Annual salaries for 2 years and above are for employees with 190 day work schedules.

Annual salaries do not imply a contract amount.

For FY 20, eligible employees move up one step. The salary schedule has increased by 4% and steps have been adjusted so step movement equals a minimum of 5%. Step 31 has been added to the schedule. This schedule also reflects changes made by the SC State Department of Education.

For working retirees, the rate of pay would be reduced by 5% and the salary schedule name would begin with 5.
