5) calendar days of receipt of the grievance on a mutually agreed upon date. The Area Superintendent shall provide a written response to the grievance within five (5) calendar days of this meeting to the grievant and to the Association.

Unless there is mutual written agreement to extend these time lines by the Association and the Department of Labor Relations, if the grievant is not satisfied with the response at Step One, he/she may within five (5) calendar days of receipt the Step One response, file his/her grievance at Step Two with the Department of Labor Relations. The Parties will meet within five (5) calendar days of receipt of the grievance on a mutually agreed upon date. The Department of Labor Relations shall provide a written response to the grievance within five (5) calendar days of this meeting to the grievant and to the Association.

ARTICLE II - RIGHTS AND RESPONSIBILITIES

Section G - Employee Evaluation (cont'd)

Unless there is mutual agreement to extend these time lines by the Association and the Department of Labor Relations, the Association may appeal the grievance to Step Three as soon as possible, but not later than ten (10) calendar days of receipt of the Step Two response.

The Parties agree to establish a panel of mutually agreed upon and available arbitrators to hear these grievances. There shall be oral closing arguments only and the arbitrator shall submit his/her binding award as soon as possible, but no longer than fifteen (15) calendar days following the close of the hearing.

9. FINAL EVALUATION

All employees, other than 1A employees, who are not on active duty for a minimum of ninety-nine (99) contract duty days during the school year, will be reported as "Not Evaluated". Category 1A employees, who are not on active duty for a minimum of seventy-five (75) contract duty days during the school year, will be reported as "Not Evaluated".

Upon receipt of the student learning growth data, said data shall be combined with the Instructional Practices portion of each employee's evaluation in PeopleSoft and the Principal/Director shall notify the employee that his/her evaluation is ready for review and signature. A conference may be initiated by the employee or the Principal/Director to review the Overall Final Evaluation. A conference must occur if the overall Final Evaluation rating is "Needs Improvement" or "Unsatisfactory".

Signing the form does not indicate agreement with the evaluation; it only indicates the employee has received a copy of the completed form. If the employee refuses to sign the evaluation form during this evaluation conference, the evaluator will note on the form that the employee refused to sign the evaluation form, and with such notation will be filed, as prescribed by law, in the employee's official personnel file without the employee's signature.

The employee shall have the right to initiate a written response to his/her Final Annual Evaluation that shall be made a part of the employee's official personnel file.

If an employee is assigned to an "out-of-field" position, it shall be noted as such on the final evaluation.

No statement(s) negative or detrimental to the employee may be written on such form unless the statement(s) relate directly to a competency area rated "Needs Improvement" or "Unsatisfactory" on that annual evaluation form. No reference to the employee's participation in the Peer Assistance & Review Program (PAR) shall be written on either the comment section of iObservation or on the final evaluation form.

The use of the term "Peer Assistance & Review (PAR) Program" as used in this Section does not in any way imply that the Parties agree to continue such program in the future.

ARTICLE II - RIGHTS AND RESPONSIBILITIES

Section G - Employee Evaluation (cont'd)

If such employee is not available to electronically sign his/her final annual evaluation, the District will mail the employee's final annual evaluation for that school year to him/her via U.S. Certified Mail to the employee's most recent home mailing address on file with the District. The final annual evaluation will be filed, as prescribed by law, in the employee's official personnel file without the employee's signature. The employee shall have the right to initiate a written response to his/her Final Annual Evaluation that shall be made a part of the employee's official personnel file.

10. DISTRICT-BASED PLAN

If an employee who holds a professional service contract, as provided in 1012.33, is not performing his/her duties in a satisfactory manner pursuant to 1012.34, the evaluator shall notify the employee in writing of such determination. Unsatisfactory performance shall be defined as an overall "Unsatisfactory" evaluation rating for any given school year or if an employee receives a second consecutive overall "Needs Improvement" evaluation rating. A principal, at his/her discretion, may opt to place a Category 2 annual contract employee on a District-Based Plan after consultation with the Office of Performance Standards.

11. COMMITMENT TO CONTINUOUS STUDY AND REVIEW

The Parties agree to continue the "Joint Evaluation Negotiations Committee" (JENC) comprised of six (6) appointees from each Party to meet a minimum of four (4) times per school year to support implementation of the Evaluation System and the CTES Handbook and to recommend changes for the refinement and improvement of the system. By mutual agreement, the committee may meet more often.

All agreed upon changes to the Evaluation System and the CTES Handbook will be submitted to both Parties for approval and ratification; however, JENC is empowered to make amendments to the CTES Handbook and to communicate those amendments via the JENC Newsletter. Such JENC initiated amendments to the CTES Handbook ultimately will be subject to ratification and approval the next time Contract provisions are being ratified and approved by the Parties. The District agrees to provide TDES for the meetings of this joint Committee that are conducted during employee duty time.

Section H - Safety

The District will make reasonable effort to provide and maintain working conditions, which reasonably protect life, safety, and health of employees in the physical plants under control of the School Board. To this end, the Association will cooperate and make a reasonable effort to encourage the employees to work in a safe manner.

Section I - Tuberculin Test

The Board/District shall not require a tuberculin test or negative chest X-ray after initial employment unless tuberculosis is suspected in the employee or there is reason to believe the employee has come in contact with individual(s) with active tuberculosis, in which case the Board/District shall select the physician(s) and shall pay for the costs incurred to determine if the employee has active tuberculosis.

2. Exceptional students enrolled in programs for the emotionally handicapped, severely emotionally handicapped, and autistic, because of the nature of their disability may on occasion experience impaired impulse control of such severity that the use of physical restraint is necessary to prevent such students from inflicting harm to self and/or others. Such planning time, if needed, will be taken after the completion of the after-school student activity. The failure of the employee to take planning time will not be considered a forfeiture of elementary planning time or a violation of this Agreement.
- b. An elementary employee shall not be required to forfeit the lesser of either three (3) planning periods or one hundred thirty-five (135) minutes of his/her planning time per month (September through May) to attend meetings initiated by the administration unless otherwise agreed to by the school's EBC.

Such meetings shall be consecutive with the regular workday. Employees shall not be required to remain longer than ninety (90) minutes per month and not to exceed sixty (60) minutes at any one (1) meeting beyond the regular workday. In elementary schools, the EBC, at its discretion, may conduct a vote of the employees to determine if these faculty meetings will begin during the regular workday or beyond the regular workday for the balance of that school year. If a majority vote to begin these faculty meetings during the regular workday, this may require elementary employees at that school to give up part or all of their planning period on days such meetings begin during the elementary workday. Forfeiture of these planning periods is in addition to the forfeitures set forth in 4 (b) above. In addition to Faculty Meetings as stated above, at the Principal's option, he/she may schedule a faculty meeting on up to two (2) pre-school days as specified in the official School District calendar. Faculty meetings for up to fifty-five (55) minutes may also be scheduled by the Principal during any or all Teacher Work Days/In-Service Days as specified in the official School District Calendar. When scheduling up to two (2) Faculty meetings during pre-school, the Principal will pay particular attention to having such Faculty meetings only when necessary and to keeping such meetings as short as possible so additional duty time may be provided to allow employees to use for their own professional utilization in preparation for the upcoming school year.
- b. Meetings Prior To and On Holidays and Weekends – Except in emergency circumstances a meeting which takes place beyond the employees' duty hours and which requires attendance, shall not be called for or conducted on any day immediately preceding a non-workday or on a non-workday.

The terms of this modified PROGRAM are as follows:

1. Any employee wishing to volunteer to participate in the program shall notify his/her Principal at any time after the effective date of the program.
2. A list of volunteers will be created and maintained at each school. The list of volunteers shall be in order of seniority, i.e. length of continuous service within the bargaining unit.
3. In the event an employee is unable to secure a substitute from the substitute pool after following proper procedures to secure said substitute, volunteers will be asked to substitute on a rotating basis from the seniority list.
4. The employee shall be paid fifteen (\$15) per period and twenty-five dollars (\$25) per block in secondary schools each time he/she substitutes during the term of this agreement. In elementary schools a total of seventy-five dollars (\$75) per day will be apportioned equitably between or among employees covering an absent employee's class in the event the employee is absent for a full day. In the event an elementary employee is absent for a half day, the apportioned amount will be thirty-seven dollars and fifty cents (\$37.50).
5. Upon the recommendation of a Middle School Principal and with the approval of that Middle School's Employee Building Council (EBC), a Middle School may be considered an Elementary School for purposes of this Section of the contract and a total of seventy-five dollars (\$75) per day will be apportioned equitably between or among those Middle School employees covering an absent employee's class in the event the employee is absent for a full day. In the event the Middle School employee is absent for a half day, the apportioned amount will be thirty-seven dollars and fifty cents (\$37.50).
6. Any volunteer may opt out of the seniority rotation at any time or decline to accept a substitute offer. Opting out or declining an offer does not disqualify an employee from opting back in or remaining on the substitute rotation list.
7. In the event no volunteers are available to cover an absent employee's class(es), the Principal may utilize provisions of paragraph 8 below.
8. a. Secondary Schools: Employees who lose their planning time when assigned by their Principal to cover other employee's assignments when a day-to-day substitute cannot be assigned may be given compensatory time or have their planning period restored by the Principal within a two (2) week period or at the first available opportunity, in modules of not less than thirty (30) minutes.

ARTICLE III - WORKING CONDITIONS

Section D - Employees Who Volunteer, Or Who Are Assigned during Their Planning, and/or Covering another Employee's Assignment (cont'd)

- b. Elementary Schools and those Middle Schools whose EBCs have approved their Principal's recommendation to be considered an Elementary School for purposes of this Section: Employees may be assigned additional students by their Principal when an employee is absent and a day-to-day substitute teacher cannot be assigned. Employees who are assigned additional students may be given compensatory time or be granted additional planning time by the Principal within a two (2) week period or at the first available opportunity, in modules of not less than thirty (30) minutes.

2. In each school, the Principal will develop a process for securing substitutes. This process will provide that no employee shall be required to obtain his/her own substitute.
3. The employee will be responsible for the preparation of lesson plans in keeping with Article II, Section U of this Agreement. These lesson plans will set forth the daily lesson plans for the ensuing week and shall be prepared in advance of the first student day of that week. This will allow the employee the weekend and any other non-workdays immediately following a weekend to prepare such plans. The Principal may request such daily lesson plans for the ensuing week no earlier than the morning of the first student day of that week. In the event the employee is absent on the first student day of any week, the special/emergency lesson plans required in Article II, Section U may be used. Such special/emergency lesson plans will be prepared in such a way to enable a substitute to carry out the assignments with continuity in the education program.
4. It is the employee's responsibility to notify the Principal of the time of his/her return to service. If possible, notice should be given prior to the close of the school day before the employee's expected return so the substitute can be notified not to return. If an employee returns to school without providing adequate notice of his/her return, he/she will have deducted from his/her salary any loss suffered by the District for failure to notify the substitute not to report, or the employee may take a day of his/her personal leave.

- b. In compliance with Article III, B, 4, secondary (middle, high, vocational, alternative, special) school employees such as counselors, media specialists, occupational specialists and other non-regular classroom employees in each secondary school will develop in cooperation with their Department Chair (or Team Leader where a Department Chair is not a position in the school) a schedule which allocates planning time to such employees consistent with the amount of planning time classroom teachers are scheduled in that school on a daily basis.
 - c. If the Principal and the employee agree that the workload assigned the employee is such that the assigning of planning time does not allow the employee sufficient time during his/her workday to meet the need of students, other teachers and parents, an additional period supplement will be awarded to the employee as set forth in (a) above.
 - d. If an agreement per paragraph c above cannot be reached between the Principal and such employee, the employee may take the issue to the Employee Building Council (EBC) at that school for review and recommendations to the Principal.

Such employees may vote to adopt the proposed scheduling modifications or to reject the proposed modifications. If adopted, the duration of such adopted scheduling modifications shall be no longer than the end of the first full school year after the modifications were approved.
- b. If the administration wishes to extend the adopted scheduling modifications beyond this time period, another vote must be taken as set forth above. If adopted during this second vote, the extension of the adopted scheduling modifications shall be no longer than the end of the following full school year. If the vote to extend the adopted schedule modifications for a second full school year is rejected, the schedule will revert to a 7-period schedule at a High, Vocational, Alternative or Special School or the schedule will automatically revert to a six period schedule at a Middle School at the beginning of the following school year, unless a different modified schedule is proposed by the Principal and adopted as set forth above. If the principal does not wish to extend the adopted scheduling modifications beyond the initial full school year or beyond the following full school year, the modified schedule will revert to a 7-period schedule at a High, Vocational, Alternative or Special School, or the schedule will revert to a 6-period schedule at a Middle School at the beginning of the following school year.

- d. Nothing herein shall limit the Principal at any time from proposing a change to or a different modified schedule provided such schedule is proposed to the EBC or as otherwise provided in subparagraph a above. - 8. The Board will have unilateral authority to adopt a secondary school schedule other than the seven (7)-period day schedule. In the event the Board adopts a different secondary schedule, the procedures set forth in paragraph 7 above will be the procedure used by the administration in the event the administration wishes to modify whatever new schedule the Board may adopt on a secondary school by secondary school basis. Further, the Board agrees to negotiate with the Association the impact on the Association's bargaining unit members' terms and conditions of employment of any Board adopted change to the seven (7)-period day. To effect these impact negotiations, the Board will notify the Association at least sixty (60) days in advance of the date the Board makes effective any change from the seven (7)-period secondary schedule. The request for the presence of a representative of the Association shall not delay such proceedings for more than two (2) days unless in the judgment of the Principal an emergency exists which requires prompt attention. In cases of an emergency, the meeting will be delayed two (2) hours while attempts are made to secure the presence of an Association staff person to represent the employee. If an Association staff person cannot be secured within such two-hour period, the Association Faculty Representative for the school will be present at the emergency meeting to act as the employee's representative.

Section S - Discretionary Funds for Supplies/Equipment

Funds designated to reimburse employees for expenditures for supplies will be allocated by the schools from their regular supply budgets. Principals will have the sole responsibility for determining how much will be allocated for this purpose. Allocations are to be made on an employee-by-employee basis.

Employees may voluntarily pool their individual allocations or portions of their allocations to make joint purchases, but each employee in a pool must agree to the joint purchase before any part of his/her allocation can be expended.

Allocated funds not expended by the last day of school before Spring Break of any fiscal year will revert back to a school's regular supply budget and the Principal may expend such supply funds at his/her discretion during the balance of that fiscal year. No unexpended funds will be carried over from one (1) fiscal year to the next fiscal year.

ARTICLE III - WORKING CONDITIONS

Section S - Discretionary Funds for Supplies/Equipment (cont'd)

Reimbursement requests shall be made to the Principal. The request should include a detailed description of the purchase and should be accompanied by an original invoice, receipt or register tape. In order to avoid confusion and delay, employees should not commingle reimbursable and personal purchases on the same invoice, receipt or register tape. Sales taxes will not be reimbursable; therefore, employees should provide vendors with the District's sales tax exemption certificate number. However, since the sale will be to an employee rather than directly to the District, employees should be aware that vendors may not waive the charging of sales taxes.

Reimbursement of employee purchases will be made from the school's petty cash funds. Schools will accumulate reimbursement requests and forward them to Finance for replenishment of their petty cash funds in accordance with established procedures governing petty cash. Amounts reimbursed to employees will be charged against the supply budget indicated by the school on the replenishment request.

The EBC should be given the opportunity to comment on the allocation amount before it is finalized and announced to the building's employees. Employees are to be informed of their individual allocation amount at the time that the procedure is announced to them.

A vacancy that occurs within the last forty-five (45) teacher contract days will be filled by an annual contract teacher, an Interim Employee or by a day-to-day substitute. (A day-to-day substitute is not a member of the bargaining unit.)  - d. a transfer request packet (see Appendix K) will have been submitted to the Principal/Director at the school/department to which a transfer is being requested, or when available in the future, will be electronically submitted
 - e. a separate transfer request packet must be submitted for each transfer request
 - f. applications are considered timely if postmarked or received electronically no later than seven (7) days after such vacancy is posted
 - g. the Principal/Director at the school/department accepting applications shall review and screen applicants and is required to interview a minimum of three (3) applicants, if that number applied, who are properly certificated, and who have made a timely application. Two (2) of those to be interviewed shall be the most senior applicants meeting the above requirements. Notwithstanding these provisions, a Principal/Director may elect not to interview any applicant if the applicant's most recent annual evaluation rating is neither "effective" nor "highly effective". (The Parties agree that should provisions of Fla. Stat. §1012.28(6) be repealed or found void by a court of competent jurisdiction, the previous sentence beginning with "Notwithstanding these provisions . . . [through] . . . nor highly effective" will be void and considered repealed.) Nothing herein shall prohibit the District from employing a new hire or an interim to fill a vacancy posted during the Voluntary Transfer Period, except for the month of January during which only current eligible employees will be considered to fill posted vacancies for the following school year.
3. In order to receive active consideration, an employee must reapply for a transfer each time a particular vacancy is posted.
 4. Voluntary transfers may be made outside the voluntary transfer period provided both Principal and Area Superintendent approve each transfer, and provided the employee is in at least his/her third year of employment within the District.
 5. Hardship Transfer: An employee who has completed at least one year of service with the District may apply for a hardship transfer when there is a serious medical and/or serious personal problem that can be substantiated to the satisfaction of his/her Area Superintendent or designee. Any approved hardship transfer will be effective at the beginning of a school semester, if an appropriate vacancy exists. The determination of the Area Superintendent/designee shall be final without appeal through the grievance or other procedures. Travel time and/or distances alone will not be considered as a reason to seek or to grant a hardship transfer. If the employee's condition is one that should be considered under provisions of the Americans with Disabilities Act (ADA), the employee will be directed to apply for an ADA accommodation with the District's EEO/ADA Coordinator in lieu of a hardship transfer.

ARTICLE IV - VACANCIES, TRANSFERS, UATs LAY-OFFS/CALL-BACKS AND EMPLOYMENT CONTRACTS

Section D - Notification of Transfer Requests and Exceptions

1. All interviewed transfer applicants who seek a particular position shall be notified personally or in writing, by phone or via District email when the position is filled.
2. The Parties agree that circumstances may arise in the resolution of a grievance or of a labor-management dispute when an employee will be placed in a position through mutual agreement of the Parties. In such cases, the procedures in Sections A through F of this Article shall not apply.

Section E - Unit Adjustment Transfer (UAT) Procedures

1. Voluntary transfers will be permitted and encouraged whenever possible as set forth in Section C above. However, when a school loses a unit and therefore must identify an employee to be transferred to another school, the least senior employee in the affected school (Seniority shall be determined as District-wide as defined in Article I, Section A, 16) in the certification area that is losing a unit shall be declared the employee to be Unit Adjustment Transferred unless one or more of the following exceptions apply.

Exceptions:

- a. An employee with more seniority who received either a rating of “effective” or “highly effective” on his/her most recent annual evaluation volunteers to be transferred to another school, thus eliminating the need to transfer the least senior employee. In such cases, the volunteering employee with more seniority will be Unit Adjustment Transferred, but only if the least senior employee is properly certified and can take over the instructional assignments of the volunteering more senior employee.
- b. Employees with properly documented performance problems from the present year or employees who are on a CTES District Assistance Plan, or who did not receive an evaluation rating on his/her most recent annual evaluation of “effective” or “highly effective” will not be subject to these UAT procedures and shall not be Unit Adjustment Transferred.
- c. When a department at a secondary school is overstaffed, the least senior employee in that department is identified as a UAT unless said employee has multiple areas of certification and can displace the least senior employee in another department within the school. In such cases, the displaced least senior employee will be Unit Adjustment Transferred unless he/she is not subject to these UAT Procedures per subparagraph b above.

ARTICLE IV - VACANCIES, TRANSFERS, UATs, LAY-OFFS/CALL-BACKS AND EMPLOYMENT CONTRACTS

Employees in any of the positions listed below in 1 through 6 may or may not be determined to be subject to being Unit Adjustment Transferred as determined by the Principal. Employees in any of the positions listed in 7 through 9 will not be subjected to being involuntarily Unit Adjustment Transferred.

This Lead Association Faculty Representative will not be subject to a Unit Adjustment Transfer unless he/she is the only employee at that school who is assigned to an area that is losing a unit.
 - (8) Each High School Principal may make one (1) exception in addition to those exceptions listed above.
 - (9) Any additions to the above list of exceptions must be mutually agreed upon by the Association's and the Superintendent's representatives/designees.
- e. The Parties agree that as used above in (a) and (b), the terms "Highly Effective" and "Effective" shall automatically be amended to become "Satisfactory" should Fla Stat §1012.34(2)(e) be repealed or found void by a court of competent jurisdiction unless the Parties agree to continue to use these terms.

ARTICLE IV - VACANCIES, TRANSFERS, UATs, LAY-OFFS/CALL-BACKS AND EMPLOYMENT CONTRACTS

Section E - Unit Adjustment Transfer (UAT) Procedures (cont'd)

2. GENERAL PROVISIONS FOR THE UNIT ADJUSTMENT TRANSFER PROCEDURE

- a. Notified UAT'd employees who are unsuccessful in obtaining a transfer during the voluntary transfer period shall be transferred to a position in keeping with Article IV, Section E 4 of this Agreement.
- b. A UAT'd employee who is assigned to a supplemental duty at a school will be permitted to continue to be assigned to said supplemental duty with the agreement of the employee and the sending and receiving Principals.
- c. Principals must electronically submit to the Director of Recruitment & Retention a "UAT Justification" on a form that lists the names of those employees who are being Unit Adjustment Transferred from their schools and the reason they were selected to be UAT'd. In addition, each Area Superintendent is to be electronically provided these completed forms for review, before employees are officially notified of their UAT status.

ARTICLE IV - VACANCIES, TRANSFERS, UATs, LAY-OFFS/CALL-BACKS AND EMPLOYMENT CONTRACTS

Section E - Unit Adjustment Transfer (UAT) Procedures (cont'd)

4. UNIT ADJUSTMENT TRANSFER (UAT) PROCEDURE
 - a. As early as possible in the second semester of each school year, the District will notify employees who will be subject to the regular UAT process. Notwithstanding Section C 2 c above, any employee so notified will be immediately eligible to apply for a voluntary transfer as set forth herein regardless of their years of service in the District or contract status. In addition, any employee so notified who is unsuccessful in obtaining a voluntary transfer will be provided a TDE upon written request to attend any District-sponsored Teacher Job Fair that may be conducted during the regular school day prior to the regular UAT placement period. The regular UAT placement period for the following school year will begin each school year on the 6th working day of May and will end after the 13th working day in May. (A change in these dates may be accomplished with the mutual written agreement of the Superintendent or designee and the Association President or Executive Director.) During this regular UAT placement period, the District shall freeze all new instructional employee hiring. It is understood that additional UATs may need to occur at other times during the year. When such additional UATs occur, the Association will be informed in advance and notwithstanding other provisions to the contrary, the placement of those employees who are UAT'd will be made to the extent possible to vacancies within the same Area of their current school assignment, if applicable, unless the affected employee is eligible and applies for a Hardship Transfer as follows. Before UAT placements are made, the eligible employee must notify the Director of Recruitment & Retention in writing that he/she wishes to be placed in another Area and is applying for a Hardship Transfer as provided above. If the Hardship Transfer is approved, the employee will be considered "placed" and will have no further placement rights under the UAT placement procedures. If the Hardship Transfer is not approved, the employee will be placed as provided by these UAT placement procedures.
 - b. At the beginning of the regular UAT Placement Period and as provided in Section B 2 above, all known school vacancies for the next school year will be posted online for UAT employees to view who have not been successful in obtaining a transfer during the voluntary transfer period. New schools need only post one-third (1/3) of their T-bargaining unit vacancies for this procedure.
 - c. All remaining unplaced UAT'd employees who are employed for the next school year, will be placed on a separate list according to their seniority.
 - d. All UAT'd employees who are or will be employed under a Professional Service or Continuing Contract or who have three (3) or more years of seniority will be listed according to seniority as defined in Article I, Section A of this Agreement.

ARTICLE IV - VACANCIES, TRANSFERS, UATs, LAY-OFFS/CALL-BACKS AND EMPLOYMENT CONTRACTS

Section E - Unit Adjustment Transfer (UAT) Procedures (cont'd)

- e. Each UAT'd employee who is employed under a Professional Service Contract or Continuing Contract or who has three (3) or more years of seniority shall be electronically provided with an Instructional Placement Preference (IPP) Form for the employee to identify four (4) schools having a vacancy in the employee's area(s) of certification and who otherwise meets the posted qualifications for the vacancy, i.e., International Baccalaureate, Montessori, Dual Language, et. al., (Number 1 is the employee's first choice, number 2 is the employee's second choice, number 3 is the employee's third choice, and number 4 is the employee's fourth choice). Schools vacancies considered for placement shall only be those identified in (b) above.
- f. The completed and signed IPP form must be returned electronically to the Department of Recruitment & Retention as soon as possible, but no later than four (4) teacher workdays commencing with the first day of the regular UAT placement period.
- g. The Department of Recruitment & Retention will categorize the completed and signed IPP forms that are returned by seniority as defined in Article I, Section A 16 of this Agreement.
- h. Area Superintendents, Principals or their respective designees along with Recruitment & Retention personnel will determine in which of the four (4) school preferences the UAT'd employee will be placed, provided a vacancy in one of the four (4) preferences remains vacant.
- i. In the event all of the UAT'd employee's listed IPP vacancies have been filled or the school has already taken its quota of UAT'd employees as set forth in paragraph 1 below (and the Principal has elected not to take any additional UATs above this quota), the remaining unplaced UAT'd employees will be placed in vacant positions in accordance with their seniority as defined in Article I, Section A 16 of this Agreement. Thereafter, all UAT'd employees with less than three (3) years of seniority will then be placed in accordance with their seniority.
- j. UAT'd employees placed under provisions in subsection (h) above will be placed no later than the last teacher workday of the school year.
- k. The Department of Recruitment & Retention shall strive to place/assign all remaining UAT'd employees within fifteen (15) days after the last teacher workday of the school year. It is understood that in certain cases, it may take longer than fifteen (15) days to place/assign some UAT'd employees. When making such placements/assignments, Recruitment & Retention shall strive to consider the wishes of the affected unplaced employee.

ARTICLE IV - VACANCIES, TRANSFERS, UATs, LAY-OFFS/CALL-BACKS AND EMPLOYMENT CONTRACTS

Section E - Unit Adjustment Transfer (UAT) Procedures (cont'd)

- I. Depending on the number of teaching units at a school, UAT'd employees will be placed as follows:

 - 76-100 teaching units no more than four (4) UAT'd employees will be placed
 - 101-150 teaching units no more than five (5) UAT'd employees will be placed
 - 151 and over no more than six (6) UAT'd employees will be placed

A Principal, at his/her discretion, may exceed the above number of placements at his/her school.

Section F - New Schools and "Magnet Schools"

1. When a new school opens at the beginning of the school year, the bargaining unit vacancies in that new school will be filled as follows:
 - a. First, one-third (1/3) of the vacancies will be listed, published and distributed to all bargaining unit members assigned to schools which will be giving up students to the new school. The posting shall include information that the vacancy is at a specific new school to be opened, the date of said opening and that this posting is to fill one-third (1/3) of the bargaining unit vacancies at this new school. Bargaining unit members assigned to schools which will be giving up students to the new school may apply for such positions with the clear understanding that the decision of who is interviewed and who is selected is at the sole determination of the Principal of the new school provided that the new Principal fills one-third (1/3) of his/her bargaining unit vacancies from bargaining unit members assigned to schools which will be giving up students to the new school when it opens.
 - b. Second, the next one-third (1/3) of the bargaining unit vacancies at the new school will be posted during the voluntary transfer period. Employees may apply for such vacancies in keeping with Section C of this Article.
 - c. Finally, the last one-third (1/3) of the bargaining unit vacancies will be filled through the Unit Adjustment Transfer Placement procedure set forth in Section E, 4 of this Article. It is understood that eligibility for a vacancy includes the ability to meet specific needs, such as supplemental assignments for designated positions.

ARTICLE IV - VACANCIES, TRANSFERS, UATs, LAY-OFFS/CALL-BACKS AND EMPLOYMENT CONTRACTS

Section F - New Schools and "Magnet Schools"(cont'd)

- d. Nothing in this subsection shall prohibit a Principal of a new school from filling department head/chair vacancies prior to, during or after the UAT Placement, provided that the number of department head/chair vacancies so filled that are not in accordance with (a) or (b) will count against the number of vacancies in (c) above.
 - e. When a new school opens at a time other than the beginning of the school year, and staffing has not occurred through the procedures outlined herein, the Parties shall meet and work collaboratively to develop procedures for staffing.
 2. If a school is going to become a "magnet school," those employees not wishing to remain at that school shall be considered a UAT and shall be treated like any other UAT employee, except the Principal of the new magnet school shall be required to retain forty percent (40%) of the current staff from among current staff who volunteer and are accepted to remain assigned at the new magnet school. If less than forty percent (40%) volunteer and are accepted to remain, then the Principal shall freely select those who shall be required to remain. Those involuntarily remaining may exercise their option for a voluntary transfer during the voluntary transfer period. If more than forty percent (40%) express an interest in remaining, the Principal is free to retain them or such portion of them that meets forty percent (40%). In addition, affected employees who become a UAT from that school who still wish to remain at that school may apply for vacancies posted for that school as set forth below.
 - a. Notwithstanding Section B of this Article, vacancies posted when a school is going to become a new magnet school shall include the information that the vacancy is at a specific new magnet school. Employees may apply for such vacancies with the clear understanding that for the first year of the existence of the new magnet school the decision of who is interviewed and who is selected to fill these vacancies is at the sole determination of the administration. Otherwise, the selection process shall follow provisions of Sections C, and then E, 4 of this Article.
 - b. After a new magnet school has been in place for at least seven (7) months, but not more than one (1) year, any employee assigned to that school may voluntarily participate in the UAT Procedure. The District will notify in writing employees assigned to a new magnet school of their right to voluntarily transfer themselves under provisions of this paragraph. These employees also will be informed of the date of the UAT Placement Procedure as a part of this written notification which shall be delivered to said employees at least ten (10) days prior to the date the IPP must be returned to Instructional Employment Services. Such employees will have five (5) days after receipt of this written notification to exercise their right to participate in the UAT Procedure by providing written notice to the Director of the Department of Recruitment and Retention that they are voluntarily participating in the UAT Procedure.

Section F - New Schools and "Magnet Schools"(cont'd)

3. It is understood that under 2 above, employees on a District assistance plan shall be placed as determined by the administration.

Section G - Involuntary Transfers

When an involuntary transfer is required, the administration shall provide assistance in finding an appropriate new position. The administration shall provide affected employees with a copy of all school-based T-bargaining unit employee vacancies. Also, each employee shall provide the Director of Recruitment & Retention with a list of three (3) schools in the District to which he/she prefers to be transferred. Only if no vacant positions exist at any of these three (3) listed schools, shall the employee be involuntarily transferred to another vacant position unless the Principal exercises his/her right to refuse such employee pursuant to Fla. Stat. §1012.28(6) that allows the Principal to refuse the placement or transfer of instructional personnel to his/her school unless the instructional employee's most recent annual evaluation rating was "effective" or "highly effective". In such instances, the affected employee will be required to list three (3) different schools and the process will be repeated twice (for a total of three times) until the affected teacher is placed/transferred to a different school in a position for which he/she is certified. If no placement is found for the employee after three (3) attempts, the affected employee will be placed as determined by the administration. The administration shall give consideration to the wishes of the affected employee when placing the employee in a vacant position.

(The Parties agree that should provisions of Fla. Stat. §1012.28(6) be repealed or found void by a court of competent jurisdiction, the language of this Section beginning with "unless the Principal exercises . . . [through] . . . determined by the administration" will be void and considered repealed.)

Section H - Layoff/Call-Back Procedures

In the event that a layoff becomes necessary due to declines in enrollment, budgetary restrictions, reorganization, or other cause as agreed to by the Parties, the following layoff provisions shall apply:

1. The Board shall determine the specific work locations and areas of certification and specialty or the specific positions to be eliminated. Once the specific areas of certification, specialty, or position have been determined, reduction shall be made on a countywide basis and shall be based upon seniority and certification as further defined in this Section. The Association will be notified of any impending layoff before any effected employees are notified.
2. Layoffs will be based upon areas of certification and shall be governed by the following specific provisions:
 - a. In elementary schools, employees shall be considered to be at two (2) levels and shall possess appropriate certification for that level.

ARTICLE IV - VACANCIES, TRANSFERS, UATs, LAY-OFFS/CALL-BACKS AND EMPLOYMENT CONTRACTS

Section H - Layoff/Call-Back Procedures (cont'd)

 - (ii). Elementary - Grades one through five (5) (except that elementary employees may not be involuntarily transferred to middle schools).
- b. In the secondary schools, areas of certification shall be deemed to be areas for which the employee holds certification (however, a sixth grade employee at the middle school level shall not be involuntarily transferred to an elementary school).
3. Once specific positions and/or areas of certification and levels are determined, reduction shall be made on a countywide basis as follows:
 - a. Employees holding temporary or provisional certification will be the first released.
 - b. Fully certificated annual/probationary contract employees, the next released.
 - c. Continuing/professional service contract employees will be the last to be released.
 - d. Within each of the items (a) through (c), reductions shall be made such that persons in those areas having the least seniority will be the first released. Further reductions at each level shall be in ascending order of seniority.
4. An employee whose job is to be eliminated by countywide reduction shall be notified by certified mail.
5. Once reductions have been made on a countywide basis, then the reductions shall be made in the specific schools identified by the Board. The affected employees shall be reassigned to the open positions created by the countywide reductions by seniority and within areas of certification.
6. Employees who have been laid-off shall be considered first for positions for which they hold certification as defined in Section 4 above. Such employees shall be recalled in descending order of seniority; with continuing/PSC contract employees being recalled first and then fully certificated annual contract employees. Such recall rights shall not extend beyond two (2) years after the actual layoff occurs.

ARTICLE IV - VACANCIES, TRANSFERS, UATs, LAY-OFFS/CALL-BACKS AND EMPLOYMENT CONTRACTS

Section H - Layoff/Call-Back Procedures (cont'd)

7. Employees being recalled shall be notified by certified mail and shall have fifteen (15) calendar days from the date of receipt to respond affirmatively. It shall be the employee's responsibility to make appropriate arrangements for forwarding or receipt of mail if he/she will be away from his/her mailing address for more than three (3) days.
 - a. If an employee fails to respond or responds with a negative answer, the next properly certificated employee on the seniority list will be contacted.
 - b. If an employee fails to respond and/or responds with a negative answer more than three (3) times, that employee's name will be moved to the bottom of the seniority list for recall purposes.

5. If a conflict exists between the employee contractual year and summer school (special session), the dates of summer school (special session) shall be changed to eliminate such conflict.

ARTICLE IV - VACANCIES, TRANSFERS, UATs, LAY-OFFS/CALL-BACKS AND EMPLOYMENT CONTRACTS

Section J - Summer School (Special Session) Employees (cont'd)

6. The Parties agree that the name change from "summer school" to "special session" is only a name change and does not in any way imply any agreement(s) concerning year-round schools or any other change(s) to employees' wages, hours and/or terms and conditions of employment.
7. Notwithstanding other provisions of this Section, the Lead Faculty Representative (as designated by the Association President pursuant to Article VI, Section A 12 of this Agreement) who is certified to be employed in a summer (special session) vacancy at his/her school and who applies for such vacancy, will be given priority consideration to be appointed to fill that summer vacancy.

In addition, those persons who have held or hold these positions, and have performed satisfactorily shall be considered prior to other qualified applicants as described heretofore.
5. Evening employment will be limited to two (2) nights a week unless additional evening employment is approved by the Director of the respective program.

Section A - Paid Leaves: General Provisions

Paid leaves are provided for illness of the employee including childbirth, illness or death of a family member, personal business, vacation leave, in-line-of-duty, professional leave, jury duty, witness duty, temporary military leave, and temporary duty elsewhere leave. Prior and sufficient notification shall be given where appropriate or as otherwise specifically set forth elsewhere in this Agreement. The following general provisions apply to all paid leaves:

1. Employment While on Leave - An employee may not engage in employment during his/her normal duty hours while on compensated leave except as specifically provided herein.
2. Leave Authorization - All absences of employees from duty shall be covered by leave applications which are duly authorized, a copy of which shall be provided employees upon request. However, an employee while on a paid leave shall be subject to the Excessing Procedure and the Lay-Off/Call-Back Procedure of this Agreement the same as if they were not on leave. If these procedures become operative and affect the employee on leave, he/she may not be returned to the same position he/she held prior to taking the leave. Likewise, employees while on a paid leave maintain their rights to apply for transfers and/or reassignments as provided by this Agreement.

Section B - Specific Paid Leaves

1. Sick Leave - Sick leave claims shall be honored as submitted by the employee for his/her own personal illness, as well as illness or death of father, mother, brother, sister, husband, wife, child, other close relative, or member of the employee's own household. Sick leave days are accumulated as follows:
 - a. Permanent Full-Time Employees - An employee employed on a full-time basis shall be entitled to four (4) days of sick leave as of the first day of permanent employment of each appointive year, and shall thereafter earn one (1) day of sick leave at the end of each calendar month; provided the employee has been on duty or compensable leave a minimum of eleven (11) days within the month; and provided further, that the employee shall be entitled to earn a maximum of one (1) day of sick leave times the number of months of employment during the year of employment. Sick leave shall not be used prior to the time it is earned and credited to the employee.

ARTICLE V - LEAVES

Section B - Specific Paid Leaves (cont'd)

- b. Permanent Part-Time Employees - An employee employed on a permanent part-time basis four (4) hours or more per day shall be entitled to four (4) part-days of sick leave as of the first day of permanent employment of each appointive year, and shall thereafter earn one (1) part-day of sick leave at the end of each calendar month; provided the employee has been on duty or compensable leave a minimum of eleven (11) days within the month; and provided further, that the employee shall be entitled to earn no more than one (1) part-day of sick leave times the number of months of employment during the year of employment. Sick leave shall not be used prior to the time it is earned and credited to an employee. An employee whose duty day basis changes shall have his/her sick leave balance as a permanent part-time employee converted at the rate of two (2) part days of sick leave to one (1) full day of sick leave. The same principle applies to a permanent full-time employee whose duty day credited sick leave at the time of change is one (1) full day of credited sick leave to two (2) part-days of sick leave.
 - c. Method of Accumulation: Sick leave shall be cumulative from year to year, and there shall be no limit on the number of days of sick leave an employee may accrue.
 - d. Credit for Out-Of-County Sick Leave: Employees shall be entitled to transfer sick leave credit from other Florida school systems and state agencies, which are participants in any of the Florida Retirement Systems.  - f. Verification of Illness: The Superintendent may require a doctor's statement of verification of illness of greater than three (3) days, or whenever an employee is absent the day before or after a holiday or vacation period. When misuse of sick leave is suspected, the Superintendent may investigate and require verification of illness.
2. Personal Leave – six (6) days paid leave shall be allowed for personal reasons each year to be charged against accrued sick leave, provided that such leave be noncumulative.

In-The-Line-Of-Duty Leave - An employee who is absent due to injuries or illnesses clearly received in the discharge of his/her duties shall be entitled to additional sick benefits provided such claim is reported to the Principal/department head within the (2) days of the time of occurrence. Except in extenuating circumstances, failure to make such report within the prescribed time limits above shall result in the claim being denied, unless otherwise approved by the Superintendent.
- a. An employee who is injured in the line of duty shall be entitled to up to ten (10) noncumulative additional paid days which shall not be charged against the employee's sick leave balance. Forms may be obtained by participating employees from the school center, Department of Employee Benefits and Risk Management, or the Association. It will be the function of the Committee to review the administration of the bank, investigate alleged abuses, and determine eligibility as may be established by the Committee. - e. Benefits – The SLB shall be used only for the personal illness or disability of the SLB member and shall not be used because of illness, injury, disability or death of any other person.

All such illnesses and/or accidents must be certified as being debilitating for a long period of time.
 - (2) Questions raised concerning the eligibility of an employee to receive benefits will be reviewed by the SLB Committee which will make the final determination. In those cases that are denied, the SLB Committee shall provide, in writing, reasons for such disapproval. The SLB Committee's determination is not subject to the grievance procedure and arbitration. The Committee, at the Association's expense, may require an independent medical examination.

ARTICLE V - LEAVES

Section B - Specific Paid Leaves (cont'd)

- f. Abuse - Alleged abuse of the SLB shall be investigated by the SLB Committee and a finding of abuse shall be certified to the Superintendent. Upon a finding of such abuse, the employee shall be required to repay all of the sick leave credit drawn from the SLB and shall be subject to such other disciplinary action as determined by the School Board to be appropriate. Refusal on the part of the employee to repay said credits shall be grounds for termination.
 - g. Discontinuance - If it should become necessary to discontinue the SLB, unused sick leave in the bank will be distributed in the following manner:

The number of sick leave days in the bank divided by the number of current members in multiples of $\frac{1}{2}$ days will be credited to the member's personal accumulated sick leave account. The balance of days equal to less than $\frac{1}{2}$ day per member will be dispensed of by joint decision of the Board and the SLB Committee whose decision will be final and not subject to the grievance procedure and arbitration.
 - h. Hold Harmless - The Association, its officers, agents, and member of the bargaining unit will hold the Board harmless for the cost and results of any action which may be brought by any of its members, group or groups of members, members of the bargaining unit, or agencies of law, with respect to the establishment, administration, or expenditure of the assets of the SLB.

1. A "grievance" is a violation, misinterpretation, or misapplication of this Agreement.
2. A "Grievant" is the person(s) or group of persons in the bargaining unit or the Association affected by the violation, misinterpretation or misapplication of this Agreement.

Section B - Purpose

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems growing out of administration of the Collective Bargaining Agreement.

Section C - Procedures

Informal Procedure:

The Parties acknowledge that it is most desirable for an employee and his/her immediate supervisor to resolve problems through free and informal communications. Therefore, if an individual employee has a personal complaint or grievance which he/she desires to discuss with a Principal, he/she is free to do so without recourse to the grievance procedure. Any adjustment of the complaint or grievance must be consistent with the terms of this Agreement. The Parties agree that the informal procedure shall be utilized by the grievant and the lowest level administrator having authority to resolve the grievance prior to invoking the formal grievance procedures. When invoking the formal grievance procedures, the grievant shall file the grievance with the lowest level administrator having authority to resolve the grievance. In keeping with the foregoing, the grievant may file a formal grievance initially at either STEP ONE or STEP TWO of this procedure, as appropriate.

Representation, Notification to Association and Costs:

In the event the individual employee elects to process and represent his/her own grievance through STEP TWO, the Association shall have the right to be present and to state its views at any and all meetings. In the event the matter is not resolved informally, a formal grievance may be filed, the processing of which shall be accomplished by the individual grievant or the Association. A grievance shall not be adjusted without prior notification to the Association and an opportunity provided for an Association representative to be present; nor shall any adjustment of any grievance be inconsistent with the terms of this Agreement. All costs through STEP TWO shall be borne by the grievant at those levels.

ARTICLE VII - GRIEVANCE PROCEDURE

Section C - Procedures (cont'd)

STEP ONE

A formal grievance must be stated in writing on a copy of the grievance form, as set forth in Appendix I of this Agreement, and submitted to the Principal or appropriate Area Superintendent as soon as possible but within twenty (20) days following the employee's knowledge or awareness of the incident or condition which is the basis of the grievance. Within twelve (12) days of the receipt of the grievance, the Area Superintendent shall meet with the grievant and the representative of the Association in an effort to resolve the grievance. However, both Parties by mutual consent may waive further discussion

In STEP ONE and move the grievance to STEP TWO. The Area Superintendent shall indicate the disposition of the grievance in writing to the grievant within five (5) days of such meeting and shall furnish a copy thereof to the Association.

STEP TWO

If the grievant and/or the Association are not satisfied with the STEP ONE disposition of the grievance, it may be appealed to the Department of Labor Relations by filing a written notice within twelve (12) days. The Superintendent or his/her designee shall meet with the grievant and the Association in an effort to resolve the grievance within ten (10) days of receipt of the described notice. The Superintendent or his/her designee shall indicate the disposition of the grievance in writing within twelve (12) working days of the meeting and provide a copy to the grievant and the Association. Should the Association and the Superintendent agree that a meeting is not necessary at STEP TWO, no meeting will be held.

STEP TWO - A (Optional)

With the mutual agreement of the Parties, the next step in the processing of a grievance will be before an impartial mediator. The decision to undertake this option must be made by the Association within twelve (12) days from receipt of the STEP TWO written disposition. The mediator will be selected through a mutual agreement of the Parties. There will not be a binding decision on the Parties except by mutual agreement. If it is agreed to make the mediator's decision binding, the grievance will be considered resolved and may not be appealed to STEP THREE. Alternate solutions which are discussed/recommended at the STEP TWO-A level may not be utilized at STEP THREE by either Party.

ARTICLE VII - GRIEVANCE PROCEDURE

Section C - Procedures (cont'd)

STEP THREE

If the Association is not satisfied with the disposition of the grievance at STEP TWO or TWO-A, the grievance may be submitted to arbitration before an impartial arbitrator within twenty-four (24) days thereafter, as hereinafter provided. The Association, at its option, shall give written notice to the American Arbitration Association (AAA) and the Superintendent, of its intent to proceed through arbitration using the voluntary rules of selection of AAA. The rules of the AAA shall govern all arbitration proceedings. The Parties shall equally share the cost of the AAA filing fee.

The arbitrator shall not have power to add to, subtract from, modify, or alter the terms of this Agreement. The Board and the Association shall not be permitted to assert in such arbitration proceeding any ground, or rely on any evidence, not previously disclosed to the other Party. The arbitrator shall render his/her decision in writing within thirty (30) calendar days or as soon as possible after the close of the arbitration hearing and shall furnish a copy to the Association and the Board. Both Parties agree that the decision of the arbitrator shall be final and binding on all Parties. The fees and expenses of the arbitrator shall be shared equally by the Board and the Association. All other expenses shall be borne by the individuals incurring them and no individual shall be responsible for the expense of witnesses called by the other.

Section D - General Provisions

1. The time limits provided in this Article shall be strictly observed unless extended by agreement of the Parties. The number of days indicated at each level will be considered as maximum and every effort will be made by the Parties to expedite the process. Failure of the grievant to proceed with his/her grievance with the times hereinbefore provided shall result in the dismissal of the grievance. Failure of the Board or its representative to take the required action within the times provided shall entitle the grievant to proceed to the next step of the grievance procedure.
2. Formal grievances will be processed after the close of the school year provided the Parties of interest and necessary witnesses are available for processing. If possible, the Parties will process the grievance within the time limits heretofore provided as though working days are days the School Board offices are open. Where this is not possible, the time limits shall be held in abeyance until the Parties in interest and necessary witnesses are available or until the beginning of the next school year, whichever is earlier.
3. Grievance hearings will ordinarily be conducted during the regular workday of the grievant.

ARTICLE VII - GRIEVANCE PROCEDURE

Section D - General Provisions (cont'd)

No reprisals of any kind shall be taken by the Board or by any member of the administration against any Party in interest, his/her representative, or any other participant in the grievance procedure by reason of such participation. No reprisal shall be taken by the Association or a grievant against management by reason of administration of this Collective Bargaining Agreement or the exercise of management rights. The filing of a grievance or of an unfair labor practice will not be considered a reprisal.
5. All documents, communications, and records specifically prepared for the processing of a grievance shall be treated as confidential and filed in a separate grievance file and shall not be kept in a personnel file of any of the participants.
6. All meetings and hearings under this procedure shall be conducted in private and shall include only such Parties in interest, their Association representative, and any necessary witnesses, unless prohibited by law or a court of competent jurisdiction.
7. The Association, in accordance with its own non-discrimination internal rules, shall have the sole and exclusive right to determine whether any grievance warrants processing through this procedure. In the event the Association determines at any step of the grievance procedure that a grievance is not meritorious, a written notification of that determination shall be sent to the Department of Labor Relations and to the employee(s) involved. The employee must be present at all steps of the grievance procedure unless there is mutual agreement that the employee need not be present. An employee shall not be required to meet with any administrative officer at any step of the informal or formal grievance procedure without Association representation.
8. Nothing contained in this grievance procedure shall be construed to deny any employee, the Association, the Superintendent or the Board, their constitutional rights or rights under the laws of the State of Florida.
9. Notwithstanding the expiration of the Agreement, any claim or grievance initiated thereunder may be processed through the grievance procedure in effect until resolution.
10. A grievance may be withdrawn without prejudice at any step in the grievance procedure by so indicating in writing to all Parties in interest.
11. If in the judgment of the Association, a grievance affects a group or class of employees in more than one (1) location/building the Association may submit such grievance in writing to the Superintendent directly, and the processing of such grievance will commence at STEP TWO. Such grievance shall be signed by an Association officer or staff representative.

ARTICLE VII - GRIEVANCE PROCEDURE

13. The date of disposition shall be the date on which the Principal or Supervisor delivers the disposition to the grievant or to the Association staff representative, if the grievant is represented by the Association, or the date of postmark or of fax receipt in those instances where delivery is U.S. Mail or by facsimile. The date of filing or appealing a grievance shall be the date on which the grievant or his/her Association staff representative delivers the grievance to the appropriate manager or the date of postmark or of fax receipt in those instances when delivery is by U.S. Mail or by facsimile.
14. Should the Association elect not to pursue the grievance at any step including arbitration because the Association has determined that the grievance is not meritorious, the Department of Labor Relations and the grievant(s) will be notified by the Association in writing within the time limits provided in the appropriate step of this article. Upon such notification, the grievance will be deemed closed and resolved as determined by the previous step's written disposition and is not subject to further steps of the grievance procedure. The filing of a grievance shall in no way interfere with the right of the Board to carry out its management responsibilities, subject to the final decision on a grievance.
15. At STEP THREE, if either Party requests a transcript of the proceedings, the Board and the Association will equally share the cost of such transcript and both Parties and the Arbitrator will be provided a copy of the transcript.

1. Effective July 1, 2016, the Grandfathered "Open Range" (minimum-maximum) Salary Schedule has the beginning base salary of \$40,999 and a top annual base salary of \$78,644. The Parties agree that the only differences between the "Open Range" Grandfathered Salary Schedule and the "Open Range" Performance Pay Salary Schedule is that employees having a Continuing Contract (CC) or a Professional Services Contract (PSC) with the District need not give up or forfeit their CC or PSC status in order to receive Performance Pay Increases that are negotiated by the Parties, and that on the date the new negotiated salary adjustments become effective, an employee rated "Highly Effective" on the "Open Range" Grandfathered Salary Schedule will be paid one dollar (\$1) less than an employee rated "Highly Effective" who is on the Performance Pay Salary Schedule, and an employee rated "Effective" on the "Open Range" Grandfathered Salary Schedule will be paid one dollar (\$1) less than an employee rated "Effective" who is on the Performance Pay Salary Schedule.

Pursuant to State Statutes, an employee rated over-all as "Effective" may not receive a salary adjustment to his/her annual base salary that is greater than 75% of the salary adjustment a "Highly Effective" employee is granted. Eligible part-time employees will have their annual base salaries proportionately adjusted on the same date salaries are adjusted for full-time employees.

In addition, full time employees who were new hires during the 2015-2016 school year, but who did not work a sufficient number of days to warrant an annual evaluation that school year and full-time employees who are new hires during the 2015-2016 school year will be treated for pay purposes as if they were rated "Effective".

Pursuant to State Statutes, an employee rated over-all as "Effective" may not receive a salary adjustment to his/her annual base salary that is greater than 75% of the salary adjustment a "Highly Effective" employee is granted. Eligible part-time employees will have their annual base salaries proportionately adjusted on the same date salaries are adjusted for full-time employees.

Section H - Health, Life, Dental and Vision Insurance

Effective January 1, 2017, the following provisions shall supersede all previous Articles/Sections regarding health/medical, dental, vision and life insurance benefits. Beginning January 1, 2014, employees newly eligible for insurance coverage will be limited to the Low Option HMO Plan or the CDHP for the first twelve (12) months of active eligible employment. The Term Life Policy will include equal amounts of Accidental Death and Dismemberment (AD&D) coverage and will provide an employee a conversion right to an individual whole life policy directly with the life insurance carrier without the need for a physical examination if the employee ends his or her employment with the District. 3. The District has established a retirement program under IRS Code Section that defers taxation until retirement or other severance from employment and permits the employee to forfeit and allow the District to contribute each year all of his/her benefit dollars to this retirement plan. This program is called the Special Retirement Plan. At the option of the District, additional contributions may also be made by the District. 4. To assist in reducing the paperwork requirement, the ESE Department has sent the initial HIPPA compliance consent letters for Medicaid billing to parents/guardians. When the new reporting system is operational, eligible employees will not need to assist in sending or obtaining signed HIPPA consent forms. Until the new reporting system is operational, eligible employees may be requested to assist the ESE Department and schools obtain signed parental consent forms.
5. It is further agreed that employees who are non-federally funded and who provide health-related services to Medicaid eligible students and who are therefore eligible to bill for Medicaid reimbursement, shall be required to submit such Medicaid billings as part of this Collective Bargaining Agreement. The Parties urge employees to bill monthly, but agree that such billings are to be completed on a school grading period basis. All billings must be submitted to the appropriate District Department by the last day of the grading period during which the Medicaid services are provided. For those employees assigned to service elementary students, the deadline for billing is the last day of each elementary school grading period during the regular school year. For those employees assigned to service secondary students, the deadline for billing is the last day of each secondary school grading period during the regular school year. Employees who are assigned to work during the District's Special Session (summer school) and who provide Medicaid reimbursable services, the deadline for billing for these services is the employee's last workday of that Special Session (summer school).
6. Upon implementation of this Section, employees who are not eligible to bill will be notified in writing that they are not eligible to bill and those who are eligible to bill will be notified via means determined by the ESE Department. Any eligible employee who later becomes ineligible also will be notified in writing. As soon the new reporting system is operational, those who are eligible to bill for Medicaid reimbursement for the District shall be notified of training sessions on the new system that will be scheduled during their working hours. The ESE Department will provide this training opportunity so that if an employee is unable to attend the initial session, they may attend a make-up session. All eligible employees are required to attend one of these training sessions.

Such submission will be made prior to submission of the issue to the Board.
3. Upon receipt, the Association President or designee will take what actions are deemed necessary to determine whether or not to accept the waiver, reject the waiver or accept the waiver with conditions. The Association President or designee will respond to the request for a waiver within twenty (20) days after receiving it. Upon a request of the Association President, an extension of this time limit may be granted by the Superintendent.
4. Any part of a SIP which requires a waiver of this Agreement or which changes the hours, terms or conditions of employment as set forth in this Agreement which is not brought to the attention of the Association as required in #1 above, will be deemed null, void and of no consequence, for either in the past or in the future, when it is discovered unless the Association through #5 below, agrees to a retroactive waiver. Disputes concerning these matters may be submitted to the Grievance Procedure beginning at Step Two.
5. The Association's Board of Directors is the governing body which is authorized to accept waivers, to reject waivers, or to accept waivers with conditions.

APPENDIX A – OPEN RANGE GRANDFATHERED AND PERFORMANCE PAY SALARY SCHEDULES

Effective July 1, 2016, and pursuant to Article VIII, Section A 2 of this Agreement, the new Open Range Performance Pay Schedule will have a minimum annual base salary of \$41,000 and a maximum annual base salary of \$78,645. This represents a cost of living adjustment of \$365 for all employees on the Performance Pay Schedule. It also represents an across-the-board salary adjustment of \$1,000 for employees rated “Effective” during the 2015-2016 school year for a total of \$1,365, and an across-the-board salary adjustment of \$1,350 for employees rated “Highly Effective” during the 2015-2016 school year for a total of \$1,715. Effective on that same date and pursuant to Article VIII, Section A 2 of this Agreement, the Open Range Grandfathered Salary Schedule will have a minimum annual base salary of \$40,999 which is one dollar (\$1) less than the minimum annual base salary on the Open Range Performance Pay Salary Schedule, and a maximum annual base salary of \$78,644, which is one dollar (\$1) less than the maximum annual base salary on the Open Range Performance Pay Salary Schedule. This represents a cost of living adjustment of \$365 for all employees on the Grandfathered Salary Schedule. It also represents an across-the-board salary adjustment of \$999 for employees rated “Effective” during the 2015-2016 school year for a total of \$1,364, and an across-the-board salary adjustment of \$1,349 for employees rated “Highly Effective” during the 2015-2016 school year for a total of \$1,714. Pursuant to Florida Statute §1012.22, any employee moving from the Grandfathered Salary Schedule to the new Performance Salary Schedule will maintain the annual base salary he/she was being paid from the Grandfathered Salary Schedule until such time the salaries on the Performance Pay Salary Schedule are adjusted through negotiations. It is agreed that any salary adjustment to an employee’s annual base salary that is on either the Open Range Grandfathered or Performance Pay Schedules is subject to future negotiations between the Parties pursuant to the Preamble of this Agreement and in compliance with State Statutes.

1. In the event a retroactive salary adjustment, a bonus payment or a cost-of-living adjustment is negotiated only bargaining until members who are current employees on the date of Board approval are entitled to the retroactive salary adjustment, bonus payment or cost-of-living adjustment. Employees who meet this criterion will receive the retroactive salary adjustment for the days they were on paid status during the period of retroactivity. If a bonus payment is negotiated, those employees who meet this criterion will be paid the bonus. If bonuses are negotiated, unless otherwise stipulated, they will not be considered salary adjustments and the Parties agree and acknowledge that bonuses are one-time payments and no commitment is made to continue any bonuses in the future. Supplements located in this Appendix and in other Appendices/Sections of this Agreement are not considered to be bonuses, but are payments for having provided additional services; for having earned an appropriate Advanced Degree(s); and/or for having earned and maintained an appropriate National Certificate.

When doing so, the Principal will not act in an arbitrary and capricious manner, and his/her decision will be final.

1. FML will be available to those employees who are full-time employees and have been employed by the Board at least twelve (12) months prior to taking such leave.
2. Approved reasons to take an FML are to care for the employee's child after birth or following placement of adoption or foster care; to care for the employee's spouse, son, daughter or parent who has a serious health condition; or for a serious health condition that makes the employee unable to perform his/her job.
3. An FML may be taken before or after utilizing any other leave provisions of this Agreement.
4. The term "serious health condition" is defined as a condition which requires inpatient care or continued treatment by a health care provider.
5. An eligible employee shall be entitled to take up to twelve (12) weeks of FML in any twelve (12) month period.
6. The Board shall continue an employee's group health insurance in full effect as when the employee was not on leave. The employee shall be responsible for his/her share of insurance cost, where applicable.
7. If leave is to be taken to care for a newborn child or a child newly placed for adoption or foster care, the employee must provide written notice of the leave to the personnel department, at least ten (10) calendar days in advance, if possible. If a FML is needed for foreseeable medical care, it should be requested, in writing at least thirty (30) calendar days in advance, or as early as is practicable.
8. Medical certification may be requested by the Board to be signed by the patient's attending doctor when the FML is for a serious health condition of the employee's spouse, child, or parent. Such certification will certify that it is necessary for the employee to care for the patient and the estimated length of time the care will be needed. A medical certification for an employee who is taking an FML for his/her own serious health condition may be requested by the Board.
9. Intermittent FML shall be granted when the employee or the spouse, child, or parent of the employee has a serious medical condition and it is foreseeable that the employee will need short periods of time off.

APPENDIX F - FAMILY MEDICAL LEAVE (FML) – (cont'd)

10. Unless waived by the administration, FML's which are to begin during the following periods of time will be regulated as indicated.
 - a. If an employee begins an FML more than five (5) weeks before the end of the school year, the employee must remain on leave for the balance of the school year if the FML is at least three (3) weeks and the employee's return would take place during the last three (3) week period of the school year.
 - b. If the employee begins an FML less than five (5) weeks before the end of the school year for the birth or placement of a child or for the serious health condition of a child, parent or spouse, the employee must continue on leave until the end of the school year if the FML is longer than two (2) weeks and the employee's return would take place during the last two (2) week period of the school year.
 - c. If the employee begins an FML less than three (3) weeks before the end of the school year for the birth or placement of a child or for the serious health condition of a child, parent or spouse, and the leave is for more than five (5) working days, the Board may require the employee to continue taking the FML until the end of the school year.
11. Upon returning to work, the employee will be treated as any employee returning from any other leave of absence in keeping with provisions of this Agreement.

APPENDIX H - ANNUAL OPTIONAL PAY-OUT FOR ACCUMULATED SICK LEAVE

At the end of any school year (June 30) an employee who has more than one-hundred fifty (150) accumulated unused sick leave days may exercise the option of receiving payment from the School District for any days in excess of one-hundred fifty (150) earned during that school year.

Option One:

An employee shall receive a tax sheltered annuity in his/her name from an annuity company selected by the employee and approved to do business in the School District. The District's cost of purchasing said annuity will be equal to the employee's daily rate of pay on that employee's last employment day of that school year times 80% of the number of accumulated sick leave days in excess of one-hundred fifty (150) earned that school year. This amount cannot exceed the IRS limitation which is twenty percent (20%) of the annual salary or \$9,500, whichever is less.

Option Two:

An employee shall receive a gross payment equal to the employee's daily rate of pay on the employee's last employment day of that school year times 80% of the number of accumulated sick leave days in excess of one-hundred fifty (150) earned that school year. It is understood that this payment shall be subject to all legal withholdings and is not tax sheltered.

Option Three:

An employee may receive both an annuity, as provided in Option One, and a payment, as provided in Option Two. The employee will designate the amount to be put into the annuity with the balance to be paid to the employee. The total cost to the District under this option shall not exceed the cost of either Option One or Option Two.

The above options may be exercised by the employee if he/she has accumulated more than one-hundred fifty (150) days of unused sick leave at the end of any school year as set forth above.

After conferring with legal counsel, both Parties agree that any joint petition to the Florida Public Employees Relations Commission for a unit clarification as agreed to in Article I, Section B of the CTA/School Board Collective Bargaining Agreement would not be proper as the listings of job titles under the heading "INCLUDED" in said Section are not changes, but constitute a re-naming of job titles or a deletion of job titles no longer in existence.

The Parties agree that the new substitute list will be used in the future to describe the members of the bargaining unit and that any of the old titles will automatically become members of the bargaining unit should they be reinstated in the future.

APPENDIX M – MOU - FINGERPRINTING

**MEMORANDUM OF UNDERSTANDING
BETWEEN
THE PALM BEACH COUNTY CLASSROOM TEACHERS ASSOCIATION
AND
THE PALM BEACH COUNTY SCHOOL DISTRICT**

The aforementioned Parties, by the signatures of their respective representatives below, agree this 29th day of June 2005 to the following concerning the re-fingerprinting of employees as required by Senate Bill 2986.

1. The Parties recognize that the Florida Legislature enacted and the Governor signed into law Senate Bill 2986 during the 2004 Legislative Session. This law, effective July 1, 2004, requires all public education employees to be re-fingerprinted with such prints to be reviewed and maintained by the Florida Department of Law Enforcement (FDLE) with an initial review of each set of prints by the Federal Bureau of Investigation (FBI) and a follow-up review beginning in 2009 and every five years thereafter.
2. This agreement affects only employees who are required to be re-fingerprinted by the State on or after July 1, 2004 and does not apply to the initial costs of fingerprinting of applicants seeking employment with the District either before or after July 1, 2004.
3. The District will assume all initial costs of re-fingerprinting for all impacted employees of the District, i.e., the District's administrative cost, the cost of the initial fingerprint check with the FDLE, and the cost of the initial fingerprint check with the FBI.
4. Beginning in the fall of 2005 and thereafter, each affected employee will assume the annual maintenance fee charged by the FDLE and, beginning in 2009 and every five (5) years thereafter, the fee charged by the FBI. Payroll deductions will be available to the employee to make these payments when such costs are incurred.
5. This agreement does not affect applicants who are seeking employment with the District, except they will be subject to the fees set forth in paragraph 4 above in the event they become employees of the District on or after July 1, 2004.

APPENDIX N – MOU - Extended Hour of Instruction Supplement and Accommodations

**MEMORANDUM OF UNDERSTANDING
BETWEEN
THE SCHOOL DISTRICT OF PALM BEACH COUNTY (SDPBC)
AND
THE CLASSROOM TEACHERS ASSOCIATION (CTA)**

Notwithstanding Article III, Section B 1 (a) of the Parties' Collective Bargaining Agreement (CBA) and for the duration of this Memorandum of Understanding (MOU), the aforementioned Parties agree that the District will extend the seven and one-half (7.5) hour contractual duty day up to one (1) hour during the 2015-2016 school year of all employees assigned to Pioneer Park, Northmore, Belle Glade and Canal Point Elementary Schools; and those bargaining unit employees assigned to any additional District elementary schools that may be designated by the Florida Department of Education (DOE) during the summer of 2015 requiring these designated additional elementary schools to extend their instructional day up to an additional hour for the 2015-2016 school year.

Each bargaining unit employee will be scheduled and assigned to provide additional instruction to students on regular student attendance days and will be compensated as follows: Those employees scheduled and assigned to provide up to thirty (30) additional minutes of instructional time will be compensated for one-half hour of the employee's hourly rate of pay, minus standard deductions; and those scheduled and assigned to provide more than a half-hour but not more than a full hour of additional instructional time will be compensated for an additional hour of the employee's hourly rate of pay, minus standard deductions. The hourly rate of pay of a full-time employee is calculated by dividing the employee's annual base salary (including the employee's Advanced Degree supplement, if applicable) by 196 days and then dividing that quotient by 7.5 hours.

When a full-time employee assigned to an extended-hour elementary school takes a full day of sick leave or personal leave he/she will be charged 7.5 hours of such leave for that day. When a full-time employee takes a half-day of sick leave or personal leave he/she will be charged 3.75 hours of such leave. Other incremental use of sick leave/personal leave will be charged in accordance with this pattern.

Any affected employee currently assigned to one of the above listed four (4) elementary schools wishing to be reassigned to a non-extended day District elementary school for the 2015-2016 school year may voluntarily place themselves on the District's UAT list by notifying their Principal in writing on or before May 1, 2015. Upon receipt of such written request to their Principal, and during the UAT Placement Period, each affected employee will be transferred and placed at a non-extended day District elementary school for the 2015-2016 school year in keeping with the UAT Procedures in the Parties' CBA. If the school to which the

APPENDIX N – MOU Extended Hour of Instruction Supplement and Accommodations (cont'd)

employee is reassigned is not a Glades School and if he/she was receiving a Glades supplement during the 2014-2015 school year, no Glades supplement will be paid unless the employee resides in the Glades and received a Glades supplement of \$2,200 during the 2005-2006 school year. In such situations and pursuant to the provisions in Appendix D of the Parties' CBA, the employee may continue to receive a Glades supplement of \$2,200 until such time he/she no longer resides in the Glades or until he/she becomes eligible to be paid a higher Glades supplement in the event the employee is transferred in the future to a Glades school.

As mentioned in the first paragraph of this MOU, if any additional District elementary schools are designated and required by DOE to provide up to an additional hour of instruction during the 2015-2016 school year, all employees assigned to these DOE designated District elementary schools for the 2015-2016 school year will also have their contractual duty day extended up to an hour as described in the second paragraph of this MOU. As the Spring UAT period will have concluded by the time DOE may designate additional District Elementary Schools to provide up to an additional hour of instruction for the 2015-2016 school year, any affected employees assigned to one of these DOE designated District elementary schools who feels he/she cannot work additional instructional time may apply for a special Hardship Transfer per the provisions of this MOU set forth below.

Affected employees may request a special Hardship Transfer up to the fifth (5th) student attendance day (August 21, 2015) of the 2015-2016 school year. Applications received after that deadline will not be considered. Applications for a special Hardship Transfer must be submitted in writing to both the employee's Principal and Area Superintendent and will be acted on by a special Review Board comprised of two (2) appointees of the CTA and two (2) appointees of the Superintendent. Applications for a special Hardship Transfer must be in writing and include a narrative fully explaining the reason(s) the employee is seeking a special Hardship Transfer. Travel time and/or distances will not be considered valid reasons to seek or to approve a special Hardship Transfer, but a serious medical condition or a serious personal reason which includes, but is not limited to conflicting irresolvable childcare issues or conflicting irresolvable outside work obligations will be given serious consideration provided these reasons can be substantiated to the satisfaction of the members of the Review Board.

Special Hardship Transfer requests will be acted upon on or before September 4, 2015. Until acted upon, employees who have submitted special Hardship Transfer requests are expected to continue to make all necessary arrangements so they can work the extended instructional schedule at their respective school until their special Hardship Transfer applications are approved and finalized; or to continue to work such extended instructional schedule at their school if their requests are not approved.

APPENDIX N – MOU Extended Hour of Instruction and Accommodations (cont'd)

A unanimous or majority vote of the four-member Review Board to deny a special Hardship Transfer is not subject to appeal. An evenly split two to two vote is considered a vote to deny the request, but such evenly split two to two vote is appealable to the CTA Executive Director and the District's Chief of Human Resources who will promptly meet to make a final and non-appealable decision. If the CTA Executive Director and the District's Chief of Human Resources cannot agree, with the approval of CTA the issue may be submitted directly to STEP THREE of the Parties' expedited Grievance Process outlined in the final two paragraphs of Article II, Section G, sub-section 8 of the Parties' CBA. While such decision is pending, the employee is expected to continue to make all necessary arrangements to work the extended instructional schedule at his/her school.

An employee hired after May 1, 2015 who agrees to work at an extended instructional day elementary school as a part of his/her employment offer is not eligible to seek a special Hardship Transfer. This eligibility prohibition is applicable for new hires assigned to any of the four (4) listed elementary schools and to any of the DOE designated elementary schools per the first paragraph of this MOU.

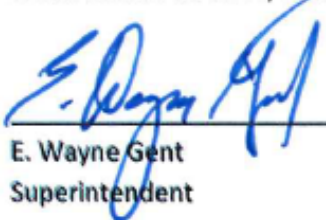

Effective August 17, 2015, employees who have been selected by the District to provide up to an additional hour of instruction at their respective schools (any of the four (4) listed elementary schools or any additional elementary schools that are designated and required by DOE to provide additional instructional time to students as set forth in the first paragraph of this MOU) who have school-aged children enrolled in one of the District's After Care Programs will be provided the opportunity to be credited with the cost of providing an additional hour of After Care for their child(ren) that is a direct result of the employee providing additional instruction at their respective school per the provisions of this MOU. Employees eligible for this benefit must complete, submit and return a District form to their respective Principal that will be time and date stamped and then forwarded to appropriate school's After Care Program to allow the employee to receive credit for the last additional hour of After Care service provided his/her child who is enrolled in said After Care Program. If the form is returned to the employee's Principal on or before Friday, August 21, 2015, the employee will receive credit for the last additional hour of After Care services each day for the period August 17-21, 2015 that the child attended After Care. If the form is returned to the Principal after Friday, August 21, 2015, no past credits will be granted and the employee will be granted After Care credit for the last additional hour of After Care services on a go forward basis beginning on the date the completed form is forwarded to and received by the appropriate After Care Program. A separate form must be completed for each child enrolled in a District After Care Program. Forms will be made available to all affected employees once this MOU is signed by representatives of the District and the Association, and thereafter to additional affected employees should additional elementary schools be designated by DOE per the first paragraph of this MOU.

Appendix N – MOU Extended Hour of Instruction and Accommodations (cont'd)

The Parties agree that all efforts will be made to schedule and conduct any additional professional development and/or in-service activities that are determined by the District to be necessary on already scheduled Professional Development Days and/or In-Service Days. The Parties also agree to limit the number of Faculty meetings to one regular Faculty meeting per month (September through May). If there is an emergency relating to the safety of students and/or employees, an additional brief emergency faculty meeting may be called by the Principal. In addition and notwithstanding this limitation, the Principal may schedule faculty meetings on a Pre-School Day, a Post-School Day, an In-service Day and up to 55-minutes on a Teacher Work Day.

This MOU becomes effective upon the Parties' representatives affixing their signatures below and expires after June 3, 2016, but may be extended with the mutual written agreement of the Parties, unless otherwise required by Florida Statute. In addition, this MOU will be submitted for ratification by members of the bargaining unit and for approval by the School Board along with and at the same time other items are tentatively agreed to during current negotiations on Salary and possibly other items. Until ratified and approved, the Parties agree that this MOU is binding on the Parties and any alleged violations of this MOU may be grieved via the Parties' Grievance Procedure through STEP THREE – binding arbitration.

Rosenwald ES
SIG III MOU

MEMORANDUM OF UNDERSTANDING

Between

The School District of Palm Beach County

And

The Palm Beach County Classroom Teachers Association

Regarding a Three-Year Project at Rosenwald Elementary School

The School District of Palm Beach County (the District) and the Palm Beach County Classroom Teachers Association (CTA), as evidenced by the respective signatures below, agree to this Memorandum of Understanding (MOU) as more specifically set forth herein.

The District applied for a competitive grant from the Florida Department of Education on behalf Rosenwald Elementary School. The District was successful in being awarded this grant. The resulting grant funds, within State prescribed parameters, are to be utilized for the purpose of improving student performance and will include monetary awards to be paid to T-bargaining employees assigned to budgeted positions at Rosenwald Elementary School, hereinafter referred to as the Project School. Such monetary awards are based on a two-part Pay-For-Performance Plan and through differentiated pay supplements based on agreed to complexity factors. In addition, monetary awards also will be paid to eligible T-bargaining employees who are described in Section C of this MOU. It is the intent of the Parties that this grant will cover the cost of this three-year Project so that no District Operating funds need be expended to implement or maintain this Project during this three (3) school year period of time.

GENERAL PROVISIONS

1. This three (3) year Project for school years 2014-2015, 2015-2016 and 2016-2017 will be in place each of these three (3) school years for T-bargaining employees who are actively on-duty and assigned to budgeted positions at the Project School for a minimum of ninety-nine (99) full or half-time contractual days for that school year and to eligible additional instructional staff described in Section C of this MOU. T-bargaining employees assigned to budgeted positions at this Project School wishing to be reassigned to another District school may voluntarily place themselves on a Unit Adjustment Transfer (UAT) list by notifying their Principal in writing on or before August 22, 2014 for school year 2014-2015 and by April 10, 2015 for school year 2015-16 that they wish to be Unit Adjustment Transferred (UAT'd) to another District school for the following school year. Upon timely receipt of such written request to the Principal, each affected employee will be UAT'd and according to his/her seniority will be placed at another District school in keeping with the provisions of Article IV, Section E 4 of the Collective Bargaining Agreement (CBA) and this MOU. Such employees will be placed first before regular UAT placements are made and will be promptly notified of their new school assignment for the ensuing school year. Should the UAT Placement of an affected employee not be at a Glades School, the employee will no longer be eligible to receive the Glades Supplement. The Parties further agree that while eligible T-bargaining employees in the District may seek a Voluntary Transfer pursuant to Article IV, Section C of the CBA to the Project School having a posted vacancy, T-bargaining employees who are being Involuntarily Transferred from any District School or who have been UAT'd from any District School may not list this Project School on either an Involuntary Transfer form or an Instructional Placement Preference (IPP) form for the duration of this MOU without the written concurrence of the Principal of the Project School, unless no other placement is available in a District school in the employee's area of certification. Eligible T-bargaining employees wishing to list the Project School on either their Involuntary Transfer forms or on their IPP forms must contact the Principal of the Project School in advance and obtain written approval from that Principal to place the name of the Project School on such forms. Prior to the third year of the grant, an employee who believes he/she has reason to be granted a Hardship Transfer may apply for a transfer pursuant to Article IV, Section C-5 of the Contract.
2. The Parties agree that should the District decide to provide before-school, after-school or non-school day tutorial programs for students attending the Project School, T-bargaining employees assigned to such tutorial programs will

APPENDIX O – MOU SIG III (School Improvement Grant III) – Rosenwald Elementary School (cont'd)

be paid the Tutorial Hourly Rate of Pay pursuant to Appendix M of the CBA when assigned to tutor students in any such School-sponsored or District-sponsored Tutorial Program. When T-bargaining employees assigned to the Project School who are assigned to Tutor elementary students immediately after the end of the student day, such tutoring will be considered an "after school activity with students" in keeping with Article III, Section B 4 (a) of the CBA.

3. The Parties recognize and agree that instructional employees who are already receiving a salary supplement for being a Department Head or Grade Level Chair at the Project School, that as a function of this supplemental position and without any additional compensation (other than the supplemental amount already being paid), may be required to assume and perform some additional leadership responsibilities at the Project School as assigned by the Principal.
4. The Parties agree to set aside only those provisions of the CBA that conflict with the provisions of this Memorandum of Understanding, with all other provisions of the CBA remaining in full force and effect.

A. PAY-FOR-PERFORMANCE PLANS

1. The District and CTA agree that this Project will have a two-part Pay-for-Performance Plan comprised of both a "School-Wide Team Pay-For-Performance" component and an "Individual Instructor's Pay-For-Performance" component for Reading and/or Math Teachers who are assigned to teach either or both of these subjects to students who take State Assessments in these subject areas. The attached Exhibit 1 containing the relevant Pay-For-Performance matrices will be used as an outline to assist the Parties each year of this Project to determine who will receive one or both of the two-part Pay-For-Performance Awards and the dollar amount(s) of those awards. The Parties agree that Exhibit 1 is a part of this MOU. When determining who will be recipients of the individual instructor's Pay-For-Performance Award for each previous school year (beginning with the end of the 2014-2015 school year) and who will be recipients of the School-Wide Team Pay-for-Performance Award for that previous school year, the Parties agree to meet and with the assistance of the Department of Research & Evaluation the Parties will to make these determinations as set forth in paragraph 2 immediately below. Only instructional employees assigned to a budgeted position at the Project School (including Instructional Staff described in Section C of this MOU) and who were on duty for a minimum of ninety-nine (99) full or half-time contractual days at the Project School during any school year during which this MOU is in effect and who remain at the Project School or District school the following school year or who leave the employment of the District in good standing will be eligible for consideration to receive a full or partial Pay-For-Performance Award that school year. When meeting to determine who will be recipients of the Individual Awards and School-Wide Awards as outlined in paragraph 2 immediately below, the Parties will determine if an employee who has left the employment of the District left such employment in good standing on a case by case basis.
2. With the assistance of the Department of Research & Evaluation, The Parties agree to meet when test exam results are received for the first school year (2014-2015) of the Project and will meet both at the beginning and at the end of the second and third years (2015-2016 and 2016-2017) of the Project when test results are received for that previous school year to review the viability and validity of using some End Of Course (EOC) exam results as a component of Proportion of Years Growth (PYG) calculations.
3. The Parties shall strive to make such Pay-For-Performance Awards, minus standard deductions, within sixty (60) calendar days after such determinations are annually made by the Parties.

APPENDIX O – MOU SIG III (School Improvement Grant III) – Rosenwald Elementary School (cont'd)

B. SUPPLEMENTAL COMPLEXITY PAY

Based on the attached complexity model contained in Exhibit 1, complexity pay will be allocated over the number of pay periods each instructional employee has elected for that school year. Full-time and part-time employees (including Instructional Staff described in Section C of this MOU) who are assigned to budgeted positions at a Project school(s) for a minimum of ninety-nine (99) full or half-time contractual days in any school year this MOU is in effect will receive complexity pay in proportion to the equivalent number of full duty days they worked at a Project School(s) with the number of full duty days in a school year at the Project School.

C. ADDITIONAL INSTRUCTIONAL EMPLOYEES/PROGRAMS

As determined by the District and within the budget of the SIG III grant, the Project School may be provided with additional support during some and segments of, but not necessarily during all three (3) years of this Project. Such additional support from the District may include a RTI Facilitator, a LTM Facilitator, a Reading Coach, a Math Coach and/or a Science Coach for each or segments of the three (3) school years of this Project. This list of additional support personnel is not all inclusive. In such instances, inclusion of such additional staff in Pay-For-Performance eligibility will be determined on a case-by-case basis utilizing such data, including but not necessarily limited to, percentage of time allocated to this school in the instructional employee's regular duty day (or week), with such inclusion being mutually agreed upon between the District and CTA, including determination of such performance pay eligibility on a prorated basis. Each Project School will be provided with and will utilize the *AIMS Web* program to track the effectiveness of interventions.

D. EXTENDED DUTY DAYS AND/OR ADDITIONAL DUTY DAYS

By September 5, 2014 and again prior to March 25, 2015, (and at a mutually agreeable date for the third year of the MOU) the Parties will meet to decide how to schedule a total of not more than three hundred (300) additional instructional/in-service/professional development hours for each instructional employee to be worked during the 2014-15 and both the 2015-2016 and 2016-17 school years. It is understood that instructional employees assigned to budgeted positions at the Project School who work these additional hours and/or days and will be paid their regular hourly rate of pay only when they are actually on duty for these additional hours beyond 7.5 hours per day and/or beyond 196 days during the school year. These additional duty hours/days are not optional and must be worked as scheduled for the 2014-15, and for both the 2015-2016 and the 2016-2017 school years. At least during the 2014-15 school year, the Project School will already be scheduled an additional hour of instruction each regular student attendance day per a separate MOU between the Parties. At least during the 2014-15 school year, this additional hour of instruction per regular student attendance day will count towards meeting the total of not more than three hundred (300) additional instructional/in-service/professional development hours as determined by the Parties.

E. TECHNOLOGY

In concert with the District and the Project School's Technology Committee, relevant training in the effective use of technology will be provided to appropriate Instructional staff of the Project School during the 2014-2015 school year as determined by the District, and if deemed appropriate by the District, during any subsequent year of this Project.

F. PARENT UNIVERSITY PROJECTS AND COMMUNITY IN SCHOOLS PARTNERSHIPS

A Parent University Project and a Community In Schools Partnership will be fostered and established for implementation during the 2014-2015 school year and both will be continued during the 2015-2016 and 2016-2017 school years at the Project School. Instructional employees assigned to the Project School may choose to participate in both of these Community/Parent outreach programs.

G. AMENDMENTS TO THIS MOU AND ITS TERMINATION

Should the current grant funding cease to exist or should the funding no longer cover the costs of this agreement, the District and CTA agree to meet as determined by either party, to review the funding structure of this State Improvement Grant (SIG) and to determine its financial viability for each of the years of this Project; and if it is determined such viability is no longer present, the District and CTA will immediately enter into good faith negotiations to amend this MOU and/or Exhibit 1 to return it to being financially viable and sustainable and in the event this cannot be mutually agreed upon this MOU and Exhibit 1 will be deemed void upon receipt of written notice of one Party to the other.

School Improvement Grant III

School Improvement Initiatives and Pay for Performance (PFP)

(within State prescribed parameters)

April 2014

Key Points - School Improvement Grant

- **An application is being made for a Three-Year competitive “School Improvement Grant” to apply for a PBC School (Rosenwald Elementary).**

- **Focus is on using the School Improvement Grant 1003(g) program to build capacity for Continuous Improvement.**

Key Points - School Improvement Grant ***Ideas for Consideration***

- **Increased learning time: 300 hours a year including: 180 hours for 60 minutes of daily core reading instruction and 120 hours of collegial planning/enrichment activities**

- **Job-Embedded professional development and time for adult learning**

- **Rigor and Relevance added to core curriculum with front loaded extended learning opportunities**

- **Pay for Performance for staff**

Extending Opportunity for All

Key Points - School Improvement Grant

- The School District of Palm Beach County did not politically support Florida Senate Bill 6 (SB6), MAP, or Race to the Top as these initiatives included a focus on “individual-based” pay for performance. The District believes the efforts of the entire school “TEAM”, working in a collaborative manner, is critical to the successful education of our children.
- Grant parameters for Pay for Performance are dictated by the State Grant Administrators.
- However, with this Grant, together we have a unique opportunity to do two things:

In a budget strapped economy, put more money in teachers pockets , and

Provide feedback to the State regarding what is good and what needs improvement in their prescribed parameters for School Improvement and Pay for Performance.

Extending Opportunity for All

Initial Draft of Pay for Performance design concepts provide an opportunity for school instructional staff to earn award dollars in three ways.....

1) School (Team) Performance Achievement:

Collaborate as a School Team to maximize School-Wide Proportion of Year's Growth (PYG) (percentage of students scoring a PYG at or above 1.0 (Reading, Math) and/or

2) Teacher (Individual) Performance Achievement:

Maximize the # of your students scoring a PYG at or above 1.0 (Reading, Math),

Performance Award Opportunities:

| Teachers: | <u>School (TEAM)</u> | + <u>Individual</u> | = <u>Total</u> |
|---|----------------------|---------------------|----------------|
| All Teachers ¹ : | \$5,500 | | \$5,500 |
| Individual ² Teachers (PYG): | \$5,500 | \$1,500 | \$7,000 |

1) "All Teachers" includes all instructional employees classified as "T" bargaining unit.

2) Only Individual reading (reading, english, language arts) and math teachers for whom student PYG data is available are eligible for the "individual" portion of the award.

3) Teacher Complexity Pay

Formula driven stipend designed to provide differentiated pay based on factors that may include but not be limited to: subject area, critical shortage areas, high priority locations, difficult to staff areas, student economic status, etc.....

**MEMORANDUM OF UNDERSTANDING
BETWEEN THE PALM BEACH COUNTY SCHOOL DISTRICT
AND THE
PALM BEACH COUNTY CLASSROOM TEACHERS ASSOCIATION (CTA)**

The above parties, by the signatures of their respective representatives below, agree this 15th day of July, 2009, to modify, set aside and/or replace some provisions of the Collective Bargaining Agreement as stipulated herein for full-time instructional personnel employed as teachers in the School District's Virtual Education School. Instructional employees (hereinafter referred to as "teachers") selected and assigned full-time to the School District's (hereinafter referred to as "District") Virtual Education School (hereinafter referred to as "School") will enjoy and be subject to all terms and conditions of employment including the salary and benefits provided pursuant to the parties' Collective Bargaining Agreement (hereinafter referred to as "CBA"), except that:

1. Teachers assigned to the School are subject to the School's Teacher Handbook as it relates to the at-home work environment and other terms and conditions of employment. Therefore, teachers assigned to the School are not covered by Article II, Section A. 5 and 6, or Sections C and D of the CBA. In addition, initially such full-time teachers must already be employed under Professional Services Contracts or Continuing Contracts with the District until assurances are received from the State that Annual Contract teachers can utilize their teaching experience in the Virtual School setting to qualify to renew their State Teaching Certificates.
2. Teachers will be responsible for providing grades and other feedback to their students pursuant to the Virtual School's grading and feedback procedures. Therefore, teachers assigned to the School are not covered by Article II, Section A. 7 of the CBA.
3. Teachers assigned full-time to the School are subject to a duty day that will require them to be available to their students on-line and/or via their personal telephones up to 12 hours per day as determined by the School, although actual duty time during this 12-hour availability period shall be limited to a non-continuous period of approximately 7.5 hours that includes a daily 40 minute planning period and a daily 30 minute lunch or supper period. Therefore, teachers are not covered by the last sentence of Article II, Section A 1, or Article III of the CBA, except for Sections A, B 6, 7 and 8; C 1, 2 and 5; E; F 1; H; K; L; R and S, which do apply to these teachers. In addition, paragraph 9 of Article III, Section G of the Agreement also applicable.
4. Teachers assigned to the School are subject to a modified and higher order Teacher Evaluation system that will be primarily based on the negotiated "Competency Assessment" process of the adopted Classroom Teachers Assessment System (CTAS); however, during the first 90 days teachers will not be evaluated under the "Accomplished Educators Assessment (AEA)" process. With these understandings and minor exceptions, teachers are covered by the provisions of Article II, Section G of the CBA.

APPENDIX P – MOU – Virtual Education School (cont'd)

5. Because of the unique nature of the assignment to the School and the at-home work environment, teachers are not covered by Article II, Sections F 1-7, H, J, O, Q, R, U, V, and W of the CBA. Teachers are subject to providing time-logs and developing in-depth review and enhancement lessons as needed for their students and, per School formatting guidelines, may be required to record and provide these lessons to others, including but not limited to the District and to other teachers assigned to the School.
6. Teachers are required to attend Professional Development Programs/Trainings as required by the District and/or the School during the School Year and such days may or may not be the same as those scheduled for other T-bargaining unit employees. In addition, teachers may not be provided with "Teacher Work Days" on the same dates as other T-bargaining unit employees.
7. It is understood that that in lieu of attending an Open House and/or some of the twice a month Faculty Meetings that may be scheduled by the School in keeping with Article III, Section B 6 and 7 of the CBA, the teacher may be required to conduct face-to-face instructional seminars with students at a site determined by the School. This may be a public library, a school facility or another suitable location as determined by the School. It is further understood that teachers will be eligible for mileage reimbursement from the District if the location to which they are authorized to travel in their personal vehicles requires them to drive a greater number of miles than the number of miles constituting a roundtrip from his/her residence to the Administrative Offices of the Virtual School. Mileage reimbursement will be at the District's published rate and will be for miles driven in excess of the roundtrip mileage from the employee's residence to the Administrative Offices of the Virtual School.
8. The parties agree that if a selected teacher determines that he/she no longer wants to be assigned as a teacher at the Virtual School anytime during the first ninety (90) work days as a Virtual School teacher, he/she may notify the School's Principal in writing that he/she wishes to be considered a UAT and he/she will be UAT'd from the School and placed in another assignment as soon as possible using the provisions of Article IV, Section E of the CBA. Assuming the teacher is either a PSC or CC employee of the District and after being assigned to another assignment, he/she may exercise a one-time option prior to the regular UAT Placement Period in the spring of that same school year by declaring himself/herself as a UAT with his/her Principal making himself/herself subject to the UAT Placement Procedures for placement in a vacant position for the following school year. It is understood that this one-time option is waived if the PSC/CC teacher seeks and accepts a voluntary transfer in the interim.
9. The parties further agree that if the School's Principal determines there is a need to reassign a selected teacher from the School to another assignment anytime during the first ninety (90) work days as a Virtual School teacher, the Principal must notify the teacher in writing that he/she will be considered a UAT and the teacher will be UAT'd from the Virtual School assignment and placed in another assignment as soon as possible using the provisions of Article IV, Section E of the CBA. Assuming the teacher is either a PSC or CC employee of the District and after being assigned to

APPENDIX P – MOU – Virtual Education School (cont'd)

another assignment, he/she may exercise a one-time option prior to the regular UAT Placement Period in the spring of that same school year by declaring himself/herself with his/her Principal as a UAT from that assignment and being subject to the UAT Placement Procedures for placement in a vacant position for the following school year. It is understood that this one-time option is waived if the PSC/CC teacher seeks and accepts a voluntary transfer in the interim.

10. The parties agree employees seeking placement as a teacher assigned to the District's Virtual School may not utilize the Unit Adjustment Transfer (UAT) placement process to seek or attain such placement, but may seek a Voluntary Transfer to posted vacancies at the Virtual School pursuant to Article IV, Section C of the parties' CBA.
11. The parties agree that instructional employees not assigned full-time to the Virtual School who are selected by the Principal of the Virtual School to teach as part-time supplemental Virtual School teachers after their regular instructional duty hours, will be paid a monthly supplement of \$1,250, minus standard deductions, if assigned and actively teaching part-time as a Virtual School teacher for that entire month (September through May). Supplemental pay for days worked in August and June as part of the regular school year will be paid on a pro-rated basis for each of those two months, as will those selected to be part-time supplemental teachers assigned to the School for all or part of special session.
12. The parties agree that should the District determine there is a need for some or all of its full-time teachers to work extended duty days, the provisions of Article III, Section A may be applied and used to the extent necessary to fulfill the responsibilities of the School to its enrolled students. In addition, nothing herein denies the right of the District to post vacancies for part or all of special session and to select teachers from among those who apply to teach in the Virtual School's special session. Nothing herein denies the right of the District to employ part-time employees to work part-time during part or all of special session.
13. Upon receipt of the written call of either party to this MOU after January of 2010, the parties agree to meet to review this MOU and negotiate changes to this MOU for the 2010-2011 school year. Thereafter, this MOU will be subject to negotiations per the procedures contained in the CTA-District Collective Bargaining Agreement.

APPENDIX Q – MOU – Teacher Recruitment Sign-On Incentives

| |
|---|
| MEMORANDUM OF UNDERSTANDING (MOU) |
| BETWEEN THE SCHOOL DISTRICT OF PALM BEACH COUNTY, FLORIDA |
| AND |
| THE PALM BEACH COUNTY CLASSROOM TEACHERS ASSOCIATION (CTA) |

In an effort to attract high quality instructional employees to the School District of Palm Beach County and advance the District's goals and objectives contained in its Academic Business Plan, the Parties agree this 15th day of May, 2006, that eligible new hires for the 2006-2007 school year and eligible new hires thereafter may be provided monetary incentives by the District as set forth herein:

1. The District will meet with the Association on or before March 15* of each year to discuss the critical needs area(s), the number of tiers and the amount of the incentive, if any, for each tier for the following school year to be paid to eligible instructional new hires pursuant to this Memorandum of Understanding. These discussions will also address the Tuition Reimbursement Program and any changes necessary to insure program effectiveness. The Parties agree that no incentive will be greater than \$10,000 without the written approval of both the District and the Association.
2. After meeting and conferring annually with the Association as provided in paragraph 1 above, the District's Title I schools may be assigned into four (4) or fewer tiers. Each tier of Title I District schools may generate a different Recruitment Incentive amount each school year, but each Title I District school in a tier will provide the same Recruitment Incentive amount for eligible new hires that school year. For example, it could be announced that a Recruitment Incentive for the ensuing school year will be paid to new hires fully certified in the critical need academic areas of Exceptional Student Education (ESE) and Secondary Mathematics and assuming there are 100 Title I District schools, those schools could be divided among 4 or fewer tiers based on the percent of students who qualify for a free or reduced lunch or some other factor(s) determined by the District. If there are four tiers that school year, each of those 4 tiers could contain 25 schools. Tier One schools could be assigned a Recruitment Incentive of \$5,000, Tier Two \$4,000, Tier Three \$3,000 and Tier Four \$2,000 for that school year for new hires assigned to schools in those tiers who are fully certified in and are assigned to teach ESE or Secondary Mathematics. Based on its needs for the following school year and after meeting with the Association, it could be announced at that time that a Recruitment Incentive will be paid to new hires fully certified in Secondary Science, ESE or ESOL and the District's Title I schools could be divided into two tiers with 40 schools in Tier One and 60 schools in Tier Two. Tier One schools could be assigned a Recruitment Incentive of \$6,000 and Tier Two schools could be assigned a Recruitment Incentive of \$4,000 for new hires assigned to schools in those tiers who are fully certified in and are assigned to teach Secondary Science, ESE or ESOL that school year.
3. An instructional employee, upon initial employment with the School District, who is certified to teach in-field or has been issued a Statement of Eligibility by the Florida Department of Education in one or more of the critical need academic areas designated for that school year and who formally agrees in writing to an assignment to a Title I District school in one of those annually designated critical needs areas, shall be eligible for a Recruitment Incentive in an amount annually specified and subject to the conditions contained herein.

APPENDIX Q – MOU-Teacher Recruitment Sign-On Incentives (cont'd)

4. To qualify for a Recruitment Incentive, the new instructional hire must commit, in writing, on a District provided form no later than the date he/she successfully and fully completes his/her New Employee Orientation and is cleared for employment, to teach at a Title I District school for four (4) school years and be actively employed with the District and teaching in-field at a Title I school in one or more of the District selected critical need academic areas for that school year.
5. The incentive will be paid in two (2) separate installments: One-half of the incentive amount will be paid as soon as possible, but not later than thirty (30) calendar days after the eligible new instructional hire successfully and fully completes his/her New Employee Orientation, is cleared for employment and completes and signs the District provided form as provided in paragraph 4 above. One-half of the incentive will be paid within thirty (30) calendar days after the beginning of the second school year. Where an employee's hire date is subsequent to October 1, the Incentive will be pro-rated and paid accordingly.
6. A newly hired instructional employee who receives the Recruitment Incentive is neither eligible to seek a voluntary transfer nor to volunteer for the Unit Adjustment Transfer (UAT) procedure during his/her four school-year commitment period.
7. If the employee is subject to a Unit Adjustment Transfer, he/she will be reassigned to another Title I school, if a vacancy exists. If there are no vacancies in the employee's area of certification at a District Title I school, he/she will be placed pursuant to the normal UAT placement procedures at a non-Title I school without penalty.
8. In the event the employee is approved to take a leave of absence during this period, his/her commitment to remain at a Title I District school will be tolled at the time he/she is on leave. Upon returning from leave, the commitment will be reinstated, and the employee must satisfy the time remaining on his/her four-school-year commitment.
9. Should the employee's employment with the District end during this commitment period, a portion of the incentive will be repaid to the District in proportion to the length of time the employee was assigned to a Title I school under the provisions of this Memorandum Of Understanding. (For example, if a \$4,000 is paid and the employee has fulfilled three school years of his/her four school year commitment, he/she owes the District for one school year or $\frac{1}{4}$ of \$4,000 = \$1,000. This amount is to be repaid to the District by the employee).
10. If the employee resigns during his/her four school year commitment period, he/she will owe the District as set forth in paragraph 9 above but may be eligible to reapply for employment with the District as provided in the Parties' Collective Bargaining Agreement. If re-employed, he/she will not be eligible for a continuation of any yet unpaid incentive or for another Recruitment Incentive as provided by this MOU.

APPENDIX Q – MOU-Teacher Recruitment Sign-On Incentives (cont'd)

As part of a joint effort to provide continuing opportunities for professional growth and development, the Parties agree to offer a Tuition Reimbursement Program for instructional employees desirous of obtaining certification in one of the following subject areas:

Exceptional Student Education, grade level K-12 (all exceptionalities except gifted);
Secondary Mathematics, grade levels 6-12;
Secondary Science, grade levels 6-12; or
Reading, grade levels K-12 (excludes reading endorsement)

TUITION REIMBURSEMENT

1. All instructional employees assigned full-time to a participating Title I School who are not eligible for the Recruitment Incentive as set forth above who sign-up to participate in this Tuition Reimbursement Program and who start taking courses as set forth herein no later than the summer of 2009** shall be eligible to receive tuition reimbursement for up to nine (9) semester hours of coursework per year successfully completed at an accredited college or University at a rate not to exceed \$244.12 per semester hour. Such coursework must be necessary for the employee to become certified in one of the above listed subject areas and, if applicable, such coursework may be used to earn an advanced degree if the employee is enrolled in a graduate program. To facilitate this goal, the District and the Association will jointly work together to establish a Graduate Degree Program at a local University/College that will allow eligible teachers to simultaneously become certified in the above listed subject areas and obtain an advanced degree in one of the above listed areas.
2. For purposes of establishing eligibility for reimbursement of tuition costs, a year is defined as the period extending from a fall term to the succeeding fall term. As used herein, "successfully completed" means a grade of "B" or above.
3. To receive reimbursement, receipt(s) of tuition costs and official transcripts must be submitted to the Division of Human Resources no later than two (2) months from the date the semester ended during which the course was successfully completed.
4. Eligibility for reimbursement is contingent upon a continuing assignment to a participating Title I School and for two (2) additional school years after the appropriate certification area is added to the employee's certificate.
5. The provisions of paragraphs 6, 7 and 8 above apply to an instructional employee taking advantage of this tuition reimbursement program.
6. Should the employee's employment with the District end during this commitment period, a portion of the reimbursement will be repaid to the District in proportion to the length of time the employee was assigned to a Title I school under the provisions of this Memorandum Of Understanding.

APPENDIX Q – MOU-Teacher Recruitment Sign-On Incentives (cont'd)

7. If the employee resigns during his/her commitment period, he/she will owe the District as set forth in the preceding paragraph but may be eligible to reapply for employment with the District as provided in the Parties' Collective Bargaining Agreement. If re-employed, he/she will not be eligible for a continuation of any yet unpaid tuition reimbursement or for any further tuition reimbursement as provided by this MOU.

*In a separate 2007 MOU, the Parties agreed to amend this date from "February 1" to "March 15".

** The Parties agreed to amend this date from "the summer of 2007" to "the summer of 2009"

**MEMORANDUM OF UNDERSTANDING
BETWEEN
THE SCHOOL DISTRICT OF PALM BEACH COUNTY, FLORIDA
AND
THE PALM BEACH COUNTY CLASSROOM TEACHERS ASSOCIATION**

TERMS

APPENDIX U – MOU - Lake Shore Middle School

Lake Shore Middle School

Impasse Resolution: March 5, 2015

MEMORANDUM OF UNDERSTANDING
BETWEEN
THE SCHOOL DISTRICT OF PALM BEACH COUNTY (The District)
AND
THE CLASSROOM TEACHERS ASSOCIATION (CTA)

This MOU is an addendum to the July 1, 2011–June 30, 2014 Collective Bargaining Agreement (CBA). If Lake Shore Middle School remains a District-Managed Turnaround School for the 2015-2016 school year, it is also an addendum to the Parties' successor Collective Bargaining Agreement (CBA) to the July 1, 2011-June 30, 2014 CBA.

As required by the State approved "Turnaround Plan" for Lake Shore Middle School, the Parties to this MOU agree that as a District-Managed Turnaround School, the instructional day for students was required by the State to be increased by an hour over the State-required normal number of hours/minutes of daily instruction; and in addition, up to 120 hours are to be used for tutoring targeted students before and/or after school hours and/or on weekends. To meet this requirement, and notwithstanding Article III, Section B 1a of the Parties' Collective Bargaining Agreement (CBA), the Parties agree that effective August 18, 2014 and thereafter for as long as Lake Shore Middle School remains a District-Managed Turnaround School, the District may select employees from among those employees assigned to Lake Shore Middle School to be scheduled to work an additional hour (8.5 hours instead of 7.5 hours) on student attendance days. Those selected employees will be compensated at their individual hourly rate of pay for as long as they remain selected to work this additional hour at Lake Shore Middle School. The employee's individual hourly rate of pay is calculated by dividing the employee's annual base salary (including any District-recognized Advanced Degree supplement the employee may have) by 196 days and then dividing that quotient by 7.5 hours.

In addition, effective August 18, 2014 and thereafter for as long as Lake Shore Middle School remains a District-Managed Turnaround School, the Principal may select from among those employees assigned to Lake Shore Middle School who volunteer to tutor targeted Lake Shore Middle School students before/after school hours and/or on weekends and/or during the summer. Such selected volunteers will be paid for providing tutorial services to assigned targeted students at the tutorial hourly rate of pay in Appendix M of the Parties' CBA. If an insufficient number of Lake Shore employees volunteer or an insufficient number of these volunteers are selected by the Principal to tutor targeted Lake Shore Middle School students, employees who reside in the Glades will be asked to volunteer to tutor targeted Lake Shore Middle School students before/after school hours and/or on weekends and/or during the summer. From among those who volunteer to provide such tutoring services who are selected by the Principal, they will be paid at the tutorial hourly rate of pay in Appendix M of the Parties' CBA. Finally, if an insufficient number of employees who reside in the Glades volunteer to tutor targeted Lake Shore Middle School students or an insufficient number of these employees are selected by the Principal, teachers assigned to Lake Shore Middle School who did not volunteer to tutor targeted students or who did volunteer but who were not initially selected by the Principal, may be selected and assigned by the Principal to tutor assigned targeted Lake Shore Middle School students before/after school hours and/or on weekends and/or during the summer, unless such employees seek and are granted a written waiver from doing so by the Area Superintendent.

Employees assigned to Lake Shore Middle School who are scheduled to work this additional hour who have school-aged children enrolled in one of the District's After Care Programs are provided the opportunity not to be charged for any additional time their children are required to remain in such After Care Program as a direct result of the employee working this additional hour. Employees eligible for this benefit must complete and return District Form 2476 to the School Site Director of his/her child's After Care Program. Employees submitting these

APPENDIX U – Lake Shore MOU (cont'd)

Forms at least ten (10) days after the date this MOU is tentatively agreed to will receive credit for the last additional hour of After Care each day effective on the date their child was enrolled in a District After Care Program for the 2014-2015 school year. Forms submitted later than ten (10) days after the date this MOU is tentatively agreed to will be effective on a go forward basis on the next day after the form was properly completed and submitted. A separate form must be completed for each child enrolled in a District After Care Program.

As a result of the District's financial commitment to these selected employees they will be paid their individual hourly rate of pay for working an additional hour on student attendance days at Lake Shore Middle School. Employees at Lake Shore Middle School are also to be paid the Additional Period Supplement pursuant to Article III, Section P 5a & 6 and Appendix F of the CBA when they are assigned to provide instruction for six out of the seven instructional periods on regular student attendance days.

When full-time employees assigned to Lake Shore Middle School are approved to take a full-day of sick or personal leave they shall be charged 7.5 hours of such leave for that day. When full-time employees assigned to Lake Shore Middle School are approved to take a half-day of sick or personal leave they will be charged 3.75 hours of such leave. Other incremental use of sick leave/personal leave will be charged in accordance with this pattern.

The Parties agree to limit the number of faculty meetings to one (1) per month (September through May) if the Principal elects to schedule such faculty meetings; however, the faculty meeting shall be conducted during the work day. If there is an emergency relating to the safety of students and/or employees, an emergency faculty meeting may be called by the Principal in addition to the one Faculty meeting mentioned herein. In addition, the Principal may schedule a faculty meeting for up to fifty-five (55) minutes on all Teacher Work Days and/or In-Service Days as specified in the official School District Calendar. Also, the Principal may schedule up to two (2) faculty meetings during pre-school and will pay particular attention to having such faculty meetings on Pre-school days only when necessary and to keeping such meetings as short as possible to provide some additional duty time for employees to use in preparation for the upcoming school year.

Should Lake Shore Middle School remain a District-Managed Turnaround School for the 2015-2016 school year, employees assigned to budgeted positions at Lake Shore Middle School wishing to be reassigned to a non-extended hour District School are encouraged to avail themselves of the voluntary transfer process detailed in the CBA. If said employees are unable to secure an alternate assignment through a voluntary transfer, they may voluntarily opt-out by placing themselves on a Unit Adjustment Transfer (UAT) list by notifying their Principal in writing on or before April 10, 2015 that they wish to be UAT'd to a non-extended hour District School for the following school year. Upon timely receipt of such written notice to their Principal, each affected employee will be UAT'd and will be placed at a non-extended hour District school pursuant to Article IV, Section E 4 of the CBA and this MOU. An employee who is UAT'd is no longer eligible for the full Glades Supplement unless he/she is placed in a Glades non-extended hour District School. An employee who resides in the Glades who is not placed in a Glades non-extended hour District school and who previously received the Glades supplement of \$2,200 before January 1, 2006, will remain eligible to be paid an annual Glades supplement of \$2,200.

An employee wishing to transfer to Lake Shore Middle School during the term of this MOU must first seek and obtain the written permission of the School's Principal before applying for a position at the School and may not list the School on his/her Instructional Placement Preference (IPP) form or on his/her Involuntary Transfer form without the prior written approval of the School's Principal.

The Parties also acknowledge that the prior notification requirements of Article III, Section P 7 e of the CBA were satisfied by the District prior to the start of the 2014-2015 school year, i.e. as a "Priority" School, the District has taken action to establish a seven (7) period instructional schedule at Lake Shore Middle School.

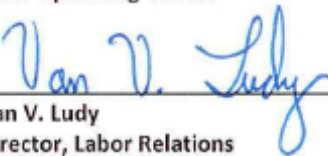

APPENDIX U – Lake Shore MOU (cont'd)

The Parties agree to set aside only provisions of the Collective Bargaining Agreement that conflict with the provisions of this Memorandum Of Understanding, with all other provisions of the CBA to remain in full force and effect.
