

Guest (Substitute) Teacher:

Thank you for your interest in being a Guest Teacher. Wichita Public Schools relies on Guest Teachers to provide effective teaching strategies so that student learning continues in the absence of the classroom teacher. Guest teachers play a vital role in student achievement.

Guest teaching is an exciting opportunity! You can:

- Build lasting relationships with students, schools and other teachers.
- Work with students on a part-time or full-time basis.
- Enjoy a flexible schedule.
- Work in elementary or secondary classrooms in your choice of over 90 schools

Guest teaching is an ideal way to test-drive your teaching skills in the classroom. You will gain to help decide if you would like to pursue an alternative pathway to secure your teaching crede district strives to provide our guest teachers with comprehensive training and support.

For additional information about alternative pathways to the classroom, please visit our [Alterna page](#).
