

On September 27, 2019, the District's Coordinator of Compensation provided 2019-2020 salary information for Plano ISD teachers.

The 2019-2020 new hire salaries are as follows:

Starting salary (no experience):

Bachelor's Degree: \$54,000

Master's Degree: \$56,000

Maximum salary:

Bachelor's Degree: \$80,701

Master's Degree: \$82,701

The district does not operate under a step schedule. In addition, there is a \$500 differential for teachers earning a Doctorate Degree; however, the differential pay would never exceed the Master's Degree pay.
