In the event that the unpaid leave begins on February 1st or later, certified employees must submit in writing within thirty (30) calendar days their intent to return to the district the following year.

Unpaid leaves of absence may only be granted for one (1) complete school year.

A certified employee on an unpaid leave of absence retains existing contract status and sick leave accumulation as of the date the leave begins. Further accrual does not take place while on leave.

While on leave the employee has the right to continue the insurance coverage at the employee's expense.

FAMILY MEDICAL LEAVE ACT LEAVE

The Family and Medical Leave Act (FMLA) entitles eligible employees to take up to twelve (12) work weeks of unpaid, job-protected leave each year for specified family and medical reasons. LEAVES OF ABSENCE WITH PAY

COURT DUTY

School district personnel summoned to serve on juries are allowed their regular compensation. This policy also applies to district personnel summoned as a court witness because of their school position or summoned as a witness in a criminal trial as a direct result of actually witnessing a crime in progress.

Other court appearances may be accommodated through the use of personal leave, leave without pay, or with pay by prior approval of the board of trustees.

ADOPTION LEAVE

District employees may be granted paid adoption leave with prior approval of the board of trustees. The Human Resource's Administrator will determine the number of leave days allowed, depending on circumstances of the adoption case, up to a maximum of 10 working days. Adoption leave may be taken intermittently within the maximum time period of one calendar year starting from the first day adoption leave is taken.

ARTICLE X: ACADEMIC FREEDOM AND RESPONSIBILITY

The Board and the Association agree that Employees should have academic freedom in their assigned area in order to teach without undue interference. With the freedom to meet their obligations to teach the meaningful skills and content knowledge of their subject(s) of their lesson comes the responsibility to meet the requirements of the District education program. Accordingly, both parties agree as follows:

- A. Basic Responsibilities – There are certain, basic responsibilities that all Employees must adhere to in all classroom situations. They are as follows:
- i. Employees will follow the Code of Ethics for Idaho Professional Educators, including but not limited to reporting requirements of suspected child abuse and suicidal tendencies to the Idaho Department of Health and Welfare and Law Enforcement (SRO).
(If an Employee makes an abuse or suicidal tendency report, the Employee shall likewise notify the Building Administrator, the Student Resource Officer or police department in their jurisdiction and Building Counselor at the earliest time practical.)
 - ii. Employees will not use profanity in the presence of students.
 - iii. Employees will follow approved curriculum guidelines.
 - iv. Employees will follow District policy, state, and federal laws, rules, and regulations.
 - v. Employees will respect the individual's sex, race, color, national origin, age, religious beliefs, ethnic background, or disability of their students and community.
- B. Controversial Material –Employees shall be allowed freedom in classroom presentations and discussions to introduce political, religious, or otherwise controversial material without bias or prejudice and without advocating personal views, provided that said material is directly relevant to the current classroom study as well as course content and aligns with the District curriculum.

(Should an Employee have knowledge that they are going to be raising a controversial issue during an upcoming class, it is advisable that the Employee confer with Building Administration and discuss any concerns they may have about the classroom activity.)
- C. Student Grades – Employees have initial and primary responsibility for assigning student grades. The Employee, in collaboration with the Multidisciplinary Team (MDT), shall be responsible for determining and assigning grades for inclusion students. Students/parents may appeal a teacher's assigned grades through communication to the Building Administrator; however, any suggested alterations to a final course grade cannot be made without a conversation that includes the Employee, the Building Administrator, and the Director of Instruction.
- D. Resolving Issues/Complaints - When there are issues/problems between a parent and/or student and an Employee, every effort will be made to resolve the problem(s) at the lowest level. The lowest level is the parent and/or student and the Employee working together to solve the problem. However, it is understood and agreed that the District cannot force meeting(s) between a parent/student and an Employee to resolve a problem, and thus the lowest level in any given situation may be at an administrative level.

ARTICLE XI: ASSOCIATION RIGHTS

- A. The West Ada School District and the West Ada Education Association recognize that student behaviors can infringe on an employee's right to a safe and secure workplace. The district shall effectively establish, communicate and enforce student behavior policies. Administrators and teachers can refer to the appropriate student handbook for details on how to respond to safety violations.
- B. The Association and its representatives will be permitted to transact official Association business on school property at any time provided this does not disrupt school operations.
- C. The Association and its representatives shall have the right to use the building for meetings provided this does not interfere with school or other scheduled operations.
