Can I bring my resume to your office?

No. We only accept resumes that have been submitted online through our recruiting software. If the position is no longer available we will not be able to accept your resume until the next vacancy has opened. We do not accept walk-ins as our office has very structured hours for interviews and processing of new hires.

How would I obtain assignments?

We use a web-based absence management system called Frontline Absence Management (FAM). It is a very easy system to use to find and fill teacher vacancies all with a few clicks of a button. All candidates will be offered to attend a training on FAM and can register to attend if needed.
