## ARTICLE II: GENERAL

### Section A: Recognition

**Paragraph 1:** The Board of Education recognizes the United Teachers of Wichita for the purposes of professional negotiations under K.S.A. 72-2215 *et seq.* as the exclusive representative for the teachers unit of the professional employees.

**Paragraph 2:** The bargaining unit shall be defined as those contract employees of the Board of Education in positions which require a certificate/license issued by the state Board of Education or employed in a professional, educational or instructional capacity by the Board of Education, including nurses, social workers and High School Junior Reserve Officer Training Corps (JROTC) instructors, but shall not mean any such person who is an administrative employee or administrative intern.

**Paragraph 3:** The Board and the UTW acknowledge that the agreement herein set forth has been adopted following a good faith effort by both parties to reach agreement between representatives of the UTW and the Board as provided in K.S.A. 72-2215 *et seq.*

**Section B: Management Rights**

**Paragraph 1:** The UTW acknowledges that the Board and the Superintendent have certain exclusive statutory rights and responsibilities.

**Section C: Savings Clause**

**Paragraph 1:** Any paragraph of this agreement or any action pursuant thereof which is contrary to law shall be null and void, but the remainder of the agreement or contract shall remain in full force and effect.

**Paragraph 2:** Any previously adopted policies, practices, procedures, customs, rules, regulations or writings of the Board which are in conflict with this agreement shall be superseded by the terms set forth herein. The Board shall not amend this agreement, nor make nor execute decisions or policies which violate this agreement.

**Section D: Nondiscrimination**

**Paragraph 1:** In all hiring and assigning of employees and in all compensation, benefits and other terms and conditions of employment, the school district shall comply with all applicable federal and state laws with regard to nondiscrimination on account of race, color, religion, sex, age, handicap, national origin or ancestry. Insofar as is reasonably possible, the Superintendent shall strive to maintain an equitable balance in each category of employment with regard to race, age and sex.

**Section E: Closure Clause**

**Paragraph 1:** Both the Board and the UTW acknowledge that all mandatory subjects of negotiations which either party proposed to negotiate have been negotiated and neither party has any right to negotiate further on these or any other subjects during the term of this agreement except by mutual consent.

**Paragraph 2:** This agreement may be amended at any time by mutual consent. However, no amendment to this agreement shall be binding unless executed in writing and ratified by both the Board and the UTW.

**Paragraph 3:** Certain District schools have been designated to be "priority" and "focus" schools by the Kansas Department of Education (KSDE). It is anticipated that requirements that may be imposed upon the District by KSDE that apply to priority and focus schools, if complied with, will cause the District to be out of compliance with the provisions of this agreement, and the District, as a result of being out of compliance with priority and focus school requirements, may lose federal or state funding. The District and UTW agree that the loss of state and/or federal funding should be avoided.

- (a) The Superintendent will notify the UTW President if the Superintendent learns that enforcement of a provision of this agreement would cause the District to be out of compliance with a state or federal mandate and would jeopardize the District's receipt of funds from the state or federal government. Upon receiving notice the UTW President will meet with the Superintendent and they together will draft a waiver of the provision(s) of this agreement that, if enforced, would jeopardize state or federal funding. A waiver of enforcement of a provision of this agreement will be drafted as narrowly as possible.
- (b) When the Superintendent and President of UTW agree to a waiver clause, the waiver clause shall be presented to the Board of Education and to the UTW Executive Board for approval. The waiver clause shall be effective upon approval by the Board of Education and the UTW Executive Board.

**Section F: Waiver Clause**

**Paragraph 1:** The UTW recognizes that it has the right to negotiate any and all terms and conditions of professional services as set forth in K.S.A. 72-2218(I) and judicial interpretations thereof. Regardless of that right, the UTW hereby waives its right to negotiate any such term or condition which has not been noticed, negotiated, agreed, set forth herein, and ratified by both parties. The UTW expressly agrees that the Board and administration have the exclusive right to control and change such terms and conditions which have not been negotiated by policy, rule, procedure, regulation or decision during the term of this agreement.

**Section G: New Bargaining Unit Members**

**Paragraph 1:** Upon reemployment in or transfer to the teachers bargaining unit, teachers will be subject to decisions by the Human Resources Division concerning temporary leave, longevity payments and other terms and conditions of employment. Such decisions shall be based on relevant provisions of applicable policies, procedures and employment agreements in addition to the past practices of the District, maintenance of equity among employees and the intent of the applicable language involved.

**ARTICLE III: PROFESSIONAL YEAR**

**Section A: Professional Year for Teachers**

**Paragraph 1: Contract Days**

- (a) The base contract days for teachers for the 2021-2022 contract year and thereafter, exclusive of those in supplemental or contract addendums, shall be 190 days consisting of teaching and nonteaching professional days as determined by the Board. Daily rate of pay for the 2021-2022 contract year and thereafter shall be calculated based on 190 days.
- (b) The base contract for High School Junior Reserve Officer Training Corp (JROTC) instructors shall be for twelve (12) months a year. High School JROTC instructors shall observe as nonworking days the days on the calendar as set forth in Appendix A that are identified as holidays and recess days. Additional nonworking days, to a maximum of 20 days, shall be arranged with and approved by the base principal and shall normally be scheduled outside the school year. High School JROTC instructors shall be entitled to such additional nonworking days commencing August 1 the second year of their employment. If a High School JROTC instructor starts work after August 1 of a year, then commencing the upcoming August 1, the instructor shall be entitled to a prorated number of nonworking days based on the time period worked. Those nonworking days not used by August 1 of each year shall be lost as of each August 1.

- (c) The Superintendent and the UTW President will review all requests submitted to extend the school year prior to April 1 of each year. Their joint recommendation shall be subject to Board approval. All requests must be first supported by 80 percent of the affected staff as determined by a secret ballot election conducted by the UTW. Staff members who do not support the extended year concept shall have the right to transfer. Such contract days shall be scheduled on weekdays, Monday through Friday, between the first and last workday of each contract year. In the event that schools are closed for one or two days due to inclement weather, the number of base contract days shall be reduced by such one or two days.

**Paragraph 2: New Teacher Orientation**

Prior to the teachers report day, the administration may schedule up to three (3) days for the purpose of orienting newly employed teachers. Such days shall be used for staff development, diversity training and other orientation activities designed by the administration. One of the days will have a general session for all new teachers which will include presentations by the Superintendent or designee, Board President or designee, and the UTW President or designee, along with any other presentations deemed necessary by the district. At least one hour will be given to the UTW during the other two days for the UTW to present items of mutual interest. The UTW shall also be given the opportunity to present items of mutual interest on one day to extended school year teachers that do not participate in the regular new teacher orientation. New teacher orientation for extended year teachers may be shortened to two days by mutual agreement between the administration and the UTW. The UTW shall participate with the administration as to preparing and designing the new teacher orientation program. Any teacher who is required to attend shall receive his/her daily rate for attendance on the General Session day and shall receive \$14.50 per hour for attendance on the other two days. Payment shall be paid within thirty (30) days of the second day of orientation unless Labor Day falls within that period, in which case payment shall be made the first working day after Labor Day or thirty (30) calendar days after the second orientation day, whichever comes last. Partial days shall be prorated. Compensation shall be paid in accordance with regular payroll procedures. Teachers shall select a fringe benefit option. The teacher shall have up to three succeeding days (Monday-Friday) to change the selection.

**Paragraph 3: Workshop Inservice Training Day**

During each contract year, attendance centers shall be guaranteed at least one day between October 1 and March 15 on any Monday through Friday for the purpose of a workshop or inservice training. The Superintendent shall schedule the time to be taken.

**Paragraph 4:** Each teacher shall have three uninterrupted days in his/her classroom during the pre-school teacher report days. In order to accommodate other building/district inservice requirements, it may be necessary to divide these days into six one-half day segments.

**Paragraph 5:** A teacher shall be provided one full day of uninterrupted time at the end of each grading period (“nonteaching duty day”). Reporting of grades during each grading period (posting, transferring and recording) will be required as set forth below:

- (a) Secondary teachers (grades 6-12) will update and post grades a minimum of every other week;
- (b) Elementary teachers (grades 1-5) will update and post student grades a minimum of one time per month.

- (c) Updating and posting of grades by elementary teachers (Pre-K and Kindergarten) is not required earlier than the end of the nonteaching duty day.

Reporting of final quarterly grades for elementary teachers and reporting of quarterly progress reports and final semester grades by secondary teachers is not required earlier than the end of each nonteaching duty day. If a teacher has finished reporting of grades by the end of the day before the first quarter, first semester, or third quarter nonteaching duty day, the teacher does not have to report for the nonteaching duty day. A teacher who does not have grades reported by the end of the day before the first quarter, first semester, or third quarter nonteaching duty day must report to work on the nonteaching duty day, but may leave as soon as grades are reported. As it applies to the end of the second semester, final reporting of grades (posting, transferring and recording) will not be required earlier than the end of the fourth quarter nonteaching duty day. If the teacher has all grading and documentation requirements complete before the fourth quarter nonteaching duty day, the nonteaching duty day will only be for building checkout procedures ("end of year checkout process") with no specified time requirement. Teachers shall not be required to print their own report cards.

**Paragraph 6:** Special Education teachers, pre-kindergarten teachers and speech-language pathologists who have case manager responsibility for Individual Education Programs (IEP) and who have Special Education students assigned to them in a classroom environment shall be provided four (4) professional days per school year to work on IEPs at their building. The professional days shall be scheduled by agreement between the building principal and teacher and shall be taken in full day increments with a maximum of two days taken per quarter.

**Paragraph 7:** A conference release day will occur once each semester. This day will be provided as compensatory time for evening parent-teacher conferences. Portions of parent-teacher conferences will be held in the evenings with the amount of time not to exceed seven (7) hours for the week.

**Section B: School Calendar**

**Paragraph 1:** The school calendar adopted by the Board is set forth herein as Appendix A.

**ARTICLE IV: PROFESSIONAL DAY**

**Section A: Elements of the Day, All Teachers**

**Paragraph 1:**

- (a) The ending time of the school day in each building for the 2021-2022 school year and thereafter shall be seven (7) hours and ten (10) minutes after the beginning time. The Superintendent and the UTW President will review all requests submitted to extend the school day prior to April 1 of each year. Their joint recommendation shall be subject to Board approval. All requests must be first supported by 80 percent of the affected staff as determined by a secret ballot election conducted by the UTW. Staff members who do not support the extended day concept shall have the right to transfer. Teachers shall be present during those hours when they have an assigned responsibility. Teachers must notify the

building principal or designee when they will be out of the building while school is in session.

- (b) A building principal, with the approval of the Superintendent, shall have the authority to adjust beginning and ending times of the school day of individual teachers in a manner that does not exceed the length of day in subsection (a) above for the individual teacher, subject to the individual teacher's agreement with such change.

**Paragraph 2:** Teachers shall attend individual conferences with administrators at reasonable times but in no case later than the teacher's next conference/preparation period.

**Paragraph 3:** Teachers shall attend necessary staff meetings at the direction of the base school principal or district office program administrators. Normally, teachers shall be given at least 48 hour notice of such meetings. Normally, not more than one (1) total building staff meeting shall be held per calendar month and teachers shall not be required to attend longer than 60 minutes per meeting. However, at the principal's discretion, two additional staff meetings may be held during the school year, but no more than one per semester. A teacher's absence from any staff meeting should be the exception rather than the rule. In the event of an absence, it is the teacher's responsibility to contact the principal so that the information from the staff meeting can be communicated to the teacher in a timely manner.

**Paragraph 4:** Teachers shall attend pupil and parent conferences when necessary including reasonable requests from a pupil or parent.

**Paragraph 5:** Teachers shall be present in and around the building for a minimum of ten (10) minutes before and after the school day. This time shall be used for the purpose of preparations, conferences, and supervision of pupils as directed by the principal but will not be considered part of a teacher's conference/preparation time.

**Paragraph 6:** Teachers shall make complete and adequate preparation to fulfill their responsibility to pupils.

**Paragraph 7:** Teachers shall accomplish necessary administrative work directly related to their assignments.

**Paragraph 8:** Teachers may be required to collect and transmit money. Teachers shall exercise reasonable care to assure that money collected will not be lost. Reasonable effort will be made to keep money collection by teachers to a minimum and to expedite the collection process. Each teacher who collects monies shall be provided building and district policies concerning the collection of money.

**Paragraph 9:** Teachers shall not be required to transport pupils to or from activities which take place away from the school building except where such transportation would be a normal responsibility of a particular position and/or condition of employment under a supplemental contract. However, a teacher may do so voluntarily with the advance approval of the building principal.

**Paragraph 10:** On nonteaching professional days, teachers shall be present for 7 hours and 30 minutes including the lunch period. An authorized administrator may reduce such time requirement.

**Paragraph 11:** Teachers shall attend up to three (3) evening events designated as mandatory and published with at least two (2) weeks' notice by the base school principal. Such events shall be beneficial to the school community, and teachers shall not be required to attend longer than two (2) hours per event. Additional mandatory evening events may be designated upon a majority affirmative vote conducted by secret ballot of the teachers.

**Paragraph 12:** All teachers shall be guaranteed at least one 40-minute, duty-free lunch period per day.

**Paragraph 13: Lesson Plans**

- (a) All teachers providing instruction to students will use written lesson plans that utilize applicable scales and critical content and otherwise conform to USD 259 standards. Subject to the foregoing requirements, the teacher shall otherwise determine the format of the lesson plans.
- (b) Teachers will make their lesson plans and any other supplemental material used for instruction of students available to the administrator upon request. The parties agree that, whenever possible, lesson plans should be prepared in advance but recognize that appropriate instruction may occasionally require adjustments or modifications to lesson plans that reasonably cannot be completed prior to the presentation of the plans.
- (c) The administrator requesting the lesson plans will provide meaningful and timely written feedback to the teacher.

**Paragraph 14:** Meetings that teachers are required to attend will not be set on days when elections for federal, state or local offices are held.

**Section B: Elements of the Day, Classroom Teachers**

**Paragraph 1:**

- (a) Each full-time classroom teacher and special education teacher shall have a schedule which normally provides at least 225 minutes per five day week for conferences and preparations. During one week per month, an additional 45 minutes will be scheduled for elementary teachers. Teachers in grades 6 through 12 in buildings with block schedules shall have a schedule which normally provides at least 450 minutes per two consecutive five-day weeks for conferences and preparation, but no less than 180 minutes per week.
- (b) In grades one through five and full-time kindergartens, this time shall occur in not less than 30-minute periods. In half-day kindergartens and pre-kindergartens, this time shall occur in not less than 20-minute periods.
- (c) Neither the 10 minutes before and after the school day nor passing periods may be considered as conference/preparation time.

**Paragraph 2:** When any class assigned to the teacher does not meet for any reason, the teacher may be assigned other professional duties during the class time.

**Paragraph 3:** When the teacher is absent, the teacher will have available for the substitute lesson plans in sufficient detail to provide adequate guidance to the substitute, as well as class lists and seating charts where appropriate. In the event an absence exceeds three (3) days, the teacher shall make the grade book available to the substitute upon request.

**Paragraph 4:** Special education teachers who manage IEPs shall not be required to perform light duty.

**Section C: Elements of the Day, All Teachers Except Classroom Teachers**

**Paragraph 1:** The base school principal shall determine the teacher's daily time schedule after giving consideration to any schedule which the teacher may have suggested and to the teacher's need for conference/preparation time. Teachers shall also be present during those additional hours required to perform their particular assignments. Teachers who in one day serve multiple buildings with different starting times shall not be required to have a permanent schedule which would exceed the normal workday for non-classroom teachers.

**Paragraph 2:** Teachers shall attend evening activities related to their particular assignments as designated by the base school principal.

**Paragraph 3:** Each full-time elementary music teacher, elementary physical education teacher, elementary library media specialist and elementary art teacher shall have a schedule which normally provides approximately 225 minutes per five day week for conferences and preparations. During one week per month, an additional 45 minutes will be scheduled for elementary teachers. This time shall occur in not less than 20 minute periods. Neither the 10 minutes before and after the school day nor passing periods may be considered as conference/preparation time.

**Paragraph 4:** Library media specialists will not be required to supervise study halls while carrying out their regular assignments as library media specialists.

**Paragraph 5:** Except for an emergency situation or implementation of the building emergency plan, teachers for which a personnel shortage requires a portion of those services to be contracted out, shall not be required to serve as a temporary substitute or to supervise students during lunch, recess, passing periods, assemblies, study hall or before or after school.

**Paragraph 6:** The school nurse shall be afforded up to sixty (60) minutes per week for the nurse to complete required medical documentation, provided that the time schedule is established in advance with the building principal and will be adjusted if a conflict arises.

**Section D: Extra Duties**

**Paragraph 1:** While participation in extra activities including in-service and committee activities beyond the professional day may be encouraged by the Board or administration, the same will be voluntary in nature unless required by the responsibilities as set forth in Sections A, B, or C above, or unless required by the Supplemental Salary Section of the Teacher Compensation Article.

**Paragraph 2:** Regular duties assigned in addition to the responsibilities set forth should be compensated and set forth in a Supplemental Salary Schedule, and once compensation is so set, accepted and added to a Supplemental Salary Schedule as set forth in the Teacher Compensation Article, such duties shall be fully performed in a professional manner.

**Section E: Time Schedules**

**Paragraph 1:** Teachers shall work in accordance with established time schedules. Such schedules shall include the lunch time(s) and, in some buildings, the number of and times for teaching periods.

**Paragraph 2:** Permanent changes in a school's normal time schedule may be proposed by the principal or the School Building Committee. Under normal circumstances, changes should be proposed no later than April 1 for the following school year. Such proposed changes shall be submitted to the School Building Committee which shall be responsible for determining the degree of acceptance by teachers who would be affected. The findings of the committee shall be reported to the principal in a timely manner. The principal shall give consideration to such findings prior to making his/her decision and the School Building Committee shall be notified in writing of that decision. If the School Building Committee does not give written notice of its disagreement with the principal's decision within five (5) contract days, the principal's decision shall be implemented.

**Paragraph 3:** If the School Building Committee notifies the principal within five (5) contract days of its disagreement with his/her decision, the elementary or secondary District Schedule Committee, each composed of three (3) members appointed by the UTW and three (3) members appointed by the Superintendent, shall meet and permit the School Building Committee, the principal, and other interested parties an opportunity to be heard regarding the proposed school changes. The District Schedule Committee shall make a timely recommendation to the Superintendent. The Superintendent shall give consideration to the recommendation of the District Schedule Committee prior to making his/her decision. The Superintendent's decision shall be implemented.

**Section F: Supervision of Student Teachers**

**Paragraph 1:** Supervision of a student teacher shall be voluntary. Teachers shall normally be notified of a student teacher assigned at least two (2) weeks prior to the student teacher's introduction to the classroom. The school system shall provide the cooperating teacher with whatever materials it deems appropriate. The cooperating teacher shall be responsible for being knowledgeable of the contents of any such materials provided.

**Section G: Appeal**

**Paragraph 1:** In the event an administrative decision is made concerning the professional day, such decision shall remain in effect pending determination under the grievance procedure.

**ARTICLE V: TEACHER COMPENSATION**

**Section A: Definition and Placement**

**Paragraph 1:** Each teacher employed by the Board shall be compensated for the professional services which he/she renders during the professional days for the term of a contract year. This compensation shall be termed salary and the amount of such salary each teacher receives for a contract year shall be determined by his/her placement on the Teachers Salary Schedule (Section B, Paragraph 1 of this Article).

- (a) A fractional part of a year's service shall be paid on the basis that the number of contract days worked bears to the total number of contract days in the contract year.
- (b) The base contract salary shall be prorated for any teacher who teaches less than full time.

**Paragraph 2:** The final judgment concerning the placement of any teacher on the salary schedule shall be determined by the Human Resources Division. Such judgments are not to be inconsistent with this Section.

**Paragraph 3: General Provisions**

- (a) Each teacher shall be eligible for and shall receive the highest salary to which his/her academic preparation and experience entitle him/her. All salary placements are subject to verification of experience and training and shall be adjusted in any direction for each contract year to the level for which the teacher proves his/her entitlement on or before September 10 of each year. Experienced teachers beginning their employment after September 10 of a school year shall be placed on the track and step for which they qualified as of September 10 of that school year. Inexperienced teachers beginning their employment after September 10 of a school year shall be placed on Step 2 of the BA Track or on Step 2 of the track for which they qualified as of September 10 of that school year, whichever is higher. Teachers employed full time for one full semester of a school year shall be given credit for one year of experience; however, one full semester of full-time teaching experience obtained in each of two different years or school systems shall be combined and counted as one year of experience with adjustment in step placement made accordingly.
- (b) Subject to (a) above, the teacher qualifies for one (1) higher step for each full year of teaching experience under a contract with Unified School District 259, and for each year of extended or sabbatical leave when such leave is expressly to be so counted in the Leaves Article. However, any teacher who completes the previous school year on a Plan of Assistance and continues on that plan in the next school year will not qualify to advance to a higher step. Notwithstanding any other provisions of this agreement, upon successful completion of a Plan of Assistance, the teacher, if eligible under this agreement and Paragraph 3(a) above, shall immediately move to the next step. The phrase "full year" as used in this subparagraph shall mean being under a base contract for 170 or more days within one contract year. No teacher will move more than one step in any year.
- (c) At the time of reemployment, a teacher who has been employed previously as a teacher under a contract with Unified School District 259 shall be placed in accordance with the salary provisions of the current Teachers Employment Agreement. However, no such teacher shall be placed on a lower numbered step than he/she was on at the time of the last day in base contract pay status of the most recent prior employment. Furthermore, if at that time the teacher was eligible for the next higher step in the subsequent contract year, the teacher shall be placed on that next higher step on the appropriate track at the time of employment. This step placement shall be adjusted as necessary to account for changes in salary placement procedures which may have occurred in the interim.
- (d) Any former teacher who is reemployed within twelve (12) months of the date of termination will have his/her temporary leave days that were accrued at the time of separation reinstated for up to a maximum of five (5) years for temporary leave that was accrued after March 31, 1999, unless severance compensation has been paid for such leave.

**Paragraph 4: Placement on Teachers Salary Schedule**

**(a) Track**

On the Teachers Salary Schedule (Section B, Paragraph 1 of this Article) each track (vertical column) represents an earned degree from an accredited institution of higher learning or additional earned graduate credit semester hours not already counted in an earned degree. Credit for salary purposes shall be given for only those graduate degrees and/or graduate hours as recognized and supervised by the graduate school of an accredited institution, unless otherwise expressly provided by this Section. Such institutions must have been accredited at the time the degree and/or hours were earned. The accreditation agency must be an agency approved by the Human Resources Division. To be eligible for a degree track, the teacher must have earned the degree that track specifies. His/her placement on an intermediate track higher than the degree track to which he/she is entitled is contingent upon his/her having earned the additional number of graduate semester hours which that track specifies for their equivalent in quarter hours or third hours. Such additional graduate hours may have been earned prior to the date of the teacher's latest degree, but must not have been used to satisfy degree hour requirements. For the 2021-2022 contract year, teachers who qualify for track movement will be placed in the appropriate track to which the teacher is entitled.

**(b) Initial Step Placement**

At the time of employment, each teacher will be placed on the highest numbered step for which he/she qualifies in accordance with the column of the Teacher Salary Schedule entitled "Initial Placement". Other relevant teaching experience may result in higher initial step placement as determined by the Chief Human Resources Officer.

**(c) Step Movement**

Teachers who are eligible for step movement for the 2021-2022 school year will move one step above the step they were in during the 2020-2021 school year.

**(d) Catch-up Step Movement**

One or two step catchup will be paid to certified staff who are one or two steps behind from those years when steps were not negotiated, conditional upon the certified staff not having reached the maximum step attainable pursuant to the salary schedule or having reached the maximum step with the one step movement or the first catchup step in the 2021-2022 contract year.

**(e) Social Workers**

At the time of employment and subject to (b) above, full credit for specialized social work in a school program shall be given. Full credit for clinical social work experience may be given, subject to approval by the Human Resources Division. For purposes of advancing to a higher track, graduate work undertaken must be approved by the appropriate supervisor and the Human Resources Division. Such approval will not be withheld arbitrarily. Credit for a master's degree shall be given only in the field of social work.

**(f) Health Services**

At the time of employment and subject to (b) above, full credit for registered professional nursing experience in a school program shall be given. Full credit for registered professional nursing experience may be given, subject to approval by the Human Resources Division. Non-degree nurses shall be

placed on the BA Track of the Teachers Salary Schedule and shall be ineligible for movement to any other track.

- (g) **School Psychologists**  
At the time of employment and subject to (b) above, full credit for specialized work as a psychologist in a school program shall be given. Full credit for other clinic experience may be given, subject to approval by the Human Resources Division.
- (h) **Speech-Language Pathologists**  
At the time of employment and subject to (b) above, full credit for speech-language services in a school program shall be given. Full credit for clinical experience as a speech-language pathologist may be given, subject to approval by the Human Resources Division.
- (i) **Sixty Hour Master Degrees**  
Teachers who earn master degrees which required a minimum of sixty (60) graduate semester hours (or their equivalent in quarter hours or third hours) in their area of assigned responsibility shall qualify for placement on the MA+30 Track of the Teachers Salary Schedule.
- (j) **High School Junior Reserve Officer Training Corps (JROTC) Instructors**  
The salary for High School JROTC instructors shall be the amount set forth in Section B, Teachers Salary Schedule, in accordance with the salary provisions for other teachers multiplied by 221 times the daily rate of pay or the amount set as the minimum pay for High School JROTC instructors by the Federal government in accordance with the Junior Reserve Officer Training Corps Act plus 3.545% of said amount, whichever amount is greater. High School JROTC instructors without a degree shall be placed on the BA Track of the Teachers Salary Schedule.

**Paragraph 2:** So long as the law requires and notwithstanding the provisions of Paragraph 1 of this Section, any teacher to whom the continuing contract law applies, after completion of all his/her contractual obligations, shall be paid no later than the last working day in June, the balance of his/her contractual compensation in one payment upon his/her request therefor. Said request shall be in writing and filed with the Business/Financial Services Division no later than April 1 of the school year in and for which the request is first made. - (a) The request for the advance payment must be submitted to the Human Resources Division no later than the second day of new teacher orientation.

**Paragraph 1:** Overload teaching is that teaching conducted by a full-time classroom teacher teaching daily in a vacant position during his/her planning period.

**Paragraph 2:** The acceptance of an overload assignment shall be voluntary. The Board shall not use overload teaching assignments as a means of avoiding the employment of additional full-time teachers when such need is indicated.

**Paragraph 3:** When a teacher accepts an overload assignment, he/she shall receive additional compensation for the length of that assignment. Such additional compensation shall be equal to the teacher's daily rate of pay divided by one less than the number of teaching periods in a typical school day at the particular school. Under no circumstances shall a teacher be assigned to more than one (1) overload class.

#### **Section G: Health Occupations**

Teachers exchanging classes by mutual consent and with the approval of the immediate supervisor are not performing as temporary substitutes and no compensation will be required.

**Paragraph 2: Elementary**

An elementary teacher who, at the request of the administration, assumes teaching responsibilities for five (5) or more pupils regularly assigned at that time to another teacher is performing as a temporary substitute teacher and will be compensated at the rate of \$25.00 per hour or major fraction thereof. Such compensation shall not exceed \$50.00 per day.

The payroll deduction for a positive test result or refusal to be tested shall equal the annual tobacco/nicotine premium, averaged between the date of the first paycheck after a positive test result or refusal to be tested and the last paycheck paid in December of the year the nicotine payroll deduction is begun.
- (6) If the spouse's test has a positive result for tobacco/nicotine use, the teacher will be subject to the additional payroll deduction for the spouse's tobacco/nicotine use and the payroll deduction of the annual premium without the wellness discount, if the loss of the tobacco/nicotine free wellness points leaves the teacher's spouse with less than 100 wellness points. The specific coverage may be altered by the Board at any time so long as the coverage provided complies with the expressed terms of this agreement.

**Section M: Catastrophic Emergency Benefit Plan**

**Paragraph 1:** The Catastrophic Benefit Plan was established to help employees recover some of their used temporary leave days when they have exhausted all of their temporary leave and experience a major disaster declared by the President of the United States or experience a qualified medical emergency. The catastrophic event would need to be considered a qualifying Family Medical Leave event in order to be deemed a qualified medical emergency.

**Paragraph 2:** The Catastrophic Emergency Benefit Plan shall be established by allowing each benefited employee to contribute one (1) day of temporary leave to the Plan. Those who wish to enroll in the Plan (those new to the District, those who wish to enroll for the first time, or those who went off benefits since they first contributed a day) may do so during the annual Catastrophic Plan open enrollment period. **Paragraph 3:** All of an employee's applicable temporary leave must be exhausted before the employee is eligible to apply for reinstatement of temporary leave days already deducted because of the catastrophe. Temporary leave must be in deduct and showing up as such on the PeopleSoft system before the employee is eligible. Employees who meet the criteria above shall be eligible to submit an application to draw on the Plan up to twenty (20) days per contract year.

## ARTICLE X: LEAVES

### Section A: Temporary Leave

#### Paragraph 1: Chargeable Temporary Leaves

- (a) Each teacher who is under a full-time contract for a full professional year shall be granted twelve (12) temporary leave days on the first day that the teacher reports for work in that professional year. Each teacher at extended day/extended year schools on a 210-day, full time contract for a full professional year shall be granted thirteen and a half (13.5) temporary leave days. Temporary leave days shall be prorated for any teacher who is contracted for less than full time but at least half time or who begins his/her employment after the beginning of the professional year. However, teachers in less than half-time positions who were hired before August 1, 1999, shall receive prorated temporary leave days. Temporary leave days granted shall be added immediately to the teacher's accumulation. A teacher under an addendum contract shall be granted one (1) temporary leave day for each fifteen (15) days of paid addendum computed to the nearest half day. Such additional days shall be added to the teacher's accumulation upon completion of the addendum contract.
- (b) Unused temporary leave days shall be cumulative without limit.
- (c) Accumulated temporary leave days may be used for:
  - (1) Personal illness, injury, or incapacitation up to the maximum number of days the teacher has accumulated, except that accumulated leave days may not be used during addendum contracts of twenty (20) or fewer days. However, no teacher may use temporary leave days for any single such disability beyond 180 calendar days from the first day of disability. On or before the end of thirty (30) calendar days from the beginning date of the disability and on or before the end of every thirty (30) calendar days thereafter, the teacher and his/her physician shall furnish a statement verifying the disability. For the recurrence of a disability to be considered a new disability, the teacher must have returned to work for a continuous period equal in length to the period of absence or for thirty (30) consecutive contract days if the period of absence exceeded thirty (30) contract days. However, if such time period is interrupted by the end of the school year, a teacher who fails to complete such time period upon the start of the next school year may file an appeal with the Chief Human Resources Officer who may waive the remaining days. Short absences for reasons not related to the disability shall not be counted towards fulfillment of this requirement, but will not be considered an interruption thereof. Temporary leave for maternity will be granted to teachers during the period of actual incapacitation from performing their duties. Pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery shall be treated as any other temporary disability for job-related purposes, including commencement, duration and extensions of leave, payment of disability income, reinstatement and any other fringe benefit offered to employees by virtue of employment.
  - (2) Illness, injury or death of the teacher's spouse, child or parent up to a maximum of fourteen (14) days per contract year. Up to eight (8) of these days may be used for illness, injury or death of the teacher's in-law, grandchild, grandparent, sibling, aunt, uncle, niece, nephew, any person having been regularly living in the teacher's household, or in-law of the teacher's spouse, child, or parent.

- (3) The number of personal leave days which may be taken is based upon the length of employment with the Board. Teachers with twenty-five (25) or more years may take up to five (5) personal leave days, teachers with twenty to twenty-four (20 to 24) years may take up to four (4) personal leave days, and all other teachers may take up to three (3) personal leave days. Personal leave may be taken at the teacher's discretion. However, teachers shall properly file a form of notification twenty-four (24) hours in advance of a personal leave. Teachers shall not take temporary personal leave:
- (a) during nonteaching professional days
  - (b) during the first five and last five days of the school year
  - (c) during addendum contracts of twenty (20) or fewer days
  - (d) to extend those non-working days or conference release days as identified by the school calendar.
- In cases of emergency, the principal may waive the preceding restrictions other than the numerical limit. In addition, the restrictions above shall not apply to a teacher desiring to use personal leave to attend a graduation of the teacher's child or spouse.
- (4) Temporary active duty up to a maximum of fourteen (14) days per contract year. Leave for temporary active duty is provided the teacher who is a member of a reserve military unit which is ordered to active duty as a result of an emergency or disaster.
  - (5) Parental leave up to a maximum of five (5) days per contract year. Parental leave is provided for the non-delivering parent to attend the birth of their child.
  - (6) Adoptive leave up to a maximum of fifteen (15) days per contract year.
- (d) When a teacher is absent from his/her assignment for any of the above reasons, such absence shall be a chargeable absence and the number of days of such chargeable absence shall be subtracted from his/her accumulated temporary leave days. Absences for one-half (1/2) day or less shall be chargeable as one-half (1/2) day. Absences for less than a day but more than one-half (1/2) day shall be chargeable as one (1) day. A teacher's salary shall be reduced by the amount of his/her daily rate of pay for each day of chargeable absence in excess of the limits specified by subparagraph (c) above. However, the numerical limits specified by subparagraphs (c)(2), (c)(4) and (c)(6) above may be extended by the Superintendent upon written request by the teacher if the teacher has accumulated sufficient days.
- (e) When the administration has doubt of the authenticity of the reason given by the teacher for any absence other than personal leave, the administration reserves the right to require evidence of authenticity. After five consecutive days of absence, the administration may require the teacher to furnish evidence of authenticity of the reason given by the teacher. Such evidence shall be subject to review and appropriate action by the Human Resources Division.
- (f) If, in the judgment of the building principal, the total number of absences on a given day by teachers based at the building will impair or is impairing the educational program, then the principal may request that teachers not take personal leave.

**Paragraph 2: Nonchargeable Temporary Leave**

Subject to administrative approval, a teacher may be granted temporary leave for the following purposes, subject to the following provisions. Such temporary leave shall not be chargeable to cumulative temporary leave days, and the teacher shall receive his/her full pay.

- (a) **Court Duty or Jury Duty**  
A teacher may be granted temporary leave to appear in court to answer a jury summons, or for reasons other than personal neglect, violation of law, or matters in which the teacher has a vested interest. The amount paid for jury duty or witness fees, if any, shall be deducted from the teacher's regular pay. Verification of the amount received for jury duty or witness fees must be provided.

**ARTICLE XII:  
PROFESSIONAL RIGHTS AND RESPONSIBILITIES**

**Section A: General**

**Paragraph 1:** The teacher, as a member of the teaching profession, has certain rights, privileges and prerogatives. The Board so recognizes the teacher as a professional person and, when it employs him/ her, it does so with the express intent of honoring those rights, privileges and prerogatives. Correspondingly, when the teacher accepts employment by the Board, he/she does so with the intent of fulfilling his/her professional and contractual responsibilities.

**Paragraph 2:** As a professional, a teacher is frequently called upon to employ his/her own judgment with regard to his/her actions. In doing so, the teacher must bear the responsibility of his/her decisions. In the area of the exercise of his/her professional rights, the teacher's judgment must be relied upon in the general course, but is subject to review in accordance with provisions established by contractual agreement or law.

**Section B: Rights and Responsibilities**

**Paragraph 2: Organizational Activities**

Teachers have the right to join and participate in the lawful activities.

**Paragraph 3: Political Activity**

Each teacher is free to exercise rights and fulfill responsibilities as a citizen by participating in political activity, attending functions of political parties, belonging to the party of choice, seeking support in the community on political issues, becoming a candidate for public office and holding such office. **Paragraph 4: Individual and Personal Rights**

The teacher's individual and personal rights outside the academic setting are no less than those of other citizens. Each teacher has the right to conduct himself/herself outside the academic setting as he/she sees fit unless it can be shown that the teacher's behavior is affecting his/her professional performance in a demonstrably deleterious manner. In adopting this professional dress policy, the Wichita Public Schools recognizes that there are occasions when individuals may need to wear specific clothing due to medical reasons. First and second violations of professional dress standards will result in verbal warnings.

#### **Paragraph 5: Curriculum and Materials**

Copies shall be forwarded to the grievant, the grievant's representative, if any, the UTW President or designee and the Superintendent or designee.

**Paragraph 3:**

- (a) UTW, as an alternative to the informal level and to a teacher(s) filing a Level One grievance, may file with the Superintendent an alternative Level One grievance in circumstances where the otherwise grievant(s) has a genuine concern that the filing of a grievance might result in retaliation being taken by the grievant's immediate supervisor. The President of UTW shall verify to the Superintendent that the person who would otherwise file the grievance has a genuine concern that the filing of a grievance might result in retaliation being taken by the otherwise grievant's immediate supervisor. It is understood by UTW that the Board does not tolerate retaliation by supervisors against persons who file grievances and UTW agrees that it will cooperate with the Superintendent regarding the addressing and eliminating of situations where retaliation may be occurring.
- (b) Upon the filing of an alternative Level One grievance, UTW shall file a written statement that sets out the alleged violation or misapplication of this Agreement or Board Policy 5112 including Administrative Implemental Procedures. If the matter is not informally resolved between the Superintendent and UTW to the satisfaction of the person(s) who would otherwise have filed the grievance within ten (10) days after the grievance is filed, then the Superintendent and President shall meet at their mutual earliest convenience. Upon such meeting the Superintendent and President shall select a neutral person as a hearing officer to serve on a panel with the UTW President and the Superintendent to decide whether there was a violation or misapplication of this agreement or Board Policy 5112, including Administrative Implemental Procedures. The decision of the panel shall be final.

**Section E: Level Two**

**Section F: Level Three**

**Paragraph 1:** Within twenty (20) days after receiving the decision at Level Two, the grievant may appeal the decision of the Superintendent or designee to arbitration. The grievant shall forward copies of the request for arbitration to the grievant's representative, if any, the UTW President or designee and the Superintendent or designee.

**Paragraph 2:** Arbitrations will be heard by a three (3) member panel. Within ten (10) days after the receipt of the request for arbitration, the Superintendent or designee and the UTW president or designee shall each appoint an arbitration panelist. Within twenty (20) days after the two appointments, the two appointed panelists shall agree on a third panelist. If the two appointed panelists are unable to agree upon and obtain an agreement from a third party to serve on the panel, then the Sedgwick County Administrative Judge will be contacted and asked to appoint the third panelist. The panel shall be notified by a joint letter from the grievant and the district, requesting that a time and place be set for the hearing subject to the availability of the parties, and the letter shall specify by stipulation the issue to be determined by the arbitration panel. In the event that the parties are unable to agree on the issue by stipulation after a good faith effort, the letter shall state the proposed issue of each party.

**Paragraph 3:** The arbitration panel shall have no right to add to, subtract from, nullify, ignore or modify any of the terms of this agreement. They shall consider and decide only the stipulated issue presented to them in writing by the district and the grievant, and their decision and award shall be based solely on their interpretation of the application of the terms of the agreement to the issue stipulated. If the parties were unable to stipulate the issue, the panel shall first determine the issue to be decided as presented by one party or the other without alteration. If the matter presented to the panel does not involve interpretation of the terms or provisions of this agreement, the panel shall so rule in their award and shall make no other decision on the issue. The panel shall render no award under this agreement which shall be retroactive beyond the date of the event on which the grievance is based. The award of the panel shall be final and binding upon the Board, the UTW, and the grievant involved.

**Paragraph 4:** The arbitration panel so selected shall fix the time and place for the arbitration and notify the parties thereof. In any disciplinary grievance, the panel shall have no authority to alter or amend any discipline imposed by the district if the panel finds either that the district's actions did not violate the agreement, or that there was just cause for the action.

**Paragraph 5:** No arbitration decision made hereunder shall constitute a binding precedent with respect to any renewal of the existing agreement or the making of a new agreement between the UTW and the Board. The force and effect of arbitration decisions shall expire when the agreement expires unless the language involved is substantially the same in the expired agreement and the new agreement.

**Paragraph 6:** No decision of the arbitration panel in any one case shall create a basis for retroactive adjustment in any other case which arose prior to the date of the written decision of the panel, unless the UTW and the district mutually agree otherwise in writing.

**Paragraph 7:** The fees and expenses of the arbitration panel shall be borne by the party which appointed the panelist. The expenses of the third member of the panel are to be paid jointly by the district and UTW. Each party shall be responsible for its own arbitration expenses. The party producing any witnesses shall pay the expenses of said witness, if any. Upon request of either party, an official court reporter shall record the proceedings, and the party making such request shall pay the cost of the reporter. If the other party requests a copy of the proceeding, that party shall share equally the costs of the reporter.

#### **Section G: Rights of Representation**

**Paragraph 1:** At any level of the grievance procedure, at the grievant's option the grievant shall be represented by the UTW, himself/herself, legal counsel or another person selected by the grievant. Provided, however, if an attorney is going to be present at a Level Two hearing for either the administration or UTW, the other side will be notified at least three (3) days prior to the hearing.

**Paragraph 2:** If a grievant is not represented by the UTW, the UTW shall have the right to be present and to state its views of all levels of the grievance procedure.

#### **Section H: General Provisions**

**Paragraph 1:** If a grievance affects a group or a class of teachers, and at least one affected teacher so desires, the UTW may initiate and submit such grievance in writing to the Superintendent directly and the processing of such grievance will commence at Level Two.

**Paragraph 2:** If a grievance arises because of an act of commission or omission on the part of a member of the administration at a level above the grievant's immediate supervisor, the grievant shall submit such grievance in writing to the Superintendent and the processing of such grievance will commence at Level Two.

**Paragraph 3:** Forms for filing and appealing grievances will be prepared and distributed jointly by the Superintendent and the UTW. The costs of preparing such forms shall be borne by the Board.

**Paragraph 4:** A grievance must be filed on an official form. In filing a grievance, the grievant shall make every reasonable effort to state specifically what was done, who did it, when it was done, the language which was violated, how it was violated, and the remedy requested. If the form is not completed in accordance with this paragraph, the grievance may be returned to the grievant for completion together with a notice regarding the incomplete parts. If the form is then completed and filed within five (5) days, the grievance shall be considered to be no less timely than it was when previously submitted. For purposes of processing the grievance, the filing date shall be the date the completed form is filed.

**Paragraph 5:** The confidentiality of the proceedings will be respected by all parties to the degree that it is consistent with the procedure described. The grievant's right to continued processing of a grievance filed by him/her shall be conditioned upon there being no deliberate violation of this confidentiality by him/her. The publicizing of the general issues involved in a grievance which

does not permit identification of the participants shall not be construed as a breach of this confidentiality.

**Paragraph 6:** Nothing contained herein is to be construed as limiting the right of a teacher having a grievance or an involved administrator to discuss the matter informally with any appropriate person in an effort to have the matter adjusted in a mutually satisfactory manner, provided that such adjustment is not inconsistent with the terms of this agreement.

**Paragraph 7:** A decision at any level of the procedure in favor of the grievant may recommend appropriate restitution or other remedy for the period during which the grievance was suffered but no restitution or remedy shall be retroactive beyond the date that the grievance was filed.

**Paragraph 8:** Any decision rendered at any level of the procedure which is contrary to this agreement or law shall be null and void.

**Paragraph 9:** If any teacher is required to attend a meeting or hearing called by the Board or the central administrative staff, the teacher's immediate supervisor shall be notified that the teacher is to be released without loss of pay for such time as attendance is required for the meeting or hearing.

**Paragraph 10:** Grievances, grievance appeals, grievance communications and grievance findings will not be filed in the personnel file of any teacher. If such a grievance file is maintained, it shall be open for inspection by the grievant upon request.

**Paragraph 11:** Every effort shall be made by all parties to avoid the involvement of pupils in any phase of the grievance procedure.

**Paragraph 12:** No teacher shall be subject to reprisal or discrimination by reason of participation or non-participation in the grievance procedure.

**Paragraph 13:** If a teacher pursues any legal or statutory remedy for an issue, then any further or subsequent proceedings for relief through the grievance procedure shall be barred unless the court or administrative agency refuses jurisdiction until all administrative remedies have been exhausted.

**Paragraph 14:** With the consent of the grievants involved and the Superintendent or designee, similar grievances may be consolidated and processed together as a single grievance. Such consolidation shall not be construed as preventing any grievant from appealing a decision to the next level. Once consolidated, a grievance may be separated only with the consent of the Superintendent or designee. However, consolidated grievances shall not be presented to arbitration without the mutual consent of the parties involved.

## **ARTICLE XX: PRINTING AND DISTRIBUTION**

The Board shall provide an electronic copy of this agreement to UTW. The Board shall also make available an electronic copy of this agreement on the District's website.

## **APPENDIX B**

### **MOU Team Agreements – Teacher Performance Management (2021-2022)**

#### **Self-Evaluation & Growth Plans -**

The Marzano Focused Teacher Evaluation Model will be required for all teachers during the 2021-2022 school year, with the goal of all professionals being rated as “Effective”. Each teacher will specify 1 goal based on the Marzano Focused Teacher Evaluation Model. Training on completing a Growth Plan will be provided for teachers. The Self-Evaluation and Growth Plan will be completed by October 1, 2021.

#### **Evaluations -**

The Marzano Focused Teacher Evaluation Model will be used to evaluate teachers for the 2021-2022 school year. The number of observations needed (minimum) for an evaluation are as follows:

	<b>Formal Observations</b>	<b>Informal Observations</b>	<b>Walkthroughs **</b>	<b>Targeted Observations</b>
<b>Category A 1 Category A2</b>	1 by 60 <sup>th</sup> day of either semester	1 by 60 <sup>th</sup> day of either semester	Minimum of 5 not to exceed 10 during cycle	Only at Administrator’s Recommendation or missing elements
<b>Category A w/ PC –Peer Consultant if teacher has a peer consultant</b>	1 by 60 <sup>th</sup> day of 1 <sup>st</sup> Semester	1 by 60 <sup>th</sup> day of second semester	Minimum of 5 not to exceed 10 during cycle	Only at Administrator’s Recommendation or missing elements
<b>Category B</b>	1 during 1 <sup>st</sup> Semester	1 by Feb 15	Minimum of 5 not to exceed 10 during cycle	Only at Administrator’s Recommendation or missing elements
<b>Category B- POA</b>	1 during 1 <sup>st</sup> Semester	1 by Feb 15	Minimum of 5 not to exceed 10 during cycle	Required as defined by POA or Assistive Process
<b>Category C 4<sup>th</sup> year teachers</b>	1 by 60 <sup>th</sup> day of either semester	1 by the 60 <sup>th</sup> day of either semester	Minimum of 5 not to exceed 10 during cycle	Only at Administrator’s Recommendation or missing elements
<b>Category D 5+ years’ experience D1 (1<sup>st</sup> 1/3) D2 (2<sup>nd</sup> 1/3) D3 (3<sup>rd</sup> 1/3)</b>	1 by 60 <sup>th</sup> day of either semester	1 by the 60 <sup>th</sup> day of either semester	Minimum of 5 not to exceed 10 during cycle	Only at Administrator’s Recommendation or missing elements

*\*\*Best Practice: Walkthroughs should be spread out equitably between semesters whenever possible.*

*Please note that all requirements are intended to be minimums. Administrators can observe for longer periods of time or more often as appropriate. Administrators should make sure that observations occur at different times of the day/period in an effort to see all portions of a lesson. Walkthroughs should be done by multiple certified evaluators when building has multiple certified evaluators.*

**Scoring and Process:** The district will use the Marzano Focused Evaluation Model for Teachers and will use the following scoring model with four (4) ratings: Highly Effective; Effective; Developing; Unsatisfactory. In addition, the following process will apply:

- A. Eleven (11) elements out of the 23 elements will be scored during an evaluation cycle. For the 2021-2022 school year, the 11 required elements will be: (1) Planning Standards Based Lessons; (2) Identifying Critical Content from the Standards; (3) Helping Students Engage in Cognitively Complex Tasks; (4) Using Questions to help students elaborate on content; (5) Helping Students Revise Knowledge; (6) Providing Feedback and Celebrating Progress; (7) Establishing and Acknowledging Adherence to Rules and Procedures; (8) Using Engagement Strategies; (9) Communicating High Expectations for each student to close the Achievement Gap; (10) Establishing and Maintaining Effective Relationships in a Student Centered Classroom; (11) Adhering to School and District Policies and Procedures.
- B. The scores for each element will be based on the highest rating for the 2021-2022 school year.\*
- C. The Evaluation Work Group will continue to study scoring models that best reflect the overall yearly picture of a teacher's performance and make recommendations for scoring.
- D. Administrators must justify their ratings with objective evidence on an element rated at Not Using or Innovating.
- E. The scores for each domain will be averaged for a final score based upon the weightings for the domains.
- F. Domains 1-4 will comprise 100% of the scoring for the 2021-2022 school year and growth plans will comprise 10% of the scoring beginning in the 2022-2023 school year.
- G. When the state sets the student growth percentages, these numbers would be adapted with most of the student growth percentage coming from the Instructional Practice portion of the evaluation.

\*Once a teacher is rated at the applying or innovative level, nothing in this MOU shall preclude a principal from addressing performance concerns on any element. If a teacher does not maintain a consistent level of performance on an element, a principal may start an assistive process, provided the steps in Article XV of the Teacher Agreement are followed.

**Domain Weightings:**

**Domain 1—Standards Based Planning—13%**

**Domain 2—Instructional Practice—44%**

**Domain 3—Conditions for Learning—30%**

**Domain 4—Professionalism—13%**

**Roll Out Cycle -**

The agreement about the rollout for evaluations (timeline to implement) would be done in a 4-year window as shown below (subject to change based on training needs) –

**2019 – 2020 and beyond** – All Category A, Category B, Category C, plus the D rotating 1/3 of teachers with 5+ years of experience so that each experienced teacher is evaluated every 3 years as per state statute.

- *Instructional support staff will fall into this cycle once they are trained on the support staff model.*
- *Any new state mandate would cause this timeline to be reevaluated in order to meet the state requirements.*

**Definitions—**

**Beginning of Year Overview:** A face-to-face meeting conducted with all staff in their evaluation year. Administration will provide an overview of the yearlong teacher evaluation process to include the eleven (11) elements being scored and the expected process for classroom observations. This meeting may be conducted in a large group setting.

**Formal Observation** - An announced observation that is at least 30 minutes in length. Teacher would be required to submit the lesson plan in a format outlined in negotiated agreement and may utilize the optional teacher tool created in Teacher’s Resource OneNote, which aligns with the Marzano model, at least 24 hours in advance. A pre-conference will be held at least 24 hours in advance. A post-observation conference is mandatory and should be held within 5 school days of the observation.

**Informal Observation** - An observation that can be announced or unannounced but is at least 15 minutes in length. Teacher is not required to submit a lesson plan ahead of time. A post-observation conference is mandatory and should be held within 5 school days of the observation.

**Walkthrough Observations:** An unannounced quick observation of at least 5 minutes in length. A Walkthrough should be targeted to observe elements that have not been scored or the teacher has not yet received an applying or innovating rating on an element. A lesson plan would not be required ahead of time and a post-observation conference would not be required.

**Targeted Observations:** Announced observations at least 10 minutes in length that focus on a specific indicator or strategy with written feedback. The teacher or administrator can request a post-observation conference.

**Pre-Conference:** A pre-conference will be held at least 24 hours in advance of the formal observation. The pre-conference should be face-to-face and should include a conversation about the lesson plan provided and/or the expected lesson to be delivered.

**Post-Conference:** A post-conference is mandatory and should be held within 5 days after a formal and informal observation, but can be extended due to extenuating circumstances. The post-conference should be face to face with the teacher and administrator. The meeting should include reflection on the lesson delivered, feedback and an opportunity to address questions or concerns. The post-conference feedback can be done using the post-observation form, as a resource to review. It is not required to be completed before the conference.

**Informal Appeal:** If a teacher disagrees with a rating on an element or an overall score, the teacher must first visit with the administrator giving the rating or final score and supply evidence for reconsideration. If this does not resolve the concern, the teacher may appeal to the 3 teachers and 3 administrators on the Work Group (no UTW officers or employees or HR staff) and this group will make a non-binding recommendation on how to resolve the matter to the Chief Human Resources Officer. The teacher may have representation. The Work Group will interview both the teacher and the observer(s) rating the teacher.

**Category A Teachers** – Probationary teachers in their 1<sup>st</sup> or 2<sup>nd</sup> year of teaching. Would include college to classroom teacher, transition to teaching teachers, and alternative certified teachers.

**Category B Teachers** – Probationary teachers in their final year of probation (i.e., a college to classroom teacher's 3<sup>rd</sup> year).

**Category B-POA Teachers** – Non-probationary teachers on a Plan of Assistance. Staff placed in this category would be in this category for 2 years and have successfully completed their POA or any Assistive Process associated with this POA prior to moving back into Category C.

**Category C Teachers** – Non-Probationary Teachers in years 4+. Evaluation would only include observations and data collected during their official evaluation year.

**Category D Teachers** – D1- 1/3 of Non-probationary teachers with 5+ years' experience; D2- 1/3 of Non-probationary teachers with 5+ years' experience; D3- 1/3 of Non-probationary teachers with 5+ years' experience.

**Training Plan –**

- Continued development in conjunction with District Leadership, Human Resources, the Evaluation Work Group and Learning Services.
- As established through the joint efforts of UTW and USD 259 representatives during Marzano Non-Classroom Work Group meetings, a pilot of the non-classroom evaluation will be conducted at select schools during the 2021-2022 school year.
