Section 5. Policy Statement

Meeting the educational needs of the children, youth, and adults of Miami-Dade County requires the full cooperative effort of all members of the M-DCPS staff.

The Board and the Union pledge their individual and joint efforts to bring about the highest quality performance in the educational program of the M-DCPS.

The Board and the Superintendent of Schools, hereinafter referred to as the Superintendent, have the constitutional and statutory authority, respectively, for the operation of the M-DCPS in addressing the educational needs of the community.

ARTICLE I (Cont.)

Pursuant to the provisions of the Public Employees Relations Act, hereinafter referred to as PERA, Florida Statutes, Chapter 447 et. seq., the Board and the Union enter into this Contract.

Section 6. Compliance with Contracts

The parties agree that all employees in M-DCPS shall implement and carry out the provisions of all collective bargaining agreements entered into by the Board.

Section 7. Titles

Titles of the Articles herein shall not in and of themselves affect the meaning, construction, or effect of any of the sections or provisions of this Contract.

Section 8. Reference to Constitutional Rights and State Statutes

All references to the Federal and State Constitution(s), with respect to constitutional employee rights, Florida State Statutes, State Department of Education and State Board Rules, Public Employees Relations Commission Rules, rulings and decisions, are incorporated and made a part of this Contract.

The Board agrees to comply with all state statutes affecting education and with all State Department of Education and State Board Rules and other state agency rules which affect education, and accepts the rules as minimum standards.

Section 9. Conflicts with Law or Rule

If any changed provision of this collective bargaining contract, which results from any reopener or renegotiations or impasse resolution procedures, is in conflict with any law, rule, or regulation over which the Board has amendatory power, the Board shall amend the law, rule, or regulation to conform to the new provisions of this Contract.

If any provision of the collective bargaining contract is in conflict with any law, ordinance, rule, or regulation over which the chief executive officer has no amendatory power, the chief executive officer shall submit to the appropriate governmental body having amendatory power a proposed amendment to such law, ordinance, rule, or regulation. Unless and until such amendment is enacted or adopted and becomes effective, the conflicting provision of the collective bargaining contract shall not become effective. (Reference, Florida Statutes, Chapter 447.309 (3). ARTICLE I (Cont.)

Section 11. Non-Discrimination

- A. The Union agrees to maintain its eligibility to represent all employees, continuing to admit persons to membership without discrimination on the basis of race, religion, color, national origin, gender, disability, age or marital status, sexual orientation, or linguistic preference and to represent equally, in collective bargaining, all employees without regard to membership or participation in, or association with, the activities of the Union.
- B. The Board agrees to continue its policy of not discriminating against any employee on the basis of race, religion, color, national origin, gender, marital status, sexual orientation, linguistic preference, disability, age, or membership or participation in, or association with, the activities of the Union. Complaints regarding sexual orientation or linguistic preference are not subject to the grievance/arbitration process. Such complaints may be addressed through the appropriate School Board Policies, federal agencies, and/or the court system.

Section 12. Consolidation

In the adjustment of school organization, it is the intent of the Board that all personnel be continued as employees of the Board. Insofar as possible, employees affected by consolidation or any other administrative reorganization will be assigned in the areas of work and at the same levels in which they are engaged, and employees shall not be separated from employment or receive a reduction in base salary because of such consolidation.

Section 13. Memorandum of Understanding (MOU)

The parties recognize that during the term of this Agreement, situations may arise which require that terms and conditions set forth in the Agreement must be clarified or amended. Under such circumstances, UTD is specifically authorized by bargaining unit employees to enter into a Memorandum of Understanding that clarifies or amends this Agreement, without having to be ratified by bargaining unit members. Any Memorandum of Understanding that constitutes an amendment to this Agreement will be incorporated in and made a part of this Agreement.

ARTICLE II -- RECOGNITION

Section 1. Labor Contract Supremacy

All the provisions of this Contract shall be subject to Florida Statutes, Chapter 447, including its prohibitions against strikes. The Board further agrees that this Contract shall supersede any Board Policies in conflict with the provisions of this Contract.

Section 2. Managerial/Confidential Exemptions

The Union recognizes the authority of the Board and/or the Superintendent to designate new administrative or supervisory positions as managerial or confidential. The Union further recognizes the authority of the Board and/or Superintendent to designate persons in an acting capacity for a maximum of one fiscal year to fill administrative or supervisory positions.

The parties agree to establish a Managerial/Confidential Exempt Review Committee which will include a representative from Labor Relations, a representative from Human Resources, and a representative of the exclusive bargaining agent. The purpose of this Committee is to review recommendations for managerial/confidential exempt status and determine if identified job descriptions and/or duties are consistent with statutorily-required criteria for managerial/confidential exempt status. Office employee unit members shall not be designated as confidential exempt employees, except by mutual agreement of all the representatives above.

Section 3. Position Classification

The Board recognizes the Union as the sole and exclusive bargaining agent for employees in the position classifications listed in the Appendix F attached hereto. The Board agrees not to change the position classification of any employee in this bargaining unit or to otherwise change its organizational structure, for the purpose of either removing employees from the bargaining unit (except by promotion) or affecting their rights under this Contract without the mutual consent of both parties to this Contract.

Section 4. Post-Ratification Amendment

The Board agrees to accept and incorporate in this Contract, as an addendum, any other statutory rights granted the exclusive bargaining agent and/or employees by rule, order or decision of the Florida Public Employees Relations Commission and/or the Legislature of the State of Florida during the course of these negotiations and terms of this Contract.

ARTICLE III -- ACCESS AND COMMUNICATIONS

Section 1. Statement of Philosophy

As a pre-requisite to the furtherance of harmonious relationships between the Board and the bargaining agent, both the Board and the Union feel that employees and their official representatives should have direct access to, and communications with, the Superintendent or his/her designees.

Section 2. Meet and Confer Procedures

In order to provide for access and communications, the Board and the Union agree as follows:

- A. The UTD President or Designee shall have the right to confer with the Superintendent or his/her designees on all matters not covered in the contract, limited only by mutual agreement of the time and place for such meetings.
- B. Opportunity will be provided for the UTD President or Designee and the Chief Officer for Labor Relations or his/her designee(s) to meet to plan effective procedures for implementation of this Contract, the arrangements for such meetings to be initiated by either party, limited only by mutual agreement of the time and place for such meetings.
- C. Chief Officers, associate superintendents, assistant superintendents, and other administrators shall meet with the UTD President or Designee, limited only by mutual agreement as to time and place of such meetings. Such meetings may deal with specific educational program issues and other matters of mutual interest not contained in the contract. It is the intent of the parties to maintain open communications on issues which impact implementation of the educational program and to identify and resolve problems which fall within the scope of this Contract.

ARTICLE IV -- CONTRACTS

Section 1. Individual Contract

Where State Statutes require that employees serve under individual contract, the Board agrees that each of the employees shall receive a copy of that contract within 30 calendar days after beginning employment.

The provisions of the law of the State of Florida governing the awarding of a continuing/ professional service contract shall apply.

Section 2. Contractual Status

A. Continuing Contract

All continuing contract teachers and all annual contract teachers who earned continuing contracts on or before July 1, 1984 shall retain continuing contract status under the provisions of Florida Statutes, unless the employee voluntarily relinquishes continuing contract status in consideration of additional compensation and/or benefits, as agreed to by the Board and the Union under conditions and procedures established through negotiations by UTD and M-DCPS. Any employee who agrees to relinquish continuing contract status will be issued a professional service contract, as established in Florida Statutes.

B. Annual Contract

Annual contracts will be issued to all eligible instructional employees who: (a) are new to Miami-Dade County who do not hold or who have not previously held a continuing contract or professional service contract in any district in the state; (b) do not have a valid regular educator's certificate; and, (c) were hired subsequent to July 1, 1982, until such time as they qualify for a professional service contract.

Upon successful completion of the probationary contract, the Board may award an annual contract pursuant to paragraph (c).

C. Probationary Physical/Occupational Therapists.

The probationary period for newly-hired Physical and Occupational Therapists shall be 90 calendar days.

D. Professional Service Contract

All teachers hired by M-DCPS who successfully complete three years of probationary service, hold a regular educator's certificate, and who are recommended by the Superintendent and appointed by the Board, shall receive a professional service contract.

ARTICLE IV (Cont.)

The professional service contract shall be effective on July 1 of the fiscal year following the completion of all requirements. The Board may issue a professional service contract to any employee who has previously held a professional service or continuing contract in the district or in another district within the state without the employee having to serve a probationary year.

In accordance with Florida Statutes, a professional service contract shall be renewed each year unless the Superintendent of Schools, after receiving the recommendations required by Florida Statutes charges the employee with unsatisfactory performance and notifies the employee of performance deficiencies as required by Florida Statutes.

- E. Types of Contracts - As applicable, the Board shall provide eligible certificated employees contracts as follows:
 - 1. Ten-month regular;
 - 2. Twelve-month regular; and,
 - 3. One-half time, four sevenths time.

- F. Issuance of Contracts - All individual contracts shall be issued as expeditiously as possible provided, however:
 - 1. Annual contracts shall be issued to such individuals no later than 120 workdays from the date such contracts were approved by the Board.
 - 2. Professional service contracts shall be issued to eligible employees no later than December 1 of each school year.
 - 3. A person who has previously held a continuing contract/professional service contract in Miami-Dade County, or another county of the state, shall be awarded a professional service contract, if eligible, pursuant to provisions in Article IV.

- G. Applicability of Contract Credit - Certificated employees filling positions for which certificates are required, who are employed for a creditable year as previously defined, shall be credited with one year of experience for professional services contract determinations, pursuant to Florida Statutes.

Section 3. Contracts for School Social Workers and Special Education Teachers

Continuing contract status for school social workers and special education teachers (hired before July 1, 1988) shall be awarded upon the following conditions:

- A. Fulfillment of requirements of Florida law for the awarding of continuing/professional service contract as a teacher; and,
- B. Certification in field, provided that employees now occupying positions governed by this Section will have one year to achieve certification, if they presently do not hold it in their field;
 - 1. To be eligible as a school social worker, one must be certified as a visiting teacher (social worker/school social worker).

ARTICLE IV (Cont.)

2. To be eligible as a special education teacher, one must be certified in the exceptionality in which the probationary period is served.
 - a. Once a continuing contract is granted, it is applicable to all exceptionalities in which the employee is certified.
 - b. The continuing contract for special education does not extend to exceptionalities for which the teacher is not certified.
- C. Serve a one-year probationary period in the positions governed by this Section:
 1. One year is defined as service for more than 99 days in the year.
 2. The year's probationary period must yield:
 - a. an annual evaluation that meets standards.
 - b. a recommendation by the principal/supervisor.
 3. The continuing contract is not consummated until the employee has been reappointed for and begins work in the first year in which the contract is to be effective. The continuing contract shall be considered consummated if a reappointed employee is on approved sick leave when the work year begins. The contract shall also be considered consummated where a reappointed employee is on personal leave without pay at the time the work year begins, provided such leave does not extend beyond 20 workdays. The continuing contract shall not be consummated where the criteria above are not met, except by mutual agreement of the parties.
- D. Continuing contract status via this provision may be revoked if: (1) the entire classification of position is eliminated by the Board, or (2) budget reduction results in a reduction-in-force of employees occupying the positions governed by these guidelines.

If budget reductions that affect positions covered by this continuing contract occur, and these reductions cannot be absorbed by persons without continuing contract, the following procedures will be utilized to revoke the continuing contracts of affected employees:

1. School social workers and special education teachers will be returned to continuing contract status of classroom teachers in their area of certification in inverse order of seniority county-wide.
2. Seniority is defined as a total of all contractual service as a teacher in the M-DCPS.
3. Ties in seniority ranking will be broken by the following methods and in the order listed below:
 - a. credit for the number of teaching years outside Miami-Dade County but inside the State of Florida;

ARTICLE IV (Cont.)

- b. highest degree earned: Doctorate over Specialist; Specialist over Master's; Master's over Bachelor's;
 - c. credit for teaching years outside Florida; and,
 - d. randomized procedure of selection mutually agreed upon by parties to this Agreement.
4. A county-wide pool of school social workers and exceptional child teachers will be established, consisting of those persons who have been displaced and continuing contract revoked, in order of seniority. When and if positions become available again, the first person on the list in the respective pool will be offered a position. Failure to accept the position upon offer will result in the person being placed at the bottom of the list regardless of seniority. If a teacher refuses a second offer, immediately upon refusal, he/she will be removed from the pool. Acceptance of the position offered reinstates continuing contract status as of the date of acceptance.
5. No new personnel will be employed in positions for which reinstatable employees are available.
6. Teachers will remain in the pool until placed.
7. Personnel meeting requirements subsequent to reductions and revocation of continuing contract status will be advanced in reinstatement pools in order of seniority upon proof that all required qualifications have been met.
- E. In the event an employee loses continuing contract status, under this Section, he/she will revert to continuing/professional service contract status as a classroom teacher and retain all rights and privileges.
- F. At the conclusion of the probationary period, no change in classification shall be made by a principal for a teacher who currently occupies any of the above positions.

Section 4. Continuing Contract for Psychologists

Upon qualifying for a continuing/professional service contract, under Florida law, psychologists (hired before July 1, 1988) shall also receive a continuing contract as a psychologist in the M-DCPS.

Section 5. Guidance Counselors, School Social Workers, and Psychologists

Guidance counselors, school social workers, and psychologists who previously met contractual requirements for a local continuing/professional service contract, will retain all previous rights and benefits and will continue to be governed by the provisions of this Article.

Section 6. Teachers Returning Under Full-Time Contract

A teacher on continuing contract, who leaves the employment of M-DCPS and is re-employed and holds a regular educator's certificate, shall be granted a continuing contract if said contract was issued prior to July 1, 1984. A teacher shall be issued a professional service contract, if said contract was issued subsequent to July 1, 1984.

ARTICLE IV (Cont.)

Subsequent to July 1, 1984, the Board shall issue a professional service contract to any employee who has previously held a professional service contract or continuing contract in any other school district in this state, upon satisfactory completion of a school year in the M-DCPS with an annual evaluation rating that meets standards. A teacher who leaves the employment of M-DCPS on annual contract, and returns to the system after a lapsed time of not more than two years, shall be eligible to return at the contractual status and salary rate the teacher would have received had the teacher been on leave.

Section 7. M-DCPS/UTD Contract

The negotiated M-DCPS/UTD Contract shall be distributed to all members of the bargaining unit, production and costs to be borne by the employer.

Section 8. Maintenance of Contractual Standards

Where the Board determines it necessary or desirable to provide current or new employees the opportunity to participate in contracted or shared programs with other governmental agencies, community or charitable organizations or private corporations, the Board agrees that the salary and terms and conditions of this Contract shall apply to those employees.

It is understood by the parties that all employees provided by the M-DCPS to any other private or public agency or organization are Board employees subject to the rules of the Board and applicable labor contracts. Board employees are not subject to the rules and policies of any private or public agency or organization. This understanding shall be communicated to all private or public agencies or organizations and be made a part of any agreement entered into between the M-DCPS and any private or public agency or organization.

ARTICLE V -- EMPLOYER RIGHTS

Section 1. Exclusive Management Authority

The provisions of this Contract are not to be interpreted in any way or manner to change, amend, modify, or in any other way, to delimit the exclusive authority of the Board and the Superintendent for the management of the total school system and any part of the school system. It is expressly understood and agreed that all rights and responsibilities of the Board and Superintendent, as established now and through subsequent amendment or revision by constitutional provision, state and federal statutes, State Board Rules and Board Policies, shall continue to be exercised exclusively by the Board and Superintendent without prior notice or negotiations with the Union, except as specifically and explicitly provided for by the stated terms of this Contract. Such rights thus reserved exclusively to the Board and the Superintendent, by way of illustration and not by way of limitation, include the following: (1) selection and promotion; (2) separation, suspension, dismissal, and termination of employees for just cause; and, (3) the designation of the organizational structure of and the lines of administrative authority of M-DCPS.

It is understood and agreed that management possesses the sole right, duty, and responsibility for operation of the schools, and that all management rights repose in it, but that such rights must be exercised consistently with the other provisions of the Contract.

Section 2. Closing of Schools

In the event of the closing of a school(s) or other facilities of school operations by the Superintendent or the Board because of an emergency, when they determine that an emergency exists, the Superintendent shall have the authority to designate which day(s) will be used as replacement workday(s) for workday(s) lost due to the emergency. There will be no additional compensation for the replacement day(s) worked.

Section 3. Contracting Out

M-DCPS will attempt to utilize its regular employees to perform work that is ordinarily and customarily performed by bargaining unit members; however, M-DCPS reserves the right to contract out for any work it deems necessary or desirable, subject to impact negotiations.

ARTICLE VI -- HUMAN RIGHTS PROVISIONS

The parties affirm that all policies and programs of this school system are goals intended to guarantee equal educational opportunity for all children in our schools.

The parties take cognizance of the need to foster the employment of minority persons and to move positively in an effort to insure racial balance at all levels of the school system, and as such, the parties support the implementation of Board Policy 1362.

The parties agree fully to abide by the laws and regulations of the federal and state governments prohibiting discrimination; to support actively and fully the equal opportunity policies, programs, and plans of the school system; to encourage actively qualified applicants of all ethnic groups and both sexes to seek available employment opportunities in the M-DCPS; and, not to discriminate against any applicant for employment opportunities or adversely affect any individual's status as an employee because of such individual's race, color, religion, sex, national origin, age, handicap, or marital status.

The parties state their commitment to work cooperatively in the implementation of the provisions of Title VI and Title VII of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; the Age Discrimination Act of 1967, as amended; Section 504 of the Rehabilitation Act of 1973; the Americans With Disabilities Act of 1990; the Veterans Preference Act 5, U.S.C., Section 2108 et. seg.; Family and Medical Leave Act of 1993, 29 U.S.C., Section 2601 et. seg. and the Florida Educational Equity Act, Chapter 1000.05, Florida Statutes. It is the legal responsibility of the parties to comply fully with the provisions of these laws. The Union agrees to assist in the implementation of the aforementioned laws by actively participating in any task force designed to assure compliance.

ARTICLE VII -- CLASS SIZE

The parties agree that class size optimums are established and that said optimums are set in accordance with the unit allocation formulas indicated in the "Handbook for Computing Unit Allocations to Schools", adopted yearly, such that the number of students shown in the allocation formulas shall be deemed the optimum class size per certified teacher for all applicable categories and positions.

The parties recognize that class size has an impact on the educational process. Where there is an indication by the administration or Union that individual class size problems exist, they will be brought to the attention of the Superintendent for review and action, as appropriate.

The Board agrees to monitor class size at each school site the Friday of the second week of school for students and each Friday thereafter up to October 1, at which time a pre-final CASAS shall be distributed and shared with the Union.

The parties further agree that these monitoring and adjustment procedures shall apply to all programs, including physical education, art, music, exceptional education, bilingual, and any other instructional programs. The Board and its administrative staff agree to respond expeditiously to the Union regarding specific instances of class size overloads when brought to the attention of designated M-DCPS administrative officials.

ARTICLE VIII -- SAFE LEARNING ENVIRONMENT

Section 1. Student Discipline

- A. A safe and orderly learning environment is a major priority of the parties. Such an environment requires that disruptive behavior be dealt with safely, fairly, consistently, and in a manner which incorporates progressive disciplinary measures specified in the Code of Student Conduct.
- B. Rules governing discipline are set forth in the Code of Student Conduct, School Board Policies, and Procedures for Promoting and Maintaining a Safe Learning Environment and, by reference, are made part of this Contract.
- C. The parties strongly urge firm and consistent enforcement of the appropriate disciplinary action with regard to assault on any employee and the other violations cited in Group V and VI of the Code of Student Conduct.
- D. The parties recognize the potential for difficult circumstances and problems related to the use of corporal punishment. Accordingly, the parties agree that such punishment shall be prohibited as a disciplinary option, and further agree to act affirmatively in continuing to identify and implement more effective alternatives for dealing with student behavior. The involvement of school-site personnel in developing such alternatives is critical to their potential for success.
- E. The teacher shall have the authority to remove a seriously disruptive student from the classroom. In such cases, the principal or designee shall be notified immediately and the teacher shall be entitled to receive, prior to or upon the student's return to the classroom, a copy of the Student Case Management form (SCM) describing corrective action(s) taken. Guidelines for implementing this provision shall be developed by EESAC or other appropriate committee designated by EESAC.
- F. In the case of an intentional and deliberate assault and/or battery upon a M-DCPS employee by a student, the principal shall immediately suspend and recommend expulsion of said student. In these instances, it is the intent of the parties that the employee press charges. The Board shall:
 - 1. Provide the employee with released time for court appearances; and,
 - 2. Ensure no loss in monetary compensation or accumulated leave for said employee, per Article XIV, Section 1 of this Contract.

A student shall be immediately suspended for the following: disorderly conduct that results in physical harm to an employee and excessive profanity or obscenity directed at instructional and other personnel.

ARTICLE VIII (Cont.)

G. The principal must immediately report to the appropriate police agency, and to the Miami-Dade Schools Police Department, any criminal act occurring on school premises or at any school-related function, such as athletic events, field trips in and out of the district, and dances. The criminal acts which shall be reported include, but are not limited to:

H. A copy of the Student Case Management (SCM) System Codes List shall be given to instructional personnel at the start of each school year. An NCR copy of the SCM Student Services Form shall have enough copies to allow teachers to keep one copy for their records, prior to submitting said form.

Section 2. School Visitations

The Board and the Union welcome members of the community and other interested persons to visit our schools. School improvements often come from suggestions originating from such visits. However, in the interest of maintaining a safe learning environment and continuity of instruction, observers and/or visitors to classrooms shall be limited to authorized employees of the school district, parents of students in the visited classroom, and other persons expressly authorized or invited by the teacher and the administration. Where requested, an administrative staff representative will be assigned to monitor classroom visits by “other persons.”

Section 3. Physical Restraint

Manual Physical Restraint - an emergency intervention requiring the use of physical restraint techniques that involve physical force applied by a teacher or other staff member to restrict the movement of all or part of the student’s body when the student demonstrates behaviors that pose a threat to the physical safety of themselves or others.

- A. There are emergency situations where students exhibit behaviors that are disruptive to the learning environment and pose a threat to the safety of themselves and other persons.
- B. Some special education students because of the nature of their disability, may, on occasion, experience impaired impulse control of such severity that the use of manual physical restraint is necessary to prevent such students from inflicting serious injury or causing the death of self and/or others.

ARTICLE VIII (Cont.)

- C. The purpose of manual physical restraint is to prevent behaviors that pose a clear and imminent risk of serious injury or death to the students and others. It is only to be used in emergency situations when an immediate and significant threat to the physical safety of the student and/or others exists. It is not to be used to "teach a student a lesson" or as punishment.
- D. For students who exhibit such behaviors as aggression or self-injury, the use of manual physical restraint procedures in emergency situations shall be discussed as part of the Individualized Education Plan (IEP) development, Behavior Intervention Plan (BIP) development and program review process. A recommendation for the use of Board-approved manual physical restraint procedures must be made by the Multi-Disciplinary Team (M-Team) and shall be documented on the student's IEP or BIP form before the use of such procedures may be authorized. When parents or surrogates are not present at the IEP or BIP meeting, written notification to them regarding the use of manual physical restraint will be provided.
- E. Positive Behavioral strategies designed to increase and maintain appropriate behavior while reducing inappropriate behavior shall be utilized on an ongoing basis. However, when an explosive event occurs with or without warning and is of such degree that the demonstration of behavior poses a clear threat to the physical safety of others and/or the student the use of manual physical restraint techniques is authorized for such emergency situations.
- F. The Board shall identify personnel to be trained in manual physical restraint and maintain a record that includes the names, dates, and positions of the persons trained. Refresher training is recommended at least annually for all staff members who have successfully completed the initial manual physical restraint training. Training manuals developed for this purpose are, by reference, incorporated and made a part of this Agreement.
- G. Manual physical restraint techniques provided in training programs approved by the Board are authorized and, when utilized in accordance with the training provided and these guidelines, shall not constitute grounds for disciplinary action.
- H. If an employee is faced with emergency situations where an immediate and significant threat to the physical safety of the student and/or others exists, the employee is authorized to employ the moderate use of physical force or physical contact as may be necessary to restrict the movement of all or part of a student's body. The use of manual physical restraint procedures shall not constitute a violation of the corporal punishment policy (Board Policy 5630) and shall not constitute grounds for disciplinary action.
- I. Manual physical restraint refers to the use of physical intervention techniques designed to restrict the movement of a student in an effort to de-escalate aggressive behavior or self-injurious behaviors. In order to promote a safe learning environment, the District has authorized the implementation of specific manual physical restraint procedures to be used in Special Education programs when a student's IEP or behavior intervention plan (BIP) documents the potential need for their use. These procedures include, but are limited to, holding and escape techniques which, when implemented, prevent injury to students and staff or prevent serious damage to property. Specific physical restraint procedures may also be approved for use with other specific student populations, upon mutual agreement of the parties, and would be reviewed on an annual basis.

ARTICLE VIII (Cont.)

- J. The use of manual physical restraint must be documented as a part of the M-DCPS Use of Manual Physical Restraint Incident Notification and Incident Reporting system. Instructional or support staff who utilize manual physical restraint techniques shall complete forms FM-7419 and FM-7421 to record information regarding each incident. Directions shall be provided to instructional and support staff to assist them in completing the appropriate forms.

- F. Teachers will not be involuntarily assigned out of field, except temporarily and for good cause, and such good cause shall be provided to the employee, in writing.
- G. Should any full-time teaching position become available at a school site, consideration for such openings first will be given to all interested and qualified itinerant and regular full-time employees assigned to that work location. Such consideration shall be given prior to filling such a position with an applicant from outside the school.
- H. Department/Grade-Level Chairperson
 - 1. Selection Criteria
 - a. A vacancy in the position of department/grade-level chairperson shall be announced to the faculty in the department involved 15 workdays prior to filling the position. Prior to the appointment of such positions, members of the department/grade-level shall have the opportunity to make a recommendation for appointment to the principal.

3. Term of Appointment

Department/grade-level chairpersons shall be appointed annually.

4. Leadership Experience

The department/grade-level chairperson positions provide teachers with an opportunity to have a significant role in school-level planning and program development, as well as an opportunity to further develop positive leadership traits.

- I. In order to facilitate school teaming, every effort will be made to provide common planning time for those teachers and paraprofessionals who are on the same team.
- J. Employees who are required to split their work assignments between two or more work locations shall be considered itinerant. Employees who are required to split their work assignments between two or more work locations during the same workday shall be given reasonable travel time with pay.
- K. Where possible, the number of different rooms to which a teacher is assigned should be limited to two.

Section 2. Role of Principal

The scheduling of employees shall be the responsibility of the principal or supervising administrator. Such scheduling shall be accomplished in a fair, equitable, and impartial fashion, taking into account seniority and employee preferences.

ARTICLE IX (Cont.)

Section 3. Number of Preparations

- B. The Board agrees to hire part-time hourly instructional employees in adult education programs for the length of the course or the term of the Part-time Adult Education Teacher Contract, provided the enrollment meets and maintains the minimum required to support the class. Employees may only be terminated during the term if the class fails to maintain the minimum required enrollment or as a result of disciplinary action based upon just cause.

Such employees will be eligible to participate in the Florida Retirement System and Social Security, according to the rules and regulations of the Florida Department of Administration, Division of Retirement.

ARTICLE X -- NON-TEACHING DUTIES/ACTIVITIES

Section 1. Limitations

Teachers shall not be assigned or required to perform the following non-teaching duties:

- A. Lunchroom supervision during the duty-free lunch period.

Chaperoning or attendance at after-school activities shall not be required or assigned to any teacher who does not receive a supplement for such activity in accord with his/her normal salary schedule; however, all unit members may be required annually to attend two back-to-school-night type of activities (or the equivalent of two back-to-school-night activities) developed by the principal and members of the faculty and agreed to by a majority of the entire faculty. For senior high school teachers, such activities may include commencement exercises, where required by the principal and scheduled during non-school hours. In the event agreement is not reached, the Superintendent or designee and the UTD President or Designee shall assist in reaching agreement. In such instances, by mutual agreement, the principal may establish with the teacher the assignments to be undertaken and the time to be spent. A carbon copy of such agreement shall be sent to the appropriate Regional Center Superintendent and the Union. The opportunity to submit requests shall be made available to all teachers, with principals making the final determination on selection, number (limited to two), and assignment. To avoid possible conflict of interest, a teacher shall not be eligible for such leadership experience while serving as a Union steward or officer.

This leadership experience option shall be for elementary schools without assistant principals, adult education centers, and all community education centers. The parties shall monitor the success of the program and either party shall have the right to reopen on this issue, as provided in Article XXIX.

ARTICLE X (Cont.)

- H. Teachers will not be required to collect money from pupils for such purposes as lunch, milk, carnivals, or any projects sponsored by outside agencies.

Section 2. Merchandising

Capitalizing on one's position in the M-DCPS to sell merchandise or services will be considered a violation of this Contract. Solicitation by members of the unit is forbidden, except when approved by the Superintendent, for school or community campaigns of unusual merit.

Vendors shall not be authorized to solicit employees during the workday, except when participating in meetings authorized by this Contract.

Additionally, the names of each employee designated to administer prescribed medication at each work location will be provided, in writing, to all appropriate staff members at said location.

The parties have jointly established a Medical Issues Committee charged with the responsibility of reviewing and recommending guidelines regarding procedures for implementing medical activities at the school site. Such recommendations will be submitted to the Superintendent of Schools and the UTD President or Designee. This committee will convene as needed.

ARTICLE XI - - PLANNING FOR TEACHING AND LEARNING

For purposes of this Article, "teachers" shall include school support/resource personnel, such as counselors, media specialists, school psychologists, and school social workers, when planning for teaching and learning activities in accordance with the requirements of IPEGS.

Planning is essential for effective teaching and learning. In order to support the instructional program, the principal or supervising administrator has the authority to determine whether or not instructional objectives and related content are consistent with Board educational policy decisions and established instructional guidelines. In keeping with the professionalization of teaching, the parties agree that plans are best developed by the teacher to enhance learning and facilitate reflective practice. Planning shall be governed as follows:

1. Teachers are required to develop written plans in accordance with the required indicators in IPEGS Professional Standard 3: Instructional Planning. It shall be the decision of the teacher to use a daily plan or a long range plan that shall include objectives and/or goals; learning activities; and assessment(s) of student learning. Principals or supervising administrators may suggest, but not require, specific content or a particular format or organization.
2. A teacher may be required to use a set form in the preparation of planning only when a principal has issued an Improvement Plan indicating that the standards in IPEGS Professional Standard 3: Instructional Planning were not met. Requirements for planning beyond those in the IPEGS Professional Standard 3: Instructional Planning shall not be imposed.
3. Teachers shall not be prohibited from reflecting required planning components through abbreviated notation and/or referencing techniques. A teacher shall not be required to reference curriculum/standards numbers or to write out objectives if numerical references are made in the plan. Additionally, there shall be no requirement to specify strategies, list materials, use checklists or benchmarks, for learners in the plan.
4. Continuing contract and professional service contract teachers shall not be required to submit plans to the principal or supervising administrator at the school site; however, plans shall be available during classroom visit(s) and/or prior to an official observation.
5. All teachers shall retain their plans for the current school year for review by the principal or supervising administrator at the school site, upon request.
6. Teachers shall be required to prepare emergency plans for use by temporary instructors using a daily format and not exceeding five days in length and replenished as necessary.

Teachers of special education students shall be permitted to meet the requirements of this Article through regular plans or written IEP implementation plan(s).

ARTICLE XII – HIRING, ASSIGNING AND TRANSFERRING INSTRUCTIONAL PERSONNEL

Section 1. Hiring and Assignment of Instructional Personnel

The hiring of instructional personnel is a centralized function. The selection of teachers for a particular location (assignment) is the responsibility of the principal, from among those employees who have been cleared by instructional staffing as to eligibility to teach in the M-DCPS.

The parties recognize the organizational and educational value of a diverse, highly qualified instructional workforce. In that regard, M-DCPS and UTD endorse School Board Policy 3120.

Section 2. Teacher Certification

- A. Certification and recertification of M-DCPS personnel are authorized by Florida Statutes, Chapter 1012 and State Board Rule 6A-4.
- B. The M-DCPS Certification Office shall provide verification that applicants are certifiable for such programs, as specified by the Contract.
- C. Nothing in this Section shall affect an employee's ability to receive a credential payment to which he/she would otherwise be entitled.
- D. It is the express intent of the Board and the Union that teachers shall be assigned in the fields for which they are certified. Principals, therefore, have the responsibility to ensure that teachers who are hired for a school assignment are appropriately certified for such assignment. Furthermore, it is the responsibility of the principal, in assigning or scheduling teachers, to ensure that appropriate certification is held by the teacher to be assigned or scheduled. Verification of certification held by a teacher or verification of certification in process shall be requested by the principal, when necessary, from the Office of Human Resources.
- E. Certification
 - 1. All teachers shall be appropriately certified. In the event that it is necessary to hire a teacher out-of-field, the principal shall obtain verification from Human Resources that no qualified applicants are available for the position and the principal shall submit an out-of-field waiver request for approval by the Regional Center and the Employment and Staffing Officer. The principal shall notify the teacher that he/she is required, in order to remain at the school, to earn a minimum of six college credits per year or a passing score on a qualifying subject area test toward certification in the appropriate field.
 - 2. Teachers who are offered employment to teach in the out-of-field areas must present to the principal evidence of successful completion of a minimum of six semester credit hours or equivalent course work or a passing score on a qualifying subject area test towards in-field certification each year.
 - 3. Failure to obtain the minimum of six college credits per year or a passing score on a qualifying subject area test toward required certification may result in termination. Extenuating circumstances may be appealed to the Employment and Staffing Officer.

ARTICLE XII (Cont.)

- F. Out-of-field teachers needing the ESOL endorsement must complete three semester hours or 60 Master Plan Points (MPP) toward the ESOL endorsement requirements within two years of the date of initial ESOL assignment. At least three semester hours or 60 MPP toward the ESOL endorsement must be completed each calendar year, thereafter, until all requirements for the ESOL endorsement are complete.
- G. A teacher who holds a professional certificate may use college credits or inservice points completed in English for Speakers of Other Languages training in excess of six semester hours during one certificate- validity period toward renewal of the professional certificate during the subsequent validity periods.
- H. A teacher who holds a temporary certificate may use college credits or inservice points completed in English for Speakers of Other Languages training toward renewal of the teacher's first professional certificate. Such training must not have been included within the degree program, and the teacher's temporary and professional certificates must be issued for consecutive school years.
- I. Newly hired teachers who fail any section of the required general knowledge test must participate in training courses offered by the Teacher Education Center or complete coursework from an accredited college or university during the first year of employment.

Section 3. Appointment/Reappointment

- A. All employees of the school system are appointed by the Board, upon the nomination of the Superintendent.
- B. Any former employee, who is subsequently re-employed by the Board without a break in service, shall have his/her resignation rescinded by the Board and shall be eligible for all benefits that would have accrued to him/her had he/she not submitted a resignation.
- C. Any teacher (except those receiving retirement pay from a State of Florida retirement program) employed by the Board after the cut-off date for receiving credit for a contract year, as provided in state law, shall be employed as a temporary instructor, except where otherwise authorized by the appropriate Regional Center Superintendent. Such temporary instructors shall receive first consideration for employment in the subsequent school year, provided they have been rated acceptable on their annual evaluation.

Section 4. Re-employment After Retirement

- A. Former employees may be re-employed unless expressly prohibited by state law.
- B. Nothing in this Section constitutes a guarantee of employment.

Approval for such employment will be made on an individual basis by the Assistant Superintendent, Human Resources (or designee). Such employees shall be rehired as an hourly teacher or as an annual contract teacher; the latter shall receive the same benefits as regular teachers for the term of their employment and shall receive pay in accordance with Section 4.C below.

ARTICLE XII (Cont.)

- C. Former certificated employees who have retired from any school system in-state or out-of-state who are hired or rehired by M-DCPS shall be provided one step for every two years of creditable service up to step 12 of the AO/CO salary schedule.
- D. Re-employed retirees who accrue sick leave days subsequent to retirement shall be paid at the daily rate they earned at the time they first became eligible for retirement.

Section 5. New Teacher Orientation

Teachers new to M-DCPS shall participate in a five-day orientation which will immediately precede the first day of school for regular teachers. Such additional days shall be considered as part of the regular school year and shall be used in computing new teachers' daily rates of pay for the year. The parties agree to jointly develop, implement, and monitor this orientation program on an annual basis.

The parties agree that the New Teachers Orientation presentations will be delivered twice each year, with mandatory attendance by newly-hired teachers. Further, the parties agree that the UTD will have 90 uninterrupted minutes to present during each of these sessions.

Section 6. Assignment of Surplus Personnel

- A. In cases where employees are surplus at a work location, as a result of reduction in allocation, seniority shall be determined as follows:
 - 1. Secondary teachers and middle school teachers teaching secondary subject areas -- by subject area taught (with the least contractual credit in the M-DCPS). For ESOL teachers, ESOL is the subject area taught. In those instances where teachers may be teaching more than one subject area, they shall, for the purposes of this Provision, be considered to be teaching the subject area of which they have the largest number of classes. For science and foreign language, surplus shall be by area of state certification.
 - 2. Surplus at the elementary school level and for middle school teachers teaching elementary grades shall be from the least senior in the Pre-K-Kindergarten, one through six program with the following exceptions:
 - a. Pre-K and Kindergarten teachers shall not be declared surplus if a school does not have a certified Pre-K or kindergarten teacher who can be reassigned to the Pre-K or kindergarten opening;
 - b. ESOL teachers, in pull-out or self-contained classes, shall not be declared surplus if a school does not have a certified/qualified ESOL teacher who can be reassigned to the ESOL opening; and,
 - c. Spanish-S, Spanish SL, and Basic Skills in the Home Language shall be considered as a single category for surplus purposes. However, Basic Skills in the Home Language shall not be declared surplus if a school does not have a linguistically-qualified teacher to deliver the program in the home language of the students.

ARTICLE XII (Cont.)

3. Teachers of gifted students shall not be declared surplus if a school does not have a certified gifted teacher who can be reassigned to the gifted opening.
 4. Exceptions to these provisions, based upon the need to provide critically-needed programs to meet the unique needs of affected students, and/or in response to emergency situations, as declared by the Superintendent, may be requested by the principal and will be reviewed by a joint M-DCPS/UTD committee. Such requests shall be made, in writing, to the Office of Human Resources.
- B. In determining seniority of an employee, all prior contracted services with the M-DCPS, regardless of work location where such service was performed, are to be credited for the purpose of determining contract status. Further, in determining seniority at a work location, if two or more employees have the same contractual status, seniority shall be determined by initial date of employment, as indicated by the date on which the Request for Personnel Action (RPA) was executed. Personnel on approved leave from a specific work location shall, for the first year of leave, have a guarantee of return to the same work location and shall be included in the roster when determining seniority. No surplus transfer shall cause a demotion. Demotion shall mean a reassignment in which the employee receives less base salary than in the assignment held previously. (This does not apply to supplements, compensation in excess of the base salary, or conversion from 11-month or 12-month employment to 10-month status). Surplus assignment from an 11-month or 12-month position to a 10-month position may occur only after the Office of Human Resources has determined that there are no 11 or 12-month positions available in the district for which the employee is certified, and will be done in accordance with surplus provisions found in this Article.
- C. In the event that the employee is declared surplus, when the employee is absent from active duty in the school system, the employee shall be promptly notified in writing.
- D. Employees who are subject to surplus transfer shall have the right to occupy a position for which they are qualified before any new employees are assigned to the same or similar position(s).
- E. Employees declared surplus shall not be required to make application for reassignment. It shall be the obligation of the Office of Human Resources to reassign and notify all surplus employees as soon as possible. Surplus employees may make application for reassignment after being notified of surplus status. If accepted to fill a valid vacancy, said employees will be reassigned to that vacancy. Notification of such reassignment shall be expeditiously made by the Office of Human Resources.
- F. When schools are paired or grouped and grade levels are reassigned between or among schools, teachers will be reassigned within the grade levels they are presently teaching, whenever possible. If grade levels remain intact, but pupil populations only are shifted, teachers will not be reassigned. If the actions described above result in a reduction in teacher allocations for any particular school, the surplus personnel will be reassigned.

ARTICLE XII (Cont.)

Surplus personnel resulting from pairing or grouping of schools will be determined as follows:

1. The person or persons in that school with least contractual credit in the M-DCPS (not present school) will be declared surplus.
 2. In elementary schools and middle schools with elementary grades, the person or persons in #1 above will be designated from the grade levels, i.e., Pre-K, kindergarten, or from grades one through six.
 3. In secondary schools and middle schools with secondary subject areas, the person or persons in #1 above will be designated by subject areas.
- G. If the opening of a new school results in a reduction in teacher allocation for any particular school(s), the surplus personnel will be assigned to the new school, insofar as practical.
- H. Employees should not be reassigned, except as a result of reduction in allocation, or on a voluntary basis, or as described in Section 6(L) of this Article.
- I. In the event of a change in the grade configuration of a school, teachers of said school will be reassigned in the following manner:
1. Teachers of such schools will be notified of the change in grade configuration;
 2. First consideration will be given to those teachers who request a voluntary transfer to the receiving school;
 3. If there is an insufficient number of voluntary transfer requests, the procedures for the transfer of surplus personnel will be implemented, with the least senior teachers being surplus to the appropriate level or subject area; and
 4. Where there are more teachers from sending schools requesting voluntary transfers to a receiving school than there are openings in the receiving school, the principal will interview all such candidates from the sending schools (of students assigned to the receiving school) prior to determining which candidate(s) will be selected.
- J. When a new school is built to relieve overcrowding of a school, and/or as a replacement for an existing school, teachers will be reassigned in the following manner:
1. Teachers of said school will be notified of the openings at the new school and the opportunity to request voluntary transfer to schools/areas of their choice;
 2. First consideration will be given to those teachers who request a voluntary transfer to the receiving school;

ARTICLE XII (Cont.)

3. Where there are more teachers from sending schools requesting voluntary transfer to a school than there are openings in the school, the principal and appropriate staff will interview all such candidates from the sending schools (of students assigned to the school), prior to determining which candidate(s) will be selected; and
4. When a surplus is to occur, the procedures for the declaring of personnel surplus will be implemented, with the least senior teachers being declared surplus in the appropriate level or subject area.

K. Determinations of surplus personnel for employees assigned by Regional Centers to teach art, music, physical education, and exceptional student education at the elementary school level shall be governed by the following provisions:

1. The least senior person at a work location in an impacted position shall be deemed surplus;
2. When special student education units at a work location are reduced or moved to another school, the least senior person teaching in that particular exceptionality shall be deemed surplus; and
3. If there is a need to surplus educational specialists, placement specialists, school social workers, psychologists, or any other bargaining unit members assigned by or at the Regional Centers, the least senior person at a work location in the affected job category shall be deemed surplus.

Exceptions to these provisions, based upon the unique needs of affected students, shall be granted upon request of the principal and approval by the Regional Center Superintendent or designee. Where requested by the Union, the Regional Center Superintendent or designee shall confer with the Union Representative regarding the need for such an exception.

L. Surplus Exemption for Curricular, Co-curricular Activity

ARTICLE XIII -- EVALUATION

INTRODUCTION

Evaluation is a decision made by comparing observation data to established standard. This comparison reflects the extent to which employees meet performance expectations and is used to make employment decisions. Each year, the principal or supervising administrator designated by the principal must observe teachers regardless of their contract status. The purpose of the performance data collection is to formulate an annual evaluation decision that is recorded on the Summative Performance Evaluation form. Evaluation is a statutory responsibility of the principal.

The M-DCPS Instructional Performance Evaluation and Growth System (IPEGS) provides a balance between structure and flexibility. IPEGS defines expectations, guides effective practices and focuses on student learning growth; thereby allowing for individual initiative. The goal is to support the continuous growth and development of each professional by monitoring, analyzing, and applying pertinent data compiled within a system of meaningful feedback.

Employees are entitled to an evaluation which is fair, equitable, and impartial. The parties agree to the continuation of a developmental approach to improving teaching and learning, using the Instructional Performance Evaluation and Growth System (IPEGS). In accordance with Florida Statutes, no disciplinary action shall be taken based on incompetence in the absence of documentation and procedures required by the IPEGS.

Documents and procedures pertaining to evaluation are hereby incorporated and made a part of this Contract, and there shall be no unilateral changes. Required procedures and standards for evaluation are specified in the IPEGS Procedural Handbook.

Section 1. IPEGS Policies and Procedures

- A. To assure quality teaching and learning and fair, equitable, and impartial evaluation of teacher performance, the parties agree that the Joint Committee on Standards for Educational Evaluation shall make recommendations on policy and procedures of IPEGS.
- B. Appointments to the Joint Committee shall be made by the Superintendent and the UTD President or Designee and shall reflect equal representation of M-DCPS and the Union.
- C. It is the intent of the parties that the procedures specified in the IPEGS Appeals Process shall serve as the alternative to Levels I and II of the Grievance Procedure.

If the employee desires, he/she has the right to request representation by the exclusive bargaining agent or to represent himself/herself in an IPEGS Appeal. An employee may not be represented by a minority/rival Union or by an attorney in an IPEGS Appeal.

Section 2. IPEGS Appeals Process

1. The IPEGS - Appeal Level I:

ARTICLE XIII (Cont.)

The site administrator, the appropriate region administrator and two Union representatives shall make every effort to obtain informal resolution of alleged violation of the IPEGS procedures within 30 days after the employee's evaluation. If unresolved, the alleged violation may be appealed to Level II.

2. The IPEGS - Appeal Level II

- a. Issues appealed to Level II shall be addressed by representatives appointed by the Superintendent and Union President, two representatives from the District and two from the Union. The appointed representatives shall be mindful of the statutory timeframes and shall meet and render decisions expeditiously. All pending issues shall be addressed within 14 calendar days. The representatives shall communicate their findings to the Superintendent and Union President as well as the affected employee(s) and work location/District/Region administrator(s).
- b. Disputes not resolved at the IPEGS - Appeal Level II may be subject to the Grievance Procedures, beginning at Level III; however, the grievance is not subject to the arbitration process.
- c. The timeline for filing a grievance shall commence with the signature date reflected on the finding, which shall be the date upon which copies of the finding are transmitted to the affected parties.

Section 3. Observation/Evaluation of Itinerant Personnel

Itinerant teachers shall be treated the same as other teachers of like contractual status with regard to the number of required evaluations. The administrator at the home-base location, for payroll purposes, shall be responsible for observations and the preparation of the annual evaluation report.

Section 4. Student Performance Data Committee

Prior to the implementation of the Pay for Performance Salary schedule, the Joint M-DCPS/UTD Student Performance Data Committee will meet to determine a process for verification of each teacher's student data to be included in the evaluation assessment and resolve other issues that lead to demonstrated financial impact.

Section 5. Annual Contracts

For all teachers not holding a Professional Service Contract (PSC) or a Continuing Contract (CC):

The rating of developing is an acceptable rating during the first three years of employment. Appropriate professional support and assistance per the IPEGS manual will be provided.

Employees who complete their probationary year rated as effective or highly effective shall have their annual contract renewed.

Employees who complete the second year rated as effective or highly effective shall have their annual contract renewed.

ARTICLE XIII (Cont.)

After three years, employees who have maintained a rating of effective or highly effective for two out of three years shall have their annual contract renewed.

Notwithstanding any provision in this article, annual contract employees, irrespective of any evaluation process or rating, shall remain subject to non-reappointment actions for a period of three years from date of hire as outline in the OPS Procedures Manual.

Section 6. Professional Services/Continuing Contracts

Teachers holding a PSC or CC shall have their contracts renewed unless:

- The employee receives two consecutive annual performance evaluation ratings of unsatisfactory under s. 1012.34, two annual performance evaluation ratings of unsatisfactory within a 3-year period under s. 1012.34, or three consecutive annual performance evaluation ratings of needs improvement or a combination of needs improvement and unsatisfactory under s. 1012.34.

Teachers holding a PSC or CC who decide to participate in the performance pay system must fully understand that by doing so they permanently forfeit their right to PSC or CC status. This voluntary forfeiture of PSC and CC status must be acknowledged in writing.

Teachers who opt for the performance pay system shall be covered by the provisions of M-DCPS/UTD contract Article XIII, Section 5 for performance evaluations.

Section 7. Evaluation Support

UTD will create a cadre of highly trained evaluation experts who may assist, support and mentor bargaining unit members during any phase of the evaluation process at no cost to the District. Deployment of these evaluation experts will be determined in collaboration with UTD and the site administrator if during the workday.

If said absence/leave is for a specified period of time, no further notice is necessary. In the event of a change in this specified period of absence, the employee will proceed, pursuant to the stipulations herein. Where an absent teacher does not notify his/her supervising administrator, as stipulated herein, and where there are not extenuating circumstances, as determined by the supervising administrator, such teacher will have the option to utilize personal leave or leave without pay. However, such determination by the supervising administrator shall not be made arbitrarily.

Illness or injury in-line-of-duty for employees represented by a collective bargaining agent will be defined in the collective bargaining agreement.

The following requirements shall be observed:

A. Duration of Leave and Compensation

1. A medical evaluation conducted by a physician approved by the Office of Risk and Benefits Management will be the determining factor as to when the employee is able to return to duty. If the physician indicates that the employee is not able to assume his/her regular duties, but is able to return to a less strenuous work assignment, the employee may be directly appointed to the Workers' Education and Rehabilitation Compensation (W.E.R.C.) Program or to a job commensurate with his/her medical and educational capabilities. Such placement will be based upon the employee's medical condition, as well as job placement availabilities. If offered, the employee must accept a work assignment in the W.E.R.C. Program at any reasonable location; refusal to accept such an assignment may result in the discontinuance of statutory workers' compensation benefits, as well as Board-provided benefits. All W.E.R.C. 2. If authorized, payment for sick leave granted for illness-in-line-of-duty leave-Board benefits shall be combined with the employee's workers' compensation temporary total disability (TTD) benefits to keep an injured employee in a pre-injury, full salary status, while eligible for temporary total disability benefits, pursuant to Florida Statutes, Chapter 440, for a term not to exceed 13 weeks following the date of injury. If an injured employee continues to be eligible for temporary total disability (TTD) benefits, pursuant to Florida Statutes, Chapter 440, beyond the 13 weeks, TTD benefits will be paid, and the employee may use his/her accrued sick time, if any, to supplement TTD benefits, not to exceed pre-injury earnings. If the employee does not have any accrued sick time, he/she will be eligible to be paid for leave without pay to supplement TTD benefits, not to exceed pre-injury earnings. Any employee

ARTICLE XIV (Cont.)

who uses accrued sick days to supplement TTD benefits or leave without pay benefits will be eligible for reimbursement or payment for up to six months from date of injury, as a result of formal Board action. In the event an employee uses accrued sick leave prior to an injury or illness being deemed compensable by a physician approved by the Office of Risk and Benefits Management, and it is later established that said illness or injury is found to be compensable, pursuant to the provisions of Florida Statutes 440, said sick days shall be restored to the employee.

B. Compensation for Sick Leave Granted for Injury In-Line-of-Duty

Payment for sick leave granted for injury in-line-of-duty shall be computed at the daily sick leave rate less the daily workers' compensation rate for each sick leave day granted.

C. Filing of Claim for Compensation

Any district School Board employee who has any claim for compensation, while absent because of illness contracted or injury incurred in-line-of-duty, shall file such claim in the manner prescribed in Florida Statutes, Chapter 1012.61.

Payment of such claims will be authorized, pursuant to guidelines and eligibility included herein, provided that the claim correctly states the facts, and that such claimant is entitled to payment, in accordance with the provisions of Florida Statutes, Chapter 1012.61.

In the event the Department of Health and Rehabilitative Services (HRS) notifies the Superintendent of a student's positive HIV test result, pursuant to Chapter 384.25, Florida Statutes, the Superintendent shall maintain the confidentiality of the information and shall release it only in accordance with the statutory provisions.

ARTICLE XIV (Cont.)

For purposes of this provision, the following definitions shall apply:

Section 7. Medical and Dental Examination Leave

An employee shall be eligible to utilize sick leave for the purpose of medical and/or dental examinations. Such leave shall be deducted from accrued sick leave in half or full day units, provided, however, that no employee shall be compelled to utilize more sick leave than is required by the employee. Principals or supervising administrators may release unit employees for up to two hours without sick leave being charged against the employee for the purpose of medical and/or dental examination and, if deemed necessary, with verification upon return. In order to verify that discretionary leave is approved in a fair and equitable manner, each work location will maintain a log of requests and approvals.

4. The effective date of accrual rate changes shall be determined, as of July 1, following the fiscal year during which the employee completes three, five, or 10 years of creditable service, as applicable.
5. During leaves of absence with pay, an employee shall continue to earn annual leave credit, except in the case of an employee who is granted educational leave with pay or who is granted annual leave in conjunction with his/her resignation or termination of employment. In such cases, the employee shall not earn annual leave credits during his/her leave of absence, nor shall terminal vacation leave for which an employee is paid, upon termination, be used for accrual of additional annual leave credit.

ARTICLE XIV (Cont.)

D. Regulation for Use of Annual Leave

1. Appropriate supervisors should make every effort to ensure that earned annual leave is used on a current yearly basis, in order to provide eligible employees with vacation and proper rest and relaxation. In unusual circumstances, however, in the event an employee has not been permitted to use annual leave on a current basis, those instructional staff members whose annual leave accrual rates are governed, in accordance with Section 16(A), may accrue a maximum of 60.0 days annual leave. Any employee, whose annual leave accrual rate is governed in accordance with Section 16(A) and who accrues the maximum of 60.0 days, annual leave shall cease to accrue additional annual leave credits as of the end of the month during which the maximum is reached.
2. Annual leave should be used to provide periodic vacation, and employees should be permitted the opportunity of taking a minimum of 10 consecutive days vacation during a fiscal year, provided that number of annual leave credits has been accrued. Annual leave credits may be used for purposes other than vacation, when authorized by the responsible supervisor.
3. Upon reasonable notice, responsible supervisors may require an employee to use any part of his/her accrued annual leave for vacation purposes at any time that is deemed advisable.
4. Annual leave for an employee shall be so scheduled that there will be minimum disruption of the operation of the school system.

E. Regulation Governing Payment of Earned Annual Leave Upon Reassignment, Termination or Death

1. Upon termination, an employee shall be paid for his/her unused annual leave, except in cases where the annual leave payment may be applied to satisfy an employee's indebtedness to M-DCPS. Such payment shall be made at the rate of pay at which the employee was paid on his/her last workday.
2. In case of the death of an employee, payment of unused annual leave, at the time of death, shall be made to the employee's beneficiary, estate, or as provided by law.
3. In no case shall an employee receive payment for his/her accrued annual leave in excess of 60.0 days.
4. No special or advance issuance of checks shall be authorized.
5. Twelve-month employees with accrued annual leave that are reassigned to a position that does not accrue annual leave shall select one of the following options:
 - a. Payment for accrued annual leave days within 60 days of reassignment. Such payment shall be made at the rate at which the employee was paid on the last day as a 12-month employee.

ARTICLE XIV (Cont.)

- b. Defer payment for annual leave days until the employee resigns, retires or elects to participate in the Deferred Retirement Option Program (DROP). Such payment shall be made at the rate at which the employee was paid on the last day as a 12-month employee.

Section 17. Terminal Pay

- A. To encourage and reward employees who exercise particular care in the maintenance of their personal health and job attendance, the Board will provide terminal pay to personnel at resignation, normal retirement, or to their beneficiaries, if services are terminated by death. Any person not in service at the time of retirement shall not receive these benefits. Terminal pay shall not exceed an amount determined by the daily rate of the employee at resignation, retirement, or death as follows:
 1. during the first three years of service, the daily rate of pay multiplied by 35% times the number of days of accumulated sick leave;
 2. during the next three years of service, the daily rate of pay multiplied by 40% times the number of days of accumulated sick leave;
 3. during the next three years of service, the daily rate of pay multiplied by 45% times the number of days of accumulated sick leave;
 4. during and after the 10th year of service, the daily rate of pay multiplied by 50% times the number of days of accumulated sick leave;
 5. during and after the 13th year of service and until when first eligible for normal retirement, the daily rate of pay multiplied by 100% times the number of days of accumulated sick leave. Thereafter, the daily rate will remain frozen at the rate when first eligible for normal retirement. In no case, however, shall an employee whose daily rate has been frozen, pursuant to this provision, receive less than the amount determined as in 4.
- B. Provisions for terminal pay at resignation apply only to those sick/annual leave days accrued after July 1, 1982.
- C. Payment for the resignation and retirement benefit will be made within 60 calendar days of the effective resignation or retirement date.
- D. Resignation or retirement, as referred to herein, shall mean termination of employment by action of the employee. Such termination excludes resignation or retirement after a recommendation for dismissal or resignation or retirement, after participation in a work stoppage, job action, or strike, in the absence of specific approval by the Board. The daily rate shall be computed by dividing the number of "working days" that year into the annual salary. "Normal retirement," as referred to herein, shall mean retirement under any retirement system established by the Legislature, with either full or reduced benefits, as provided by law. "Normal retirement" shall not be interpreted to include disability retirement. Years of service shall mean creditable years of service under any retirement system of the State of Florida.

ARTICLE XIV (Cont.)

- E. M-DCPS agrees to be the prospective client in whose name UTD can request an IRS ruling on severance pay plans with the stipulation that any participation by the district does not obligate the School Board in any way.

Section 18. Temporary Duty Leave

Any regular employee may be assigned to be temporarily absent from his/her regular duties and place of employment for the purpose of performing other educational services, including participation in school surveys, professional meetings, study courses, and workshops.

Employees on temporary duty leave will receive their regular pay and may be allowed expenses, as provided by law, as indicated in Appendix D.

Section 19. Non-School Employment During Leave

An employee of the Board who, with the approval of the Superintendent or his/her designee, uses his/her regular work hours to earn compensation from sources other than the Board, must choose one of the following three options:

- A. request personal leave without pay for the period during which service is to be rendered and retain all remuneration received for such services.
- B. request vacation leave for the period during which service is to be rendered and retain all remuneration received for such services. This applies only to personnel who accrue vacation entitlement.
- C. request temporary duty assignment or professional leave at full pay for the period during which services are rendered. There shall be no per diem or travel reimbursement expense paid by the Board for such leave.

Section 20. Extended Leave Without Pay

- A. General Provisions

Extended leave without pay shall be available to full-time employees only. Notwithstanding the limitations on the maximum length for each type of extended leave of absence without pay (i.e., extended leave for illness/personal/professional, or parental), the following overall limitations shall apply to any single leave or combination of leaves, regardless of category:

1. The number of calendar years granted for any single period of continuous leave of absence without pay, with the exception of extended military leave, shall not exceed the number of creditable salary years earned with M-DCPS immediately preceding the leave request, up to a maximum of four. If an employee took leave during any part of the preceding fiscal/school year and returned to work, such employee is not eligible for a new leave during the subsequent fiscal/school year.

ARTICLE XIV (Cont.)

Employees applying for a Personal Leave of Absence Without Pay must submit the application to the Office of Retirement/Leave/Unemployment Compensation at least 30 days prior to the commencement of the subsequent school year. The leave of absence must commence prior to the employee's first optional reporting date.

2. All exceptions to the above will be submitted with supporting documentation and will be made only for extenuating circumstances as determined by the Office of Leave/Retirement/Unemployment Compensation.
3. Employment rights for teachers and paraprofessionals to a position of like status shall be protected for two years, and any teacher on such leave shall, upon at least 30 days' notice to the Office of Human Resources, be reassigned to the same position at the same school, if the leave is for one year or less, except employees returning from an extended professional leave as a result of working in a charter school, as stated in Section F (1) of this Article. Teachers returning from leaves in excess of one year shall be assigned to the same position held prior to the beginning date of that leave, if available, or to an equivalent position, as defined below.

Definition of equivalent position:

- a. Pre-K - Kindergarten
or
grades one through six field requiring the same certification as the one in which the leave was granted.
 - b. Secondary -- subject area for which the teacher holds current certification.
 - c. Support personnel (counselor, librarian, etc.) -- field requiring the same certification as the one in which the leave was granted.
 - d. Employment while on leave is not permitted, unless specifically requested and approved. If approved, such employment shall be limited to a maximum of 25 hours per week, except as provided in Section 20(F), Extended Professional Leave.
4. Employment rights for office employees to the position held at the time of the beginning of the personal leave, prior to applying for personal leave without pay, shall be protected, and if such leave terminates prior to 12 months from leave commencement, the employee on such leave shall be reassigned to the same position held prior to commencement of the leave. The employment rights to a position of like status shall be protected, if the leave extends beyond 12 months from commencement.

In the event such leave extends beyond 12 months, and a position of like status is not available, the employee shall be deemed laid off and placed in the recall pool.

Unless the employee has notified the Office of Retirement/Leave/Unemployment Compensation, requesting an extension of leave, and has received approval from the Office of Human Resources for such extension, failure to return at the expiration of such leave shall be deemed termination of employment with M-DCPS.

ARTICLE XIV (Cont.)

5. Except as provided in paragraphs B.5, C.5, and F.1 of this Section, all employee benefits provided by the Board, such as hospitalization, life insurance, etc., shall be continued and paid for by the Board for each employee who is on any type of Board-approved leave without pay, except for the flexible benefits program, which is provided at Board expense only for employees on sick leave (of self) or parental leave, or military leave, when drafted or involuntarily called to active duty from the active or retired reserves of the United States Armed Forces.

B. Military Leave

1. A full-time regular employee or interim teacher (except employees paid hourly or daily) of the Board shall be granted a military leave of absence provided that:
 - a. the employee is inducted into the Armed Services or Coast Guard via Selective Service Act or volunteers, in lieu of induction; or
 - b. he/she enlists in the Armed Services or Coast Guard during the period our forces are engaged in combat; or
 - c. the employee is recalled to active service from a reserve status.
2. All regular full-time employees or interim teacher (except employees paid hourly or daily) of the Board who are members of the reserve in the United States Armed Services or Coast Guard or members of the National Guard of the United States shall receive remuneration up to a maximum of 17 days' absence from their regular work (contractual period) during any calendar year, if they are ordered by the Armed Services or National Guard or Coast Guard to report for temporary active duty.
3. The conditions and benefits of a military leave of absence for a full-time regular employee or interim teacher are as follows:
 - a. The employee is to be considered as being in the continuous employment of the Board during this period of service and shall receive all benefits of employment, upon return, that would normally accrue if the employee had been actually filling the position, (except that time in military service is to count as a void for credit toward continuing contract and continuous service), such as credit for teaching on salary schedule for each year or major fraction thereof in the Armed Services or Coast Guard or National Guard.
 - b. The employee is to return to the employ of the Board within six months after receiving final discharge or present evidence of physical disability to return.
4. Compensation -- Any regular full-time employee (except employees paid hourly or daily) of the Board who enters the Armed Services or Coast Guard at any time is to receive full pay for the first month of his/her military service, except that no compensation is to be paid to the employee for any time for which he/she would not normally be drawing pay, which is included in the first month of such military service. This is not to be confused with temporary military leave, which grants up to 17 days' compensation under certain conditions.

ARTICLE XIV (Cont.)

5. Employees who are either drafted or are already members of the active or retired reserves of the United States Armed Forces (but not enlistees), who are involuntarily called to active duty, shall have their health, life, and flexible benefits coverage continued by the Board for the period of their approved leave.
6. The compensation described in the foregoing paragraph is to be paid only when the employee submits to the Superintendent an affidavit proving that the employee has been in the Armed Services or Coast Guard at least one month.

C. Personal Leave Without Pay

1. Full-time employees, upon request, shall be granted personal leave without pay for a period of up to two years. The total number of such leaves granted during any school year shall not exceed two percent of the employees in the bargaining unit. If requests for such leave exceed two percent, leaves will be granted upon review by the Superintendent or his/her designee.
2. In the absence of notice, an employee who fails to return at the expiration of such leave shall be considered to have terminated employment with the M-DCPS.
3. Such leave may be granted for one of the following reasons:
 - a. to serve in the U.S. Government agency sponsored volunteer or service programs;
 - b. to fill one full-time position on the Union's staff;
 - c. to extend no more than one parental leave;*
 - d. to participate in an overseas exchange teacher program;
 - e. settlement of family estates;
 - f. severe family hardships;
 - g. professional improvement;
 - h. voluntary enlistment in the National Guard or in any branch of the military service not requiring more than one year of service;
 - i. recuperation and regeneration;* and
 - j. temporary relocation of residence outside of South Florida, which could result in severe family hardship.*

*In letters c, i, and j above, eligible unit members may be granted personal leave without pay for each of these reasons only once.

ARTICLE XIV (Cont.)

4. Personal leave for reasons other than those listed above may be approved by the Board, upon recommendation of the Superintendent. Personal leave shall not be arbitrarily rejected.
5. Board-paid fringe benefits will be authorized for a maximum of one year for each personal leave without pay granted. Employees will have the option to purchase fringe benefits at the group rate for the second consecutive year of a Board-approved personal leave without pay.
6. Full-time employees are not eligible to request personal leave without pay until after completion of three continuous years of full-time employment with M-DCPS. In the event of a dire emergency, office personnel with less than three continuous years of employment with M-DCPS may appeal to the Assistant Superintendent, Office of Human Resources, for such leave.

D. Extended Sick Leave Without Pay

Extended leave without pay for illness of the employee constitutes a protection of one's employment rights. Such leave shall be granted only for health of self or family member, provided the following requirements are met:

1. Employees seeking such leave must make application on the form provided by the Office of Leave/Retirement/Unemployment Compensation.
2. Such application must be supported and accompanied by the following:
 - a. identity of person in ill health;
 - b. statement from a M-DCPS-certified physician explaining why such leave is necessary; and
 - c. effective dates of requested leave (beginning and ending).
3. Such leave shall not exceed one year in duration.
4. Employees on such leave, upon expiration of leave, may apply for an extension. The employer may grant such extension, as warranted; however, the maximum time an employee may be absent on such leave shall be three years.
5. Such leave granted to annual contract employees shall expire no later than the end of the fiscal year in which the leave was granted. Such leave may be automatically extended whenever the employee is reappointed and his/her contract extended.
6. While an employee is on extended sick leave without pay, the employer agrees to continue to pay its regular contributions to the employee's insurance benefits.

ARTICLE XIV (Cont.)

7. An employee who has been granted extended sick leave without pay for illness of self may return earlier than indicated on the original request for leave form, upon receipt of an unconditional medical release form from his/her physician.

E. Parental Leave/Maternity Leave

A parental leave of absence with pay, if applicable, or without pay, shall be granted to an employee for the purpose of childbearing and/or rearing. The length of each leave may not exceed one year and shall be implemented as follows:

1. An employee who is pregnant shall be entitled, upon request, to a leave to begin at any time between the commencement of her pregnancy and one year after a child is born to her.
 - a. Said employee shall notify her immediate supervisor, in writing, of her desire to take such leave and, except in a case of emergency, shall give such notice at least 30 days prior to the date on which her leave is to begin. She shall include with such notice either a health care provider's statement certifying her pregnancy or a copy of the birth certificate of her child, whichever is applicable.
 - b. An employee who is pregnant may continue active employment as late in her pregnancy as she desires, provided she is able to properly perform her required functions, as certified by her health care provider.
 - c. All or any portion of a leave taken by an employee because of a medical disability connected with or resulting from her pregnancy may, at the employee's option, be charged to her available sick leave.
 - d. An employee on parental leave may elect to use any accrued vacation (annual leave), personal leave with pay, and/or sick leave before entering leave without pay status.
2. A male employee shall notify his supervising administrator, in writing, of his desire to take parental leave to begin at any time between the birth of his child, and one year thereafter.

Except in cases of emergency, the employee shall give such notice at least 30 days prior to the day on which the leave is to begin.

3. An employee adopting a child shall be entitled, upon request, to a leave to commence at any time during the first year after receiving de facto custody of said child, or prior to receiving such custody, if necessary, in order to fulfill the requirements for adoption.
4. In case of an emergency or shortage of certain types of teachers, an employee on parental leave, after the birth or adoption of the child, shall be entitled to teach part-time or do substitute work, prior to the expiration of said leave, provided that, in the case of a female employee, she can present, if requested, a statement from her health care provider that she is physically able to assume these duties.

ARTICLE XIV (Cont.)

F. Extended Professional Leave

1. Extended professional leave is leave without pay granted in excess of 30 days. No one, with the exception of employees granted leave to work for a charter school, may receive more than two consecutive years of extended professional leave, which is approved one year at a time. Except for instances where a charter school ceases operation, an employee granted extended professional leave for employment with a charter school may return to active status only at the end of the school year. Upon return, the employee shall be assigned to an equivalent position in accordance with his/her area(s) of certification. An employee may not receive in excess of two consecutive years of extended professional leave. An employee granted extended professional leave may engage in activities for which no college credit is granted, including full-time employment, provided it is determined by the Superintendent or his/her designee that these activities will enhance his/her professional competence. If approved for full-time employment, an employee shall not receive any fringe benefits provided by the M-DCPS.
2. An employee must complete three years of full-time employment prior to requesting extended professional leave, unless such leave is needed to complete an internship as part of an academic program leading to a Bachelor's degree in education.
3. Extended leave for study may be granted solely for programs of study which are designed to enhance and expand the educational training for careers available within M-DCPS. An employee applying for extended leave for study must be able to demonstrate the relevance of the proposed program of study to the employee's current and projected employment status with M-DCPS.
4. Extended professional leave shall not apply to employees in summer school.

Such requests shall be made, in writing, to the Office of Human Resources and shall be reviewed by a joint M-DCPS/UTD committee which shall include the Co-Chairs of the Exceptional Student Education Task Force and which shall make an expeditious decision regarding the appeal.

Requests shall be made, in writing, by the principal and the One-To-One Paraprofessional, who is less senior, to the Office of Human Resources. Associate educators will be eligible for recall and be placed in the recall pool for associate educators and paraprofessionals in the pre-kindergarten category.

Under special circumstances, and with the approval of the supervising administrator and the Assistant Superintendent for Human Resources, an employee may be hired or rehired at a salary step higher than the first step of the pay grade for the position being filled. The employee with approval of the supervising administrator may request higher step placement within one year of hire/rehire. If the request is denied by the supervising administrator, the employee may appeal to the appropriate Regional/Assistant Superintendent or designee.

ARTICLE XVII (Cont.)

3. Re-employed school support employees who resigned in good standing or were laid off shall retain credit for their years of experience with the school system (i.e., salary steps and accumulated sick leave) and placed on the step for which they would have been eligible had they been on board-approved leave.
4. Full-time support personnel new to M-DCPS shall participate in a comprehensive three-day orientation session which will immediately precede the first day of school for regular school support personnel. Such additional days shall be considered as part of the regular school year and shall be used in computing new school support personnel daily rates of pay for the year.

D. Probationary Period

1. The probationary period for all newly-hired school support personnel shall be 90 days. Unsatisfactory performance during such a probationary period is sufficient grounds for immediate separation from employment.
2. The probationary period for school support personnel changing to a position having a different job classification shall be 60 days. Unsatisfactory performance during such probationary period is sufficient grounds for return to the prior job classification as soon as a position becomes available.

E. Workday

1. The school support employee's workday shall be seven hours and five minutes at the elementary level and seven hours and 20 minutes at the secondary level, except for School Security Monitors and School Resource Specialists, whose workday shall be eight hours.
2. The workday shall include a duty-free lunch period of at least 30 minutes and two 10-minute daily breaks separate from and not attached to the duty-free lunch period. The first break shall be in the morning and the second break shall be in the afternoon. Part-time school support personnel who work five hours per day shall be allowed one 15-minute daily break.

F. Transfer

1. School support employees shall be afforded the opportunity to transfer from one work location to another.
2. All full-time job vacancies shall be advertised by the Office of Human Resources and posted at each M-DCPS work location for a period of one week. Such job advertisements shall be posted on the Union bulletin board immediately upon receipt at each work location. No vacancy shall be filled until after the fifth workday following advertisement of the position.
3. Once a school support employee has fulfilled the requirements for a transfer and has been accepted at another work location, the maximum time the current supervisor may retain

ARTICLE XVII (Cont.)

the employee in the current position is 10 workdays, unless otherwise authorized, in writing, by the Chief Personnel Officer for Human Resources.

G. Layoff

1. Layoff is defined as the separation of an employee for lack of work or funds, without fault or delinquency on the employee's part.
2. When it is necessary to identify an employee for layoff, the least senior employee in the affected job classification at the work location shall be laid off.

In instances where the UTD building steward is employed as school support personnel, said steward shall be exempted from layoff except here an entire program is eliminated.

3. In the event that the least senior interpreter is a One-to-One Interpreter, an exception to Paragraph 2 may be made based upon the unique needs of affected student(s). Requests shall be made, in writing, by the principal and the interpreter, who is less senior, to the Assistant Superintendent for the Office of Human Resources. These requests shall be reviewed by a joint M-DCPS/UTD committee which shall include the Co-Chairs of the Exceptional Student Education Task Force and which shall make an expeditious decision regarding the exception.
4. However, in the event it becomes necessary to effect a layoff in the physical and occupational therapy programs, county-wide seniority shall determine which employee(s) is to be laid off.
5. Seniority, for the purpose of layoff, is the total full-time service as an employee of M-DCPS in any capacity. Service as a temporary instructor shall be counted only when 99 days are worked during the regular school year.
6. Layoffs will be effected as follows:
 - a. The Office of Human Resources shall be notified, in writing, by the supervising administrator of the requirement for layoff, and the reason therefore, prior to any announcement relative to a possible layoff.
 - b. The Office of Human Resources shall verify the need for the layoff. If the layoff is required, the Office of Human Resources shall determine the specific employee(s) to be laid off. The notice shall contain information concerning the employee's residual benefits. The employee shall acknowledge receipt of the notification. The effective date of the layoff shall be no less than 10 workdays after receipt of notification.
 - c. During the 10-workday notification period, efforts shall be made to place the affected employee in a position for which qualified.

ARTICLE XVII (Cont.)

7. In the event it becomes necessary to effect a reduction-in-force for Physical and Occupational Therapy Assistants, county-wide M-DCPS seniority within the affected program (i.e., Physical and Occupational Therapy Assistants) shall be utilized to determine which employees are to be laid off.

H. Recall

1. Recall, as defined, is the calling back for rehire of a previously laid-off employee.
2. No new personnel will be employed as school support personnel until all recall pools of school support personnel, available, qualified, and willing to fill the position, have been exhausted.
3. Seniority, for the purpose of recall, is defined as the total full-time service as an employee of M-DCPS in any position. Service as a temporary instructor shall be counted only when 99 days are worked during the regular school year.
4. Three recall pools shall be established for each category. All school support personnel laid off at a work location will be placed in order of county-wide seniority in the work location recall pool, in the area-wide recall pool, and in the county-wide recall pool for that category. Laid-off school support personnel shall remain in the recall pools for two years or until recalled, whichever occurs first.

I. Salary

1. Salaries for school support employees shall be adjudicated on the U1 Salary Schedule in such a manner that all employees receive the amount indicated for their classification and years of experience.
2. The effective date of the salary schedule shall be the first day of the 10-month work year.
3. Eligible school support employees shall advance one step on the first day of the 10-month year on the U1 Salary Schedule, but wages will be frozen at the previous year's rate until an agreement on wages has been reached and a monetary value for each step on the salary schedule has been agreed to by the parties.
4. A year of experience for salary purposes is defined as 99 or more days of service with M-DCPS as a school support employee in any school year. For a 12-month (250 days) employee, a year of experience for salary purposes is defined as 111 or more days of service with M-DCPS.
5. A school support employee who is hired as a full-time teacher (including interim teacher) or for a full-time school support position having a different paygrade shall be placed on the appropriate salary schedule and grade at the lowest step which provides a salary increase.

ARTICLE XVII (Cont.)

6. The daily rate for school support employees for the regular school year shall be calculated by dividing the annual salary by the same lapsed time factor as is applicable for other 10-month employees in the bargaining unit.
7. Full-time School Support Personnel, covered by the overtime provisions of the Fair Labor Standards Act, who are directed by an administrator to work beyond his/her normal workday, shall be compensated by being paid one and one-half times their regular hourly rate. Full-time School Support Personnel who are on the AO Salary Schedule are not subject to the overtime provisions of the Fair Labor Standards Act.
8. In the event that Physical and Occupational Therapy Assistants are required or assigned beyond the regular workday for service to homebound students, the therapy session rate shall be \$13 per 30-minute session. Payments for such sessions shall be in addition to regular salary, but in lieu of any overtime or hourly rate for the service.
9. Part-Time Physical/Occupational Therapy Assistants shall be paid in accordance with the AT Part-Time Hourly Salary Schedule for Bachelor's degree certificated employees.
10. Full-time Interpreters for the Deaf or Hard-of-Hearing who provide services to students shall receive prorated credential supplements as follows: QAI - \$2,000; QAI - \$3,000; QAI - \$4,000; and RID - \$5,000. The supplement shall be effective the beginning of the pay period following receipt of the appropriate certificate. These employees shall be entitled to only one of these categorical supplements.
11. Current full time qualified Interpreters for the Deaf or Hard-of-Hearing possessing a Bachelor's degree or higher with a major or minor in sign language interpreting or related educational field and with at least a QA III certification shall be classified as Educational Interpreters for the Deaf or Hard-of-Hearing and shall be compensated on the AO/CO Salary Schedule with placement on the step that provides an increase of no less than \$2,000. Newly-hired Interpreters in this category shall be placed on Step 1 of the AO/CO Salary Schedule.
12. These provisions are applicable only to Interpreters for the Deaf or Hard-of-Hearing and Educational Interpreters who provide direct interpreting/ transliteration services to students.
13. Interpreters for the Deaf or Hard-of-Hearing hired solely part time shall be paid in accordance with the AT Part-Time Hourly Salary Schedule for Bachelor's degree certificated employees.
14. Educational Interpreters for the Deaf or Hard-of-Hearing who qualify under provisions of No. 11 for placement on the AO/CO Salary Schedule shall be compensated on the AU Salary Schedule when they work part time hours beyond their regular work day. Educational Interpreters for the Deaf or Hard-of-Hearing are not subject to the overtime provisions of the Fair Labor Standards Act.

ARTICLE XVIII -- OFFICE EMPLOYEES

INTRODUCTION

The terms and conditions of employment for office employees, identified in Appendix F, are limited to those provisions cited in this Article which specifically cover these employees and provisions in other articles which do not limit themselves to other groups of employees.

Section 1. Work Schedule

- A. The standard number of working hours during any standard work week will be 37-1/2 hours, exclusive of lunch periods, without a reduction in the current established biweekly wage rate, provided, however, that overtime shall accrue after 37-1/2 hours.
- B. All office employees shall have a duty-free lunch period. This duty-free lunch period shall consist of at least 30 minutes.
- C. Each employee shall be guaranteed two 15-minute breaks per working day.
- D. Office employees who spend a majority of the workday working with a Video Display Terminal (VDT) shall be permitted to perform other job-related duties (e.g., answer phones, file, etc.) 10 minutes out of every hour.
- E. Employees shall be entitled to two days off at the completion of the standard work week.
- F. The use of sign-in and sign-out sheets designating time-in and time-out is authorized for payroll purposes only. The use of time clocks and similar devices is prohibited, except for hourly employees. Under no circumstances shall highlighting or circling be used.
- G. An employee shall be released from a work location early when it is determined by the supervising administrator that the employee's personal safety would be placed in jeopardy by remaining unaccompanied at the work location site.
- H. Ten-month employees shall have an opportunity to select an alternative teacher planning day/work year schedule when developed by the Calendar Committee and approved by the Board. At least one-half of the total number of secretarial/clerical staff members at each work location are authorized to exercise the option to select an alternative teacher planning day schedule on each of the designated days.
- I. The parties shall discuss the need for establishing a four-day work week prior to implementation of a four-day work week. A four-day work schedule may be implemented by the Board after these discussions and subsequent notification to the Union. Employees affected shall be given no less than two weeks' notice of the changed schedule.

Adoption of such schedule for any employee shall not be considered an avoidance of overtime. Such schedule shall be for four consecutive days. Where a four-day work week schedule is adopted, the workday shall consist of nine and one-half duty hours plus the duty-free lunch period.

ARTICLE XVIII (Cont.)

Each employee on the four-day work week schedule shall be entitled to two 20-minute breaks per working day.

- J. Except in unanticipated instances, employees assigned to the Office of Information Technology shall be given a minimum of two weeks' written notice before the implementation of changes in shift assignment.
- K. When an emergency is declared by the Superintendent, and employees are generally excused from work because of said emergency, those employees required to work during the emergency shall receive two times their regular rate of pay for such work.
- L. Employees may, with the approval of the work-site administrator, modify their workday schedule (i.e., beginning and ending times adjusted, but not overall daily working hours). Assignment to a flexible hours schedule will be voluntary and shall not be used to circumvent overtime provisions.
- M. Except in case of emergency, office employees shall not be used in lieu of a teacher or a temporary instructor to cover classes or supervise students.

Section 2. Overtime Rate

Overtime pay or compensatory time must be granted to all eligible employees who work over 40 hours per week in one or more positions (full and/or part-time) at one or more work locations.

- A. Employees who, with prior approval, work overtime, shall receive either compensation or compensatory time as follows:
 - 1. Employees who, with prior approval, work overtime shall be compensated at an hourly rate one and one-half times their regular hourly rate of their primary position.
 - 2. Employees shall have the option of receiving compensatory time, in lieu of overtime pay, at a rate of one and one-half times the amount of overtime worked.
 - a. The maximum number of hours of compensatory time an employee may accrue is 30 hours at any given time.
 - b. Upon termination for any reason or upon reassignment to a different position or location, employees shall be paid for authorized accrued compensatory time.
 - c. Accrued compensatory time shall not be carried over into the next fiscal year. Payment for such authorized accrued compensatory time will be made in the last pay period of the fiscal year.
 - 3. Compensatory time off and the rate(s) of pay for employees who weekly perform two or more M-DCPS jobs shall be governed by the Fair Labor Standards Act (FLSA) and the U.S. Department of Labor's Rules, Regulations, and Interpretive Bulletins regarding this Act.

ARTICLE XVIII (Cont.)

- B. Any employee who is unable to perform overtime work shall not be penalized in any manner and shall not be required to work beyond the standard workday and/or work week, except by mutual agreement of the supervising administrator and the employee.

Section 3. Additional Part-Time Employment

Employees who desire to work part-time in another position with M-DCPS (such as part-time teaching in the adult program or the secretarial/clerical inservice training program), during hours outside the regular hours of their primary employment, may do so. Payment for the primary and any such additional part-time employment will be computed in compliance with the FLSA.

Section 4. Job Vacancies

Job vacancies for which office employees are eligible to apply will be posted at each work location for a period of one week. Electronic mail may be utilized for this purpose, provided that the vacancy is also advertised in the Weekly Reader. Job advertisements shall be posted on the Union-designated bulletin board space immediately upon receipt at each work location. No vacancy shall be filled until after the fifth working day following advertisement of the position.

No new allocated clerical position will be filled for more than 60 days by any person who has not passed the clerical test for that position. The position will be re-advertised as a vacant position prior to the expiration of the 60-day period. If no employee who has passed the clerical test for that position applies, pursuant to said advertisement period, the employee presently filling the position shall be retained. During the re-advertisement period, the employee who has not passed the clerical test for that position shall continue to fill the position.

It is further understood that no person from another bargaining unit may take an open clerical position, as long as qualified office employees are available.

Section 5. Transfers/Promotions

- A. Any permanent employee may file an application for transfer using the form designated for that purpose by Human Resources. The form on which such application is made may be obtained from Human Resources or from the work site. It must be completed by the employee, signed by the supervising administrator, indicating his/her acknowledgment, and returned to the Non-Instructional Staffing, with a copy to the immediate supervisor.
- B. Consideration for transfer will be given to qualified transfer applicants on the basis of seniority, first within job classification and second within the system. That is, the transfer applicant anywhere in the system having the most experience in positions having the same job code and job title as the one to be filled will receive first consideration for transfer to that position, followed by the applicant with the next most experience, etc. If applicants have equal qualifications and seniority within the job classification, priority for consideration will be given to the applicant having the longest employment with the school system.
- C. Prior to receiving a promotion, the employee must have satisfactorily met all requirements for the position. A qualified and eligible office employee, who applies for a vacancy at his/her work location, which would result in a promotion, shall be given first consideration by the work location

ARTICLE XVIII (Cont.)

supervising administrator to fill such position. In the event a work location supervising administrator determines that a vacancy will be filled by a qualified and eligible unit member at the work location, he/she is authorized to waive the contractual requirement for advertising such vacancy district-wide.

- D. When an employee is promoted or assigned to a position which is classified in a higher pay grade, he/she shall be given an increase to the first step of the new salary range, effective the start of the next pay period after Board approval. When his/her current salary is already in excess of the first step, he/she will be placed on that step of the new grade which provides at least the equivalent of a one salary step increase, but no less than five (5%) percent. If his/her salary is equal to or above the maximum of the range for the position to which he/she is assigned, no change in salary shall be considered.
- E. Once an employee, who has fulfilled the requirements of the transfer provisions has been hired at another work location, the maximum time his/her current employer may retain him/her in the position shall be for no more than 10 workdays, unless otherwise authorized, in writing, by the Superintendent or designee.
- F. An employee who is promoted shall be considered probationary for the first 60 workdays in the new position.

At the beginning of such probationary period, the promoted employee shall receive, within 10 days of receiving promotion, a copy of the job description for the position, as well as any other requirements and/or expectations of the supervising administrator for acceptable performance in the position. In all instances of concern about a promoted employee's performance, such employee shall be advised of the concern, given suggestions for improvement in a timely fashion, and allowed a reasonable amount of time for improvement to occur; in no case, however, shall such amount of time extend beyond the end of the contractual probationary period. If a promoted employee's performance is determined by the supervising administrator to be unacceptable during the probationary period, he/she shall, without recourse, be returned to a position substantially equivalent to the one held prior to the promotion, as soon as such a position is available.

- G. Where an employee is demoted, as a result of his/her inability to perform satisfactorily, such employee will be placed on the same step in the lower pay grade (e.g., from Step 5, pay grade 18 to Step 5, pay grade 17).
- H. Where an employee is reassigned to a position in a lower pay grade at his/her own request or in lieu of layoff, such employee shall be placed on the step in the lower pay grade that reflects his/her current salary. In no case shall such employee's salary exceed the maximum of the lower pay grade.
- I. Probationary employees shall not be eligible to apply and be selected for a transfer or promotion. However, employees on probationary status may be granted a transfer to a lateral or lower pay grade position.

ARTICLE XVIII (Cont.)

Section 6. Layoffs

Layoff is defined as the separation of an employee for lack of work or funds, without fault or delinquency on the employee's part. The Board agrees to provide the Union with a list of names of the employees being laid off, and such notice shall be sent at the same time that it is issued to each employee so affected.

Employees to be laid off shall be notified as soon as possible after the decision for layoff has been made. In no event shall the Board give employees less than 10 working days' notice.

It is agreed that the following guidelines shall govern when layoffs of personnel are necessary:

- A. There shall be no "bumping downward" in the layoff procedure. Employees shall be laid off by job code, according to the procedures contained in this Section.
- B. Layoffs by job code at the work location shall be in reverse order of total system seniority.
- C. When employees of the same job code at the same work location have the same total system seniority, layoff will be in reverse order of seniority at the work location.
- D. Any sick leave forfeited at the time of layoff shall be restored at the time of rehire.
- E. Confidential exempt secretarial personnel shall, in the event of layoff, be placed in the recall pool equivalent to the grade of the exempt position from which they were laid off.
- F. In instances where the UTD building steward is an office employee, said steward shall be exempted from layoff except where an entire program is eliminated.

Section 7. Recall Pool

- A. Job vacancies shall first be filled from the recall pool, providing qualified personnel are available in the pool. The absence of qualified personnel shall be certified by Human Resources.

For the purpose of this Section, the word, qualified, is interpreted to include, but not be limited to, the following:

- 1. Testing - - must have passed the test for the position; or
 - 2. Seniority - - system-wide seniority.
- B. A recall pool shall be created and maintained for each pay grade for the duration of this Contract.
- C. Personnel who have been laid off shall be eligible to apply for advertised positions that would result in a promotion. Employees in the recall pool shall be given the same consideration for promotion as all other qualified applicants, but shall not be given preference solely because of recall pool status.

ARTICLE XVIII (Cont.)

- D. Employees in the recall pool shall be obligated to inform Human Resources of their current telephone number and address on forms to be provided by M-DCPS.
- E. Human Resources will notify the employee first by telephone of a job vacancy and confirm by certified mail. All telephone communications will be properly logged.
- F. In the event Human Resources is unable, notwithstanding due and diligent effort, to communicate by telephone to such employee in order to inform him/her of such vacancy, then the employee in the recall pool next in line shall be contacted.

Failure to contact the employee shall not result in the loss of his/her position on the recall list.

- G. Unit members placed in the recall pool, who do not accept the position offered within 72 hours of such offer, will be placed at the bottom of the recall list, regardless of seniority. Notification by telephone will be utilized, wherever possible, to expedite the process. Requests for special consideration will be reviewed by Human Resources.
- H. All job vacancies which cannot be filled from the recall pool shall be advertised, pursuant to Section 4.

Section 8. Job Classification

- A. The Office of Compensation Administration shall be responsible for the day-to-day administration and management of the classification plan.

This authority shall include:

 3. the classification of all new jobs;
 4. the reclassification of existing jobs, when necessitated by defined conditions;
 5. the maintenance of current and accurate job descriptions for all approved jobs; and
 6. the surveying of all approved jobs to ensure that each job is allocated to the proper job classification.
- B. The Office of Compensation Administration shall be the final authority for the classification or reclassification of approved jobs.
 - C. Classification of New Positions

ARTICLE XVIII (Cont.)

1. All requests (Job Profile Non-Instructional Personnel) for the establishment of positions new to the bargaining unit shall be submitted to Compensation Administration for classification and evaluation.
2. No job shall be approved for funding or otherwise established, until it has been classified and evaluated by Compensation Administration. Minimum qualifications and requirements may be submitted and will be used in the classification process.
3. The classification of a job will be based upon the nature and type of duties and responsibilities. As a guiding principle, those jobs which are sufficiently similar as to duties and responsibilities shall be allocated to the same class and treated the same for personnel and pay purposes.
4. The Compensation Administrator may take into account such other pertinent factors, as may exist, when determining the classification and pay grade of a new position.
5. All proposals or requests to establish new positions shall be submitted to the bargaining unit for its review and comments.

D. Reclassification of Job

1. A significant change in the duties and responsibilities of a job may necessitate reclassifying the job. Requests for job reclassification may originate from employees or supervisory personnel and shall be submitted to Compensation Administration.
2. The processing of requests for reclassification shall not be delayed, deferred, or denied and shall not require the approval of the immediate supervisor or department head.
3. Upon receipt by Compensation Administration of the request for reclassification, Compensation Administration, within 90 working days, unless time is extended by mutual consent, shall render a decision.
4. An employee occupying a job that is reclassified and the classification is assigned to a higher pay grade shall meet the minimum qualification requirements, including minimum standard test or licensing requirements.
5. Reclassification requests will be considered from January 1 through March 31 of each year. Reclassifications denied may not be resubmitted in the same calendar year. Where deemed appropriate, the Assistant Superintendent of Human Resources is authorized to waive this provision.
6. In reviewing requests for reclassification, the Compensation Administrator may recommend job, work unit, operational/structural, pay grade adjustment or staffing level changes as an alternative to job reclassification.

ARTICLE XVIII (Cont.)

7. Salary increases for an employee whose job is reclassified and the classification is assigned to a higher pay grade shall be adjudicated in the same manner as salary increases for promotion.
8. In the event a job is reclassified and the classification is assigned to a lower pay grade, and incumbent cannot be placed in a job assigned to a comparable pay grade, the employee's rate of pay shall remain the same, unless the current rate of pay is above the maximum of the new grade, in which instance, the rate of pay shall be reduced to the maximum of the new grade.
9. Where a position is reclassified to a higher pay grade and the incumbent does not meet the M-DCPS requirements for the higher pay grade, the position shall be considered open and shall be advertised as a job vacancy. Incumbent not meeting the requirements will have 60 working days from the effective date of the reclassification to meet the job requirements. Within 60 working days, he/she may be placed in a position substantially equivalent to the one held prior to the reclassification.

E. Pay-Grade Adjustment

The Compensation Administrator, with the concurrence of the Assistant Superintendent for Human Resources, may adjust the pay grade of a job in the bargaining unit to achieve a greater degree of equity in the grade relationship of jobs in the bargaining unit. In the event the pay grade of a position is so adjusted, the employee's rate of pay shall remain the same, unless the current rate of pay is less than Step 1 of the new grade, in which case, the rate of pay shall be adjusted to Step 1 of the new grade. Prior to adjusting the grade of any job or class of jobs, the bargaining unit will be notified for its review and comment.

F. Classification Appeal

1. Whenever an office employee has just cause to question a reclassification decision, the employee may, within 20 days, request, in writing, a review of the decision.
2. Such request shall be forwarded to the Assistant Superintendent for Human Resources by the employee.
3. The Assistant Superintendent for Human Resources or designee, within 20 days of receipt of appeal request, shall schedule an appeal conference, and the employee shall be so notified, in writing, of the conference.
4. At such conference, the employee may be accompanied by a representative of the Union and may produce any documents and evidence to support the claim for reclassification.

ARTICLE XVIII (Cont.)

5. The Assistant Superintendent for Human Resources or designee shall, within 20 workdays after the appeal conference, render the decision and notify the employee, in writing.
6. The decision of the Assistant Superintendent for Human Resources shall be final and shall not be subject to the grievance procedure, litigation, or review process.

G. Annual Review

The parties may meet annually to review reclassification, classification, appeal, grade adjustment, and such other matters that relate to the classification system.

Section 9. Probationary Employees

Employees who are new in the system shall be considered probationary for the first 90 working days. Thereafter, they shall be considered annual employees subject to annual reappointment. During such probationary period, the employee may be terminated without recourse.

At the beginning of such probationary period, the newly-hired employee shall receive a copy of the job description for the position, as well as any other requirements and/or expectations of the supervising administrator for acceptable performance in the position. In all instances of concern about an employee's performance, such employee shall be advised of the concern, given suggestions for improvement in a timely fashion, and allowed a reasonable amount of time for improvement to occur. In no case, however, shall such amount of time extend beyond the end of the contractual probationary period.

Section 10. Job Descriptions

- A. Compensation Administration will review and revise job descriptions as it deems necessary. All job descriptions shall be submitted to the Union for its review and comment. Implementation of job descriptions shall also be a subject for the Union's review and comment. The role of the Union in this regard will be advisory in nature.
- B. Office employees who allege they are regularly performing duties substantially divergent from those authorized in official job descriptions shall have the right to a hearing on such allegations with their supervising administrator and that administrator's supervisor. Such allegations shall not be pursued through the grievance procedure unless such a conference has been held. The purpose of the hearing is to clarify for all parties concerned the scope of duties for which the unit member may be held accountable, to avoid unnecessary grievances, and to reduce morale problems that may exist due to misunderstandings or misinterpretations of job responsibilities. If satisfactory resolution is not achieved at this conference, the employee shall be entitled to utilize the grievance procedure.

Section 11. Early Release on Working Day Preceding Holiday

On a working day which immediately precedes a holiday or vacation, principals or supervising administrators shall have the authority to release unit members 30 minutes early. If the holiday falls on a Monday or the recess begins on a Monday, principals or supervising administrators may, on the preceding Friday, release unit members 30 minutes early.

ARTICLE XVIII (Cont.)

Section 12. Re-employment/Longevity Rights

- A. Re-employed employees who resigned in good standing or were laid off shall retain credit for their years of experience with the school system (i.e., salary steps and accumulated sick leave).

- B. When an employee is assigned to service away from his/her school or regular place of employment and that assignment requires: (a) the employment of a temporary instructor; (b) payment of travel expenses; or, (c) out-of-county attendance, the employee must complete a request for temporary duty form obtained from Human Resources. The request must be signed and approved by the principal, department head, or division head, as appropriate, and forwarded to Human Resources for final approval. Employees will receive their regular pay and may be allowed expenses, as provided by law, as indicated in Appendix D, Section 3 of this Contract. It is widely recognized that the parties have pioneered a number of creative and innovative programs, services, and strategies. These initiatives have resulted from truly collaborative efforts. The ability to be successful once again will depend upon our achieving consensus on and sustaining a comprehensive initiative which will enhance the office employee profession.

2. The Union will be provided one hour's time during the New Employee Orientation Program to give Union information.

Said task force shall make recommendations to the Superintendent and the UTD President or Designee by June 30, 2007.

E. Professional Office Personnel Development Program (POPDP)

It is the intent of the parties to offer a comprehensive training program to improve the skills and increase the productivity of office personnel. The parties have, therefore, agreed to merge two existing programs: the M-DCPS Professional Secretary Program and the Inservice Education Program. The new comprehensive program will be called the POPDP. The POPDP will provide an optional, well-defined Professional Secretary Program (formerly M-DCPS Certified Professional Secretary Program) leading to a professional secretary certificate.

I. Child-Care Program

The parties recognize that a significant and growing number of employees have pre-school age children. Unresolved concerns about caring for them can affect an employee's performance. Therefore, M-DCPS and UTD agree to explore the development of an educationally sound, affordable, and safe pre-school, child-care program for its employees' children.

A copy of the appeal and decision shall be furnished to the office employee and the Union.

Section 18. Dismissal, Suspension, Reduction-in-Grade, or Non-Reappointment of Office Employees

ARTICLE XVIII (Cont.)

- E. In those cases where an employee has not complied with Board Policies and/or administrative regulations, but the infraction is not deemed serious enough to recommend dismissal, the supervising administrator may recommend suspension up to 30 calendar days without pay. All suspensions must be approved by the Superintendent.
- F. Nothing contained in this Article shall prevent the Board from disciplining the officers and official representatives of UTD greater than other employees who participate in a strike, if evidence is presented and upheld in an administrative hearing or court proceeding, that these officers and official representatives of UTD encouraged participation by other bargaining unit members in an unlawful job action. Employees disciplined for allegedly engaging in a strike shall have a hearing before an impartial administrative law judge, pursuant to Section 18(C) of this Article.

Section 19. Employee Absences

- A. An employee shall be deemed to be absent-without-leave whenever he/she is absent and has not given prior notice to the appropriate administrator or designee that accrued sick or personal leave is to be used or other leave has been appropriately applied for and approved. Any member of the unit who is willfully absent from duty without leave shall forfeit compensation for the time of such absence and be subject to dismissal.
- B. An unauthorized absence for three consecutive working days shall be evidence of abandonment of position. Unauthorized absences totaling 10 or more workdays during the previous 12-month period shall be evidence of excessive absenteeism. Either of the foregoing may result in disciplinary actions, including termination. Such action shall not be taken in an arbitrary or capricious manner. An employee recommended for termination for abandonment of position shall have the right to request a review of the facts concerning the unauthorized leave by the Chief Personnel Officer for Human Resources or designee. Such right shall exist for a period of 10 working days after notification of termination. The employee shall have the right to representation in the review of the facts concerning the unauthorized leave.
- C. When an employee will be absent from work due to illness or injury or due to personal reasons, he/she shall notify the supervising administrator (or designee) as soon as possible, but no later than one hour before the start of his/her scheduled workday. Where an absent employee does not notify his/her supervising administrator, as stipulated herein, and where there are not extenuating circumstances, as determined by the supervising administrator, such employee will have the option to use personal leave or leave without pay. However, such determination by the supervising administrator shall not be made arbitrarily.

ARTICLE XVIII (Cont.)

- B. The Board will comply with prevailing federal minimum wage standards in accordance with the requirements of the Fair Labor Standards Act and the U.S. Department of Labor's Rules, Regulations, and Interpretive Bulletins regarding the Act and the Florida Minimum Wage.
- C. The first step of each pay grade shall be the starting rate for new employees to M-DCPS. However, the supervising administrator may recommend to the Assistant Superintendent, Human Resources, that an initial compensation rate be authorized at a salary step higher than the first step of the assigned pay grade where a candidate has been deemed exceptionally well-qualified for the position within one year of hire/rehire. If the request is denied by the supervising administrator, the employee may appeal to the appropriate Regional/Assistant Superintendent or designee.
- D. Office employees who are designated by the principal as having the primary responsibility for arranging for temporary instructors on a regular basis shall be paid an annual supplement as follows:

Adult/Vocational Day Program	\$800
Adult/Vocational Evening Program	\$600
Summer Program	\$250

Summer	\$ 250

- E. **Alternative Education Stipend**

Eligible office employees will receive this stipend as referenced in Article XXV, Section 2.

If additional sites are subsequently established, office employees assigned to these sites will be eligible to receive such supplements.
- F. Where an employee is required to wear a uniform (i.e., dental clinic, etc.) the cost, not to exceed \$250 annually, shall be borne by the employer.
- G. The office employees in the regular school program, at each M-DCPS work location, who are responsible for handling revenue transactions for the community school program and fee-supported pre-kindergarten programs shall be paid a supplement based on the size of the individual community school program's annual revenue transactions for the previous fiscal year.

ARTICLE XVIII (Cont.)

Supplements shall be authorized for a community school program whose revenues recorded in the internal account are \$25,000 or less or more than \$25,000. Such supplements will be paid in a lump sum on or before September 1 of the subsequent fiscal year, as detailed in the schedule below.

\$25,000 or Less	More Than \$25,000
\$600	\$840

- H. Office employees assigned to shift work at Office of Information Technology shall be paid a shift differential as follows: 6.5 percent of base salary for employees on the second shift and 13 percent of base salary for employees on the third shift. The designated shift differential amount will be effective the beginning of the pay period immediately following the shift change.

The parties agree to establish a joint ad hoc committee for the purpose of exploring differentiated salaries for teachers and clerical employees working full-time in an evening program. Said committee will also explore providing an appropriate salary differential for full-time clerical employees who are assigned to work weekends as a part of their regular work week assignment.

ARTICLE XIX -- TEMPORARY INSTRUCTORS/INTERIM TEACHERS

Section 1. Use of Temporary Instructors

- A. When students for whom a teacher has assigned duties to instruct or supervise are in attendance, a temporary instructor shall be utilized whenever the teacher is absent from the work location on approved leave, except when no temporary instructor is available, in emergencies, or where on-site personnel have volunteered to cover the absent teacher's duties. In all cases, the principal has the right to provide supervision for students that, in his/her opinion, best provides for their safety.
- B. Employees in this unit shall not be shifted from their regular duties to cover a full-day absence of a teacher, except as noted in A. above. Part-day absences shall be covered at the direction of the principal, provided, however, that every reasonable effort shall be made to utilize temporary instructors in such cases.
- C. Where an emergency temporary instructor has been retained for the next workday and an absent teacher has not notified the supervising administrator (or designee) 30 minutes prior to the scheduled student dismissal time, the emergency temporary instructor shall be the employee entitled to work on the next workday.

Section 2. Interim Teachers (3100s)

- A. An interim teacher shall receive the same salary as a contract teacher from the first day of such assignment. Interim teachers will become eligible for insurance benefits on the first day of paid employment in a full-time position. Said benefits terminate at the conclusion of the calendar month upon expiration of such assignment. All interim teachers who complete the insurance eligibility requirements during the last month of the school year, and where such assignment continues through the last day of the school year shall receive said benefits on the first day of the month of employment (i.e., September 1st or October 1st) of the upcoming school year, if re-employed within 30 days. Interim teachers who have rendered satisfactory service may be given consideration for employment as regular teachers, if vacancies exist.

Interim teachers must be certified in the area of assignment, unless waived by the Chief Personnel Officer for Human Resources. It is the intent of the parties that employment of temporary instructors shall not exceed 10 consecutive days.

Assignments projected to exceed 10 consecutive days require the service of a certified, qualified interim teacher to be placed in the appropriate 3100 job code.

An interim teacher who is assigned to substitute in an allocated and encumbered position which remains vacant for 31 or more workdays shall be entitled to the same rights, privileges, benefits, and salary as accorded to a regular teacher. Any 3100 who works, as described herein, until the last day of school and is re-employed and reassigned to the same encumbered position prior to September 1 of the subsequent school year shall continue to receive, without interruption, the same salary and benefits as a full-time teacher.

Pool temporary instructors who are employed as interim teachers shall be paid as a regular teacher upon the interim teacher assignment.

ARTICLE XIX (Cont.)

The status of interim teachers who have an interruption in service or are assigned to another work location shall be in accordance to this Article.

- B. An individual hired as an interim teacher shall acknowledge in writing that the position is “temporary” and without any expectation of continued employment beyond that approved by the chief personnel officer of Human Resources or designee. The term of the temporary appointment shall be until the job incumbent returns from leave or until the position becomes unencumbered, or until the end of the school year.

Salaries for interim teachers shall be adjudicated on the “AO/CO” Salary Schedule in a manner consistent with their credentials and years of experience.

Section 3. Pool Temporary Instructor

- A. Pool Temporary Instructor -- A temporary instructor guaranteed a minimum of 180 days of employment during the school year who agrees to perform daily emergency temporary instructor work on a schedule established by the Regional Center Superintendent.
- B. Compensation for pool temporary instructors shall be at the rate set by the AS Salary Schedule (Appendix E) for temporary instructors.
- C. Pool temporary instructors shall be under the overall direction of Regional Center Superintendents and shall be assigned to individual school-site work locations on an as-needed basis.
- D. At individual work-site locations, pool temporary instructors shall be under the direct supervision of the principal and shall be available to cover classes all day, or for segments of the day, and shall perform any other instructional or related duties, as assigned.

Section 4. Emergency Temporary Instructors

Emergency temporary instructors are employees who work on a day-to-day basis, as needed, to temporary instruct for a regular employee.

Section 5. Temporary Instructors for Special Teachers

Every effort shall be made to provide temporary instructors for all special teachers such as art, music, physical education, media specialists, special education teachers, and teachers in the Bilingual Education Program.

Section 6. Use of Special Teachers

Except in emergency situations, special teachers (e.g., art, music, physical education, bilingual education, special education, and media specialists) shall not be utilized as temporary instructors.

ARTICLE XIX (Cont.)

Section 7. Emergency/Pool Temporary Instructor Salary Schedule - (AS)

Effective the first day of the school year, emergency, paraprofessional and pool temporary instructors pay rates shall be as follows:

TEMPORARY INSTRUCTORS □ SALARY SCHEDULE (AS)

Pool	\$123
Temporary Instructor - Degreed	97
Temporary Instructor - Associate Degree	71
Paraprofessional (High School or Equivalent)	62

Emergency temporary instructors who teach for regular full-time Special Education (SPED) teachers, except Gifted, or who teach at an Alternative Education site, as identified by an asterisk (*) in Article XXV, Section 2, shall be paid an additional \$17 per day.

Section 8. District Teacher Reserve Pool (DTRP)

1. Each year the Superintendent may establish a pool of newly-hired teachers who are not assigned to specific locations. If established, this pool of teachers shall be hired under the direction of the Superintendent of Schools or his/her designee to be assigned to locations identified by the Superintendent to fill open positions or substitute for absent teachers for short term or long term absences.
2. Teachers hired for the DTRP shall receive the same salary and fringe benefits as a contract teacher from the first day of employment at any point of hire during the school year.
3. Teachers hired for the DTRP shall not be required to earn the minimum six-college credits if they are assigned out-of-field for less than one year.
4. At any time during a school year, should the Superintendent or his designee determine that the DTRP is no longer needed, the remaining teachers shall be assigned to substitute for absent teachers for the remainder of the school year. Teachers hired for the DTRP shall be guaranteed employment for the remainder of the school year, subject to the provisions of Articles XIII and XXI. All salaries and fringe benefits cease at the end of the school year.
5. Teachers in the DTRP will be required to attend faculty meetings, grade and departmental meetings, and professional development training, as directed by the principals of the assigned schools.
6. The Union agrees not to file a grievance, unfair labor practice charge, or initiate any other type of litigation as a result of the implementation of the DTRP. The aforementioned shall not constitute a waiver of the UTD's right to file a grievance, pursue arbitration or initiate litigation in the appropriate forum in the event the UTD alleges that a specific provision of this section or the collective bargaining agreement is being violated.

ARTICLE XIX (Cont.)

7. These provisions will remain in effect each school year at the discretion of the Superintendent and approval of the Union.

Section 9. Enhancing Achievement Through Temporary Instructor Teacher Training (EATTI)

The parties agree to establish a joint ad hoc committee which will develop recommendations regarding comprehensive temporary instructor training and orientation programs. Such recommendations will be submitted to the Superintendent of Schools and the UTD President or Designee.

ARTICLE XX -- TEACHING CONDITIONS

Section 1. Pre-School Work Period

The pre-school work period for new teachers shall not exceed nine days.

Section 2. Work Year

For all employees not new to M-DCPS, the work year shall not exceed four workdays prior to the students' first day of school.

For teachers, the work year shall not exceed three workdays after the students' last day of school.

In no event, however, shall the number of "days worked" in any school year under this work calendar be more than the number of "days worked" under the previous calendar.

Section 3. Workday

- A. The employee workday shall be seven hours and five minutes for employees at the elementary level, including Pre-K, and seven hours and 20 minutes for employees at the secondary and adult education levels. The workday shall include lunch and planning/preparation period.

In case of serious emergencies, such as school-wide disruptions which affect the safety and welfare of the student body, employees may be required by the principal to stay longer than the ordinary workday in order to assist in supervising students. The principal or supervising administrator shall make every effort to resolve the emergency as quickly as possible.

In no case shall teachers be required to remain longer than one hour beyond the regular workday.

The workday shall include a maximum of five teaching periods for secondary school teachers.

- B. The starting and dismissal time for students shall be established by the Board, provided that no change in schedule will increase the weekly number of hours teachers are presently assigned to teach students.
- C. In the case of late arrival or early departure from the work location, an employee present more than one-fourth and less than three-fourths of the workday is considered as having worked one-half day; and an employee present three-fourths or more of the workday is considered as having worked a full day, upon prior notification and approval by the principal or the supervising administrator where no principal exists.
- D. The use of sign-in and sign-out sheets is authorized for payroll purposes only, and the only handwritten marks permitted on the sign-in sheets while posted are the employee's initials and/or a code indicating that the employee is absent. Under no circumstances shall highlighting or circling be used. Employees are expected to sign in upon arrival to the school site. The use of time clocks and similar devices is prohibited, except for hourly employees.

ARTICLE XX (Cont.)

- E. Employees may leave the work location during the hours they are not directly responsible for students, provided prior authorization has been given by the principal.
- F. On a school day which immediately precedes a holiday or vacation, the teachers' day shall end at the close of the pupils' day. If the holiday falls on a Monday or the recess begins on a Monday, the employees' day on the preceding Friday will end at the close of the pupils' day. In those schools operating on two shifts, the teachers shall complete their workday. Principals may excuse teachers in this instance 15 minutes early. On other days, a teacher may, with prior approval by the principal or designee, leave, if necessary, after the completion of the teaching assignment. Instructional personnel including all Teachers on Special Assignment (TSAs), all itinerant instructional employees and school psychologists/staffing specialist working in Regional Centers and central administrative offices shall be allowed to leave 30 minutes early on such days.
- G. A teacher may, with consent, be assigned an additional teaching period beyond the normal workday and shall receive compensation equal to one-eighth of the teacher's daily rate.
- H. Meetings on Election Days

Meetings after school hours requiring the attendance of school employees shall not be scheduled for any day when county-wide primary or general elections are held.

- I. The workday for employees assigned to central or Regional Centers shall be 8:00 a.m. to 4:30 p.m., with the exception that, if an assignment leads to an employee being at a work location other than his/her base location at the end of the specific work location administrator's day, and if no pending assignment requires a return to the base work location, the employee for the purpose of safety, may leave before the end of his/her normal workday, if no administrator remains at the work site or with the permission of the school-site administrator. The workday for itinerant instructional employees, including school psychologists/staffing specialists assigned permanently to school-site(s), shall be equivalent to other instructional personnel at such school site(s).
- J. Compensatory Time

Bargaining unit members assigned to the Office of Professional Development; Office of Intergovernmental Affairs, Grants, Marketing, and Community Services; Office of Student Services; Schools of Choice; Office of Early Childhood Education; the Office of Curriculum Support; and Project TRUST Specialists, and/or group counselors in the senior high schools whose jobs require evening and/or Saturday work hours scheduled by their supervising administrator to implement specific teacher inservice programs and/or parent education activities, shall be entitled to receive compensatory time at the rate of one hour for each hour worked. K. Flexible Hours

1. In recognition of current employment trends, the parties agree to establish a Flexible Hours Program at the secondary level. The Union recognizes the Board's right to deny individual requests and to terminate a flexible hours job at any time, provided existing employment rights of all parties are maintained and protected.

Employees may, with the approval of the work-site administrator, modify their workday schedule (i.e., beginning times adjusted, but not overall daily working hours). Such modification will not interfere with the overall number of hours worked or number of classes taught, nor will it preclude the eligibility for receipt of a supplement for extra duties and responsibilities.

2. Where agreed to by individual student services personnel (i.e., school psychologists, counselors, and school social workers/visiting teachers) and their immediate supervisors, the workday schedule may be modified (i.e., beginning and ending times adjusted, but not overall daily working hours) in order to provide necessary services for students and their parents/guardians. Current student services personnel shall not be required to accept a modified workday schedule. Newly-hired student services personnel may be required to work modified workday schedules in order to provide necessary services for students and parents/guardians and shall be notified at the time of initial employment. A record of such alternate work schedules shall be maintained with other payroll records by the supervising administrator.
3. Athletic Trainers, Teacher Trainers, and Assistant Athletic Trainers may, with approval of the school-site principal, modify their workday schedule (i.e., beginning times adjusted, but not overall daily working hours). Such modification will not interfere with the overall number of classes to be taught, nor will it preclude the eligibility for receipt of the Teacher Trainers', and Assistant Athletic Trainers' supplement.
4. Instructional employees assigned to the Office of Professional Development may modify their work schedules with written approval of the site administrator. The adjustment of the work day schedule, but not overall daily working hours, is to provide specific inservice and professional development programs.

Section 4. Faculty Meetings

Except in a school emergency, no more than two faculty meetings shall be conducted each month, with a minimum of 24 hours' notice of such meetings, excluding meetings on planning/preparation days. Teachers are required to extend the workday for the purpose of attending faculty meetings. Such meetings shall be of no more than one hour in duration and shall begin no later than 10 minutes after students are dismissed. In elementary schools, the principal or his/her designee may utilize one Wednesday per month as one of the two authorized monthly faculty meetings. Physical and Occupational Therapists shall use faculty meeting days for district inservice or assigned therapy work.

ARTICLE XX (Cont.)

Section 5. Planning/Preparation Days

- A. Elementary teachers of special education students shall dismiss their classes on preparation days on the same basis as all other elementary teachers.
- B. In order to provide preparation time for elementary teachers, pupils in the elementary schools shall be dismissed one hour early one afternoon a week, using Wednesday for this purpose. With at least one week's prior notification, one early Wednesday dismissal a month may be used for professional development. When teachers are required to participate in professional development they shall receive Master Plan Points.
- C. The principal or immediate supervisor shall assist employees in utilizing employee preparation days by providing materials and other instructional data requested by the faculty and/or individual teachers, as soon as possible, prior to the date of the employee preparation days.
- D. Days designated in the school calendar as planning/preparation days, pre- or post-planning days, or teacher workdays shall be elsewhere referred to as teacher planning/preparation days and shall not be used for area or county meetings, except as designated on the school calendar.
- E. With the exception of the two planning/preparation days as designated by the Calendar Committee for full-day professional development, the majority of time during the teacher planning/preparation days is to be used by the employee, who may choose from among the following activities: instructional planning, recording of grades, and reviewing student cumulative folders and/or instructional material or activities. When teachers are required to participate in professional development, they shall receive Master Plan Points.
- F. During the teacher pre-planning/preparation days, all newly-assigned School Social Workers shall be provided by the Board with an orientation of job responsibilities. Such responsibilities shall not include placement of students in special education.
- G. Physical and Occupational Therapists shall use planning/preparation days for district inservice or assigned therapy work.
- H. Schools with 14 or more full-time exceptional student education teacher units (excluding gifted and itinerant personnel) will be allocated one ESE specialist.

SPED teachers with full-time student contact, assigned to schools not allocated an SPED Program Specialist, who plan and prepare Individual Educational Plans, will be granted four (4) release days per school year.
- I. On days designated on the school calendar as opt days, 75% of each designated opt day shall be used at the teacher's discretion for activities such as instructional planning, recording of grades and reviewing student cumulative folders and/or instructional material or activities.

ARTICLE XX (Cont.)

Section 6. Duty-Free Lunch

- A. All unit members shall have a duty-free lunch period. This duty-free lunch period shall consist of at least 30 minutes in secondary schools and at least 30 minutes in elementary schools.
- B. The principal is responsible for seeing that proper behavior is maintained during the lunch period.
- C. Employees shall not be required to travel during their uninterrupted duty-free lunch period. Lunch shall be exclusive of preparation or travel allowance time. Employees shall also be free to leave the work location during the duty-free lunch period upon notice to the principal or designee.

Section 7. Planning/Preparation Periods

- A. As a part of the workday, all secondary teachers shall have one uninterrupted planning/preparation period daily of no less than one teaching period.
- B. Classes shall not be combined in order to provide teachers with uninterrupted preparation periods.
- C. Uninterrupted preparation/planning time is not to be used for faculty meetings or other such compulsory meetings, except in cases of emergency or by mutual agreement of the faculty and the principal.
- D. In elementary schools, whenever a specialist, i.e., music, art, physical education, is in charge of a class, the classroom teacher shall be entitled to leave the classroom and use this time for planning. To the extent possible, such planning time shall be in uninterrupted segments.
- E. As a part of the work week, all elementary teachers, including art, bilingual, music, physical education, library/media specialists, and any other special teachers at the elementary level, shall be provided five hours per week for planning/preparation.

Section 8. Gradebook/Grade Changes

The electronic gradebook is the official district-wide tool for the recording of student grades and attendance.

If the principal of a school feels it is necessary to change a pupil's grade in any subject at the end of the grading period, the principal shall consult with the teacher who issued the original grade and give his/her reasons for the necessary change to the teacher, in writing. If a change in grade is made, it shall be recorded as the principal's grade and not the teacher's grade.

Section 9. Time to Teach

- A. Classroom interruptions shall be kept to a minimum. Principals will establish schedules for the use of the intercom systems in the schools, including staff use. The schedule will be posted. Deviation from the schedule shall be made only in an emergency or when another means of communication is not possible or feasible.

ARTICLE XX (Cont.)

- B. Assemblies, testing programs, and other school-wide activities which would disrupt the normal classroom instruction shall be rotated so that the same classes and employees are not continually affected.

Section 10. Alternative Planning Days/Work Year

Employees shall have an opportunity to select an alternative planning day/work year schedule when developed by the Calendar Committee and approved by the Board.

The number of planning/preparation days available for opting will be limited to four days as determined by the Calendar Committee.

The Calendar Committee shall also designate two teacher planning/preparation days that shall not be available for opting and shall be used for full-day professional development.

Section 11. Teacher-Parent Communication

- A. Teacher-parent conferences contribute greatly to improving the public school's relationship with the community which each school serves. The Board and the Union agree that improving the public school's relationship with the community and the public in general serves the best interests of students and citizens. Effective teacher-parent communication aids in contributing to and maintaining the public's commitment to public education. The Board recognizes its responsibility to facilitate teacher-parent communication through methods such as, but not limited to, provision of translators (including other teachers who can serve in this capacity) for non-English speaking parents, sufficient telephone lines, available extensions within teacher work areas, business cards, and released time for conferences, when necessary. The Board and the Union agree to explore new methods of communications technology to enhance teacher-parent communication. Additionally, the parties agree to develop a teacher-parent communication program at schools representing each instructional level (i.e., elementary, middle, senior) whose focus shall be the development of innovative techniques for enhanced teacher-parent communication.
- B. The Board and the Union encourage all teachers and parents to continue to engage in teacher-parent conferences for all students. Teachers are encouraged to initiate teacher-parent contacts when, in their professional judgment, such contact would enhance student performance. Teachers will make a reasonable effort to respond to parental requests for a parent conference in a timely manner. The principal of the school shall assist in arranging teacher-parent conferences.
- C. It is agreed that, in order to provide consistency in implementing these provisions throughout the district, the following guidelines shall apply and be included in each school's faculty handbook and discussed thoroughly with members of the administrative and instructional staffs during preparation days prior to the opening of school each year:
 - 1. Teacher-parent conferences shall occur when students begin to display a consistent pattern of disruption, or when students demonstrate unacceptable academic achievement through failure to exert sufficient effort. The principal will exclude from class, for a period not to exceed 10 days, a student who has displayed a consistent pattern of disruption until a teacher-parent conference is held or until the principal determines such a conference cannot or need not be held.

ARTICLE XX (Cont.)

2. Written or telephone communication may be appropriate alternatives for a teacher-parent conference. A student progress report constitutes written communication.
3. Teacher-parent conferences shall be scheduled at a time and place and/or manner mutually convenient for the teacher and the parent. Principals and teachers are encouraged to use teacher workdays for teacher-parent conferences, whenever possible.
4. Elementary teachers of students assigned to their self-contained classrooms shall afford parents or guardians of the students an opportunity for a teacher-parent conference. In the case of departmentalized or open-space arrangements, the teachers serving the same group of students shall afford the parents or guardians the same opportunity for a teacher-parent conference.
5. Teachers will log teacher-parent conferences in their official gradebooks and specify whether such contacts were in person, by telephone, or through written communication.
6. When parent contact is not achieved, evidence of the attempts to contact the parents will be recorded in the teacher's gradebook and the teacher will seek assistance from the administrator in making follow-up attempts to contact the parents.
7. Written notification must be sent home by the teacher to the parents or guardians at any time during the grading period when it becomes evident that the student is performing unsatisfactorily in academics, conduct, or effort. Minimally, such standardized written notification shall be sent home prior to the beginning of the eighth week of each of the four nine-week periods of the regular school year. Subsequent to the seventh week of the grading period, if an unanticipated reduction in performance becomes evident in academics, conduct, or effort, the teacher shall notify the parent or guardian. It is the teacher's responsibility to award a grade commensurate with the student's performance. Additionally, the teacher shall send to parents of all other students an "Interim Progress Report" at least two weeks prior to the end of each grading period. In order to minimize paperwork, such notification shall be transmitted on a standardized checklist type of form with appropriate guidelines which shall be developed jointly.
8. Procedurally, it is agreed that a standardized checklist type form shall include a place for the teacher to indicate that a parent conference is requested. However, if the parent does not respond to the request for a parent conference, it shall be the responsibility of school personnel to take, within reason, actions to initiate a parent conference. If these actions fail, the form will be verification of the original request.
9. Every attempt shall be made by the school to communicate directly with parents when there are indications that student performance and/or behavior is declining. The signature of a middle, or senior high school student on a progress report, with instructions to deliver it to the parent, will not in itself constitute a comprehensive attempt to achieve contact with parents. When, in the teacher's judgment, a conference with the parent is necessary, further attempts by mail or telephone are encouraged.

ARTICLE XX (Cont.)

10. When, in the professional judgment of the administrator or his/her designee, daily or weekly progress reports may improve behavior of a student who displays a consistent pattern of disruption or improve the academic performance of a student who is in danger of earning a grade of less than "C", a teacher must comply with the request for such a report. In order to minimize paperwork, such reports shall be transmitted on a standardized checklist type form and, in the absence of evidence that these reports are effecting positive change in the student, they shall be discontinued.
 11. Although teachers are encouraged to respond to parent requests for information regarding academic performance or behavioral conduct of students, a teacher shall not be required to issue weekly progress reports when the originator of the request is a non-administrator or designee (e.g., parent/guardian). On a voluntary basis, however, and in accordance with the best professional judgment of the teacher, this information may be provided.
 12. A teacher is required to issue an official report of pupil progress, once, at the end of each grading period. This report is communicated to parents on the official M-DCPS report card.
- D. The following voluntary programs have been developed and implemented at the elementary school level Successful programs shall be disseminated to all schools.
1. Report Card Pick-Up

Pursuant to statutory authorization, the faculty may develop and implement a program whereby parents can pick up their children's report cards at least twice during the school year.
 2. Parents' Back-To-School-Day

The faculty may develop and implement a program whereby parents have the opportunity to observe their children in the classroom environment and to participate in other normal school activities for all or part of one regularly-scheduled school day.
- E. Community Report Card

The Board agrees to implement the Community Report Card.

Section 12. Employee Parental Privilege

In support of enhanced parent participation and communication, it is the parties intent that employees be provided with an opportunity to meet with their child's teacher(s) for parent-teacher conferences. Accordingly, unit employees may be released for up to three hours annually at times when they are not assigned direct instruction or supervision of students (except where appropriate coverage is provided). Schools are encouraged to develop a plan designed to implement this provision in an orderly manner.

Section 13. Medicaid Reimbursement

The Union and Board agree that the Speech/Occupational/Physical Therapist will assist the Board in securing reimbursement for Medicaid services rendered to eligible students.

ARTICLE XX (Cont.)

Section 14. Uniforms for Instructional Employees

Full-time instructional employees who are required to wear uniforms (i.e., medical related field and culinary arts instructors) shall be reimbursed for the cost of required uniforms in an amount not to exceed \$250 annually.

ARTICLE XXI -- EMPLOYEE RIGHTS AND DUE PROCESS

Section 1. Due Process

A. Conferences-for-the-Record -- Disciplinary Action and Reprimand

When Union representation is requested, and the employee is to be represented by the Union, the Conference-for-the-Record must be scheduled at a time when Union representation (building steward, where appropriate) can be present.
4. A Conference-for-the-Record, which may lead to disciplinary action or reprimand not held in accordance with these conditions, shall not be considered a part of the employee's personnel file or record, and neither the fact of the conference nor any statements made at the conference may be used in any subsequent proceedings or reprimand involving the employee.
5. Where Union representation is provided herein, the employee shall be represented by the bargaining agent. The bargaining agent shall have the right to refuse representation in accordance with its own internal, nondiscriminatory rules. An employee may not be represented by an attorney in a conference-for-the-record.
6. The use of tape recorders or other mechanical devices is expressly prohibited.

3. Continuing Contract Teachers
- a. The employee shall be notified of the decision to suspend or dismiss by certified letter sent to the last known address of record. The notice shall state the cause(s) for the suspension or dismissal, the effective date of the suspension or dismissal, and the employee's right of appeal and how to exercise such right.

4. For Teachers Who Hold a Professional Service Contract as of July 1, 1997:

The professional service contract shall be renewed the following year, unless the Superintendent charges the employee with a below standards rating, as determined under provisions of Florida Statutes and notifies the employee, in writing, no later than six weeks prior to the end of the post-school conference period, of performance deficiencies which may result in termination of employment, if not corrected during the subsequent year of employment (which shall be granted for an additional year in accordance with the provisions in Florida Statutes). Except as otherwise hereinafter provided, this action shall not be subject to the provisions of Chapter 120, but the following procedures shall apply:

If so, a new professional service contract shall be issued to the employee. Upon such renewal, the provisions of paragraph 5 below shall apply, and this section shall no longer apply.

5. If the performance deficiencies have not been corrected, the Superintendent may notify the Board and the employee, in writing, that the employee shall not be issued a new professional service contract, provided that, if the recommendation of the Superintendent is not to issue a new professional service contract and the employee wishes to contest such recommendation, the employee will have 15 calendar days from receipt of the Superintendent's recommendation to demand, in writing, a hearing in which the employee may raise as an issue, among other things, the sufficiency of the Superintendent's charges of a below standards rating. Such hearing shall be conducted at the employee's election in accordance with one of the following procedures:

ARTICLE XXI (Cont.)

- a. a direct hearing conducted by the Board within 45 calendar days of receipt of the written appeal. The hearing shall be conducted in accordance with the provisions of Florida Statutes. The determination of the Board shall be final as to the sufficiency or insufficiency of the grounds for termination of employment.
 - c. In the event that the original noted deficiencies have been remediated, but new deficiencies have been identified, the Superintendent may recommend a second subsequent year of employment to remediate the newly-identified deficiencies.

- b. Any other annual contract teacher may be suspended or dismissed at any time during the school year, provided the charges against him/her are based upon just cause in accordance with Florida Statutes. Any recommendation for suspension or dismissal of an annual contract instructional employee, based upon unsatisfactory teaching performance, shall require that the teaching deficiencies be documented in compliance with the procedures of the M-DCPS evaluation process. Disciplinary action based on unsatisfactory teaching performance may not be taken against an employee in the absence of an official performance assessment conducted in accordance with procedures, guidelines, stipulations, and requirements, as are included in any employee assessment system in effect at the time.

Procedures are the same as those stipulated in Section 5 (a), (b), and (c) of this Article (Due Process - Professional Service Contract Teachers).

1. The principal or immediate supervisor should acknowledge and accept the complaint and inform the complainant that the matter will be looked into.
2. The principal or immediate supervisor should confer with the employee, inform the employee of the complaint, receive the employee's explanation and, if necessary, request the complainant to come in for a conference with the employee at a time mutually agreed upon by all parties. Principals or immediate supervisors who are unable to establish proof as to the validity of the complaint shall be prohibited from noting any such complaint in the employee's personnel file.
3. Should the complainant contact Regional Center or district school authorities, and further administrative action is warranted, the employee shall be notified promptly.
4. The use of tape recorders or other mechanical devices is expressly forbidden.
5. Twenty-four hours' notice of any meeting with the principal or immediate supervisor to discuss a complaint from a non-supervisory person shall be given employees.

2. In the event of allegations and/or complaints being made against any employee, an investigation which may result in information being placed in the employee's personnel file shall not be concluded prior to the time that the employee receives identification of the complainant and the nature of the complaint.

The Personnel Investigative Model (PIM) approved and adopted by the School Board on November 17, 2004 and revised on May 12, 2010 and the PIM User's Guide as agreed upon by the parties, shall govern the investigative process and are hereby incorporated as part of the Agreement.

3. In all Board investigations which may lead to suspension or dismissal of an employee, only the Superintendent or his/her designee may authorize such an investigation. No investigation shall be authorized on anonymous information, uncorroborated by any other supporting data. When a formal investigation has been authorized, all personnel involved will be advised of their legal rights and the procedures available to them for representation

ARTICLE XXI (Cont.)

in accordance with PIM. Information that is not substantiated will neither be used as a basis for the investigation, nor for any related disciplinary action.

4. In all Board investigations resulting in discipline, the employee shall be provided with a copy of the report. With the permission of the employee, the Union shall also receive a copy in accordance with PIM. When investigatory reports are to be provided, said reports shall be transmitted within a timeframe consistent and harmonious with basic due process.
5. In all cases in which the investigation is concluded with the finding that there is no probable cause to proceed further and with no disciplinary action taken or charges filed, a statement to that effect signed by the responsible investigating official shall be attached to the complaint, and the complaint and all such materials shall be open, thereafter, to inspection. Where allegations have not been proven against an employee, no reprisal or punitive action shall be taken against an employee.

F. Procedures for Termination of Annual/Probationary Contract Employees

1. The annual appointment of eligible employees is accomplished in accordance with the requirements of applicable State Statutes.
2. The parties agree to develop procedures for termination of employment.
3. From the beginning of the year, administrators and supervisors should make every reasonable effort to assist unit members to perform their duties successfully. In those instances where an employee's performance is unsatisfactory, the responsible administrator shall initiate, without delay, the appropriate steps which will provide, at the proper time, appropriate information on which to base employment recommendations. Employees should have been notified, in writing, of deficiencies and of the corrective action deemed appropriate; and conferences should have been scheduled with the employee and the employee apprised, in writing, of the results of the conferences, the nature of the discrepancies discussed, and the remedial action required. Follow-up conferences should then serve to indicate the degree to which success has been achieved in correcting deficiencies.

G. Employee Disclosure of Information ("Florida Whistleblowers Act")

It is agreed between the parties that the Board will not take retaliatory action against an employee who reports to an appropriate agency an alleged violation of law on the part of the Board which creates a substantial and specific danger to the public's health, safety, or welfare. It is further agreed that no retaliatory action will be taken against persons who disclose information to an appropriate agency alleging improper use of governmental offices, gross waste of government funds, or any other abuse or neglect of duty on the part of an agency, public officer, or employee.

ARTICLE XXI (Cont.)

The disclosure information shall be to an agency or federal government entity having authority to investigate, police, manage, or otherwise remedy the violations of the "Florida Whistleblowers Act of 1986." It is the intent of the parties to protect persons who disclose information on their own initiative in a sworn complaint; who are requested to participate in an investigation, hearing, or other inquiry conducted by any agency or federal government entity; or who refuse to participate in any action prohibited by the Act.

Any employee who is disciplined or subjected to other adverse personnel action by the Board due to the employee's exercise of his/her rights under the "Florida Whistleblowers Act of 1986" will have the right to present his/her concerns to the Superintendent or designee. If the employee is not satisfied with the decision/action of the Superintendent or designee, the employee has the right to pursue the remedies outlined in the Act. Under no circumstances will any alleged violation of this Section be subject to the grievance/arbitration procedure.

H. Student Case Management System (SCMS)

Neither the forms nor the data generated by the Student Case Management System (SCMS) shall be made a part of a teacher's personnel file; nor shall they be used to initiate disciplinary action against any teacher; nor shall this information be used as a basis for the assessment of a teacher in any portion of the observation/evaluation forms. Neither the name nor the employee number of the referring teacher shall be entered in the automated data retrieval system.

It is the intent of the Board to utilize the SCMS, exclusively, to refine and improve student personnel services. The SCMS is not to be used as a part of the personnel assessment system; nor is it intended to reduce the range of available student disciplinary actions, pursuant to the Code of Student Conduct nor the availability of student services provided to students.

I. Resignation

1. Employees shall be allowed to resign their position, without prejudice, upon at least 30 calendar days' notice.

Employees shall submit written resignation to their immediate supervisor and a copy to the Office of Human Resources.

2. Employees shall have the right to withdraw their resignation up to 10 calendar days prior to the effective date of the resignation, except in cases where an employee is not recommended for reemployment or has been suspended or dismissed. This exception may be waived by mutual agreement.

However, the employee's right to withdraw their resignation shall not apply to the DROP Application/Resignation form and dates listed thereon. The DROP termination and resignation date, established upon submission of the DROP application, is binding upon the employee, even in the case where the employee fails to comply with all the Florida Retirement System (FRS) requirements necessary to be placed on the DROP retiree payroll, and FRS cancels the employee's DROP application and participation.

ARTICLE XXI (Cont.)

3. No employee shall be coerced, threatened, or intimidated to submit a resignation in lieu of disciplinary action or unacceptable evaluation.

Section 2. Employee Rights

A. Union Affiliation

The employee shall be free from interference to form, join, or assist employee organizations, or to refrain from such activities in accordance with Chapter 447 of the Florida Statutes.

B. Personal Life

1. The private and personal life of an employee, except for such incidents and occurrences which could lead to suspension or dismissal, as provided by statute, shall not be within the appropriate concern of the Board.
2. The Board places the question of out-of-school activities on the part of teachers purely on a professional and ethical basis. The teachers engaged in out-of-school activities shall examine them in a professional and ethical light and abandon any such activities as appear to them, after conscientious examination, to violate professional ethics. The question is placed entirely in the keeping of the conscience of the individual teacher.

C. Family Relationships

Permanent employees of the school system shall not be prohibited from working at the same work location because they are members of the same family. In addition, the Board agrees the employees who wish to enroll their children at the same worksite where they are employed shall not be prohibited from doing so, subject to the approval of the Regional Center Superintendent. Approval will not be arbitrarily denied. Denials based on special entry requirements or excessive overcrowding at the location will not be considered arbitrary. Children of employees who are unable to enroll at the employee's worksite for any reason shall be eligible to enroll at an adjacent school, with the approval of the Regional Center Superintendent.

D. Non-M-DCPS Compensation

No M-DCPS employee may use his/her regular work hours to earn compensation from sources other than the Board, except for services construed to be desirable public service approved by the Superintendent.

E. Employee Access to Information

1. Pursuant to articles of this Contract, employees shall have full access to Board Policies and to all terms and conditions of employment.
2. Annual Statement of Information

Employees shall have access to at least the following information, and the employer will provide forms with which employees may request:

ARTICLE XXI (Cont.)

- a. sick leave accrual;
- b. salary step, level, advanced study credit, increment data, supplements, PIP, longevity;
- c. accrued vacation and compensatory time; and,
- d. certificate expiration date.

Such annual summary statements shall be received by employees no later than December 1 of each school year.

F. Health Services/Physical and Psychological Examinations Work Place Policies:

1. The cost of all physical, psychological, or psychiatric tests or examinations taken by employees at the request or order of the Superintendent or his/her designee, except those examinations or tests which are prerequisites of initial employment, shall be borne by the Board.
2. At all times, the choice from among state-licensed physicians, psychologists, or psychiatrists shall be made by the employee from a list provided by the employer. No employee shall be compelled to submit to any test or examination not required of all employees of that classification without a written statement of the need for such examination.
3. An employee shall have the right to seek an additional opinion or judgment from among state-licensed physicians, psychologists, or psychiatrists of the employee's choosing. The cost shall be borne by the employee. When the option is exercised, the additional opinion shall be attached to any other medical opinions under consideration with respect to disciplinary action against the employee.

G. Drug-Free Work Place General Policy Statement

M-DCPS and the UTD recognize that substance abuse in our nation and our community exacts staggering costs in both human and economic terms. Substance abuse can be reasonably expected to produce impaired job performance, lost productivity, absenteeism, accidents, wasted materials, lowered morale, rising health care costs, and diminished interpersonal relationship skills. M-DCPS and the UTD share a commitment to solve this problem and to create and maintain a drug-free work place.

M-DCPS is responsible for the instruction and well-being of the students entrusted to its care. A consistent message needs to be communicated to M-DCPS students: the use of illegal drugs, the abuse of alcohol, and the misuse of prescription drugs is unacceptable.

a. Policy Objectives

- (1) to promote a healthy, safe-working, and learning environment;

ARTICLE XXI (Cont.)

- (2) to seek the rehabilitation of employees with a self-admitted or detected substance abuse problem;
- (3) to eliminate substance abuse problems in the work place;
- (4) to provide a consistent model of substance-free behavior for students;
- (5) to provide a clear standard of conduct for M-DCPS employees; and
- (6) to hire drug-free employees.

b. Policy Statement - Illegal Drugs

Drug abuse by employees interferes with the educational and work process and compromises the safety and well-being of staff and students. Employees are expected to conduct themselves in a manner consistent with the following provisions:

- (1) Employees on duty or on Board property will not manufacture, distribute, dispense, possess, or use illegal drugs, nor will they be under the influence of such drugs.
- (2) Employees on or off duty will not influence students to use or abuse illegal drugs.
- (3) An employee convicted of any criminal drug statute violation occurring in the work place shall notify M-DCPS no later than five days after such a conviction.

c. Policy Statement - Alcohol and Prescription Drugs

Alcohol, prescription, and over-the-counter drugs are legal and readily available. Generally safe and acceptable, these drugs, when abused over time or used in combination with one another, can result in chemical dependency or poly-drug addiction. Employees are expected to conduct themselves in a manner consistent with the following provisions:

- (1) Employees on duty or on Board property will be free of intoxication from alcohol. Further, employees will not manufacture or use alcoholic beverages while on Board property or on duty.
- (2) Employees on duty will not use or take prescription drugs above the level recommended by the prescribing physician and will not use prescribed drugs for purposes other than what the prescribed drugs were intended. In addition, the employee will not distribute or dispense such drugs, except as provided in Board Policy 5330, School Health Services Program.

d. Policy Statement - Employee Physical Examinations/Screening/Health Services

ARTICLE XXI (Cont.)

In order to establish and support a clear standard of conduct for employees, M-DCPS adheres to the following provisions:

- (1) Drug screening will be included in all physical examinations required under existing labor contracts, statutes, and Board Policies.
- (2) Circumstances under which testing may be considered include, but are not limited to, the following:
 - (a) observed use of illegal drugs and/or abuse of alcohol during work hours;
 - (b) apparent physical state of impairment of motor functions;
 - (c) marked changes in personal behavior on the job not attributable to other factors; and
 - (d) employee involvement in serious or repetitive accidents on the job, causing personal injury to self or others and/or significant property damage.
- (3) Drug and/or alcohol screening shall be conducted by Board-approved, independent, certified laboratories utilizing recognized techniques and procedures, as described in the Miami-Dade County Public Schools "Drug-Free Work Place Technical Guide," which is incorporated by reference into this Contract, and made a part thereof. The protocol for drug screening shall include a split sample and chemical immunoassay screening procedure. In the event initial test results are screened positive, such results will be confirmed and verified by the Gas Chromatography/Mass Spectrometry (GC/MS) test.
- (4) Medical records and information relating directly thereto will be maintained in strict confidentiality. Any laboratory contract shall provide that the contractor's records are to be kept confidential under provisions of Florida law. M-DCPS shall establish a system of maintaining records to include both the district's and the contractor's record of applicant and employee urinalysis and blood alcohol results.

The contract and the record maintenance system must have specific provisions that require that employee records are maintained and used with the highest regard for employee privacy, consistent with Florida's Public Records Act, and the purpose of achieving and maintaining a drug-free work place.
- (5) M-DCPS recognizes that chemical dependency is an illness that can be successfully treated. It is the policy of M-DCPS, where possible, to seek rehabilitation of employees with a self-admitted or detected drug problem. Disciplinary action may be instituted against employees who the Board believes will not be assisted by rehabilitation or who have negatively impacted students and/or staff. Employees who have previously been referred for assistance or employees unwilling or unable to rehabilitate may be subject to appropriate action, pursuant to Board Policy, applicable Florida Statutes, State Board Rules, and applicable provisions of collective bargaining agreements.

ARTICLE XXI (Cont.)

H. Tobacco-Free Work Places

The parties seek to foster the health and safety of all M-DCPS employees, students, and visitors.

Smoking poses a significant risk to the health of the smoker. It can damage sensitive technical equipment and can be a safety hazard. In sufficient concentrations, side-stream smoke can be hazardous to non-smokers in the work environment. It may be harmful to individuals with heart and respiratory diseases or allergies related to tobacco smoke. Use of other tobacco products also poses a significant risk to the health of the user.

Use of tobacco products is prohibited in areas where students are located or where there is sensitive or hazardous material. Use of tobacco products is prohibited on Board-owned/leased properties and vehicles. All M-DCPS employees and applicants shall be informed of the M-DCPS tobacco-free work place policy.

I. Employee Assistance Program (EAP)

The Board and the Union recognize that a wide range of problems not directly associated with an employee's job function can have an effect on an employee's job performance and/or attendance.

The Board and the Union agree that assistance will be provided to such employees through the Employee Assistance Program (EAP). The EAP is intended to help employees and their families who are experiencing persistent problems that may jeopardize the employee's health and continued employment. The program goal is to help individuals who develop such problems by providing for consultation, treatment, and rehabilitation to prevent their condition from progressing to a degree which will prevent them from working effectively.

Confidentiality of records will be insured for participants in the program, according to established personnel file provisions, State Statutes, and federal regulations.

The Guidelines for the Employee Assistance Program are, by reference, made a part of this Contract.

Employee Rights

Job security will not be jeopardized by referral to the EAP, whether the referral is considered a voluntary referral, in which an employee elects to participate in the program, or a supervisory referral, in which a supervisor uses adopted guidelines to refer an employee into the program.

An employee has the right to refuse referral into the program and may discontinue participation at any time. Failure by an employee to accept referral or continue with treatment will be considered in the same manner as any factor that continues to affect job performance adversely.

ARTICLE XXI (Cont.)

J. Safety

1. Employee Safety

Supervisors will take every reasonable precaution to protect the life, health, and safety of each employee at their work sites. Employees shall not be required to perform duties which would endanger their health, safety, or well-being, nor will employees be required to work under unsafe and/or hazardous conditions, as determined by the Department of Safety.

2. Chemicals and Diseases

In the event employees are exposed to childhood diseases or toxic chemicals, as part of their ordinary duties, they will be given prescribed examinations and tests at the time of such exposure, and thereafter, as determined by the examining physician. Employees will be examined or tested on the Board's time and at the Board's expense. Refusal by an employee to submit to such examinations and tests shall be grounds for appropriate disciplinary action, including dismissal.

3. Accident Reports

In the event an employee is involved in an accident or injury, an accident report will be completed and distributed, as prescribed by administrative directives. A copy of the accident report shall be provided to UTD.

4. Safety Devices

Employees shall be required to wear the safety devices, protective clothing, or equipment designated by management for employee protection. Safety devices and equipment, when required, will be provided by the Board. Refusal or failure of an employee to use or wear such devices or equipment shall be grounds for appropriate disciplinary action, including dismissal.

5. Facilities

The Board recognizes that teaching and learning are greatly enhanced by a facility that is well-maintained and supplied with materials that are basic and enriching. The Board reaffirms its philosophy of providing students and teachers with such an environment.

K. Freedom of Speech

The parties agree that since the Constitution of the United States guarantees every citizen the right to free speech, all UTD bargaining unit members may speak with the media without fear of reprisal. This right of Freedom of Speech shall extend to any forum in which the employee expresses his/her opinion. Any dispute arising under this provision will not be arbitrable.

ARTICLE XXI (Cont.)

Section 3. Procedures for Continued Employment of Educational Support Personnel

- A. Educational support personnel include office and clerical, school support, (as designated in Articles XVII and XVIII), and paraprofessional personnel. (See Appendix F)
- B. The annual appointment of educational support personnel is accomplished in accordance with the requirements of Florida Statutes, Chapter 1012.40.
- C. For purposes of the probationary period, defined in Chapter 1012.40, Florida Statutes, all full-time educational support personnel shall be employed on a probationary basis by M-DCPS for three years, with the exception of office employees, who shall be employed on a probationary basis for one year. The three-year or one-year probationary period constitutes eligibility for continued employment, as defined herein; it does not alter or replace existing provisions defining probationary periods for newly-hired personnel or those changing to positions having different job classifications.

Part-time employees working 20 or more hours per week for 36 weeks, or a total of 687 hours per year, meet the eligibility requirements, as described herein.

For purposes of crediting experience, a "year" is defined as 99 days, exclusive of summer employment, for 10-month employees, and 111 days for 12-month (250 days) employees. (See Appendix E)

Days include actual service, including sick leave and holidays, for which compensation was received in any fiscal year.

- D. Upon successful completion of the probationary period, the employees' employment status shall continue from year to year, unless the number of employees is reduced on a district-wide basis for financial reasons, or the employee is terminated for just cause. Just cause includes, but is not limited to, misconduct in office, incompetency, gross insubordination, willful neglect of duty, immorality, and/or conviction of a crime involving moral turpitude. Such charges are defined, as applicable, in State Board Rule 6B-4.009.
- E. The employee is entitled to be represented by up to two representatives of the Union at any conference dealing with disciplinary action(s).
- F. Where the Superintendent recommends termination of the employee, the Board may suspend the employee with or without pay.
The employee shall receive written notice and shall have the opportunity to formally appeal the termination by notifying the School Board Clerk of the employee's intent to appeal such action within 20 calendar days of receipt of the written notice.

Following receipt of an appeal, the Board shall appoint an impartial administrative law judge, who shall set the date and place mutually agreeable to the employee and the Board for the hearing of the appeal.

Prior to the hearing, the Board will file and serve the employee with a Specific Notice of Charges.

ARTICLE XXI (Cont.)

The Board shall set a time limit, at which time the findings of the administrative law judge shall be presented.

The findings of the administrative law judge shall not be binding on the Board, and the Board shall retain final authority on all dismissals.

The employee shall not be employed during the time of such dismissal, even if appealed. If reinstated by Board action, the employee shall receive payment for the days not worked and shall not lose any seniority or be charged with a break in service due to said dismissal.

Dismissals are not subject to the grievance/arbitration procedures.

ARTICLE XXII -- ACADEMIC FREEDOM

Section 1. Role of the Board

The Board acknowledges that a free society is dependent upon the education afforded its people and, therefore, affirms the right of teachers to freely pursue truth and knowledge. Further, the Board has the authority to establish educational policy and the guidelines for utilization of instructional materials of any nature in classroom presentation.

In establishing said guidelines, the Board shall provide for and consider: course content; maturity level of students; needs and abilities of students; and teacher judgment.

Section 2. Academic Freedom Guidelines

Teachers shall be guaranteed freedom in classroom presentations and discussions and may introduce political, religious, or other controversial material whenever, in teachers' professional judgment, it is appropriate to the instructional objectives and the age level of the students.

Teachers shall be guaranteed freedom of choice and flexibility with respect to teaching styles and methodology to be used in the instruction of children within Board objectives. Where a principal has substantiated a need for an improved teaching style and methodology, through personal conferences and classroom observations, the teacher shall develop a methodology and teaching style more suitable for the attainment of Board objectives.

In performing their teaching function, teachers shall be guaranteed freedom in expressing their personal opinions on all matters relevant to the course content provided, however, when doing so, they will indicate they are expressing personal opinions.

Teachers shall not be censored or restrained in the performance of their teaching functions on the grounds that the material discussed and/or opinions expressed are distasteful or embarrassing to those in authority.

Nothing in this Article shall exempt teachers from their duties, as described in Florida Statutes.

ARTICLE XXIII -- UNION RIGHTS

Section 1. Union Activities

No employee shall engage in Union activities during the time the employee is engaged in the direct instruction of students or assisting in that instruction, except that members of the Union's negotiating committee and its selected employees in subject matter areas shall, upon proper application, be excused without loss of pay for that time spent in negotiations with the Board or its representative(s).

Section 2. Union Meetings

- A. A Union-designated representative or building steward, upon giving three days' advance notice to the principal, will be permitted to schedule a regular Union meeting of employees at the work location at least once each month, provided the meeting does not interfere with the direct instruction of students. In non-school work locations, such meetings may be scheduled during the workday at a time agreed upon by the supervising administrator and the Union's representative. Monthly meetings scheduled in advance for the entire school year are accepted in lieu of three days' notice.
- B. Emergency Union meetings shall be allowed and scheduled at work locations, provided the Union has requested each work location Union unit to conduct such meetings and, further provided, that the Union or a representative of the Union has given 24 hours' notice to the building principal or work location supervisor, so long as such meeting does not interfere with the direct instruction of students.
- C. By mutual agreement, if approved by the principal, the Union's monthly meeting may be held in lieu of the normally scheduled time for a required faculty meeting.
- D. Special meetings of employees at each work location may be held by the Union, upon prior notice to the principal, under the same conditions as set forth for regular Union meetings.

- C. Union staff, as well as other Union designated representatives, will be permitted access to any school system facility for the purposes of conferring with the building principal or work location supervisor, administering this Contract, conducting Union elections, conducting Contract ratification votes, membership solicitation, and meetings with employees, provided that such access does not interfere with the direct instruction of students and provided that the steward or UTD staff person/designated representative notifies the office of his/her presence at the work location.

ARTICLE XXIII (Cont.)

- D. The building steward shall have access to the work location public address and closed circuit television system for the purpose of communicating with members of the bargaining unit, so long as such utilization does not interfere with the direct instruction of students.
- E. The Union, Union designated representatives, and Union building stewards shall have access to the work location e-mail for the purpose of communicating with members of the bargaining unit, so long as such utilization does not interfere with the direct instruction of students and in accordance with Board Policies regarding E-Mail in effect at time of ratification.

Members of the bargaining unit shall have access to the Union web page (www.UTD.org) from each work location.

- F. The Union reserves the right to endorse up to two insurance carriers, third-party administrators, or union benefits program. A UTD endorsement authorizes the endorsed carriers/administrators, or union benefit programs to:
 - 1. Make presentations at Union meetings at the request of the building steward; and,
 - 2. Use school premises at times that do not interfere with normally- scheduled worktimes and enroll Union members in individual insurance/annuity products.

In order to qualify for UTD endorsement, carriers, administrators, or union benefits programs must agree to indemnify, save harmless and defend The School Board of Miami-Dade County, Florida, its employees and agents, from and against any and all claims, liability, losses, causes of action, cost or expense of whatever kind or nature (including, but not by way of limitation, attorney's fees) which may arise out of the activities of the carriers, administrators, or union benefits programs, their agents or employees.

Section 4. Time for Union Representatives

Union building stewards and officers assigned to work locations shall be exempt from homeroom responsibilities in order to assist in the orderly implementation and administration of this Contract, except where the homeroom period is part of a regular teaching period. In such cases, the principal shall designate another time period, equal in duration to the homeroom portion of the period, for this purpose. Whenever possible, secondary building stewards' planning periods will be scheduled to coincide with the regular school lunch period.

Building stewards, including adult center building stewards, officers and lead stewards, assigned to work locations, shall be permitted to leave the work location when students are dismissed in order to attend official meetings of the Council of Building Stewards. Additionally, building stewards and officers who are employed in adult evening programs as Teachers, Paraprofessionals, Office Employees, and School Support Personnel shall be allowed to leave the work location up to two (2) hours before the start of official meetings of the Council Building Stewards except in instances where it would adversely affect the operation of the program.

In order to expedite the implementation of this Contract at the work-site level, the Superintendent and the UTD President or Designee, by mutual agreement, will schedule a joint meeting of principals, stewards, and officers for the purpose of conducting joint Union-Management training and/or informational sessions.

The chief personnel officer may extend this provision to include additional Union designees as well as to reduce the notification time limits.

Section 7. Contract Implementation/Professional Development Days

The Board agrees to authorize for each year of the contract the establishment of a pool of 2,500 contract implementation/professional development days of temporary duty assignment with pay to be utilized by employees selected by the Union for matters relating to increasing competencies necessary to the effective and orderly implementation of this Contract, as well as matters relating directly to the professionalization of teaching/education, and continued promotion of harmonious and cooperative relationships between the Board and the Union. Use of these days shall not be approved unless there is three days advance notice, in writing, to the supervising administrator, with a copy to the chief personnel officer. No more than six unit members may be on full-time release at any given time. Use of these days for full-time release of unit members shall not be approved unless there is a 20-calendar day advance notice, in writing, to the supervising administrator, with a copy to the chief personnel officer. Reasonable costs shall be jointly determined by the parties.

Stewards at each work location, as well as other Union designated representatives, may solicit membership in accordance with Florida law at any time during the workday, provided said steward is not engaged in the direct instruction of students.

Section 14. Exclusivity Rights

Additionally, all such mail shall not be intentionally opened. Management is not required to process or deliver U.S. bulk mail which is not addressed to specific staff members or mail addressed to "occupant" or "teacher."

- B. Work Location Mailboxes

Pursuant to Article XXIII, Section 15 of the contract, UTD representatives (i.e., UTD building stewards and Union-designated Representatives) shall be afforded access to work location mailboxes.

Individual employees do not have access to work location mailboxes, except when required by official school business. Minority/rival Unions, however, do not have access to work location mailboxes.

ARTICLE XXIII (Cont.)

C. Bulletin Boards

Pursuant to Article XXIII, Section 5 of the contract, at least one bulletin board shall be reserved at an accessible place in the employees' lounge for the exclusive use of UTD for purposes of posting material dealing with Union business. Also, the Union (UTD) shall be allowed to post special Union bulletins in the same location as is posted the employee sign-in sheet.

No literature or posters alleging a misdeed(s) on the part of a specific management or Union representative shall be posted. Such allegations are appropriately processed through the grievance procedure and/or the PERC.

If there currently exists a separate, all-purpose bulletin board at a given work location on which individual employees post notices, this practice may continue.

D. Solicitation

Pursuant to state statutes and contract provisions, both the exclusive bargaining agent and individual employees have the right to solicit Union membership. Such solicitation is permitted only during duty-free time. UTD building steward(s) shall be allowed to conduct Union business at duty-free times when not directly instructing students (pursuant to Article XXIII, Section 3 of the contract). Minority/rival Union representatives are not permitted to solicit membership at M-DCPS work locations.

E. Access

F. Material Distribution

The exclusive bargaining agent is permitted to distribute materials in non-working areas at the work site. Individual employees may distribute materials to individual staff members in non-working areas and on duty-free time.

Employees are prohibited from leaving stacks of materials anywhere on school or work location premises.

Minority Union representatives shall not distribute or leave stacks of materials anywhere on school or work location premises.

G. Representation

1. Conference-for-the-Record

If the employee desires, he/she has the right to request representation by the exclusive bargaining agent or to represent himself/herself in a Conference-for-the-Record. An employee may not be represented by a minority/rival Union or by an attorney in a Conference-for-the-Record.

ARTICLE XXIII (Cont.)

2. Grievance Hearing

UTD has the right, under *Heath v. School Board of Orange County*, to exercise its right of representation on behalf of dues-paying and non-dues-paying members. If UTD chooses to represent a grievant, then the individual cannot refuse this representation. A desire by an employee for self-representation does not preempt UTD's rights and responsibilities in this process. If UTD, however, chooses not to represent the grievant, due to the grievant's lack of membership in UTD, the grievant cannot be denied access to the grievance procedure. If the individual desires to pursue the grievance, he/she must proceed in accordance with the procedure contained in Appendix A.

Where Union representation is provided, the employee shall be represented by the bargaining agent, provided, however, that if the bargaining agent chooses not to represent the employee solely because the employee is not a dues-paying member of the Union, the employee shall have the right to process his/her own grievance in person or through legal counsel.

H. Meetings on Work Time

Pursuant to Article XXIII, Section 2 of the contract, the exclusive bargaining agent is permitted to schedule and conduct Union meetings on work time. Neither individual employees nor a minority/rival Union, however, is permitted to schedule or conduct meetings on work time.

I. Work Location Public Address System

Pursuant to Article XXIII, Section 3(D) of the contract, the UTD building steward shall have access to the work location public address system for the purpose of communicating with members of the bargaining unit, so long as such utilization does not interfere with the direct instruction of students.

Neither individual employees nor a minority/rival Union shall have access to the work location public address system.

J. The parties agree that all electronic mail (E-mail) generated at the District level directed to teachers, paraprofessionals/associate educators/school support personnel and/or clerical staff shall also be sent to a designated UTD representative immediately.

K. Closed Circuit Television

The parties agree that the building steward shall have access to the work location closed circuit television system during selected air-times for school-wide announcements for the purpose of communication with members of the bargaining unit. Such access to the closed circuit television system should occur before the first bell for students and/or after the last bell for students in the afternoon. Union access to the closed circuit television system shall not interfere with direct instruction to students.

Individual employees, persons not assigned to the worksite, and minority/rival unions shall be prohibited from use of the closed circuit television system.

ARTICLE XXIII (Cont.)

Section 15. Reasonable Access

Representatives of the exclusive bargaining agent shall be afforded reasonable access to information during the bargaining process and in the administration of this Contract, such as, but not limited to, access to work locations, work location mail boxes, school system mail delivery service (if legal by U.S. Postal regulations), and work location unit meetings.

ARTICLE XXVI -- PROFESSIONALIZATION OF TEACHING/EDUCATION

Pursuant to School Board Policy 2110, the parties define Professionalization of Teaching/Education as a district-wide educational restructuring initiative designed to improve schools and student achievement by raising the status of the education profession and increasing parental involvement. This Rule is hereby incorporated and made a part of this Contract.

The parties' long-standing practice of establishing joint task forces and committees with equal M-DCPS and UTD representation has constituted a major step in the establishment of an appropriate climate for the professionalization of teaching/education initiative. Individual task forces have provided forums for open discussion of many educational issues and/or problems. More importantly, these task forces have been responsible for making appropriate recommendations to the Superintendent and the UTD President or Designee. In essence, joint task forces have acted as a primary shared decision-making model, allowing teachers and administrators to develop new and positive working relationships.

The next logical phase of the reform process is to move toward enhanced shared decision-making in those areas that directly impact on the delivery of educational programs and services, rather than those which focus exclusively on governance. In this phase, the principal is the instructional leader working with the informed support of an empowered staff and an enlightened community to articulate, refine, and implement a shared vision for a particular school. Accordingly, the parties agree to collaborate in creating innovative models for training teachers, temporary instructors, and paraprofessionals, making full use of modern technology. The parties further agree to explore differentiated and specialized instructional job categories which would enhance classroom instruction well into the future.

Together, these initiatives represent a commitment to develop a comprehensive plan to revolutionize the essence of the teaching and learning process -- how teachers are trained and students are taught and how their performance and progress are evaluated.

Section 1. M-DCPS/UTD Professionalization of Teaching Task Force (POTTF)

By service of written notice on the other party, prior to April 1, the wage and health insurance provisions and two articles/appendices and any other articles related to address the work of the SB736 Joint Subcommittee, shall be reopened for each subsequent fiscal/calendar year except as to year two of this contract whereby notice shall be provided by February, 2013.
 - 3. In the event that the percentage increase/decrease of funding per weighted FTE student provided by the Florida Legislature within the Florida Education Finance Program (FEFP) is inadequate as determined by the School Board, to fund the economic provisions of this Agreement for the 2012-2013, 2013-2014 or 2014-2015 fiscal years, UTD agrees to renegotiate the economic provisions of this Agreement for the 2012-2013, 2013-2014 or 2014-2015 fiscal years, if requested by the School Board. During such negotiations, unit employees would continue to be governed by the current economic agreement for the applicable fiscal year. These provisions are not subject to the grievance/arbitration procedure or to litigation in any court or tribunal.

This Contract shall continue in full force and effect until June 30, 2015.

APPENDIX A – GRIEVANCE PROCEDURE

A. Purpose

It is recognized that complaints and grievances may arise between the bargaining agent and the employer or between the employer and any one or more employees concerning the application or interpretation of the wages, hours, and terms and conditions of employment, as defined in this Agreement. The employer and the bargaining agent desire that these grievances and complaints be settled in an orderly, prompt, and equitable manner so that the efficiency of the M-DCPS may be maintained and the morale of employees not be impaired. Every effort will be made by the employer, employees, and the bargaining agent to settle the grievances at the lowest level of supervision. The initiation or presentation of a grievance by an employee will not adversely affect his/her standing with the employer. No reprisals of any kind will be made by the Board or its representative or any member of the administration against any party in interest, any Union representative, or any other participant in the grievance procedure by reason of such participation. All documents, grievance forms (sample forms attached hereto), communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of any party in interest, including final disposition, except for and exclusively for awards resulting from arbitration.

It is agreed that the bargaining agent reserves the exclusive right to process grievances at any step of the grievance procedure, including arbitration, except that any member of the bargaining unit may process a grievance through representation of his/her own choosing, only if the bargaining agent has refused to process the grievance solely because the unit member is not a dues-paying member of the Union. The Union accepts its duty of fair representation but retains its right to preclude the processing of non-meritorious grievances through the steps of this grievance procedure inclusive of arbitration.

B. Definitions

1. Grievance -- formal allegation by an employee and/or the bargaining agent that there has been a violation, misinterpretation, or misapplication of any of the terms and conditions of employment set forth in this Contract or its Appendices.
2. Bargaining Agent -- the employee organization certified as the exclusive bargaining agent, pursuant to Florida Statutes, Chapter 447.307.
3. Aggrieved Employee -- any full-time or part-time teacher and such other persons who are members of the bargaining unit, as certified, pursuant to Florida Statutes, Chapter 447.307.
4. Party in Interest -- any person who might be required to take action or against whom action might be taken in order to resolve the grievance.
5. Supervising Administrator -- the individual having immediate administrative authority over the aggrieved employee(s).
6. Immediate Superintendent -- the Assistant or Associate Superintendent having immediate administrative authority over the Supervising Administrator.
7. Days -- as referred to in the time limits herein, days shall mean working days.

APPENDIX A (Cont.)

8. Letter of Inquiry -- request, in writing, on proper M-DCPS form, by the bargaining agent, to Labor Relations, seeking clarification of M-DCPS Rules, state law, or this Agreement.

C. Special Provisions

The time limits set forth herein may be extended and/or modified by mutual agreement, using the stipulated Request for Extension of Time Form (sample form attached hereto).

In the event a grievance is filed at such time as it cannot be processed through all steps in the grievance procedure by the end of the aggrieved employee's contract year and, if left unresolved until the beginning of the following year, could result in irreparable harm to a party in interest, the time limits set forth herein will be reduced so that the grievance procedure may be exhausted as soon as practicable.

If the employer violates any time limits, the bargaining agent may advance to the next step without waiting for the employer response.

The parties acknowledge that, as a principle of interpretation, employees are obligated to work, as directed, while grievances are pending.

The employer and the bargaining agent shall have the right of free choice in designating representatives for the purpose of resolving grievances. The Union shall have a maximum of two representatives at a formal grievance hearing.

Aggrieved employees, or employees who are called as witnesses, will be allowed released time without loss of pay to process or assist in the processing of a grievance. The parties will jointly establish rules of procedure and conduct for grievance hearings and submit them for approval by the Superintendent and the UTD President or Designee.

The bargaining agent, in accordance with its own non-discriminatory internal rules, shall have the sole and exclusive right to determine whether any grievance warrants processing through this procedure. In the event the bargaining agent determines at any step of the grievance procedure that a grievance does not warrant processing, a written notification of that determination, using the stipulated Grievance Form, shall be sent to Labor Relations, and to the employee(s) involved.

If the bargaining agent has declined to process or further process any grievance presented to it, solely because the unit member is not a dues-paying member of the Union, such unit member may process his/her own grievance through this procedure and the bargaining agent shall be sent copies of all written communications sent by the employer or the employee(s) involved. Further, an employee is authorized to process his/her own grievance in person or through legal counsel only if the bargaining agent has declined to provide representation in processing a grievance because the unit member is not a dues-paying member of the Union. If an employee processes his/her own grievance in person or through legal counsel, the employee may not adjust the grievance in a manner inconsistent with the terms of the collective bargaining agreement then in effect and, provided further, that the bargaining agent has been given notice and a reasonable opportunity to be present at any meeting called for the resolution of such grievances.

The bargaining agent shall not be responsible for any costs attendant to the resolution of any grievance it has not processed.

APPENDIX A (Cont.)

The parties acknowledge that multiple grievances may be combined with mutual agreement of the employer and the Union.

One set of Board Policies at each work location shall be made available to Union building representatives for the purpose of reference and information, as well as, for the purpose of expediting the provisions of this grievance procedure.

The use of tape recorders or other mechanical devices is expressly forbidden.

D. Letter of Inquiry

Either the immediate superintendent or bargaining agent may send a Letter of Inquiry on the stipulated Letter of Inquiry Form (sample form attached hereto) to Labor Relations for the purpose of seeking a clarification of a M-DCPS Rule, state law and/or terms and conditions of employment, as set forth in this Agreement.

Labor Relations shall respond within 10 days of receipt of the Letter of Inquiry. If the interpretation of the Letter of Inquiry is not satisfactory, a formal grievance may be filed.

E. Implementation

STEP I

1. The grievance shall be filed within 30 days of the alleged violation, misinterpretation, or misapplication of the terms and conditions of employment set forth in this Agreement.
2. The grievance shall be filed, in writing, stating the specific article, section and language alleged to have been violated, misinterpreted, or misapplied to the supervising administrator of the aggrieved employee(s). It is further understood and agreed that the aggrieved employee(s) shall be granted released time to attend formal proceedings, as described herein, which are held during working hours. No M-DCPS employee(s) other than the aggrieved employee(s) shall be granted released time to either represent the aggrieved employee(s) or to observe the proceedings as representatives of the bargaining agent.
3. The supervising administrator shall note the date of receipt of the grievance and shall seek to meet with the aggrieved employee(s) at a mutually-agreeable time within five days of receipt of the grievance.
4. The bargaining agent for the unit shall be advised, in writing, as to the date of the proposed meeting and shall have the right to send one observer to the proceeding if the bargaining agent is not involved in the actual representation of the aggrieved employee(s).
5. Within five days of the meeting, the supervising administrator shall render a decision and shall immediately communicate that decision, in writing, to the aggrieved employee and the appropriate immediate superintendent or his/her designee. Additional copies of the decision shall be sent to the Labor Relations and to the exclusive bargaining agent.

APPENDIX A (Cont.)

6. The bargaining agent may appeal the decision of the supervising administrator within five days of its rendering.
7. The notice of intent to appeal shall be communicated, in writing, to the immediate superintendent. Failure to appeal the decision of the supervising administrator within five days shall constitute acceptance by the aggrieved employee(s) and the bargaining agent of the decision as being a satisfactory resolution of the issues raised.

STEP II

1. If the bargaining agent appeals the decision, the immediate superintendent shall schedule a meeting to take place at a mutually agreeable time, not more than 10 days after receipt of notice of appeal. The immediate superintendent shall immediately communicate notice of appeal to Labor Relations.

The bargaining agent shall be advised, in writing, as to the date of the proposed meeting and shall have the right to send one observer to the proceedings if the agent is not involved in the actual representation of the aggrieved employee(s).

2. Within 10 days of the meeting, the immediate superintendent shall render a decision and shall immediately communicate that decision, in writing, to the bargaining agent. Copies of the decision shall be sent to the aggrieved employee(s) and to Labor Relations. A copy is to be retained by the immediate superintendent.
3. The bargaining agent may appeal the decision of the immediate superintendent within five days of its rendering. The notice of intent to appeal shall be communicated, in writing, to Labor Relations. Failure to appeal the decision of the immediate superintendent within five days shall constitute acceptance, by the aggrieved employee(s) and the bargaining agent, of the decision as being a satisfactory resolution of the issues raised.

STEP III

1. If the bargaining agent appeals the decision, the Superintendent or his/her designee shall schedule a meeting to take place at a mutually-agreeable time, not more than 12 days after receipt of notice of appeal.
2. Within 12 days of the meeting, the Superintendent or his/her designee shall render a decision and shall immediately communicate that decision, in writing, to the aggrieved employee(s). Copies of the decision shall be sent to the aggrieved employee(s), the supervising administrator, the immediate superintendent, and to Labor Relations.
3. Failure to appeal the decision rendered in Step III within five days by notice of intent to submit to arbitration shall deem the decision at Step III to be final and no further appeal will be pursued.

APPENDIX A (Cont.)

ARBITRATION

If the employer and the bargaining agent fail to resolve the grievance, the grievance may be submitted to final and binding disposition by an impartial neutral, mutually selected by the parties.

Nothing contained in this Appendix or elsewhere in this Agreement shall be construed to permit the Union to file an issue for arbitration unless, by mutual consent, the grievance has not been processed through applicable steps of the grievance procedure.

1. Notice of intent to submit the grievance to arbitration shall be communicated, in writing, by the bargaining agent to Labor Relations within five days of the decision at Step III.
2. Prior to the submission of the appeal to arbitration, the arbitrator may hold a pre-hearing conference to consider and determine:
 - a. the simplification of the issues;
 - b. the possibility of obtaining stipulation of facts and documents that will avoid unnecessary proof;
 - c. such other matters as may aid in the disposition of the grievance; and
 - d. matters of jurisdiction or applicability.
3. The bargaining agent reserves the exclusive right to institute the arbitration procedures under this Agreement. An employee may process a grievance through Step III only if the bargaining agent refuses to institute the grievance procedures solely because the unit member is not a dues-paying member of the Union.
4. Within 10 days after written notice of submission to arbitration, the parties will attempt to agree upon a mutually-acceptable arbitrator and obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified time, a request for a list of arbitrators may be made to the Federal Mediation Conciliation Service (FMCS) or the American Arbitration Association (AAA) by either party. The parties will be bound by the rules and procedures of the FMCS in the selection of an arbitrator and the holding and conducting of an arbitration hearing.
5. The arbitrator, selected by the parties, or pursuant to the rules of the FMCS, will issue a decision not later than 20 days from the date of the close of the hearings or, if oral hearings have been waived, then from the date final statements and proofs are submitted. The arbitrator's decision will be in writing and will set forth findings of fact, reasoning, and conclusions on the issues submitted and, where permitted by law, may include a monetary award. The arbitrator will be without power or authority to make any decision which requires the commission of an act prohibited by law, or which adds to, subtracts from, modifies, or alters the terms of this collective bargaining agreement.

The decision and award of the arbitrator shall be final and binding.

APPENDIX A (Cont.)

6. All arbitration costs, including the cost of stenographic reporting of the arbitration hearing, if agreed to by the parties, shall be divided equally between the employer and the bargaining agent. Each party will pay the cost of presenting its own case; however, the aggrieved employee(s) or the employee(s) who is called as witness for an arbitration hearing will be allowed released time to process or to assist in the processing of his/her own grievance or to testify.
7. It is understood and agreed by the employer, members of the unit, and the bargaining agent, that the resolution of complaints which are grievable or litigable shall be pursued through the grievance procedure until such remedy is exhausted. At that time, the employer, the aggrieved employee(s), and/or the bargaining agent may seek other legal remedies, as are available.

Refusal to discuss a grievance in good faith shall constitute an Unfair Labor Practice and shall be subject to the penalties provided for in Florida Statutes, Chapter 447.503.

8. Both parties agree to negotiate and mutually agree to the rules and procedures which govern arbitration. In the event mutual agreement cannot be reached, the FMCS or AAA will be utilized to process arbitration cases.

F. Alternative Grievance Procedure

The parties agree to establish a joint M-DCPS/UTD ad hoc committee to review and make recommendations regarding the feasibility of an alternative grievance process.

A. The Board shall provide, at no cost to the UTD, services of payroll deduction of dues and uniform assessments. The Board shall collect and transmit such monies as are sufficient to provide for the full payment of membership and/or service fees, pursuant to the terms and conditions contained in the dues authorization contract signed by members of the UTD. Any company or service trust as provided for in this Contract, shall also be entitled to dues check-off.

B. Administrative Procedures for Dues Check-Off and Deductions of Fees for Trusts, Annuities

It is agreed that payroll deduction of dues for the Union (United Teachers of Dade, FEA/United, AFT, Local 1974, AFL-CIO) shall be extended in accordance with the following provisions:

1. Payroll deduction of Union dues for all employees eligible for membership in the UTD bargaining unit shall be provided only for the UTD as the certified exclusive bargaining agent for this classification of employees and shall not be provided any other Union/employee organization.
2. The total amount of dues, the amount of dues to be taken from each paycheck, and the schedule for deductions for all employees within this bargaining unit shall be determined by the Union. This schedule for deductions must be within the framework of the existing mechanized payroll schedule.
3. Dues authorization forms submitted after the date necessary for the full amount of dues to be deducted are to be processed for whatever amount of dues that can be deducted over the remaining period of time.
4. Upon receipt of the dues authorization form by the Board's M-DCPS Deduction Control Office, each form is to be totally processed within five working days, unless otherwise prohibited by unforeseen emergency conditions.
5. The UTD is to be supplied a listing after each payroll of every employee who has/has not been deducted.
6. Payroll deduction authorization for employees who are terminated under designated Board codes or whose job code has changed shall remain on file and in the computer bank on an active status.
7. The UTD will be supplied a monthly list of all employees in the bargaining unit who are promoted to administrative positions whose dues are being deducted.

The UTD will be furnished a monthly list of paraprofessionals who are appointed to teaching positions whose dues are being deducted as paraprofessionals.

All problems arising in connection with dues check-off will be adjudicated directly between the M-DCPS' Deduction Control Office and the Union, including Union access to necessary employee data and files in the Deduction Control Office and data retrieval system will not be denied and shall be used at a time mutually agreed upon.

APPENDIX B (Cont.)

8. The UTD will be supplied with a deduction register every payday.

All starts and/or cancellations of payroll deductions for employees within the certified exclusive bargaining unit shall be processed by the certified exclusive bargaining agent in accordance with the terms and provisions indicated on the payroll deduction form and in accordance with Florida Statutes, Chapter 447.

C. Deductions for Economic Services

The detailed and explicit procedures for implementation of payroll reduction/deduction for services and benefits sponsored and endorsed by the Union shall be jointly developed and agreed to by the respective negotiators for the Board and the Union and shall conform to all existing Florida Statutes, and specifically Florida Statutes, Chapter 447. In addition to payroll deduction slots for Union dues and other economic services, as well as slots for Union assessments (Tiger-COPE dues), the Board also agrees to provide two payroll reduction/deduction slots for the purpose of tax sheltered annuities, tax deferred annuities, union benefits programs, etc., and such slots shall be established in accordance with mutually agreed to procedures and guidelines. Procedures currently in operation are incorporated and made a part of this Contract. Changes may be made, by mutual agreement, as deemed necessary.

D. Repayment of Educational Loans (Florida Statutes, Chapter 112.175)

1. Any bargaining unit member who has received an educational loan made or guaranteed by the state or any of its political subdivisions shall be deemed to have agreed as a condition of his/her employment to have consented to voluntary or involuntary withholding of his/her wages to repay such loan.
2. Any such employee who has defaulted or does default on the repayment of such loan shall, within 60 days after service of a notice of default by the agency holding the loan to the employee and the Board, establish a loan repayment schedule for repaying such defaulted loan through payroll deductions which shall be agreed to by both the agency holding the loan and the employee.
3. Under no circumstances may an amount in excess of 10 percent per pay period of the gross pay of such employee be required by the agency holding the loan as part of a repayment plan or schedule.
4. If such employee fails to establish a repayment schedule within the specified period of time or fails to meet the terms and conditions of the agreed-to or approved repayment schedule, such employee shall be deemed to have breached an essential condition of employment and shall be deemed to have consented to the involuntary withholding of his/her wages or salary for the repayment of the loan.
5. No employee may be dismissed for having defaulted on the repayment of an educational loan made or guaranteed by the state or any of its political subdivisions.
6. A standard method of calculating amounts to be withheld from employees who have failed to establish a repayment schedule within the specified period of time or failed to meet the terms and conditions of the agreed-to or approved repayment schedule will be adopted by the Florida Administration Commission and followed by M-DCPS.

APPENDIX C -- REDUCTION-IN-FORCE

In accordance with Article XXVIII, Ratification and Final Disposition, it is understood and agreed to by the parties that, pursuant to discussions between the Board and the Union (if it is necessary to effect a reduction-in-force), the following personnel guidelines and procedures will be implemented:

- A. Seniority exclusively in accordance with affected subject areas/programs on a county-wide basis, shall be utilized to determine which members of the UTD bargaining unit are to be laid off and recalled.
- B. These guidelines and procedures shall apply to all positions held by teachers in the UTD bargaining unit.
- C. Source of funding for positions, as well as categorical or discretionary designation, will not be factors in determination of seniority.
- D. A joint Board/Union committee is herein established and empowered to make recommendations to the Superintendent regarding the disposition and resolution of any and all problems attendant to the implementation of these reduction-in-force procedures including, but not limited to, exemptions, exceptions, and disputes regarding seniority rankings utilized for layoff and recall. This committee shall be composed of three members designated by the UTD and three members designated by M-DCPS and shall operate in accordance with established procedures for the term of the Contract.
- E. A layoff may occur whenever the Board deems necessary.
- F. The Board shall determine the net positions to be reduced countywide, the subject area/programs in which layoff shall occur, and the number of positions in those areas/programs to be reduced, pursuant to discussions of the joint Board/Union committee. The Board's decision on these items shall be final and not subject to grievance or arbitration.
- G. When the total number of teaching positions is reduced by allocation, those unit members to be laid off by the Board in those positions, except as excluded herein, shall be as follows:
 - 1. If a layoff is necessary in a subject area/program during the regular school year, interim teachers in that area/program shall be terminated. Interim teachers shall have no recall rights.
 - 2. All teachers who are teaching in an affected subject area/program, under the provisions of a temporary certificate, which expires on June 30 of the school year of a layoff and who have not completed the requirements for a new certificate covering their assignment and furnished evidence of applying for a valid certificate prior to June 30, will be laid off first.
 - 3. The least senior teachers in each subject area/program shall, then, be laid off unless prohibited, or otherwise specified, by federal law and/or regulations.
- H. Teachers who are administratively assigned out-of-field or who are assigned out-of-field, pursuant to their request, shall have their seniority determined on the basis of the subject area/program for which they are fully certified, except in those instances where out-of-field employees have achieved credits to become certified since being assigned out-of-field. In the event credit toward certification in the out-of-field assignment is underway, pursuant to the provisions of State Board regulations, the employee's seniority shall be determined on the basis of the subject area/program to which he/she is assigned at the time of layoff.

APPENDIX C (Cont.)

- I. Teachers who possess certification in multiple areas shall have their seniority determined on the basis of a subject area/program for which they are certified, which is not being reduced and, if more senior, such employees shall not be subject to layoff.
- J. Any subject area/program category not listed, but which includes positions held by employees in the UTD bargaining unit, is hereby incorporated and definitions of such categories shall be established by the joint Board/Union committee authorized herein.
- K. Teachers who are laid off will be placed in subject area/program recall pools effective the first day of the layoff. Each recall pool will be divided into two sections. Section One will consist of teachers who possess a valid regular certificate reflecting a Bachelor's degree or higher. Section Two will consist of teachers who possess a valid temporary certificate reflecting a Bachelor's degree or higher. Teachers in Section One of the recall pool will be recalled first over teachers in Section Two of the recall pool.
- L. Teachers will be recalled in each subject area/program on the basis of inverse seniority (most senior first).
- M. Seniority is defined as a total of all contractual service as a teacher in M-DCPS.
- N. Ties in seniority ranking will be broken by the following methods and in the orders listed below:
 - 1. credit for the number of teaching years outside Miami-Dade County but inside the State of Florida;
 - 2. highest earned degree: Doctorate over Specialist; Specialist over Master's; Master's over Bachelor's;
 - 3. credit for teaching years outside Florida; and
 - 4. randomized procedure of selection mutually agreed to by the parties.
- O. Teachers in a recall pool who do not accept the position offered within five days of the recall notice will be eliminated from further consideration regardless of seniority. Every reasonable effort will be made to contact teachers at their last known address. Written communication to these employees shall be in the form of certified mail, return receipt requested.
- P. If a vacancy exists which cannot be filled from the appropriate subject area/program recall pool, the vacancy shall be filled as follows:
 - 1. Employment preference shall be given to properly qualified, certified paraprofessionals.
 - 2. If positions are not filled from 1. above, consideration shall be given to qualified teachers from the aggregate pool.
 - 3. Positions not filled from 1. and 2. above shall be filled by certified, qualified applicants.

Section 1. Legal Services

- A. When any parent or other person not subject to the discipline of the Board or its administrative or instructional staff assaults any employee of the school system, as covered by this Contract, whether instructional or non-instructional, on school property or elsewhere, and, in the opinion of the Superintendent, the assault is school-connected, said employee may request of the Superintendent the right of consultation with the Board Attorney. Upon recommendation of the Superintendent or his/her designee, said employee may consult with the Board Attorney for the purpose of determining his/her rights and to receive assistance in the prosecution of the violation of the law perpetrated upon him/her.
- B. The Board recognizes that under the provisions of Florida Statutes, Sections 231.06 and 231.07, certain persons who upbraid, abuse, insult, or assault personnel of the Board shall be guilty of a crime, and that, in appropriate instances, the Superintendent or his/her designee, at the discretion of the Board, may initiate the prosecution of violators of the aforementioned statutes.

Section 2. Insurance and Other Benefits

A. Health Insurance

- 1. Health insurance benefits will be provided to all eligible full-time employees. The School Board will negotiate annually with UTD to determine plan design and employer contribution levels.

The specific terms of the 2011 health insurance plan are outlined in the Memorandum of Understanding (MOU) executed by the parties, and said MOU is incorporated herein and made a part of this collective bargaining agreement and is subject to the grievance/arbitration procedures as defined in Appendix A of this collective bargaining agreement. The 2011 health insurance plan is subject to change in future calendar years, after the parties engage in negotiations pursuant to Chapter 447, Florida Statutes and Article XXVIII (D) of this collective bargaining agreement.

- 2. Coverage for health benefits for full-time employees begins the first day of employment. Coverage for flexible benefits begins the first of the month following the date of hire. Coverage for dependents is effective the first of the month following the first payroll deduction. Coverage for all such employees and covered dependents will expire on the last day of the last month of employment. Ten month employees who terminate or retire on the last day of school in June (and their covered dependents) will be carried forward until August 31 of the same year. Coverage for dependents must be continued until the end of the calendar year, unless a family status change occurs, pursuant to Internal Revenue Service rules.
- 3. Eligible retirees may select any health plan offered to active full-time employees at rates no greater than those charged to active employees. Premiums for retirees and their dependents are paid by the retiree. Claims experience for retirees will be commingled with active employee and dependent claims for purposes of rate-setting.
- 4. Certified employees who work one-half time, as specified in Appendix E, Section 1(B)(11), shall be offered the M-DCPS fringe benefits program at one-half the cost for the employee on an optional basis.

APPENDIX D (Cont.)

B. Retirement Incentive Program

For employees retiring from full-time service and who are retiring and terminating* within the fiscal year (defined to allow completion of the current school year) in which they first become eligible for normal retirement as defined in 1., 2., and 3., below, the Board will establish a temporary retirement incentive program, which will provide reimbursement of the retiree's personal health insurance or health maintenance organization premiums until such time as the retiree becomes eligible for Medicare Parts A and B, at which time said reimbursement shall no longer be made.

***Note:** Employees who have retired under the Deferred Retirement Option Program (DROP) and terminate employment within the fiscal year in which they first became eligible for normal retirement are eligible for this incentive. However, employees who have retired under DROP and continue employment beyond their first fiscal year of eligibility shall not be eligible for this incentive.

The date when an employee first becomes eligible for benefits under this Section will include the earliest of the following:

1. an employee's eligibility for normal retirement under the Florida Retirement System; or
2. an employee's eligibility for normal retirement under the Teachers Retirement System; or
3. an employee's eligibility for normal retirement under the State and County Officers and Employees Retirement System.

In addition, employees who retire under the M-DCPS Early Retirement Plan, as outlined in Appendix D, Section 8, shall be eligible.

The reimbursement will be paid once, annually, during the month of October, upon presentation of a paid premium invoice and a copy of a canceled check or money order. All substantiation must be submitted to the Office of Risk and Benefits Management by August 31 of the respective year on designated forms.

The amount of reimbursement will be prorated by the complete calendar months of coverage, but limited to no more than \$1,200 annually during the duration of this Contract.

Ten-month employees who are otherwise eligible, but who will not attain normal retirement age until after July 31, but prior to October 1, may retire after completion of service in June with a reduced state retirement benefit, without forfeiting their entitlement to this reimbursement.

The parties agree to mutually explore a retirement program whereby the School Board may contribute to the employee's purchase of out-of-state service, as authorized by state law.

APPENDIX D (Cont.)

C. Life Insurance

1. Eligible full-time employees will receive term life insurance equal to one time the employee's annual base salary effective January 1 each year, for the term of this Contract. Such coverage is paid by the School Board.
2. Optional coverage is available to be purchased through payroll deduction for up to a maximum of five times annual base salary. Proof of insurability to the satisfaction of the insurance company may be required for the optional coverage,
3. Dependent term life coverage is also made available through payroll deduction, pursuant to terms agreed to by the School Board and the contracted company.

D. Effective on January 1 of each year for the term of this Contract, the Board agrees to provide each part-time employee in active employment on that date, who has worked at least 450 hours during the period from September 1 through August 31 of the year prior to January 1, with a \$5,000 term life insurance policy, effective through December 31 of the calendar year of eligibility, and the Board-paid Vision Care Indemnity Plan.

E. COBRA benefits, rights, and responsibilities will be afforded to all eligible employees and enrolled dependents pursuant to federal law.

Section 3. Travel Reimbursement

A. In Miami-Dade County for Eligible Employees

1. Eligible employees shall obtain reimbursement for travel within Miami-Dade County. Employees whose duties for the school system require them to travel within the county from their official headquarters to other locations shall be reimbursed for travel in a privately-owned vehicle on the basis of the maximum mileage allowance. Mileage allowance shall be computed at the maximum allowable rate per mile for distance actually traveled on official business, as established in Board Policy 6550 and the Travel Procedures Manual.
2. Eligible employees are entitled to per diem or meal and lodging allowance for approved travel on official business within the county.
3. Employees shall be paid the maximum amount of per diem or meal and lodging allowances authorized by Board Policy 6550 and the Travel Procedures Manual. This applies when the traveler is assigned on official business, outside of regular office hours and away from regular places of employment, where it is considered reasonable and necessary, and meal times are involved or overnight lodging is required, and it is approved by the Superintendent or his/her designee.
4. In-county travel reimbursement for Physical and Occupational Therapists will be based on the assigned home school for each therapist.

B. Outside Miami-Dade County for Eligible Employees

1. Employees of the school system who are authorized to travel outside of Miami-Dade County shall be approved for travel expenses to be paid in whole or in part from Board funds in accordance with maximum rates authorized by State Statutes, Board Policy, Travel Procedures Manual, and when paid from internal funds subject to all provisions set

APPENDIX D (Cont.)

forth in the Manual of Internal Accounting if: (a) the employee is assigned to perform official duties elsewhere, e.g., travel to recruit teachers; or (b) the employee is authorized to attend conferences of official educational agencies and of professional organizations.

The following general regulations shall be applicable to such travel:

- a. Temporary Duty -- Any employee, in order to be eligible to have expenses paid for travel, shall have filed in advance of such travel, an approved Request for Travel Expense Advance/Reimbursement form with immediate supervisor and supervisor of charge location.
 - b. Superintendent's Representative -- Travel of an employee as the Superintendent's representative shall be approved only by the Superintendent or his/her designated representative(s).
 - c. Maximum Expenses -- The Superintendent may approve expenses computed by the transportation and per diem formulas up to a maximum as defined in the Travel Procedures Manual, excluding registration fee and tuition. Expenses in excess of this amount may be approved only by the Board upon the special recommendation of the Superintendent.
 - d. Transportation Arrangements -- Employees whose expenses are to be paid wholly from Board funds should make arrangements with the Procurement Management Services or its official designated travel agent, to secure tickets for transportation by common carrier.
 - e. Reimbursement of Expenses - Other Agencies -- Employees who are requested or directed to attend conferences or conventions by the State Department of Education, or by institutions when such agencies agree to reimburse the Board in full, may be approved for full expenses according to the Board transportation and per diem formulas.
 - f. Payment of Expenses -- Reimbursable expenses will not be paid from Board funds until after the employee has returned, the Board or Superintendent has approved payment, and the individual has filed a requisition with required supporting documents attached, to the Accounting Division, Payroll Section.
2. Travel expenses shall not be authorized to be paid from Board funds for:
- a. any employee who received college credit for work done while in attendance at a workshop, conferences, or similar meeting; or
 - b. any employee to attend the annual convention of state professional organizations, unless requested to attend by the administration for work-related organization, except where authorized.

Section 4. Copyright - Educational Media

The Board recognizes that the expanding use of all educational media opens up limitless opportunities for improvement of instruction through the development by M-DCPS of instructional materials not available commercially. Some of the educational media thus developed are wholly-owned by the Board and/or are eligible for copyright or patent, and may be in demand by individuals and agencies outside M-DCPS. The Board, therefore, authorizes the Superintendent to develop regulations and procedures for

APPENDIX D (Cont.)

the sale, lease, or rental of educational media. These regulations and procedures shall also clearly define the preparation, production, distribution, and/or provisions for copyright or patent of instructional materials (such as audio-visual media, video tapes, apparatus, and publications) developed as part of officially assigned duties or job responsibilities.

In connection with these regulations, the Board may, under certain specified conditions, authorize the distribution of a portion of any royalties earned by the Board to the creator or author of the materials.

A. Right of Ownership of Materials Developed During Regular Hours of Employment:

1. Personnel of the Board engaged in creative efforts are recognized as being in one or more of four categories, the first two of which are applicable to this Section;
2. Category 1 - - Personnel employed to accomplish a certain creative effort with employment time of specific duration indicated by contract (such personnel are often legally termed "workers for hire", and the product is termed "work made for hire"); and
3. Category 2 - - Personnel under Board contract, assigned in a capacity which leads to creative accomplishments, time for such being given, with the creative effort not necessarily stipulated by name or description in the original employment or assignment arrangement.
4. It is the intent that all such products developed by personnel in Categories 1. and 2. in the normal course of regularly-prescribed duties and within the period that the Board requires such persons to be on duty should remain the property of the Board, and that the Board shall retain all rights, privileges, and responsibilities pertaining to the ownership thereof. In such "works made for hire", the Board shall be considered the author for purposes of ownership of copyright, owning all rights comprised in the copyright, unless all parties have expressly agreed otherwise in a written instrument signed by them. This applies to either individual or joint "works made for hire" and includes the rights of renewal of copyright as defined within the body of copyright law.
5. While certain personnel in Categories 1 or 2 may have addenda to their regular employment contracts which permit additional remuneration for residual rights to certain creative works, it shall not be a requirement for the M-DCPS to initiate such contracts in all instances, nor shall the lack of such contracts be construed to affect any claim of ownership or copyright which is retained by the Board.

B. Sale, Lease, Rental, or Reproduction By Commercial Agencies of Products Owned, Copyrighted, or Patented By the Board

1. The school system does not wish to enter either the publishing or manufacturing field; however, in the event that any of the products of Categories 1 and 2 have commercial appeal, the Superintendent or his/her appointed designee may negotiate with the appropriate persons and agencies concerned. If any contract for the payment of royalties or other compensation to the owner or to the holder of a copyright or patent is entered into, such compensations may be paid to the general fund of the Board, or rebudgeted in the department producing the materials to offset costs attributable to the sale, lease, rental, or production of the materials.

APPENDIX D (Cont.)

2. In the event that a publisher or other agency, in negotiation with the Superintendent or his/her designee, requests revision or additions to be made in the product, the Superintendent or his/her designee may make arrangements to have such additional work completed. If it is judged to be in the best interest of the school system, the Superintendent may assign personnel to perform this task as a part of their regular employment. In the event that revisions are not essential to the program of M-DCPS but the producers or publishers desire to have a revision made, the Superintendent may afford the opportunity for such works to be performed by a school employee outside his/her regular employment hours. No Board funds shall be used to remunerate an employee for the additional work, but the Superintendent is authorized to assign to an employee by contract with the producer or publisher a fee to be paid out of royalties or a percentage of royalties, depending upon the extent of revisions to be made.
 3. If such an edition of which the copyright is held by the Board becomes obsolete and the Superintendent does not recommend revisions by M-DCPS, the Superintendent may recommend transfer of copyright to the authors, retaining only the privilege of county purchases for school use without royalty payment.
- C. Development of Products Outside of Regular Employment Time But With Use of Board Resources
1. Category 3 - - Personnel who accomplish a creative effort on their own, outside of regular hours of employment, but whose creative efforts necessitate the use of Board resources, such as duty-time, classroom, teacher, or pupils.
 2. Personnel in Category 3, anticipating any use of Board resources, should follow these procedures:
 - a. Prepare for the appropriate assistant or associate superintendent a brief report containing this information:
 - (1) description of creative product;
 - (2) board resources which will be involved, with estimate of time-use (if involvement is sufficient to warrant, personnel in Category 3 should work through the established channels of the Educational Research Committee of the M-DCPS); and
 - (3) percentage of duty time, if any, of one's normal job responsibility which was devoted or will be devoted to development of the product.
 - b. File notice to publish or manufacture, with dates, with the appropriate assistant or associate superintendent.
 - (1) The above report (procedures 1 and 2) shall be filed with the office of the appropriate assistant superintendent and associate superintendent. A committee composed of a representative from the Superintendent's staff, the Deputy Superintendent for Community and Student Support Services, the assistant superintendent involved, and the Board Attorney shall make a final recommendation to the Superintendent as to the legal interest, if any, of the Board in such copyright or patent.

APPENDIX D (Cont.)

- (2) The Superintendent, upon request of the employee, may recommend release of all claims to copyright or patent rights, retaining the privilege of system-wide purchase without royalty payment; or he/she will indicate, in writing, to the creator of the product such arrangements as are acceptable, following reasonable and customary practices.

D. Products Developed Without Use of Board Property Or Time

1. Category 4 - - Personnel whose creative effort is accomplished without recourse to or use of Board property or time, whose creative effort is accomplished outside of the period considered to be the time that the Board requires such personnel to be on duty, and whose created product is not a portion of normal job responsibility.
2. The Board makes no claim to ownership or products developed by Board personnel under conditions described in Category 4.
3. Employees of the Board, in any of the four described categories, shall not participate in state or local textbook-adoption committees or materials committees evaluating for either purchase or recommendation for purchase that apparatus, book, product, or other instructional material on which the Board or the employee holds copyright, royalty, or patent rights.

Section 5. Tax Sheltered Investment Program

The School Board has a tax sheltered investment program in which all employees are eligible to participate. A tax sheltered investment program offers the tax advantage of deferring federal income taxes until the benefits are received.

Program details are delineated in M-DCPS School Board Policy 6144.01. Providers in the program are approved and subject to change by the School Board.

Approved providers are grouped into three categories:

1. Run Off Provider
2. IBC Approved Provider
3. Grandfathered Provider

IBC (Independent Benefits Council) Approved Provider:

IBC is a not-for-profit organization formed in 2007 by four of Florida's leading education groups:

- The Florida Education Association
- The Florida Association of School Administrators
- The Florida School Boards Association
- The Florida Association of District School Superintendents

The IBC Model Plan was formed with one goal in mind: to eliminate the inequity in fees and level the playing field for school system employees, while ensuring access to high-quality retirement investment products. These products and companies have been vetted and are continually monitored to ensure that they maintain the highest standards and values. Approved providers and products are included in the Model Plan.

Full details of the IBC Model Plan, including current approved providers and products, can be found online (www.themodelplan.com/).

Section 6. Health Maintenance Organization (HMO) Plan

The Board agrees to offer eligible employees of the UTD bargaining unit a choice of indemnity insurance program or Health Maintenance Organization(s), pursuant to Public Law 93-222, inclusive of all revisions and amendments thereto.

APPENDIX D (Cont.)

Section 7. Personal Property Loss Fund

The Board agrees to maintain a Personal Property Loss Fund at \$50,000. Guidelines for utilization of the fund shall be in compliance with necessary Board Policies governing such expenditure of funds. Loss or damage to personal property, exclusive of personal vehicle damage, during the working day, is to be covered.

Section 8. Deferred Retirement Option Program (DROP)

The parties agree to establish an ad hoc committee to review Division of Retirement guidelines and make recommendations regarding the Deferred Retirement Option Program (DROP) for Miami-Dade County Public Schools employees.

Section 9. Florida Prepaid College Program

- A. The Board shall provide payroll deduction services to full-time employees for the purpose of purchasing prepaid contracts to guarantee tuition at Florida state universities and community colleges, and dormitory housing at the state universities, pursuant to the Florida Prepaid College Program.
- B. The Board shall collect and transmit such monies as are sufficient to provide for the full payment, pursuant to the terms and conditions contained in the authorization contract signed by employees who authorize such check-off from their salaries.
- C. Detailed and specific procedures for implementation of such payroll deduction are hereby incorporated and made part of this Agreement.

APPENDIX E -- RULES AND REGULATIONS GOVERNING SALARY SCHEDULES, SUPPLEMENTS, AND VARSITY ATHLETICS

Section 1. General Provisions

A. Salary Schedules

1. Salaries for certificated employees shall be adjudicated and paid in accordance with the salary schedules in this Contract and in such a manner that all such personnel receive for the school year the amount indicated in the applicable schedule for the degree held and their years of experience, as defined herein.
2. Salaries and salary supplements for certificated employees who work a contract year in excess of the regular 10-month contract period shall be adjudicated to reflect the longer contract year provided, however, that the additional responsibilities, special and/or additional training, or assigned duties which are beyond the normal scope of employment and which qualify the employee to receive a supplement, extend beyond the regular 10-month contract period. The salary supplements shall be paid in accordance with the salary schedules in this Contract in such a manner that all such personnel receive payment for the school year based on the amount indicated in the applicable salary and supplement schedules.
3. The AO 10-Month and 12-Month Salary Schedules are effective for those certificated employees working a 10-month or 12-month contract year who possess at least a Bachelor's degree but have not met the eligibility requirements for credential payments for advanced degrees, as stipulated elsewhere in this Contract (includes Equivalency Certificates for Vocational Education personnel).
4. The CO 10-Month and 12-Month Salary Schedules are effective for those certificated employees working a 10-month or 12-month contract year who possess a Master's, Specialist (or equivalent of 36 semester hours of graduate credit beyond the Master's), and/or Doctorate degree and have met the eligibility requirements for credential payments for advanced degrees, as stipulated elsewhere in this Contract (includes Equivalency Certificates for Vocational Education personnel).
5. Hourly Salary Schedules (AT/AU) are effective for those certificated employees working on an hourly basis for 25 or fewer hours per week.
6. Emergency Temporary Instructor Salary Schedule (AS) is effective for those certificated employees who provide day-to-day substitute coverage when regular full-time teachers or Paraprofessionals II and III, Associate Educator and Paraprofessionals I classified to work in behavioral, therapeutic and Pre-K categories and programs for the physically impaired are absent from their duties. Extra teaching period supplements are not authorized for emergency temporary instructors nor is any additional payment authorized for work performed during the regular workday. An hourly temporary instructor rate is to be paid only when an emergency temporary instructor is required to work beyond the regular workday. Schools are authorized to use emergency temporary instructors if paraprofessional substitutes are not available for the categories of paraprofessionals listed above.
7. All salary schedules shall be effective September 1 or the first day of the 10-month work year, whichever comes first, each year. At that time, eligible employees shall advance a

APPENDIX E (Cont.)

step on the applicable AO or CO Salary Schedule, except that wages will be frozen at the previous year's rate until an agreement on wages has been reached.

8. The Board will comply with prevailing federal minimum wage standards, in accordance with the requirements of the Fair Labor Standards Act (FLSA) and the U.S. Department of Labor's Rules, Regulations, and Interpretive Bulletins regarding the Act.
9. Compensatory time off and the rate(s) of pay for employees working in positions which do not require certificates and who weekly perform two or more M-DCPS jobs shall be governed by the FLSA and the U.S. Department of Labor's Rules, Regulations, and Interpretive Bulletins regarding the Act.

B. Salary Schedule Payments/Paydates

1. Salary payments shall be made bi-weekly.
2. The Board will provide 10-month contract teachers and other 10-month employees (except interim teachers) the option of receiving payment of salary over 10 months or over 12 months. Employees who do not make an election for the Defer Pay Plan Option will be paid on a 10-month basis. The employee will continue to be paid on the basis selected until he/she elects to change. The election to change salary basis may be made only during the enrollment/cancellation period which is after the last work day of the school year and prior to the first work day of the subsequent school year. Employees must complete a written election form during the specified time period to enroll or cancel the Defer Pay Plan Option. In order to facilitate the enrollment/cancellation process, completed election forms may be submitted up to five days prior to conclusion of the prior school year, but no later than the day preceding the start of the subsequent school year.

The election is irrevocable and cannot be cancelled during the school year. Once an employee elects the Defer Pay Plan Option, the election will remain in effect until a cancellation form is received for the subsequent school year. Only if an employee transfers to an ineligible job position, resigns, retires or dies, can the deferred compensation funds be paid prior to the scheduled pay dates.

3. The first paydate for 10-month employees in September shall be no later than 15 days from the reporting day for teachers for that school year.
4. Paydates for 12-month employees begin in July and are made biweekly thereafter, during the fiscal year.
5. Payroll checks delivered for employees at any work location shall not be arbitrarily withheld for any reason.
6. Employees employed beyond the 10-month contract period shall be paid for each day worked at the annual salary that they received during the immediate preceding contract period. The daily rate shall be computed by dividing the annual salary by 196.
7. Activities Directors and/or Athletic Directors may be employed for a period not to exceed a total of 20 days during the summer session at the discretion of the principal to plan and coordinate activities and/or athletics in schools. Such employees shall be paid additional compensation at a daily rate based on the employee's annual salary divided by 196 for the period of time worked.

APPENDIX E (Cont.)

8. Employees eligible for step advancement are those who meet the salary experience credit criteria stipulated in Appendix E, Section 2(a).
9. Any employee who receives an unacceptable rating(s) on his/her annual evaluation shall become eligible for and shall receive payment for step advancement retroactive to the date of salary schedule improvements after he/she has satisfactorily fulfilled the terms of the performance improvement plan resulting from the unacceptable rating(s) and has been rated acceptable. Until that occurs, the employee's salary shall remain frozen at the rate of pay for the previous year.

The Union, upon the employee's request, may meet with the Assistant Superintendent, Office of Professional Standards to review all pertinent documents and administrative actions relative to the unacceptable evaluation and performance improvement plan. The employee shall be informed in writing of this right.

10. Former certificated employees who have retired from any school system in-state or out-of-state who are hired or rehired by M-DCPS shall be provided one step for every two years of creditable service up to step 12 of the AO/CO salary schedule. Advancement in subsequent years shall be subject to the conditions set forth in Section 2(a) of this Appendix. Rehired M-DCPS retirees will be employed on an annual contract basis.

Overpayment collections shall be made in the dollar amount and at the same rate as the overpayment was made provided, however, that any employee encountering a problem in effecting a repayment, due to any reasonable and legitimate cause, will be given full consideration for an adjustment in the rate and amount of repayment. Overpayments shall be corrected for the period of time not to exceed five years from the time the overpayment was discovered. All affected employees will be given written notice of said overpayment, as well as the amount, and shall be informed of the district's intent to regain such funds prior to any monies being withheld from the employee.

APPENDIX E (Cont.)

- b. Salary Adjustments for New Degrees - Upon completion of all applicable requirements, employees who attain new degrees shall have their salary payments adjusted as of the date of the quarter (January 1, April 1, July 1, or October 1) after completion of said requirements and shall then be paid in accordance with the applicable CO Salary Schedule then in effect.

Section 7. Alternative Supplement Model

A percentage (up to 15 percent) of a school's total supplement allocation and/or entitlement (not to include extra teaching period supplements) may be utilized exclusively at the discretion of the principal to establish supplemented activities he/she deems necessary to meet the school's unique operational and programmatic needs. Supplements established in this regard shall be made part of the school's annual plan. Additionally, such supplements shall not exceed the value of an extra teaching period supplement for the employee in question.
- C. Individual school sites implementing the alternative supplement model shall have their individual plans submitted annually (no later than March of each year) to the Planning/Oversight Committee for review and recommendation to the Superintendent and UTD President or Designee and approval by the Board.
- D. Provisions listed in Appendix E, Section 7(B) and (C) are applicable to school sites selecting the alternative supplement model.

Section 8. Guidelines for Implementation of the Athletic Program

- A. The varsity athletic program at each senior high school shall be administered and implemented in accordance with the following:
1. Combination coaching assignments may be made by the principal, subject to the approval of the Administrative Director, ABC and Athletics/Activities. Such combinations will be approved only when the principal assures that both assignments can be carried out by that person.
 2. Teachers receiving supplements for assignments which do not involve after-school responsibility may also receive coaching supplements.
 3. Assignments for teachers involving athletic duties which qualify the teacher for a salary supplement shall be made annually by the principal.

In case of coaching assignments at the senior high level, any teacher who accepts such an assignment and who subsequently wishes to be relieved of such assignment can

APPENDIX E (Cont.)

expect to be reassigned to another school if his/her principal cannot locate another person on his/her staff who can perform the coaching assignment.

In the case of assistant coaching assignments at the senior high level, any teacher who provides the principal with one year's notice of intent to be relieved of the assistant coaching duties will not be automatically transferred for this reason. These personnel are still subject to other provisions of this Contract (such as, involuntary transfer, reduction-in-force, or surplus provisions).

At the discretion of the Superintendent or designee, a review, prior to a transfer, may be conducted for those individuals who have coached at one location for a minimum of 10 years.

4. Coaches may not receive any additional coaching remuneration from revenues of athletic contests or other school activities, except when employed as referee, umpire, or an official by agencies other than the school site in which they are employed. Any supplement in salary accepted from such sources, gratuities, or gifts of magnitude that could be considered additional salary is justifiable grounds for dismissal by the Board. This provision is not intended to preclude the incidental employment of a coach, other than an athletic director or business manager, in game-management activities, such as timers and/or ticket takers, provided that the service he/she renders is not in the area of activities for which he/she receives a supplement. Athletic directors or business managers may be paid as tournament managers, as stipulated by the Florida High School Athletics Association.
5. The positions of coach, athletic director, business manager, and athletic trainer are separate positions. Employees shall not be authorized to hold any more than one of these positions during the same school year.
6. Athletic personnel are to be assigned a teaching load by the principal of the school as follows:
 - a. The head football coach may be released from teaching duties two periods daily during the first semester.
 - b. The athletic director, business manager, and teacher/trainers will be released from teaching duties two periods daily.
7. The head football, girls volleyball, cross-country, golf, and swimming coaches, the athletic director, the teacher/trainers, full-time athletic trainers, the business manager and five assistant football coaches shall be employed beginning the first day of fall sports practice, set by the Florida High School Athletic Association (FHSA) and shall be paid additional compensation at a daily rate based on the employee's annual salary divided by 196 for the period of time worked prior to the beginning of their regular 10-month contract year (but for no more than five days) in order that these activities may be accomplished effectively.

The assistant athletic director, the assistant athletic trainer and coaches in the following sports: head junior varsity football, assistant girls volleyball, assistant swimming and

APPENDIX E (Cont.)

discretionary (football and volleyball) shall be eligible to work prior to the beginning of the 10-month school year.

8. Teacher/Trainers and Full-Time Athletic Trainers
 - a. Full-time Athletic Trainers, with the recommendation of the Athletic Director and approval of the school-site principal, will adjust their workday schedule, but not overall daily working hours, to meet the needs of the athletic program.
 - b. Current Teacher/Trainers will be allowed to continue as Teacher/Trainers in accordance with Section 7(A) and (B) of this Appendix.
 - c. Teacher/Trainers will be permitted to continue in their current position in accordance with this Agreement, pursuant to Florida Statutes, Chapter 1012.48.
 - d. Athletic Trainers shall be compensated on the AO Salary Schedule as provided for in Appendix E, Section 3.
 - e. Eligible Teacher/Trainers may apply for full-time Athletic Trainer positions as such positions become vacant, and nothing contained herein shall limit their availability for consideration for such positions.
 - f. Eligible full-time Athletic Trainers shall be accorded priority consideration for teaching positions, subject to applicable teacher certification requirements.
 - g. Current non-nationally-certified Teacher/Trainers shall be eligible for tuition reimbursement for coursework taken to obtain national certification. Such reimbursement shall be consistent with Article XXVI, Section 6.
 - h. All eligible schools shall be afforded the option of choosing either the Teacher/Trainer or Athletic Trainer (full-time model) should such an allocation be authorized for said schools.
 - i. Teacher/Trainers and Assistant Athletic Trainers may, with approval of the school-site principal, modify their workday schedule (i.e., beginning times adjusted, but not overall working hours). Such modification will not interfere with the overall number of classes to be taught, nor will it preclude the eligibility for receipt of the Teacher/Trainers' and Assistant Athletic Trainers' supplement. Full-time Athletic Trainers are not eligible for this supplement.
9. All athletic personnel who use their private vehicles for in-county and out-of-county trips in the line of duty shall be reimbursed for mileage in accordance with Florida Statutes.

APPENDIX E (Cont.)

10. This supplement schedule and provisions of Appendix E are in compliance with Title IX Regulations. If it is necessary for one person to coach both boys and girls, when the allocation table calls for separate coaches and the seasons run concurrently, the coach shall be paid the regular supplement for the one assignment. Such assignments shall be requested by the principal and approved by the Administrative Director, ABC and Athletics/Activities.

B. Fair Labor Standards Act (FLSA) Provisions

1. Individuals who are under separate contract with M-DCPS as part-time assistant coaches shall not exceed the number of allowable hours for the contracted amount, as determined by the FLSA or Florida Minimum Wage.

Contracted Amount*	Allowable Hours*
\$1,473	189
\$ 691	88

*Allowable hours of coaching will be modified as contracted amounts in the coaching index and/or minimum wage rates change.

C. Part-Time Assistant Coach Position

1. The duties of the part-time assistant coach shall be the same as those of the supplemented assistant coach.
2. Compensation shall be a lump-sum payment and will be paid at the conclusion of the sport season.
3. The part-time assistant coach is subject to the same contractual benefits and limitations of other part-time employees in the UTD unit.
4. Travel reimbursement will be available to part-time assistant coaches under the same terms and conditions as it is available to supplemented assistant coaches.

Section 9. Miscellaneous Provisions

- A. Temporary -- An employee who is employed for a specific, relatively short period of time.
- B. Part-Time -- An employee who normally works, as required, and is paid at an hourly or salary rate for time actually worked.

APPENDIX E (Cont.)

- C. Receipts from Non-School Agencies -- Directors, Assistant Directors, and/or sponsors for student performing groups may receive fees/honorariums for services with such groups during the Orange Bowl, Junior Orange Bowl Week Festivities, and for other performances which occur on days when schools are not in session, provided that these fees/honorariums are paid from monies received from non-school agencies.

Section 10. Incentive/Stipend Payments

Payments for incentives/stipends identified in Article XXV shall be made no later than September 1, unless otherwise agreed to by the parties.

Section 11. Appendix E Implementation

- A. The parties shall have the right to meet regarding any individual(s) salary adjudication issue(s) related to this Appendix.

APPENDIX G -- SICK LEAVE BANK

The parties agree to the following rules and procedures for establishment, staffing, and operation of a SICK LEAVE BANK. Such rules and procedures may be revised by mutual consent of the parties.

Section 1. Rules and Procedures for the UTD Sick Leave Bank

The United Teachers of Dade, AFT Local 1974, AFL-CIO, being the bargaining agent for instructional, paraprofessional and office employees, agrees to staff and operate a Sick Leave Bank Committee for at least the duration of the current contract. It shall be the responsibility of this Committee to administer the UTD Sick Leave Bank rules and procedures stipulated below:

- A. M-DCPS agrees to:
 - 1. assist the committee in operation of the UTD Sick Leave Bank by providing, upon request, data from participating employees' sick leave records. This data will be used to plan the initial operation of the bank and as a basis for Sick Leave Bank withdrawals;
 - 2. designate an administrator to meet periodically with the UTD Sick Leave Bank Committee and to act as liaison with the appropriate M-DCPS office.

- B. The UTD Sick Leave Bank Committee shall:
 - 1. maintain adequate records relative to all functions of the bank;
 - 2. meet periodically with a designated administrator of M-DCPS to review UTD Sick Leave Bank records; and
 - 3. operate the UTD Sick Leave Bank in accordance with the rules and procedures contained herein.

M-DCPS shall establish and the Union shall comply with procedures for identifying and recording contributions to the Bank and for complying with any applicable governmental regulation of sick leave or sick leave banks or associated recordkeeping.

UTD SICK LEAVE RULES AND PROCEDURES

Section 2. Purpose

- A. In order to provide employees with an emergency pool of sick leave days for illness, accident, or injury of self above and beyond those available under "Sick Leave With Pay" provisions, the Board and Union hereby establish the UTD Sick Leave Bank.

- B. The UTD Sick Leave Bank shall function under rules and procedures administered by the Union. All full-time employees in the UTD bargaining unit may participate in the UTD Sick Leave Bank.

- C. Any alleged abuse or misuse of the Sick Leave Bank shall be investigated by either or both parties. If the investigation results in finding of wrongdoing, the employee, M-DCPS, and the Union shall be

APPENDIX G (Cont.)

notified, and the employee shall repay all sick leave days drawn from the pool and shall be subject to such disciplinary action as deemed appropriate by the Board.

Section 3. Initial Membership Requirements

Only unit members who are full-time employees who have been employed full-time for at least one year and who have sick leave accrual of five days or more at the time of enrollment may enroll in the UTD Sick Leave Bank by contributing one day to the Sick Leave Bank. Unit members who contributed one day to the Sick Leave Bank when it was first established shall automatically be reinstated as members at this time.

Additionally, full-time employees who meet the Sick Leave Bank requirements listed above shall also be eligible to contribute any number of sick leave days to the bank provided contributing employee will have 30 or more sick leave days remaining after that contribution. Employees may contribute days to the Sick Leave Bank in general or he/she may direct the bank to contribute such days to another member of the Sick Leave Bank who has exhausted all Hardship Leave, Dire Emergency Leave and Sick Leave Bank days.

Section 4. Withdrawal Procedures

- A. Participating members who meet the following criteria may apply for withdrawal of days from the UTD Sick Leave Bank after:
 - 1. exhaustion of all personal sick leave days.
 - 2. confinement for 10 working days or more without pay.
- B. All applications are subject to final approval by the UTD Sick Leave Bank Committee. The maximum number of Sick Leave Bank days that may be approved for any participating member is 30 Sick Leave Bank days per 12-month period.
- C. All UTD Sick Leave Bank claims should be made within one year of the conclusion of the confinement period; and only days not covered by leave days will be considered for eligibility.
- D. The word "confinement," as used in C. above, means medical restriction requiring isolation from the work place, not physical enclosure. Documentary evidence certifying that the illness necessitates confinement must be presented to the Committee by a licensed physician.

Section 5. Maintenance of the UTD Sick Leave Bank

The UTD Sick Leave Bank will be activated when a minimum of 1,000 days has been deposited. No further contribution shall be required of participating members, unless the UTD Sick Leave Bank is depleted to a point where 250 days remain. In such case, all members of the Sick Leave Bank, except those members receiving extra sick leave for hardship, shall contribute one day each time the bank is depleted.

Section 6. Duration of Agreement

APPENDIX G (Cont.)

The UTD Sick Leave Bank shall be in existence for the duration of the contract and may be renewed in succeeding contracts. In the event a member wishes to terminate UTD Sick Leave Bank membership, all obligations and privileges of membership shall cease 90 days from the date of receipt of written notification by the UTD Sick Leave Bank Committee. The deposit of sick leave days shall remain in the UTD Sick Leave Bank.

Section 7. Granting of Sick Leave From the Bank

In the event of non-renewability of the UTD Sick Leave Bank in succeeding contracts, bank deposits will be returned to contributing members, where appropriate. Return of days will be accomplished equally to those members who have not utilized UTD Sick Leave Bank withdrawals.

Section 8. UTD Sick Leave Bank Procedures

A. Initial Enrollment

1. The enrollee will sign and forward a UTD Sick Leave Bank Program Card to the UTD for necessary processing. This card will be the same size as the present Application for Leave Card and will contain authority for the initial deduction of one day sick leave upon enrollment in the program. Additionally, the card will authorize UTD to deduct an additional day of sick leave from the employee, if the Sick Leave Bank has been depleted.
2. Upon completion of internal processing by UTD, the card and a transmittal listing will be forwarded to the Payroll Section. Cards will be forwarded in work location sequence by employee number. The Payroll Section will deduct a day of sick leave from the employee's leave balance on the Payroll Data Card, date it, and enter the notation "UTD" on the card. Deduction cards will be filed with and in the same manner as the Application for Leave Cards. Cards will be filed in the pay period which encompasses the date that the posting was made to the employee Leave Data Card.

For those employees who do not have the required leave balance for the deduction, the authorization card will be returned to UTD with notation "NO LEAVE BALANCE."

3. Paraprofessionals/Associate Educators/School Support Personnel and Office Employees are not entitled to have any sick leave days deducted until the 30th work day after the employee's initial enrollment in the Sick Leave Bank.

B. Subsequent Deductions After Initial Enrollment

1. Subsequent deductions as described in Section 5 shall be accomplished by utilizing the Sick Leave Bank Program Card which will be checked in the box titled "Subsequent Deduction." This card need not be signed by the employee and principal since the initial card authorized subsequent deductions. This card will

APPENDIX G (Cont.)

be signed and dated by an authorized member of the UTD Sick Leave Bank Committee. The cards will then be forwarded to the Payroll Section.

2. Upon receipt of the cards and transmittal listing by the Payroll Section, the individual Payroll Data Cards will be posted and filed per A(2). The UTD Sick Leave Bank Committee will notify affected employees when subsequent deductions are made from participants. Insufficient leave balance to permit deductions will be returned to the UTD Sick Leave Bank Committee per A(2). The Sick Leave Bank Committee shall, on an individual basis, notify employees with an insufficient leave balance that they are no longer enrolled in the Sick Leave Bank and advise them of subsequent enrollment procedures.
3. Paraprofessionals/Associate Educators/School Support Personnel and Office Employees are not entitled to have any sick leave days deducted until the 30th work day after a "subsequent deduction."

C. Granting of Sick Leave

When employees are granted sick leave from the UTD Sick Leave Bank, the UTD Sick Leave Bank Committee will utilize the Sick Leave Bank Program card to notify the Payroll Section. The sick leave days granted by the committee shall be posted to the Payroll Data Card and filed per A(2). The committee will notify members who have been granted sick leave from the Bank.
