ARTICLE II: GENERAL

Section A: Recognition

Paragraph 1: The Board of Education recognizes the United Teachers of Wichita for the purposes of professional negotiations under K.S.A. 72-5413 et seq. as the exclusive representative for the teachers unit of the professional employees.

Paragraph 2: The bargaining unit shall be defined as those contract employees of the Board of Education in positions which require a certificate/license issued by the state Board of Education or employed in a professional, educational or instructional capacity by the Board of Education, including nurses, social workers and High School Junior Reserve Officer Training Corps (JROTC) instructors, but shall not mean any such person who is an administrative employee or administrative intern.

Paragraph 3: The Board and the UTW acknowledge that the agreement herein set forth has been adopted following a good faith effort by both parties to reach agreement between representatives of the UTW and the Board as provided in K.S.A. 72-5413 et seq.

Section B: Management Rights

Paragraph 1: The UTW acknowledges that the Board and the Superintendent have certain exclusive statutory rights and responsibilities.

Section C: Savings Clause

Paragraph 1: Any paragraph of this agreement or any action pursuant thereof which is contrary to law shall be null and void, but the remainder of the agreement or contract shall remain in full force and effect.

Paragraph 2: Any previously adopted policies, practices, procedures, customs, rules, regulations or writings of the Board which are in conflict with this agreement shall be superseded by the terms set forth herein. The Board shall not amend this agreement, nor make nor execute decisions or policies which violate this agreement.

Section D: Nondiscrimination

Paragraph 1: In all hiring and assigning of employees and in all compensation, benefits and other terms and conditions of employment, the school district shall comply with all applicable federal and state laws with regard to nondiscrimination on account of race, color, religion, sex, age, handicap, national origin or ancestry. Insofar as is reasonably possible, the Superintendent shall strive to maintain an

equitable balance in each category of employment with regard to race, age and sex.

Section E: Closure Clause

Paragraph 1: Both the Board and the UTW acknowledge that all mandatory subjects of negotiations which either party proposed to negotiate have been negotiated and neither party has any right to negotiate further on these or any other subjects during the term of this agreement except by mutual consent.

Paragraph 2: This agreement may be amended at any time by mutual consent. However, no amendment to this agreement shall be binding unless executed in writing and ratified by both the Board and the UTW.

Paragraph 3: Certain District schools have been designated to be “priority” and “focus” schools by the Kansas Department of Education (KSDE). It is anticipated that requirements that may be imposed upon the District by KSDE that apply to priority and focus schools, if complied with, will cause the District to be out of compliance with the provisions of this agreement, and the District, as a result of being out of compliance with priority and focus school requirements, may lose federal or state funding. The District and UTW agree that the loss of state and/or federal funding should be avoided.

(a) The Superintendent will notify the UTW President if the Superintendent learns that enforcement of a provision of this agreement would cause the District to be out of compliance with a state or federal mandate and would jeopardize the District’s receipt of funds from the state or federal government. Upon receiving notice the UTW President will meet with the Superintendent and they together will draft a waiver of the provision(s) of this agreement that, if enforced, would jeopardize state or federal funding. A waiver of enforcement of a provision of this agreement will be drafted as narrowly as possible.

(b) When the Superintendent and President of UTW agree to a waiver clause, the waiver clause shall be presented to the Board of Education and to the UTW Executive Board for approval. The waiver clause shall be effective upon approval by the Board of Education and the UTW Executive Board.

Section F: Waiver Clause

Paragraph 1: The UTW recognizes that it has the right to negotiate any and all terms and conditions of professional services as set forth in K.S.A. 72-5413(1) and judicial interpretations thereof. Regardless of that right, the UTW hereby waives its right to negotiate any such term or condition which has not been noticed, negotiated, agreed, set forth herein, and ratified by both parties. The UTW expressly agrees that the Board and administration have the exclusive right to control and change such terms and conditions which have not been negotiated by policy, rule, procedure, regulation or decision during the term of this agreement.

Section G: New Bargaining Unit Members

Paragraph 1: Upon reemployment in or transfer to the teachers bargaining unit, teachers will be subject to decisions by the Human Resources Division concerning temporary leave, longevity payments and other terms and conditions of employment. Such decisions shall be based on relevant provisions of applicable policies, procedures and employment agreements in addition to the past practices of the District, maintenance of equity among employees and the intent of the applicable language involved.

ARTICLE III: PROFESSIONAL YEAR

Section A: Professional Year for Teachers

Paragraph 1: Contract Days

(a) The base contract days for teachers for the 2015-2016 school year, exclusive of those in supplemental or contract addendums, shall be 188 days, consisting of teaching and nonteaching professional days as determined by the Board. Daily rate of pay for the 2015-2016 school year shall be calculated based on 190 days. The base contract days for teachers for the 2016-2017 school year and thereafter, exclusive of those in supplemental or contract addendums, shall be 190 days, consisting of teaching and nonteaching professional days as determined by the Board. Daily rate of pay for the 2016-2017 school year and thereafter shall be calculated based on 190 days.

(b) The base contract for High School Junior Reserve Officer Training Corp (JROTC) instructors shall be for twelve (12) months a year. High School JROTC instructors shall observe as nonworking days the days on the calendar as set forth in Appendix A that are identified as holidays and recess days. Additional nonworking days, to a maximum of 20 days, shall be arranged with and approved by the base principal and shall normally be scheduled outside the school year. High School JROTC instructors shall be entitled to such additional nonworking days commencing August 1 the second year of their employment. If a High School JROTC instructor starts work after August 1 of a year, then commencing the upcoming August 1, the instructor shall be entitled to a prorated number of nonworking days based on the time period worked. Those nonworking days not used by August 1 of each year shall be lost as of each August 1.

(c) The Superintendent and the UTW President will review all requests submitted to extend the school year prior to April 1 of each year. Their joint recommendation shall be subject to Board approval. All requests must be first supported by 80 percent of the affected staff as determined by a secret ballot election conducted by the UTW. Staff members who do not support the extended year concept shall have the right to transfer. Such contract days shall be scheduled on weekdays, Monday through Friday, between the first and last workday of each contract year. In the event that schools are closed for one or two days due to inclement weather, the number of base contract days shall be reduced by such one or two days.

Paragraph 2: New Teacher Orientation

Prior to the teachers report day, the administration may schedule up to three (3) days for the purpose of orienting newly employed teachers. Such days shall be used for staff development, diversity training and other orientation activities designed by the administration. One of the days will have a general session for all new teachers which will include presentations by the Superintendent or designee, Board President or designee, and the UTW President or designee, along with any other presentations deemed necessary by the district. At least one hour will be given to the UTW during the other two days for the UTW to present items of mutual interest. The UTW shall also be given the opportunity to present items of mutual interest on one day to extended school year teachers that do not participate in the regular new teacher orientation. New teacher orientation for extended year teachers may be shortened to two days by mutual agreement between the administration and the UTW. The UTW shall participate with the administration as to preparing and designing the new teacher orientation program. Any teacher who is required to attend shall receive his/her daily rate for attendance on the General Session day and shall receive \$14.50 per hour for attendance on the other two days. Payment shall be paid within thirty (30) days of the second day of orientation unless Labor Day falls within that period, in which case payment shall be made the first working day after Labor Day or thirty (30) calendar days after the second orientation day, whichever comes last. Partial days shall be prorated. Compensation shall be paid in accordance with regular payroll procedures. Teachers shall select a fringe benefit option. The teacher shall have up to three succeeding days (Monday-Friday) to change the selection.

Paragraph 3: Workshop Inservice Training Day

During each contract year, attendance centers shall be guaranteed at least one day between October 1 and March 15 on any Monday through Friday for the purpose of a workshop or inservice training. The Superintendent shall schedule the time to be taken.

Paragraph 4: Each teacher shall have three uninterrupted days in his/her classroom during the pre-school teacher report days. In order to accommodate other building/district inservice requirements, it may be necessary to divide these days into six one-half day segments.

Paragraph 5: Teachers shall be provided one full day of uninterrupted time at the end of each grading period. Reporting of grades shall not be required earlier than the end of the work day of uninterrupted time at the end of the first quarter and the third quarter. A teacher may leave work at the end of one half-day (3.5 hours) when reporting of grades is required, provided that the teacher has completed and turned in the reporting of grades before the end of one half-day on the day they leave work. Teachers shall not be required to print their own report cards.

Paragraph 6: Special Education teachers who have case manager responsibility for Individual Education Plans (IEP) and who have Special Education students assigned to them in a classroom environment shall be provided one (1) professional day per school year to work on IEPs at their building. The professional day shall be scheduled by agreement between the building principal and teacher and may be taken in half-day increments.

Paragraph 7: A conference release day will occur once each semester. This day will be provided as compensatory time for evening parent-teacher conferences. Portions of parent-teacher conferences will be held in the evenings with the amount of time not to exceed seven (7) hours for the week.

Section B: School Calendar

Paragraph 1: The school calendar adopted by the Board is set forth herein as Appendix A.

ARTICLE IV: PROFESSIONAL DAY

Section A: Elements of the Day, All Teachers

Paragraph 1:

(a) The ending time of the school day in each building shall be seven (7) hours and ten (10) minutes after the beginning time. The Superintendent and the UTW President will review all requests submitted to extend the school day prior to April 1 of each year. Their joint recommendation shall be subject to Board approval. All requests must be first supported by 80 percent of the affected staff as determined by a secret ballot election conducted by the UTW. Staff members who do not support the extended day concept shall have the right to transfer. Teachers shall be present during those hours when they have an assigned responsibility. Teachers must notify the building principal or designee when they will be out of the building while school is in session.

(b) A building principal, with the approval of the Superintendent, shall have the authority to adjust beginning and ending times of the school day of individual teachers in a manner that does not exceed 7 hours and 10 minutes from the beginning time for the individual teacher, subject to the individual teacher's agreement with such change.

Paragraph 2: Teachers shall attend individual conferences with administrators at reasonable times but in no case later than the teacher's next conference/preparation period.

Paragraph 3: Teachers shall attend necessary staff meetings at the direction of the base school principal or district office program administrators. Normally, teachers

shall be given at least 48 hour notice of such meetings. Normally, not more than one (1) total building staff meeting shall be held per calendar month and teachers shall not be required to attend longer than 60 minutes per meeting. However, at the principal's discretion, two additional staff meetings may be held during the school year, but no more than one per semester. A teacher's absence from any staff meeting should be the exception rather than the rule. In the event of an absence, it is the teacher's responsibility to contact the principal so that the information from the staff meeting can be communicated to the teacher in a timely manner.

Paragraph 4: Teachers shall attend pupil and parent conferences when necessary including reasonable requests from a pupil or parent.

Paragraph 5: Teachers shall be present in and around the building for a minimum of ten (10) minutes before and after the school day. This time shall be used for the purpose of preparations, conferences, and supervision of pupils as directed by the principal but will not be considered part of a teacher's conference/preparation time.

Paragraph 6: Teachers shall make complete and adequate preparation to fulfill their responsibility to pupils.

Paragraph 7: Teachers shall accomplish necessary administrative work directly related to their assignments.

Paragraph 8: Teachers may be required to collect and transmit money. Teachers shall exercise reasonable care to assure that money collected will not be lost. Reasonable effort will be made to keep money collection by teachers to a minimum and to expedite the collection process. Each teacher who collects monies shall be provided building and district policies concerning the collection of money.

Paragraph 9: Teachers shall not be required to transport pupils to or from activities which take place away from the school building except where such transportation would be a normal responsibility of a particular position and/or condition of employment under a supplemental contract. However, a teacher may do so voluntarily with the advance approval of the building principal.

Paragraph 10: On nonteaching professional days, teachers shall be present for seven and one-half (7-1/2) hours including the lunch period. An authorized administrator may reduce such time requirement.

Paragraph 11: Teachers shall attend up to three (3) evening events designated as mandatory and published with at least two (2) weeks' notice by the base school principal. Such events shall be beneficial to the school community, and teachers shall not be required to attend longer than two (2) hours per event. Additional mandatory evening events may be designated upon a majority affirmative vote

conducted by secret ballot of the teachers.

Paragraph 12: All teachers shall be guaranteed at least one 40-minute, duty-free lunch period per day.

Paragraph 13: Lesson Plan Framework

- (a) All teachers providing direct instruction to students shall have a written lesson plan framework.
- (b) “Direct instruction” is the presentation of academic content by instructional approaches that are structured, sequenced and led by teachers.
- (c) The written lesson plan framework will address:
 - (1) content and literacy objectives (with instructional sequence guides, curriculum protocol and standards embedded or referenced); and
 - (2) District instructional protocol (as applicable) and model (opening, work/instructional time and closing).
- (d) Examples of lesson plan frameworks that are acceptable as to format and content are attached to this agreement in Appendix B.
- (e) The teacher shall make his/her lesson plan framework and any other supplemental material which the teacher is using available to the administrator upon request. Unless part of a plan of assistance, no lesson plan framework will be requested in advance of the day the lesson plan framework is to be implemented.
- (f) The administrator requesting the lesson plan framework will provide meaningful and intentional written feedback to the teacher in a timely manner.
- (g) The written lesson plan framework will address any requirements by the Kansas Department of Education for schools designated as “priority” or “focus” schools.

Section B: Elements of the Day, Classroom Teachers

Paragraph 1:

- (a) Each full-time classroom teacher and special education teacher shall have a schedule which normally provides at least 220 minutes per five day week for conferences and preparations. Provided, however, teachers in grades 6 through 12 in buildings with block schedules shall have a schedule which normally provides at least 440 minutes per two consecutive five-day weeks for conferences and preparation, but no less than 180 minutes per week.
- (b) In grades one through five and full-time kindergartens, this time shall occur in not less than 30-minute periods. In half-day kindergartens and pre-kindergartens, this time shall occur in not less than 20-minute periods.
- (c) Neither the 10 minutes before and after the school day nor passing periods may be considered as conference/preparation time.

Paragraph 2: When any class assigned to the teacher does not meet for any rea-

son, the teacher may be assigned other professional duties during the class time.

Paragraph 3: When a teacher is absent, the teacher shall have available for the substitute lesson plans in sufficient detail to provide adequate guidance to the substitute, class lists and seating charts where appropriate. In the event an absence exceeds three (3) days, the teacher shall make the grade book available to the substitute upon request.

Paragraph 4: Special education teachers who manage IEPs shall not be required to perform light duty.

Section C: Elements of the Day, All Teachers Except Classroom Teachers

Paragraph 1: The base school principal shall determine the teacher's daily time schedule after giving consideration to any schedule which the teacher may have suggested and to the teacher's need for conference/preparation time. Teachers shall also be present during those additional hours required to perform their particular assignments. Teachers who in one day serve multiple buildings with different starting times shall not be required to have a permanent schedule which would exceed the normal workday for non-classroom teachers.

Paragraph 2: Teachers shall attend evening activities related to their particular assignments as designated by the base school principal.

Paragraph 3: Each full-time elementary music teacher, elementary physical education teacher, elementary library media specialist and elementary art teacher shall have a schedule which normally provides approximately 220 minutes per five day week for conferences and preparations. This time shall occur in not less than 20 minute periods. Neither the 10 minutes before and after the school day nor passing periods may be considered as conference/preparation time.

Paragraph 4: Library media specialists will not be required to supervise study halls while carrying out their regular assignments as library media specialists.

Paragraph 5: Except for an emergency situation or implementation of the building emergency plan, teachers for which a personnel shortage requires a portion of those services to be contracted out, shall not be required to serve as a temporary substitute or to supervise students during lunch, recess, passing periods, assemblies, study hall or before or after school.

Paragraph 6: The school nurse shall be afforded up to forty (40) minutes per week for the nurse to complete required medical documentation, provided that the time schedule is established in advance with the building principal and will be adjusted if a conflict arises.

Section D: Extra Duties

Paragraph 1: While participation in extra activities including in-service and committee activities beyond the professional day may be encouraged by the Board or administration, the same will be voluntary in nature unless required by the responsibilities as set forth in Sections A, B, or C above, or unless required by the Supplemental Salary Section of the Teacher Compensation Article.

Paragraph 2: Regular duties assigned in addition to the responsibilities set forth should be compensated and set forth in a Supplemental Salary Schedule, and once compensation is so set, accepted and added to a Supplemental Salary Schedule as set forth in the Teacher Compensation Article, such duties shall be fully performed in a professional manner.

Section E: Time Schedules

Paragraph 1: Teachers shall work in accordance with established time schedules. Such schedules shall include the lunch time(s) and, in some buildings, the number of and times for teaching periods.

Paragraph 2: Permanent changes in a school's normal time schedule may be proposed by the principal or the School Building Committee. Under normal circumstances, changes should be proposed no later than April 1 for the following school year. Such proposed changes shall be submitted to the School Building Committee which shall be responsible for determining the degree of acceptance by teachers who would be affected. The findings of the committee shall be reported to the principal in a timely manner. The principal shall give consideration to such findings prior to making his/her decision and the School Building Committee shall be notified in writing of that decision. If the School Building Committee does not give written notice of its disagreement with the principal's decision within five (5) contract days, the principal's decision shall be implemented.

Paragraph 3: If the School Building Committee notifies the principal within five (5) contract days of its disagreement with his/her decision, the elementary or secondary District Schedule Committee, each composed of three (3) members appointed by the UTW and three (3) members appointed by the Superintendent, shall meet and permit the School Building Committee, the principal, and other interested parties an opportunity to be heard regarding the proposed school changes. The District Schedule Committee shall make a timely recommendation to the Superintendent. The Superintendent shall give consideration to the recommendation of the District Schedule Committee prior to making his/her decision. The Superintendent's decision shall be implemented.

Section F: Supervision of Student Teachers

Paragraph 1: Supervision of a student teacher shall be voluntary. Teachers shall normally be notified of a student teacher assigned at least two (2) weeks prior to the student teacher's introduction to the classroom. The school system shall provide the cooperating teacher with whatever materials it deems appropriate. The cooperating teacher shall be responsible for being knowledgeable of the contents of any such materials provided.

Section G: Appeal

Paragraph 1: In the event an administrative decision is made concerning the professional day, such decision shall remain in effect pending determination under the grievance procedure.

ARTICLE V: TEACHER COMPENSATION

Section A: Definition and Placement

Paragraph 1: Each teacher employed by the Board shall be compensated for the professional services which he/she renders during the professional days for the term of a contract year. This compensation shall be termed salary and the amount of such salary each teacher receives for a contract year shall be determined by his/her placement on the Teachers Salary Schedule (Section B, Paragraph 1 of this Article).

- (a) A fractional part of a year's service shall be paid on the basis that the number of contract days worked bears to the total number of contract days in the contract year.
- (b) The base contract salary shall be prorated for any teacher who teaches less than full time.

Paragraph 2: The final judgment concerning the placement of any teacher on the salary schedule shall be determined by the Human Resources Division. Such judgments are not to be inconsistent with this Section.

Paragraph 3: General Provisions

(a) Each teacher shall be eligible for and shall receive the highest salary to which his/her academic preparation and experience entitle him/her. All salary placements are subject to verification of experience and training and shall be adjusted in any direction for each school year to the level for which the teacher proves his/her entitlement on or before September 10 of each year. Experienced teachers beginning their employment after September 10 of a school year shall be placed

on the track and step for which they qualified as of September 10 of that school year. Inexperienced teachers beginning their employment after September 10 of a school year shall be placed on Step 2 of the BA Track or on Step 2 of the track for which they qualified as of September 10 of that school year, whichever is higher. Teachers employed full time for one full semester of a school year shall be given credit for one year of experience; however, one full semester of full-time teaching experience obtained in each of two different years or school systems shall be combined and counted as one year of experience with adjustment in step placement made accordingly. Notwithstanding anything to the contrary herein, teachers will not advance from their step placement as of the 2014-2015 contract year.

(b) Subject to (a) above, the teacher qualifies for one (1) higher step for each full year of teaching experience under a contract with Unified School District 259, and for each year of extended or sabbatical leave when such leave is expressly to be so counted in the Leaves Article. However, any teacher who completes the previous school year on a Plan of Assistance and continues on that plan in the next school year will not qualify to advance to a higher step. Notwithstanding any other provisions of this agreement, upon successful completion of a Plan of Assistance, the teacher, if eligible under this agreement and Paragraph 3(a) above, shall immediately move to the next step. The phrase "full year" as used in this subparagraph shall mean being under a base contract for 170 or more days within one contract year. No teacher will move more than one step in any year.

(c) At the time of reemployment, a teacher who has been employed previously as a teacher under a contract with Unified School District 259 shall be placed in accordance with the salary provisions of the current Teachers Employment Agreement. However, no such teacher shall be placed on a lower numbered step than he/she was on at the time of the last day in base contract pay status of the most recent prior employment. Furthermore, if at that time the teacher was eligible for the next higher step in the subsequent contract year, the teacher shall be placed on that next higher step on the appropriate track at the time of employment. This step placement shall be adjusted as necessary to account for changes in salary placement procedures which may have occurred in the interim.

(d) Any former teacher who is reemployed within twelve (12) months of the date of termination will have his/her temporary leave days that were accrued at the time of separation reinstated for up to a maximum of five (5) years for temporary leave that was accrued after March 31, 1999, unless severance compensation has been paid for such leave.

Paragraph 4: Placement on Teachers Salary Schedule

(a) Track

On the Teachers Salary Schedule (Section B, Paragraph 1 of this Article) each track (vertical column) represents an earned degree from an accredited institution of higher learning or additional earned graduate credit semester hours not already

counted in an earned degree. Credit for salary purposes shall be given for only those graduate degrees and/or graduate hours as recognized and supervised by the graduate school of an accredited institution, unless otherwise expressly provided by this Section. Such institutions must have been accredited at the time the degree and/or hours were earned. The accreditation agency must be an agency approved by the Human Resources Division. To be eligible for a degree track, the teacher must have earned the degree that track specifies. His/her placement on an intermediate track higher than the degree track to which he/she is entitled is contingent upon his/her having earned the additional number of graduate semester hours which that track specifies for their equivalent in quarter hours or third hours. Such additional graduate hours may have been earned prior to the date of the teacher's latest degree, but must not have been used to satisfy degree hour requirements. Notwithstanding anything to the contrary herein, teachers will remain at the track where they were placed in the 2014-2015 school year.

(b) Initial Step Placement

At the time of employment, each teacher will be placed on the highest numbered step for which he/she qualifies in accordance with the column of the Teacher Salary Schedule entitled "Initial Placement". Other relevant teaching experience may result in higher initial step placement as determined by the Chief Human Resources Officer.

(c) Social Workers

At the time of employment and subject to (b) above, full credit for specialized social work in a school program shall be given. Full credit for clinical social work experience may be given, subject to approval by the Human Resources Division. For purposes of advancing to a higher track, graduate work undertaken must be approved by the appropriate supervisor and the Human Resources Division. Such approval will not be withheld arbitrarily. Credit for a master's degree shall be given only in the field of social work.

(d) Health Services

At the time of employment and subject to (b) above, full credit for registered professional nursing experience in a school program shall be given. Full credit for registered professional nursing experience may be given, subject to approval by the Human Resources Division. Non-degree nurses shall be placed on the BA Track of the Teachers Salary Schedule and shall be ineligible for movement to any other track.

(e) School Psychologists

At the time of employment and subject to (b) above, full credit for specialized work as a psychologist in a school program shall be given. Full credit for other clinic experience may be given, subject to approval by the Human Resources Division.

(f) Speech-Language Pathologists

At the time of employment and subject to (b) above, full credit for speech-language services in a school program shall be given. Full credit for clinical experience as a speech-language pathologist may be given, subject to approval by the Human Resources Division.

(g) Sixty Hour Master Degrees

Teachers who earn master degrees which required a minimum of sixty (60) graduate semester hours (or their equivalent in quarter hours or third hours) in their area of assigned responsibility shall qualify for placement on the MA+30 Track of the Teachers Salary Schedule.

(h) High School Junior Reserve Officer Training Corps (JROTC) Instructors

The salary for High School JROTC instructors shall be the amount set forth in Section B, Teachers Salary Schedule, in accordance with the salary provisions for other teachers multiplied by 221 times the daily rate of pay or the amount set as the minimum pay for High School JROTC instructors by the Federal government in accordance with the Junior Reserve Officer Training Corps Act plus 3.545% of said amount, whichever amount is greater. High School JROTC instructors without a degree shall be placed on the BA Track of the Teachers Salary Schedule.

Paragraph 2: When arising out of and in the course of his/her employment a teacher's personal property, brought to the classroom setting as a teaching aid for the curriculum being taught, is damaged or destroyed as a result of willful malice, and when the teacher has used reasonable judgment, the Board shall reimburse the teacher for the cost of the repair or reasonable value thereof, whichever is less, in an amount not to exceed \$1,200 per each occurrence.

Paragraph 3: The above does not cover accidental damage, theft or mysterious disappearance.

ARTICLE VIII: PUPIL CONTROL

Section A: Classroom

Paragraph 1: General

The individual classroom teacher shall assume the major responsibility for classroom control and discipline, and his/her judgment in this regard will be relied on in the general course. The Board hereby recognizes its responsibility to give support and assistance to teachers in this endeavor and its policies will continue

to reflect its position in this regard. Each school will have a discipline procedure setting forth the responsibility and authority for all professional personnel.

Paragraph 2: Pupil Misbehavior

When, in the judgment of a teacher, parents should be informed of a pupil's misbehavior, the teacher should notify the building principal and contact the parents unless the principal assumes the responsibility to do so. Parent conferences with teachers and/or principals should be scheduled and/or other appropriate disciplinary action taken.

Paragraph 3: Referral of Pupil

When, in the judgment of a teacher, a pupil requires referral to other district employed professional personnel or specialists, he/she shall so inform his/her principal or immediate supervisor in writing. The principal or immediate supervisor shall arrange as soon as possible for a conference which includes himself/herself, the teacher, and appropriate specialist(s) to discuss the problem and to decide upon appropriate steps for its resolution.

Paragraph 4: Removal of Pupil from Classroom

When, in the judgment of a teacher, a pupil is substantially disrupting the instructional program to the detriment of other pupils, the teacher may remove the pupil from his/her class. The teacher will instruct the pupil to report immediately to the appropriate supervisor or administrator. Following the decision to remove the pupil, the teacher will advise the principal of the action and will, as soon as possible, furnish full particulars. Appropriate written records of such removals shall be maintained by the principal and teacher and shall be available to the parties upon request.

Paragraph 5: Readmittance of Pupil to Classroom

A pupil shall not be readmitted into any class instructed by the teacher who removed the pupil during the half-day in which the pupil was removed unless there is mutual agreement between the teacher and the principal.

Section B: Suspension, Expulsion

Paragraph 1: Any alleged violation or misapplication of Board Policy 5112, including all Administrative Implemental Procedures, shall be subject to the grievance procedure. This shall not be construed to mean that any other Board policy is subject to the grievance procedure.

ARTICLE IX: TEACHER BENEFITS

Section A: Personal Injury Benefits

Paragraph 1: Worker's Compensation

The Board shall provide Kansas Worker's Compensation benefits for all teachers. If a teacher has a compensable worker's compensation claim, the teacher will be paid at 100% for the period of time that temporary leave is available. A teacher may choose to save up to five (5) accumulated temporary leave days. Once temporary leave is exhausted, compensation will be reduced to 70% up to a maximum of 180 total calendar days from the date of disability. After 180 days, the teacher's position may be refilled, but the teacher may be eligible to continue receiving worker's compensation benefits at the reduced rate of the statutory maximum.

Paragraph 2: Other Injury Benefits

If a teacher is absent as a result of personal injury caused by battery arising out of or in the course of his/her employment, and when investigation by the administration indicates that the teacher has used reasonable judgment, the teacher shall be paid his/her full salary for a period of up to one hundred eighty (180) calendar days, less any worker's compensation disability payments. Any absences caused by the battery will not be charged to the teacher's accumulated temporary leave. In other lost time (on the job) injury cases, at his/her discretion the Superintendent may excuse such absences without loss of pay or temporary leave if it is determined the teacher at the time of the injury was following Board or administrative policy.

Section B: State Retirement Participation

Paragraph 1: The Board shall participate in the Kansas Public Employees Retirement System in accordance with K.S.A. 74-4931 et seq.

Section C: Short Term Disability Benefits

Paragraph 1: The Board shall provide short term disability benefits as set forth in the Short Term Disability Summary Plan Description. Short term disability benefits for disabilities resulting from non-occupational illness or injury, shall be paid at the rate of 70% of the teacher's regular daily rate, subject to all applicable

deductions. A teacher may choose to save up to five (5) accumulated temporary leave days. Following the exhaustion of temporary leave, there is a five day waiting period before short term disability benefits begin. The five day waiting period will be waived for absences greater than 30 calendar days and short term disability payments shall be paid retroactively.

Paragraph 2: A single disability for a period of 180 days is defined as a single absence. Under no circumstances will short term disability benefits be paid in excess of 180 calendar days from the date of the disability.

Paragraph 3: If subsequent to the commencement of short term disability benefits it is determined that the illness or accident arose out of or in the course of the teacher's employment, the teacher's compensation shall revert to worker's compensation disability payment and the teacher's short term disability benefits shall be reduced by any retroactive payment of worker's compensation total disability payments.

Paragraph 4: For the recurrence of a disability to be considered a new disability, the disability will be subject to a new waiting period and required independent medical evaluation designated by Employee Benefits and Insurance Management. If the teacher disagrees with the independent medical opinion, the teacher can request a second opinion from a district designated physician. If the second medical opinion agrees with the first independent medical opinion, the teacher will be responsible for the cost of the second opinion. In addition, the employee must have returned to work for a continuous period equal to the period of absence or for thirty (30) consecutive work days. Short absences for reasons not related to the disability shall not be counted toward fulfillment of this requirement, but will not be considered an interruption thereof.

Paragraph 5: If a second distinct disability occurs prior to the expiration of thirty (30) consecutive work days, the thirty (30) day work requirement may be waived by the Chief Human Resources Officer or designee.

Section D: General Liability Coverage

Paragraph 1: The Board shall provide general liability coverage with a minimum single liability limit of at least \$500,000. This coverage, in accordance with its definitions and exclusions, will defend and pay on behalf of those teachers covered all sums for which those teachers covered shall become legally obligated to pay within the stated occurrence limits as damages because of bodily injury or property damage. This coverage will include corporal punishment within the definition of damages for bodily injury. This coverage will also include teachers who transport pupils within the course and scope of their employment either voluntarily with permission of an appropriate administrator or because of the requirements of a supplemental assignment. The employees of the Board will

be included within this coverage. The Board shall not be obligated beyond any standard liability coverage that is provided or is able reasonably to be purchased in the future.

Section E: Life Coverage

Paragraph 1: The Board shall provide a group term life coverage in the sum of \$30,000 for all teachers employed half time or more. Any increases in coverage shall not be effective until the teacher reports or is able to report for work.

Section F: Health Coverage

Paragraph 1:

(a) (1) The health plan period will begin January 1 and will end December 31 of each year. The Board contribution shall be \$590 per month for each teacher who is eligible to participate in the plan. For IRS W-2 reporting purposes, starting with the 2012 tax year, the value of the health plan to each employee will be tiered based upon family status. Family status means:

- a. Employee Only/Single;
- b. Employee + Children;
- c. Employee + Spouse;
- d. Employee + Spouse + Children/Family.

(2) In order to defray costs associated with the Board health plan, effective January 1, 2016, teachers and their spouses shall agree to payroll deductions as follows:

	Employee Only	Spouse Only	Employee & Spouse
Tobacco premium			
*beginning 2016	\$100 per month \$1200 annual	\$100 per month \$1200 annual	\$200 per month \$2400 annual

	Employee Only	Spouse Only	Employee & Spouse
Premium Without Wellness Discount			
2016	\$50 mth/ \$600 yr.		
2017	\$50 mth./ \$600 yr.	\$50 mth./ \$600 yr.	\$100 mth./ \$1200 yr.
2018 & thereafter	\$100 mth/ \$1200 yr.	\$100 mth/ \$1200 yr.	\$200 mth/ \$2400 yr.

Such monthly payroll deductions shall be waived if the teacher and/or spouse participate in wellness activities totaling 100 points each per calendar year that are chosen by the teacher and/or spouse from a list provided by Employee Benefits & Insurance Management and teacher provides proof of such participation to Em-

ployee Benefits & Insurance Management. Wellness points earned between January 1 and December 31 apply toward the premium discount the following year.

(3) If “non-tobacco/nicotine user” is one of the wellness points selected for the current plan year premium credit, the teacher and/or spouse will be subject to audit and confirmation testing. If the test has a positive result for nicotine, the individual tested will be disqualified from receiving the wellness discount. The payroll deduction for a positive test result or refusal to be tested will equal the annual premium for the then-current plan year, averaged between the date of the first paycheck following a positive test result or refusal to be tested and the last paycheck in December of the year the payroll deduction is begun.

(b) Teachers whose spouses have access to employer-sponsored group health care insurance who choose to utilize the Board health plan to provide coverage for the teacher’s spouse shall agree to a payroll deduction of \$200 per month. Teachers with a spouse shall sign a certified statement verifying whether or not their spouse has access to employer-sponsored group health care insurance. For purposes of this subparagraph, employer-sponsored health insurance means that the spouse’s employer is paying for not less than 50% of a single plan.

(c) To be eligible to participate in the Board health insurance plan, a teacher who is less than 1.0 full time equivalency (FTE) and who is at least 0.75 FTE shall agree to a payroll deduction of \$40 per month.

(d) (1) To be eligible to participate in the Board health plan, a teacher who is a tobacco/nicotine product user shall agree to a payroll deduction of \$100 per month. However, those employees who work less than a 12-month assignment shall agree to a payroll deduction of \$1,200 per year prorated for the length of their assignment. To be eligible to participate in the Board health plan, a teacher whose spouse is a tobacco/nicotine product user who participates in the Board health plan shall agree to a payroll deduction of \$100 per month. However, those employees who work less than a 12-month assignment shall agree to a payroll deduction of \$1,200 per year prorated for the length of their assignment.

(2) Teachers shall sign a certified statement verifying whether or not they are tobacco/nicotine product users and whether or not their spouse who participates in the Board health plan is a tobacco/nicotine product user.

(3) Teachers and/or spouses claiming to be tobacco/nicotine-free are subject to medical testing for nicotine, at the cost of the Board, to verify such claim, including random testing. Such test will be sensitive enough to differentiate actual nicotine use by the individual from nicotine naturally occurring in foods and from indirect contact with nicotine, such as secondhand smoke. If a teacher or spouse is tested and receives a positive result for nicotine, the teacher or spouse may request a second test for verification of the initial result. If the second test result is negative for nicotine, the second test will be paid for by the Board. If the second test is positive for nicotine, the cost of the second test will be borne by the teacher.

(4) If the test has a positive result for tobacco/nicotine use, the teacher will be subject to the additional payroll deduction for tobacco/nicotine use and the payroll deduction of the annual premium without the wellness discount, if the loss of the tobacco/nicotine free wellness points leaves the teacher and/or spouse with less than 100 wellness points. The payroll deduction for a positive test result or refusal to be tested shall equal the annual tobacco/nicotine premium, averaged between the date of the first paycheck after a positive test result or refusal to be tested and the last paycheck paid in December of the year the nicotine payroll deduction is begun.

(5) A tobacco/nicotine product user is a person who uses a tobacco/nicotine product or products four or more times per week within no longer than the past six months and includes cigarettes (including electronic cigarettes), cigars, pipes, and any form of chewing tobacco. The term "tobacco/nicotine user" does not include for religious or ceremonial use or when prescribed or recommended by a physician or in conjunction with smoking cessation treatment. Physician documentation is required.

(e) The Board health insurance plan shall provide health coverage for teachers and eligible dependents, if any, in accordance with the terms, conditions, and exclusions of the plan as developed by the administration with the involvement of UTW. The administration of the plan shall be reviewed at least quarterly by the Employee Health Advisory Committee, whose teacher members shall consist of plan participants appointed by the UTW. Changes in the plan will normally be effective on January 1 of any year and only with the involvement of the UTW.

(f) Teachers employed less than .75 FTE are not eligible for coverage or membership in the plan and the Board shall make no payment for such teachers; except teachers whose FTE status is between .50 and .74 as of August 1, 2014 ("grandfathered teachers") will remain eligible to participate in the Board health insurance plan until such time as their FTE status as of August 1, 2014 changes. In addition, grandfathered teachers, while grandfathered, will remain eligible to participate in the Board health insurance plan if they agree to a payroll deduction of \$40 per month.

Paragraph 2: The Board shall continue to pay its contribution to the plan for an eligible teacher who suffers a continuing total disability for a period not to exceed 180 calendar days after the date of the commencement of the total disability. All actions and decisions under the health plan shall be made in accordance with rules and procedures established by the administration.

Paragraph 3: Teachers employed .75 FTE or more may enroll in a cash option in lieu of coverage and membership in the health plan. Teachers enrolled in the cash option shall be paid \$100 per month subject to applicable deductions in regular payroll checks. Grandfathered teachers may enroll in the cash option in lieu of coverage and membership in the health plan as long as they remain in grandfa-

thered status.

Paragraph 4: Certain provisions of this Section or of the plan are subject to continuing and future interpretations by the state or federal governments or their respective agencies. Any new law or more definite or different interpretation of existing law may require immediate and thorough modification of this agreement or of the plan. In such event, the change, deletion, or modification of this Article and/or the plan shall be accomplished forthwith.

Section G: Severance Payment

Paragraph 1: A teacher who retires or resigns within the time limits allowed by statute, after reaching age fifty-five (55) years or five (5) years in the employ of the Board shall be eligible for a severance payment. The severance payment shall also apply to a teacher who meets the above age or employment qualification and who leaves the district's employment either due to death or total disability or for other good causes as determined solely by the Board. Teachers may, at their option, have their severance applied to health plan payments.

Paragraph 2: The amount of severance payment for which the teacher is eligible shall be computed by multiplying the number of accumulated unused temporary leave days by \$30.

Paragraph 3: The severance payment shall be made to the eligible teacher in accordance with regular payroll procedures and shall be subject to all applicable deductions.

Section H: Tax-Sheltered Plans

Paragraph 1: Teachers are eligible to participate in salary reduction tax-sheltered plans, including 457 plans and 403b plans, established pursuant to the Internal Revenue Code, consistent with regulations established by the Business/Financial Services Division. Enrollment in the 457 plan and/or 403b plan must have a minimum of twenty-five (25) participants by the end of the second year after the plan commences or the 457 plan or 403b plan may be terminated at the discretion of the Superintendent.

Section I: Mileage Allowance

Paragraph 1: Any teacher who is required to use his/her own automobile as a regular condition of employment in his/her base or addendum contract shall be compensated on a quarterly basis at the rate per mile established by the Secretary of Administration of the State of Kansas. Mileage rates are effective on the first of the month following the date the Department of Administration makes a change. No mileage compensation will be payable unless specific agreement therefor with

the Business/Financial Services Division has been reached in advance of being incurred.

Section J: Early Retirement

Paragraph 1: The Board will continue to provide a voluntary early retirement program for members of the teachers bargaining unit employed prior to July 1, 1996. The substance and procedures of the program, and any changes thereto, are in each instance to be determined by the Board. Alterations shall not be applied retroactively to affect any retired teacher receiving benefits from the program. For the duration of this agreement and pending any legislative action, the Early Retirement structure and level of benefits shall continue at no less than the same level in place on the effective date of this agreement.

Section K: Flexible Spending Account Plan

Paragraph 1: The Board shall provide a Flexible Spending Account Plan established pursuant to Section 125 of the Internal Revenue Code which will allow voluntary payroll deduction. The substance and procedures of the Plan, and any changes thereto, are in each instance to be determined by the Board after consultation with the UTW. The Plan shall include only dependent care assistance and non-reimbursed medical expenses. Health insurance premiums will be deducted from wages on a pre-tax basis through the use of a Section 125 Cafeteria Plan.

Section L: General

Paragraph 1: Each benefit specified by this Article may, at the Board's option, be provided by a Board selected carrier or by self-funding by the Board or any combination thereof. The Board may change from one carrier to another or to a self-funding at any time. The specific coverage may be altered by the Board at any time so long as the coverage provided complies with the expressed terms of this agreement.

Section M: Catastrophic Emergency Benefit Plan

Paragraph 1: The Board shall provide a Catastrophic Emergency Benefit Plan to be used by teachers who have suffered some catastrophic emergency and who have exhausted all temporary leave.

The president of the UTW, the president of Service Employees Union, the Chief Human Resources Officer, and the Human Resources Specialist shall serve as resource members to the committee. Decisions rendered by the committee are final and binding.

Paragraph 3: The plan shall be open to all benefited employees who contribute to the establishment of the pool. The pool shall be established by allowing each benefited employee to contribute one (1) day of temporary leave into the pool. The plan shall be made available for employee use when at least 400 employee days have been contributed. Only those employees who have contributed to the pool shall be eligible to draw from it. Teachers who contributed one (1) day of temporary leave to the pool may continue as a participant during the 2014-2015 school year without contributing another day.

Paragraph 4: When the pool falls below 300 days, it shall be replenished by a new thirty-day open enrollment period during which time employees may contribute an additional day or may become new members of the plan by contributing one day.

Paragraph 5: Employees who meet the criteria above shall be eligible to draw on the pool up to twenty (20) days per contract year. The employee must exhaust all accumulated temporary leave to be eligible.

ARTICLE X: LEAVES

Section A: Temporary Leave

Paragraph 1: Chargeable Temporary Leaves

(a) Each teacher who is under a full-time contract for a full professional year shall be granted twelve (12) temporary leave days on the first day that the teacher reports for work in that professional year. Each teacher at extended day/extended year schools on a 210-day, full time contract for a full professional year shall be granted thirteen and a half (13.5) temporary leave days. Temporary leave days shall be prorated for any teacher who is contracted for less than full time but at least half time or who begins his/her employment after the beginning of the professional year. However, teachers in less than half-time positions who were hired before August 1, 1999, shall receive prorated temporary leave days. Temporary leave days granted shall be added immediately to the teacher's accumulation. A teacher under an addendum contract shall be granted one (1) temporary leave day for each fifteen (15) days of paid addendum computed to the nearest half day. Such additional days shall be added to the teacher's accumulation upon completion of the addendum contract.

(b) Unused temporary leave days shall be cumulative without limit.

(c) Accumulated temporary leave days may be used for:

(1) Personal illness, injury, or incapacitation up to the maximum number of days the teacher has accumulated, except that accumulated leave days may not be used during addendum contracts of twenty (20) or fewer days. However, no teacher may use temporary leave days for any single such disability beyond 180 calendar days from the first day of disability. On or before the end of thirty (30) calendar days from the beginning date of the disability and on or before the end of every thirty (30) calendar days thereafter, the teacher and his/her physician shall furnish a statement verifying the disability. For the recurrence of a disability to be considered a new disability, the teacher must have returned to work for a continuous period equal in length to the period of absence or for thirty (30) consecutive contract days if the period of absence exceeded thirty (30) contract days. However, if such time period is interrupted by the end of the school year, a teacher who fails to complete such time period upon the start of the next school year may file an appeal with the Chief Human Resources Officer who may waive the remaining days. Short absences for reasons not related to the disability shall not be counted towards fulfillment of this requirement, but will not be considered an interruption thereof. Temporary leave for maternity will be granted to teachers during the period of actual incapacitation from performing their duties. Pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery shall be treated as any other temporary disability for job-related purposes, including commencement, duration and extensions of leave, payment of disability income, reinstatement and any other fringe benefit offered to employees by virtue of employment.

(2) Illness, injury or death of the teacher's spouse, child or parent up to a maximum of fourteen (14) days per contract year. Up to eight (8) of these days may be used for illness, injury or death of the teacher's in-law, grandchild, grandparent, sibling, aunt, uncle, niece, nephew, any person having been regularly living in the teacher's household, or in-law of the teacher's spouse, child, or parent.

(3) The number of personal leave days which may be taken is based upon the length of employment with the Board. Teachers with twenty-five (25) or more years may take up to five (5) personal leave days, teachers with twenty to twenty-four (20 to 24) years may take up to four (4) personal leave days, and all other teachers may take up to three (3) personal leave days. Personal leave may be taken at the teacher's discretion. However, teachers shall properly file a form of notification twenty-four (24) hours in advance of a personal leave. Teachers shall not take temporary personal leave:

- (a) during nonteaching professional days
- (b) during the first five and last five days of the school year
- (c) during addendum contracts of twenty (20) or fewer days
- (d) to extend those non-working days or conference release days as

identified by the school calendar.

In cases of emergency, the principal may waive the preceding restrictions other than the numerical limit. In addition, the restrictions above shall not apply to a teacher desiring to use personal leave to attend a graduation of the teacher's child or spouse.

(4) Temporary active duty up to a maximum of fourteen (14) days per contract year. Leave for temporary active duty is provided the teacher who is a member of a reserve military unit which is ordered to active duty as a result of an emergency or disaster.

(5) Paternity leave up to a maximum of three (3) days per contract year. Paternity leave is provided for the father to attend the birth of his child.

(6) Adoptive leave up to a maximum of fourteen (14) days per contract year.

(d) When a teacher is absent from his/her assignment for any of the above reasons, such absence shall be a chargeable absence and the number of days of such chargeable absence shall be subtracted from his/her accumulated temporary leave days. Absences for one-half (1/2) day or less shall be chargeable as one-half (1/2) day. Absences for less than a day but more than one-half (1/2) day shall be chargeable as one (1) day. A teacher's salary shall be reduced by the amount of his/her daily rate of pay for each day of chargeable absence in excess of the limits specified by subparagraph (c) above. However, the numerical limits specified by subparagraph (c)(2), (c)(4) and (c)(6) above may be extended by the Superintendent upon written request by the teacher if the teacher has accumulated sufficient days.

(e) When the administration has doubt of the authenticity of the reason given by the teacher for any absence other than personal leave, the administration reserves the right to require evidence of authenticity. After five consecutive days of absence, the administration may require the teacher to furnish evidence of authenticity of the reason given by the teacher. Such evidence shall be subject to review and appropriate action by the Human Resources Division.

(f) If, in the judgment of the building principal, the total number of absences on a given day by teachers based at the building will impair or is impairing the educational program, then the principal may request that teachers not take personal leave.

Paragraph 2: Nonchargeable Temporary Leave

Subject to administrative approval, a teacher may be granted temporary leave for the following purposes, subject to the following provisions. Such temporary leave shall not be chargeable to cumulative temporary leave days, and the teacher shall receive his/her full pay.

(a) Court Duty or Jury Duty

A teacher may be granted temporary leave to appear in court to answer a jury summons, or for reasons other than personal neglect, violation of law, or matters in which the teacher has a vested interest. Such extended leaves shall normally be for one (1) semester or one (1) year. An extended leave may be lengthened to include a second year under the same provisions which applied to the first year of extended leave. Extended leave shall not be taken in order that the teacher can teach at another school other than a nationally recognized foreign teaching or exchange teaching program.

(i) be reassigned in a position which is at least comparable to the one which he/she held when the extended leave commenced, exclusive of supplemental assignments. If the date of return from extended leave is other than the beginning of a school year, the effective date of return shall be subject to a vacancy for which the teacher on leave is qualified. If the date of return from extended leave is the beginning of a school year, the assignment shall be assured, provided the teacher notifies the Human Resources Division on or before April 15 of his/her intention to return. On or before March 15 the Human Resources Division shall make reasonable attempts to notify each teacher on leave of this provision.

In the event that the above dates for application are not met, teachers shall still receive consideration of their application and extended leaves may be granted except where such leave would work a hardship on the school system.

(b) A physical examination and/or statement from a medical doctor may be required of any teacher making an application for an extended leave for health. In the case of maternity, such statement shall include the anticipated birth date of the child.

(c) Teachers shall make application for extended leaves on forms provided by the Human Resources Division.

This criteria shall be determined no later than September 15 of each school year should there be a recommendation by

either party to have a Teacher Governance school for the following school year.

Paragraph 2: The Board and the UTW agree to meet no later than October 15 of each year to determine the number of Teacher Governance schools for the following year.

Paragraph 3: Once established, a Teacher Governance Model school will be discontinued only in such circumstances that would cause a principal to be removed from that school or upon mutual agreement of the Board and UTW.

ARTICLE XVII: UTW RIGHTS

Section A: Exclusive Rights

Paragraph 1: Exclusive Recognition

The Board recognizes the UTW for the purposes of negotiations as the exclusive representative of the teachers bargaining unit.

Paragraph 2: Exclusive Representation

Nothing in this Section shall be construed to limit the Board from granting the same or similar rights to others.

Paragraph 2: Use of Facilities

UTW shall have the rights afforded to teachers in Article XI, Section A, Paragraph 1, and Section C, Paragraph 1, subject to the procedures set forth in Section D. UTW shall have the rights afforded teachers in Article XI, Section E subject to the conditions set forth in said Section.

Paragraph 3: Use of Cablevision Channel

UTW, subject to the following, shall have the right to use the Board's cable television channels. Such use shall be limited to presenting material of an educational nature and purpose and such use shall be approved, arranged, or denied through the Division Director of Marketing and Communications or designee. The decision to approve or deny material presented for broadcasting shall rest with the

Division Director or designee at the Division Director's or designee's sole discretion. The Division Director or designee shall have the right to place time limits on material that is approved and to schedule the time such material is to be broadcasted. In no event will material be approved for broadcasting which, in the opinion of the Division Director or designee, would be damaging to the labor/management relationship. Decisions rendered by the Division Director or designee pursuant to this paragraph are not subject to the grievance procedure.

Paragraph 4: Open Records

Upon written request from UTW, the Board shall provide UTW public information that is required to be disclosed under the Kansas Open Records Act. Such information shall be furnished or made available within a reasonable time only in the form available. UTW shall not use such public information obtained from the Board for commercial purposes.

Paragraph 5: UTW Access to Board Meetings

A place shall be reserved on the agenda of each regular meeting of the Board of Education for matters that the UTW wishes to present to the Board of Education.

Paragraph 8: E-mail

The UTW president shall be provided the same access that teachers have away from school to Outlook or whatever other communications system the district may then be using, subject to the UTW president signing the same consent that teachers sign including signing any update thereto and subject to the President complying with all district rules and policies regarding use of the district communications system.

ARTICLE XVIII: REDUCTION AND RECALL

Section A: General

Paragraph 1: The teaching staff may be reduced by layoff at the discretion of the Board.

Paragraph 2: The greatest possible reduction in teaching staff shall be accomplished through attrition.

Paragraph 3: The reduction may be applied to all teachers or to only some group or groups thereof. The reduction shall be applied to the largest group or groups of teachers which may be reasonably considered. The Superintendent, subject to Board approval and after consultation with the UTW President, shall determine the group or groups of teachers from which the reduction shall be made.

Section B: Selection

Paragraph 1: Within each specified group, teachers shall be selected by the Human Resources Division for layoff in the following order:

- (a) Teachers whose positions have been eliminated and who are not qualified to fill any vacant teaching position;
- (b) Teachers who are on a Plan of Assistance, provided:
 1. the assistive process was followed as outlined in Article XV; and
 2. the Plan of Assistance was initiated not less than thirty (30) days prior to the announcement of the reduction in force;
- (c) New Teachers as defined in Article XV;
- (d) Teachers with four or more years of experience.

Paragraph 2: Within each subparagraph above, if two or more teachers are otherwise equally eligible for selection, teachers with shorter lengths of current employment will be selected before those with longer lengths. If two or more teachers remain equally eligible for selection, the order of selection of those teachers shall be decided through applying unbiased procedures developed and directed by the Human Resources Division.

Paragraph 3: Length of current employment shall be based on the date of employment specified by the personnel database.

Paragraph 4: Only those assessments forwarded to the Human Resources Division prior to an earlier date specified by the Superintendent will be considered in the implementation of this Article.

Paragraph 5: Any individual(s) within a specified group who is on or has requested an extended leave or sabbatical shall be eligible for selection for layoff under the conditions set forth herein.

Paragraph 6: As teachers are selected for layoff, their names shall be placed on a list in the order of their selection. A copy of the list shall be given to the UTW in a timely manner. If the UTW does not object in writing to the order of selection within five (5) days of receipt of the list, the list shall be final. If the UTW objects in writing to the order of selection within five (5) days of receipt of the list, said

objection shall be in the form of a grievance initially filed at Level Two of the Grievance Procedure and shall be processed accordingly.

Section C: Notice

Paragraph 1: Any teacher who is to be recommended for layoff shall be notified in writing at least thirty (30) days prior to the proposed effective date of such layoff and a copy of the notice shall be given to the UTW. Such notice shall include:

- (a) The basis for the initial decision for teaching staff reduction;
- (b) The reason(s) for the selection of the individual teacher;
- (c) A copy of this Article;
- (d) Notice to the individual teacher of an opportunity to respond.

Section D: Rights

Paragraph 1: After implementing such a reduction procedure, the list of names of laid off teachers shall be maintained for two (2) years.

Paragraph 2: Any teacher who has been so laid off shall no longer be considered an employee and shall have no employee rights or benefits other than those required by law or by this agreement

Paragraph 3: Any teacher who has been laid off will be eligible to choose to continue group health benefits provided by the Board health plan pursuant to the Consolidated Omnibus Budget Reconciliation Act (COBRA). The Board shall make no contribution and the teacher must make advance arrangements for payment of premiums with the Business/Financial Services Division.

Paragraph 4: It is the responsibility of the listed laid off teachers to keep the Human Resources Division informed of their current address and any changes in teaching qualifications.

Paragraph 5: If a teacher vacancy occurs within two (2) years for which any teacher named on the list qualifies, the position shall be offered to the teacher whose name was most recently placed on the list and who meets the qualifications of the position as stated on the job description prior to the occurrence of the vacancy. However, the Board is not obligated to offer any teacher a position of greater full-time equivalency than that teacher had when he/she was laid off. The usual employment procedures will be followed in determining fitness for recall.

Paragraph 6: If any teacher named on the list waives recall rights in writing, fails to accept recall to a position for which the teacher is qualified, fails to respond within ten (10) days to a recall notice sent to the latest address which the teacher has furnished to the Human Resources Division, or fails to report for duty in the accepted position, the name of such teacher shall be removed from the list and such teacher shall have no further recall rights.

Paragraph 7: Any teacher who is recalled shall regain all employment benefits to which he/she was entitled at the time of layoff. However, no benefits may be accrued during the period of unemployment and the teacher shall be subject to all changes in employment conditions which have been made in the interim.

Paragraph 8: Any teacher who has been so laid off may apply for assignment as a substitute teacher.

Paragraph 9: No layoff covered under this Article shall be considered a termination or nonrenewal under K.S.A. 1979 Supp. 72-5436 et seq. or K.S.A. 72-5411. However, application of this Article shall be subject to the grievance procedure.

ARTICLE XIX: GRIEVANCE PROCEDURE

Section A: Purpose and Definitions

Paragraph 1: The purpose of this grievance procedure shall be to resolve good faith differences of opinion regarding the interpretation or application of this agreement.

Paragraph 2: Grievance: any alleged violation or misapplication of this agreement or Board Policy 5112 including Administrative Implemental Procedures.

Paragraph 3: Grievant: a teacher who has filed a grievance or, in the case of a group grievance, the UTW.

Section B: Time Limitations

Paragraph 1: The time limitations specified at each level may be extended by mutual agreement between the grievant or his/her representative and the Superintendent or designee.

Paragraph 2: When the term "days" is used herein, unless otherwise specified, it shall mean contract days during the school year and calendar days between school years.

Section C: Informal Level

Paragraph 1: Prior to filing a grievance in writing and within fourteen (14) days after the occurrence of the event upon which it is based, the grievant and his/her representative, if any, shall attempt to resolve the matter informally by requesting a meeting with the immediate supervisor. Such a meeting shall be held within seven (7) days after the request is made.

Paragraph 2: Lack of adherence to informal level remedy shall retain grievance

status.

Section D: Level One

Paragraph 1: If the matter is not resolved informally to the satisfaction of the grievant, the grievance must be filed in writing with the grievant's immediate supervisor within seven (7) days after the first informal meeting and a copy of such grievance shall be forwarded to the UTW President or designee and the Superintendent or designee.

Paragraph 2: Within seven (7) days after receiving the Level One grievance, the immediate supervisor may, at his/her option, hold a discussion meeting with the grievant and his/her representative, if any. Within seven (7) days after the discussion meeting, if one is held, or within seven (7) days after the grievance is filed in writing, the immediate supervisor shall make a decision in writing, together with the supporting reasons. Copies shall be forwarded to the grievant, the grievant's representative, if any, the UTW President or designee and the Superintendent or designee.

Paragraph 3:

(a) UTW, as an alternative to the informal level and to a teacher(s) filing a Level One grievance, may file with the Superintendent an alternative Level One grievance in circumstances where the otherwise grievant(s) has a genuine concern that the filing of a grievance might result in retaliation being taken by the grievant's immediate supervisor. The President of UTW shall verify to the Superintendent that the person who would otherwise file the grievance has a genuine concern that the filing of a grievance might result in retaliation being taken by the otherwise grievant's immediate supervisor. It is understood by UTW that the Board does not tolerate retaliation by supervisors against persons who file grievances and UTW agrees that it will cooperate with the Superintendent regarding the addressing and eliminating of situations where retaliation may be occurring.

(b) Upon the filing of an alternative Level One grievance, UTW shall file a written statement that sets out the alleged violation or misapplication of this Agreement or Board Policy 5112 including Administrative Implemental Procedures. If the matter is not informally resolved between the Superintendent and UTW to the satisfaction of the person(s) who would otherwise have filed the grievance within ten (10) days after the grievance is filed, then the Superintendent and President shall meet at their mutual earliest convenience. Upon such meeting the Superintendent and President shall select a neutral person as a hearing officer to serve on a panel with the UTW President and the Superintendent to decide whether there was a violation or misapplication of this agreement or Board Policy 5112, including Administrative Implemental Procedures. The decision of the panel shall be final.

Section E: Level Two

Paragraph 1: Within seven (7) days after receiving the decision at Level One, the grievant may appeal the decision in writing to the Superintendent. The grievant shall forward copies to the immediate supervisor, the grievant's representative, if any, the UTW President or designee and the Superintendent or designee.

Paragraph 2: Within fourteen (14) days after receipt of the written appeal or a grievance filed at Level Two, the Superintendent or designee will meet with the grievant and/or representative of the UTW and all parties of interest in an effort to resolve the grievance.

Paragraph 3: Within fourteen (14) days after the meeting specified in Paragraph 2 above, the Superintendent or designee shall make a decision in writing. Copies shall be forwarded to the grievant, the immediate supervisor, the grievant's representative if any, the UTW President or designee and the Superintendent or designee.

Section F: Level Three

Paragraph 1: Within twenty (20) days after receiving the decision at Level Two, the grievant may appeal the decision of the Superintendent or designee to arbitration. The grievant shall forward copies of the request for arbitration to the grievant's representative, if any, the UTW President or designee and the Superintendent or designee.

Paragraph 2: Arbitrations will be heard by a three (3) member panel. Within ten (10) days after the receipt of the request for arbitration, the Superintendent or designee and the UTW president or designee shall each appoint an arbitration panelist. Within twenty (20) days after the two appointments, the two appointed panelists shall agree on a third panelist. If the two appointed panelists are unable to agree upon and obtain an agreement from a third party to serve on the panel, then the Sedgwick County Administrative Judge will be contacted and asked to appoint the third panelist. The panel shall be notified by a joint letter from the grievant and the district, requesting that a time and place be set for the hearing subject to the availability of the parties, and the letter shall specify by stipulation the issue to be determined by the arbitration panel. In the event that the parties are unable to agree on the issue by stipulation after a good faith effort, the letter shall state the proposed issue of each party.

Paragraph 3: The arbitration panel shall have no right to add to, subtract from, nullify, ignore or modify any of the terms of this agreement. They shall consider and decide only the stipulated issue presented to them in writing by the district and the grievant, and their decision and award shall be based solely on their interpretation of the application of the terms of the agreement to the issue stipulated.

If the parties were unable to stipulate the issue, the panel shall first determine the issue to be decided as presented by one party or the other without alteration. If the matter presented to the panel does not involve interpretation of the terms or provisions of this agreement, the panel shall so rule in their award and shall make no other decision on the issue. The panel shall render no award under this agreement which shall be retroactive beyond the date of the event on which the grievance is based. The award of the panel shall be final and binding upon the Board, the UTW, and the grievant involved.

Paragraph 4: The arbitration panel so selected shall fix the time and place for the arbitration and notify the parties thereof. In any disciplinary grievance, the panel shall have no authority to alter or amend any discipline imposed by the district if the panel finds either that the district's actions did not violate the agreement, or that there was just cause for the action.

Paragraph 5: No arbitration decision made hereunder shall constitute a binding precedent with respect to any renewal of the existing agreement or the making of a new agreement between the UTW and the Board. The force and effect of arbitration decisions shall expire when the agreement expires unless the language involved is substantially the same in the expired agreement and the new agreement.

Paragraph 6: No decision of the arbitration panel in any one case shall create a basis for retroactive adjustment in any other case which arose prior to the date of the written decision of the panel, unless the UTW and the district mutually agree otherwise in writing.

Paragraph 7: The fees and expenses of the arbitration panel shall be borne by the party which appointed the panelist. The expenses of the third member of the panel are to be paid jointly by the district and UTW. Each party shall be responsible for its own arbitration expenses. The party producing any witnesses shall pay the expenses of said witness, if any. Upon request of either party, an official court reporter shall record the proceedings, and the party making such request shall pay the cost of the reporter. If the other party requests a copy of the proceeding, that party shall share equally the costs of the reporter.

Section G: Rights of Representation

Paragraph 1: At any level of the grievance procedure, at the grievant's option the grievant shall be represented by the UTW, himself/herself, legal counsel or another person selected by the grievant. Provided, however, if an attorney is going to be present at a Level Two hearing for either the administration or UTW, the other side will be notified at least three (3) days prior to the hearing.

Paragraph 2: If a grievant is not represented by the UTW, the UTW shall have the

right to be present and to state its views of all levels of the grievance procedure.

Section H: General Provisions

Paragraph 1: If a grievance affects a group or a class of teachers, and at least one affected teacher so desires, the UTW may initiate and submit such grievance in writing to the Superintendent directly and the processing of such grievance will commence at Level Two.

Paragraph 2: If a grievance arises because of an act of commission or omission on the part of a member of the administration at a level above the grievant's immediate supervisor, the grievant shall submit such grievance in writing to the Superintendent and the processing of such grievance will commence at Level Two.

Paragraph 3: Forms for filing and appealing grievances will be prepared and distributed jointly by the Superintendent and the UTW. The costs of preparing such forms shall be borne by the Board.

Paragraph 4: A grievance must be filed on an official form. In filing a grievance, the grievant shall make every reasonable effort to state specifically what was done, who did it, when it was done, the language which was violated, how it was violated, and the remedy requested. If the form is not completed in accordance with this paragraph, the grievance may be returned to the grievant for completion together with a notice regarding the incomplete parts. If the form is then completed and filed within five (5) days, the grievance shall be considered to be no less timely than it was when previously submitted. For purposes of processing the grievance, the filing date shall be the date the completed form is filed.

Paragraph 5: The confidentiality of the proceedings will be respected by all parties to the degree that it is consistent with the procedure described. The grievant's right to continued processing of a grievance filed by him/her shall be conditioned upon there being no deliberate violation of this confidentiality by him/her. The publicizing of the general issues involved in a grievance which does not permit identification of the participants shall not be construed as a breach of this confidentiality.

Paragraph 6: Nothing contained herein is to be construed as limiting the right of a teacher having a grievance or an involved administrator to discuss the matter informally with any appropriate person in an effort to have the matter adjusted in a mutually satisfactory manner, provided that such adjustment is not inconsistent with the terms of this agreement.

Paragraph 7: A decision at any level of the procedure in favor of the grievant may recommend appropriate restitution or other remedy for the period during which the grievance was suffered but no restitution or remedy shall be retroactive be-

yond the date that the grievance was filed.

Paragraph 8: Any decision rendered at any level of the procedure which is contrary to this agreement or law shall be null and void.

Paragraph 9: If any teacher is required to attend a meeting or hearing called by the Board or the central administrative staff, the teacher's immediate supervisor shall be notified that the teacher is to be released without loss of pay for such time as attendance is required for the meeting or hearing.

Paragraph 10: Grievances, grievance appeals, grievance communications and grievance findings will not be filed in the personnel file of any teacher. If such a grievance file is maintained, it shall be open for inspection by the grievant upon request.

Paragraph 11: Every effort shall be made by all parties to avoid the involvement of pupils in any phase of the grievance procedure.

Paragraph 12: No teacher shall be subject to reprisal or discrimination by reason of participation or non-participation in the grievance procedure.

Paragraph 13: If a teacher pursues any legal or statutory remedy for an issue, then any further or subsequent proceedings for relief through the grievance procedure shall be barred unless the court or administrative agency refuses jurisdiction until all administrative remedies have been exhausted.

Paragraph 14: With the consent of the grievants involved and the Superintendent or designee, similar grievances may be consolidated and processed together as a single grievance. Such consolidation shall not be construed as preventing any grievant from appealing a decision to the next level. Once consolidated, a grievance may be separated only with the consent of the Superintendent or designee. However, consolidated grievances shall not be presented to arbitration without the mutual consent of the parties involved.

ARTICLE XX: PRINTING AND DISTRIBUTION

The Board shall provide an electronic copy of this agreement to UTW. The Board shall also make available an electronic copy of this agreement on the District's website.

B. Growth Plans (Also called a Deliberate Practice Plan)

Growth Plans are specifically developed to enhance continuous improvement of a teacher's ongoing professional growth. Each teacher shall have the final decision in developing an individual plan with specific goals, including the number and content of specific goals (no fewer than 2 goals), subject to the goals being tied to elements found within the adopted evaluation system. The plan includes growth goals which have an estimated timeframe for completion and suggested activities. The teacher shall report progress on goals to the teacher's supervisor periodically throughout the school year. The growth plan should be submitted electronically to the supervisor by the end of September or within thirty (30) days of returning to work, whichever is later. A teacher returning at any time other than the start of the school year, or who has a change in assignment, shall submit a growth plan within thirty (30) days. Those teachers assigned to more than one building shall coordinate their growth goals with the supervisor at their base school. For self-review teachers keep documentation that illustrates progress toward goals.
